American Field Service Chapter Is Organized Here

Mrs. Alvin Redin was unanimously elected president of the newly-organized chapter of the American Field Service in Silverton in a meeting in the school auditorium Monday evening.

The local American Field Service chapter is the go-between in the Foreign Exchange Student program, which makes arrangements for the well being of a foreign student during his nine-month stay.

Mrs. Pascal Garrison was elected member for home and student adjustment. She will be charged with interviewing the families who wish to make application to

keep a foreign student, and will assist with the family applications. The applications are to be in the New York office not later than February 15, 1963.

Other officers elected were Jack Strange, member for finance; O. C. Rampley, member from school; and Dee McWilliams, Americans abroad co-ordinator.

A student representative to the AFS chapter is to be elected by the Student Council.

Mrs. Ed McKay of Amarillo, area representative of the American Field Service, was on hand to explain the Foreign Exchange Program and to assist with the or-

ganization of the local chapter.

A large representation from the community was on hand to hear Mrs. McKay, who speaks with authority after having kept students from Greece and Italy, and whose son has participated in the Americans abroad program, having spent a school term in Finland.

Several families have offered to keep a foreign student next year, and of those who have volunteered one will be chosen sometime in the spring by the American Field Service office in New York. Selection of the family will be determined as the AFS at-

tempts to place the student in the home into which he will probably fit best.

The Americans abroad co-ordinator was elected in the event that students from Silverton High School later wish to participate by living in a foreign home for a summer or a school term.

Mrs. Redin announced that \$600.00 of the \$700.00 needed to finance the foreign student program has been raised by the Student Council and classes. It is hoped that a total of \$1,000.00 can be raised to help with the students' other expenses.

The family of the foreign stud-

ent pays approximately \$525.00, or as much of that amount as they can.

Those who pass through the door into America are teenagers, 16 to 18 years old—when students are most adaptable, open-minded, and eager to learn. They have been screened, with the cooperation of educators in their own countries, for personality as well as intelligence, in order that the students chosen be those best qualified to make the experience enriching, both for themselves and for all with whom they come in contact.

AFS students are encouraged to

participate wholeheartedly in the life of their American community, where they attend the senior year of high school and live in carefully selected homes as members of their U. S. families on the same basis as the other young people in the home. While they learn first-hand of many different aspects of our life—of our customs, ideals, interests, and problems—they also broaden their horizons by telling of their own countries and daily life in their own homes.

After the students have returned to their homes, as they must at the end of their year, they con-

tinue as members of the American Field Service, which keeps in touch with returnee students by letters, visits, and a periodic magazine (Our World). The returnees, to the limit of their available time, follow through by spreading word of their experience in articles and speeches and put into practice wherever they can what they learned from their time abroad. They have formed committees to advise on the selection of future students. And on their own initiative they instituted the Americans Abroad program.

Poll Tax Still Required in 1963

Briscoe County citizens are required to have a poll tax as a qualification for voting in all elections during 1963.

The above is mentioned due to the fact that some people are saying that the poll tax was abolished in the primaries held last May. The fact is that the majority of Texans voted to abolish the poll tax. But as has been mentioned before, the vote was a referendum, a public opinion poll.

This matter of abolishing the poll tax will come before the next session of the Texas Legislature. If the Legislature votes to remove the poll tax as a requirement for voting in the state, they must do so by a two-thirds majority of the membership in both the House and Senate. This vote will come in the form of a Constitutional Amendment, which, in turn, will be submitted to the people at the next general election.

To be sure of being eligible to vote in all elections in 1963, all persons should pay their poll taxes. Deadline for payment is January 31, 1963, at midnight.

SILVERTON'S GROWTH HAS BEEN "SMALL BUT STEADY"

A small but steady growth has been evidenced by Silverton during the past several years. The 1960 census listed the population as 1,098. It is believed that the population now exceeds 1,200.

During 1962 more than 20 blocks of old pavement were resurfaced.

Water meters were set for 25 new homes built in Silverton during 1962, which is about the same as in past years, according to Fred Strange, city secretary.

County Historical Committee to Meet

County Judge M. G. Moreland has issued a call for a meeting of the newly appointed Briscoe County Historical Survey Committee on January 19 at 2:00 p.m. in the county courtroom in Silverton.

