A Turner family reunion was held at Tulia Lake Sunday. A basket dinner was spread at the noon hour. Eighty-nine relatives were present from five states, Texas, Tennessee, Colorado, New Mexico and Oregon.

Mrs. Lizzie Padgett of Pinesville, Oregon, the only member now living of the original Turner family, was present along with three sisters-in-law, Mrs. S. R. Turner of Silverton, Mrs. J. C. (Calhoun) Turner of Amarillo and Mrs. Bob Turner of Tulia.

Also attending from Silverton were Mr. and Mrs. Arnold Turner, Joann Turner, Mr. and Mrs. Orville Turner, Paula and Orville Baker, Mr. and Mrs. Obra Watson and Joe Bob Watson.

Others attending included Mr. and Mrs. O'Neal Watson and Mrs. Audrey Price, Amarillo; Amos Turner of McIntosh, New Mexico; Mr. and Mrs. J. C. Turner and son of Memphis, Tennessee; Mr. and Mrs. Roy Tiner and family, Hereford; Mrs. Clay Mercer of Lone Star; Mrs. Ben Hooper and Robert Turner of Tulia; Mr. and Mrs. Elmer Gilkeyson of Dallas.

Relatives were also there from Lefors, Wellington and other points in Texas.

Cookout Planned Saturday Night

L. O. A. Study Club members and their husbands are planning a swimming party and backyard cookout at the Ben Whitfill home Saturday night. Mr. and Mrs. Jack Mayfield are being honored with a going-away party.

Mrs. Mayfield is a charter member of the club, and will be moving later this month because her husband is planning to attend pharmacy school in Albuquerque, New Mexico, this fall.

Mrs. Richard Whitfill is the party chairman, and other hostesses are Mrs. Jim Edd Steele, Mrs. Donald Dale Kitchens, Mrs. Paul Williams and Mrs. Charles Sarchet.

Club Members Busy This Summer
The L. O. A. Junior Study Club members have been busy this summer. The Program Committee, Mrs. Larry Jarrett, Mrs. Randall Eddleman, and Mrs. Bill Durham, have been meeting on Tuesday afternoons, planning the meetings for the club year which opens on September 14. They met on Monday afternoon of this week and have another meeting planned Friday afternoon.

Several members of the club met at the home of Mrs. Paul Williams Tuesday afternoon to plan the club's entry in the Rodeo Parade to be staged next week. The float will be a little unusual in that it will feature a post script following on a second vehicle.

Club members often call on their husbands for moral support and assistance, and it is likely that some of them may be recruited to help with the float.

Longer Vehicles Due On Texas Roads

The Legislature has seen fit to allow the operation of longer vehicles on Texas highways. These vehicles can be a maximum of 65 feet. The present length for a combination of vehicles is 50 feet. The law has been changed as a result of the trucking industry seeking to improve the efficiency and quality of service to the public.

Mr. and Mrs. Troy Jones and family attended "Thundering Sounds of the West" in the Pioneer Amphitheatre in Palo Duro Canyon Monday night.

New officers will be elected for the coming year. This meeting will be open to anyone interested in becoming a Young Homemaker. Anyone interested in becoming a Young Homemaker is eligible if she is between the ages of 19 and 36 and out of high school.

In order to be eligible to vote on the new officers, new and old members must pay their dues, which will be \$5.00 per year.

Oscar Weeks of Tulia was a patient in a Plainview hospital last week.

These combinations commonly known as "double-bottoms," although used extensively, are virtually unknown in many areas of the country. Texas has been one of those areas. However, beginning September 1, 1965, we will begin seeing the "big-rigs" on our roads.

Purpose of the Texas Department of Public Safety articles on the larger vehicles is to point out to the motoring public that bigger and longer vehicles will soon be seen on the roads. And, though we occasionally see a long truck, mobile home, or oil field equipment on the highways and need to drive accordingly, these are not too numerous. The "double-bottoms" will be there day and night, especially on through highways.

In the past a vehicle combination of this type would have required a permit and would not have been allowed on the roadway at night.

Since the picture is changing, Texas motorists will need to alter some driving habits. Look for the longer and larger vehicles at night.

A Department of Commerce report shows that with a 10 m.p.h. speed differential (car at 60 and truck at 50 m.p.h., for example) it takes 15.17 seconds for the car to pass a 55-foot-long combination on a two-lane road. If the truck being passed is 65-foot long, the passing time is 15.75 seconds, only two-thirds of a second more.

Mainly, drivers will need to allow a little more time and distance in passing these vehicles and will need to watch for them on the roads by day and by night.

4-H Dress Revue Held Here Thursday Night

The Briscoe County 4-H Club Dress Revue was staged here on Thursday, August 5, 1965, following the judging of garments the previous day.

