

BRISCOE COUNTY NEWS

Owls Crown Diana Strange In Pre-Game Activities

Members of the Silverton Owl football squad presented their candidates for Football Queen in pre-game activities here Friday night. The Freshman candidate, Miss Diana Strange, was elected by the players to reign as Football Queen, and was crowned with the traditional football helmet and presented a bouquet of red roses.

Other candidates were Ruth Ann Minyard, Tina Weaver, and Venita Teeple. The girls wore formal gowns and were driven onto the field in a convertible provided by Simpson Chevrolet by the Student Council President, Joe Self.

In the game which followed, the Owls were staggered by a 33-13 defeat at the hands of the Happy Cowboys.

Happy's first score came on the second play from scrimmage the first time the Cowboys had possession of the ball. The score was made on a 65-yard run, and no conversion points were added.

Silverton fumbled the kick-after-touchdown, and Happy recovered on the Silverton 35-yard line. A pass was complete for a second touchdown, but an illegal motion penalty called the touchdown back and the Owls held the Cowboys to no gain.

Happy's second counter came on a pass play after Silverton was forced to quick kick. The extra point was earned and the Cowboys led 13-0.

Monty Smith ran the Owls' first score over and kicked the extra point, bring the score to a 13-7 total.

Happy came back with a touchdown drive and a good kick through the uprights added another seven points to the score for the visitors.

John Montague passed to Johnny McGavock, who moved the ball to the Happy 10-yard line late in the second quarter to set up another Owl score. Montague carried the touchdown, and the pass for extra points fell incomplete.

Happy scored two additional touchdowns during the second half to jell the 33-13 score.

Both the Owls and Cowboys defended their own goal lines successfully against offensive attacks during the game, and as the final whistle sounded, Montague had completed a pass to Randy Hughes at the Happy 12-yard line.

The Owls fumbled the ball three times, losing possession twice.

Penalties were about even, with each team drawing about 30 yards' worth. Silverton made 12 first downs as compared with 15 for the Cowboys.

Yards rushing as compiled by the Plainview Daily Herald were 197 for the Owls and 236 for the Cowboys. The Owls gained 52 yards in the air, while the same source listed Happy as gaining 97 yards by passing.

Silverton completed three out of nine passes, and Happy connected on four out of eight tries.

The Owls travel to Memphis Friday to face the Cyclones. Game time is 8:00 p.m.

Mrs. Glen Lindsey To Receive Award

Mrs. Lillian Lindsey of Silverton is one of 54 Plains Division employees of the Southwestern Public Service Company who will be honored Wednesday night at the 17th annual service awards dinner in Plainview.

Mrs. Lindsey will receive a 15-year award from Roy Tolk, executive vice-president of Southwestern Public Service Company, who will make all the awards presentations.

Roy Holland of Portales and Lee Westhoff of Plainview, with 40 years service, will be the senior honorees at the dinner.

A total of 292 employees with a combined service of 3775 years are being honored this year at service award dinners throughout the company's 45,000 square mile service area.

Farmers Union To Meet On October 12

Briscoe County Farmers Union will meet in the P.C.A. hospitality room Tuesday, October 12, at 8:00 p.m.

This will be an important meeting, and all members are urged to attend.

Mrs. Watson Douglas was a winner in the Textile Department of the Tri-State Fair, winning third place with an all-wool afghan crocheted in original design and color.

Arnold Services Held Wednesday

Funeral services for Frank Marion (Rusty) Arnold, 64, a resident of Briscoe County for 49 years, were conducted at 3:30 p.m. Wednesday in the First Baptist Church with the Rev. Clyde Cain, pastor, officiating.

Pallbearers were Clifford Allard, Ben Whitfill, Dean Allard, Alvin Redin, ohnnie Lanham and W. E. Schott, jr. Burial was in the Silverton Cemetery under the direction of the Silverton Funeral Home.

Mr. Arnold, truck driver for Redin Oil Company, was killed at about 6:30 a.m. Monday when his loaded gasoline transport truck missed a curve just inside the Floydada city limits, hit an electrical power transformer and building, and burst into flames.

Born June 30, 1901 in Arkansas, Arnold came to Briscoe County when he was 15 years old. He was married to Miss Stella Baird in Silverton on August 9, 1919. To this union was born a daughter, Mrs. Betty Ruth Roberts, who makes her home in Plainview. The couple also reared a niece, Mrs. Cienda Morehouse, who resides in Harve, Montana.

Other survivors are his widow, Stella; a sister, Mrs. Charlie Hudson of Los Angeles, California; and four grandchildren.

Mr. Arnold was a member of the First Baptist Church.

S.C.S. District To Elect Supervisor

The Cap Rock Soil Conservation District will elect a district supervisor on Tuesday, October 5, at 7:30 p.m. in the home of Bill G. Thornberry in the Antelope Flat community.

All landowners in sub-division 2 of the district are urged to attend. Voting will be by secret ballot to elect one landowner to serve a five-year term.

W. E. Autry, Aubrey Rowell, Joe Edd Burnett and James F. Bailey presently serve on the S.C.D. board of supervisors.

Sub-division 2 includes that portion of Briscoe County that is bound on the west by a line straight north from Silverton to the Cap Rock escarpment and then north along the escarpment to the Briscoe-Armstrong county boundary. The south boundary is a line east from Silverton along state highway 256 to the Little Fork of the Red River and along the river to the county line. The north and east boundaries are the Briscoe, Armstrong, Hall, Donley county lines.

Committee Meets Historical Survey

The Briscoe County Historical Survey Committee met Thursday, September 23 at 7:30 p.m. in the school cafeteria. Berton Hughes gave the invocation, and Mrs. C. O. Allard presided during the business meeting.

