All Around the Town
by Mary Ann Sarchet

I'd like to call your attention to something special this week. The Search of the Castaways will be showing at the Arena Drive In Sunday (June 30) and Monday (May 1) nights.

This is a Walt Disney production, and that is probably enough said for most movie-goers. However, this adventure story, filmed in beautiful color, provides an evening of entertainment for the entire family. We saw it several months ago, and heartily recommend the picture to you.

We ask that the local merchants not forget to fly their flags on the Fourth of July. A good number of flags flew on Memorial Day, and we hope to see even more of them out next Thursday.

Most of the merchants are planning to be closed on the Fourth of July, but since it falls on a Thursday, your News office will be open.

If you take a trip on the Fourth, drive carefully. We don't want to lose a single one of our readers.

USDA Reviews Program Provisions For 1963 Wheat Crop

College Station, June 24—The wheat program for 1964 under provisions of existing law are reviewed by the U. S. Department of Agriculture in response to questions that have arisen since the referendum of May 21.

Price support will be available to producers who plant within the acreage allotments which have been established for 1964 wheat crop. Allotments were announced in April. The national average support price will be 50 percent of parity. (The present parity price is \$2.51 per bushel.) There will be no marketing quota penalties for planting in excess of average allotments. However, the statute provides that producers who overplant their allotments will receive "history" credit only in the amount of their allotments.

Farmers who have Conservation Reserve contracts agreed to plant within their farm acreage allotments, and this means that the 1964 Conservation Reserve payment for the farm is dependent on compliance with the wheat acreage allotment.

Wheat that was grown in excess of marketing quotas in the past will be subject to the original penalty provisions until July 1, 1964. After that date, stored excess wheat may be released without penalty. The amount of such wheat in storage on farms and in warehouses is estimated at 45 million bushels. This could be increased from the 1963 crop, which is subject to marketing quotas, and excess wheat from this crop may be stored by the producer to avoid payment of the penalty. On the other hand, underplanting or under production of 1963-crop wheat could result in the early release of excess wheat that had been stored from previous crops to avoid payment of penalty.

Other items of interest to growers in administration of the 1964 wheat program without marketing quotas include:

—ASCS county committees will hear all appeals of 1964 farm wheat acreage allotments. Farmers have 15 days from the date of the county committee's decision to appeal to the ASC State Committee if they do not agree with the county committee decision.

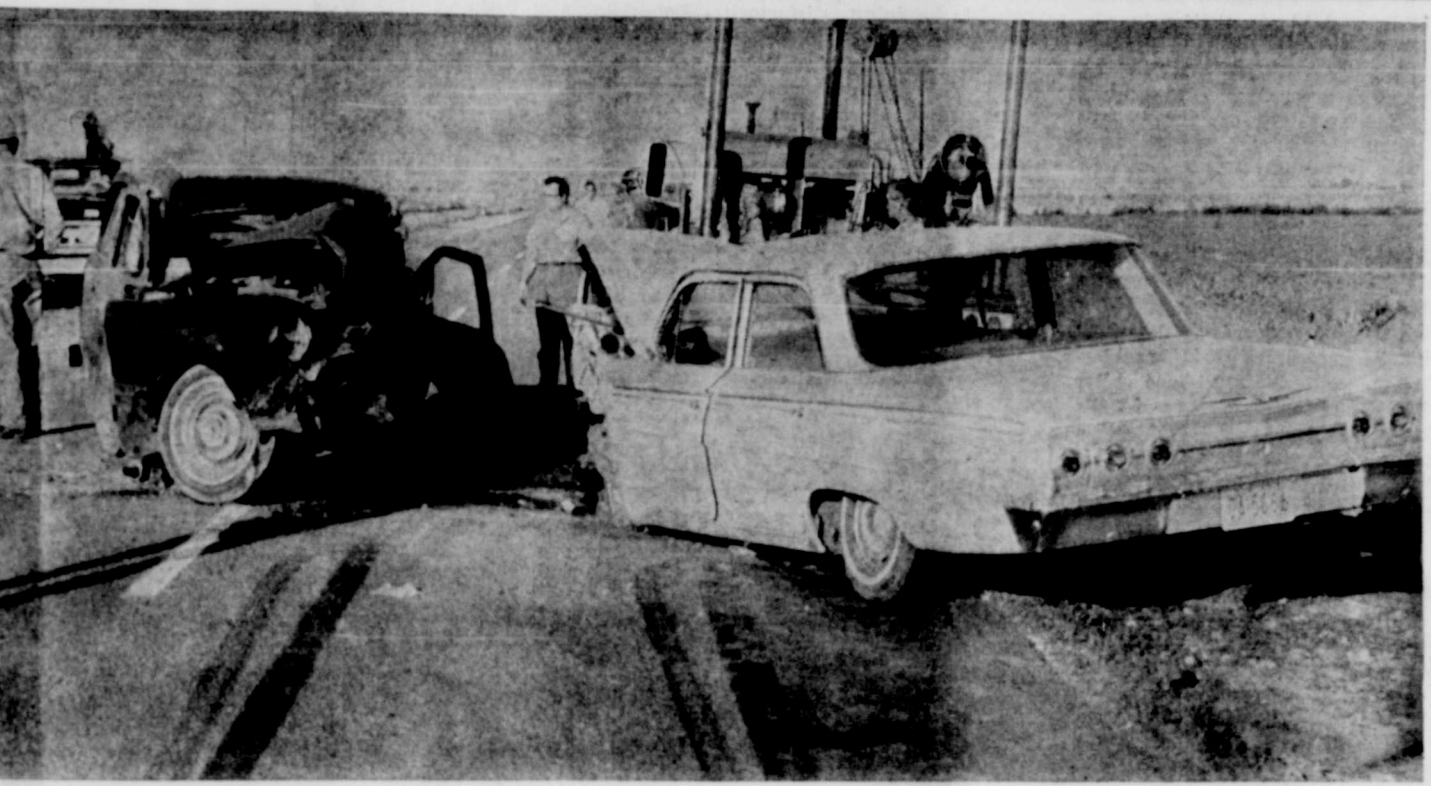

—Hearings on appeals of farm normal yields will not be scheduled because the yield figures will not be applicable for 1964. Where producers wish to furnish proven yield data, such data will be filed in the county office with other records of that farm.

