All Around the Town

by Mary Ann Sarchet

I sincerely hope that everyone will go to the polls Saturday to cast a vote in the hospital bond election. Of course, you know well by this time how I feel about the issue, but I would like for you to think about several things as you go to the polls to "have your say the American way."

First, the estimated cost of the proposed hospital and the expected operating loss will amount to only 40c on each \$100 county valuation, and I think this amount is small in relation to our need for a hospital. I think that a lot of the ones who have taken a position against the building of a hospital could well afford this amount (to determine your personal share, look up your 1963 county tax receipt, find your current county valuation and multiply by 40c), but if you really cannot pay your share of the tax, then I don't blame you for voting against the issue. All I ask is that you listen to the small still voice inside you when arriving at this decision.

In this day it seems that more and more people expect someone to take care of them "from the cradle to the grave." In many depressed areas of our nation, the people depend on others (you and me, to be exact) for their housing, food and clothing. Though some of the land in our county does not produce as well as other land in the area, I do not believe that we will ever approach the financial disaster that people in some of the coal mining areas, for example, are facing today. I do not believe that we should consider or that a majority would favor, letting someone feed and clothe us any more than we should continue to expect others to provide our medical facilities. As I have said before however, I do not expect those who cannot afford the 40c per \$100 valuation tax to vote for the issue.

The amount of hospital tax would be deductible from your federal income taxes, and this in addition to the amount of tax reduction to be expected at the end of this year, may amount to enough in some cases to absorb the hospital tax. Let's put this tax saving to work for us!

Another problem that I understand well concerns the people of Quitaque, and the fact that they would still have to drive out of town to the hospital. I have been hoping that if we could build a hospital in Briscoe County, one of two things could be achieved for the people of Quitaque. Though they would still have to drive, the distance would be reduced to 16 miles, 10 miles less than the distance from Silverton to Tulia which Dr. Muckleroy has been driving for three years. It seems logical to consider that if we had a hospital in the county, it might possibly be easier for Quitaque to get a resident doctor. Quitaque has a clinic already, and I wouldn't be surprised if it isn't nicer than the one in Silverton. If a doctor could maintain an office there he would have to drive only a little more than half the distance which the Silverton doctors have been traveling.

The only other possibility that I can think of to assist the Quitaque people (contrary to some opinions, we do care about the benefit to the people of Quitaque) is this: with a hospital here it would be possible to again secure the services of a second doctor in Silverton, and in this case it might also be possible that the doctors could arrange their schedules in order to open the Quitaque Clinic on certain days of each week.

These both are possibilities—but who can say that either could not become a reality if we first had a hospital?

There are so many "ifs" which we'll never have a chance to try if the hospital bonds aren't approved next Saturday. The reason for the rush, as we have said before, is that the Hill-Burton funds which assist in the building of medical facilities, may no longer be available to us after 1965—and the application for funds has to be made before May 31, 1964, to be eligible for the funds in 1965. Without the \$185,000 matching funds we couldn't build a hospital for this small cost to each property owner.

A hospital in Briscoe County would be under the management of a board of hospital district commissioners, who would be el-

Awards Presented To Lions Club Members

The Silverton Lions Club hosted a ladies night in the dining room of the "66" Restaurant last Thursday evening.

Lion Boss George Miller presented a 15-year Old Monarch award to C. O. Allard, Hugh Nance, George Seaney and Jack Strange received 15-year charter awards.

Banquet Honors School Athletes

Coach Robert Wheelchel was master of ceremonies for the annual athletic banquet last Friday evening. Pascal Garrison, president of the Silverton Quarterback Club, welcomed the members and guests, after which Max Garrison gave the invocation.

The meal was catered by Underwood's of Amarillo.

Coach Wheelchel recognized the members of the football team, beginning with the freshmen. Coach Ben Lesley introduced the members of the girls and boys' basketball teams. Coach Joe Granato recognized the track team.

Dennis Tomlin received the Doyle Stephens football award. Gary Hunt received the Carman Rhode boys' basketball award.

ected like the county commissioners are. These representatives of the people would run the hospital like the majority of the people wish or they would not be elected. A manager would be hired to perform the physical duty of managing the hospital, but he would be responsible to the hospital commissioners for his actions.

It would not be possible to operate a hospital here without the cooperation of the people of the Quitaque area. Neither could the Quitaque area successfully operate a hospital without the cooperation of others. Neither city has sufficient population to make such an operation successful alone.

