All Around the Town

by Mary Ann Sarchet

Two Indians with an English accent deserve much of the credit for the success of the first Thanksgiving in America, says World Book Encyclopedia.

They taught the Plymouth colonists how to make a home in the New World and helped them establish a peace that lasted for more than fifty years.

The first to approach the colonists was Samoset, a chief of the Pemaquid Indians. He walked into the colony one day in March, 1621, and unsettled the settlers by addressing them in English. Samoset, it turned out, had earlier met some English fishermen along the coast of Maine and learned some of the language from them.

Two weeks later Samoset dropped in with his friend, Squanto, a well-traveled brave of the Pawtuxet tribe. Squanto had been to England twice, once after being kidnapped and sold as a slave in Spain by an English sea captain. He had returned to America in 1619.

Samoset introduced the colonists to Massasoit, chief of the Plymouth area. With Squanto acting as interpreter, the chief and the Pilgrims concluded a treaty of friendship that lasted until Massasoit died in 1661.

Meanwhile, Squanto went to live with the colonists, teaching them how to plant corn, pumpkins and beans and showing them where to fish.

That year the Pilgrims had a bountiful harvest and Governor William Bradford declared the celebration that became the first Thanksgiving.

Cotton Harvest Continues To Lag

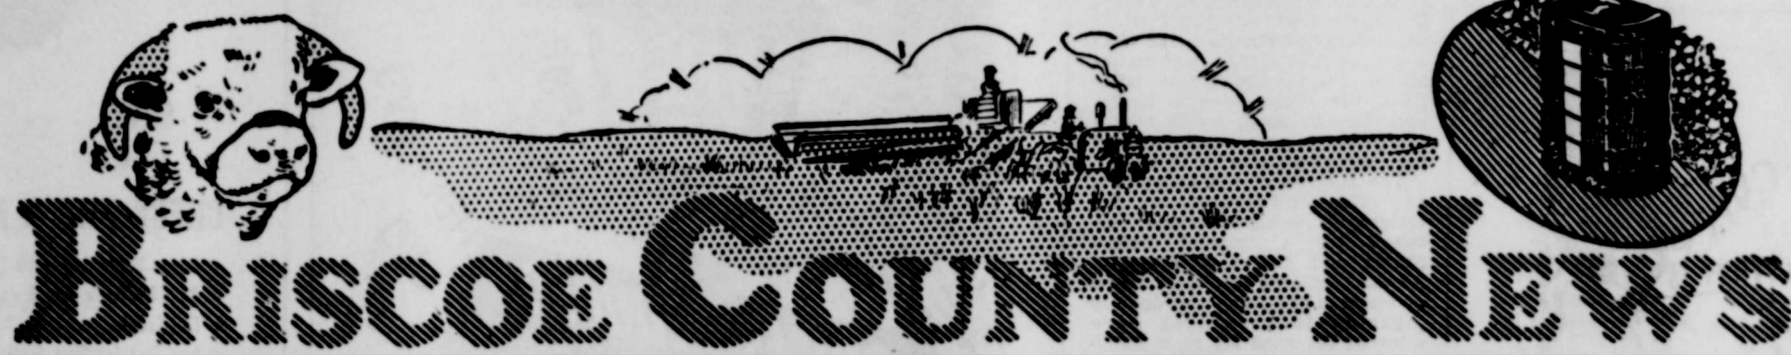

This area's cotton harvest was approximately 21,000 bales behind that of the corresponding time last year when the Texas Employment Commission office in Plainview made its regular check Friday.

Total ginnings for Hale, Floyd, Briscoe and Swisher counties was \$6,279 bales. Total at the same time last year was 75,129. Unfavorable weather for the past week or more grounded harvest over most of the Plains. A few days of open, dry weather would see the cotton strippers rolling again.

Ginnings by counties last Friday were Hale 25,109; Floyd, 21,433; Briscoe, 7,131, and Swisher, 2,606. The count showed that 16,980 bales were ginned in the four-county area during the week ending Friday.

Almost no ginning at all was done in Briscoe County during the past week, as the damp, misty weather continues. Hope dims for the entrance of the harvesters into the fields before late next week.

