County Agent Advises on Use of Defoliants, Desiccants

As the High Plains cotton harvest gets into full swing many growers will be thinking about the use of defoliants and desiccants to prepare cotton for machine harvesting, said County Agricultural Agent Clarence Kerns today. Timing the use of these materials can make or lose money for cotton growers.

Older, mature cotton frequently can be prepared for machine stripping or picking before frost, he continued. Experience has shown that the proper use of harvest-aid chemicals permits earlier harvest of mature cotton before exposure to weather damage reduces the grade or actual field losses due to bad weather occur.

Late cotton (June planting) on the other hand still will need all the time for maturity it can get and defoliation by frost will be more profitable, the county agent said. Too early, trigger-happy defoliation reduces the yields and lowers the quality. This is where "waste" and low micronaire cottons can injure the reputation of

a cotton producing area. Also green bolls at the gin present numerous problems. Green short fibers reduce the quality. Green wet fiber from green bolls clogs up and sticks to ginning saws thus causing a chain reaction in reducing quality.

Plant conditions, weather conditions and other factors vary from one year to the next, he continued. Each grower will need to evaluate the situation and decide if defoliation will pay. The county agent listed these guidelines that will be helpful:

1. Condition of the plant—Best results are obtained with mature cotton with a heavy boll load, where the irrigation cut off date is followed, leaf moisture is normal, and growth about stopped.
2. Timing—Research at Lubbock and throughout the cotton belt has shown that 60 per cent of the cotton bolls should be open before a true defoliant is applied and more than 60 per cent (preferably 80 per cent) open before a desiccant is applied. Harvest-aid materials

thus applied have not been observed to reduce yields or lower fiber quality. Top bolls that are expected to mature should be 30 to 35 days old, at least, at the time of application, full size, firm when pressed between thumb and forefinger and can't be sliced with a knife.

3. Weather conditions—Cool weather slows up defoliation. When night temperatures are constantly below 50 degrees Fahrenheit and day temperatures under 70 degrees Fahrenheit.
4. Is maturity speeded up by defoliants? No. For all practical purposes maturity of the cotton fiber stops when defoliants or desiccants are applied. The degree depends on coverage obtained. Bolls have been observed to open sooner in treated cotton than in untreated fields, but fiber from the treated cotton was not more mature. Some growers have found that if frost has not occurred by about October 20 and if plant and weather conditions are normal that defoliation or desiccation a-

bout two weeks before the average first frost date, usually the first week in November, can be considered. This places the cotton in a dehydrated condition at time of the first frost and permits earlier stripping after frost.

A copy of L-145, Cotton Defoliation Guide for Texas, is available at the County Agricultural Agent's office, he concluded.

Type I Vaccine Given To 1800

RICHARD WILLIAMS

Briscoe County's polio prevention clinics tallied 500 persons who took Sabin Type I Oral Vaccine on Sunday of last week to boost the county's total to 1,800 individuals protected against the most common of the three polio viruses.

The make-up clinic in Silverton drew 374 persons, while 126 took the three drops of vaccine on a sugar cube at Quitaque.

The next round of vaccine will be given October 23 and November 4, according to Dr. R. N. Muckleroy, in accordance with the plans made by the Hale-Floyd-Briscoe County Medical Society. Type II, as well as Type I, has been thoroughly cleared as safe by the U. S. Surgeon General's office. The third type, which is necessary for complete protection against the disease, is now being studied by the surgeon general's office.

In a special statement to the Briscoe County News early last week Dr. Muckleroy said: "I want to express my appreciation to all who helped with our polio campaign. We unfortunately did not immunize as many as had been planned for, probably due to the publicity give the few possible cases attributed to the vaccine in other places. It is hoped that more will turn out for the following two types of vaccine."

Gospel Meeting To Open At Church Of Christ

Richard Williams of Snyder, a former resident of Silverton, will preach the gospel during a meeting which will begin Monday, October 8, at the Church of Christ in Silverton. Services will be at 9:00 a.m. and 7:00 p.m. on weekdays, and at 9:45 a.m. and 6:00 p.m. on Sundays.

Hau Kite, minister of the church, will be song leader. He urges everyone to bring their Bibles and study with the congregation during this meeting.