Through cooperation much can be achieved. It's like the old saying with which we are all familiar: "United we stand; divided we fall."

The Briscoe County Commissioners Court has called an election for the issuance of hospital bonds in the amount of \$185,000 on Saturday, May 9.

A petition bearing the names of 252 certified property-owning taxpayers requesting the election was recently presented to the Commissioners Court.

Voting places will be: Precinct 1, County Judge's office; Precinct 2, Quitaque High School; Precinct 4, San Jacinto School; Precinct 5, Roy Allard home; Precinct 7, County Attorney's office; Precinct 8, County Sheriff's office. Absentee voting is being done in the County Clerk's office.

All resident property-owning taxpayers who have paid the poll tax will be eligible to vote in the hospital bond election, as taxes would be levied on each person who has rendered property for taxation by Briscoe County whether he lives in a city or in the rural areas of the county.

Open house was held beginning at 1:30 p.m. with band music provided by the Amarillo Air Force Band.

State Representative H. G. Wells directed the presentation of the flag after which the band played the National Anthem.

Invocation was given by the Rev. Bob Goodwin, pastor of the Assembly of God Church in Tulia.

Ralph Wayne, master of ceremonies, presented Mayor John Brown, who made the welcoming address.

Major Jack V. Hawkins, Co. 2nd, Bn., 142nd Infantry, introduced the distinguished guests who were present. Lt. Col. Boyce B. Phillips, Commanding Officer, 2nd Bn., 142nd Infantry, spoke briefly before introducing Major General Seldon Simpson, Commanding General, 36th Infantry Division, who made the dedicatory address.

Benediction was given by the Rev. Travis LaDuke, pastor of the First Baptist Church at Happy, a first sergeant in the Tulia guard unit.

Inspection of the armory and refreshments followed.

Officers of the Tulia unit are Captain Pat L. Northcutt, commanding officer; Sgt. LaDuke, first sergeant; Master Sgt. James Cathery, platoon sergeant; Sgt. Gordon Simmons, mess sergeant; Sgt. Darrell Nelson, training sergeant; Sp4 Von Kleibrink, supply sergeant; and Master Sgt. Kenneth Love, administrative assistant.

The armory, first authorized in 1954, was completed and occupied late last year at a cost of \$119,000.

Among those from Silverton who attended the dedication were Capt. and Mrs. Pat L. Northcutt, Mr. and Mrs. D. T. Northcutt, Susan and Christi Northcutt, Mrs. Lula Bellinger, Mrs. P. L. Brown, Judge and Mrs. M. G. Moreland, Mr. and Mrs. George Seaney, Mr. and Mrs. Jimmy House, Mr. and Mrs. Jack Sutton, Gene Morris and Joel. Burley Morris of Albuquerque, New Mexico, also attended.

Milton Dudley was a business visitor in Childress Monday.

Armory Dedication Held Sunday

The Texas National Guard Armory, located at the corner of Harris and Southeast Second streets in Tulia, was dedicated Sunday afternoon.

Invocation was given by the Rev. Bob Goodwin, pastor of the Assembly of God Church in Tulia.

COUNTY TAXES LOWERED 15c

We made a mistake in last week's issue when we quoted Briscoe County's tax rate at 95c a \$100 valuation. Actually, this rate was in effect until 1962, when it was lowered to 80c a \$100 valuation.

If a 40c hospital tax were added with the county tax it would amount to only \$1.20 a \$100 valuation, which is considerably lower than most of the other Texas counties.

Only five counties in the entire state have lower tax rates than Briscoe County, and 235 counties have higher rates ranging all the way to \$1.90 a \$100 valuation.

TONI RHODE IS CANDIDATE FOR DEGREE AT H-SU

Toni Ann Rhode, daughter of Mr. and Mrs. Carman Rhode of Silverton, is a candidate for June graduation at Hardin-Simmons University. Miss Rhode will receive a Bachelor of Arts degree.

Mrs. W. A. Rowell, Mrs. Lorene Voyles, Mr. and Mrs. Frank Mercer were in Amarillo one day last week for medical attention.

Briscoe County voters went to the polls in record numbers Saturday to cast votes in the Democratic and Republican primary elections. The total number voting in both primaries was near 1,300.

Candidates for re-election were given the majority of votes in every race. Several run-offs will be necessary on June 6, including county and precinct races.