In the issue of November 24, 1960, it was reported that 7,864 bales of cotton had been ginned in this county. Paymaster and Farmers Co-Op at Quitaque, had ginned 1,974 and 1,740 bales, respectively, while Dempsey had turned out 1,404; Tomlin-Fleming, 1,182; Silverton Gin, Inc., 1,100, and Dav-

Postal Department Offers Information On Mailing

Postmaster Grady Martin has expressed many thanks to postal patrons for their co-operation during the busy Christmas season last year. To those of you who would like help this year, he offers the following suggestions:

Unsealed greeting cards without writing, other than your name, may be mailed for 3c, but they cannot be forwarded or returned to you if undeliverable as addressed. Those bearing the letter rate of postage, 4c, can be forwarded or returned if undeliverable, provided they bear your return address. All sealed cards and those containing writing must bear the letter rate of postage. Certified mail service provides a record of delivery at the office of address, and, for an additional fee, a receipt to the sender. Added protection for valuable and important mail may be obtained by having it registered.

Greeting cards to Canada and Mexico require 4c postage whether sealed or unsealed. Please be sure to buy your stamps in advance and place them on your cards and letters before putting them in the box for collection.

When addressing your cards, include the postal delivery zone if known. This will materially expedite delivery to the addressee. You can further assist by separating your cards for local and out

of town delivery. When they are ready to be mailed, with stamps affixed in the upper right corner, tie them in bundles with all addresses faced the same way.

Select a sturdy container and wrap your packages in good heavy paper and tie with cord or strong twine so they will reach their destination in good condition. Write or print the address on one side only and place your return address in the upper left hand corner. Avoid the use of oiled or waxed paper for the outside wrapper. A card may be placed inside the parcel containing your name and address. A letter may be enclosed in the package if you mark on the outside "First class mail enclosed" and pay the rate for the letter plus the parcel post charge. Valuable packages should be insured.

Any further questions regarding the proper preparation of Christmas mail should be taken up with us. Our aim is to give the very best postal service we can, reminds Postmaster Martin. We strive to live up to the time honored tradition of "Service With a Smile." Suggestions for the improvement of the service will be appreciated. Please mail your cards and packages early.

Mrs. Irving McJimsey underwent major surgery in Northwest Texas Hospital in Amarillo on Friday of last week. Mr. McJimsey is there with her, and relatives report that she is doing satisfactorily.

Gospel singer, who directed the hymns America loves best, and Audience Analysts, Inc., Bala-Cynwyd, Pa., the independent research organization which tabulated votes from readers of more than 1,000 newspapers, reported that "How Great Thou Art" was a close second to "The Old Rugged Cross." This second place hymn was made popular by the Billy Graham Evangelistic Crusade choirs. It is a dynamic gospel song describing God's omnipotence. McVey attributed part of its current popularity to its moving evangelistic feeling and strong melody.

The third favorite hymn disclosed by the National Newspapers Hymn Poll was "What A Friend We Have In Jesus," a song which has earned a place in Americans' hearts by its warm expression of faith held by Protestants of every denomination, McVey said.

McVey, who has sung all the top fifty hymns at Christian Herald Community Hymn Sings across the country, reported that "In The Garden," a hymn which tells of God's compassion and guidance, received 3,868 votes for fourth place in the Poll, and was especially preferred in the Midwest.

The Christian Herald Singer noted the rise in acceptance of "Amazing Grace" among American church-goers. This gospel song, which relates how faith provides confidence, moved from ninth place in the 1960 Christian Herald hymn poll up to fifth place with 1,816 votes in the National News-See POLL INDICATES — Continue on Page Five

School Days, Hungry Days

By Betty Barclay

LUNCH box days are here again... and whatever the menu, cookies are a must! Here's a recipe that's just a little bit different... something between a brownie and fudge. Save a few for the after-school snack, and one for Mom with her afternoon coffee.

Chewy Fudge Squares

4 squares unsweetened chocolate; 1/2 cup butter, 2 cups sugar; 2 eggs, slightly beaten; 1 teaspoon vanilla; 1 cup sifted flour; 1/2 teaspoon salt; 1 cup chopped nuts; 1/2 cup chopped raisins (optional).

Melt chocolate and butter over hot water. Add to sugar in mixing bowl and blend well. Stir in eggs and vanilla. Add sifted flour, salt, nuts, and raisins; stir until well blended. Spread batter on a lightly greased 15 1/2 x 12-inch cookie sheet to within 1 inch of the long sides. Bake in a moderate oven (350° F.) about 20 minutes, or until done. Cut at once into squares and remove from cookie sheet. Makes about 3 dozen squares.

Note: The batter may also be spread on a lightly greased 15 1/2 x 10 1/2-inch jelly roll pan and baked in a moderate oven (350° F.) about 25 minutes, or until done.