This meeting is being held in accordance with a proclamation by Governor John Connally declaring January 19 as Texas Historical Preservation Day. Over 2,000 committeemen in some 240 County Historical Survey Committees over Texas are expected to convene on that day to elect officers and formulate plans for the year's work.

"Every county has a history all its own, and Briscoe County is certainly no exception," Judge Moreland said. "The County Historical Survey Committee has unlimited possibility for doing our County a great service in the field of preserving our history for future generations.

"The tourist trade stimulated by history-seeking travelers will be an aid to the economy of the county," he said.

County Historical Survey Committees are currently concerned with historic buildings, markers, museum pieces and records of the counties.

Members of the newly appointed Briscoe County Historical Survey Committee are J. E. Minyard, Mrs. J. E. Arnold, Miss Anna Lee Anderson, Arnold Turner, O. R. Stark, Jr., Mrs. Jake Merrell and James Brunson.

Trophy Won By Silverton Boys

The Silverton Owls were awarded the coveted sportsmanship trophy at the close of the Claude Basketball Tournament last week end. The sportsmanship trophy is regarded by most as more valuable than the first place cup.

The Owls defeated Groom in their first game of the tourney, 44-37. Fred Stafford led the scoring with 17 points followed by Jay Towe with 12.

In their second match of the tournament the Owls lost to Claude 45-52. Gregg Towe scored 15 points and Stafford caged 16 for Silverton.

4-H Club DOINGS

The Smiling 4-H Club held a meeting on December 18, 1962, in the community room of the Production Credit office.

Rhonda Drewry, president, called the meeting to order. Secretary Marsha Teeple read the minutes of the previous meeting, and led the group in repeating the Pledge of Allegiance.

Patricia Jarrett led the 4-H Pledge.

Refreshments were served, and members enjoyed exchanging gifts and playing games.

Patricia Jarrett, reporter

and Jealeta, Mr. and Mrs. Robert McPherson and children, Mr. and Mrs. Edwin Dickerson and family, Mr. and Mrs. Freddie Hamilton and Teri Sue, Mr. and Mrs. Noel Deavenport, Mr. and Mrs. Wayne Hamilton, Mr. and Mrs. Rex Holt and children, Mr. and Mrs. Billy Wayne Garvin and children, Mr. and Mrs. Billy Wayne Garvin and children, Mr. and Mrs. Jerry Frizzell, Bobby Kitchens and Sandi Rhode, all of Silverton.

The directors of the Panhandle Press Association will meet in the community room of the Production Credit Association building Saturday. Directors are expected to attend from Quanah, Munday, Canadian, Amarillo, Farwell, Olton and Silverton.

County Cotton Crop Might Top Estimate

As of Tuesday of this week, Briscoe County gins had turned out 20,163 bales of 1962-crop cotton, 163 bales more than the estimate by the Texas Employment Commission. This is less than the 23,863 bales ginned the previous crop year due to crop acreage re-

ductions.

Quitaque ginners reported that they are still receiving cotton, but the majority of Silverton ginners stated that they are finished.

Individual reports from the gins on this date one year ago were:

Briscoe Co-Op	0
Paymaster Gin, Quitaque	3,811
Farmers Co-Op, Quitaque	4,922
Silverton Gin	4,287
Dempsey Gin	4,559
Davis Gin	1,963
Tomlin-Fleming Gin	4,321
Total	23,863

Individual reports on January 8, 1963:

Briscoe Co-Op	3,896
Paymaster Gin, Quitaque	2,482
Farmers Co-Op, Quitaque	4,803
Silverton Gin	2,620

POSTAGE HIKE STARTED MONDAY

Silverton postmaster Grady Martin called attention today to the hike in postal rates which became effective Monday.

Postage rates for first-class letters has increased from four cents to five cents an ounce with air mail letters costing eight cents an ounce instead of seven.

First class post cards now cost four cents instead of three with air mail cards going from five to six cents.

Martin warned residents that insufficient postage will be collected from the addressee or the letter will be returned to the sender.

COMMUNITY AUCTION SLATED FOR JANUARY 21

A Community Auction will be held at Silverton Gin on Monday, January 21.

