

All Around the Town
by Mary Ann Sarchet

Texas daily newspapers have lined up overwhelmingly in support of Lyndon Johnson, a recent survey shows.

This is in sharp contrast to the last presidential election, when Texas dailies split almost evenly between the Republican and Democratic tickets, although the home-state man, Johnson, was on the ticket as the vice presidential candidate with John Kennedy.

The Briscoe County News, in keeping with its policy of supporting the Democratic Party candidates, is pleased to announce its support of the entire Democratic ticket in 1964. It is the belief of the editor of the weekly publication that the present office holders are doing a good job for our area, state and nation.

Among those daily papers who have endorsed Johnson are: The Houston Post, listed as independent politically, which has not supported a Democratic candidate since Franklin Roosevelt; The Dallas Times Herald, which supported the GOP ticket four years ago; The Longview News and Journal, which supported Nixon in 1960; The Corsicana Sun, a Democratic paper since it was founded in 1895; The Temple Telegram, a long-time Democratic paper; The San Antonio Express, which has rarely endorsed a Democratic ticket for president in its 99 year history; The Corpus Christi Caller and Times; The Paris News; The San Angelo Standard-Times; The Austin American; The Austin Statesman; The Waco News-Tribune, and Times Herald, among others.

It is of great significance that the large dailies in Dallas, Houston, San Antonio and Austin have endorsed the Johnson-Humphrey ticket.

John C. Lisenby Buried At Matador

Funeral services for John C. Lisenby, 85, who died last Friday in Stanley Hospital at Matador were conducted Saturday afternoon in the First Baptist Church in Matador.

Burial was in East Mound Cemetery.

A retired farmer, Mr. Lisenby had lived in Motley County for 72 years.

Survivors include his wife; five daughters, Mrs. C. W. Ross of Crowell, Mrs. Frank Montgomery and Mrs. John Irwin of Matador, Mrs. Jack Lacy and Mrs. Herbert Stephens of Turkey; 14 grandchildren and 13 great-grandchildren.

Briscoe County To Observe 4-H Week

by Garner Garrison and Joni Self

About 62 4-H Club members in Briscoe County will observe National 4-H Club Week. The head- hands- health youth are among 2 1/4 million members of 94,700 clubs in urban, suburban, and rural areas throughout the 50 states and Puerto Rico. With the goal of "4-H for more in '64," current emphasis is on the program's flexibility—club projects and activities adaptable to fit the needs of youth from any background or circumstance.

A major local and national aim of this year's 4-H Week observance will be to recognize the 50th anniversary of the Cooperative Extension Service, of which the 4-H youth program is a significant part. In 1914, when the Smith-Lever Act authorized the extension service, the same federal legislation provided funds for 4-H Club work.

For this reason, 4-H also celebrates a Golden Anniversary.

Other local and national aims of this year's 4-H Week observance are to: Stress career exploration and the importance of wise vocational choice; encourage capable youth-minded men and women to become volunteer 4-H leaders; and provide opportunity for clubs to honor their local 4-H friends and express appreciation for their valued assistance.

Aiding club members with 4-H Week events in all states will be 623,400 volunteer 4-H leaders, who guide 4-H work in local communities across the country.

Grady Martin was master of ceremonies for the biennial Silverton School Homecoming; W. E. Sherman of Dallas, a former school principal, was guest speaker, and Superintendent J. S. Hinds and Principal O. C. Rampley also took part in the homecoming program. Mrs. Gertrude Braidfoot Arnold, a pioneer resident whose father gave the land for the Silverton townsection and whose mother selected the name for the town, was crowned Queen of the 1964 Homecoming in ceremonies held in the school auditorium Saturday afternoon.

Crowd Of Exes Attend Homecoming

The Silverton Homecoming Association held its biennial meeting Saturday with guests registered by members of the Future Business Leaders of America beginning at 1:30 p.m.

A program was held in the school auditorium beginning at 3:00 p.m., with Grady Martin as master of ceremonies.

O. C. Rampley, principal of the high school, gave the invocation, followed by the Pledge of Allegiance sung by a group of Silverton High School girls, Dianne Davis, Paula Turner, Brenda Martin and Jeanne Davis. They were accompanied by Mrs. Marvin Montague.

