

All Around the Town

by Mary Ann Sarchet

Sheriff Vinson Smith called this week to ask us to have residents of this area asked to be on the lookout for lightning rod salesmen. He suggested that a check should be made on the salesmen before buying.

Lightning rod salesmen have been known in times past to travel through the country fleecing older people and widows of their money and promising to install lightning protection. There are salesmen of other products who are just as guilty, but the sheriff has had information that the lightning rod peddlers in this area might not all be on the up and up.

O. M. Dudley Is Precinct 4 Candidate

O. M. (Milton) Dudley has authorized the Briscoe County News this week to announce his candidacy for Briscoe County Commissioner, Precinct No. 4, subject to the action of the Democratic Primary in May.

In making the announcement, Dudley said: To the people of Briscoe County and the voters of Precinct No. 4, I am familiar with the county and precinct government and with roads and equipment and their maintenance.

I am also aware of the duties involved, and I feel that I am qualified to conduct the affairs of the County in a business-like manner.

I will try to see each one of you personally between now and the 15th of May. If I fail to do so, I would like for you to take this as a personal solicitation for your vote and influence.

Thanks,
O. M. (Milton) Dudley

Mrs. Beasley Enters Commissioner's Race

Mrs. Mary Beasley has authorized the Briscoe County News to announce her candidacy for commissioner of Precinct 4. She makes the following statements:

To the People of Precinct No. 4: I ask you to vote for me, so that I may be your Commissioner. If elected Commissioner, I will do my very best to serve the people in Precinct 4 and Briscoe County to the best of my ability, knowledge and judgment.

To the People of Briscoe County: I ask for your friendship and good will. I would like to take this opportunity to remind each one that January 31st is the last day to pay poll taxes.

Sincerely,
Mrs. Mary Beasley

Recent visitors with Mrs. V. R. Baker were Mr. and Mrs. H. O. Tomlinson and Cheryl of Duncan, Oklahoma; Mr. and Mrs. F. G. Pease and Farla of Tulsa, Oklahoma; and Mr. and Mrs. Raymond Graham of Kansas.

Mrs. Annie Edwards, Mr. and Mrs. Andy Reagan, Mr. and Mrs. Joe Davis and Mr. and Mrs. Edward Edwards and Lynn attended the funeral of Mrs. Lester Vaughan, sister-in-law of Mrs. Annie Edwards, in Memphis January 17.

Mr. and Mrs. Carl McVay and children of Pecos were recent visitors with Mr. and Mrs. Andy Reagan and Mr. and Mrs. Joe Davis.

Evelyn Gamble returned home Monday after having stayed with her grandmother, Mrs. Ola Powell in Hale Center for several weeks. Mrs. Powell suffered a broken hip early last year, and has been a patient in a Plainview rest home until recently, when she returned to her home in Hale Center and hopes to be able to care for herself.

Mrs. Jewel Kirk of Amarillo underwent surgery on her throat on Monday of last week in North-Texas Hospital in Amarillo. Mr. and Mrs. W. D. Peugh were here for her mother's operation, and report that she is doing satisfactorily.

Mackenzie Reservoir Work Date Scheduled

A target date of June 1, 1967, has been set for the start of construction on the Mackenzie Municipal Water Authority reservoir on Tule Creek northwest of here.

The tentative date was made public in an application submitted by the authority to the Housing and Home Finance Agency. A loan of \$76,500 was requested to finance preliminary engineering planning.

Don Bookout of Tulia, attorney for the authority, said it usually takes about two months for the applications to be processed.

If the loan is approved, more detailed engineering studies by Freese, Nichols and Endress of Fort Worth could be conducted and the project could then be brought before member cities for bond vote approval. Cities are Tulia, Lockney, Silverton and Floydada.

Should voters approve the bonds, the authority would be required to repay the principal of the loan, but no interest. If the issue is rejected, member cities would be out no expense and the government would write off the loan.

Mackenzie Municipal Water Authority engineers estimate in the application that total cost of the project, including land, right-of-way, engineering fees and construction costs, will amount to about \$5.8 million. Bookout said the estimate is strictly preliminary.

Proposed location of the dam and reservoir is on the Rex Rodgers property, except for a small section of land owned by Cephus Flowers. The dam would be built one-half mile west of the Tule Creek bridge on farm-to-market 284. At this point the three forks of Tule Creek—North, South and Middle—converge.

The lake will be from 3 1/2 to 4

Fertilizer Company Hosts Dinner Meet

Sun-Vue Fertilizers, Inc., of Silverton, was host to a farmers' meeting at the "66" Restaurant on Monday night. Darrell McWilliams, manager of the local firm, was master of ceremonies for the steak dinner.

Guest speaker was Chuck Hearn, sales supervisor for Smith-Douglass, a division of the Borden Chemical Company of Norfolk, Virginia. Color slides were shown and a discussion was heard on liquid fertilizers applicable to the Silverton area.

The manufacture of liquids at Sun-Vue's Lockney plant was described. Ed Stanford and Ed Vadder, two of Sun-Vue's owners, were introduced.

Eighteen farmers, ranchers and agri-business people attended and asked questions about their farms and ranches.

Mr. and Mrs. Dean Butcher and Michael moved to Tulia early this week. Mr. Butcher will be employed by the police force there.