Incumbent Sheriff Johnnie Lanham failed to win a majority of the votes, and a run-off will be necessary with Vinson Smith as the opposing candidate.

In Precinct 2 (Quitaque and Antelope) there will be a run-off between Charles Gowin and Orval Cobb. This election was called to fill the vacancy in the Commissioners Court created by the death of Mort Hawkins.

In Precinct 2, incumbent Commissioner A. D. Arnold failed to get a majority of the votes, and will be opposed by Roy Morris in the second primary.

On the state level, there will be a run-off in the second Democratic Primary for U. S. Representative-at-Large between Joe Pool and Robert Baker. In the Republican run-off, Jack Cox will be opposed by George Bush for the nomination for U. S. Senator.

A total of 22 votes were cast in the Republican Primary here. For U. S. Senator, Jack Cox was nominated. Robert Price was favored for Congress, and Barry Goldwater received 22 votes as the presidential preference.

See the schedule showing how each precinct in Briscoe County voted elsewhere in this issue.

Honor Breakfast Theme Is "School Daze"

Twenty students from Silvertown High School attended the "Honor Breakfast" that is sponsored annually by the Century of Progress Study Club recently.

Those present included Lester Grabbe, Shirley Myers, Jimmy Myers, seniors; Camellia Comer, Rocky Curby, Dianne Davis, Martha Mills, Sandi Rhode and Greg Towe, juniors; Orlin Grabbe, Linda Fisch, Paula Turner, sophomores; Connie Dudley, Randy Hughes, Sharon Martin, John Montague and Joni Faye Self, freshmen.

Also attending were Bailey Loyd, Elaine Boyles, and Ruth Ann Minyard, who with Greg Towe qualified for the breakfast and honor pins the last six weeks of the last school year.

Honor students who were unable to attend were Janice Lewis, Joe Bob Watson and Jimmy Burson.

Seated at the head table were Superintendent and Mrs. J. S. Hinds, Principal and Mrs. O. C. Rampley and Mrs. Norman Strange, president of the Century of Progress Study Club.

The breakfast was held in the fellowship hall of the Methodist Church in Silvertown. Students and guests arrived at 7:00 a.m. and

Century of Progress To Meet May 13

The Century of Progress Study Club will meet in regular session May 13, 1964, in the home of Mrs. Wayne McMurtry. The theme of the meeting will be "Miracles of Music," and each member will answer roll call by telling "what music does for me."

Mrs. F. E. Hutsell and Mrs. Edwin Dickerson will present the program on "Living With Music" and "Folk Music in America."

Mr. and Mrs. Shellie Tomlin were in Dimmitt Tuesday for a visit with Mr. and Mrs. Doyle Tiffin and sons.

were greeted by Mrs. Norman Strange. The decorations carrying out the theme "School Daze" included fresh flowers in book-shaped containers and a centerpiece of a little red school house with all the trimmings.

Mrs. Strange attended the high school assembly later in the day, and presented the students with gold honor pins and "64" guards. To be eligible to attend the breakfast and receive a pin, a student must have been on the honor roll at least one time during the year.

Those in charge of planning the breakfast were Mrs. Gene Morris, Mrs. Neville Muckleroy and Mrs. E. A. Birdwell, members of the club's civic committee.

Mrs. Fowler Gives L.O.A. Club Program

The L. O. A. Junior Study Club met in the home of Mrs. Jord Hollingsworth Tuesday, April 28. Roll call was answered with the names of children's books.

The program, "You Can Teach Your Baby to Read," was given by Mrs. John Fowler.

Projects for the next club year were voted on and the results will be given at the next meeting. Several were voted to membership in the club to be effective at the beginning of the next club year.

Mrs. Jerry Clayton, Mrs. W. D. Rowell and Mrs. Joe Granato served refreshments to the following members: Mrs. Don Cornett, Mrs. Bill Durham, Mrs. Doug Forbes, Mrs. James Hawkins, Mrs. Ben Lesley, Mrs. J. E. Patton, Mrs. Leo Fleming, Mrs. Robert Haley Hill, Mrs. Richard Whitfill, Mrs. Randal Eddleman, Mrs. Charles Sarchet, Mrs. Ronald Dale Kitchens, Mrs. John Fowler, Mrs. Jack Mayfield and Mrs. Bill Baird.