THANKSGIVING EVENING is one of the pleasantest parts of the day, when the family gathers to polish off the remnants of the holiday turkey, converted into sandwiches. A buffet such as this one with an amusing Pilgrim couple from the Party-of-the-Month series, coordinated napkins, beverage cups and a pumpkin-yellow paper cloth, makes a gay and inexpensive setting. With almost unbreakable melamine plates and matching cups and saucers there are few after-supper chores for Mom. The melamine can be plopped into the dishpan or dishwasher with no fear of breakage. A fruit punch for the youngsters, coffee for the grownups, with cookies and fruit complete a just-right Thanksgiving evening snack after the big mid-day dinner.

Thanksgiving Transition

The very first Thanksgiving Day was celebrated in Plymouth Colony for quite a simple reason. Colonists and friendly Indians shared that first feast in gratitude for a bountiful harvest after a winter of great hardship.

Now, three centuries and forty years later, we are thankful for the growth of our Nation. We are thankful for its great strength which stands as a fortress of protection for free people in a world filled with tyranny and oppression.

Let us, as good Americans, express these thanks and rededicate ourselves to preserve and maintain this spirit of freedom.

this year.

The next four favorites were "Sweet Hour Of Prayer," 1,157 votes; "Abide With Me," 1,112 votes; "Beyond The Sunset," 1,050 votes; and "Whispering Hope," 741 votes.

mine the hymns America loves best was that American church-goers do not prefer one type of religious song to another.

The last two years have seen a constant controversy between hymnal editors who downgrade hymns they feel are too sentimental and poorly composed and sometimes eliminate those religious songs from hymnal books, and church-goers who prefer hymns that have

been most inspiring to them and easiest for them to understand.

The poll results show that American church-goers want to sing sentimental hymns and gospel songs like "The Old Rugged Cross" and if choir directors, organists, and ministers want to get all Americans to singing the hymns, the favorites of the newspaper readers across the country should be noted.

"A silent faith is not as strong as a singing faith," McVey said. "Singing our favorite hymns is a natural way to create a national bond of brotherhood and moral strength in the face of the mounting Communist threat," the Christian Herald Singer said.

McVey pointed out that readers who voted divided their ballots almost equally for gospel songs such as "How Great Thou Art" and for hymns such as "What A Friend We Have In Jesus". "Though many of these hymns and gospel songs have been torn out of the hearts of people who love them," McVey said. "Americans are inspired by the simple melodies and sentiments of the lyrics of their favorite hymns and gospel songs. The enthusiastic response to the poll by men and women in almost every state indicates that ministers and choir directors should encourage more hymn singing in their churches and at the same time urge everyone to express his faith with song everyday."

Mr. and Mrs. Tommy Autry and baby spent a long weekend in Carlsbad, New Mexico, and brought their household furnishings back. Her parents, Mr. and Mrs. Walter Porter, returned with them to bring a load. The Tommy Autrys have been staying with his parents, Mr. and Mrs. W. E. Autry, Sr., since his recent hand injury. They have now moved to the farm home owned by Mr. and Mrs. J. W. Brannon, Sr., east of Silverton.

STUDENT EDITORS QUOTED IN PANHANDLE PRESS BOX

Both student editors of THE OWL'S HOOT, local high school publication, were quoted in "Sampling of The Editors' Views . . . From The Panhandle Press Box," a column written for the Amarillo Daily News by Sally Bivens.

"Once again we explore the world of teenagers as it is reflected in the pages of the Panhandle weekly newspapers," Sally Bivens wrote in Tuesday's edition. "Many editors turn over a page in their publication to the local high school students as a school paper. And the teenagers use the space to good advantage, covering practically every topic under the sun, as this sampling shows."

Robert Hughes' editorial, a plea for better understanding between teenagers and adults, was reprinted from the Briscoe County News edition of November 9. This was the third of Robert's editorials

which have appeared in the Daily News.

Jerry Williamson, also writing for THE OWL'S HOOT, was quoted on the subject of providing the school with adequate facilities, his editorial in the November 16 issue.

Other student editors quoted were from Littlefield, Matador, Miami, Dimmitt, Tulia and Claude.

Class News

By Orin Grabbe: This week in English class we said our poem, the "Little Lost Pup," by Arthur Guiterman. There have been some comments about the sign on the board, "Book Reports Can Be Fun." One comment—the books can be fun, but not the report. Those who were interested were issued the National Spelling Bee Booklets today.

Fourth Grade

By Bob Huttsell: We are just starting a new chapter in geography. Yesterday we had a science test about dissolving things. We are reading poems about fall and Thanksgiving. We are getting ready for Thanksgiving Day, and drawing pictures about Thanksgiving and we painted leaves brown and yellow. We brought some pumpkins and cotton and ears of corn and a stack of feed.