Alvin Redin reported that interest is high in the Schoolhouse markers project.

O. E. Stark, jr., chairman of the Survey Committee, reported that he had received a letter from Mrs. Alice (Brotherton) Naas in California, who is writing a history of Briscoe County. She has the research and two chapters completed and has plans to complete the book in the near future. Her father and mother both taught in the Silverton schools in 1934-35, and several present at the meeting remembered the Brotherton family.

Mrs. Marie Garrison, Museum Committee chairman, reported that her committee had met and discussed getting display cases and boards to display articles in the museum. The committee is working each Monday, getting the room ready for a museum. They will begin receiving articles in the museum soon, and if anyone has anything to be placed in the museum, they are asked to contact Mrs. Garrison.

Bill Griffin, chairman of the Veterans Cemetery Markers Committee, said in his report that he had written Austin for information and would write Washington if necessary.

Mrs. Berton Hughes, Publicity Chairman, gave a report on the State Convention to be held in Pecos and Fort Davis Thursday, October 23 through October 31. Several are planning to attend.

Guest speaker for the evening was Robert W. Goss of Tulia, chairman of the Swisher County Historical Society. He gave an interesting and informative talk, but did not paint a rosy picture. He said it would take a lot of hard work and strong leader to carry on the work, especially when money is needed to help the project. He complimented the Briscoe County chairman on the work she has done and the interest shown. He said the most important thing was a good organization and strong leadership. Team spirit is a good thing and a strong membership drive, he added.

Gordon Alexander was elected as the financial and membership chairman.

Mr. and Mrs. Berton Hughes were hosts, and served coffee and cakes to Mr. and Mrs. C. O. Allard, Mr. and Mrs. Joe Montague, Mr. and Mrs. R. G. Alexander, Judge and Mrs. Moreland, Mr. and Mrs. Alvin Redin, Mr. and Mrs. Carroll Garrison, Mr. and Mrs. O. E. Stark, jr., Mrs. Alton Johnson, Bill Griffin, Mrs. Myrtice Gillespie, A. D. Arnold, Roy Brown and Robert W. Goss of Tulia.

The next meeting will be in the County Courtroom Thursday, October 28 at 7:30 p.m.

Mrs. Chappell Wins 16 Ribbons At Fair

Mrs. A. H. Chappell added 16 ribbons to those won at the Floyd County Fair in previous years by winning six first-place, three second-place and seven third-place ribbons this year.

In the past five years, Mrs. Chappell has won 100 ribbons!

She won first-place ribbons this year for cross-patch quilt, apple-sauce cake, canned peaches, canned apples, and two for cut flowers.

Second-place ribbons were awarded for her pepper relish, and two cut flowers. Third-place ribbons were awarded for her no-cook candy, cross-stitched apron, crocheted pillow case lace, canned apricots, two cut flowers and whole wheat bread rolls.

Grand Officer Honored At Coke Party Here

The Grand Worthy Advisor of the Rainbow for Girls in Texas, Miss Shelia Frazier of Pasadena, Texas, was honored at a Coke party in the home of Mrs. George Long on Tuesday, September 21, at 3:30 in the afternoon. The Grand Worthy Advisor, a sophomore at the University of Houston, was making her official visit to Rainbow Assemblies in this area.

Ruth Ann Minyard, who was installed Saturday as Worthy Advisor of the Silverton Assembly, presided at the serving table which was laid with a white cloth. A centerpiece of lavender chrysanthemums had a Coke arranged in its center. Cokes, Dr. Pepper and cookies were served.

Twenty-two girls arrived from school to meet Miss Frazier, and seven members of the Rainbow Advisory Board and the Mother Advisory, Mrs. J. V. Self, also attended. Miss Frazier was presented a money corsage which will be placed on a large map of Texas at Grand Assembly to designate the Assemblies which have been visited. The money is donated to charity after being used for this purpose.

Haylake Club Sees Demonstration

The Haylake Club met September 21 in the P.C.A. community room with Vaughnell Brannon as hostess.

Mrs. Ima Nell Francis gave a demonstration on making grape decorations from beaded cooking crystals and resins.

Present were Ikie Bingham, Winnie Smith, Ruby Brannon, Susie Bean, Vaughnell Brannon, Mary Rampley, Maud McJimsey, Blanche Newman, Glennia Cornett, Elsie Cornett, Eudean Crow, Ella Leah Riddell, Opal Hyatt, Mrs. Horace Lightsey, and Mrs. Clyde Lightsey, the latter two ladies being visitors.

Mrs. Lightsey exhibited a beautiful windchimes, molded in different shapes and strung from a short piece of bamboo.

The next meeting will be all day October 12 for a quilting at the home of Ruby Brannon.

Meeting was closed with the exchange of gifts.

Young Homemakers To Meet Tuesday

The Young Homemakers will have a special meeting on October 5, 1965, at 3:30 p.m. in the high school homemaking department.

All members are urged to attend this important business meeting.

Open House Sunday At Mercer Home

An open house will be held Sunday from 1:00 until 6:00 p. m. in the new home of Mr. and Mrs. Clyde Mercer. The home has been completed recently by W. C. Donnell, and is located about 1/4 of a mile west of the family's original home.

MRS. VAUGHAN HAS SHOW HANGING IN AMARILLO

Mrs. Louise Vaughan has a one-artist show hanging at First Federal Savings & Loan Association in Wofflin Village in Amarillo.

Among the work are landscapes, westerns, still life and seascapes. The show has been on display since September 20, and will be hanging until October 8. A total of 23 paintings are being shown.