Mrs. Walter Fleming remains a patient in Bethania Hospital in Wichita Falls Room 423. She has undergone surgery twice and is beginning to feel better now.

Mr. and Mrs. Earl Simpson were supper guests of Mr. and Mrs. Charles Simpson in Lockney on May 1. Mr. and Mrs. Charles Simpson, Jr. and family of Plainview were also supper guests.

SAM BROWN TO SING TENOR SOLOS FRIDAY NIGHT

Sam Brown, pupil of Martha Barkema, will sing the tenor solos in the Vaughn Williams' Mass which will be presented May 8, 1964 by the Baylor University Oratorio Chorus and brass ensemble under the direction of Dr. Robert Young, head of the Baylor Church Music Department. Two other works of the composer, "Clap Your Hands," and an arrangement on the hymn tune "Old One Hundredth," will be presented. The presentation by the Chorus will be their final concert of the season.

Previous solo work has been in "The Saint Matthew Passion," by J. S. Bach, Mendelssohn's "Hymn of Praise, Te Deum" by Purcell, Schubert's "The Seven Words," and "The Creation," by Haydn.

L.O.A. Members To Meet Tuesday

The next meeting of the L.O.A. Junior Study Club will be Tuesday, May 12, in the home of Mrs. J. E. Patton. The invocation will be given by Mrs. Bill Durham and the program will be directed by Mrs. James Hawkins.

Roll call will be answered with main dishes for calorie watchers.

Mrs. Edna Doak, Mrs. Ziba Woodard and Mrs. Clara Fry of Hereford were recent business visitors in Silvertown.

March Of Time To Meet Today

March of Time Study Club will meet May 7, 1964, in the PCA community room at 3:00 p.m. Topics for the program are to be discussed by Mmes. True Burson, T. T. Crass and Rex Dickerson. "If They Do You Wrong," "Trespassing," and "Misrepresentation" are among the program parts to be heard.

The definition given is: Tort—A private or civil wrong to a person's health, liberty, reputation or property.

Mrs. A. D. Riddle, Mrs. Odie Honea and Mrs. C. L. McWilliams attended a Weathered family reunion in Bonham Sunday. They also visited in DeKalb with Mrs. McWilliams' paternal relatives and were guests of her aunt, Mrs. W. B. McCreary.

Mr. and Mrs. Tom Scarborough and daughters of Amarillo have been recent visitors here with relatives. They visited Mr. and Mrs. Hugh Nance, Wayne, Nancy and Juannah, Mrs. P. D. Jasper and Dawn, and were overnight guests of Mr. and Mrs. J. D. Nance.

Garvin Long and Marvin of Maples; Mrs. Carl Miller and Carolyn of Canyon; and James Perry Garvin of the U. S. Air Corps, visited Mrs. Clyde Lightsey and Spencer Long Sunday afternoon.

Mrs. Vera Hancock and daughters, Mrs. Carl Hooper of Olton and Mrs. Ralph Chaney of Lubbock, have been recent visitors in Silvertown.

Mrs. Minnie Stevenson, Mrs. Dean Allard and Mrs. James Stevenson visited in Skelleytown last week with Mr. and Mrs. Wood Hardcastle.

Mrs. Frank Mercer was a patient for several days last week

in Neblett Hospital in Canyon.

Mrs. Johna Biltrey of Lockney visited her mother, Mrs. Jewel Kennedy, Tuesday morning.

Kenneth Bain is seriously ill in Peoples Hospital in Floydada. Mrs. A. G. Stevenson, Mrs. A. L. McMurtry, Mrs. Will Smithee and Mrs. Dean Allard have been in Floydada to visit with the relatives this week. Mrs. Bain is a sister to Mrs. Smithee.

Impress your friends! Dazzle your classmates or club members! Win this latest kookie Dr Pepper contest and invite up to 50 of them to be YOUR guests at a picnic! But (you know us from past contests) this is no ordinary picnic, 'cause it'll be held at the New York World's Fair! That's right—the first prize in this unusual contest is a free three-day trip to the New York World's Fair for the winner and up to 50 of his (or her) friends! You'll stay at one of New York's most modern hotels, you'll see the sights at the Fair and you and your party will be treated to an old-fashioned picnic right on the Fair grounds. For going to all this trouble (making out the guest list, etc.), we'll also give the top winner a new 1964 Comet Caliente, plus \$50.00 spending money for himself (or herself) and each member of the group!

