All Around the Town

by Mary Ann Sarchet

The following is a tale about Daniel Boone which was told to Cleora Hallar by her grandfather, Clarrington (Mat) Fugitt. The story was furnished the Briscoe County News by Mrs. A. P. Dickenson, who is the former Cleora Hallar.

I was born in Kentucky and came to Missouri in 1835. My grandparents were Townson and Melinda Fugitt and Samuel and Frances Brown.

My grandmothers were sisters, their names being Melinda Cooper and Frances Cooper, sisters of Sabel Benjamin Barracklou Cooper.

The Fugitts were French, first spelled Fugate. My grandfather was a full blooded Frenchman. They moved from Virginia to North Carolina and then to Kentucky with Daniel Boone, the time he took the first white families, about 40 in number. They settled at Boonsbarrow (spelled Boonesborough in James Dougherty's story of Daniel Boone) and lived there a number of years until peace was declared with the Indians and then Grandfather Fugitt settled in Lincoln County at the close of the year, 1780.

Townson Fugitt assisted in the establishment of American Independence during the war of the revolution as a private in Virginia troops. Also in Lincoln County, Kentucky, Militia 1782 ("Virginians in the Revolution" by John Gaultney, page 291; Register Kentucky State Historical Society Vol. 125, 1927, pages 310-311).

Kentucky was laid off into three counties named Jefferson, Fayette and Lincoln. William Pope, Daniel Boone and Benjamin Logan were appointed to the important offices of commanding the militia of their respective counties.

You will bear, at this time Kentucky was a province of Virginia. I have heard my grandfather, Townson Fugitt, speak of the hard winter in Kentucky in 1781. Bread and stuff became very scarce. Deer and buffalo were so poor they were not fit to eat and the Spring following they subsisted on turkey peas until the next Fall when the corn matured. Boone, Howard and the other pioneers were kept busy keeping the stations supplied with meat. A good many of the emigrants had arrived late and were not accustomed to supplying themselves with wild meat. Therefore, they had to depend on Boone and his companions. The hardy settlers contented themselves to eat entirely on meat. In the autumn, they once more derived an abundance from the fresh and fertile soil. When the crop of corn was harvested the people of Kentucky had the greatest cause for rejoicing they ever had before or since.

Minerva Lee and I were married at the Lee farm, 7 miles north of Kansas City on October 15, 1847. Clarrington Fugitt's daughter, Hathe D. Fugitt, married Edward Carson Hallar of Blue Springs, and they were the parents of Cleora Hallar Dickenson of Silverton.

Mark Brooks of Berger and Christi Ward of Dallas are visiting their grandmother, Mrs. Jim Brooks. Mrs. H. L. O. Riddell spent Monday with Mrs. Brooks and the children.

Christi Ward spent Monday night with her grandparents, Mr. and Mrs. J. E. Ward, in Tulia.

Mrs. E. C. Newman visited Mrs. Julia Berry and Mrs. W. R. Newkirk in Floydada Monday. Mrs. Berry has been recuperating from broken hip bones, but is able to walk some now with the aid of a walker.

Mrs. Charles Cooper was brought home from Swisher Memorial Hospital Monday, and is recuperating from recent surgery.

Football is in the air—all across our nation summer jobs, vacations, homes and old cars were vacated by the teen-age boys as they fled to that one hundred yard field of green this week.

These young men are willing to face bruises, exhaustion and other discomforts in order to prepare for the moments of excitement in victory or despair in defeat.

I take my hat off to these fellows for many things that they learn on the gridiron will help them in the game of life. For you see, life has a preparation period, it has its moments of victory and its moments of defeat, yet all the while we must give the very best that we have.

The Divine Coach of our game will rejoice with us in victory, will weep with us in defeat and encourage us to continue to give our very best, always.

Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. SENATE JOINT RESOLUTION NO. 24 proposing an Amendment to the Constitution of the State of Texas by amending Article VII, Section 17, providing a method of payment for the acquiring, constructing and equipping of buildings and other permanent improvements at certain state institutions of higher learning; providing for allocation of funds therefor; authorizing the issuance of bonds or notes and the pledging of allotted funds for the payment of same; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 17 of Article VII of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 17. In lieu of the state ad valorem tax on property of Seven Cents (7¢) on the One Hundred Dollars (\$100.00) valuation heretofore permitted to be levied by Section 51 of Article III, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Two Cents (2¢) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the continuing payment of Confederate pensions as provided under Section 51, Article III, and for the establishment and continued maintenance of the State Building Fund as provided in Section 51b, Article III, of the Constitution.

"Also, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Ten Cents (10¢) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings and other permanent improvements at the designated institutions of higher learning provided that none of the proceeds of this tax shall be used for auxiliary enterprises; and the governing board of each such institution of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as

hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, and shall bear interest not to exceed four per cent (4%) per annum and shall mature serially or otherwise in not more than ten (10) years; provided further, that the state tax on property as heretofore permitted to be levied by Section 9 of Article VIII, as amended, exclusive of the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty Cents (30¢) on the One Hundred Dollars (\$100.00) valuation. All bonds shall be examined and approved by the Attorney General of the State of Texas, and when so approved shall be incontestable; and all approved bonds shall be registered in the office of the Comptroller of Public Accounts of the State of Texas. Said bonds shall be sold only through competitive bids and shall never be sold for less than their par value and accrued interest.