Mrs. Florence Fogerson and Mrs. Ware Fogerson attended the funeral service for Claude Money, 20, in Canyon Tuesday afternoon. Survivors included his parents, Mr. and Mrs. Bill Money of Canyon; a sister, Mrs. Lonnie Woody of Dumas; and a grandmother, Mrs. Elsie Money of Canyon. Bill Money is a nephew of Mrs. Florence Fogerson.

BRISCOE COUNTY NEWS

THURSDAY, JUNE 27, 1963 Silvertown (Briscoe County) Texas VOLUME 55 NUMBER 26

Screwworm Drop Made In Briscoe County

A San Antonio man and his family were riding in the vehicle pictured left when their left front tire blew out causing the car to swerve into the oncoming lane and collide with the automobile on the right driven by Mrs. Savannah Richardson of Tulia. Tenorio was pinned in the wreckage and could not be removed from the car until two wreckers pulled the front portion of the vehicle off his legs. He suffered a compound fracture of the left leg in addition to other injuries and died shortly after his arrival at Swisher County Hospital.

Prompt action is being taken to lessen the outgrowth of screwworms in a section of Briscoe County through the dispersion of sterile male flies.

A confirmed case of screwworms collected on Friday was confirmed at the Mission Laboratory and was reported to County Agent Leon Grosdidier on Monday of this week. A "fly drop" was made on Wednesday.

The cooperation of Johnnie Burson and all other livestock producers is highly appreciated in that the effectiveness of saturating these isolated cases of screwworm outbreaks is more successful.

"All producers are urged to submit suspected larvae to the Mission Laboratory," said the county agricultural agent today. "Collection bottles and information sheets are available at my office. Other places to pick up these sample bottles will be made available in the near future."

Immediate treatment of all wounds regardless of cause is of major importance in the control and eradication of the screwworm.

Please notify the county agent of samples being sent to the laboratory, so the coordination of the control program can be more swiftly carried out.

Rainbow Girls Report Contribution of Hose

The Silvertown Rainbow Girls have expressed their appreciation to those who so generously donated their worn out nylon hoisery during their drive recently.

The result was 1800 hose for the Rehabilitation Hospitals of Texas. Each Rainbow Assembly in Texas does this all year as a project. The hospitals depend almost entirely on the Rainbow Girls for their used hoisery for stuffing toys, pillows and physical therapy.

A record is kept of the amount of hoisery sent in by each chapter and in June of each year the chapter which has contributed the most is announced.

With such a great start on the new year, Silvertown Rainbow Girls have high hopes of Silvertown's being the winner next year. The project costs little, as postage on the hoisery is very little, and it does help others, which is one of the purposes of Rainbow.

At any time in the future when you have worn out hoisery, please tell a Rainbow Girl or call Mrs. Doyle Stephens, and they will be happy to come to your home for it.

Max Garrison Attending 4-H Council Workshop

Max Garrison of Silvertown is one of the 29 top 4-H young people in the state attending the Texas 4-H Council Workshop at Houston this week, it was announced by W. H. Jones and Mrs. Aubrey W. Russell, district agents for this Agricultural Extension District.

The five day workshop is the only full meeting of the council, a group which includes a boy and a girl from each of the 12 agricultural districts in Texas. In addition, the council has five officers. The purpose of the council is to promote and coordinate 4-H Club activities on a statewide basis.

Swisher Rodeo Folders Available

Swisher County Activities Association has announced the 17th annual amateur rodeo with performances nightly at 8:00 o'clock on July 17, 18, 19 and 20.

Ratjen Rodeo Company of Happy is producer of the event. Headquarters is at Swisher County Electric's Willie Room.

The show is for non-professional performers only. Entry fees may be mailed to Dick Ratjen, Happy.

Events will include saddle bronc riding, bull riding, calf roping, bulldogging, heading and heeling, and the cowgirl sponsor contest. A saddle will be given to the champion (best average) in each of the events. A folder containing complete information and rules is available from Ratjen Rodeo Company, Happy, Texas.

4-H Dress Revue To Be Held Saturday

Briscoe County's annual 4-H Club Dress Revue and Achievement Program will be staged at the Silvertown High School on Saturday, June 29. Judging will begin at 9:00 a.m. and a public revue will be held at 3:30 p.m.

Mrs. Alva C. Jasper, Mrs. Jack Sutton, Vici Jasper and Cynthia Sutton will serve on the publicity and script committee for the Dress Revue.

Mrs. Lonnie Drewry, Rhonda Drewry, Mrs. Don Garrison, Raye and Roy Garrison will serve on the modeling and dressing room committee.

Mrs. Louie Kitchens, Mrs. Neville Muckleroy, Mrs. Pascal Garrison, Connie Dudley and Laqueta Bomar will serve on the program and decoration committee.

Jowell Listed On WTSC Spring Honor Roll

William E. Jowell of Silvertown was one of 84 students at West Texas State College listed by Dean Walter H. Juniper on the spring semester honor roll.

He was also one of 11 who compiled a perfect 3.00, or straight "A" average in all work. The honor list includes undergraduate students with at least a 2.50 grade point average in at least 15 semester hours work.

A senior agriculture major, Jowell is the son of Mrs. John E. Jowell of Silvertown. He is a 1949 graduate of Silvertown High School.

Last Rites At Tulia For Brother Of Mrs. Roy Mayfield

Final rites for S.Sgt. Benjamin L. Hancock, U. S. Army, who died Monday, June 17, at Fort Stewart, Georgia, were conducted at 2:30 p.m. Saturday at the Wallace Funeral Chapel in Tulia.

