

# Briscoe Farmers Urged To Plan Soil Testing Now

A soil testing program is now getting underway in Briscoe County. County Agricultural Agent Clarence Kerns has announced that the goal of this testing program is to get at least one sample from every farmer in the county.

Sample sheets and boxes are available without charge from any fertilizer dealer or you may get them from the County Agent's office. Samples will be tested at the Lubbock Lab at a cost of \$2.00 per sample.

Don't guess — soil test!  
Answers to Questions on Soil Testing  
It is a scientific method for

determining the fertility needs of a particular area. A sample of soil representing a particular farm field is analyzed by chemical means to determine the soil reaction (pH), organic matter, phosphorus, potassium, calcium and soluble salts. The results of this soil analysis are used to recommend fertilizer in amounts necessary to produce economical crop yields.

**Why Make Soil Tests?**  
Why should you check the oil in your car or truck? To determine whether oil is needed. A soil test is the fertility gauge for your farm. It tells you these important things:

- (1) How much and what major plant nutrients you have in your soil;
- (2) How much fertilizer you need for profitable production; and
- (3) where you need it.

**How To Take Samples**  
A soil test is as accurate as the sample sent to the soil testing laboratory. Therefore, it is very important that a representative soil test be made.

1. Take a separate sample from each uniform area of soil.
2. Take at least 10-15 samplings scattered over the field for each sample being taken.
3. Taking the sample — each sampling should be about plow

depth (5 to 7 inches deep) and placed in a clean bucket or some other clean container. All of the samplings of the field being tested should be thoroughly mixed and a portion placed in a soil bag.

4. Tools to use — any tool that will take a thin vertical slice of soil about 6" deep is suitable — a spade, soil tube or soil auger will do the job.

5. Information sheet — fill out the information sheet giving past cropping history, previous liming and fertilization and type of crops to be grown on fields tested, as well as other information requested. The soil testing laboratories

must have this information to make accurate fertilizer recommendations.

**Where Do I Send It?**  
The soil sample and the filled out information sheet may be brought to the county agent's office. The county agent will furnish mailing instructions.

**When Should Samples Be Taken?**  
A soil sample can be taken any time of the year. The soil sample should be sent to the soil testing laboratories at least one month before planting time of the crop to be grown. This will allow sufficient time to obtain the results of the soil test and to purchase

any necessary fertilizer before planting.

For spring planting, take samples in November, December, January and February. For fall plantings, take samples in June, July and August.

**How Accurate Is Soil Testing?**  
If the soil sample sent in is truly representative of the farm field, the lime and fertilizer recommendation will correct any soil deficiencies of the nutrients tested. Following the soil test, fertilizer recommendations should result in economical crop yields.

Soil testing does not take into consideration the physical condi-

tion of a soil such as poor drainage, hard pans, and excessive drainage. If these physical factors are limiting plant growth, soil testing will not correct them. Other factors limiting crop yields such as weather conditions, insects, nematodes and diseases will not be corrected by soil testing.

Soil testing is a valuable tool if used properly and the results interpreted correctly. It is the best method to determine the fertilizer needs of a particular farm.

**All Around the Town**  
by Mary Ann Sarchet

We had a nice Christmas, did you? In spite of the fact that we had some illness to crop up in our family (not the immediate family) during the holidays and in spite of the fact that Dr. Muckleroy coldly "prescribed" that I go a bit easier on the groceries the week before Christmas, we did spend several very enjoyable days visiting friends and relatives.

One of the nicest things about Christmas is that families are able to get together, if for only a few hours, and old friends, who may have long been absent, drop in for a visit. Friends seem to remember only the good times at Christmas.

Our plans for a vacation trip during the holidays did not materialize; however, we have enjoyed our stay at home and have caught up on the rest we missed the week before Christmas when we printed four newspapers, two church bulletins, a church letter and several miscellaneous jobs in order to close for a week. And, with no complaints; we quite enjoy it.

Now, as I stand at the threshold, about to blot a brand-new page, I peer eagerly into the future. Predictions call for a rosy tomorrow. It is my hope that we will still be friends at the end of the political season which is ahead.

