Plans Well Underway For VFW Rodeo And Celebration

V.F.W. Needs Help At Rodeo Pens

Th VFW is again this week asking that everyone who has time and can drive a nail be on hand to help with the construction at the Rodeo Grounds. It had been hoped that the lights could be put up this week so that night work could progress next week. Please cooperate with the VFW and help make the Rodeo a success by volunteering some of your time next Saturday afternoon.

RODEO QUEEN TO BE CHOSEN

A Rodeo Queen will be chosen from the young ladies of Silverton between the ages of 15 and 21 years of age. Organizations and groups interested in sponsoring a candidate should contact Walter Brannon. You will be able to vote for the candidate of your choice by contributing one penny in her name. One penny entitles you to one vote, and as many votes may be cast for the candidate of your choice as you like. The Queen and the two runners up will receive trophies. Presentation and coronation of the Rodeo Queen will be at the Saturday night performance of the Rodeo.

City-Wide Clean-up To Precede Rodeo

A City-wide Clean-up campaign sponsored by the Silverton Lions Club will be held August 14, 15 and 16, in order to beautify our city before visitors arrive in town beginning August 17. Trucks and shredders will be furnished to haul trash to the City Dump and to shred weeds in alleys. All city residents are urged to gather their trash into a pile at the alley so the Lions Club and Boy Scouts can get everything cleaned.

GARDEN CLUB MEETS WITH MRS. BILL EDWARDS

The Silverton Garden Club met in regular session on July 18th, in the home of Mrs. Bill Edwards. Six members and one visitor were present. Mrs. H. Fisher and Mrs. Shafe Weaver were welcomed as new members. After an interesting program the group enjoyed a tour of Mrs. Edwards flower garden.

Mr. and Mrs. Onar Cornett, Mr. and Mrs. Don Cornett and Kim, and Mrs. Bill Long and family, Silverton; Mrs. Olaf McElmurry and Linda Kay, Taft, California; Mr. and Mrs. C. B. Welch and family of Parnell; and Mr. and Mrs. T. W. Devenport of Wellington took cake and ice cream to the home of Mr. and Mrs. Bernice Welch and John Charles in Wellington Sunday afternoon, where they enjoyed a good time together in celebration of Bernice Welch's birthday.

Mr. and Mrs. Don Cornett have recently returned home from Erick, Oklahoma, where they vacationed on a ranch. Kim Cornett remained with her grandparents, Mr. and Mrs. Onar Cornett.

Tentative plans are to make a trip on Friday, August 11, to Claude, Clarendon, Goodnight, Turkey, Memphis and other communities in that area. On Saturday, August 12, the Boosters would visit Quitaque, Matador, Floydada, Lockney, Kress and Tulia.

Auto Crash Near Silverton Claims One Life

A twenty-two year old former resident of Groom was killed and her husband injured in a two-car collision about two miles east of Silverton at about 7:00 p.m. last Friday. Mrs. George (Marjorie Bural) Thompson, Jr., was dead on arrival at Swisher County Hospital in Tulia. Her husband, 23, was treated for cuts and bruises at the same hospital. A third person injured in the accident was Amel Zamora, 23, of Silverton. He was treated and released from th Tulia hospital. Investigating officers believe the Thompsons were traveling to Clarendon from Lubbock to visit Thompson's parents, Mr. and Mrs. George Thompson, Sr. The accident occurred at an intersection where the vision was obscured by tall grass. Both cars were heavily damaged. Funeral services for Mrs. Thompson were conducted at 3:00 p.m. Sunday in the First Methodist Church at Groom.

Former Resident Dies In Fire

This community was shocked Sunday morning when it learned that Mrs. Paul Ragen, nee Nora Mae Thompson, had lost her life Saturday when the family home on a ranch near Mohler, Idaho, had been destroyed by fire. Nora Mae, 41, youngest daughter of the late Mr. and Mrs. Sam Thompson, grew up here and was a graduate of the local high school. She served with the Marines during World War II where she met and married Mr. Ragan, also a Marine, in 1944. Other survivors include a son, Gary, 16, and a daughter, Sharon, 15, of the home; two brothers, Bill Thompson of Skelleytown, and Kemp Thompson, of Tulia; two sisters, Mrs. Nell Dickerson of Canyon and Mrs. Kate McKenney of Subiaco, Arkansas. The Messrs. Thompson, Mrs. Dickerson and Mrs. McKenney left Amarillo Monday morning for Idaho where funeral services were to be held on Wednesday.