Military honors were provided by Amarillo Air Force Base personnel, and burial was in Rose Hill Cemetery at Tulia.

Mr. Hancock, who was 48 years old, died at the Georgia installation after an apparent heart attack.

A native of Tulia, he was born July 18, 1914 in Clarendon. The family moved to Tulia when he was a year old.

He was the son of Mr. and Mrs. A. M. Hancock.

He had been in the Army almost 20 years, and was a veteran of World War II and the Korean Conflict.

Mr. Hancock was survived by two brothers, Fred Hancock of Plainview, and Richard Hancock, of Bakersfield, California; five sisters, Mrs. John Whitten, Miss Laura Hancock and Mrs. Cora Pearson, all of Tulia, Mrs. Roy Mayfield of Silvertown, and Mrs. Billie McDaniels of Amherst.

Among those who attended the funeral from Silvertown were Mr. and Mrs. Joe Wayne Brooks, Joe Brooks, Mrs. Bern May, Mrs. Albert Mallow, Mrs. D. Oneal, Mr. and Mrs. A. Deisher, Mrs. O. S. Fitzgerald, Mrs. George Martin, Mr. and Mrs. Ashel McDaniel, Nena Kay and Elaine, Mrs. Cross McDaniel, Bob Dickerson, Mr. and Dick Mayfield and Mr. and Mrs. G. Mayfield.

Members of the Tornados are Taylor Webb, Joe Self, Greg Towe, Charles Baker, Eddie Baker, Ronnie Brown, Walter Dunham, Lynn Frizzell, Buddy Comer and Mitchell McDaniel.

The list of players on the John Deere team was not available at press time. According to Fred A. Strange, all other boys who signed up to play Pony League ball will be members of the John Deere team.

Savings Bonds Sales Total \$3,131 in May

Bond sales in Briscoe County totaled \$3,131 during May, according to Perry Whittemore, Chairman of Briscoe County Savings Bonds Committee.

To date, sales in Briscoe County have totaled \$41,997 in 1963, accounting for 41.9% of the yearly goal of \$80,000.

Savings Bonds sales in Texas during the month of May were \$11,844,620. This represents an increase of 3% over May 1962.

Jerry Williamson Awarded Academic Scholarship

Jerry Williamson of Silvertown is one of 20 upperclassmen at Wayland Baptist College to whom academic scholarships have been awarded for 1963-64, according to Dean Maurice J. Sharp. Williamson is a 1962 graduate of Silvertown High School.

The son of Mr. and Mrs. Bill Williamson, he is a sophomore and is attending summer school. He is majoring in English and minoring in journalism.

Wayland students who have high scholastic records have the privilege of applying to the Scholarship Committee for an academic scholarship. Their academic averages and their contributions to student life are then taken into consideration.

During 1962-63 Williamson was a holder of an academic scholarship. He is on the campus newspaper staff and next year will serve as publicity director of Texas Student Education Association. On Recognition Day Williamson was awarded the Sigma Tau Delta Freshman Medal for creative writing.

Automobile Crash Takes One Life

Julian Tenorio, 41, of San Antonio, Texas, was killed, his wife seriously injured and his nine children injured in a two-car collision one mile west of the Rock Creek Store west of Silvertown on Wednesday of last week.

Two ambulances and a private automobile were used to take the injured to hospitals.

Mrs. Tenorio was taken to the Plainview Hospital where she was listed in a serious condition. She is reported to be improving. Two of the children, Frank, 4, and Angelita, 11, were hospitalized at Tulia. The boy suffered head injuries, and his sister had a jaw injury.

The other children, Julian, jr., 14; Felipe, 7; Ortensia, 12; Amando, 6; Juan, 3; Pedro, 2; and Alferdo, 1 were treated and released from the hospital the same day. A Tulia family has been caring for the children while their mother has been in the hospital.

Highway patrolman Don Black said the Tenorio car had a blow-out, swerved into the other lane of traffic, and collided head-on with a car driven by Mrs. Savannah Richardson, 62, of Tulia.

Mrs. Richardson was treated for two broken ribs and chest injuries at Swisher County Hospital.

Tenorio's body was taken to Roberts Funeral Home in Quitaque, and was later removed to San Antonio for funeral and burial.

Highway Patrol Investigated Four Accidents In May

The Highway Patrol investigated four rural accidents in Briscoe County during the month of May according to Sergeant W. E. Wells, Patrol Supervisor of this area.

These wrecks accounted for four persons injured and property damage in the amount of \$2,750.

The rural accident summary of Briscoe County from January through May of 1963 shows a total of nine crashes resulting in 10 persons killed, five persons injured and an estimated property damage of \$4,125.00.

Beth and Jerry Dee Franklin of O'Donnell spent several days recently in the home of the grandparents, Mr. and Mrs. J. M. Thompson.

Dr. Roy C. McClung will be inaugurated as Wayland's eighth president on October 8. Indications are that the 1963-64 session will have a record enrollment as reservations continue to run in excess of a 10 per cent increase over the record-breaking 1962-63

session. Wayland students come from around the world, including most of the 50 states.

Dwight Rampley Attending Summer Institute

Dwight Rampley left by bus on June 16 to attend the Junior Engineers' and Scientists' Summer Institute that is currently being held on the campus of the New Mexico State University.

JESSI is a two-week exploratory and orientation session in the science and engineering areas of learning. It is an activity designed to give interested 11th and 12th grade high school students an academic insight into the pure and basic applied sciences, and some knowledge of the study programs and career opportunities in the science and engineering fields.

The scientific and technical personnel of White Sands Missile Range, New Mexico, are cooperating in the program and one of the highlights of the session is a trip to the proving grounds, where students see first-hand applications of the basic sciences and engineering to missile testing and range operation of the scheduled missile firings.