We're having this distinctively different contest (aside from liking picnics ourselves) to remind you that Dr Pepper is the distinctively different soft drink for today's light 'n lively taste. It's not a cola or a root beer, but a delicious blend of fruit flavors—and you just can't have a real "picnic" without Dr Pepper.

So enter soon—and often! Contest details and official entry blanks are on Dr Pepper cartons now. Contest closes at midnight on May 23, 1964!

Grand Prize

Three fun-filled days for the grand prize winner and up to 50 of his or her guests at the New York World's Fair, highlighted by a festive picnic, and \$50.00 spending money for each guest. Also a 1964 Comet Caliente for the top winner!

BONUS STATE PRIZE

A prize winner from every state submitting entries (excluding those states where prohibited, taxed or restricted) will receive a Columbia bicycle built for two, with a fully equipped picnic basket. All you add is food, Dr Pepper and a companion—then wheel away!

We write this letter to voice our opinion on the following subjects: End of School Picnic

Eighth Grade Graduation

We don't think it is fair to cut out the End of School Picnic. If this is a school tradition, why wasn't it cut out long before now? We think we should at least have a party in town and have something to do.

The Eighth Grade Graduation is

looked forward to by the Eighth Grade class. The time which has been set for the graduation (10:30 a.m. during assembly) is undesirable. The caps and gowns are unnecessary, but the graduation is something for the Eighth Graders to look forward to.

ADJUSTMENT, PRICE SUPPORT ANNOUNCED

Details of the new choice program for Upland cotton were announced today by the Department of Agriculture. It is part of the new cotton program just approved by Congress and signed into law by President Johnson.

The new cotton program would work as follows:
The 16,000,000-acre national minimum acreage allotment will be retained for 1964, just as it was for 1963. Farmers who comply with their effective allotments will be eligible for a price support loan of 30 cents a pound (basis Middling one-inch cotton at average location).

A national domestic allotment will be established. This is the number of acres required on the basis of the four-year (1959-62)

average yield per acre to produce the cotton estimated to be consumed domestically. It is estimated that domestic consumption for the 1964-65 marketing year will rise to 9.6 million bales. At the four-year average yield, the national yield, the national domestic allotment would be 10,766,000 acres. This is about 67 percent of the 16,000,000 national acreage allotment.

For small farms the domestic allotment will be the smaller of 15 acres or the 1964 effective allotment. For most other farms, the domestic allotment will be 67 percent of the 1964 effective farm allotment.

Cotton farmers have the option of planting within their domestic allotment or their effective 1964 allotment. If the acreage planted to cotton is within the domestic allotment, the producers are eligible to receive in addition to the price support loan mentioned above on the cotton, an additional price support payment. Young Farmers Had Funds Not Available Family Night Here For Home Agent

The Silvertown Young Farmers had a family night Friday in the PCA community room. The family night will be a regular feature of the Young Farmers every fifth Thursday during the year.

The following enjoyed an evening of "42" and Bridge: Mr. and Mrs. Gordon Lowrey, Mr. and Mrs. Robert Hill, Mr. and Mrs. Jack Mayfield, Mr. and Mrs. John Mercer, Mr. and Mrs. Jimmy Ray Beard, Mr. and Mrs. G. W. Chapell, Mr. and Mrs. Donnie Perkins, Mr. and Mrs. Joe Brannon, Mr. and Mrs. Guinn Fitzgerald, Mr. and Mrs. Charles Wayne Mayfield, Mr. and Mrs. John Fowler, Mr. and Mrs. Bennie Reagan, Alton Riddell, Dale Rowell and Dale McWaters.

Judge M. G. Moreland announced today that the reason no Home Demonstration Agent has been hired for Briscoe County is that approval of funds of the Extension Service has not been secured. Judge Moreland was recently

advised by Welton H. Jones, District Agent, Lubbock, that appropriations in Washington and Austin have not been provided for filling new positions such as this would be.

The County Commissioner approved the hiring of a Home

Demonstration Agent last year, but this cannot be done without Extension Service funds.

Mrs. Garvin Long of Maples, nee Bonnie Fort, was severely burned at the family home on April 5

in a butane explosion in their brooder house. She was taken to John Sealey Hospital in Galveston and her condition is considered critical. She is the daughter of the late Mr. and Mrs. Perry Fort.

ment would be at the rate of 3.5 cents per pound on the normal yield per acre established for the farm. This is the farm payment rate per acre.

