Owls Go Down To Happy

The Happy Cowboys proved too strong for the battling Silverton Owls, whose lineup was mispurt by injuries before the game. Center Butch Norris received lime burns Friday morning as he marked the field for the game, and while the doctor has said that probably no permanent damage resulted from the injury, still he was unable to fill his position on the team. Larry May moved to the center position, vacating his backfield slot from which he customarily picks up valuable yardage for

the Owls. A number of the boys, including Quarterback John Jowell and Fred Stafford, Guard, have been suffering leg injuries.

Van Breedlove is earning quite a name for himself with the fans, and not undeservedly. Van was credited with 19 unassisted tackles in Friday night's game, in addition to being in on most everything, making some good runbacks and intercepting a Happy pass.

He made some 30 to 40 of Silverton's 115 yards gained rushing, while his small but mighty teammate Jay Towe made about 50 of the team's yards gained rushing.

ballgame, alternating at times with his brother, Dennis. John Baird showed his kicking prowess at one point by kicking the ball past the end zone. Ken Thornton, Max Garrison, Robert Rhode and Larry May, were also standouts for the Owls.

The Happy Cowboys opened the scoring in the sixth play of the game when Jim Blackburn went into the end zone from two yards out, and M. L. McGehee went around right end for two extra points.

Later in the first quarter, Happy's Ron Middleton went 8 yards for Happy to score, and in the second quarter, Ken Thornton, Owl End, received a pass from Half-back Fred Edwards and ran for 57 yards. Van Breedlove ran in for the conversion points, and the halftime score was Happy 14, Silverton 8.

In the third quarter Happy completed the evening's scoring when M. L. McGehee went 51 yards to score. Ron Middleton passed to Jim Schrib in the end zone for the extra points, and the final score was Happy 22, Silverton 8.

As promised earlier, the Briscoe County News and Silverton Cafe are going to give a victory dinner to the members of the Owl squad the next week after the first win. We meet Kress on the home field Friday night, and it is hoped that the boys will earn their steak at hat time.

HOSPITAL ASSOCIATION TO ELECT DIRECTORS FOR THE COMING YEAR

On Monday, October 2, in the Briscoe County Courtroom, a meeting of the County Hospital Association will be held.

The purpose of the meeting will be to elect directors for the coming year.

Members are urged to be present at 8:00 p.m.

Civil Defense Program Held

"Time for Our Community" was the theme of the Thursday, September 21, March of Time Study Club meeting. Members and guests heard Mr. Kenneth Williams of Happy and Swisher County Judge Jack Driskill of Tulia speak on Civil Defense.

Mr. Williams' main topic of discussion was Fallout—it's rate of decay, length of potential harm and distances affected from a ground surface blast.

All members were present and enjoyed coffee and cokes after the meeting with numerous guests. The meeting was held in the Production Credit Community Room.

The October 5th meeting will be Time For Friends. The lady teachers of the Silverton Public Schools will be honored guests.

A. L. McMurtry attended the horse show which was held in Clarendon recently.

Morrow-Thomas Representatives To Discuss Sales Tax

All businessmen and residents who are interested in learning more about the sales tax and approved methods of record keeping for the sales tax are asked to meet with Don Cates, Secretary-Treasurer, and Ray Value, Vice President, of Morrow-Thomas Hardware Co., on Tuesday evening, October 3, at 7:30 p.m. The group will meet in the community room of the Production Credit Association office at 7:30 p.m.

Some of the merchants of Silverton have requested this meeting in order to be better informed on the subject of the sales tax.

SHS Girls To Play In Powder Puff Game

The Student Council will sponsor a Powder Puff Football game to satisfy the ball playing whims of the girls of Silverton High School. The game is scheduled for Tuesday, October 3, at 7:30 p.m. Prices for admission will be 50c for adults and 35c for students.

Contrary to some opinion, the game is not supposed to be rough. The girls will wear a handkerchief in their back pockets and to be tackled must have the handkerchief pulled out. Each girl playing must have the written consent of her parents.

Mr. and Mrs. Richard Eddie-man and Mrs. Lidaou, spent the weekend here with relatives. They attended the WTS-Brigham Young game in Canyon Saturday evening, and were overnight guests of his parents, Mr. and Mrs. Bruce Eddie-man.

Happy Gained 156 Yards Rushing

Happy gained 156 yards rushing; 44 yards by passing, for a total of eight first downs. Silverton made five first downs, on 115 yards gained rushing and 62 yards made on two completed passes. Silverton players again fumbled most of the fumbles were recovered the ball a number of times, but not by Owls. In several instances the fumbles cost the Owls valuable time and yardage.

Mr. and Mrs. Carol Davis and Alex of Hart were recent weekend visitors with Mr. and Mrs. Milton Dudley and Connie. Other Sunday visitors in the Dudley home were Mr. and Mrs. W. H. Graham and boys of Farwell and Mr. and Mrs. Norland Dudley of Hart. The Norland Dudleys also visited the Charlie Holts on Sunday.