Later in the program the girls' quartet entertained with other selections, paying tribute to the 1934-35 graduating classes which were being honored.

J. S. Hinds, Superintendent of Schools, gave a progress report on the school.

Mrs. Gertrude Braidfoot Arnold was chosen as Homecoming Queen and was escorted to the stage by Charles Wayne Mayfield. Mrs. Arnold was seated in a chair decorated with the school colors, red and white. Mayfield placed the crown on her head and Mrs. Bill Durham and Buck Hardin presented her with a bouquet of flowers.

W. E. Sherman, principal of the Silverton Schools from 1936 to 1940, gave the homecoming address, "Times of Our Changing Americans."

At the business meeting, Mr. and Mrs. Carver Monroe were elected to serve as president and secretary of the Ex-Student and Teachers Association for two years. It was also decided to change the date of the school homecoming to correspond with the Silverton VFW Rodeo, to be held in August, 1966.

There were 300 registered, and the banquet was served to approximately 450 in the new school cafeteria.

County Committee Named Here Recently

Farmers recently elected to serve as the Agricultural Stabilization and Conservation Briscoe County Committee for the coming year include: Louie Kitchens, chairman of the County Committee, in A community; W. E. Helms, vice-chairman of the County Committee, in B community, and Robert McPherson, member of the County Committee, in C community.

The election was held at a county convention on September 17, 1964, at 8:00 p.m. in the ASCS office in Silverton. Electors were farmers chosen as convention delegates in the recent ASCS community committee elections throughout the county.

Chairman Louie Kitchens points out that the ASC County and community farmer-committees are in charge of local administration of such national farm programs as the Agricultural Conservation Program, the feed grain program, the voluntary wheat program, acreage allotments and marketing quotas, the National Wool Program, the Sugar Program, commodity loans, and storage facility loans.

The ASC county office in Silverton is headquarters for the county committee, and serves as the farmers' local contact for business connected with participation in the programs administered by the committees.

Farmers Union To Meet September 29

Farmers Union members are invited to attend a special meeting for the purpose of nominating officers and selecting delegates to the convention on Tuesday, September 29, at 7:30 p.m. in the P. C. A. community room.

Luncheon Women To Sponsor Supper

The Silverton School Lunchroom workers are planning to sponsor a Chili Supper on Friday, October 2, before the Silverton vs. Memphis football game. Serving will be from 5:30 until 7:30 p.m., and prices will be \$1.00 for adults and 75c for children.

Two outstanding male cooks from Amarillo are planning to assist with the Chili Supper. One is to bake French bread and the other is to make the chili from his own special recipe. Three colors of ice cream will be served for dessert.

The supper will be served in the new school cafeteria, and proceeds of this effort are to be applied toward the purchase of an ice maker for the cafeteria.

Mrs. Bula Baird, head of the lunchroom staff, told the Briscoe County News that this ice-maker project is very important to them. "We could have ice on hand for all the school and community needs," she said. "It would be right there for banquets and parties as well as for use at the concession stands."

Plan to enjoy a special Chili Supper on October 2—and help the school buy an ice maker.

Mrs. S. E. Hutcherson, 84, of Plainview, fell Wednesday of last week and broke a leg bone just below the hip. She was operated on Thursday morning. She remains in serious condition in the Plainview Hospital. She is a sister of Mrs. Jewel Kennedy of Silverton and is the mother of Claude Hutcherson of Plainview.

Shellie Tomlin underwent surgery at the Medical Center in Plainview Monday. Mrs. Tomlin and Mrs. Doyle Tiffin were at the hospital with him.

Mrs. Arthur Bingham underwent surgery in the Medical Center in Plainview Wednesday morning.

Frizzell To Address Democratic Women

Hubert Frizzell of Lockney, a delegate from the 19th Congressional District to the National Democratic Convention, will be the guest speaker for the Briscoe County League of Democratic Women at 8:00 p.m. Thursday, September 24, in the school cafeteria here.

The public is invited to hear Mr. Frizzell, who is a brother of Milton Frizzell and of Mrs. George Long.