Briscoe Chapter Reviews Cancer Film

Members of the Briscoe Chapter of the American Cancer Society reviewed an educational film starring Mr. Magoo and Jim Backus at their September meeting held in the community room of Plainview Production Credit Association.

Joe Bob Johnson, Field Representative for District 3-South, was present to discuss the local chapter's educational program.

H. B. (Doc) Simpson, county chairman, was requested to secure bookings for the Mr. Magoo film, which takes the viewer inside a cancer research laboratory in living color for a closeup look at some of the instruments and materials which are provided by the annual Cancer Crusade.

The District Meeting of the Society was held in Floydada on Wednesday, October 3, from 9:30 a.m. until 3:00 p.m. The Briscoe County Chapter received a total of five awards during the meeting.

Next regular meeting of the local chapter will be at 2:00 p.m. Monday, October 15, in the community room of Plainview Production Credit Association.

Camella Comer Wins Red Ribbon At State

Camella Comer, Briscoe County 4-H girl, was one of 48 finalists who competed in the Texas 4-H Favorite Food Show at Texas A&M College recently. Her entry, in the Bread and Cereal group, was awarded a red ribbon by a three-member panel of judges.

Ribbons were presented by H. E. Burgess of College Station, secretary of the Texas 4-H Recognition Committee, donor of awards in the state contest. Director John E. Hutchinson of the Texas Agricultural Extension Service presented awards to the champion in each food group. General Foods Corporation is the national donor for the 4-H foods and nutrition program.

Annual 4-H Club Pre-Showing To Be Saturday

Annual pre-showing for all 4-H Club calves in the county will be held Saturday, October 6, at 9:00 a.m. at the county barn in Silverton.

Ribbons will be awarded to the feeders with calves best trained for the show and feeders having best hair coat on their calves.

All club members who have calves are urged to be there, according to County Agricultural Agent Clarence Kerns.

GOOD NEIGHBORS AT WORK — In a small community like Silverton "everybody knows his neighbors" and recognizes their needs almost as quickly as his own. With harvest underway and Herbert (Shine) Stephens in the hospital at Matador, his friends and neighbors all pitched in with their trucks and combines to gather his crop for him last week. —Briscoe County News Photo

Cowboys Trim Silverton Owls

The Silverton Owls went down fighting as the Happy Cowboys rode to a 31-6 victory last Friday night.

Happy scored the last touchdown of the evening midway in the fourth quarter. Silverton took Happy's kick, piled up four consecutive first downs and arrived at the Happy 12 yard line before

the Cowboys exploded with a last great effort to stop the Owl attack.

The Owls completed three passes, one from Fred Stafford to Dennis Tomlin early in the ball game for Silverton's lone score. Happy had scored on the eighth play of the game, and Silverton's tally followed three plays later.

Silverton made eight first downs as compared to eighteen for Happy. The Owls gained approximately 140 yards on the ground and several more in the air. Happy rushed the Owls for a total gain of about 290 yards.

Happy fumbled several times, but managed to recover their own fumbles as well as those by Silverton. The Cowboys stole the ball away on two intercepted passes as well. Happy completed four passes during the evening.

The Owls were penalized 25 yards, while 30 yards were stepped off against the Cowboys.

Silverton now looks to their fourth game of the season at Kress Friday night. Kress will be entertaining their homecoming crowd and will be the biggest boys the Owls will probably meet this season. With one win and two losses under their belts they will be trying very hard to even the record at 2-2.

Coach Robert Whelchel reports that the members of the team appreciate the support they have received so far. He encourages everyone who is interested in football to come out to the game, as the boys will be in there giving Kress everything they've got.

Farmers Union Sets Membership Goal

The membership goal which has been set by the Silverton local of the Farmers Union in 1963 is 100. The following officers were present recently at their regular meeting to see the film, "The Land": Bernice May, vice president; Mrs. Letha Elms, educational director; Jim Reed, county president; Mrs. Woodrow Bice, secretary-treasurer; Jay I. Naman, state president, from Waco; Woodrow Bice, organization director; J. E. Wheelock, cooperative and services; Edwin Crass, legislative director; and Gilbert A. Elms, president of the Silverton local.