As many of you know, I am for many changes in our state government this year. Our endorsement of candidates is always met with opposition in some quarters.

Even though we can be as wrong as the next humans, we are entitled to our opinions. We believe it is our right to express our opinions, as it is the right of every other American. We are tolerant of the views of others even if we do not agree. Let us not take this freedom of choice for granted!

Freedom is one of my favorite subjects. I love it dearly. I am proud to be an American. In some countries some freedoms are denied; in other countries ALL freedoms are denied. A freedom is being denied, I think, in the American public schools which have passed rulings against morning devotional periods. I think it is sad when students are not allowed to bow their heads together for a moment to join their hearts and minds in simple student prayers.

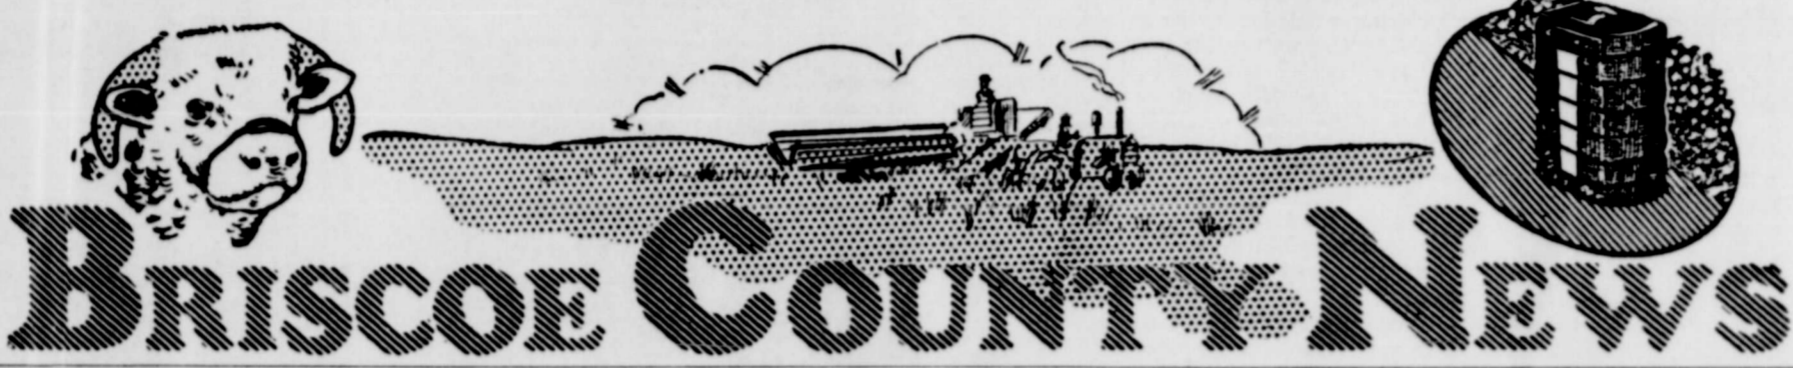

It was recently brought to my attention that in some of the California schools it has been suggested that the pledge to the American flag be omitted from the daily routine, as it is against the beliefs of some of the students.

I say that if a student cannot rise and pledge his loyalty to the American flag, he should, with his family, be deported to the country in which he belongs!