Hubert Frizzell is a life-long Democrat—without prefix or suffix as Mr. Sam used to say. He has attended every Precinct and County Convention for many years, and has also attended several State Conventions. He has served as Precinct Committeeman.

Frizzell is a life-long resident of Floyd County. He is married, and has one son. He is a successful farmer and stockman who farms in the Lone Star Community north of Lockney.

He will bring his impressions of the National Democratic Convention as well as his reflections on his experiences in Atlantic City.

HUBERT FRIZZELL

Organization Of Jayceettes Planned

Members of the Tulia Jayceettes will be in Silverton Monday night to assist with the organization of a chapter in Silverton. The meeting will be at 7:30 p.m. in the school cafeteria, and wives of all the Silverton Jaycees are urged to attend.

The Jayceettes is the auxiliary organization of the Junior Chamber of Commerce.

EASTERN STAR TO SPONSOR RUMAGE SALES

The Eastern Star voted Tuesday night to sponsor rumage sales on three Saturdays in October, the third, tenth and seventeenth.

The sales will be held in the Cagle building on Main Street.

Mrs. Bob Rauch has been a patient in Northwest Texas Hospital in Amarillo this week.

Community Project Survey Results Given

The results of a community project survey recently conducted by the Silverton Jaycees indicated that the citizens of Silverton and the surrounding area are interested in a community meeting and youth recreation center.

The questionnaire was sent to 260 families selected at random. Approximately 60% of the forms have been returned, indicating the following results:

1. Community building and youth recreation center
2. City-wide clean-up campaign
3. City park improvement
4. Additional fire fighting equipment
5. City Christmas lighting decorations
6. Public address system
7. Ball park and rodeo area improvement

The Silverton Jaycees, in formal action, have made the resolution to sponsor the construction of a community building. A building committee has been appointed to secure plans and cost data. Additional information on the community center will be forthcoming.

This will be a community project and the cooperation and assistance of everyone will be required to make this project a reality.

Rainbow Open Installation Saturday

The officers of the Silverton Assembly of the Order of Rainbow for Girls will be installed for the fall term in an open ceremony at the Silverton Masonic Lodge beginning at 3:00 p.m. Saturday, September 26.

Dianne Davis, daughter of Mr. and Mrs. James Davis, is the incoming Worthy Advisor.

All friends of Rainbow are invited to attend.

Garner Garrison is pictured stopping a Turkey Turke who had appeared to be "touch-down bound." The Owls buckled down after the Turke scored and held the opposition scoreless for the remaining three and a half quarters.

Owls Romp To 24-6 Win Over Turkey

The Silverton Owls romped to a 24 to 6 win over the Turkey Turke in a home game last Friday night.

The scoring was concluded in the second quarter when Smith ran nine yards to score for the Owls and Towe again ran for the extra points.

Pass interceptions were the big thing in the second half. Silverton attempted seven, completed three and had two intercepted. Turkey attempted nineteen passes, completed five and had five intercepted.

Silverton ran and passed for fourteen first downs as compared to nine for the Turke.

The Owls have now scored 54 points as compared with 26 for their opponents this year. Silverton was shut out in the season opener, and now owns a 2-1 record.

Four players have contributed to the Owl scoring power. Monty Smith has scored 24 points, Greg Towe has 18 to his credit, Max Garrison has made 10 points, and Rocky Curby is credited with 2 points.

The Owls will meet the Happy Cowboys in their second trip away from home Friday night. The Cowboys tied with Turkey earlier this season, but it is felt that the Cowboys are tougher than this tilt indicated. The Owls will need lots of cheering fans at Happy to help them to win number three.

Conversational Spanish May Be Offered at Quitaque

The Quitaque Independent School District will offer Conversational Spanish to all adults in the area beginning in the near future, provided there is enough interest. Superintendent Johnny Mason has announced.

Adults in the surrounding area who are interested in such a course should contact Superintendent Mason.

The course will consist of speaking Spanish on a conversational basis only and there will be no textbooks to buy nor other costs except for the initial enrollment fee of \$10.00.