W.S.C.S. STUDIES "WOMEN IN THE SPACE AGE"

The W.S.C.S. met at the First Methodist Church for their weekly meeting, and heard Mrs. Bill Edwards give the program on "Where are Women in the Space Age?" She was assisted by Mrs. Hugh Nance.

After a group discussion, Mrs. J. S. Fisher served refreshments to Mmes. Bill Edwards, Arnold Turner, M. G. Moreland, Lem Weaver, George Seaney, G. Mayfield, Sliff Stodghill, Gene Morris, Hugh Nance, Gordon Alexander, James Alexander, and John Hinds.

Ruth Ann Minyard, Worthy Advisor of Silverton Assembly No. 304, Order of the Rainbow for Girls, is pictured with Mary Schott, junior Past Worthy Advisor; Shelia Frazier, Grand Worthy Advisor of Texas, and Mrs. J. V. Self, Mother Advisor of the Silverton Assembly. Miss Frazier, whose home is in Pasadena, Texas, was in this area making official visits, and was honored at a Coke party in the home of Mrs. George Long.

What 4-H Means To Me

by Laquita Bomar

On June 15-17, 1965, I attended 4-H Leadership Camp at Levelland on the South Plains College campus. From 8:00 a.m. until 5:00 p.m. each day workshops were held to train members for better 4-H Club work.

From 6:00 until 8:00 p.m. was set aside for supper, recreation and free time.

The camp was very helpful and taught many good things to bring back to our local clubs. I have at-

tended two years and expect to go again next summer.

by Carol Ann Montague

I have done and learned many things in 4-H this year. I attended leadership camp at Levelland, and thought it was really worthwhile. I learned many helpful things about being a junior leader.

My projects this year were foods and clothing. My leaders were LaNelle Montague and Carolyn Dress

Revue and placed first.

We learned how to plan and coordinate our wardrobes.

I am a member of the Senior 4-H Club and was elected secretary.

by Cathy Jones

This 4-H year has been the most enjoyable, educational one yet. It started with Leadership Camp at South Plains College in Levelland. I learned many helpful things for demonstrations, lectures and records.

Later, we prepared for the Dress Revue. Our class met twice weekly under the direction of Mrs. Gordon Lowery. We made school dresses. It was climaxed with our Dress Revue. I received a red ribbon.

I like 4-H very much. I have had fun learning to cook. I am looking forward to being in 4-H a long time.

—Debra Cantwell

by Barbara Ledbetter

I have been in 4-H one year. I have really enjoyed it.

My 4-H project was clothing. I like clothing and it will be my project again next year. I joined 4-H because I wanted to learn to sew.

by Lanis Davis

I'm in cooking in 4-H. It's lots of fun. I think it will help me when I get older.

We learn to follow directions of recipes. We learn to mix and measure things correctly. We keep our books up to date and once we had a picnic.

I want to be in 4-H this year, too. I like it very much.

by Joni Self

In my six years in 4-H, I have been given many opportunities to learn as well as to have fun. My subject matter leaders have devoted their time and effort to train me in the best way possible.

I have competed locally and at district in both foods and clothing. 4-H teaches its members early in life the meaning of competition.

I have attended District II Electric Camp two years and Leadership Camp at Levelland one year. We learned to make lamps, light yards, light houses, carry on meetings in an orderly fashion and to plan the year's program successfully. There is a great satisfaction in meeting between two and three hundred people at each of these camps. Indeed the best opportunity offered to me is the friendship of all 4-H members.

by Ricky Stephens

I have learned very much about tractors in the 4-H Tractor Club. My Daddy advised me to go, and so I did. I like it very much.

When we tried out for our ribbons, it was a lot of fun. We backed a four-wheel trailer first. Then we backed a two-wheel trailer, and we also had to find all the things wrong with a tractor.

by Carron Montague

4-H has helped me a lot this year. I have learned how to care for children and manage my money better. I have learned how to stretch my wardrobe.

In clothing my demonstrator was Carolyn Montague. I won a red ribbon on my dress. I learned how to make pleats, buttonholes and how to put in a lapped zipper.

LaNelle Montague was my leader in foods. I won a red ribbon on my salad.

In the Senior 4-H Club I am a Council Delegate.

MARVIN SELF

by Marvin Self

This last year in 4-H I made a little money. I had a spotted Poland and a Duroc, and in the Silverton show my pigs placed ninth and sixteenth.

Maybe this year I will do better.

by Paula Montague

I have been in 4-H four years. My projects were cooking and sewing. I have been in cooking three

years and sewing two years. 4-H is very interesting and I have enjoyed it very much.

by Andre' Grosdidier

My project was tractor driving in the 4-H Tractor Club. Our director was Joe Bob Watson. I learned the parts of the tractor and especially how to drive it. The main thing I learned was about the parts

I chose cooking so that I could help my Mother with the meals. This is my third year in cooking. I have been in 4-H four years. I

like to cook better than I like sew.

My brother is taking cooking his first year. I hope to be able to plan a meal by myself before I finish my fourth year in cooking.