STATE CITATION ART EXHIBIT TO BE SEPTEMBER 14 - 15

Women of the Democratic Party in Texas will sponsor a State Citation Art Exhibition September 14 and 15 and will give scholarship and merit awards to the outstanding entries.

The exhibition will be held at the JAL Ranch in Alvarado and a \$500 scholarship award to be used for advanced study in any of the visual arts will be presented by Governor John Connally on behalf of the women of Texas' Democratic Party.

Elimination contests will be held during June, July and August in each of the 31 senatorial districts in Texas under the direction of the State Democratic committee women representing the districts.

"The purpose of this competition is to encourage young people to become more aware of the tradition of the great heritage of Texas. The women of the Democratic Party of Texas are sponsoring this exhibit and competition in accordance with Governor Connally's emphasis on excellence in education," said Mrs. Alfred Negley, vice chairman of the SDEC.

Mrs. Negley said the Democratic women selected to initiate the con-

test in May as it is the birth month of the Democratic Party. "At this time we are emphasizing a program to give credit and help to one of our most valuable resources—talent, which is, and will be an asset to our state and nation," she said.

All entries must have been executed within the past two years and must be accompanied by a sketch evidencing ability in sub-junctive delineation. Work done under supervision is not eligible.

Media to be considered are oils, pastels, tempera, casein, water color, drawings in pen and ink, pencil or charcoal, and mixed media.

The scholarship division of the judging is open to high school students from the ninth through the twelfth grades, including 1963 graduates.

Each district may submit its four top entries to be judged in the Scholarship award division and its top two entries for judging in the merit division at the state level. The state jury will consist of three recognized critics of the visual arts.

Three dollars must accompany each entry unit from the district to cover return shipping costs.

Each unit will be limited in size to 16x20 inches, maximum inside frame measurement. Title of the picture, full name and address, and a biographical sketch of the entrant's previous training in art must be attached to the back of each picture.

To make plans for the competition, 20 Democratic women from the 15 counties comprising the 30th district attended a luncheon recently at the Elm Tree Inn in Tulia. Mrs. Wiley Bullock, district committeewoman of Muleshoe, was in charge.

Those present for the luncheon included Mrs. Ben Whitfill of Silverton; Mrs. John Coleman of Wellington; Mrs. Bullock of Muleshoe; Ann Wilson Kuierim, Mrs. Floyd H. Wilson, Mrs. Dal A. Harrell and Mrs. R. C. McElroy, all of Claude; Mary S. Cooke, Frances Cooke Forrest and Helen Cooke Carr, all of Clarendon; Mrs. Ruth Barnett and Mrs. Jack Anderson, both of Hale Center; Mrs. Ray Cowser and Mrs. Louis Woodford, both of Hereford; Mrs. Andy Rogers of Childress; Mrs. F. A. Ballard, Estelline; Mrs. Leon Smith, Friona; Mrs. Ray Reiss, Mrs. Wayne Blount and Mrs. Dick O'Daniel, all of Tulia.

Pvt. Gerald Garvin, who has completed his basic training at Fort Polk, Louisiana, visited with

his parents, Mr. and Mrs. Dee Garvin, last week as he was en route to El Paso, where he is to be stationed. Pvt. Don McIntyre, son of Mr. and Mrs. Noel Deavenport of Silverton, who entered the service the same day as Pvt. Garvin, will now be stationed in Virginia, after completing his basic training at Fort Polk, Louisiana.

Mr. and Mrs. Virgil Crow, Gary and Phyllis visited Mrs. Elma Baker at a Plainview rest home Sunday afternoon. They also worked in Mrs. Baker's flower garden at her home in Plainview.

Mr. and Mrs. Daniel Bryan of Lubbock were Sunday dinner guests of Mrs. C. M. Chappell. All visited Mr. and Mrs. J. J. Vardell in the afternoon.

Mr. and Mrs. Larkin Vardell and children of Slaton spent the week end with Mr. and Mrs. R. E. Sweek and daughters. They visited his parents, Mr. and Mrs. J. J. Vardell, Sunday afternoon.

Rev. and Mrs. H. Carl Nunn and children and his niece, Linda Nunn of Sweetwater, left Monday for a vacation in the Rocky mountains. They planned to be there through July 4.

Mrs. Bud Whitfield was in Austin early last week and attended graduation services at the Department of Public Safety Academy on Tuesday morning. Her husband was a member of the graduating class. Mr. and Mrs. Whitfield spent Tuesday night here with her parents, Mr. and Mrs.

Homes Abound with Potential Poisons, AMA Official Warns

Children, supposedly "safe at home," are poisoning themselves at the rate of nearly 1,500 a day.

"When you consider that more than a quarter million home-used products on the market contain toxins, it is not difficult to understand why more than 500 children die each year from self-administered poisons," said F. J. L. Blasingame, M.D., executive vice-president of the American Medical Association.

Children are naturally curious, especially the very young ones. They are prone to stick into their mouths anything they can get in their hands. It doesn't even have to taste good or look pretty."

Most accidental poisonings occur in children under five. Two-year-olds are the most poison prone, with one-year-olds close behind. At this stage in life their curiosity is at its height and their sense of fear not yet developed, Dr. Blasingame explained.

Medicine, especially aspirin, heads the list of items children seem to like to sample, accounting for nearly half of all accidental poisonings. In fact, too much of virtually any medicine can produce serious consequences.

Among the supposed non-edibles that frequently find their way into children's stomachs are cleaning and polishing agents, detergents, shoe polish, cosmetics, waxes, insecticides, paint, turpentine, chalk, bleaches, plant foods, plaster, perfume and decorations.

Medicines account for nearly half of all accidental poisoning in United States each year. Discard unused medicine and keep rest out of children's reach.

A primary cause of such accidents, says Dr. Blasingame, is storing poisonous substances in food containers or soft drink bottles. A toddler just naturally assumes that a soft drink bottle contains a treat. He'll drink whatever he finds in it. "The facts are clear," he warned. "Between 65 and 70 per cent of all poisonings take place because an item was accessible to a child."