The course will be offered on Thursday evenings at the Quitaque High School and will not carry credit but all who successfully complete the course will be awarded an appropriate certificate.

The course will begin on Thursday, October 1, 1964, and will run for one full semester, ending approximately February 11, 1964. Mr. Burris, the Quitaque Spanish teacher, will be the instructor.

Fashion Tips... by Celeste Rose

"College Couture Cram Course"

Well—not really! But while your college wardrobe isn't a course in the conventional sense, the way you dress can be your first "entrance examination" on the college scene and the beginning of many credits to come your way. You'll be "tested" on how well you dress for class, dorm, outdoors, dates and party weekends. Although circumstances do vary—a college's location, whether or not it's coed, large or small, the degree of informality and the entertainment available, there are certain basic rules that can be applied just about anywhere. Here are some handy tips to help you always score high marks fashion-wise anywhere, anytime.

First of all, if you envision yourself as needing to arrive on campus via caravan, forget it! Not only would you seem to be trying too hard to impress but you'd simply have no place to put all those clothes! Most dormitory closets are little more than cubbyholes.

This stresses the need all the more for a wardrobe that is compact and versatile. Everything should be useful, attractive and bought within your budget. Plan your wardrobe at home and do your basic shopping before you leave. But if you want to play safe, reserve part of your fashion budget 'til after you've gotten the feel of campus life. Every college has its fashion fads and they're always fun to make your own. But don't go off the deep end and buy all fad clothing. This year's rage could be deadlier than dead a few months later. Basics are best.

Classes — The key to success here is separates. If your college permits bermudas and slacks in class, all fine and good. Be sure to include also several basic skirts that you can match with different sweaters and blouses in an assortment of patterns, prints and solids, too, to make your day-to-day wardrobe flexible. A good way to vary separates is with an occasional tailored shirtwaist—appropriate anywhere.

Dorm — Comfort is of the essence. Good fitting slacks, bermudas and kilts are the standard uniform in most schools. When shopping beware of snug fitting clothing of any type. 'Tis sad but true—college is "broadening" in more ways than one! Other basic

Amarillo visited his mother, Mrs. C. M. Jasper, and other local relatives Saturday and attended the school homecoming in the afternoon.

Floyd Woods was in Lockney early last week for a checkup with his doctor.

Mr. and Mrs. Monroe D. Carroll will be honored in observance of their 50th wedding anniversary at the Plainview National Guard Armory Sunday. Hosts will be their children, Mrs. Pat Rush and Mrs. Roscoe Cosby of Tulia, Mrs. Paul Nesbitt of Abernathy, Maxid D. Carroll of Grand Junction, Colorado, James M. Carroll of Lubbock, Willis J. Carroll of Silverton and William H. Carroll of Amarillo.

Mr. and Mrs. Bob Olive of PETERSBURG visited Mrs. Belle Olive and Betty Saturday afternoon, and attended the homecoming.

Mr. and Mrs. Bill Self were in South Texas last week fishing and sightseeing. They spent three days fishing at Corpus Christi and Padre Island. Then they traveled to Laredo, Falcon Lake and into old Mexico.

dorm needs are a warm robe, slippers, concealing nightclothes as many and colorful as you please and good quality undergarments that can stand laundering in even the hardest water.

Outdoors — If you're North or Midwest bound, get the warmest coat you can find. Then key the rest of your outerwear to it. Raincoat and snowboots are musts. Add gay scarves and gloves. Include a parka type coat for active sportswear — one that can really take a beating. Because your coats will probably be your most expensive purchases and may have to last four years, keep a special eye out for quality.

When making your college purchases, check to see they bear the union label, symbol of decency, fair labor standards and the American way of life. Dates and party — Fashions change but that good basic wool dress lives on and on — perfect for Sunday, travelling to another college or for an after-the-game party. A tailored suit is another asset to any girl's wardrobe. For formal wear, the long gown is still very much "in" but don't try to be a femme fatale. Today's collegiate dancing rages don't lend themselves to strapless gowns or flowing panels!

These are the tests along with the right answers. Follow these simple fashion tips and you're sure to pass college couture summa cum laude!