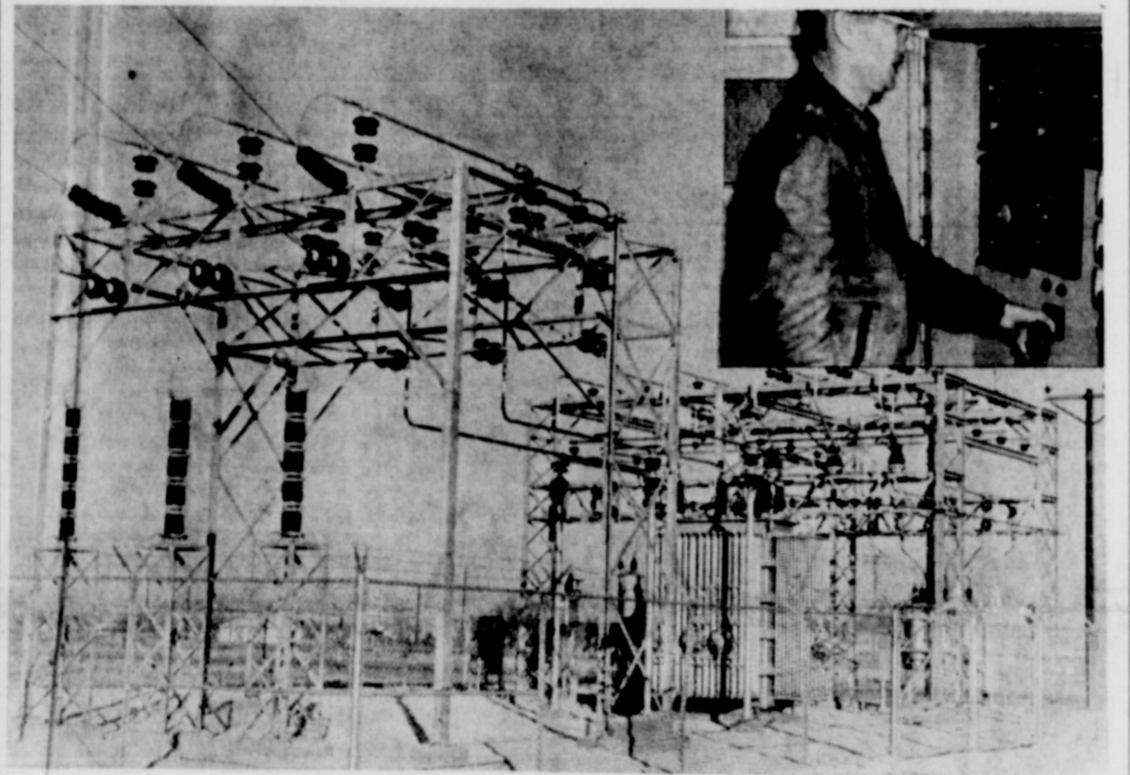

Mrs. Montie Lightsey, who fell recently and was seriously injured, is still confined to her bed. She is improving satisfactorily. She was happily surprised on New Year's Day when two of her young nieces, Nancy Long and Cheryl Stephens, came early in the morning and announced that they had come "to clean Aunt Montie's house."

The girls worked industriously for several hours and did a very thorough job. They had lunch out as a treat, and returned to the Lightsey home and spent the afternoon visiting with various cousins who were also visiting in their aunt's home.

Mrs. Grace Iron and Weldon spent the New Year's weekend with Mrs. Montie Lightsey.

THURSDAY, JANUARY 4, 1962      Silverton (Briscoe County) Texas      VOLUME 54      NUMBER 1

An important addition to the local service of Southwestern Public Service Company is the new 69,000 volt transmission station just completed. (Insert) Kenneth Tate is shown checking the automatic equipment which was put into service shortly before the end of December, 1961. —(Briscoe County News Photo)

**W.S.C.S. Meets In Morris Home**  
The W.S.C.S. of the Silverton Methodist Church met in the home of Mrs. Gene Morris on January 2, at 9:30 a.m. Mrs. Marvin Fisher opened the meeting with prayer.

A business meeting was conducted by the president, Mrs. George Seaney. Mrs. Arnold Turner gave the devotional, and Mrs. Robert Muckleroy gave a very interesting program on Alcohol.

Refreshments were served to the thirteen members present.

Mr. and Mrs. Beryl Long spent several days visiting in Dallas during the holidays.

Mr. and Mrs. J. D. Nance flew to New Orleans to spend Christmas week with her daughter and family, Mr. and Mrs. Bob Barrett. They report a wonderful time during the holidays.

The ladies of the Rock Creek Church of Christ served dinner to about fifty Spanish workers who live at Dempsey Gin on Friday of last week. All seemed to enjoy the delicious food prepared by the ladies.

## Southwestern Public Service Company Completes Transmission Line for Silverton

Improved electric service is seen for Silverton, as a result of a new 69,000 volt transmission line now in service by Southwestern Public Service Company, according to Kenneth Tate, manager of the electric light and power company. "A crew of 20 men, which makes up all of our system's construction crew, has built this new line for a distance of 17 miles from near South Plains to Silverton, and the work has recently been

completed", said Mr. Tate. In addition to the new 69,000 volt line, a new interchange has also been built which will reduce the 69,000 voltage to 22,000 for use in the company's distribution system here.