"If we're going to live in modern homes with modern conveniences and modern medicines, we have to develop some up-to-date standards that will make home safe for our children."

Among suggestions for lessening the poisoning hazards in the home, Dr. Blasingame suggested:

- Keep potential poisons out of reach and tightly sealed.
 - Never transfer toxic materials into household utensils.
 - Don't leave your child alone in a room in which you're working with poisons.
 - Give medicines only in a lighted room.
- If your child might have taken a poisonous substance, call your doctor for instructions at once. Don't wait to see what happens.

NEW CHEMICAL INSECT CONTROL
DEVELOPED

Olin Mathieson announced the marketing of a new early season insect control on cotton. The new chemical, called BIDRIN (R) insecticide label, was approved by the United States Department of Agriculture for use on cotton April 1, 1963.

Bidrin is a systemic insecticide. It kills some insects by contact, but its greatest asset is that it kills most sucking and chewing insects by systemic action. When Bidrin is applied to growing cotton, it is almost immediately absorbed into the plant. Its killing action to insects in the plant may last from one to two weeks. Since most of Bidrin applied to cotton plants is absorbed it is not available on the plant surface. Hence, beneficial insects develop in a normal way. In a 1962 cotton season, Bidrin was used with good results for thrip control on 1500 acres of cotton of lands of the Texas Prison Farm System.

The new chemical (dimethyl Phosphate of 3-hydroxy N, N-dimethylis crotonamide) is a water-miscible product. For foliage applications, the correct amount of technical Bidrin is mixed with sufficient water to provide uniform coverage.

For control of thrip, fleahoppers, aphid, spider mite and overwintering bollweevil, Bidrin is applied at the rate of 0.1 pound to 0.2 pound per acre of cotton. For control of lygus bugs on cotton, Bidrin is applied at 0.5 pound per acre.

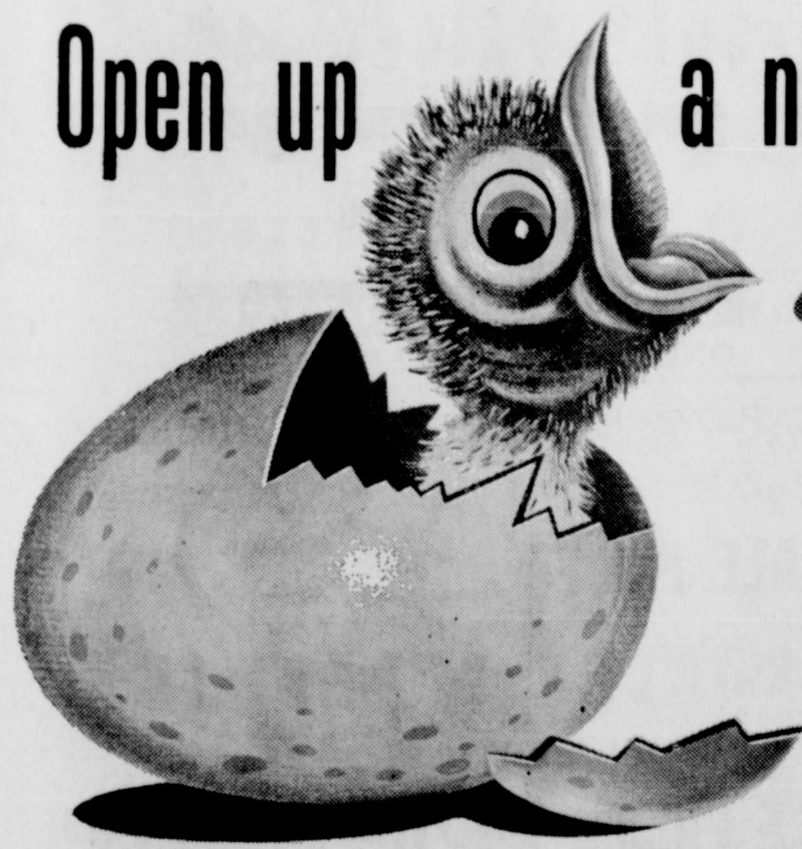

Bidrin comes packed in one quart containers, six per case. Each quart contains 1.8 lbs. of actual Bidrin and will treat 18 acres at .1 lb. per acre or 9 acres at .2 lb. per acre.

COST OF CHEMICAL 70c PER ACRE.

We have dry fertilizers and an applicator as well as anhydrous ammonia ready for your wheat land.

The Interstate Highway System in Texas is being blessed with large, elaborate Safety Rest Areas for the safety and convenience of Texas travelers. Motorists can now relax and refresh themselves in the first of these rest areas (roadside parks) designed and built on the Interstate Highway System in Texas. This new rest area contains eight arbors equipped with fire places for family cooking, incinerators, fire wood, and big spacious tables and benches for picnicking. The "park" lies on a small knoll ten miles east of San Antonio on Interstate Highway 10 and was formally dedicated May 29.

Cancer Unit Holds Election of Officers

The Briscoe County Unit of the American Cancer Society held its annual meeting and election of officers Monday afternoon at 3:00 o'clock in the community room of the Plainview Production Credit office building.

The membership of the local unit is made up of the persons who have made contributions to the Society this year.

Mrs. Bill Verden was elected to head the Briscoe County unit during the coming year. As president she will be the chief administrative officer of the unit and will preside at the meetings of the Board of Directors which will be held on September 16, 1963; November 18, 1963; February 17, 1964; and May 18, 1964.

Jimmy Davidson of Quitaque was elected vice president of the local unit. His duties will be to assist in the organizational, educational and fund raising programs of the Unit.

Mrs. Jimmy Scott Whitfill was elected secretary of the Unit. Her duties will be to prepare and forward notices of the meetings to the members of the Board of Directors and to mail them out five days in advance of each meeting. She is required to keep minutes of the meetings of the Board of Directors and to forward a copy of the minutes to the Division office in Austin.