Fifth Annual Flower Show Winners Listed

"Briscoe's Beauty in Flowers" was the theme of the fifth annual flower show sponsored by the Silverton Garden Club last week in the community room of the Production Credit Association office. More interest and participation in the show this year made it one of the most successful the club has ever sponsored. High winds during the last few days before the show damaged the delicate flowers some, but the hardier flowers were among the most beautiful to be found.

Small Wheat Growers Cautioned On Acreage

Some small wheat producers who have grown less than 15 acres of wheat in the past 3 years may be subject to marketing quotas — and penalties — under provisions of the wheat stabilization program for 1962.

Under previous programs, farms that had less than 15 acres of wheat, or farms that did not produce more than 200 bushels of wheat annually, were not subject to market quotas even though they had allotments of 15 acres or has exemption is no longer applicable under the new program.

For 1962, the marketing quota exemption for those who planted 15 acres of wheat during any one of the 3 years 1959, 1960, or 1961.

AIRPORT COMMITTEE AND OFFICERS NAMED AT MEETING

At a meeting held last week in the dining room of the "66" Restaurant, a committee to handle problems and efficiency of the Silverton Airport was formed, and officers were elected in the governing body.

Attending the meeting were 23 county and city officials, businessmen and the flying farmers and ranchers of this area.

Named to the Airport Board were J. E. "Doc" Minyard, Glen Lindsey, Milton Dudley, Bill Long and Troy Burson. Burson was named President of the group; Long is Vice President; and Lindsey will serve as Secretary-Treasurer.

James Miller, owner of a flying service at Plainview, and Gene Mitchell, a member of the Hale County Airport Board of Directors, met with the group.

The flying farmers and ranchers stated their willingness to fly residents to their destination when a need arises. They stand ready when emergencies arise, and the airport facilities which provide for the keeping of their planes near the city guarantees that they will be quickly available any time.

PUBLIC COOPERATION IS MAJOR 'MUST' FOR EFFECTIVE LOCAL CIVIL DEFENSE

Editor's Note: The following is the first in a new series on civil defense which will be prepared weekly in the public interest by the Hale County Civil Defense Unit. The articles are being reprinted from the Sunday edition of the Plainview Daily Herald.

Dr. Edward Teller, one of our foremost nuclear physicists, in a recent series of Associated Press articles, stated that if we don't prepare, 100 million Americans could die in the first few days of an all-out nuclear war, and an additional thirty to forty million could die from starvation and disease!

President Kennedy stressed the importance of civil defense in his recent address, and the government places its importance so high that we cannot go through a single day without hearing about it on TV or radio, or reading about it in our newspapers.

Three current situations contribute to the possibility of war with the Soviet Union: the Berlin Barriers, the upcoming peace treaty between Russia and East Germany, and the death of Dag Hammarskjold. Any one of these could develop into a deadlock from which neither side could back down. This possibility makes preparedness all the more important and limits our time in which to prepare.

True, there is no certainty that these situations, or any immediate developments therefrom, will form an all-out war. But do we dare gamble when the stakes are our very existence?

At the present time, the U. S. has no effective defense against Soviet missiles. The most we can hope for is about 20 minutes warning of a Soviet attack. Let's assume that an attack begins tomorrow at noon, and we receive our twenty minutes warning. What could we do?

In all likelihood, Amarillo would be a Soviet target, and while Plainview would probably survive a nuclear blast at Amarillo, we would almost certainly be in the fallout area. Panic and hysteria would reign supreme as most of our populace took to the highways with no idea of where they were going or what they would do when they arrived! This is not the way to survive! This is the way to contribute to the predicted casualty list.

This need not be so, for in Plainview and its surrounding area we have the opportunity for almost 100 percent survival if we are prepared. Fallout would likely present the greatest danger and properly equipped shelters can give us adequate protection from that.

We can have proper civil defense preparedness only with the full cooperation of the public, for civil defense is each and every citizen of the U. S., civil defense is each working and training together to prepare for the preservation of our very existence. We must train for civil defense . . . learn how to construct and stock a family fallout shelter, and, equally important, make sure that at least one member of each household receives a full course in first aid training.

Civil defense courses are being conducted in Plainview now. All who are interested may contact Hale County Civil Defense Headquarters by dialing CA 3-3211 for information on where training classes are being held, or to arrange to start new classes.

The Hale County Civil defense organization meets on the second and fourth Mondays of each month at 8:00 p.m. at "The Fans", 911 Ash in Plainview. Anyone interested in Civil Defense is urged to attend.

Road Construction Planned For Briscoe County

The Texas Highway Commission today approved the expenditure of \$49,000.00 for the construction of new Farm-to-Market Road mileage in Briscoe County as part of the 1961 FM Road Program. The approved project begins at a point on State Highway 86 approximately 2.5 miles west of the Hall County line and extends south 2.0 miles to the present FM 599.

The work will be under the supervision of O. V. Johnson, Resident Engineer at Quitaque, Texas. This project is part of the \$15 million FM Road Construction Program which will involve 133 counties throughout the state. Some 600 miles of new farm roads will be built under the program.