Anyone who would like to consign items for the sale are asked to see Rex B. Vaughan, auctioneer, Phone Bean 4192, as soon as possible. Items will be sold including furniture, household items, farm equipment, tools—anything you have that you would like to sell.

Tulian To Compete For Rodeo Honors

Mrs. Sue Reid Osburn of Tulia, an outstanding ranch girl barrel racer, will be among the 44 swift riders vying for a total purse of \$3,900 at the 1963 Fort Worth Stock Show Rodeo to be held January 25 through February 3.

She will be sponsored by Diamond Tail Ranch of Trinidad, Colorado.

Mrs. Osburn is the daughter of Mr. and Mrs. Warner Reid of Tulia.

Mr. and Mrs. Elmer White and children of Grady, New Mexico, have been recent visitors here with her parents, Mr. and Mrs. Carroll Garrison, Jerry, and other relatives.

Dr. McClung Accepts Post At Wayland

Dr. Roy C. McClung, pastor of the First Baptist Church in Plainview since 1948, has accepted the presidency of Wayland Baptist College.

Announcement of his decision was made during Sunday morning church services. He will become the school's eighth president.

He will assume his duties as president of the college on July 1, 1963.

Dr. A. Hope Owen, who recently asked to be relieved of administrative duties as president of the college, was named president emeritus in recognition of his 10 years of service as the school's president.

Dr. McClung has been a member of the board of trustees at Wayland since 1958.

Revival To Begin At Assembly of God Church January 13

A revival will begin at the Assembly of God Church in Silverton on the night of January 13. Rev. Cecil Vaughan will be the preacher.

Bro. Vaughan built the assembly of God Church here and was pastor until he was called to pastor the church at Haskell, Texas. He is presently building a church in San Angelo.

Rev. Murry Green, pastor of the local church, says of Bro. Vaughan: "He is a man of God and a good preacher. We feel he is known and appreciated here in Silverton. The public is invited and will be welcomed to these services to enjoy the presence of the Lord among us."

Services will be at 7:30 p.m. on week nights and Sunday.

"We will be looking for you," adds Bro. Green.

RUFUS JORDAN TO ADDRESS MENS' BREAKFAST

Rufus Jordan, Sheriff of Gray County, will be the speaker for the Mens' Breakfast to be at the First Baptist Church in Silverton at 6:30 a.m. Saturday.

Sheriff Jordan is a member of First Baptist Church in Pampa, and is the father of Mrs. Wayne McMurtry.

All men and boys are invited to attend the breakfast.

The attractive brick and glass home of Silverton Auto Parts on Lone Star Street will be the scene of an open house Saturday, January 12. Free coffee will be served to those attending the open house at City Cafe all day Saturday. Owner H. A. Cagle says, "We hope you will stop in to inspect our new facilities. We are proud of the new building and would like to show you around." —Briscoe County News Photo

Mid-Winter Meeting Set At Lubbock

Jehovah's Witnesses' mid-winter assembly for Texas Circuit No. 9 will be held in Lubbock, January 13.

Each of the 16 congregations, from Wichita Falls to Hobbs and from Lamesa to Plainview, will make a report of their ministerial activity for the past six months. An analysis will be made of the circuit's weaknesses and ways considered to bring the weaknesses up to circuit and national levels.

The presiding minister, V. D. Griffin of the Quitaque congregation, said, "According to the 1962 annual service report ending last August, the 4,564 congregations

of Jehovah's Witnesses in the United States had an eight per cent increase in the number of Witnesses preaching and teaching the good news of the kingdom.

In the 189 lands where the ministry work is done by Jehovah's Witnesses, there was a 4.1 per cent increase over last year in the number of those preaching publicly from house to house. This included 12 Communist dominated countries and troubled areas where reports were incomplete.

The semi-annual circuit assembly carries the theme, "Copy the Master's Zeal."

Mr. and Mrs. Ray Hyatt and family of Levelland were Sunday visitors with his parents, Mr. and Mrs. W. J. Hyatt.

Mr. and Mrs. Bomar Observe Anniversary In Lubbock

A surprise open house on December 31 honored Mr. and Mrs. Roy Carlton Bomar of Lubbock, on their 25th wedding anniversary. Hostesses for the occasion were a daughter, Miss Roybeth Bomar, and Mrs. J. W. Stevens.