What 4-H Means To Me

by Juannah Nance

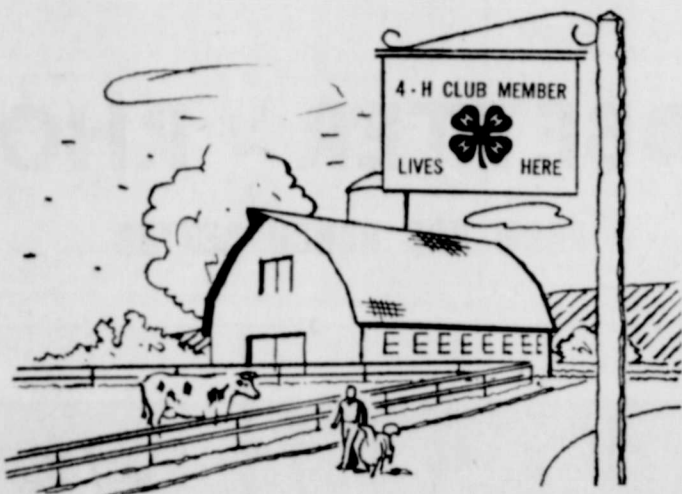

This summer at Leadership Camp we learned how to hold a club meeting and how to keep it

in order. We went to four workshops a day to learn more about 4-H work. Then we had activities at night. It was a lot of fun.

We're glad to join in celebrating National 4-H Club Week. We proudly salute 4-H'ers, and the local leaders who give freely of their time and talents.

Salem's of Silverton

Nance's Food Store

I made a dress in 4-H. We learned more advanced methods of sewing. Mrs. Gordon Lowery was my teacher. She helped us very much. I entered my dress in the Dress Revue and won a blue ribbon. We had fun but we learned a lot, too.

by Nancy Reid

This year for 4-H I took gardening and dog care. I didn't enter any judging. I have a dog and products for the winter. The products will take care of vegetables for my family during the winter. The dog, "T-bone," will watch the house while we are gone away.

My garden this year covered about one-fourth of an acre. We had corn, watermelons, beans, peas, tomatoes, onions, peppers, cantaloupes, carrots and okra. My Mother put up about 40 or 50 jars of beans and peas and froze more than 20 sacks of vegetables.

My dog is about a foot and a half tall and two feet long. He is nearly all black with a gray paw and a white stripe on his chest. His father is a German Shepherd and rather large. T-bone's mother is a German hunting dog. She is two feet tall and husky. T-bone is six months old but you would

KATHY SELF AND OTHERS AT ELECTRIC CAMP

by Kathy Self

think he is a year if you saw him.

by Barbara Davis

This year I went to both Leadership Camp and Electric Camp for my first year.

Leadership Camp was held at Levelland at the junior college. We went to assemblies first and heard lectures. We then went to different groups and discussed the lectures and played games. I learned how to lead different groups and to discuss topics better.

Southwestern Public Service Co. sponsored our Electric Camp. It took most of the day to get there by bus. We went to Clouderoft, New Mexico. We bought lamps to put together. We had different groups and put the lamps together from scratch. We also learned about wiring a house and we put in a fuse box and light. We learned about some ways to light your house and garden. They also had a manikin on which we practiced artificial respiration. I learned from all of these different activities about lighting and electricity.

by Rhonda Sutton

I have been in 4-H one year. I took cooking. I like to cook very much. Now that my sister and I both are in 4-H cooking classes, Mother doesn't have to cook all the meals.

I think it would be nice if more children were interested in 4-H. 4-H means a lot to me and it helps

by Jim Davis

My 4-H project I have been working on is tractors. Each year they have given me a tractor school that anyone can go to. We learned how to take care of a tractor and how to drive it. We also learned the rules and safety. After each school we have a test. They give ribbons to the winners.

I have been in 4-H three years, and have enjoyed it all.

by Elaine Branam

My 4-H story is about cooking. In 4-H we learned how to measure dry measures, how to make cookies, brownies and puddings. When we were through with our first book, we prepared a picnic for our parents.

In this first year of 4-H I have learned to prepare some foods that I have never before known.

Mr. Farmer!

GET THE VERY MOST BENEFIT FROM NITROGEN. APPLY LIQUID URAN NITROGEN ON THOSE GRAIN SORGHUM STALKS AFTER THEY ARE SHREDDED AND BEFORE PLOWING.

A FEW ADVANTAGES ARE:

1. Fast decomposition of stalk and fodder, resulting in timely and more economical cultivation practices.
2. A large percentage of nitrogen retained by soil after plowing.
3. Economical in cost and application.
4. No loss whatsoever at time of application.

THE OPEN DOOR

"Behold, I have set before thee an open door . . ." Rev. 3:8
by Rev. Clyde Cain

The future of our churches is certainly a matter of great concern. This article from "Christianity Today" is straightforward and to the point, and I want to share it with you.

VANISHED CHURCHES

It must be said that we need to beware of a shallow optimism about the church. In many lands it is passing through a time of severe testing. Persecution in Communist countries is ruthless and subtle. It is well known that Communism is out to destroy faith in God. Young people are being indoctrinated in atheism, and there is an

unending pressure on Christians to put loyalty to a Communist state above loyalty to Jesus Christ. Islam also is advancing in many areas, and even Hinduism is seeking to win back to its fold weak and uninstructed Christians.

Do we realize our responsibility to pray for these Christian brothers and sisters in lands where they are subject to pressure? The church in vast areas was obliterated in years gone by. We must face this as a real danger today.

There is an urgent need in all lands for the Christian church to be established in God's Word. Christian communities must be built up to meet the onslaughts of Communism and other ideologies. A mere nominal Christianity can never withstand the attacks that are being made against it.

BECKY PERKINS HONORED ON SIXTH BIRTHDAY

Becky Perkins was honored with a party on her sixth birthday Friday, September 24, by her mother, Mrs. Donnie Perkins.

The birthday cake was decorated in pink with pink candles, and the children were served pink cupcakes with cowboy and Indian decorations and pink Koolade.