The total of such additional price support for a farm complying with the domestic allotment will be the acreage planted for harvest multiplied by the farm payment rate per acre and will be paid in-kind after performance checking. The COC will assist in marketing the payment in-kind certificates. This will help compensate farmers for reducing production and sales by taking part in the program. However, cotton farmers may grow other cash crops such as soybeans on that part of the effective allotment not planted to cotton because of compliance with the domestic allotment, except that on farms where the effective allotment is more than 15 acres the feed grain acreage may not exceed the feed grain base.

The new law also provided for export market acreage, when this additional acreage will not interfere with reducing the carryover of cotton by at least a million bales a year. The export acreage production must be exported. Neither a price support nor export payment will be available for this cotton. The farm operator must furnish a bond to assure that the cotton will be exported. Operators planning to plant export market acreage must sign up and furnish bond by June 1, 1964. Those who plant export acreage will not be eligible on the same farm to also receive price support payments under the domestic allotment program. They will, however, be eligible for the basic price support loan of 30 cents a pound on that cotton produced within the effective allotment for the farm.

While it is not expected that the domestic allotment choice program will result in as great a reduction in 1964 production as was estimated at the time the bill was considered in the Senate, it is expected that the new legislation will result in lower production and higher offtake of cotton including increased exports. Therefore, although the legislation was enacted late, it is nonetheless possible to allow five per cent export acreage for 1964. The export acreage increase for the 1964 crop year will be an additional five per cent of the effective allotment for the farm provided applications and bond are filed as discussed above.

USDA ANNOUNCES 1964 WHEAT PROGRAM

Price support loan level, certificate values, and acreage diversion payment rates for the 1964 wheat program were announced today by the U. S. Department of Agriculture. Sign up to qualify for the new program will take place from May 1 through May 15 in ASCS offices throughout the nation.

The program is entirely voluntary. A farmer, whether he agrees to participate in the program or not, is free to sell his entire production to anyone, at any time, and at such prices as he can get. There are no restrictions on sales of 1964-crop wheat.

A producer desiring to receive a price support loan, certificates and acreage diversion payment, can voluntarily sign up to participate and become a cooperator. He can cooperate by:

A. Staying within his 1964 acreage allotment which he already has had the minimum qualifying acreage diversion deducted. (He can divert additional acreage if he wishes.) (Growers were notified of 1964 allotments last Spring.)

B. Devoting to conserving use all the diverted land (in addition to maintaining the normal acreage in conserving use).

C. Not exceeding acreage on any other allotment crop on the farm, and

D. Not exceeding the wheat allotment on any other farm in which he has interest in the wheat.

A cooperating wheat producer will be eligible for price support loans at a national average of \$1.30 per bushel on his entire production. In addition, he will receive negotiable certificates based on the normal production of his eligible acreage planted for harvest. The certificates will have the fixed face values—70 cents per bushel for the domestic marketing certificates, covering the producer's share in the national marketing allocation for U. S. food wheat production, and 25 cents per bushel for the export marketing certificates covering his share of the export marketing allocation.

Forty-five percent of the normal wheat production of the farm allotment if planted will be covered by domestic wheat marketing certificates and up to 45 percent by export wheat marketing certificates. In case of underplanting or extra diversion, certificates will be issued first on the "domestic" portion and then on the remaining "export" portion covered by certificates.

Growers last year were notified of their 1964 allotments along

with their farm's normal yield figures. Farm allotments were based on the national allotment of 49 1/2 million acres. Thus, individual allotments now are already reduced by the acreage required to be diverted for minimum participation in the wheat program for 1964 recently enacted by the Congress. (The reduction is the equivalent of 11.11 percent of the 1964 allotment.)

There will be an acreage diversion payment of 20 percent of the county's wheat loan rate multiplied by the farm normal yield on the 11.11 percent minimum qualifying diversion and a nonadditional diversion of up to 20 percent of the allotment or up to a total of 15 acres if this is larger.

If growers comply with the requirements for minimum acreage diversion but don't keep their agreement on extra diversion, they lose all diversion payments but still can receive certificates and

be eligible for price support loans.

Price support on wheat by loans and purchases will be made available to eligible producers. Commodity Credit Corporation, through ASC county committees, will assist producers to market their wheat certificates. No advance acreage diversion payments will be made. Payments covering acreage diversions and purchase of certificates will begin after July 1. Detailed program explanations and regulations are being issued to all State and County ASCS offices.