An arrangement of white carnations with green leather fern and glitter formed the centerpiece. Assisting with the hospitalities were Mes. G. W. Pharr, Bruce McElroy, J. W. Cartwright and H. W. Harris. Guests were registered by Mrs. O. R. Copeland.

The former Miss Elizabeth Jane Ezzell and Bomar were married at 12 midnight December 31, 1937, in Amarillo in a double ring wedding with Mr. and Mrs. W. W. Yarbrough, who were special guests at the open house.

The Bomars lived in Silverton and Portales, New Mexico, before moving to Lubbock in 1939 before he entered the Navy. He is employed by Baldrige Bakery and has farming interests in Briscoe and Floyd counties. They are parents of two daughters, Roybeth and Bari Suzanne Bomar.

Eighty-five guests were invited to call between 7 and 10 p.m.

Other special guests included the mothers of the couple, Mrs. B. R. Ezzell of Seymour and Mrs. W. V. Bomar of Silverton. Also attending were Mr. and Mrs. A. L. Martin of Wichita Falls, a sister of Mrs. Bomar; Mr. and Mrs. W. V. Bomar, jr., of Silverton, his brother, and Mr. and Mrs. Walter Cranmer of Canyon.

Mrs. Montague To Head Study Club

At the January 3 meeting of the March of Time Study Club, Mrs. Marvin Montague was elected to succeed Mrs. Ben Whitfill as president in the new club year.

Mrs. Fred Mercer was elected first vice president; Mrs. Roy Mayfield, second vice president; Mrs. D. T. Northcutt, recording secretary; Mrs. True Burson, corresponding secretary; Mrs. Clarence Anderson, treasurer, and Mrs. Alvie Mayfield, reporter.

The chairman, Mrs. Ben Whitfill, presided over the meeting, with Mrs. Clarence Anderson giving the invocation. Mrs. D. T. Northcutt was hostess.

During the business meeting the club voted to give \$50.00 to the

March of Dimes Helps Save Boy

Here's Johnny at age one after first operation . . . and today, leading a normal life at age four.

At his fourth birthday party, Johnny Wilson's big blue eyes sparkled as his mother carried in the most magnificent cake he had ever seen.

It was shaped like a huge boat plowing its way through mountainous waves of whipped cream and icing. Johnny's winsome smile beamed at friends and he gave out kisses all around.

It was a happy affair. Yet at one time, Johnny's parents had little hope he would live to celebrate even his first birthday. For he was born with the often fatal birth defect of water on the brain, or hydrocephalus.

Surgical treatment saved Johnny's life when he was three months old. At that time, doctors performed what is known as a shunt operation. They inserted in Johnny's head a plastic tube which allowed excess fluid from the brain to be harmlessly absorbed by the youngster's body.

Without the operation, fluid within the brain is prevented from taking its normal course,

and causes the head to swell enormously. This is what had happened to Johnny. (If shunt surgery is not performed in time, mental retardation and blindness may ensue, even death, in certain cases.)

Since 1958, doctors have performed two other shunt operations and have treated Johnny for gastroenteritis and septicemia.

Today, Johnny leads a relatively healthy, happy and care-free life. Like any other little boy who lives on a farm, he loves to hug lambs, chase cows and tease chicks on the family's 190 acres near Columbus, Ohio.

He is a good example of thousands of afflicted children being helped to live nearly normal lives through a unique medical care program financed by The National Foundation-March of Dimes.

Babies with birth defects are born every other minute in the United States, 250,000 of them each year, almost 700 each day.

Johnny goes regularly to a special Birth Defects Clinical Study Center at Children's Hospital, Columbus, supported by March of Dimes funds.

It is one of more than 30 similar centers across the na-

tion set up for the study and treatment of birth defects.

At the center, trained specialists work together to help children with many kinds of birth defects. They include a neurosurgeon, orthopedic surgeon, internist, psychiatrist, physical therapist and medical social worker. They have put their skilled hands and minds to work on Johnny's behalf.

Every four months, Johnny's mother drives him to the center for his check-up. A doctor always measures his head to make sure there is no change in size. Since 1959, his head size has remained relatively constant.