READY FOR THE UNEXPECTED

The average person can't plan ahead for sudden illness. But your pharmacist must. It's one of the most important parts of your pharmacist's job to keep informed of all the new products in the vast and complex drug prescription field.

And behind your pharmacist's ability to serve you is the nation's pharmaceutical industry, which each year places several hundred new drug products in the service of better health. Just one of them, recently developed, required four years of research costing millions of dollars. It was studied by more than 200 physicians in 4,500 patients. The report on its safety and effectiveness filled 27 volumes with 14,000 pages of facts.

As members of the health team serving you, your druggist and the pharmaceutical houses safeguard your well-being by anticipating your health needs.

So when the unexpected occurs, your pharmacist is ready.

March of Time Study Club met in the P.C.A. community room at 3:00 p.m. September 17, 1964, with Mrs. Clarence Anderson as hostess.

Miss Zobia Self, high school history teacher, was guest speaker. The program was on the Jacksonian Period, and Miss Self gave a most informative part on "Two Great Men."

Andrew Jackson, the first President from the new west, was a Democrat and the hero of New Orleans. Courageous, vigorous and impetuous, he used the full power of the national government in curbing privileges and monopoly. Daniel Webster was a great debater. He and President Jackson had many debates. Webster and Senator Haynes of Carolina debated on the patriotism of New England and the argument drifted from the question of public lands to the constitutional.

Mrs. Marvin Montague presided at the business meeting. Roll call was answered with a historical

MRS. CHAPPELL WINS

22 RIBBONS AT FLOYD FAIR

Mrs. A. H. Chappell was the winner of 22 ribbons at the Floyd County Fair last week. She was

accompanied to the fair by Mrs. W. J. Hyatt, and reported a wonderful time.

Among her ribbons were first:

best and neatest box of candy, best crabapple preserves, best canned corn; second: applesauce

cake, sliced peaches, squash, quilt, crocheted doily, embroidered towel and two places with flowers; third: quilt, pickled peaches, beets, apricot preserves, turnip greens, cut green beans, purple hull peas, kitchen apron, tomato preserves

and one flower.

Mrs. Chappell's homemade goods are constant winners at the Floyd County Fair. When asked what she plans to do with all her ribbons she replied that she would probably make them into a quilt.

Silverton Jaycees Have Meeting

The Silverton Jaycees met in the P.C.A. community room on Thursday, September 17. The call

to order was by the president, Robert Hill. The invocation was given by Curtis Monk.
 A report on the Labor Day Rest Stop was given by Lonnie Drewry. Five out-of-state cars that stopped were from Florida, California, Wyoming, New Mexico and Arkansas. Nineteen letters of appreciation have been received.

Members were to meet on Tuesday night of this week to work on the highway welcome signs.
 The club voted to order vests and name plates.

One of the projects for the coming year will be a community building. Leon Grosdidier and Joe Bomar were appointed in charge of the project.

The Jaycees have a concession stand at the football games. The proceeds are to go into something for the school.

New members welcomed into the club were Bob Stafford, Charles Edwin Cowart, Adron Gamble and Derron Thompson.

Postal Department Planning Christmas Service

Longer post office window hours, expanded delivery services and large-scale extension of the ZIP-coded parcel post speedup are planned for Christmas, Postmaster General John A. Gronouski has advised the local Postmaster, Grady Martin.
 Mr. Gronouski has outlined for the Silverton postal head three major new steps he has taken "for the best Christmas mail service the Postal Service has ever had."

1. Expanded post office window hours December 5 to 26 as deemed necessary by the local postmaster.

2. A six-day week December 7-31 for parcel post deliveries, instead of a five-day week.

3. Completion by November 1 of Phase III of ZIP Code parcel handling at about 310 more "sectional center" post offices (strategically-located mail massing points), providing faster delivery up to 24 hours or more for parcels with ZIP Code.

In Phase I and II, approximately 75 offices with receipts of \$5 million annually and above acti-

ated faster ZIP Code sorting and dispatch by September 1. The 130 in Phase III includes offices with receipts of \$1 to \$5 million.

In addition, many other sectional center offices with smaller receipts will have the program in operation by early December, in time to help speed delivery of Christmas gifts mailed with the ZIP Code.