Attending were James Carroll and Lori Mercer, Ronnie, Donna and Cynthia Hale, Faye Lynn and Roy Don Perkins, Timmy, Gerry and Dana Roberts, Patti and Amy Perkins, Rhonda Sweek and Lynn Smith. Her grandmothers, Mrs. Glenn Smith and Mrs. Ott Perkins, and several of the children's mothers were also guests.

Mr. and Mrs. Rusty Whitfill have returned home after a visit with Mr. and Mrs. Jim Whitfill and children and Mr. and Mrs. Edd Whitfill in Rockport and with Mr. and Mrs. Orville Turner and family in San Antonio.

Mr. and Mrs. Eugene Long and Mr. and Mrs. L. A. McJimsey were recent guests of Mr. and Mrs. Paul Claunch at Fort Sumner, New Mexico.

SP.5 Joedell Hutsell is back at Fort Bliss after having spent ten days recently with his parents, Mr. and Mrs. R. C. Hutsell, and other relatives. Joedell expects to be shipped to the South Pacific in the near future.

Mr. and Mrs. Marvin Reid of Kansas City, Missouri, are visiting his mother, Mrs. W. W. Reid, and sisters, Mr. and Mrs. Leroy Shipman of Plainview and Mr. and Mrs. P. H. McKenney.

Mr. and Mrs. Jerry Frizzell and Michelle are living in Amarillo, and he is a student at Western Republic College.

Mr. and Mrs. John Howard Burson and Jay of Canyon have been recent visitors with friends and relatives here. He is a senior at WT.

Mrs. Edwin Crass spent the weekend with Mrs. Alma Stephens at Stamford.

Chester Strickland of Denton and Lynn Wylie and daughter, Sherrie of Kansas City, Missouri, spent the weekend with Mr. and Mrs. Hugh Nance and family and also visited Sherrie's great-grandmother, Mrs. Will Smithee.

Mrs. R. A. Day of Matador was a weekend guest of Mr. and Mrs. Ware Fogerson and Mrs. Florence Fogerson. Mrs. Ware Fogerson returned her mother home Sunday afternoon and spent the night in Matador. She traveled to Lubbock before returning home Monday.

Mrs. Kitchens Feled At Bridal Shower

Mrs. Joe Kitchens, the former Novadell Owens, was honored at a miscellaneous shower held in the home of Mrs. L. E. Davis September 18, from 3:00 until 5:00 p.m.

Mrs. Davis met the guests at the door, and presented them to the honoree and her mother-in-law, Mrs. Louie Kitchens. Misses Pat and Sharon Jarrett, cousins of the bridegroom, and Miss Lanis Davis presided at the guest registry.

Mrs. Winfred Banister of Plainview and Miss Linda Fisch, also cousins of the bridegroom, served refreshments.

The bride's colors, green and white, were used in corsages for the honoree and her mother-in-law. The serving table was laid with a white lace cloth over green and the centerpiece was an arrangement of white mums surrounding a white styrofoam mobile home, above the door of which appeared the name Kitchens. The home was a replica of the home of the newly-married couple.

Green punch was served with green and white cake squares.

Mrs. Kitchens received an array of beautiful and useful gifts, including a set of stainless steel cookware from the hostesses.

Mrs. Peggy Jarrett of Lubbock was an out-of-town guest.

Hostesses were Mmes. B. L. Stephens, Berle Fisch, Ware Fogerson, Don Garrison, Lee Deavenport, Noel Deavenport, Jack Harris, Dock Wallace, Carver Monroe, Jack Estes, Silvertown; and Mrs. Winfred Banister of Plainview.

"Jet To Quebec" Is Topic Of Meeting

"Happiness Is a Jet to Quebec," will be the theme of the International Affairs program to be given by Mrs. Wayne McMurtry at the Century of Progress Study Club

as they arrived and startled everyone by modeling an ash blonde bouffant wig, in striking contrast to her own dark hair. Mrs. Peggy Jarrett, wig consultant from Skibell's in Lubbock, selected several other members to model wigs during the program.

Roll call was answered with "I've Got a Beauty Secret," followed by a devotional by Mrs. Long.

During the business session of the meeting, the club extended membership to Mrs. Jerry (Sue) Purcell and Mrs. William (Mary) Wristen. The club voted to again cooperate with the T.B. Patch Test in conjunction with the Silvertown Public Schools. Operation "Patch Test" will include students in the grades first and seventh and all teachers, and will be held in May, according to Superintendent J. S. Hinds and Mrs. Lois Francis, school nurse. Reasoning for grades one and seven are that beginning students have not been previously tested and students reaching seventh grade level are acceptable, due and ready for another test series.

Mrs. Wayne McMurtry introduced Mrs. Jarrett and her models. Mrs. Jarrett commented on each as the models presented themselves as quite different in appearance if not in personality. Mrs. Norman Strange wore an Oriental wig with full flip and Italian top of jet black in defiance to her own recently-frosted hair.

Mrs. McMurtry modeled an imported "red head" full wig with bangs and flip, which made her feel almost "at home" as she was able to comb her own hair in for the bangs. Accustomed to seeing Mrs. Flute Hutsell as one of the short-hair set, eyes flipped when Junis appeared in a longer version off black European wig.

Mrs. Long modeled a wig, and Mrs. Carl Bomar appeared as a blonde with vented hand-tied bouffant flip of European imported hair. Dorothy commented that "I didn't get to wear it long enough to really know whether blondes have more fun!"

At the conclusion of the program, a cherry-colored refreshment plate was served from a table centered with a wig modeled by a magazine model with a special hair wig spray can as base, surrounded by an arrangement of flowers in soft orchids, purple and pinks, which the more daring models dare to wear.

meeting on October 13 in the home of Mrs. Wayne Vaughan.