Unlike previous farm road construction programs, this one is for one year only instead of two years. The Highway Commission said the reduced one-year program is the result of Governor Price Daniel's recent veto of a \$15 million farm road appropriation which would have come to the Highway Department next year.

The Governor recently vetoed the Colson-Briscoe farm roads allocation for the second year of the current biennium on the grounds that there should be more flexibility in the use of the funds in order to provide for proper maintenance of the farm roads system.

In approving the 1961 farm road program, the Commission said it is vital that the 1962 Colson, Briscoe appropriation be reinstated at the forthcoming special legislative session if the Highway Department is to continue the Farm-to-Market Program at the current pace.

The Commission reiterated its hope and belief that the legislature at the special session will see fit to reinstate the second-year farm

roads appropriation together with statutory provision for adequate flexibility in the use of farm road funds for maintenance, as recommended by Governor Daniel.

The Commission said that maintenance of all FM roads had been paid for out of trunk highway funds since the inception of the Colson-Briscoe program in 1949, and that this was advisable during this period due to the necessity for construction of many new miles of new FM Roads. However, the Commission pointed out that the new problem is now the adequate maintenance, improvement, and reconstruction of the 34,000 miles of Farm-To-Market Roads that have already been built. The Department has now reached a point at which a portion of the total earmarked FM road funds must be used for maintenance purposes, the Commission said.

District Engineer, Palmer Massey said a total of 28.4 miles in this highway district would be involved in the program at a total cost of \$679,800.00.

and whose allotment is less than 13.5 acres, will be reduced to 13.5 acres. Exemption for growers who planted less than 13.5 acres of wheat will be the highest planted acreage in any one of these 3 years if the 1962 allotment is less than such highest acreage.

In addition to these quota requirements, some small producers may also be subject to marketing quota penalties under certain conditions. For example, farmers who have not grown wheat in any one of the past 3 years and who grow wheat for harvest without an allotment in 1962 will be subject to marketing quota penalties on the entire production.

Another group of producers who will also be subject to wheat marketing penalties are those who have grown 13.5 acres or more in one of the three years, 1959, 1960 or 1961, and whose 1962 allotments are 13.5 acres or less and who grow for harvest more than 13.5 acres in 1962.

Penalties may also apply to small producers who exceed their 1962 allotment when that allotment is greater than the acreage planted for harvest in any one of the years, 1959, 1960 or 1961.

On farms where there is excess wheat acreage, the amount of wheat subject to a marketing quota penalty would be twice the normal yield of the excess acres multiplied by 67 per cent of the May, 1962, parity price for wheat. Downward adjustment in this determination may be made if the producer furnishes evidence of his actual production.

In those cases where a producer exceeds the exemption, the penalty is figured from the allotment rather than the exemption.

Approximately two-thirds of the wheat producers in the United States grow less than 15 acres of wheat, yet these small producers raise about one-sixth of all the wheat grown in this country. By reducing the wheat marketing quota exemption, these growers now have an opportunity to make a greater contribution in the national effort to bring wheat supplies more nearly in line with demand.

THE CONGREGATION OF THE CHURCH OF CHRIST MEETING AT ROCK CREEK

Extends a gracious welcome to all to attend any and all of our services.

SUNDAY

Morning Worship 10:30 a.m.
Evening Worship 6:00 p.m.

WEDNESDAY

Evening 7:00 p.m.
(Watch space below for special announcement)

OPEN HOUSE IS WELL ATTENDED

The open house at Silverton Metal Works, Inc. was well attended last Saturday as some one hundred and fifty residents inspected the new facilities.

Coffee and donuts were served, and favors were handed each visitor.

First winner in the registration for door prizes was Joe Montague, who won the hardsurfing on an eleven of his sweeps. Second place winner was Loyd Stephens, who won the hardsurfing on his combine cylinder.

Five family passes to the movies were won by Wayne McCutchen, Dolan Rackley, Lynn Welch, Bern May and William Strange.

Bob McDaniel, manager of Silverton Metal Works, Inc. has expressed his appreciation to all for their interest and cooperation.

W.S.C.S. MEETS IN POSEY HOME

The W.S.C.S. ladies of the First Methodist Church met with Mrs. E. Posey at 9:30 a.m. Tuesday. The meeting was opened by Mrs. Marvin Fisher, who led the group in prayer.

Mrs. Robert Ledbetter led a very interesting discussion and study on the churches of our time. The meeting was dismissed with a prayer by Mrs. Ledbetter.

Coffee and rolls were served to fifteen members and one visitor, Mrs. George Garrison, of Clarendon, a life-long friend of Mrs. Bob Hill.

Mr. and Mrs. Deleath Peugh and sons spent a long weekend in Amarillo with her parents, Mr. and Mrs. D. M. Woodward. They took Mark Allen for a checkup on Friday.

Mrs. Abe Vineyard of Turkey visited Mrs. C. R. Badgett Saturday afternoon.