"The following state institutions then in existence shall be eligible to receive funds raised from said Ten Cent (10¢) tax levy for the twelve-year period beginning January 1, 1966, and for the succeeding ten-year period: Arlington State College at Arlington Texas Technological College at Lubbock North Texas State University at Denton Lamar State College of Technology at Beaumont Texas College of Arts and Industries at Kingsville Texas Woman's University at Denton Texas Southern University at Houston Midwestern University at Wichita Falls University of Houston at Houston Pan American College at Edinburg East Texas State College at Commerce Sam Houston State Teachers College at Huntsville Southwest Texas State College at San Marcos West Texas State University at Canyon

Stephen F. Austin State College at Nacogdoches Sul Ross State College at Alpine Angelo State College at San Angelo.

"Eighty-five per cent (85%) of such funds shall be allocated by the Comptroller of Public Accounts of the State of Texas on June 1, 1966, and fifteen per cent (15%) of such funds shall be allocated by said Comptroller on June 1, 1972, based on the following determinations:

"(1) Ninety per cent (90%) of the funds allocated on June 1, 1966, shall be allocated to state institutions based on projected enrollment increases published by the Coordinating Board, Texas College and University System for fall 1966 to fall 1978.

"(2) Ten per cent (10%) of the funds allocated on June 1, 1966 shall be allocated to certain of the eligible state institutions based on the number of additional square feet needed in educational and general facilities by such eligible state institution to meet the average square feet per full time equivalent student of all state senior institutions (currently numbering twenty-two).

"(3) All of the funds allocated on June 1, 1972, shall be allocated to certain of the eligible state institutions based on determinations used in the June 1, 1966, allocations except that the allocations of fifty per cent (50%) of the funds allocated on June 1, 1972, shall be based on projected enrollment increases for fall 1972 to fall 1978, and fifty per cent (50%) of such funds allocated on June 1, 1972, shall be based on the need for additional square feet of educational and general facilities.

"Not later than June first of the beginning year of each succeeding ten-year period the Comptroller of Public Accounts of the State of Texas shall reallocate eighty-five per cent (85%) of the funds to be derived from said Ten Cent (10¢) ad valorem tax for said ten-year period and not later than June first of the sixth year of each succeeding ten-year period said Comptroller shall reallocate fifteen per cent (15%) of such funds to the eligible state institutions then in existence based on determinations for the said ten-year period that are similar to the determinations used in allocating funds during the twelve-year period beginning January 1, 1966, except that enrollment projections for succeeding ten-year periods will be from the fall semester of the first year to the fall

semester of the tenth year. All such designated institutions of higher learning shall not thereafter receive any general revenue funds for the acquiring or constructing of buildings or other permanent improvements for which said Ten Cent (10¢) ad valorem tax is herein provided, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the uninsured loss so incurred may be made by the Legislature out of any General Revenue Funds. The State Comptroller of Public Accounts shall draw all necessary and proper warrants upon the State Treasury in order to carry out the purpose of this Amendment, and the State Treasurer shall pay warrants so issued out of the special fund hereby created for said purpose. This Amendment shall be self-enacting. It shall become operative or effective upon its adoption so as to supersede and repeal the former provisions of this Section; provided further, that nothing herein shall be construed as impairing the obligation incurred by any outstanding notes or bonds heretofore issued by any state institution of higher learning under this Section prior to the adoption of this Amendment but such notes or bonds shall be paid, both as to principal and interest, from the fund as allocated to any such institution. Sec. 2. rodeo and the practice rides have already started for the Labor Day weekend event.

More Ranchers will be participating than ever. They started practicing nearly three months before the event and the boys will take part in the rodeo, either in competition or in the many behind-the-scenes activities that are necessary to a successful rodeo.

The events range from bronc riding for the older boys to the famous stick-horse race in which the youngest boys, ages 5 to 8, navigate their mounts around barrels placed in the Ranch's arena. Professional rodeo stock is used by the older boys, and calves from the Ranch's own herd provide thrilling rides for the less-experienced Ranchers.

The highlights of the two-day rodeo is the naming of the Junior and Senior All-Around Cowboys. Members of the adult staff also saddle up horses and work in the chutes and the arena assisting the boys.

During the past 20 years the Boys Ranch Rodeo has become one of the most anticipated occasions, not only with the Ranchers, but with their many friends across the nation and this year the boys are going all the way to make the 21st Annual Rodeo the best one yet.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 11 proposing an Amendment to Article III of the Constitution of the State of Texas authorizing loans to students at institutions of higher education; creating the Texas Opportunity Plan Fund and making provisions relating thereto.

TEXAS veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and March 31, 1955, and who upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas, the foregoing notwithstanding any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"All moneys comprising a part of said Fund and not expended for the purposes here provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund, and which shall likewise be deposited to the credit of the General Revenue Fund."

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party."

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation in the same manner as purchasers of lands dedicated to the Permanent Free Public School Fund."

"All of the moneys attributable to any series of bonds heretofore issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds heretofore issued and sold

shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds heretofore issued and sold to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds heretofore issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"This Amendment shall become effective upon its adoption."