Mr. Ragan, Gary and Sharon, were away from home when the fire occurred. Mrs. Ragan had planned to cook a turkey while they were away, but had been having trouble with her electric stove. The floor furnace was in operation in the home. Neighbors seemed to think that the house exploded. Apparently Mrs. Ragan was standing on a landing between the floors of her two-story home, and it was not immediately determined whether what she held in her hands was a fire extinguisher or part of a metal filing cabinet.

Jim, Margaret and Jerry Swindle of Hart spent a long weekend with their grandparents, the Jim Clemmers. They came Friday and their parents, the Bill Swindles, came for them on Monday night. Bill McIntyre of Erick, Oklahoma, a former Silverton resident, spent Friday night with his aunt and family, Mr. and Mrs. George Seaney.

LaQuetta Ann Croft visited her grandparents, Mr. and Mrs. D. Oneal last week.

Plans are well on their way to completion for this year's V.F.W. Rodeo and celebration. Making a comeback this summer, this annual event is expected to be bigger than ever.

The tornado which went across the city in 1957 demolished the rodeo arena, pens and stands. Work has been progressing on the replacement of these necessary fixtures, and will be completed in the next two weeks.

Activities will begin on Thursday, August 17, and will continue for three big fun-filled days.

On Thursday, August 17, activities will get underway with a big free barbecue in the City Park.

Everyone is invited to come and bring the family. The barbecue will begin at 5:00 p.m. and will last until 7:00 p.m. This event will be sponsored by the Silverton Lions Club.

A Fiddler's Contest will be held on the square in Silverton on Friday, August 18, at 5:00 p.m. Fiddlers from all over the Panhandle will be invited to participate in this contest.

A western parade with bands and floats will be a highlight of Saturday afternoon, August 19. It is scheduled to begin at 4:00 p.m.

Clubs and groups which have already indicated that they will have entries in the parade are Eta Chi Chapter of Epsilon Sigma Alpha Sorority, the Rainbow Girls, Southwestern Public Service Company, the Haylake Club, Lions Club, Maples 66, Vocational Ag boys, Ledbetter-Rhode Farm and Ranch Center, Coon Hunters Club, John Deere, Chevrolet, Ford, International, Morris Pharmacy, and the Tulia High School Hornet Band.

Riding clubs will be here from Amarillo, Petersburg, Plainview, Tulia, Lone Star, and Silverton. The Plainview Riding Club will give a special performance at the Rodeo on August 19th. Prizes will be awarded the best floats in the parade. Other groups are urged to enter floats and exhibits in the parade. Please contact Walter Brannon as soon as possible to arrange for entries.

A 21" Zenith table model television set will be given away by the Silverton Lions Club at the Rodeo on Saturday night. Tickets will be given in exchange for a donation to the club.

A western dance will be held in the fire hall after each performance of the Rodeo. The dances will begin at 9:30 p.m. on Thursday, Friday and Saturday nights.

Three performances of the VFW Rodeo will be enjoyed. The books close Thursday, August 17, at 3:00 p.m. Entry fees must accompany entries.

The events will include Tie Down Calf Roping, Heading and Heeling, Bareback Bronc Riding, Saddle Bronc Riding, Bull Riding, Cowhorse Cutting Contest, and the Ladies Barrel Race. A Grand Entry will be held each night of the Rodeo.

Stock will be furnished by the Ratjen Brothers of Happy, Texas. The club reserves the right to run into one go-round if necessary.

Call or write Fred Strange, Secretary, Box 786, Phone 2741 or 3301 or Bean 4173, Silverton, Texas.

Mr. and Mrs. Edd Oneal of Nocona, Texas, and Mrs. O. G. Reed of Muenster, visited their sister, Mrs. A. H. Chappell and family, from Saturday noon until Monday morning, when they returned home. Other visitors in the A. H. Chappell home Sunday afternoon were Mr. and Mrs. C. M. Chappell, Mrs. H. P. Howard, Mrs. Floyd Williams, and Annette, and Mr. and Mrs. Bud Minyard.

Mr. and Mrs. G. W. Chappell and children visited in the A. H. Chappell home Saturday night.

Mr. E. L. Landtroop visited in the home of Mr. and Mrs. A. H. Chappell Sunday morning.

Two of Mrs. A. H. Chappell's brothers have visited here recently, Mr. and Mrs. George Graham of Nocona, and Mr. Garland Graham of Abilene.

Mr. Charles Don Wallace and Donna of Lubbock, spent last week here with Mr. and Mrs. Dock Wallace and Gloria and Mr. and Mrs. Dolan Rackley and Kay.