"This gives us two feeds into Silverton—the existing 22,000 volt line, plus the new one. The result will be dependable power sources, plus maintenance of proper voltage, and both the line and the new interchange are of the latest engineering design," Tate said.

Continued growth of the Silverton area was given as the reason for the improved facilities. "We like to stay ahead of the expected growth of every area we serve and we are happy to be able to assure adequate service for Silverton for years to come", Mr. Tate concluded.

## Freddie Dunham Injured In Wreck

Freddie Dunham was injured when the car in which he was returning to school after the holidays was involved in a collision. He was hospitalized at Albany with a broken arm and other injuries of a less serious nature. The car in which John and Dave Schott were returning to Stephenville was traveling along with the Dunham automobile and after being released from the hospital, Freddie continued his trip with the other boys. His car was reported to have been demolished.

Mrs. Ray C. Bomar spent the holidays in Lubbock with her sister and family, Mr. and Mrs. Carl P. Hawkins. Her niece, Kay, returned home with her and stayed until Thursday, when her mother came and returned her home.

Mrs. Agnes Bingham received very painful burns on both her hands recently when a hot can of grease which she was removing from the stove was spilled.

Mrs. John T. Francis has been a patient in Swisher County Hospital at Tulla recently.

## Paula Sue Verden Is New Year's First Baby In Swisher County Hospital

Paula Sue Verden, the new baby daughter of Mr. and Mrs. Bill Verden of Silverton, made her entry into the world on the afternoon of January 1, 1962, and was proclaimed the official winner of a list of prizes which Tulla merchants had planned for the first baby to be born in Swisher County Hospital in 1962.

Paula Sue, who weighed eight pounds, three and a half ounces, is the granddaughter of Mr. and Mrs. Glenn Jones of Silverton, and Mr. and Mrs. Verden of Lakeview.

The couple's only other child, Debbie, was on hand to greet the new sister.

Among the array of gifts for Paula's family are a 20-quart bathtub; an 8x10 portrait, a diaper set, a bed jacket for mother, two Johnson's baby sets, a pair of shoes, 12 cans of Carnation milk, a dozen diapers, a receiving blanket, a chair apron, a baby blanket, 12 cans of baby food, and a box of cigars for the father. The cigars, incidentally, are the gift of Simpson Motor Company.

## MR. AND MRS. BILL MALONE CELEBRATE FIFTY YEARS OF MARRIAGE

Mr. and Mrs. William Malone celebrated their golden wedding anniversary on Sunday afternoon, January 31, 1961, in their home in the San Jacinto community of Briscoe County. Guests called between the hours of two and five o'clock to extend their best wishes to this pioneer couple.

The serving table was laid with an ecru lace cloth and featured a centerpiece of golden chrysanthemums before which stood a team-drawn wagon with figures representing the young couple on the wagon seat. In the back of the wagon was a trunk labeled "Malone."

A white tiered anniversary cake and golden punch were served by Mrs. Eugene Malone and Mrs. Jarus Flowers.

Arrangements of golden chrysanthemums were a beautiful throughout the receiving rooms of the Malone's lovely ranch home. Eula, the daughter of the late Mr. and Mrs. John Renfro, was born in Palo Pinto County, and moved with her parents to this area in 1904. William, the son of the late Mr. and Mrs. Willis Malone, was born in Parker County, and came to this area when he was only two months of age. The Renfro and Malone families lived and farmed in Briscoe and Swisher counties during the youth of the couple.

On Sunday, January 31, 1911, Eula and Bill eloped despite the protests of her stern father who, though she was past the age of twenty-two, believed his daughter too young for marriage. The snow was knee deep as the two buggy-loads of young people made their way to Tulla. They left the Renfro home at 5:00 a.m., cutting telephone lines behind them to insure that they would not be found out, and it took them three hours to make it through the snow to Tulla.