Final date for application for price support loans will be January 31, 1965. Unless demand is made earlier, price support loans will mature on February 28, 1965, in some States and on March 31, 1965, in others.

Since the new legislation provides for continuing the voluntary wheat program for the 1965 crop, this supercedes previous law which required the Secretary of Agriculture to consider the need for 1965-crop wheat marketing quotas and make his decision prior to April 15.

ARE YOU 'NORMAL'?

Lately we have heard conflicting claims about who needs supplemental vitamins and who doesn't.

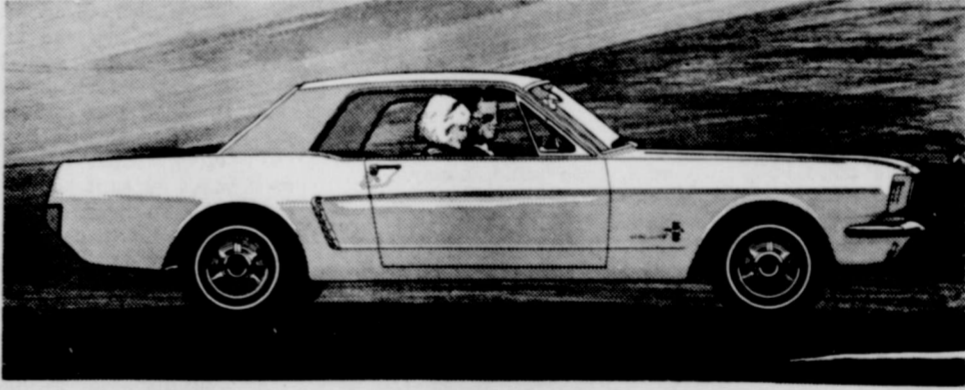

Without much doubt, the healthy, average adult eating a well-balanced diet sees little need to add vitamins to his daily intake.

But how about teenagers on the go, burning calories like a furnace—and living on hamburgers and soft drinks? Or finicky tots who pick at what foods they dislike—and going heavy on forbidden sweets? And the elderly, often living alone, never feeling quite up to par—eating a narrow-range choice of foods?

Of course, the best source of advice on nutrition for you is your family physician. And the best place to buy full-potency, assured-quality vitamin preparations is your neighborhood pharmacist.

EXPERIENCES

By Vicki Marler

What would you do if you were on a trip with a group of kids and on the way home the boy you were with wanted to show you a certain creek. Of course you want to where you will be fishing next weekend so you consent.

As you are about to reach the creek this certain boy starts to tease you by saying "We might run out of gas pretty soon because I only put a little in the car." Of course you know he is only kidding, but a bump and a sputter later you began to wonder.

When the boy tries to impress you by fiddling around under the hood because he thinks the trouble is simple and he will be able to fix it, you get tickled. When you can't help yourself anymore and soon you are in stitches. Then the boy becomes humiliated and says "alright, since it's so funny let's begin walking." Your laugh seems to die off to a small giggle and then it is down to nothing but a soft crying sound, because you don't want to walk all the way to town which is about ten miles away. To make all the worse you are in shorts, but what else was there to do.

Two miles later when you have fallen down a few times and nearly killed yourself you see a car coming. You begin to get excited. You try to think how you can stop them. You try lying down in the road, but after being run over at least twice you realize that just isn't going to work. Even if the car would have stopped the girl seemed to have remembered what her mother had told her long ago "Don't ride with strangers!" So what do you do but begin walking again.

Six miles later a car you don't recognize begins to slow down. As you try to see who it is the child who is in the back seat of the car asked you if you need a ride. By that time you are already in the car and waiting to go. Just by chance it was a kid so it won't be as if you were riding with a stranger.

Since your father told you to be in by dark and now it is little past dark you begin to wonder what your parents will say when you tell them the story whether they will believe you or not.

As you drive up to the boy's house because you don't have enough courage to go to your house first, you are so happy just to be in town all you do is let out a mere sigh.

That is the last we know of the story, but if you want to know more I'm sure you can find out from a couple of seniors of old Silverton High School.

Resemblance

Girls are like newspapers because: They have forms. They are made up. They have bold types. They usually have the last word. They are sometimes worth looking at. They carry news wherever they go. They are never afraid to speak. You can't believe a word they say.