IN AN APPRECIATION ceremony held last Saturday evening in the local ball park, Shorty West, Fred Mercer and Birt Myers were recognized for their outstanding work with the Silverton Jets. West, left, was presented with a sport coat, tie and handkerchief to match by Tiffins, Staffords, Simpson Chevrolet and Dempsey Gin. Mercer, team manager, pictured on the right and Myers, assistant team manager, not pictured, received hats, compliments of Salem Dry Goods and the players. About \$200 was netted for the ball park fund through the evening of activities sponsored by Little League, Pony League and Semi-Pros. The Little League All-Stars defeated the Tulia All-Star Runners Up by a 8-3 score. The Pony League suffered defeat at the hands of Tulia, 7-5. The Silverton Jets defeated Springlake 11-3. Three Injured In Pickup Crash

Patricia and Georgia Ruth Gidden, daughters of Mr. and Mrs. George Gidden of Amarillo, and Sue Neeley, daughter of Mrs. Fred Brannon, were injured Thursday evening when the pickup in which they were riding overturned at the southern city limits of Silverton.

Sue Neeley was treated for cuts and bruises. Patricia Gidden suffered cuts, bruises and a broken collar bone. She remained in the Swisher County Hospital at Tulia until Saturday afternoon, when she was returned to her home in Amarillo.

Georgia Ruth Gidden remained in Swisher County Hospital and was then removed by ambulance to Northwest Texas Hospital in Amarillo. She suffered a broken arm, a severely cut leg, and shock, which were for a short time complicated by internal hemorrhaging. Her condition is reported as much improved by members of her family who have been constantly at her bedside.

The Gidden girls had been spending the summer here in the home of their grandmother, Mrs. Agnes Bingham, and helping at the Silverton Cafe.

The pickup was totally demolished, according to reports.

Mr. and Mrs. John A. Arnold and children of Amarillo spent the weekend here with relatives. Margie and Pat remained here for a longer visit with their grandmother, Mrs. Wade Welch, Mr. Welch and Mary.

Mr. and Mrs. Cecil McCain and children of Vigo Park and Mr. and Mrs. Bud Vaughan and sons were Sunday visitors with Mr. and Mrs. Runt Sweeney who have recently moved to Triangle ranch near Paducah.

Mrs. Virgil W. Baldwin and Dan of Silverton and Mrs. Rex Jones, Ricky and Rocky of Lubbock visited Mrs. Frank Baldwin, grandmother of Dan Baldwin and Mrs. Jones in Sentinel, Oklahoma, and relatives at Blair, Oklahoma, several days last week. Mrs. Jones and the children returned to Lubbock Friday.

STUDENTS REMINDED TO GET THEIR IMMUNIZATION

Superintendent of Schools, J. S. Hinds, reminds students of next year's first grade that now is the time to be getting their immunization as required by the state education agency. These are now required: Small Pox, DPT and Polio immunization. Included in the DPT are immunization against diphtheria, whooping cough and tetanus. A doctor's certificate must be presented as proof of immunization.

ENJOY VACATION IN NORTHWESTERN STATES

Mr. and Mrs. E. D. Wilmeth returned home Monday evening after an enjoyable two weeks vacation. They camped out each night while away except when travelling long distances and stopping only for one night. The first week they spent in the Black Hills of South Dakota and the Badlands there. They also attended the Passion Play there.

Their second week was spent in Yellowstone National Park. They had a wonderful time there although three bears had a fight over food one night near the Wilmeth's camp. A tent was knocked down and a woman was mauled. The Wilmeths were always careful not to leave food about and were never disturbed by the bears when they prowled about each night.

Mrs. J. E. Vaughan spent a few days last week in Lockney with her daughter and family, Mr. and Mrs. Homer Ragland, Jr. and their new daughter, Janet Ann.

Mrs. J. E. Vaughan went to Plainview Monday to be with her sister-in-law, Mrs. J. D. Johnston, who underwent surgery at the Foundation and Clinic Tuesday morning. Mr. and Mrs. Johnston formerly lived here.

Mrs. Floyd Williams and Annette were in Lubbock Monday and Tuesday. They were overnight guests of Mrs. Williams' sister and family, Mr. and Mrs. R. L. Bigham and Rickey.