H. B. (Doc) Simpson was elected treasurer of the Unit, and will serve as the chief financial officer, charged with safeguarding the money collected by the Unit. He will be responsible for the receipt and deposit of the funds of the Unit and the proper disbursement of the funds.

There are several standing committees, each headed by a member of the Board of Directors of the local unit. Dr. Neville Muckleroy was elected to head the Medical Committee; Mrs. Neville Muckleroy is the Service Committee chairman; Mrs. Dee McWilliams is the chairman of the Education Committee; W. A. (Bill) Griffin of Quitaque is chairman of the Fund Raising Committee; Mrs. W. E. Schott, jr., was elected to head the Memorials Committee; and Mrs. Charles Sarchet is the Publicity Chairman.

Pvt. Dale L. Smith

Pvt. Dale L. Smith, son of Mr. and Mrs. Gerald Smith of Quitaque, is presently taking his basic training with the U. S. Armed Forces at Fort Polk, Louisiana.

Pvt. Smith entered the service on May 8, 1963, and expects to be sent to Fort Jackson, South Carolina, when he finishes his basic training.

His address is Pvt. Dale L. Smith, US 54327962, Co. H 2nd. Tng. Regt. (BCT), Platoon No. 1, Fort Polk, Louisiana.

Mr. Griffin will be the County April Crusade Chairman again this year, assisted by the L.O.A. Junior Study Club, which was elected to direct the Crusade in Silverton, and Jimmy Davidson, who

was named to direct the Quitaque Crusade in April.

The delegates selected to attend the district meeting in Quanah on October 2, are Mrs. Verden, Mrs. Witfill, Mr. Simpson, Mr. Davidson and Mrs. McWilliams.

Mrs. Schott was elected delegate to the state meeting of the Texas Division of the American Cancer Society in Houston November 14-15. Mr. Griffin was elected the alternate to the state meeting.

Joe Bob Johnson, field representative of the District 3-South Office in Lubbock, presided at the election of officers.

Mr. and Mrs. Bill Hale are parents of a baby boy born in Swisher County Hospital at Tulia at 1:20 a.m. Monday, June 24.

He has been named Tommy Holman.

The Hales have two other sons, Billy Frank and Jimmy Joe.

Grandparents are Mrs. Mae Holbrook of Byers; Albert Hale of Walters, Oklahoma; and Mr. and Mrs. Fletcher Cowart of Turkey.

HIGH SCHOOL SPEECH WORKSHOP PLANNED AT WEST TEXAS STATE COLLEGE

The Department of Speech of West Texas State College is accepting enrollments in its fourth annual High School Speech Workshop. The Workshop was organized at the request of speech teachers and administrators in the area who were anxious to have their students get some training and participation in various speech activities, especially Interscholastic League events. Many of the stu-

dents who attended last year's Workshop won awards in the Interscholastic League District, Regional and State contests this spring.

The Workshop is conducted by the members of the faculty of the Department of Speech under the direction of Dr. Crannell Tolliver, Chairman of the Department of Speech. William A. Moore is the Director of Dramatics and

is assisted by his wife, Margaret Echols Moore, in directing the play which the students majoring in dramatics will present on Friday, July 12 at 8:15 p.m. Dr. Wendell Cain and Dr. Jack Walker will conduct classes in various areas including Prose and Poetry Reading, Persuasive Speaking and General Speech Improvement. Dr. Tolliver will be in charge of Debate assisted by Mr. Gene Lewis. Mrs. Mary Jo Onracek of Dalhart and Mr. Erin Wertenberger of Hereford will be graduate assistants.

All classes will be held in the air conditioned Fine Arts Building. Many social events are being planned with a very special party for July 4.

Last year forty students representing fourteen high schools in Oklahoma and Texas enjoyed two weeks of fun and fellowship and accomplished some great improvements in the various areas

Mr. Customer
Silverton, Texas

Dear Mr. Customer:

This is the time for summer vacations and holiday trips. May we urge you to "Drive for a Safe Holiday."

Driving can be enjoyable for you and all the family! Even if you're not planning a long weekend away from home, you will probably use the car around the neighborhood . . . to visit friends, go shopping, drive in the country, etc. That's what your car was made for — to serve you.

To help you get the most enjoyment from your motoring, discuss the following suggestions with your family and friends. Practicing these tips will help you and others enjoy your vacation and holiday driving.

PLAN A SAFE DRIVE Allow plenty of time for your holiday travel. On long trips make frequent stops. Arrive relaxed.

BE SURE YOUR CAR IS SAFE Drive with good tires . . . properly adjusted brakes . . . lights and turn signals operational . . . windshield wipers functioning properly.

USE SEAT BELTS Whenever and wherever you drive. Seat belts are "Circles of Safety" for you and your family.

USE COURTESY ABUNDANTLY Resolve to make courtesy your code of the road. It pays!

BE ALERT TO HAZARDS Drive in keeping with road, weather and traffic conditions. Remember, most holiday accidents involve drinking and speed too fast for conditions.

WATCH OUT FOR OTHERS Make allowances for unpredictable driver and pedestrian actions. Give yourself and others an extra margin of safety.

Our best wishes for safe and pleasant holiday motoring to you and your family this summer.

Cordially yours,

FAVER - RHODERICK VOWS EXCHANGED AT HALE CENTER

Mrs. Don Thomas Is Shower Honoree

Mrs. Don Thomas, nee Miss Judy West, was honored with a bridal shower on Friday, June 21, in the home of Mrs. Doyle Stephens.

Members of the receiving line were Mrs. Stephens, the honoree, her mother-in-law, Mrs. Perry Thomas, jr., and Mrs. Perry Thomas, sr., grandmother of the bridegroom.

Mrs. Shafe Weaver presided at the guest registry, while Mrs. Luke Thompson directed them to the gift display rooms.