GOING STEADY TAKES THE SPICE OUT OF DATING

Dear Ann Sanders, I have been going with a certain person quite a while, and I have grown to be quite fond of him. My problem is that I don't want to go steady, and I am afraid that I will hurt this person's feelings if I don't.

going steady. You don't go through the suspense of wondering if a certain boy or girl will ask you to the Sweetheart or football Banquet. Dear Ann Sanders, Are you a teacher? Dear Ann Sanders, What should a girl do when she likes a boy a whole lot, but there is another girl who always flirts with him everytime I'm around him. This makes me furious.

ALICE HOLT CROWNED FIRST JUNIOR HIGH FOOTBALL QUEEN

Alice Holt

In a beautiful, well-organized ceremony in the high school gym, Alice Holt was crowned the first Junior High Football Queen. As music played, the members of the Junior High Football team and pep squad marched through a maneuver on the gym floor which resulted in a huge heart being formed. As the top of the heart opened, the candidates for football queen—Margaret Minyard, seventh grade; Terry Lee, sixth grade; and Alice Holt, eighth grade—were escorted through the open top of the heart to the center of the floor.

Honor Society Receives Charter

The National Honor Society Charter of Silverton High School has been approved. The Silverton Chapter will come into full being as soon as the teachers' council nominates and selects the charter members from the student body. The Chapter shall be composed of the Teachers' Council and the Charter Members. It will be the duty of the Executive Council to decide on chapter policies.

Alice Holt, the queen was crowned and presented with a beautiful bouquet of red roses and a kiss from Monty Smith. Captain Johnny McGavock presented her with a football bearing all the names of the boys on the team. Johnny also presented Alice with the traditional kiss.

PEEPIN' TOM

It is rumored that Sue N. has at least 20 pictures of Van. What are you doing, Sue, papering your room with them? I heard that Gloria had some trouble counting to 8 in plane geometry class. It's not getting to 8 that worries me; it's what comes after.

Silverton Girls Attend Wayland Basketball Clinic

On Saturday, November 11, nine members of the girls basketball team from Silverton High School attended a Wayland Basketball Clinic in Plainview. The girls attended lectures beginning at 9:00 a. m. and also various demonstrations by members of the world-famous Flying Queens team.

Those attending the clinic were Becky Mallow, LaJuan Curby, Peggy Mercer, Jimmie Nell Reynolds, Pat Cagle, Martha Mills, Brenda Martin, Martina Williams, and Donna Stephens.

Carolyn Garrison Honored at Party

Thursday night, November 16, Miss Carolyn Garrison was honored with a "Bon Voyage" Party at the home of Mrs. Fred Mercer. Carolyn will leave Thanksgiving Day for Chicago on an all expenses paid trip for winning state with her 4-H garden project.

A large blue and white cake was presented to the guest of honor and everyone shared in eating it.

Those attending this delightful party were Mr. and Mrs. Pascal Garrison and Max, Mr. and Mrs. George Seaney, Mr. and Mrs. Edwin May and Thurmon, Larry Elms, LaQuetta Chitty, LaJuan Curby, Robert Rhode, Joe Kellum, Dale McWaters, Barbara Fisch, Rusty Whitfill, Becky Mallow, Kennedy Thornton, Bobby Kitchens, Sandra Mercer, Larry May, Robert Hughes, and Jerry Williamson.

SENIOR NEWS

Tuesday, November 14, the members of the Senior class took I. Q. tests during one period of the day. The tests were administered by the Counselor, Mr. Jess Whittington.

4-H NEWS

The Briscoe Countywide 4-H Club met Monday night, November 13, in regular session. A council meeting was held in connection with this meeting. Final plans for the Achievement Program were made.

QUESTION OF THE WEEK

If there were 25 hours in a day, what would you do with the 25th hour? Sue Neely: "Nothing. There aren't 25 hours in a day." Clela Oneal: "Talk on the telephone 55 minutes; catch up in literature 5 minutes." Emmett Tomlin: "I'd start eating four times a day." Ann Wingo: "I'd still be studying English." Bill Schott: "I'd save up the extra hour for a week and take a 7 hour trip." Robert Rhode: "I'd save up the extra hour for a year, and then sleep through them." Garner Garrison: "Study algebra." Ninety per cent of the students questioned said they would either sleep or work on English.