The Montreal holiday was enjoyed by Mr. and Mrs. Wayne McMurtry as the guests of International Harvester after the Brown-McMurtry dealership won the trip in a contest. Roll call will be "My Latest Plane Ride."

Mrs. V. E. Kidwell was in Tulia recently for a checkup on her recently-broken right arm.

COTTON CORSAGES — Mrs. Ray C. Bomar, left and Mrs. John Lee Francis of Silvertown discuss corsages made of local cotton which they are wearing while touring Canada. Two buses filled with residents of Plainview, Abernathy, Tulia, and other area towns left Saturday for a Canadian tour. All women on the tour are wearing corsages to publicize King Cotton. Other Silvertown residents making the tour are Mr. Francis, Mrs. Ruby Gilkeyson, Mr. and Mrs. Wade Steele. Plainview Daily Herald Photo

Assisting Mrs. Long was Mrs. Joe Montague, Mrs. John Gill, Mrs. Jim Mercer as co-hostess. Those attending and trying on hair pieces, wiglets or full wigs were Mrs. Wayne McMurtry, Mrs. L. D. Griffin, Mrs. Wayne Vaughan, Mrs.

The Holiday seasons are just about over and reading good books is good for the winter months.

In our Book Store we have in stock all kind of good reading books and good religious books.

We will be open to the public every week day except Tuesdays. You may come to see us at 301 Grady Street or Phone 2451. We also do special ordering.

We will be glad to serve you at any time.

EXTENDS A GRACIOUS WELCOME TO ALL TO ATTEND ANY AND ALL OF OUR SERVICES.

SUNDAY Morning Worship 10:30 a.m. Evening Worship 6:00 p.m. WEDNESDAY Evening 8:00 p.m.

Monty Smith was presented as the Pep Squad Beau at the Pep Rally last Friday. Pep Squad President Ruth Ann Minyard is shown giving him the traditional congratulatory kiss after he had received a megaphone autographed by all the Pep Squad members. Margaret Minyard and Kathy Hughes look on.

Skit Given In Last Pep Rally

The pep rally last week was opened with a skit which panto- mimed the football queen corona- tion. Each contestant was drawn into the gym in a red wagon.

Darla (Darrell) Long, dressed in a beautiful blue-flowered evening gown, was escorted by Connie Dudley. Dee Dee (Donald) Weast wore a blue satin evening gown, was escorted by Carol Ann Montague. Joan (John) Montague, wearing a long white formal, was escorted by Ginger Martin. Fanny (Van) May, escorted by Debbie Dickerson, was dressed in a short yellow formal. Tina Weaver presented Joan Montague with a pot plant and a kiss.

After a few yells, the coaches gave their views on the game with Happy, and Lannie Arnold and Jerry Perkins gave speeches. Monty Smith, senior candidate for Pep Squad Beau, was escorted into the gym by Margaret Minyard. Buddy Comer, junior candidate, was escorted by Kathy Hughes; Randy Cantwell, sophomore candidate, was escorted by Kay Strange; and Roy Dale Woods, freshman candidate, was escorted by Venita Teeple. After a moment of suspense, Ruth Ann Minyard

BE A GOOD AMERICAN

by Linda Fisch

To be a good American, we must be patriotic, not only to our school, our town, and our state, but also to our United States.

We need to take an active interest in our future, by voting in our school, city, county, state and national elections. By not voting, we deprive ourselves of our chance to voice our opinion in our government. We might say that we are only one. What could one do? But if enough join together, it could make a great difference. The failure to show enough interest to

vote not only hurts ourselves but others. When election time rolls around, we need to get out and urge people to vote. If we keep on failing to vote, someday it will be too late.

The "true American" seems to be coming a thing of the past. We need to strive to have each and everyone of us take an active part in helping ourselves and others to be good Americans.

Let's not let our don't-care attitude and lack of interest cause us to lose our freedom that we have strived so hard to get.

Student Leaders Are Recognized

Principal O. C. Rampley opened last week's assembly by reading an article entitled "The Teacher's Lament," and gave a short talk on what is expected of the student body. He stated that the student is the most important product

America has, and said that the teachers are here to help the students in every way possible.

Following the talk, the student leaders were recognized: Student Council Pres.—Joe Self Senior Class Pres.—Darrell Long Junior Class Pres.—Buddy Comer Sophomore Pres.—Tim Mattheus Freshman Pres.—Paul McWilliams FFA President—Jimmy Burson FHA President—Elaine Boyles FTA President—Monty Smith NHS President—Elaine Boyles "S" Club President—Monty Smith FBLA President—Linda Fisch Pep Squad Pres.—Ruth Ann Minyard

Annual Editor—Elaine Boyles Newspaper Editors—Linda Fisch Paula Turner

Cheerleaders—Tina Weaver, Connie Dudley, Debbie Dickerson, Carol Ann Montague, Ginger Martin Football Captains—Monty Smith Darrell Long

Football Queen Candidates—Ruth Ann Minyard, Tina Weaver, Venita Teeple, Diana Strange Pep Squad Beau Candidates—Monty Smith, Buddy Comer, Randy Cantwell, Roy Dale Wood Max Stephenson has been elected District Sentinel in FFA.

Tips On Taking Test

by Zobie Self

I would like to share with you these "Do's and Don't's" which may be helpful with the six-weeks test period approaching.

1. DO have a written study schedule. Know how much time you have to spend on each activity. This schedule should be flexible, not rigid, but should be used as a constant guide.

2. DO keep an examination schedule. This will include (a) the list of topics to be covered in the exam, (b) the textbook pages or other material to be included, (c) the purpose of the test in the overall scheme of the course, and (d) the type of questions to be expected on the test: true-false, multiple choice, short answer, matching,

completion, or essay.