Johnny is growing up to be an impish, energetic and friendly little boy who likes to do everything and go everywhere. Especially, he likes to wheedle rides on a pony at the next farm. He'll settle, though, for a tour on the tractor with his mother or father, Julia and John Wilson.

Like Johnny, other afflicted children who receive proper treatment may live to enjoy shooting cap pistols, watching television, singing songs or playing a toy banjo—with the best of four-year-olds.

Freshmen State New Year's Resolutions

The freshmen were asked to submit their New Year's resolutions with the hope that most of them would be carried out.

Allen Thomas—I resolve not to speak in Verden's class until spoken to.

Joe Self—I resolve to quit thinking about school work and think of serious things such as girls, cars and money.

Darrell Long—I resolve never to be caught doing the same thing twice.

Roger Bingham—I resolve not to be pushing any more outhouses down.

Wayne Rampley—I resolve to make up my resolutions throughout the year instead of all at one time.

Orlin Grabbe—I firmly resolve not to eat fried shrimp while standing on my head in the bathtub.

Nena McDaniel—I resolve to try to keep from falling down any more stairs.

Lynn Edwards—I resolve to do my very best to grow bigger and taller in the new year.

Johnnie McGavock—I resolve not to say ain't anymore because it just ain't right.

Donald Patton—I resolve not to make any resolutions because I won't keep them anyway.

Judy Bingham—I resolve to try to pass and to quit swinging my leg in general science.

Alice Holt—I resolve to do my best in facing all my future problems, that I might overcome them with success.

Cliff Walker—I resolve to larn how two spile an two use my wards!

Judy Miller—I resolve to stay home when I have company.

Monty Smith—I resolve to resolve that I will not have a New Year's Resolution.

Jerry Perkins—I firmly resolve that in the following year I will be less bashful and more sociable around the girls.

Paula Turner—I resolve to get my algebra before I come to class.

Jay Miller—I resolve to try to be a better citizen.

Ruth Ann Minyard—I resolve to take a pencil to algebra class.

James Maples—I resolve not to get into trouble at school.

Weldon Tipton—I will try the best I can to get my work done at home.

Thus the freshmen have stated their New Year's resolutions. Now the sophomores, juniors and seniors state theirs in unison: "We resolve to wholeheartedly, with faith that they will, to help the freshmen maintain and practice each and every resolution no matter how discouraged we may sometimes become."

Under Your Sign

Most of you have probably looked under your sign in one of the daily newspapers to read what may be in store for your day. Sometime's it's good, and sometimes you had rather stay home than risk facing the prediction. Whatever the case, you enjoy reading it.

Jim Reid Named FHA Sweetheart

Jim Reid was recently selected by the F.H.A. girls to be their 1962-63 sweetheart.

Jim, who is an active F.F.A. member, was selected as the one most deserving the title. In addition to being a handsome choice, Jim also possesses an all-around pleasing personality.

Members of the F.H.A. are busy making plans for the annual Sweetheart Banquet. Committees and groups connected with the banquet have been meeting to reach certain decisions so that the actual work can get underway.

The theme of this year's banquet will be "Stairway to the Heavens," one which the group felt would be beautiful and enjoyable for all.

BOOK REVIEW
"REBECCA"

This week finds the spotlight on a moving novel by Dauphine Du Maurier. This book speaks through the young mistress who has just married and taken the responsibilities of running the largest estate, Manderly, in England.

The former mistress of the house, Rebecca, was well known for her intelligence, her ability to manage the huge household estate, and her capability for arranging parties. When Rebecca drowned in a sailing accident, her husband married after the respected period of time; however, some of the servants were not quite prepared to accept his new mistress.

Out of these circumstances grow the emotional and physical drama dealing with the inner workings of the minds of men and women.

Du Maurier describes clearly and with artistic touches the characters of this dramatic novel throughout his book.

The excitement climbs to a climax of fear and drama.

Young Butch, seven years old, was taken to see his new baby brother.

"Ma!" he cried, "the kid ain't got no hair. It ain't even got no teeth. Ma—somebody has gyped us—It's an OLD baby!"