They were met on the outskirts of Tulla by Sheriff Mack Crawford, who took them to his office, repeated the marriage ceremony, and escorted them to the train. They went by train to Sweetwater, Texas, for their honeymoon, and returned home a week later. The snow remained on the ground for six weeks.

Mr. and Mrs. Malone have lived on the two sections they farm for the entire fifty years of their marriage. This union was blessed with one son, Eugene, who is building a home a short distance from the home of his parents.

Mrs. Malone has four living brothers, Will and Ross Renfro of Amarillo, Texas; Bob Renfro of Stead, New Mexico, and Den Renfro of Tulla. Den was the only brother who was able to attend the open house.

Mr. Malone has two living brothers, Earl and Eric, who both live in this area. Earl was present, but Eric remains in an Amarillo hospital after being recently injured in an automobile accident.

More than one hundred guests called during the afternoon from Amarillo, Happy, Silverton, Tulla, Vago Park, Canyon, and Taos, New Mexico.

## Mr. and Mrs. Jones Are Parents Of Twin Girls

Mr. and Mrs. Rex Jones of Lubbock are parents of twin girls, Shonda Elaine, 5 pounds, 3 ounces, and Rhonda Wylene, 4 pounds, 11 ounces, born in Taylor Clinic at Lubbock on December 23, 1961.

The couple already were the parents of two boys, Rickey and Rocky. Grandparents are Mr. and Mrs. S. H. Jones of Blair, Oklahoma, and Mrs. V. W. Baldwin of Silverton. Great-grandparents are Mrs. W. F. Baldwin of Sentinel, Oklahoma, and Mrs. W. A. Rowell of Silverton.

## Study Club Meeting Set for January 10

The Century of Progress Study Club will meet on January 10, 1962, for their regular business meeting. Each member will be asked to answer the roll call with a delegate to the United Nations.

The program will be presented by Mrs. Jim Mercer, Mrs. George Miller and Mrs. J. W. Reid. The hostess for this meeting will be Mrs. John Gill.

Rev. and Mrs. Travis McMinn, Debra and Dudley of Burkburnett. Mr. and Mrs. Melvin Watkins, Gail and Anita of Amarillo, spent Christmas Eve and Christmas Day with their parents, Mr. and Mrs. Bud McMinn. Eural Vaughan was a guest for Christmas dinner in the home of his sister.

## Minter Services Conducted Tuesday

Edwin E. Minter was born December 20, 1905, in Hopkins County, Texas, the son of the late Mr. and Mrs. Robert E. Minter. He departed this life in a San Angelo, Texas, hospital last Saturday, December 30, following a brief and sudden illness. He was 56 years of age at the time of his passing.

Mr. Minter had made his home in Rankin, Texas for the past 2 years, where he was employed by the Union Texas Natural Gas Company as an accountant.

Mr. Minter was married to Mavis Louise Nelson, June 2, 1928, at Shamrock, Texas. They came to Silverton and Briscoe County in 1949, and operated a dry goods business for many years prior to moving to Rankin in 1957. He was active in, and a member of the Rankin Baptist Church, Masonic Lodge, Rankin Order of Eastern Star No. 176 of which he was Worthy Patron, and a member of Knight Templar, and Khiva Shrine Temple of Amarillo. He was a Past District Deputy Grand Master of District 99.

He is survived by his wife, of the home; one son, Gene, of Amarillo; one daughter, Mrs. Charles Yates of Bossier, La.; three sisters, Mrs. W. L. Grimes of Austin, Mrs. D. T. Thurman of Sulphur Springs, and Mrs. J. W. Chapman of Lubbock; one brother, W. L. Minter, of Garland; three grandchildren, Charles D., Billy W., and Vicki L. Yates, all of Bossier City, La.

Funeral services were conducted at 2:30 p.m. Tuesday, January 2, 1962, in the Silverton First Baptist Church, with Rev. G. A. Elrod, retired Baptist Minister of Roscoe, Texas, the Rev. R. L. Shannon, pastor of the Rankin Baptist Church, and the Rev. Carlos McLeod, local pastor, officiating. Masonic graveside rites were held in the Silverton cemetery with arrangements under the direction of the Roberts Funeral Home of Silverton.