The other officers are Mrs. Oscar Weeks, junior director; Oscar Weeks, recreation director; Mrs. Bernice May, publicity director; and Annabelle Tipton, Insurance Agent.

President Elms made this statement about the Farmers Union: "We seek an agriculture of farm families on family farms, prosperous, efficient, masters of themselves, good stewards of the soil they till, standing on their own feet and seeking nothing of any man or government except a fair and equal chance to use their abilities in their own behalf as useful members of a democratic society. We seek a like opportunity in life for our fellow man, both within our own country and in other lands. These aims can best be attained through combined individual and cooperative private action with and under programs of democratic government."

Mrs. Wesley Garrett of Hamilton recently spent several days here with her son and family, Mr. and Mrs. Charles Garrett and new daughter.

Esdell Hutsell Delivers First Bale Of Cotton

Silverton Gin, Inc. turned out Silverton's first bale of 1962 cotton for Esdell Hutsell on September 30.

The cotton produced 1840 pounds of lint, 880 pounds of seed cotton and 880 pounds of seed, according to the gin manager, Bill Williamson.

Mrs. Crass Is Hostess For Helping Hand

The Helping Hand Club met on Thursday afternoon, September 13, with Lorene Crass.

Members present were Mae Rowell, Ethel Fitzgerald, Ima Nell Francis, Fannie Francis, Zoë Steele, Teresa Sutton, Eula Bramlett, Mary John Harris, Pearl Lanham, Lois Nance, LaVerne Mercer, and the hostess, Mrs. Crass.

The next meeting will be at 2:30 on October 11, with Ethel Fitzgerald.

Quarterback Club to Sell Booster Buttons

In a meeting of the Silverton Quarterback Club Monday evening it was decided to order "Owl Booster" pins to be sold to fans at the rate of two for \$1.00. The proceeds from the sale of memberships, booster pins and football programs is hoped to be sufficient to cover the cost of filming each of Silverton's home football games.

Cotton Farmers Invited To Meeting

All owners, operators and anyone interested in the operation and adjustments of the John Deere 77 cotton stripper, are invited to attend a service meeting at the John Deere Store tonight, October 4, at 8:00 p.m.

A factory and field representative from Deere will be present to answer questions and to explain the finer points of field operations and adjustments on the new 77 stripper.

This meeting will help you get more service from your 77 and very likely result in less down time, and better stripping of the row, due to improper adjustments. Ray Thompson states that this is not a sales meeting, but that orders will not be refused.

Prizes Offered In Photograph Contest

The time is here for the Briscoe County News Child Photograph Contest which is held in Silverton twice each year.

Winston B. Lucas of Irving, Texas, will be at the Briscoe County News office in Silverton on Friday, October 5, from 10:00 a.m. until 6:00 p.m. for the purpose of making pictures of the children in this area. In addition to having their pictures printed in the newspaper, the children will be competing for \$20.00 in prizes, which are being offered for the three best photographs made during the day.

The photographs will be made absolutely free of charge, and no charge is made for their publication in the Briscoe County News. Proofs will be shown and you may select the picture of your child which you would like to appear in this newspaper. If you wish to purchase extra photographs you may do so, but no purchase is necessary in order to compete for prizes.

There is no age limit on the contest, and every child's photograph is wanted so they may all appear in the Briscoe County News. All pictures to be used must be of uniform size, and must be made by Winston B. Lucas on Friday, October 5, from 10:00 a.m. to 6:00 p.m.

Appointments may be made by calling the News office, but it is not necessary to have an appointment.

This is the time of the year to have made the pictures for enclosure in your Christmas cards or pictures for photo-Christmas greetings.

Jack Seale To Speak At Breakfast Here

The public is invited to a free breakfast at 8:00 a.m. on October 10 at the "66" Restaurant to hear and meet Jack Seale, Republican candidate for Congress.

The breakfast is being sponsored by the county backers of Jack Seale for Congress.

Marcalyn Lee New Worthy Advisor

Marcalyn Lee was installed as Worthy Advisor of Silverton Assembly No. 304, Order of the Rainbow for Girls, in an impressive ceremony on Saturday, September 29.