Teachers, Students Hears FTA Program

Mrs. Alice Lacy, Mrs. Alvin Redin and Mrs. O. C. Rampley attended the January meeting of the Delta Kappa Gamma society for women teachers in the "Reddy Room" of the new Southwestern Public Service building in Plainview on Saturday, January 5.

The program was presented by the Tullia Chapter of Future Teachers of America. The purpose of the meeting was to stimulate interest in the Future Teachers' organization and to create new clubs in the high schools of the surrounding area. Delta Kappa Gamma strives to guide interested students into the teaching field in order to increase the number of teachers whenever possible.

Students attending from Silverton High School were Mary Monroe, Raye Garrison, Dianne Davis, Camellia Comer, Ann Smith, Dwight Rampley and Robert Bomar.

The Tullia FTA Chapter plans to visit Silverton High School in the near future to present a special program and to assist an attempt to organize a chapter here. Students who are interested in FTA should consult with one of the teachers named above concerning the benefits to be derived from it.

Send your name, address, age, sex, your special interests, and your school or occupation.

Credit Cues From Co-Ed Magazine

Here are ten points to consider when you think of buying something on credit:

1. Do you feel you're sufficiently mature and responsible to assume a debt?
2. Is there an alternative to using credit?
3. To whom will you owe the money?
4. Will the item you buy serve you for several years or at least a practical length of time?
5. Will you be able to afford time payments and still have enough money for fixed expenses and the unexpected?
6. What per cent of your monthly income will the payments be?
7. How many payments will you have to make?
8. What will the exact credit charges be?
9. What will you have to sign?
10. Do you realize the importance of keeping your financial reputation spotless by repaying loans promptly?

If you can answer all of these questions and honestly believe that you will be able to carry out your end of the bargain, then go right ahead and buy on credit. But be positive before you jump into something as new as this to you. It could possibly mean how well you may do in your future business life.

A lady was entertaining her friend's small son.

"Are you sure you can cut your meat?" she asked, after observing his struggles.

The lad replied without looking up, "Oh, yes. We often have it as tough as this at home."

The Revolution In Mathematics

By Mrs. Alvin Redin

Mathematics may be described as the study of number and space. The study of number became arithmetic, algebra, and analysis. The study of space became geometry. In the study of number, we see that we no longer have just one number system. We have many number systems. The pluralization of the concept of number system developed in two ways.

At first the only numbers known were the **natural numbers**, used for counting (1, 2, 3, etc.). The requirements of measurement led to the introduction of **rational numbers** (3/5, 7/8, 1/2, etc.).

Geometric theory led to the introduction of **irrational numbers** (sq. rt. of 2, etc.). Algebraic theory led to the introduction of negative numbers (-2, -10, etc) and complex numbers (sq. rt. of -3).

We see that the expansion of the number system has given us number systems, one within the other. We have the natural numbers within the system of integers (both positive and negative numbers), within the system of rational numbers, within the system of real numbers (which include the irrational numbers within the system of complex numbers).

The new texts for adoption within the next few years will have many new ideas for the students. Some schools have bought their own mathematic books so that their students could have the new texts without delay.

Shrinks Hemorrhoids Without Surgery

Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while actually relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation 1234. At all drug counters.

DO STICKER SHOPPING EARLY
Col. Homer Garrison, jr., Director of the Texas Department of Public Safety, today urged Texas automobile owners to "do their shopping early" this year to reduce the last minute rush for inspection stickers.

All vehicles coming under the provisions of the Texas Vehicle Inspection Act must secure the 1963 inspection sticker by April 15, 1963. After that date, vehicles not displaying the new inspection sticker will be operating in violation of the law and the operators of those vehicles will be subject to arrest, Garrison said.

He reported that approximately one half of the inspection period has expired and about one fourth of the vehicles on the state have been inspected. Unless the number of inspections is increased appreciably soon, he added, long waiting lines will be forming at inspection stations as the April 15 deadline approaches.

"There are approximately 5,000 authorized inspection stations in the State and they are ready and capable of handling this inspection of all vehicles without delay if the owners of uninspected vehicles do not wait until the last few days before the deadline."

Cakes, Candles, Commemorations Light March of Dimes 25th Year

Throughout the nation this month, candles will be lit on birthday cakes to symbolize the 25th anniversary of the March of Dimes.