3. DO review regularly, not just when exams are scheduled. This means daily review, plus a review after each main topic is covered. Research shows that learning is much more efficient when the student reviews the material covered on a regular basis.

4. DO make reviewing an active process. Study your class notes and skim over textbook material, asking yourself the relationship of major topics to the total subject. Make a list of, or recite aloud, the important points, facts, dates, vocabulary, or whatever seems to be outstanding in the material covered. Discuss the subject with one or two friends if this helps, but avoid studying with a large group because then you are apt to find yourself doing anything but studying.

5. DO try to predict what the teacher will ask for on the test. Different teachers favor different kinds of material and procedures. Learn your teacher's preferences by looking over your previous tests for ideas.

1. DON'T rely entirely on your memory for important information about tests, such as examination dates, purposes, extent of material covered, and types of questions.

2. DON'T wait for inspiration to strike before studying and reviewing. Keep up with your assignments is the most important key to examination success.

3. DON'T wait until the teacher assigns a test before you start preparing for it. It may be too late by then.

4. DON'T cram for exams. This may mix you up on what you have already learned, fill your mind with trivial details, and prevent you from getting needed rest and relaxation. Cramming can cause you to fear and hate all tests.

5. DON'T automatically blame the teacher if you fail. Something may be wrong with your present study methods, reviewing procedures, or test-taking habits.

- Lunchroom Menu -

Monday, October 4
Beef stew with mixed vegetables, green salad, cherry cobbler, bread, butter and milk

Tuesday, October 5
Frito pie with chili and cheese, corn, cabbage relish salad, Special K cookies, butter and milk

Pinto beans seasoned with salt pork, spinach, deviled eggs, fruit, cake, corn bread, butter, milk

Thursday, October 7
Pork sausage with gravy, creamed potatoes, buttered English peas, apple butter, rolls and milk

Friday, October 8
Hamburgers, pork and beans, pickles, onions, lettuce, tomato, oatmeal cookies and milk

"S" Club Officers Elected

The "S" Club met Tuesday, September 21, to elect new officers. Those chosen were Monty Smith, president; Darrell Long, vice president; Johnny McGavock, secretary; Joe Self, treasurer; and John Montague, reporter.

CHIT - CHAT

by Linda Sissney

An average day in Silverton High School is very different from other schools. Let's go through a few periods. Start with the first period; there is this girl in school who is indeed odd. I just can't figure her out. Tina, is it a new fad to come to class barefoot? If so, let us know!

Second period is indeed difficult for the juniors, or is it the teacher? I think we may get on his nerves just a little. Just the other day I heard William say, "See you tomorrow," and Mr. Grosdidier said, "Thanks for the warning."

FHA Beau, Mothers Are Elected

by Connie Dudley

At a recent meeting of the FHA, the chapter mothers, Carrie Dell Dickerson, LaVerne Long and Joyce Boyles, were elected. Elected as the Chapter Beau for 1965-66 was Darrell Long.

Sharon, Ruth Ann, Margaret, Kay, and all the rest.

Oh! yes, Elaine what kind of lessons have you been teaching in the lunchroom using napkins to demonstrate?

The rest of the periods are just normal! Believe me! Except . . . for the last period, chemistry is taught by Mr. Martinez. I have a question. Is it true that some of the girls can't boil water?

I've heard it but I can't believe it.

Oh yes, Kathy, what was it you were drinking from that bottle in chemistry?

This is a brief picture of what goes on in Silverton High School on an average day.

Max Stevenson Elected District F.F.A. Sentinel

With 17 schools in the Plainview District, Max Stevenson was elected the District Sentinel.

The FFA just finished its annual magazine drive, and Larry Comer was the highest salesman with Johnny Roy Weaver second. Because of their selling ability, the boys have won a trip to the National FFA Convention in Kansas City from October 11 to the 16.

The FFA Greenhand initiation is to be held October 5.

FROM THE NURSE'S OFFICE

by Mrs. Roy Francis

It hardly seems possible that a month of school has passed. Fortunately for all of us, there has been little sickness. With the onset of colder weather, however, colds and viruses will be on the upswing.

The first graders have experienced their first school physicals and amid such whispered comments as "I'm scared," "What will this do?" "Will you hurt me?" and "I don't want to be first," everyone turned out quite healthily. It should be mentioned that several of the children have not had smallpox vaccinations and this is necessary before they attend school.

Last week Miss Alta Harrison, State School Nurse Consultant, visited here to observe our health program.

Mr. Francis to his wife: Darling, this cake is simply delicious. Tell me, did you buy it yourself?

FTA HAS PARTY

by Linda Sissney

The FTA chapter had a party at the PCA building last Tuesday night. Prospective members were invited. Potato chips, Fritos, cookies and Cokes were served.

The students played cards, dominoes and other games.

Joey Bishop phoned this complaint to his service station: "You know that tiger you put in my tank? Well, it ate up my muffler."

Diana Strange was crowned Football Queen in pregame ceremonies last Friday night. Miss Strange, daughter of Mr. and Mrs. Norman Strange, was the Freshman candidate. Pictured with her are Tina Weaver and Venita Teeple.

Diana Strange Football Queen

Diana Strange, escorted by Wayne Rampley, was crowned as the 1965 Football Queen in a pregame ceremony last Friday night.

Other candidates were Ruth Ann Minyard, escorted by Roger Bingham; Tina Weaver, escorted by Jerry Perkins; and Venita Teeple, escorted by Johnny McGavock.