Funeral Services Held For Mrs. Rodriguez

Funeral services for Mrs. Elvira Rodriguez, 51, who was shot to death last Saturday night on the death on September 22 on the verdon, were conducted at 10:00 a.m. September 25 in the Baptist Spanish Mission by the Rev. Ramon Asevedo of Floydada.

Burial was in the Silverton Cemetery under the direction of Roberts Funeral Home.

The condition of Mrs. Maria Flores, 22-year-old daughter of Mrs. Rodriguez has improved.

according to attendants at Northwest Texas Hospital in Amarillo. Mrs. Flores was shot eight times during an apparent family argument.

Averardo Guajardo, 30, of Vernon is being held in the Floyd County jail on charges of murder.

In good condition at People's Hospital in Floydada is Mrs. Carmel Flores, 27, another daughter of Mrs. Rodriguez. Mrs. Carmel Flores was injured Saturday night in an automobile accident which occurred after the shooting.

She was riding in a pickup truck driven by Guajardo which overturned north of Floydada.

Surviving Mrs. Rodriguez in ad-

dition to her two daughters here, are two other daughters, Mrs. Lydia Vela and Mrs. Estella Hernandez, both of Rio Grande City; two sons, Simon Flores and Raul Gomez, both of Rio Grande City; and four brothers, Manuel Benjamin and Gutierrez, Juan and Celia, all of Rio Grande City.

Mr. and Mrs. H. H. Vardell of Tulia, visited his father, J. J. Vardell, at the Lockney hospital Sunday afternoon.

Funeral services for William M. Malone, a resident of Briscoe County since 1891, were conducted in First Methodist Church of Tulia on Friday, September 28. Burial was in Rose Hill Cemetery.

Survivors include his wife of the home; one son, Eugene; two brothers, Eric of Swisher County and Earl of Briscoe County.

SAVINGS BOND SALES SOAR

August E and H Savings Bonds sales in Briscoe County totaled \$4,668, according to Perry Whittemore, Chairman of the County Savings Bonds Committee.

Sales for the first eight months of 1962 were \$92,601, which represents 115.8 percent of the county's 1962 goal.

"Savings Bonds, in building economic stability, help strengthen America's peace power," Mr. Whittemore said.

Mr. and Mrs. Roy Henderson of Canyon spent Sunday with his sister and family, Mr. and Mrs. Monroe Lowrey.

Team Spirit

Have you noticed it? There is a new spirit all around the town and school. If you haven't noticed it, try looking. Even after the defeat the Owls suffered by Turkey during homecoming, it still lingers, no, not lingers, it is. Our boys took a defeat true, but for once the fans and team were pulling together, for one objective—to defeat the Turks at all costs. After so many defeats the team as well as the fans become easily discouraged. So far, everyone seems to have upheld that high spirit of a winning year.

The Revolution In School Mathematics

by Mrs. Alvin Redin

The changes in mathematics in progress at the present time are so extensive, so far-reaching in their implications, and so profound that they can be described only as a revolution. It has been caused in the first place by the tremendous advances made by mathematical research.

Many people are surprised to learn that mathematics is a live, active, growing subject. It is true that any mathematical factor theorem that was ever true is still true, will always be true. But theorems, like air planes, become obsolete when new and better ones are discovered.

Seniors To Sponsor A Chili Supper

by Sue Lanham

The Senior Class met to decide on the Chili Supper to be sponsored on October 12 before the football game. The supper will start at 6:00 p.m. and will continue until game time.

The twentieth century is the golden age of mathematics, since more mathematics, more profound mathematics, has been created in this period than during all the rest of history.

Straight From The Shoulder

Lester L. Grabbe

In this school, as in most, deserving athletes are presented with jackets or sweaters. In many schools, members of the band get sweaters. However, in Silvertown there is no school band. But every year a few students enter the literary division of the Interscholastic League. If they win, they get a ribbon. If they lose, they have nothing to show for their efforts.

Now to tell you what the idea is—wouldn't interest in the Interscholastic League Meet perk up a little if some sort of award were presented to all students who represent Silvertown, grade school or high school, at the spring meet.

This has been suggested before, but nothing has been done about it. I think that this could be added to the Student Council's list of things to be done for this year.