The cakes will range from real ones of conventional size to monster, multi-tiered models as much as 12 feet in height and 10 feet in diameter—the approximate dimensions of the one to be erected in New York City's famed Times Square. Guests at anniversary events around the country, where cakes will be of more modest proportions, will be invited to decorate them with coins for the March of Dimes.

Many "parties" commemorating a quarter of a century of disease fighting will be held at special treatment centers for birth defects, arthritis and polio which March of Dimes contributions are financing today in more than 40 cities across the U.S. Other gatherings will be held in county chapter offices of The National Foundation-March of Dimes, in the homes of volunteers and elsewhere.

In many instances, guests at these campaign "kickoffs" will include governors or their wives, mayors and outstanding authorities in health fields. Other guests will be Americans of all ages who received March of Dimes aid during and after polio epidemics and outbreaks. Also present will be children and adolescents with birth defects or arthritis who have been treated at these March of Dimes centers.

To raise the millions required every year for patient aid and research in birth defects, arthritis and polio, each March of Dimes campaign is carefully planned many months ahead. There are millions of contribution envelopes and coin collectors to be distributed around the nation; hundreds of thousands of posters to be erected in every hamlet, town and city; two million volunteers to be organized for the Mothers' March (the climax to the campaign at the end of January), and March of Dimes films to exhibit to explain the work of the voluntary health organization.

Arrangements must be completed for the visit in January of the National March of Dimes

Jimmy Boggess, 5, of Coy, Ark., the 1963 National March of Dimes Child, blows out candles on birthday cake symbolizing first 25 years of aid to the crippled by the health organization.

Child—who this year is Jimmy Boggess, 5, Coy, Ark.—with President Kennedy at the White House and with various Senators and Congressmen and other dignitaries as well as with personalities of the stage, screen and television.

Special events for the March of Dimes are staged in all the big cities, many lesser ones and in some small towns. These include March of Dimes bowling tournaments, with "roll-offs" to select a national man or woman champion, fashion shows, auctions, telegrams, Coffee Days, Tag Days and street sales, neighborhood bread sales, air-lifts and a long list of sports activities.

The theme of this 25th Anniversary March of Dimes,

which is "Give for the Life of a Child," will be stressed in all these special events, and the story told of the first 25 years of the organization. Highlights of that story are:

Patients aided, 338,000; expended for the medical care program, \$385,500,000; for scientific research, \$73,600,000; and for professional education, \$38,000,000.

Basil O'Connor, president of The National Foundation-March of Dimes, referred in a recent speech to the 25th anniversary of the health agency. "Most certainly we take pride in our past 25 years, and we rejoice. But deep down we really think of that quarter of a century as only the spring-board for our future."

L. W. Francis observed his 72nd birthday on Monday. Several of the children who are local residents enjoyed dinner with their parents.

Mr. and Mrs. Glen Lindsey were in Amarillo Monday afternoon.

Mrs. Maxine Morris and Mrs. Edwin Dickerson took their sister, Bonnie Waters, to Lubbock on Wednesday of last week where she explained for Yuma, Arizona, where she teaches, after having spent the holidays with local relatives and her father, Walter Waters.

Mrs. E. C. Newman visited her sisters, Mrs. Elma Baker and Mrs. J. H. Lovett in Plainview Monday. Mrs. Lovett has been a patient in a Plainview hospital since Sunday afternoon.

Wade Steele underwent surgery

at Methodist Hospital in Lubbock on Thursday of last week, and is thought to be recuperating satisfactorily. Mr. and Mrs. Louie Kitchens, Mr. and Mrs. J. Lee Francis, Mr. and Mrs. Alton Steele, other relatives and friends have been in Lubbock with Mrs. Wade Steele although few were allowed to visit with the patient.

Mrs. Clyde Lightsey and Mrs. Ben Bingham have been patients in the Tullia hospital since Friday of last week.

Shellie Tamlin spent Saturday night in the Lockney Hospital.

Capt. Charles Travis Holt left here by car January 2 enroute to New York, from where he will leave soon for Kirehgoons, Germany. He, his wife and son, Mike, have been visiting relatives here for a month. Mrs. Holt and Mike expect to join him in Germany in the near future. They are staying with Mr. and Mrs. C. A. Holt now and plan to visit relatives in Amarillo and Hart.