TEST DAY

I love exams, I think they're fun I never study, I never fail one— (I'm Mrs. Redin)

Dwight Rampley Receives Math Award

On March 5 ten top-ranking math students of Silverton High School took a mathematics test prepared by the Mathematics Association of America and the Society of Actuaries.

The test was administered by Mrs. Redin and mailed to the sponsoring societies for grading purposes.

In a recent assembly program,

Science Defines Women

Accepted Atomic Weight: 120 lbs. (some cases)

Occurance: Found where man exists, seldom in free states.

Physical Properties: Bawls at nothing, may freeze at any moment, melts when properly treated, very bitter if not treated well.

Chemical Properties: Very active, possess affinity for gold, silver, and precious stones; violent reaction when left alone, able to absorb great amounts of expensive food, turns green when placed beside better looking specimens.

Uses: Highly ornamental, useful tonic for low spirits is probably the most powerful (income) reducing agent known.

Hey, Dude, what's this we hear about a female Brahma bull?

Darrell, next time you talk in your sleep, speak loud enough for all of us to hear.

Who was that four footer you were with at the Junior-Senior Banquet, Monty?

Margaret and Dennis please be a little quieter when you walk down the hall. All the other lovebirds can't hear themselves think.

she announced the three winners from our school as follows:

- Dwight Rampley—first
- Rocky Curby—Second
- Lester Grabbe—Third
- Dwight received agold pin.

EDITORIAL

By Connie Dudley

You may wonder why most of the news in the paper pertains to freshmen. This is because this week the freshman class is editing the paper. Next week the sophomores will be the newspaper staff.

We hope you do enjoy the paper this week but keep in mind that this is our first time to do a job like this so try to overlook our mistakes.

SHORT AND SWEET

Miss Simmacher: Sharon, why is it that everyone else has at least a five-page report on 'milk', and your composition is only a half page?

Sharon: "Well, you see, I was writing about condensed milk."

DRIVERS ED

Whelchel: "Use your noodle, Kathy, use your noodle." Kathy: "Gosh! Where is it? I've pushed and pulled every gadget on this car."

THE HAZARDS OF SCIENCE

Mr. Hill "Now for the next few minutes I want you all to be so still that you can hear a pin drop."
 Vicki: (After a minute) "Well, teacher, let it drop!"

Mr. and Mrs. Joe Riney and son of Brownfield spent a long weekend here with her parents, Mr. and Mrs. Luke Thompson, and Derron. Mrs. Thompson was taken to Northwest Texas Hospital in Amarillo since Sunday. Tests and examinations are being run this week, and she may undergo surgery.

Linda and Janet McWilliams McWilliams spent the weekend with Mr. and Mrs. Billy McWilliams in Quitaque.

J. L. Webb has been a patient in Northwest Texas Hospital in Amarillo this week.

Mrs. Raymond Cantwell and Doris returned from Houston on Wednesday of last week. Her daughter, Mrs. Jean Dement, who underwent surgery in Houston recently, is recuperating satisfactorily.

Norma Gray of Amarillo spent the weekend with her parents, Mr. and Mrs. Raymond Cantwell, in Silverton.

Mrs. T. C. Bomar has been notified that her sister, Mrs. Edna Christianson of Kingman, Arizona, has recently broken a hip. She is reported to be doing satisfactorily.

Mrs. A. L. McMurtry visited her niece, Mrs. Billie Earl Erickson, in Floydada Monday afternoon.

Jet-smooth Luxury Chevrolet makes crooked roads feel like going straight

Chevrolet's Full Coil suspension makes the crookedest S-curve seem on the level. With a double-acting shock absorber in each corner, it takes the jumps out of bumps. With 4-link leveling control, you get away with Jet-smooth acceleration. With built-in anti-dive control, you come to Jet-smooth stops. And with low-friction Ball-Race steering, you waltz over twisting roads as gracefully as a ballerina.

FOR THE GREAT HIGHWAY PERFORMERS

All seven Chevrolet engines are precision balanced for smooth operation. And because your Chevrolet has over 700 insulators and sound deadeners, you don't have to shout to have yourself heard.

It's Trade 'N' Travel Time at your Chevrolet dealer's—the perfect time to try the Jet-smooth ride. Find the meaneast stretch of road you can. Then see for yourself how straight a crooked road can feel.