The candidates were driven onto the field in a 1965 Chevrolet convertible by Joe Self, Student Council President. The car was used through the courtesy of Simpson Chevrolet.

The candidates were escorted across the field between a line of Pep Squad girls and a line of football players. When the long-awaited moment had arrived, Announcer Grady Martin presented Diana Strange as the 1965 Football Queen.

Mr. Hinds: Won't you join me in a cup of coffee?
Mr. Summerfeld: You get in first.

"How can you treat me like this after I gave you the best years of my life?" Mrs. Francis asked.
"Good grief!" Mr. Francis shouted. "Those were your best?"

Sharon Martin held the bouquet or roses which was presented to the Queen by Co-captain Monty Smith. Kathy Hughes held the football helmet with which Co-captain Darrell Long crowned the Queen before giving her the traditional kiss.

ASK YOUR PUBLIC SERVICE MANAGER FOR COMPLETE INFORMATION

by Roy Garrison
In an encyclopedia, 4-H is simply explained as a training organization for boys and girls between the ages of 10 and 21. I don't

think the author of this article was ever a 4-H member, for if he had been a 4-H member at any time in his life, he could not have forgotten the joys of meeting new

What 4-H Means To Me

people, seeing new places, and learning how to do more things better for the good of his club, his community and his country.

I firmly believe in 4-H for ALL boys and girls. It can teach them so many things about themselves, others, and the world around them and how to contribute more to the good of these things.

The four years I have been in 4-H have begun to show in the way I act, look and think. My projects have been: beef calf, 2 years; bedroom improvement, 4 years; cloth-

ing, 4 years; foods, 1 year. Leadership, 1 year. In each project I've learned more about that project and how I can use it in my life.

Sportsmanship is one of the main points of learning. I am forever entering some of my work in some sort of competition. Someone always wins and loses so whether I win or lose I must do it with poise and a smile.

Group meetings, which are held monthly, play an important part in the learning of parliamentary procedure, first-aid and other such

works. Also how to fill out a record book is taught.

Each year an Awards Banquet is held and each 4-H member is given recognition for what he has done and completed.

In 4-H, camps and dtravel are important. There are county camps, leadership camps, electrical camps, 4-H Round-up, 4 HCongress and many more.

Fun is a main word in 4-H. The fun of working together, being with your friends (old and new; in 4-H you always meet new people) and enjoying games of all kinds.

My projects have helped me to grow in the 4-H's, head, heart, hands and health, for the good of my club, my community and my country!

by Ronny Vaughan

Last year I bought my two pigs from my Dad. They weighed 50 pounds each. I started feeding them in September and when I sold them in January they weighed 190 and 220 pounds. I won second and third places with them.

by Becky Stephens

My 4-H story is about cooking. In 4-H we learned how to measure

dry ingredients, and we also learned how to measure liquids. We learned how to make many fancy foods and learned how to make many things we can use in our daily lives.

by Barbara May

My 4-H story is about cooking. In 4-H last year we learned how to measure dry and liquid ingredients. We learned how to follow recipes and to use the stove correctly. We learned to work together and to cooperate.

We learned how to fix many fancy foods and many common foods. After 4-H last year we planned a cookout in the yard of one of our parents.

I plan to take 4-H again this year.

by Lois Stephens

I think sewing is fun. It will help me to sew when I get to be a mother. It takes a lot of work. I hope my Mother will let me make some dresses. I have made one dress, one cuptowel, and sewed up pieces of cloth. I hope the girls in 4-H will learn how to sew.

by Cynthia Sutton

This is my fourth year in 4-H. I have taken clothing three years, foods three years, and bedroom improvement one year. I have enjoyed it very much.

This year I took foods and bedroom improvement. I learned many things in bedroom improvement, and have enjoyed all the new things I got for our room. Of all the things I learned in bedroom improvement, I think learning to manage our money was the hardest and best thing for me. We got money for our project from a small cotton crop that my Daddy gave my sister and me.

I also took foods this year. In foods I learned to like and make many new things and to use some new electric appliances. I enjoyed it very much.

In all I think I have really profited from 4-H this year.

by Pat Jarrett

4-H means a lot to me and has for four years. Not only does it teach me how to sew, cook and feed an animal, but it also teaches me to become a better citizen. 4-H also helps to prepare me for my future life as a homemaker, doctor or any other profession or career I chose.

RAY MATTHEUS

Ray Mattheus, who recently entered the U. S. Army, is now stationed at Fort Polk, Louisiana.

Clayton Woods of Dell City transacted business here last week and visited relatives. Mr. and Mrs. Floyd Woods returned home with him for a visit.

Mr. and Mrs. Paul Russell of Dallas spent Thursday night of last week with his sister, Mr. and Mrs. Bruce Womack.

Mr. and Mrs. Jack Graham, Connie and Mike attended the Tri-State Fair in Amarillo on Wednesday evening of last week.

Mr. and Mrs. Randall Eddleman and Mr. and Mrs. Charles Sarchet attended the Hollywood Palace at the Tri-State Fair in Amarillo last Thursday night. On Saturday, the two couples went to the fair before attending the WTSU vs. Bowling Green football game in Canyon.

Mr. and Mrs. G. D. Schmidt recently hosted a family dinner honoring their son, Gene, who was leaving for Lubbock to attend Tech. Attending were Mr. and Mrs. Dick Franklin, Jerry and Beth of O'Donnell, and Mr. and Mrs. J. M. Thompson.

In 4-H Clubs, the offices you hold help prepare you for future life also, by teaching you to become less afraid of standing before a crowd to give a speech or how to take charge of a meeting. This is why I'm glad I'm a 4-H'er!