Pallbearers were George Seaney, Dick Mayfield, Doc Minary, Johnnie Lanham, Albert Mallow, Kenneth Sharp, Jack Strangle and Alton Steele. Honorary Pallbearers were Masons and members of the Order of the Eastern Star.

## Club Enjoys Focus On Books at Meeting

The Century of Progress Study Club met for their regular business meeting on December 27, 1961, in the PCA Community Room. Mrs. Gene Morris conducted the business meeting and the devotional was given by Mrs. Norman Strange. Each member answered roll call with "A Book I Would Like To Have For Our Family Library."

The program was presented by Mrs. Pat Northcutt on Texas authors of good juvenile books.

Lemon chiffon pie was served to the members at the close of the business meeting. Hostesses were Mrs. Norman Strange and Mrs. O. C. Rampley.

Members attending this meeting were Mmes. George Miller, Jack Strangle, George Long, Joe Montague, Clifton Guice, Pat Northcutt, and Gene Morris.

Mr. and Mrs. Bob Olive and Larry and Steve of Petersburg, were Sunday visitors with Mrs. T. G. Olive and Betty.

Mr. and Mrs. Lonnie Drewry and children visited in Carnegie, Oklahoma with Mr. and Mrs. I. N. Toney, parents of Mrs. Drewry, and other relatives during the Christmas holidays.

## Renfro Family Christmas Hosted In PCA Community Room In Silverton

Mr. and Mrs. Berton Hughes, Robert and Randy, were hosts for the annual Christmas dinner and Christmas tree of the R. E. Renfro family in Silverton this year. Each year the annual affair is held at a

different home, there being six children in the family to take turns being host for the celebration. Since there were twenty-six people present (all were present except one brother, R. L. Renfro,

### THE CONGREGATION OF THE CHURCH OF CHRIST MEETING AT ROCK CREEK

Extends a gracious welcome to all to attend any and all of our services.

Evening Worship ..... 6:00 p.m.

#### WEDNESDAY

Evening ..... 7:00 p.m.  
(Watch space below for special announcement)

who lives in Tucson, Arizona) the PCA Community Room was used for the five o'clock dinner and Christmas tree. Seven lovely tables were arranged in the Community Room. The tables were beautifully decorated with Christmas tablecloths and napkins, chocolate-covered Santas for favors, name cards and a brightly glowing candle in the center of each table. The highlight of the abundantly filled serving table was a beautiful white six-tiered Christmas Tree cake, decorated with coconut, colored gumdrops, and red and green candles. The cake was baked by Mrs. R. E. Renfro, mother of the family. The changeable lights from the Christmas tree and the lighted candles on the tables gave the room a Christmas glow for the dinner.

After the meal, a short program was presented by the grandchildren and then old Santa came in dressed in his red suit, beard, and all which was a delight to the smaller children as well as the grown-ups. After Santa's appearance, he distributed the gifts from under the tree to their various recipients. Old Santa is ably portrayed by Gayle Renfro, youngest son of Mr. and Mrs. R. E. Renfro. He has been doing this for about six years and everyone looks forward each year for his particular part on the program.

Mr. and Mrs. R. E. Renfro and their son, Gayle, arrived Saturday morning for a visit and to help Mrs. Hughes prepare the dinner. Mr. and Mrs. Renfro are the parents of Mrs. Hughes. The rest of the family arrived Christmas afternoon.

They were Mr. and Mrs. Hubert Hall and Linda from Lakeview, and their daughter and her husband, Mr. and Mrs. Joe Rutherford from Abilene; Mr. and Mrs. R. H. Renfro, Raymond, Mike, Nancy, and John Robert from Vernon; Mr. and Mrs. Fritz Overmyer, Ronnie, Pamela and Patti from Lubbock; Mr. W. B. Hughes, father of Berton; Mrs. Grace Cox and Latresa, Berton's sister and niece.

Next year the Christmas get-together is to be held in Memphis, with Mr and Mrs. Hubert Hall as hosts.

Mr. and Mrs. Bud McMinn and Mr. and Mrs. Ewing Vaughan, Eural Vaughan and Dwain Henderson spent Christmas Eve in Quitaque with Mr. and Mrs. Gaston Owens and Eddie.