The Postmaster General told Mr. Martin the Christmas plans are part of a nationwide program to bring postmasters into more responsible positions in postal management as "real partners in providing better mail service at all levels."

Through The Keyhole

Compiled by Orlin Grabbe and Wayne Rampley

This column is devoted to helping people's sins catch up with them. Satan knows all, sees all. (Hah! Hah! Guess who.)

We have heard that Mrs. Hinds needs to go into the "re-tail" business—cows, that is!

Etiquette: what you're doing and saying when people are looking and listening. What you're thinking is your business.

Weldon says there's 180 degrees in every teepee. And he can prove it, too.

John B: How can I teach a girl to swim?

Joe S: Put her in the water, hold your arms around her, and...

John B: But, it's my sister.

Joe S: Push her off the diving board! (The voice of experience.)

Who was the male teacher who started into the girl's restroom during one fifth period and backed out with a red face?

Think small. Big ideas upset nearly everyone.

A young man wise beyond his years paused before answering his teacher who had asked him to guess her age.

"You must have some idea," she said.

"I have several ideas," said the young man. "The only trouble is that I hesitate whether to make you ten years younger on account of your looks, or ten years older on account of your intelligence."

What do you get when you add up Travis and Ike and Dwin?

Nothing. You don't get anything. But it makes a lively English III class.

Marriage: your sweetheart is waiting up by the preacher, if he doesn't forget to come, and you get a shiny gold band on your finger and leave town. (Ruth Ann must have thought this one up.)

"Toots" and "Red" seem to be getting along okay, lately.

Is your best friend getting you down. More popular with the boys or girls. Win that drag race by half a car length? Well now you can fix his wagon! Just write down all the gossip you know about him and stuff it in the owl's nest. If

Sophomore News

The sophomore class met on September 15 to finish electing officers. After a reporter was chosen, the class members were acquainted with new rules concerning the class.

September 22 was set as the deadline for paying class dues.

FBLA Elects Officers Freshman Class News

As F.B.L.A. enters its 22nd year of operation, the local chapter is happy to be among the more than 3,200 chartered chapters with their 70,000 members.

The Silverton chapter of Future Business Leaders of America met Thursday, September 10, and elected Dianne Davis as president; Dwight Rampley, vice president; Elaine Boyles, secretary; Camellia Comer, treasurer; and Ruth Ann Minyard, reporter.

The National Association of Secondary School Principals has placed F.B.L.A. activities on the "Approved List of National Activities for 1964-65." As one project of the local chapter, several members have contributed money for securing a bush to plant in front of the new cafeteria. This project will be an aid to those members who are working on their Supervisor's degrees.

Sixth Grade News

Mrs. Jack Mayfield's sixth grade class elected officers on September 7. The officers are Bill Strange, president; Jim Davis, vice president; and Lynette Martin, reporter. The class elected Lanis Davis and Terry Bomar as representatives to the Student Council.

F.H.A. Holds Special Meeting

The Future Homemakers of America had a special meeting on September 17, during activity period. The point system was read, and it was explained that each member must have 200 points before she will be allowed to attend the Sweetheart Banquet.

Various numbers of points will be given for serving on committees, being a Big or Little Sister, donating articles to the homemaking department, working at bake sales, and other chapter activities.

The committees for the year were announced, along with the chairman of each committee. Members were asked to volunteer for the committee they wished to serve on.

Style Show Presented In Assembly

On September 16, Nancy Long, as mistress of ceremonies, previewed the new fall fashions being worn by the freshman boys. The five semi-finalists were Gene Smith, Randy Cantwell, Dale Sissney, Gary Weeks and George Masey. Of these, George Masey won first place; Dale Sissney, second; and Gene Smith, third.

Roy Ann Bomar then told of the advantages and disadvantages of being a freshman during Freshman Week. She concluded by thanking the upperclassmen for the interest they had shown in the freshmen. A skit was presented showing the various activities the freshmen were expected to participate in during their initiation.

The assembly was concluded by the presentation of gifts to Nancy Long and Tim Mattheus for being the most cooperative girl and boy during Freshman Week. The Student Council presents these gifts each year.