Carol Ann Montague was high point girl in the junior division and Joni Self emerged as high point senior.

The District Dress Revue is to be held in Lubbock today, and the junior alternate, Paula Montague, is substituting for Carol Ann as the latter is attending cheerleading school in Dallas this week.

Senior alternate is Laquita Bomar. Both seniors will attend the District Revue.

Awards were presented by Jack Strange. Mrs. Clyde Cain was narrator.

An informative program was presented by Mr. and Mrs. Troy Jones, and the welcoming address and introduction of guests was by County Agent Leon Grosdidier.

Theme of the dress revue was "Back-To-School," and the program "You Made" Plus Ready Made Equals Total Sum was designed to show the girls that part of their wardrobe could be made at home and part bought ready made to complete the wardrobe. The program was compliments of Salem Dry Goods.

Judges were Miss Gena Brazeale, Hale County Home Demonstration Agent, and Mrs. Floyd Terrell, Hale County 4-H clothing leader.

Mrs. Troy Jones and Mrs. Pascal Garrison served on the Decoration Committee. Mrs. Clyde Cain and Mrs. Gordon Lowery were on the program committee, and Mrs. Don Burson and Mrs. Obra Watson were on the refreshment

committee. In charge of dressing room and modeling were Mrs. Roy Montague and Mrs. J. L. Self.

Music was provided by Dianne Davis.

Girls modeling dresses in the junior division and winning blue ribbons were Debbie Bomar, Sharon Jarrett, Roy Garrison, Pat Jarrett, Juannah Nance and Lynette Martin. Receiving red ribbons were Kathy Self, Cathy Jones,

Barbara Lynn Davis, Rhonda Drewry, Rhonda Sweek, Lanell Stephens, Karen Miller, Barbara Ledbetter, Terry Jones and Carron Montague.

Girls scoring from 108 to 112 points on their garments received red ribbons. Girls with scores from 113 to 125 were blue ribbon winners. Carol Ann Montague was the highest-scoring individual with 118 points.

Briscoe County 4-H Dress Revue winners were Paula Montague, first alternate, junior division; Carol Ann Montague, high-point girl in the junior division; Joni Self, high-

point girl in the senior division; and Laquita Bomar, first alternate, senior division. Carol Ann was the highest-scoring girl in the event. —Briscoe County News Photo

The Brotherhood of the First Baptist Church met on Monday of last week for breakfast, and a work day for the church followed. An all-weather road to the Spanish and Negro missions was the project in which 12 trucks, county road graders and 2 loaders took

part. The loaders were used through the courtesy of Tomlin-Fleming Gin and Foger-son Lumber and Supply. E. A. Birdwell furnished the caliche, and the men of the church furnished the manpower. —Briscoe County News Photo

THE OPEN DOOR

"Behold, I have set before thee an open door . . ." Rev. 3:8
 by Rev. Clyde Cain
 I thought all of you might be interested in the testimony of Miss Vonda Kay Van Dyke of Phoenix, Arizona, who is Miss America for 1965: "I have been raised in a Christian home and have been guided by my parents along the paths that they felt were of God."
 "As a college junior last year, I lived in a dorm. When many of the girls turned 21, they immediately went down to file for the age cards. Now they were of the age to drink."
 "When my 21st birthday had come and gone and I had not applied for my card, the question 'Why not?' began to pop up."
 "My explanation was that I have been raised to believe that, as the Bible states, my body was the temple of the Holy Spirit. I didn't feel right in either drinking or smoking."
 "God gave me everything I have, so I feel that one of my responsibilities is to care for His gift of good health."
 "As Miss America for 1965, if I could persuade one person to turn down that first drink or that first cigarette, it would add dimension and value to my title."

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 11 proposing an Amendment to Article III of the Constitution of the State of Texas authorizing loans to students at institutions of higher education; creating the Texas Opportunity Plan Fund and making provisions relating thereto.

Section 1. That Article III of the Constitution of the State of Texas be amended by adding a new Section to read as follows: "Section 50b. STUDENT LOANS. (a) The Legislature may provide that the Coordinating Board, Texas College and University System, or its successor or successors, shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed Eighty-five Million Dollars (\$85,000,000). The bonds authorized herein shall be called 'Texas College Student Loan Bonds', shall be executed in such form, denominations and upon such terms as may be prescribed by law, provided, however, that the bonds shall not bear more than four per cent (4%) interest per annum; they may be issued in such installments as the Board finds feasible and practical in accomplishing the purposes of this Section."