Mr. and Mrs. Norman Strange, Kay, Diane and Bill hosted a family reunion for the Strange family recently. Those attending included Mrs. Bryan Strange, Mr. and Mrs. Jack Strange and Donald, Mr. and Mrs. Fred Strange, Mr. and Mrs. Fred Brannon, and

families, Silverton; Mr. and Mrs. Ben Fowler and family, Hereford; Mr. and Mrs. Tommy Strange and children, Sherman; Mr. and Mrs. Ted Strange and children, Dimmitt.

A family reunion and dinner was enjoyed recently in the home of Mr. and Mrs. C. A. Holt for her brothers and sisters. Those attending were Mr. and Mrs. J. I. Sampson, Wichita Falls; Mr. and Mrs. Glen Warren and daughter, Houston; Mr. and Mrs. Lile Bunch and Mrs. Faye Ward, Amarillo; and Capt. and Mrs. Charles Travis Holt and Mike. The entire group enjoyed dinner and a gift exchange in the Norman Strange home.

Mr. and Mrs. Ben Whitfill, Mr. and Mrs. Norman Strange, Mr. and Mrs. Fred Mercer, Ann Wingo, Dale Francis and Mike Mercer were among those from Silverton who attended the Cotton Bowl game in Dallas on New Year's day.

Recent visitors with Mr. and Mrs. W. R. Hardin were Gene Hardin of Dallas; Mr. and Mrs. Arlas Cavett and sons of Andrews; and Mr. and Mrs. Buck Hardin and children.

Mr. and Mrs. W. R. Hardin visited her sister, Mrs. Bob Hale, in Crosbyton Sunday afternoon.

Mrs. Lily Wofford spent the New Year holiday in Grand Prairie with her sister-in-law, Mrs. John Kitchens, who formerly lived here.

Mr. and Mrs. J. A. Petty have returned to their home at Bomarton Arizona, after a visit here with their daughter and family, Mr. and Mrs. Gerald Arnold.

A message from the Treasury of a free people

How to put your name on a Freedom Document

Most of us have deep beliefs in the things America stands for . . . the freedoms that 56 men signed into existence 186 years ago at Independence Hall.

Those old-timers didn't have an exclusive on endorsing freedom, however. You can still put your name on a freedom document by buying U.S. Savings Bonds.

The money you put into Savings Bonds helps build Uncle Sam's financial strength, an important asset in furthering the causes of freedom wherever men want to be free on this globe of ours.

This money also helps build your own financial strength. And frankly, the more living comfort you have, the higher your living standard, the better you demonstrate one of the advantages of being a free people.

Tens of millions of American families use U.S. Savings Bonds as a way to save for the future and help their country now. How about adding your family to the roster?

Keep freedom in your future with

Recent visitors in the home of Mr. and Mrs. Pete Chitty were Mr. and Mrs. Dick Guest and children of Lubbock. Troy Chitty of Idalou; and Mr. and Mrs. John Schott of Canyon.

A. E. Smith is a patient in room 420 of the Methodist Memorial Hospital in Lubbock. He expected to undergo surgery Thursday morning. He had been a patient in the Lockney Hospital several days before being transferred to Lubbock. Mrs. Agnes Bingham and Jim Brooks took Mr. and Mrs. Smith to Lubbock and Mrs. Smith and five of their nine children are with him.

WORRIED? NERVOUS
Over Change-of-Life?

Don't dread those seemingly endless years of misery and discomfort, of sudden hot flashes, waves of weakness and irritability. There is a special woman's medicine which can relieve those heat waves, weakness, nervousness, so you can enjoy life again. So that you can once more be an affectionate wife and mother.

If you are going through the change, don't despair. Do as countless thousands of women

The gentle medicine with the gentle name **LYDIA E. PINKHAM**

do—take a special woman's medicine—Lydia E. Pinkham Vegetable Compound—developed by a woman—specially to help women by relieving such functionally caused female distress.

In doctors' tests woman after woman found that Pinkham's Compound gave dramatic help to all this without costly shots. Irritability is soothed, hot flashes subside. So don't sit and brood and feel unable to help yourself. You can feel better. Get gentle Lydia E. Pinkham Vegetable Compound today.