Now sweaters and jackets are expensive and many who enter the literary events already have athletic jackets. But why not at least have a pin or an emblem? Remember, both athletics and literary events are participated in under the University Interscholastic League.

Since neither division is more important or higher ranking than the other, why not reward participants in both classes?

Owl Pigskin Preview

by Coach Robert Whelchel
The Owls went down in defeat to the Happy Cowboys Friday night. The Cowboys were the strongest team that we have played so far.

We felt that we would have to stop their ground attack up the middle, so we used a 5-4 defense. We were able to stop the gain up the middle but they hurt us off tackle and around end.

Highlight of the ballgame was Fred Stafford's touchdown pass to Dennis Tomlin, and again the whole team was still trying to score when the clock ran out.

This Friday night we play a big team at Kress. They won their first ballgame against Hart 37-0 Friday night and were very impressive in their ground attack. The coaching staff feels that the boys will have to give 110 per cent at all times during the ballgame.

Van Breedlove will return to the lineup this Friday night. Larry McWilliams is on the doubtful list with a pulled knee ligament.

Junior High Student Council Elects Officers

On September 24 the Junior High Student Council elected Randy Hughes president, Terry Lee vice president, Tina Weaver secretary, Ginger Martin treasurer and Tim Matthews as reporter.

The group is beginning work on projects to be completed during the year. The Junior High Student Council is responsible for the opening exercises at the grade school assemblies. It is hoped that a large number of parents will attend the assemblies this year.

The Junior High Student Council is sponsoring an assembly on October 3, at 12:30 p.m. It is entitled, "The Van Winkle Marionettes." The admission will be 20 cents for students and 30 cents for adults.

STUDENT COUNCIL SEEKING TO SPONSOR FOREIGN EXCHANGE STUDENT

by Sue Lanham

The Student Council is making plans in hope that Silvertown High School will be able to sponsor a foreign exchange student during the year 1963-64. Information is being obtained now.

The price for admission at the Halloween Coronation has been cents for students.

Donna Stephens is at home after diagnosis in a Houston hospital. She is suffering from an allergy. She received a white Bible from her classmates, and requested that each of the students in the class autograph it for her.

SENIOR CHILI SUPPER TO BE HELD BEFORE SILVERTOWN HART GAME

The seniors of Silvertown High School will sponsor a chili supper on Friday, October 12, before the second Owl home football game with Hart.

Chili and pie will be served beginning at 6:00 p.m. and continuing until kickoff time. Prices are 50 cents for junior high and grade school students, and 75 cents for high school students and adults.

The supper will take place in the school cafeteria. The seniors invite everyone to eat with them before going to the game.

The Other Side Of The Fence

Why is it that, when a woman tells her doctor she's all tired out, the first thing he does is look at her tongue?

If we could see ourselves as others see us, we'd probably deny it.

If you want to have the last word in an argument with your girl, just say, "I apologize."

A youngster asked his father how wars start. "Well," said his father, "suppose America quarreled with England. . ."

"But," interrupted the mother, "America must never quarrel with England."

"I know," agreed the father, "but I am only using that as an example."

"You are misleading the child," she accused.

"No, I am not," shouted the father.

"Never mind, dad," put in the boy. "I think I see how wars start."

Window placard in a pet shop: "Lonely kitten desires position with little girl—will do light mouse-work."

Remember when the headquarters of a beat generation was the woodshed?

An optimist is a person who thinks he can break up a traffic jam by blowing his horn. Drive-In Theatres Drive-in movies are a boon. For couples who like to spoon, And just as nearly do they serve, For others parking to observe.

Honesty Is The Best Policy

Mrs. O. C. Rampley

Have you ever noticed that only one locker in the whole high school building is held firmly closed with a lock?

This fact is a symbol of the trust and honesty of the students of our school. People who are really honest usually do not feel suspicious about the honesty of their fellow students—unless they have a just cause to do so.

Students fill their lockers with everything from books to money and never complain about anything disappearing. Pencils and fountain pens are left carelessly lying about, yet somehow they seem to get back to their owners. Teachers do not feel the necessity of locking desk drawers against intruding fingers.