"(b) All moneys received from the sale of such bonds shall be deposited in a fund hereby created in the State Treasury to be known as the Texas Opportunity Plan Fund to be administered by the Coordinating Board, Texas College and University System, or its successor or successors to make loans to students who have been admitted to attend any institution of higher education within the State of Texas, public or private, including Junior Colleges, which are recognized or accredited under terms and conditions prescribed by the Legislature, and to pay interest and principal on such bonds and provide a sinking fund therefor under such conditions as the Legislature may prescribe."

"(c) While any of the bonds, or interest on said bonds authorized by this Section is outstanding and un-

paid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the sinking fund at the close of the prior fiscal year.

"(d) The Legislature may provide for the investment of moneys available in the Texas Opportunity Plan Fund, and the interest and sinking funds established for the payment of bonds issued by the Coordinating Board, Texas College and University System, or its successor or successors. Income from such investment shall be used for the purposes prescribed by the Legislature.

"(e) All bonds issued hereunder shall, after approval by the Attorney General, registration by the Comptroller of Public Accounts, of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under this Constitution.

"(f) Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such acts shall not be void because of their anticipatory nature."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide for loans to students at institutions of higher education to be known as the Texas Opportunity Plan."

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 5 proposing an Amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments, except as modified herein. Said Board shall be composed of the Commissioner of the General Land Board and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The composition for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature."

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present."

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for

not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4 1/2%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds."

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any bidder for the purchase of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and the principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the

moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes here provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund."

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party."

"The Veterans' Land Board shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund."

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to

Texas veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and March 31, 1955, and who upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law."

"Said Veterans' Land Fund, to the extent the moneys attributable to any bonds heretofore issued and sold by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds."

"All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1956, shall be credited to said Veterans' Land Fund and may be used for the purpose of purchasing additional lands, to be sold as provided herein, until December 1, 1965; provided, however, that so much of such moneys as may be necessary to pay interest on such bonds shall be set aside for that purpose. After December 1, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon; and when there are sufficient bonds, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein."

"All of the moneys attributable to any series of bonds heretofore issued and sold by said Board (a 'series of bonds' being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds heretofore issued and sold

shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein."

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary."

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature."

"This Amendment shall become effective upon its adoption."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law"; and

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law."

If it appears from the returns of said election that a majority of the votes cast were in favor of same Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith."

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

SENATE JOINT RESOLUTION NO. 14 proposing Amendments to Section 4, 22 and 23 of Article IV of the Constitution of the State of Texas, so as to provide a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office and Secretary of State; and certain statutory state officers; providing for the necessary election and the form of the ballot; and providing for the necessary proclamation and publication.

RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 4, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 4. The Governor shall be installed on the first Tuesday after the organization of the Legislature, or as soon thereafter as practicable, and shall hold his office for the term of four years, or until his successor shall be duly installed. He shall be at least thirty years of age, a citizen of the United States, and shall have resided in this state at least five years immediately preceding his election."

Section 2. That Section 22, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 22. The Attorney General shall hold office for four years and until his successor is duly qualified. He shall represent the state in all suits and pleas in the Supreme Court of the state in which the state may be a party, and shall especially inquire into the charter rights of all private corporations, and from time to time, in the name of the state, take such action in the courts as may be proper and necessary to prevent any private corporation from exercising any power or demanding or collecting any species of taxes, tolls, freight or wharfage not authorized by law. He shall, whenever sufficient cause exists, seek a judicial forfeiture of such charters, unless otherwise expressly directed by law, and give legal advice in writing to the Governor and other executive officers, when requested by them, and perform such other duties as may be required by law. He shall reside at the seat of government during his continuance in office. He shall receive for his services an annual salary in an amount to be fixed by the Legislature."

Section 3. That Section 23, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 23. The Comptroller of Public Accounts, the Treasurer, the Commissioner of the General Land Office, and any statutory state officer who is elected by the electorate of Texas at large, unless a term of office is otherwise specifically provided in this Constitution, shall each hold office for the term of four years and until his successor is qualified; receive an annual salary in an amount to be fixed by the Legislature; reside at the Capital of the state during his continuance in office, and perform such duties as are or may be required by law. They and the Secretary of State shall not receive to their own use any fees, costs or perquisites of office. All fees that may be payable by law for any service performed by any officer specified in this Section or in his office, shall be paid, when received, into the State Treasury."

Section 4. The foregoing Constitutional Amendments shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendments providing a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office, Secretary of State, and any statutory state officer who is elected by the electorate of Texas at large, unless a term of office is otherwise specifically provided in this Constitution."

Section 5. Nothing contained in this Resolution shall be construed so as to extend the term of office of any officeholder previously elected to a two-year term.

Section 6. The Governor shall issue the necessary Proclamation for the said election and have the same published as required by the Constitution and laws of this state.