Sunday visitors with Mr. and Mrs. Dick Bomar recently were Mr. and Mrs. Rex Long, Kit and Mike of Alanreed. Mrs. Ola Long of Clarendon and Mr. and Mrs. Freeman Tate and Jackie Carol.

Mr. and Mrs. Lenton Lanham transacted business in Childress recently. They returned via Clarendon and visited with Richard Tunnell at the Rexall Drug of which he is proprietor. Larry Tunnell of Amarillo, Willie Amel Smith of Memphis, and Richard Tunnell have recently purchased the drug store.

Mr. and Mrs. Arnold Turner and Joann recently spent a few days at Red River, Taos, Santa Fe and other points of interest in northern New Mexico.

NEPHEW OF MRS. POSEY DIES

Maurice Alton Hart of Clarendon, who was seriously injured in an auto accident, the nephew of Mrs. E. Posey, passed away in Northwest Texas Hospital in Amarillo at 4:30 a.m. Wednesday.

Funeral services will be in Clarendon, probably on Friday. However, funeral arrangements were still pending at press time.

Funeral services for Joseph Lee Gilmore, 68, a mathematics teacher at WTSC in Canyon, were held in Canyon Monday afternoon. Survivors include his wife, the former Nora Cowart, who grew up in Silverton.

Mrs. J. W. Brannon, Sr., under-

went further surgery in St. Anthony's Hospital in Amarillo on Monday morning. Mr. Brannon and Mrs. Richard Hill spent Sunday and Sunday night in Amarillo with Mrs. Brannon. Seymour, Walter, and Fred Brannon went Monday morning to be with their mother during surgery.

Mr. and Mrs. Bill Griffin and Johnny, of Quitaque, visited Mr. and Mrs. Walter Brannon and daughters one evening last week.

Mrs. Frank Sachse of Quitaque fell at her home early last week and broke her hip. She was taken to Methodist Hospital in Lubbock and underwent surgery there on Wednesday. Her daughter, Mrs. M. A. Graham, and Mrs. Jack Graham were in Lubbock for the operation.

Mrs. Graham visited her mother again non Sunday and reports that she is doing remarkably well, according to her doctor, considering that she is past eighty years of age. It is planned now that Mrs. Sachse remain in the hospital for a month, although she could leave sooner.

DOES SALVATION COME BY "FAITH ONLY"?

If the Bible teaches one is saved by "faith only", then the question is immediately solved forever. There is no need to persevere the question further. We are, however, quite concerned over the apparent silence of the Bible on this matter. The only place we read of "faith only", there appears to be quite a discrepancy between the teachings of man, and the teachings of the Bible on the subject. (James 2:24).

Even discounting the teaching of James 2:14-26, which answers this VERY QUESTION, it is interesting to note that Jesus said in Luke 13:3, 5, "I tell you nay, except ye repent, ye shall all likewise perish." Now we know that repentance isn't faith, and faith isn't repentance, but if one is saved by "faith only", then of course, repentance is most unnecessary. But if repentance IS NECESSARY, as Jesus said, then it isn't possible that one is saved by "faith only".

In I Cor. 13:2, Paul says, "... though I have ALL FAITH, so that I could remove mountains, and have not charity (love), I am nothing." Down in the 13th verse, he says that charity (love) is GREATER than either hope or FAITH. If it IS, how can one be saved without it? Still, if one is saved by "faith only", he is surely saved without love, for love isn't faith, and faith isn't love. Then again, if love is necessary for one's salvation, one is NOT saved by "faith only".

Certainly, it isn't hard to see how one IS saved by faith. There are many Bible scriptures that tell us so. But when one goes so far as to say that one is saved by "faith ONLY", he is guilty of saying that all other commands of God are unnecessary.

To those who aren't familiar with the Bible, the doctrine of "faith only" may be "a most wholesome doctrine, and very full of comfort," but to those who know the Bible, this doctrine offers no such comfort. Admittedly, it is an "easy" religion. The only regret of this writer is that it isn't a "safe" religion. (Matthew 7:21).

Come study God's word with us this next Sunday.

HAUN KITE, Minister

CHURCH of CHRIST
SILVERTON, TEXAS

Mrs. Larry Tunnell, Donna and Lisa of Amarillo, spent Sunday night with Mrs. Tunnell's parents, Mr. and Mrs. Lenton Lanham.

Mr. and Mrs. Ben P. Weese of Willow Springs, Missouri, have returned home after spending several days with their daughter and family, Mr. and Mrs. Everett Spann and children.

Guests of Mr. and Mrs. Roy Morris and Arnold over a recent week end were Mrs. L. D. Young and Gretchen Morris of Amarillo; Mr. and Mrs. Tommy Stout and Paul, Anita Stout and Carroll Patton of Floydada; and Mr. and Mrs. Bill Stone and sons.

John and Dave Schott are students at Tarleton State College in Stephenville this semester.

Mr. and Mrs. Bill Cox and son of Lubbock, and Mr. and Mrs. Morris G. Moreland and Flynt, of Amarillo, have been recent visitors here with their parents, Mr. and Mrs. M. G. Moreland.