Girls sometimes leave their purses overnight in the classrooms—but reclaim them the next day with all of their contents intact.

It is indeed a blessing that honesty walks the halls of Silvertown High School.

Finding a fly in his soup, Weldon Tipton hailed a waiter and demanded: "What is that fly doing in my soup?"

The waiter peered in quizzically for a moment, then observed, "I'd say he's doing the backstroke, sir."

F.B.L.A. Accepts New Members

The Silvertown Chapter of the Future Business Leaders of America accepted its new members for the first semester of the 1962-1963 school year. A ceremony was held by the F.B.L.A. officers which explained fully the purposes and plans of FBLA to the new members. All the candidates were asked to repeat a pledge after the president and thus they became members of the FBLA Club in Silvertown.

The ceremony was closed with refreshments for everyone. The new members are Peggy Phillips, Brenda Martin, Chyrel Cowart, Rita Brown, Dianne Davis, Kathy Peugh, Fern Brooks, Mary Dale Tucker, Pat Cagle, Camellia Comer, Jeanne Davis, Janice Lewis,

Junior Class Play Selection Underway

by Shirley Myers

A committee consisting of Mary Monroe, Raye Garrison, Linda Harvell, Becky Thomas and Lester Grabbe has volunteered to select several plays from which the Junior Class will choose their annual presentation. These will be reviewed at a meeting soon, and one will be selected.

During the class meeting on September 18, ways of making money were discussed. Several suggestions were received, but no definite plans were made.

Grade School Boys 7 Thru 11 Enter Our PUNT, PASS & KICK COMPETITION IT'S FREE! IT'S FUN! NOTHING TO BUY!

The 1962 Punt, Pass and Kick contest begins soon! And you'll have a great chance to win! Want to try?

Then, bring one of your parents or your legal guardian in October 1 - October 31 to get full details and sign up.

You'll be competing with grade school boys your own age in punting, passing and kicking (using a kicking tee). There's no body contact. No equipment needed. You'll have a chance to win prizes like official NFL warm-up jackets! Specially designed, safety-constructed football helmets! Footballs signed by the 1961 Green Bay Packers—NFL Champions!

AND THERE'S MORE! Special trophies for State winners! A junior-size NFL uniform complete with shoulder pads, for Area winners to wear when they travel (Dad goes too!) to compete in Division contests during NFL games!

AND FOR TOP WINNERS . . . a "Tour of Champions" (with their Dads and Mothers!) to the White House and the 1962 NFL Championship game to compete for the national PP&K championship!

A special Punt, Pass & Kick instruction book written by Yale Lary, Johnny Unitas and Paul Hornung is given each boy when he registers! PLUS an autographed picture of an NFL player! AND, a 1962 Ford Televiewer—handy guide with line-ups for the NFL and NCAA teams on TV this fall!

Sound great? It is! So, don't forget! Sign up begins October 1! And bring your buddies, too . . . you'll all have fun!

Registration Begins For Punt, Pass And Kick Contest

Registration for the second annual Punt, Pass and Kick competition for grade school football enthusiasts began October 1 at Stephens Ford in Silvertown.

The local dealership joins with the Ford dealers of America in sponsoring the contest. "PP&K" pits the punting, passing and place kicking skills of boys seven through eleven against all other participants of the same age. The program attracted 205,000 youngsters last year, when it was launched, and was cited by President John F. Kennedy for its contribution to "the physical fitness of our youth."

Registrations for this year's PP&K competition began at Stephens Ford and other Ford dealerships, and will continue through October 31.

Top prize for the 10 national finalists—one in each age group from both the Eastern and Western Division team areas—will be an all-expense paid Tour of Champions for the youths and their parents December 26-30. It will begin with a two-day visit to Washington, D. C., which will be highlighted by a special tour of the White House.

From Washington, the group will be flown for a two-day visit to the city in which this year's National Football League championship game will be played on December 30. The Eastern Division titlists will be this year's NFL championship game hosts.

At the halftime of the title game, before the overflow crowd that traditionally attends NFL championship games, the two finalists in each age group from the Eastern and Western Divisions will square off for national honors. In a ceremony immediately following this competition, NFL Commissioner Pete Rozelle will present the five national winners footballs autographed by the two teams competing for the title and trophies symbolic of their national championships.