THE LATHERNECKS, a barbershop quartet composed of four Senior boys, Larry Elms, Robert Hughes, Robert Rhode and Kenneth Thornton, accompanied by Jerry Williamson at the piano, recently won second place in a talent show held at Lockney High School. The boys are a new group which made its debut at the Country Cousins' Convention held at the Baptist Church after the last home football game. The number with which the boys won second is a version of "Old MacDonald Had A Farm," consisting partially of verses made up by the boys. The Lathernecks are slated to make a number of appearances in the near future, some of which include performing for the Lions Club and the Century of Progress Study Club.

FROM THE OFFICE

Administrators Attend Meeting

On Wednesday, November 15, Mr. Hinds, Mr. Rampley, and Mr. Dunn attended the meeting of the Panhandle School Leaders in Hedley. The school administrators' meeting was designed to give Superintendents and Principals information about the Texas sales tax law and how it applies to schools.

The administrators participated in panel discussions and studied different problems often met in school administration. They also heard lectures on teaching Americanism in the schools. The men found the meeting very profitable.

It seems that the Sophomore class has among its members the original Three Little Pigs. I hear that Sue, Jaleta, and Sandra each ate a banana split, some chocolate french fries, and a baby elephant recently. The person who gave me this information didn't bother to say whether the baby elephant was alive or made of candy, but just for the record, we'll say that it was made of candy. And I'm wondering just what chocolate french fries taste like.

Is Mr. Verden's paddle missing? According to a little blabbermouth, it is, and Mr. Verden would be very surprised to know just where it is.

Joe Kellum, I've been watching the way you've been flirting with Deanna Ritchie. And Deanna, I've also noticed that you've been doing a pretty good job of flirting back.

I hear that Mary Monroe and Louie were serenaded in the hall the other morning. I don't know who was doing the singing or what the song was, but it sounded real romantic.

RAINBOW NEWS

Reporter—Susue Hill: The Rainbow Girls met Wednesday, November 15. The girls planned a Christmas party for December 20. We practiced a few songs and closed. RAINBOWS, PLEASE ATTEND MEETINGS!!

NOTABLE NOTES

By Robert Hughes "Why DO We Go To School?"

Why do we go to school? Have you ever wondered about this? I have. I believe almost everyone has.

It must not be because we enjoy it; a day never goes by that one doesn't hear several people complaining about having to go to school.

It isn't because the law makes us attend school. One can quit any time he gets ready after reaching a certain age.

Some people say that they attend school only because their parents make them, but is this completely true? Can your parents really make you do something that you are determined not to do?

Do we attend school because of the teachers? I don't think so. Some teachers are so interesting that students will come to school just to hear them, but not all of them are. Some students are good friends with their teachers and come to school to visit with them, but the majority are not.

Do we attend school because we have no place else to go? Perhaps this was true years ago when people scarcely ever traveled more than a few miles from their home; but nowadays when practically every teenager owns a car and thinks nothing of driving miles to a show, this is hardly true.

Do we attend school because the work there is a lot easier than that our parents would have us doing if we stayed at home? Maybe some do, but many students say they would rather plow a field than write a term paper.

Do we attend school too be with our friends? This is perhaps one of the reasons that many people attend school, but just to be with friends is not enough reason to spend so much time at school.

Then what is the real reason we attend school? Why do we spend almost one-half our waking hours of each weekday at school and then many more hours on homework? Although school, especially high school, is one of the happiest times of our lives, it certainly is not all fun all the time; and it is hard work.

Why do we do this? I believe that it is because of a God-given, innate hunger for knowledge that lies deep within each of us that cannot be satisfied anywhere else as well as at school. But why does man continually search and hunger for greater knowledge? Because his mind is striving for life. Our minds must have knowledge to grow, and as long as they are growing, they are living. When they cease to grow, they begin to die.

Student Council News

By LaQuetta Chitty: The high school student council met in regular session, Monday, November 13.

The council discussed having a short devotional over the intercom system each morning given by a student or some member of the faculty. The faculty gave devotions last week.

A committee was appointed to make song sheets to the the high school body could sing at each assembly.

The shiny new pins which you may have seen each of the student council members wearing, are the new official student council pins which they have received.

WE GIVE THANKS FOR OUR BLESSINGS — THE RIGHT TO THINK AND BELIEVE, TO WORK AND TO PLAY, TO PLAN AND TO PROSPER, AND WORSHIP GOD AS WE PLEASE! THANKS FOR THE GOOD WILL OF OUR FRIENDS AND NEIGHBORS WHO HAVE MADE OUR DAILY LIVES A PLEASANT AND REWARDING PERSONAL EXPERIENCE