Recovering From Injury

George Gidden of Amarillo, the son-in-law of Mrs. Agnes Bingham of Silverton, is recovering from a serious accident at Amarillo Air Force Base, where he is a civilian employee. He was repairing an air conditioner which unknown to him had short in an electrical wire which was submerged in water. When he placed his hand in the water, an electrical charge went through his body causing him to fall with his hand in the air conditioner fan. A witness to the accident recognized the seriousness of the accident and turned off the current. Gidden then fell several feet to the ground. He suffered a severely injured hand, which required a cast, lacerations and bruises. The quick thinking of the witness to the accident was credited with saving his life. He was treated at the air base hospital and released, and is recuperating at his home.

Orville Deisher of Amarillo, is seriously ill in Northwest Texas hospital in Amarillo. Mr. and Mrs. Angus (Red) Deisher have been with his brother and family in Amarillo for several days recently. The Rock Creek store operated by the Red Deishers, was closed during their absence.

SOIL CONSERVATION DISTRICT NEWS

Last year in late summer R. L. Brunson of Quitaque overseeded about thirty acres of cotton to a rye cover crop. He used a special cyclone seeder owned by the cap Rock Soil Conservation District. An excellent stand was obtained and left on the land until about April 1 this past spring. Cotton was again planted on this field this spring and good results of the cover crop are already evident.

The cotton following the cover crop is bigger and has a better color than the cotton not following a cover crop. A nitrogen fertilizer was applied to all the cotton this spring. The added organic matter from the rye really improved the soil and made the fertilizer more effective. It will be interesting to note the progress of this cotton through to harvest.

Brunson likes this practice well enough that he plans to seed about thirty-five acres of rye cover on his home place this year. He will also seed about seventy acres on a farm rented from Paul Hamilton.

Others interested in using the District seeder to establish a cover crop on cotton should contact one of the District Supervisors or come by the Soil Conservation Office to make arrangements.

Knorr Will Address District Assembly

Mr. V. D. Tiffin, local presiding minister for Jehovah's Witnesses, announced officially today that Mr. Nathan H. Knorr, president of the Watchtower Bible and Tract Society, will be the principle speaker for the United Worshipers District Assembly of Jehovah's Witnesses in Oklahoma City, Oklahoma, August 8-13. Approximately 10 from this area will attend the assembly, which will be held at the Oklahoma State Fairgrounds Grandstand.

"The selection of Mr. Knorr as principle speaker comes as a very pleasant surprise to us," Tiffin said. "Since Mr. Knorr has already visited two of the United Worshipers assemblies in the United States and will also speak at six more in Europe this summer, we did not hope to have him speak in Oklahoma City. This will certainly increase our anticipated attendance of 10,000."

According to Tiffin, Mr. Knorr leaves this week for an inspection tour of branch offices in Europe and to speak at a series of district conventions in Denmark, Germany, Italy, France, Belgium, and England. The Oklahoma City gathering will be held the week he returns from his European travels.

"We here in this area are especially looking forward to hearing

Mr. Knorr," said Tiffin, "because his remarks during our convention will undoubtedly include first-hand information on the condition of thousands of Jehovah's Witnesses known to be undergoing severe persecution behind the iron curtain in Russia and in various satellite countries."

"The Russians have accused Jehovah's Witnesses of being in the service of the most reactionary circles of American capital," Tiffin continued, "and many have been sentenced to long terms in prison. Only recently Wilhelm Sheider, Watchtower Society branch supervisor in Poland, was sentenced to six years in prison for distributing the Bible publications of the Society. And press reports show the branch supervisor in Hungary was also imprisoned last March 13. Mr. Knorr is expected to have further information when he returns from Europe."

Tiffin explained that the watchtower society has grown rapidly under Knorr's direction. In 1942, when Knorr became president, there were 115,240 Jehovah's Witnesses in 54 countries of the world. In 1960 records show there were over 916,000 witnesses preaching in 179 lands and islands of the world, all under the oversight of Mr. Knorr. He travels thousands of miles annually in his administrative duties.

"Although Mr. Knorr will speak on several occasions during the Oklahoma City convention, his most important appearance will be on Sunday, August 13, at 3 p. m., when he will deliver a public address entitled, 'When all Nations Unite Under God's Kingdom,'" said Tiffin. "Peak attendance will be reached at this time." Jehovah's Witnesses in this area meet at Quitaque.

Thanks to our friends in Silvertown for all the nice things that have been done for us during the past week, especially for the cards, flowers, gifts and other messages of concern. Special thanks to Mueckler, the nurses at the hospital, and to others like Matt Morris who have done very special things for us. We will always remember these acts of kindness. Thanks again.