First phase of the Punt, Pass and Kick program is competition in local contests, sponsored by Ford dealers with the cooperation

of the NFL. With some 5,000 such contests likely to be held, 75,000 prizes will be awarded to winners of local competitions. First prize will be a warm-up jacket, while football helmets and autographed footballs will be the second and third prizes.

Total scores, based on distance and accuracy of their punts, passes and place kicks, will determine the winners.

From among those competing in local contests, five boys—one each in the seven through eleven age group—will be named regional winners in each of the 14 NFL team television coverage areas. These 70 youths will display their PP&K prowess at the halftime of

designated November or December NFL games of their home teams, and from them will emerge the 10 who qualify for the Tour of Champions and the showdown competition for national honors at the NFL championship game.

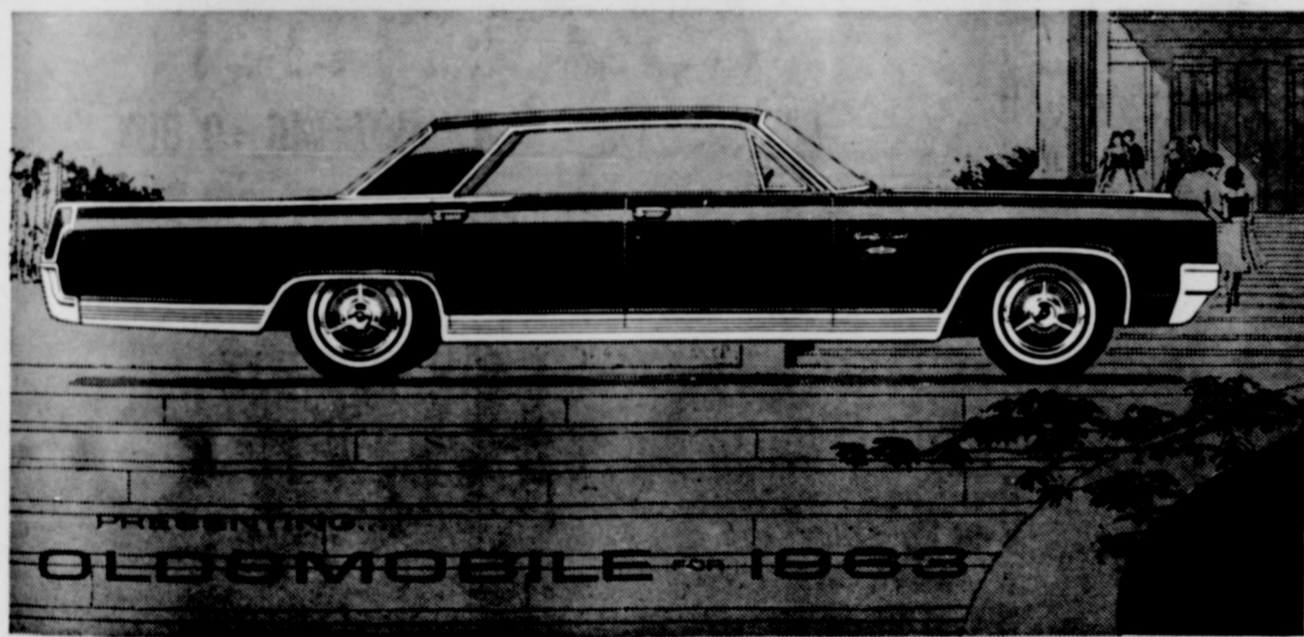

The 70 regional winners will receive junior NFL uniforms. After the local competitions, special trophies will be awarded in each state to the boys who compiled the highest point total in their age bracket statewide.

Mrs. Moody Miller returned to her home at Lamesa Sunday after a ten-day visit with her son and family, Mr. and Mrs. George Miller, Karen and Pat.

WHAT RELIGIOUS DIS-UNITY DOES

Many people are concerned over the disunity of religious thought and action extant in the world today. Some have gone to great lengths to gloss over this embarrassing state of affairs. Thinkers see that denominationalism is only a symptom of deeper problems; and all see the havoc of its effects.