Mr. and Mrs. Elbert Dickerson and Mrs. Bruce Womack were in Plainview on Thursday of last week.

Jane Self recently suffered a sprained wrist in PE at school. Her wrist was taped for a time, but a cast was fitted early last week.

Mr. and Mrs. W. D. Peugh, Kenneth and Kathy attended the Ice-Capades at the Tri-State Fair in Amarillo on Friday evening of last week. They went via Canyon and were joined there by Darla Peugh, who is a student at WTSC. Darla was an overnight guest of her aunt and family, Mr. and Mrs. R. E. Bell, in Amarillo.

Mr. and Mrs. Chick Hughes of Ringgold, Mrs. J. C. Cain of Henrietta, and Mr. and Mrs. Jack Fleming left Sunday night for Stockton, California, after receiving word of the death of Mrs. Clifford Hughes, 42, at Stockton Sunday morning. Mr. and Mrs. Chick Hughes are parents of Clifford Hughes, and Mmes. Cain and Fleming.

Mr. and Mrs. Milton Perry were in Floydada on Wednesday of last week.

Lt. Col. R. A. Sedgwick of Montgomery, Alabama, came on Wednesday of last week, and left on Thursday, taking his parents, Dr. and Mrs. W. A. Sedgwick, to Alabama to make their home with him.

Rev. Marvin Fisher, J. S. Hinds and M. G. Moreland attended a layman's meeting in Lubbock on September 17.

Mrs. J. R. Burson of Plainview has been suffering with an attack of arthritis for several days. Mrs. Shelby Haynes visited her mother on Wednesday and on the week end.

Miss LaGuan Thompson, the bride-elect of Mr. Joe Riney, will be complimented with a bridal shower on October 7.

The Ford in your future will be here tomorrow!

Starting tomorrow at your Ford Dealer's, you will discover a line of Fords so long, so new, so varied that everyone will find his personal Ford—the car that fits his pleasure and needs precisely! ■ For those who want a true luxury car, there are two distinguished new series of Galaxies—both swift as a rumor, silent as a secret. With Thunderbird styling, and quality that sets a new industry standard, the 1962 Galaxies give you every essential feature of far costlier cars. ■ If you are looking for economy without compromise, look to America's favorite compact: this year there are more Falcons than ever to choose from—13 in all. ■ Wagon fanciers will find unprecedented variety—from a new wagon that seats eight to a Falcon Squire Wagon with the rich woodlike finish of the famous Country Squire. ■ Pick the Ford in your future with this confidence: every 1962 Ford is built to a standard of quality so high that it will change all your ideas of how fine, how quiet, how enduring a car can be.

GALAXIE /500 CLUB VICTORIA (foreground)
... GALAXIE TOWN SEDAN (background)
... The Galaxie /500—new in name, new in luxury—is for those who want all of the elegant extras. The 1962 Galaxie makes it easier than ever to move up to fine-car luxury—at the low Ford price. All Galaxies are beautifully built to be more service-free. They go 30,000 miles between major lubrications, 6,000 miles between oil changes and minor lubrications. Brakes adjust themselves automatically.

FALCON SQUIRE WAGON ... Brand new for '62, it's sleek and sophisticated. Inside, it is available with Futura bucket seats and console! Outside, it has elegant woodlike steel side paneling.

FALCON FORDOR SEDAN
... Just one of 13 Falcons for 1962, this 4-door sedan has an improved version of the Falcon Six engine that last spring recorded the best gas mileage for a Six or Eight in the 25-year history of the Mobilgas Economy Run.

CAPROCK SOIL CONSERVATION TOUR SLATED FRIDAY

The Caprock Soil Conservation District tour will be held Friday September 29. Anyone wanting to make the tour should meet at the Phillips "66" Cafe in Silverton at 8:30 a.m. for coffee. After coffee, the tour will make the following stops:

9:10 to 9:25—O. C. Rampley Farm—observe field of irrigated bermuda grass, NK 37, how grazed, stocking rates and amount of hay cut.

9:30 to 9:45—McPherson Farm—pit type farm pond, show valve for stock water as well as value from draining lake.

9:55 to 10:25—E. A. Birdwell Farm—look at terraces and contour farming and brush control by dozing.

10:30 to 10:45—Walter Graham Farm—look at proposed dam site for irrigation reservoir.

10:50 to 10:05—Gerald Smith Farm—observe Smith's recently completed lake for water and wildlife conservation.

11:15 to 11:30—Lem Weaver Farm—pond with concrete spill-

way and crops irrigated from this pond.

11:45—arrive back in Silverton. The tour is sponsored by the Caprock Soil Conservation District, Soil Conservation Service, and the Texas Agricultural Extension Service. All interested persons are urged to attend.

Mr. and Mrs. Jack Strange and Donald were in Wetonga, Oklahoma, recently to take Mrs. Clyde Tunnell of Farwell to the home of Mr. and Mrs. Richard Babb and daughters for a few days to help care for the new granddaughter.