Refreshments were served by Mrs. C. L. McWilliams and Mrs. Floyd Williams. A centerpiece of pink roses and white bells embossed with the names of the couple decorated the serving table.

Hostesses for the shower were Mrs. Jack Stafford, Mrs. Luke Thompson, Mrs. C. L. McWilliams, Mrs. Shafe Weaver, Mrs. Floyd Williams, Mrs. Olos Chitty, Mrs. T. T. Crass, Mrs. Bob McDaniel and Mrs. Robert Caraway.

Mrs. Thomas received a nice array of dinnerware, stainless steel and linens for their home in Mississippi, where her husband is stationed at Keesler Air Force Base.

Young Adults Class Has Ice Cream Party

The Young Adult Class of the Silvertown Methodist Church had an ice cream supper at the church on Thursday, June 20.

Those attending were Mrs. Steve Scott, Mr. and Mrs. Kenneth Stephens, Mr. and Mrs. Gene Morris, Mr. and Mrs. Pat Northcutt, Mr. and Mrs. Donnie Perkins, Mr. and Mrs. George Miller, Rev. and Mrs. H. Carl Nunn.

The second part of "How Our Bible Came To Us" was shown.

The Briscoe County 4-H Camp will be July 5-7 at Ceta Canyon. The cost for each 4-H Club member will be \$8.00. All 4-H'ers who would like to attend should contact one of the members of the Briscoe 4-H Council or County Agent Leon Grosdidier.

Jimmy Perkins, son of Mr. and Mrs. Ott Perkins, is a patient in Northwest Texas Hospital in Amarillo. He underwent an emergency appendectomy Sunday night.

Mrs. Erma Piercy of Turkey visited Mr. and Mrs. A. L. McMurry last week.

Miss Sharon Yvonne Faver, daughter of Mr. and Mrs. C. O. Faver of Hale Center, and James Carlton Rhoderick, III, recited wedding vows Friday evening in the Hale Center Church of Christ.

The double ring service was directed by the bridegroom's grandfather, the Rev. R. E. Harrison of Wichita Falls, a retired Baptist minister. Mr. Faver gave his daughter in marriage.

Mr. and Mrs. J. C. Rhoderick, jr., of Plainview are parents of the groom, and Mr. and Mrs. J. C. Rhoderick of Silvertown are his grandparents.

Altar decorations for the wedding featured an arch of greenery, flanked by baskets of gladioli and candelabra.

The chorus of the Hale Center Church of Christ presented the nuptial music.

For her wedding the bride chose a floor length dress of embroidered silk organza over satin, styled with long petal point sleeves and portrait neckline. Her veil of silk illusion was attached to a cluster of hand fashioned satin rosebuds, and her bouquet, centered with a white orchid was arranged on a white Bible.

Attending the bride were Miss Carolyn Steen, Hale Center, maid of honor, and Miss Cheryl Faver, her sister, bridesmaid. Another sister, Janice Faver, was flower girl.

The bride's brothers, Dennis and Ronnie Faver, were candlelighters. Eddie Dale Rhoderick, the groom's brother, was ring bearer.

Serving the bridegroom as best man was Ted Hancock, Plainview, and Chuck Churchwell, Plainview, was groomsman. Jerry Crader of Lubbock and Tommy Stapleton of Plainview, ushered.

The ceremony was followed by a reception in the church Fellowship Hall.

The bride, a graduate of Hale Center High School, attended Lubbock Christian College and has been employed at Struve's Variety in Hale Center. The bridegroom graduated from Plainview High School and attended South Plains Junior College at Levelland. He is associated in business at the Hill and Rhoderick Feed Lots.

When the couple return from their wedding trip to points in New Mexico, they will be at home at the Galaxie Apartments, 612 West 8th, in Plainview.

Among those who attended from out of town were Mr. and Mrs. J. C. Rhoderick and Mr. and Mrs. J. W. Lyon, jr., Silvertown; Mrs. C. N. Johnson, Sammie Sue, Janis Kay and Mrs. J. W. Lyon, sr., uitaque.

Mr. and Mrs. J. L. Webb met their grandson, Taylor Webb of Russell, Kansas, in Chandler, Oklahoma, recently and brought him here to spend the summer with them.

Mrs. Durward Schmidt and Gene of Lamesa visited Tuesday of last week in the home of her parents, Mr. and Mrs. J. M. Thompson.

Buried At The Battleground

No silent grave for him — a battleground is where he is laid to rest.

They called him Reveille. He saw many a battle where his remains now lay. And great battles still are waged on this battleground.

The site is Kyle Field at College Station, Texas. It is the stadium

for A & M College, in Central Texas' Brazos County.

A "T" emblem in granite forms the marker for Reveille, who is buried beneath in a child's casket. Reveille was the canine mascot of the Aggies. He died in 1944.

tion cities, lists many fine features.

Fact of the matter is, there are so many fine features in this wonderland of lakes and hills that it's hard to relate all of them.

Perhaps Burnet's best and most accurate claim is that it has "unlimited facilities for fun". To list a few features: Burnet is located among five lakes with a total of 76,000 surface acres of water; nearby Buchanan Dam is the largest multiple arch dam in the world; Inks State Park, located on the shores of Inks lake, covers 2,000 acres; nearby Longhorn Caverns is the third largest in the world and is dramatically lighted throughout its two-mile expanse.

There are other recreational facilities such as parks and a golf course, but there also are historical sights to see. In addition to a fine museum, nearby Packsaddle Mountain was the site of the last Indian battle in Texas.

Kit Carson's Last Fight
"Kit" Carson, famous frontier fighter, had his last encounter with hostile Indians at the Battle of Adobe Walls.

Site of this battle is marked just 30 miles northeast of Stinnett, Texas, in the northern Panhandle area. Under the protective cover of the adobe walls in Hutchinson County, Colonel Christopher "Kit" Carson, commanding a few companies of U. S. Troops, bravely battled a band of Kiowa and Comanche Indians, killing over 60 braves.

