this meeting.

Study Club Plans Christmas Program

Using the theme, "Happiness is Helpful Hints for Christmas," the Century of Progress Study Club will meet December 8 in the home of Mrs. Gene Morris with Mrs. Wayne Vaugha nas co-hostess.

A group discussion on holiday hints is planned with Mrs. Flute Hutsell to act as moderator.

Each member is to be prep to discuss one or more of the following: Christmas Card Ettiquette Decorations, Gift Wrapping Ideas, Chrisitmas Recipes, or How to Choose and Trim a Tree.

MUSCLES ACHE?

"I used to cry for no reason at all"

One of the first "change-of-life" danger signals

No wonder a woman feels like crying! The suffocating surge of hot flashes one minute; cold, clammy perspiration the next can make a woman wonder "What's come over me!" Change-of-life panic sets nerves on edge, fills her with

Proven help! Woman after woman in doctors' tests got remarkable relief from hot flashes, nervous tensions!

Some women worry themselves sick; some women do some-thing about awesome changeof-life symptoms. Thousands have found that Lydia E. Pinkham Tablets helped them as dramatically, as quickly as this gentle medication has helped other women. Not a new, johnny-come-lately rem-edy, but a tried and trusted "friend"...to relieve func-tional mid-life complaints...to relieve woman's burden of suf-fering! Get Lydia E. Pinkham Tablets today.

He reported that communication Mr. Robinson visited Viet Nam is so poor that people in one vil-Government to make a feasibility in the next village. He said that the Vietnamese were so happy to attend public meetings to vote for or against rural electrification by raising their hands because they have never had the voting privilege. He emphasized that those people do want the help of Americans and do appreciate what is being done for them.

Only a few Vietnamese have radios, and even though power lines run very close to some of the villages, most all of the people are totally without power in their at HSU.

homes. Transistor radios have been airlifted to the villages to improve the peoples' knowledge of conditions, but, according to Mr. Robinson, they will be of value only as long as the batteries last. He also said that Viet Cong villages could be recognized by the lack of friendliness in its

testing

Determine the Need of your Soils and Crops with a Soil Test

Doctors never prescribe medicine without making a diagnosis first. The same principle can be applied in treating your soil. Making a soil test will tell you what plant food elements are low - what Smith-Douglass fertilizer is needed to bring the supply of plant food into proper balance for high crop yields.

We are ready to assist you with a soil test, and make recommendations which will enable you to apply Smith-Douglass fertilizer economically, to produce more profitable crops.

DOLLARS ARE BIGGER

THAN

The dollar you get when you sell a bale of cotton is a GROSS Income Dollar. Out of it you must pay production costs and too often, there is not much left. The dividend dollar you get from your co-op is NET PROFIT. Labor, power and other costs have been paid. It may be 25 TIMES AS BIG as the cotton income dollar.

For your cotton, we offer trailer-to-textile mill service at the co-op gin. The best ginning equipment, experienced personnel, top notch service. Aggressive selling in world markets by your marketing assn.

Cottonseed crushed at a cooperative oil mill. Bales stored at efficient cooperative compresses.

QUALITY COOPERATIVE PLANTING SEED at farmer prices. Earnings from all these successful farmer-owned businesses returned to the men who grew the ca