Peggy Lynn Croft of Tulia has been visiting her grandparents, Mr. and Mrs. D. Oneal.

Mrs. W. L. McMinn of Grand Prairie has been a patient in Baylor Hospital in Dallas for treatment following recent surgery. Mrs. McMinn is the mother of Bud McMinn.

Mrs. J. H. Burson has been staying in the home of her daughter, Mr. and Mrs. Clifford Davis, in Amarillo for some time, and is recuperating following recent eye surgery.

Philip Smitherman of South Plains is recovering from an appendectomy which he underwent recently in the Plainview hospital. Marc and Monty Smitherman visited their maternal grandparents, Mr. and Mrs. J. K. Bean, while their father was in the hospital.

Mr. and Mrs. George Wayne Rampley and children of Roswell, New Mexico, spent a recent Sunday and Monday here with relatives. All were Sunday dinner guests of Mr. and Mrs. O. C. Rampley, Dwight and Wayne. Local guests were Mrs. H. P. Rampley and Mr. and Mrs. Albert Mallow and Becky.

Mr. and Mrs. Bud McMinn spent a recent Sunday in Amarillo with their daughter and family, Mr. and Mrs. Melvin Watkins, Gail and Anita. They also visited Mr. and Mrs. Edd Watkins in Canyon.

Funeral services for Mrs. Lillian Hargrove, 44, of Lazbuddie, were held there on Thursday, September 14. She was killed there in a car wreck on the previous Monday. Mrs. Maurice Kitchens of Silverton, Eddie and Eunice Cox of Plainview, attended the services.

Mr. and Mrs. Maurice Kitchens spent a recent weekend in Lubbock, where he had a checkup with his doctor. They visited Mrs. W. A. Stokes, Mr. and Mrs. Sam Kitchens and Mr. and Mrs. S. K. Porter while there.

Mr. and Mrs. E. Posey and grandsons, Gary and Tommy Edwards, have recently enjoyed a vacation visit with Mr. and Mrs. Pete Liles Earl and Jim, at Kent. The Liles family live on a 33-section ranch located in the Davis Mountains, where deer and antelope abound. Pete Liles, nephew of Mrs. Posey, formerly lived here.

Mr. and Mrs. J. C. Rhoderick, Sr., spent a recent weekend in Denver, Colorado, guests of their son and family, Mr. and Mrs. B. L. Rhoderick. The snow covered mountain scenery was beautiful, they reported, but the cloudy weather caused the fall colors of the trees and other natural scenery to appear less vivid than usual at this time.

THE OWL'S HOOT

Official publication of the students of Silverton High School, compiled and edited by members of the Future Business Leaders of America.

NOTABLE NOTES

By Robert Hughes

Natable — worthy of note. The title that I have chosen for my editorials signifies what I will be attempting to do in writing this column — to present before the readers every other week some item or items that are worthy of their consideration, whether to amuse them or to provide a stimulus for their thoughts.

Informed People Equals Free People

Education is the energy that runs the dynamo of freedom. Take away education and freedom stops. Take away freedom and the dynamic productive energy of a free people stops.

I am guilty as anyone else of complaining about the amount of work that students are required to do in school and the seemingly useless subjects that must be taken. But we should all wake up to the fact that it has become increasingly important in recent years to know as much as possible about as many things as possible because of the barrage of communist propaganda being flooded into our country every day. It just naturally follows that the more a person knows, the fewer things there are that can fool him. In this way education nullifies propaganda.

A dictator of any sort fears an educated people more than all the armies of the world, and it is our duty as citizens of tomorrow to arm ourselves with education in order to stop future dictators of the world. So the next time we start to gripe about the work we are having to do, or the subjects we are taking, let's remember — an educated, informed people are a free people.

4-H Banquet Planned For November

Rousing Pep Rallies Recorded

The first pep rally of the year started off with a bang. With all of the students of Silverton High School ready to yell, the cheerleaders, Rita Brown, Jealeta Eddleman, Sue Lanham, and LaQuetta Chitty, opened the rally with a Pom Pom routine entitled, "I Like It Like That." After the students were led in several yells, Bob Wheelchel, head coach, and Willie McAlpin, assistant coach, each gave a short speech. Afterward, the Owl Captains, Rusty Whitfill, Robert Rhode, and Larry May, spoke a few words of encouragement to the students.

With a few more yells for victory, the pep rally closed with the school fight song.

Our second pep rally got under way with enthusiasm and school spirit. The pep rally began with a skit entitled, "The Lighthouse" whose characters were as follows: Jeannie, Sue Lanham; Father, Rita Brown; Doctor, Jealeta Eddleman; Sailor, Robert Rhode; and Lighthouse, LaQuetta Chitty.

After a few yells, speeches were given by the coaches and captains again encouraging our players to higher goals.

With victory, fight, and competition yells, the pep rally closed with the school's fight song. Our third pep rally began with a novelty dance entitled, "Anchors Away."

After a few energetic yells, the coaches gave short speeches followed by a speech from each of the captains.