Though only a highway marker remains at the site, such battles and bravery have left a greater mark in the minds of all Americans.

Texas Has The Original
An American treasure is preserved by means of a picture held in the Library of Congress.

You too can have such a picture. In fact you can take it yourself, because Texas has the original subject. It is the San Ygnacio Ranch, on the Rio Grande be-

tween Laredo and Zapata, Texas.

This little river settlement was founded in 1790 and the Spanish language is still the most prevalent.

On the ranch is a long series of buildings. All are one story structures but one. It is two stories tall with an overhanging balcony.

Ceiling beams in this stone building have the builder's name and the date of construction inscribed thereon.

You also will find nearby the old Fort San Ygnacio that was built in 1835.

Too Shifty To Trust
Many a sailor and ship place their trust in a lighthouse. But when the Aransas Pass Lighthouse was built in 1865, you can bet no one counted on the Pass moving.

However, shifting sands now have moved the Pass a mile south of the old lighthouse.

Though this old beacon has been closed since 1952, others still are in use on our Texas Gulf Coast. Some of our Texas lighthouses have been designated as museums or parks and now are

used only by sightseers.

Keep Up With The Browns
They really do it up brown—at Lake Brownwood — in Brown County — near Brownwood, Texas. And you'll get a nice brown sun-tan while you go boating, fishing or swimming at this fine lake in the northwest part of Central Texas.

There's a wonderful 538 acre public park right on the lake too. It has cabins, picnic areas, a dining room, lunch counter, grocery store dance terrace and loads of playground equipment.

Don't miss it next time you're out that way, or better still, make your friends "brown" with envy by making your next pleasure trip a Brownwood vacation.

Blanco Is A B-I-G Park!
Yep, there are 110 acres on each side of the river where you can camp, fish, swim or picnic at Blanco Park. It's located where the Blanco River crosses U. S. Highway 281 north of Lubbock.

Fish are reported to be plentiful . . . and especially tasty when cooked right there in the open. If you don't like to fish, it's a

perfect place to just rest while the kinds keep busy on the playground.

Mr. and Mrs. Glen Verden of Lakeview visited their son and family, Mr. and Mrs. Bill Verden, Debbie and Paula, Sunday after-

noon. Mrs. Kitty Lawler of Canyon and Mrs. T. C. Bomar spent most of last week in Colorado Springs with Mrs. Lawler's daughter, Mary and Mrs. O. C. Watson and family.

Chevy II Wagons—

The heft of a suitcase. The rustle of a road map. There's something about one of these spruce, surprisingly spacious wagons that can turn even the routine preparations into a happy part of your trip.

Take that old bugaboo of packing, for instance. No bother. With the kind of room you get in that easy-loading cargo compartment, you can just about toss things in any old whichway and come out with space to spare. The load won't dampen the spirits of the spunky 6-cylinder

engine either. It just hums along passing up gas pumps (there's also a choice of an even thrifter 4 in most models) like it didn't have a care in the world. Fact is, it has far fewer cares than most engines—being built with the special knack Chevrolet engineers have for dependability and ease of maintenance.

Like a car with ginger—without a lot of needless gingerbread? Your dealer's got a full line of Chevy II's to pick from. Why not drop down and check now while the trading and the traveling are especially good?

NITROMITE
82.2% NITROGEN
SIDE-DRESS
WITH THE FULL MIGHT OF NITROGEN

It's now or never for this year's cotton and grain crops. The nitrogen needed for an abundant, high quality harvest should be applied before the 12th week of growth or before the plant begins to boot or bloom. Anhydrous ammonia supplies this nitrogen in the largest quantity by volume and in the most usable form. We recommend and sell Shamrock Nitromite because we know it to be a fine brand of anhydrous ammonia, 82.2% nitrogen.

stores**

YOUR DOLLAR spent in your home community will get you just about the same size package of merchandise or service that a dollar will buy anywhere else.

But there's a **BIG BONUS** you get when you buy where you live . . . an extra reward for buying at home.

YOU DON'T ALWAYS NOTICE IT or think about it when you're buying, but it's there just the same . . . hidden in the intricacies of modern life.

IT COMES TO YOU in the form of a busier and more prosperous community . . . a place

in which you can make a better living . . . easier. This premium for buying in your own community includes better schools, stronger churches . . . and neighbors who are more able to share in the work and the expense of all community projects.

This **EXTRA VALUE** that you get for your home-spent dollar also includes greater opportunities for you and your children . . . better shopping facilities and more skilled service people conveniently at hand, and . . . most important of all, the quiet and full life that only those can know who live in a prosperous American rural community.

Midland Cotton Field Day Set

Briscoe County cotton producers, ginners and other interested persons are invited to attend a special cotton field day at the Sands Motor Hotel, on Thursday, July 18, 1963. County Agent Leon E. Grosdidier announced today. The event will be held in conjunction with the 24th annual meeting of the American Cotton Congress. The field day program, beginning at 9:00 a.m., will be devoted to discussions of research efforts designed to reduce the cost of production.

Among those appearing on the program will be Burriss Jackson, chairman, American Cotton Congress. Discussions on practices to reduce the cost of producing cotton will be presented by the following people from the Texas A & M College: Charles A. Taylor, area farm management specialist, Agricultural Extension Service, Fort Stockton, Texas; Dr. Luther S. Bird, plant pathologist, Texas Agricultural Experiment Station and Cooperator USDA; Dr. J. C. Gaines, head, Department of Entomology; Dr. Paul J. Lyerly, research coordinator and superintendent, Texas Agricultural Experiment Station, El Paso, Texas; Dr. Lambert H. Wilkes, associate professor, Agricultural Engineering Department; Fred C. Elliott, cotton specialist, Agricultural Extension Service; Charles W. Green, county agricultural agent, Texas Agricultural Extension Service, Midland, Texas.

The program will be held in the large dining area of the Sands Motor Hotel on the highway going west toward Odessa.