Mr. and Mrs. Ronald Vaughan spent Christmas in Wichita Falls with her parents, Mr and Mrs. Adams.

Miss Bonnie Chappell of Fresno, California, visited with her parents, Mr. and Mrs. A. H. Chappell during the holidays.

Mr. and Mrs. A. T. Brooks and

children were hosts to a Christmas dinner. Those enjoying the visit in the Brooks home were Mr. and Mrs. Buck Wesley, Mr. and Mrs. Oscar Weeks and boys of Silverton, Mr. and Mrs. Lonnie Wesley and boys of Amarillo, Mr. Jim Brooks and Mrs. Agnes Bingham of Silverton, Mr. and Mrs. Willie Wesley and children of Tulia, Mr. and Mrs. Glen Lindsey called in the afternoon. Mr. and Mrs. Wesley are the parents of Mrs Weeks, Lonnie, Willie Wesley and of Mrs. Brooks.

Bill Brooks had as his guests on Thursday and Friday Bob Hutsell, Jimmy Walker, Gary Weeks and Wade Brannon. Roy Lyn helped

Bill entertain his guests.

Fern and Joyce Brooks spent a few days with their grandparents last week. Miss Gladys Langston of Portland, Oregon, is also spending a few days with her sister and her family, Mr. and Mrs. Wesley. Those visiting in the Bud McMinn home on Sunday were Mr. and Mrs. Elma Seaney of Morton, Mr. and Mrs. Melvin Watkins, Gail and Anita of Amarillo. Mr. and Mrs. Odie Dorman of Aiken and Mr and Mrs. Gaston Owens and Eddie of Quitaque.

Mr. and Mrs. Charles Gowin of Quitaque were in Silverton Tuesday to attend the funeral services for Edwin Minter.

Mrs. John Kitchens

**FOUND: GOOD BLACK CHILD'S** Boot near my home. Mrs. Olos Chitty. 1-1tc

**CARD OF THANKS**  
To my many friends and relatives I wish to extend my heartfelt appreciation for the consideration shown me in my illness.  
Thank you for the many gifts, flowers, cards and acts of kindness shown to me.  
May God bless each and every one of you.  
Montie Lightsey

**CARD OF THANKS**  
Sincere thanks for all the wonderful things which have been done for us since the passing of our loved one, Edwin Minter.  
We have appreciated the hospitality of everyone and especially of the George Seaney and Hugh Nance families during our stay here, as well as every expression of sympathy.  
The Nelson family  
Mr. and Mrs. Clarence Barrett and Charles were shopping in Amarillo Saturday.

## Why spend Extra Dollars on dryer installation?

Exclusive Flaming Heat—dries clothes breeze-fresh— even safer than sunshine!  
Automatic Dry control—ends over drying or under drying—shuts dryer off automatically when clothes are dried just enough! Or, dial your own drying time!  
No-snap nylon belt across right on the door!

**"That Frigidaire Touch!"**  
A touch you love in features  
A touch you see in styling

Your whole family is invited to be our guests on  
**JOHN DEERE DAY**  
★ We've lined up top-notch talent...  
  
Young **BILLY MUMY, JOHN CARRADINE, GEORGE GOBEL**  
You'll get plenty of enjoyment from a show that teams up these outstanding performers! Gobel, Carradine, and Mummy star in a delightful film that ties the whole program together. It's a story packed with color and comedy about a case of measles and a boy who can't go to John Deere Day. So he and his uncle dream up a carnival of their own... and only those who have measles can get in. Gobel's wittier than ever as master-of-ceremonies on film, introducing news about today's agriculture in his own inimitable fashion.  
★ We've lined up a parade of Fascinating Farm Features  
You'll be transported by the camera to various parts of the agricultural world where you'll see all the new John Deere equipment for 1962... combines in action, working in the field against the clock... the building of high-quality tractors... a labor-saving way to make and handle hay... what a John Deere dealer's business is really like... amazing oddities in farming. Here's a wealth of farm information you won't want to miss!  
**Remember... JOHN DEERE DAY is a FAMILY AFFAIR!**  
Date: January 13 — Time: 11 a.m. — Place: Ray Thompson Implement Company