LET'S ALL SUPPORT OUR TEAM IN THIS WEEK'S BALLGAME.

Freshmen Girls, Teachers Entertained

By Peggy Mercer

Thursday, September 21, the F. H. A. entertained the Freshmen girls with a "Get Acquainted Party." Also attending were Mrs. Rampley, Mrs. Woods, Mrs. Lacy, Mrs. Redin, and Mrs. Whittington, our F. H. A. Sponsor.

Afterward, a short business meeting was held. It was decided that the chapter would pay the Chapter Mothers' bus fare to the State Fair. Motion was made, seconded, and carried that we charge 25¢ fine for an unruly outburst during the meetings.

We also reminded the girls that they must have their \$10.35 paid to Jack Mayfield by the 27th of September.

MISS FRESHMAN PICKED FROM BEVY OF BEAUTIES

Most Cooperative Freshmen Named After Initiation Week

Following a crazy, mixed-up week that this year's crop of Freshmen are not likely to soon forget, Rita Brown and Wayne Nance were named the most cooperative students participating in the somewhat bazaar activities.

Many of the upper classmen, especially the males, are happy to see the Freshmen girls coming to school with hair combed again. Of course, the girls are happy that they can once again apply the make-up and style their hair without fear of any consequences.

And it's nice to see the Freshmen boys minus make-up. None of them ever did look too good wearing lipstick, rouge, eye shadow, and all the rest. And none of them were any too good at applying lipstick as any girl can tell you.

As far as anyone knows, Mrs. Lacy did not accept that proposal of marriage made by Wayne Nance. Martini Williams got a "yes" from Mr. Verden, and everyone is wondering what Evelyn thinks of this.

The Freshmen were chief entertainment at lunch one day last week when they presented dinner music. However, since they sang the Star Spangled Banner and since everyone was supposed to rise, it couldn't really be considered dinner music.

The upper classmen are happy to report that they taught the Freshmen much about Civil Defense during the week by having regular "air raids." Of course, this hampered walking down the hall.

In an assembly Tuesday, a beauty contest was conducted to select "Miss Freshman of 1961-62," which just happens to be a contest between the Freshmen boys. Miss Jonnie Baird, Miss Waynelle Nance, and Miss Roanne Stephens were finally selected as finalists. After careful deliberation the judges came up with the winner—Miss Waynelle Nance. From lack of courage, a description of Miss Nance's dress, ensemble, and measurements will not be included in this article.

There was also an assembly Wednesday — the F. H. A. Installation Ceremony — a very dignified and solemn occasion. During the proceedings, membership cards were given to all members. On that particular day, the Freshmen were dressed as beatniks, and to be perfectly frank, they made real beatniks look more like members of the clergy in comparison. There wasn't a straight face in the house when the Freshmen girls had finished marching across the stage.

It is rumored that the Student Council is thinking seriously of out-lawing onions from this year forward. Every day that the Freshmen wore onions around their necks, the upper classmen went from class to class holding their noses.

Those who arrived at school early Thursday morning were treated with a war dance by a few of the Freshmen "squaws." A little later there was a blood-curdling cavalry charge down the middle of the hall.

Toward the end of the week the Freshmen were beginning to tire of all the costumes and paraphernalia they were required to wear and bring to school each day. Although the week was tedious to you Freshmen, you will enjoy watching the Freshmen next year. The entire student body appreciates your good-naturedness and your willingness to co-operate. Welcome to High School!

LaJuan Curby steps into the spotlight to represent this week's favorite girl. She is a graduating Senior who has participated in many school activities during her high school days. She has a three year membership in FBLA, four year membership in FHA and Pep Squad, has played basketball for four years including the All-District team of 1960-61. LaJuan received the NEDT Certificate as a Freshman, has served as Treasurer and Secretary of her class, Vice-President of the Pep Squad twice, and is currently serving in the capacity of Reporter to the OWL'S HOOT.

LaJuan's popularity with the boys is reflected by the fact that she was elected as a Candidate for Football Queen as a Sophomore and was chosen as FFA Sweetheart last year.

LaJuan is recognized by her classmates and teachers as an alert and talkative individual who expresses her own thoughts and feelings. We are proud to recognize her as an outstanding student of SHS!

The boy whom our spotlight searches out is extremely dependable, although very quiet and unassuming. Larry May is a Senior and a good student as well as an athlete.

He has participated three years in track, two years in basketball, and four years in football. He has been a member of FFA for three years, and has served as past President of his class and the "S" Club. He is now one of the captains of the football team, President of the "S" Club, President of the Senior Class, and Student Council member.

Larry was elected Class Favorite last year and was a member of the Farm Skill Team that won Second Place at Plainview. He also was a member of the One-Act Play Cast last spring.

His varied interests and willingness to work has made Larry May our "Boy of the Week."

Trio Entertains At Western Whing Ding

Highlighted by the songs, antics, and jokes of the Fly Young Trio, the Western Whing Ding was thoroughly enjoyed by a large group of faculty members, students, and other guests. Everyone present was served hot dogs, Fritos, and Cokes western style from a real chuck wagon.