F.T.A. Has Fun Night!

The Sigma Eta Sigma chapter of Future Teachers of America had a Fun Night on September 14 at the PCA community room. There were games and refreshments. The purpose of the party was for enjoyment, as well as to encourage prospective members to join F.T.A.

The sponsor, Miss Zobie Self, and the F.T.A. officers were present. If any student who is eligible is interested in joining, please attend the next F.T.A. meeting.

You Have Been Tried And Proven!

You Freshmen have gone through the trials of Freshman Initiation and have emerged happy, if not quite so happy as you think. Don't be dismayed; your knees and hurt pride will heal. Then you will only have the memory of it left, and you will later treasure that memory.

When you are in the midst of Freshman Initiation, it may seem very foolish indeed. Later you will look back on it and laugh. One year later you will realize how important it was in helping to prove your character.

You were forced to be humble during initiation. Having experienced this humbleness will make you the kind of student that Silverton High can boast about. You will prepare you for a future leadership by helping you know how to meet any situation.

If nothing else, you freshmen will probably admit that initiation has taught you the importance of cooperating with others. You are a fine group of freshmen, and we, the upper classmen, are glad to have you in school.

Freshman Class News

The Freshman class had a regular meeting recently with most of the members present. Max Long moved that class dues be set at \$1.00. The motion was seconded and carried.

Shrinks Hemorrhoids Without Surgery
Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation H®. At all drug counters.

Labor Committee Named By T.E.C.

Five Briscoe County citizens, Robert Hill, Judge M. G. Moreland, Merle McMurtry, Bill Long and Rev. Julian Vigil will serve as a County Farm Labor Committee and met with Bill Day, manager of the Texas Employment Commission office recently to review the total seasonal employment needs developed by the TEC.

The Committee was presented with the figures of the TEC that Briscoe County will be short 150 cotton pullers during the peak period of the cotton harvest. This shortage will be met by the importation of Mexican National Bracero workers.

The Committee will function under Public Law 78, obtaining facts relevant to the supply of domestic farm workers existing in Briscoe County and the shortage of workers, if any, which must be met by importing Mexican Nationals to harvest the cotton crop. Under Public Law 78, the TEC must supply this information to the Secretary of Labor who must limit the number of Mexican Nationals to be used in this county by granting a "ceiling." The Committee consults with the local Office Manager to assist in estimating the number of workers who will be needed, based on current local conditions affecting the cotton crop.

"Ceilings" granted by the Secretary of Labor limiting the importation of Mexican Nationals into this area will be posted in the Post Office in Silverton, in the County Agent's office, and in the County Courthouse.

Chilled fluff . . . LIME-APPLE SOUFFLE DESSERT

Lime-Apple Souffle Dessert is all airiness. So easily achieved, too . . . simply canned apple sauce, ice cream and lime gelatin frothed high and light, then chilled.

- 1 3-ounce package lime flavor gelatin
- 1 cup boiling water
- 1 pint vanilla or fruit flavored ice cream (softened)
- 2 cups canned apple sauce
- 6 ladyfingers
- Whipped cream, or topping
- Maraschino cherries
- Grated lemon rind (optional)

Dissolve gelatin in boiling water; add ice cream and stir until melted and mixed. Chill mixture until it begins to thicken, then add apple sauce and blend thoroughly. Line shallow bowl with ladyfingers; spoon in pudding. Chill until firm. Top with whipped cream or topping. Garnish with maraschino cherries and if desired, sprinkle with a little grated lemon rind. Makes 6 servings.

Harvest cotton faster with a new John Deere

77 Stripper

For really fast, clean harvesting of stripper cotton, you just can't go wrong with the new John Deere 77 Stripper. You can wade right through the heaviest irrigated cotton. You can work at speeds up to 6 mph. You save more cotton, and put less trash in the trailer. The 77 has a new auger and paddle system which keeps cotton moving into wide conveyors. Positive chain drive keeps you going. Open rod grates drop trash on the ground. Sealed bearings eliminate greasing. We know this equipment can cut costs for you. Stop in or give us a call, and let's talk it over.