When everyone had finished their hot dogs, the group was entertained by the Fly Young Trio from Wayland College. One of the features of the entertainment was Fly Young himself who plays a mean jug. He was accompanied by the other two members of the trio who play a harmonica and guitar.

DON'T FORGET, the high school and faculty are invited to the big HAWAIIAN LUAU this Friday night after the ballgame.

POWDER PUFF GAME SLATED

By LaQuetta Chitty

The Silverton High School Student Council met Monday, Sept. 18, for their second meeting of the new year.

It was decided to have a "Powder Puff Football Game" Oct. 3, at the football field.

The following committees were appointed: Planning Committee—Carolyn Garrison, Van Breedlove, and Larry May.

Rules Committee—Larry Elms
 Teams Committee — LaQuetta Chitty
 Publicity Committee — Sue Lanham and Jealeta Eddleman

Various other items were discussed and the meeting was adjourned.

The Student Council hopes you will plan to see this exciting new game — Powder Puff Football!

GRADE SCHOOL NEWS

Third Grade

Mrs. Hinds

We wanted everyone to have a perfect attendance record this six weeks but these have been sick and missed this week: Patricia Hamilton, Annette Williams, and Mary Jimenez. We missed them.

We want to thank Lynette Martin for the beautiful flowers she brought to our room.

My, how we are working on our spelling. We have started on our Highway now and if we don't miss a word we stay on the Red Highway. We can earn a spelling trophy.

We have some very good story illustrations on the Reading bulletin board. We think we have some good artists in the Third Grade.

In language we learned to say the Pledge to the Flag correctly. We worked on word meanings. We drew a flag and learned to write a poem about it like this:

"O flag waving proudly
 From your mast above
 Wave for marching children
 And for the land they love."

In music we are learning to sing America the Beautiful and There are Many Flags. Sometimes we march when we sing.

Sixth Grade

Mr. Cole

We elected our officers this week. They are: President, Roland Montague; Vice-President, Terry Lee; Secretary, Roy Ann Bomar; Treasurer, Cheryl Stephenson. Student Council Representatives are Gene Smith and Debbie Dickerson. Reporters are Steve Harvell and Brenda Standridge.

Fifth Grade

Mrs. Baker

We've been working hard this week. First of all we made little men out of boxes and paper sacks. Next we said poems about George Washington.

Our Science Table is almost full with ants, bugs, and grasshoppers.

We elected Djana Strange as our Librarian. She's been real busy. We're glad to have Kathy Self back in school.

Assembly of God

"Not by might, nor by power, but by my spirit, saith the lord of hosts." It is a wonderful thing to study people and watch a person as he develops his life and see what he does with himself. Some will go all out for sports and make a seeming success. Others will be a great success in books and learning and go forward to great accomplishments. Still others will be a success in farming. There are many other ways in which different people train themselves and become great in their particular fields.

But there were some people that never were very popular in this world but were very outstanding men. First let us consider Jesus Christ. "And Jesus increased in wisdom and stature, and in favor with God and man." (Luke 2:52)

Jacob as a young man cheated his brother and deceived his own blind father. Later he was forced to leave home to escape wrath of his brother. On His first night away from home he had a dream and in it he met God. From that day forward, Jacob began to change his life. Long after, on his way home with his wife and family, he spent one night in prayer. He gained great power from God and went on to be the leader of the great nation of Israel.

Peter, a fisherman by trade, had his life changed when Jesus walked by one day and said, "Follow me, and I will make you fishers of men." (Matt. 4:19) From that day Peter was no longer just an ordinary fisherman—he was a child of the King, an important person in the plan of God. But after Jesus was arrested and taken to be crucified, Peter denied that he even knew Christ. Despite Peter's weaknesses, we find in the second chapter of Acts where he preached on the Day of Pentecost to thousands of people and caused about three thousands souls to be added to the church. This renewing of Peter's zeal came about because of the time he had spent with Christ between the crucifixion and the ascension. He had also received God's Holy Ghost which gave him power to become His witness (Acts 1:8) We see Peter again in Acts 5:15, 16 where the sick were healed completely just by the shadow of Peter passing over them. We can certainly see how Peter's life was changed first when Jesus called him by the sea shore, then again after the crucifixion.

No matter how we have started our life, we can still take Jesus just as Peter did and develop into as great a man as he was. In our hurry to learn more, let us not over look the church and the Bible. It is through going to church and reading the Bible that we really prepare ourselves for later life and for eternity.

"Whom having not seen, ye love; in whom, though now ye see him not, yet believing, ye rejoice with joy unspeakable and full of glory" I Peter 1:8. Developing our lives for Christ should be the happiest experience of our lives. It isn't a thing to be glum or long-faced about. "Let us hear the conclusion of the whole matter: Fear God, and keep his commandments: for this is the whole duty of man." Eccl. 12:13. "For what is a man profited, if he shall gain the whole world, and lose his soul? or what shall a man give in exchange for his soul?" Matt. 16:26.