Mr. and Mrs. C. D. George and Mr. and Mrs. Frank Peonio of Broadwater, Nebraska, were recent weekend guests for Mr. and Mrs. J. A. Ziegler, parents of Mrs. George.

Robert Harris and Mrs. May Harris spent a recent night here with Mr. and Mrs. D. F. Ziegler and Mrs. Linnie Martin. Mrs. Martin returned home with them for an extended visit.

miles long and will cover about 900 surface acres. Reservoir capacity is estimated at 54,000 acre-feet with a maximum depth of 148 feet and an average depth of 60 feet.

The First Southwest Company and Columbia Securities Corporation of Texas have been retained by the authority as financial consultants on the project. The firm will make a detailed study and submit a recommendation as to the type or types of bonds which the authority should issue to finance the project on an economical basis.

Authority directors have also expressed an interest in Public Law 89-117 passed by the 89th Congress on August 10, 1965, in which Section 702 makes certain allowances for grants for basic water and sewer facilities.

The law enables the Housing and Home Finance Administration to make grants to public bodies to finance projects for basic public water facilities (including works for storage, treatment, purification and distribution of water). The amount of the grant may not exceed 50 per cent of the development cost of the project.

The Christian Home
 The Christian Home is deeply and essentially a home of love. By love Christian grace is channeled into the home by Christian parents. They are in touch with the Source of Love. It is altogether possible that even before the home

was established there was a solemn pact made that the home should be pervaded by Christian love.
 Love becomes the communicating medium of the household. Love is received, love is given. Love is transmitted beyond the doors of the house into the community. It is in love that the ideals of the home restrain and spur the members of the home.

FIVE CAR ACCIDENTS INVESTIGATED IN DECEMBER

The Texas Highway Patrol investigated five accidents on rural highways in Briscoe County during the month of December, according to Sergeant W. E. Wells, Highway Patrol supervisor of this area.

The rural traffic accident summary for this county for the calendar year of 1965 shows a total of 30 crashes resulting in no persons killed, 20 injured, and an estimated property damage of \$20,655.00.

Briscoe County was one of the six counties in the Highway Patrol Amarillo district that had no traffic fatalities in 1965. Other counties were Donley, Foard, Hansford, Lipscomb and Sherman. Though none were killed in these six counties, 90 persons were injured and property damage reached \$156,448 during 1965.

"It is estimated when the final reports are tabulated, we will find that less people were killed in Texas traffic accidents during 1965 than in 1964," the Sergeant stated. The final count is expected to be about three per cent less than the 1964 all time high of 3,006 traffic deaths.

Mrs. W. R. Kendall, nee Lonis Thomas of Lockney has been a patient in the Lockney Hospital since January 14. Her sister, Mrs. Lee Deavenport, visited her Sunday afternoon.

Mr. and Mrs. Robert Haley Hill and sons visited Mr. and Mrs. Mike Wright and son in Greeley, Colorado; Mr. and Mrs. Jim Darden and children at Pine Bluff, Wyoming, and attended the Fat Stock Show in Denver, Colorado, recently. Enroute home they visited Mr. and Mrs. Ernest Davis at Texline. They returned home last Thursday after having been gone ten days.

As a party "Good Turn" here's a great billowy, snowy circle of meringue brimmed with tangy canned apple sauce, fluffed with whipped cream and vanilla pudding. The orange rind and the strawberries and mint add even more flavor.

Meringue Shell with Apple Froth Filling

- Meringue Shell**
 8 egg whites 1 1/2 teaspoons vinegar
 1/4 teaspoon salt 1 teaspoon vanilla
 2 cups granulated sugar 1/2 teaspoon almond extract
- Filling**
 1 3-ounce package vanilla pudding 1 tablespoon grated orange rind
 1 package unflavored gelatin 1/2 pint heavy cream, whipped
 1 cup milk Strawberries or fresh pineapple cubes
 2 cups canned apple sauce Mint

Have egg whites at room temperature, stir in salt. Using an electric beater, beat egg whites until they hold shape and are stiff but not dry. Add sugar a little at a time, beating in well at low speed. Add vinegar and flavorings, beat at high speed for 10 to 12 minutes, or until mixture is smooth, shiny and stiff. Cover a cookie tin with a piece of foil or brown paper; make a 9 or 10-inch circle on foil or paper. Spread meringue in circle to make a round about one-inch thick; heap remaining meringue around edges of round, then smooth together to make a ring leaving center open. Bake in a preheated oven, 275 degrees, for 45 minutes. Reduce heat to 250 degrees, and bake an additional 15 minutes. Turn off heat and leave meringue in oven for 3 to 4 hours, or even overnight, if desired. Or meringue may be removed from oven at end of baking time, cooled on rack and used at once.
 In a saucepan mix pudding and gelatin; stir in milk. Cook over moderate heat until mixture begins to thicken slightly, then stir in apple sauce. Continue to cook and stir until very thick; stir in orange rind. Cool mixture to room temperature, then chill until very cold. Fold in whipped cream and fill center of meringue shell with mixture. Garnish with strawberries or pineapple cubes and mint leaves. Makes 8-10 servings.

Star-spangled savings plan

Most of us think about the future in terms of paying off the mortgage, educating the children, providing a retirement income.

But with the world the way it is today, it's almost impossible to make plans for your own future without considering the future of your country, too.

When you buy U. S. Savings Bonds, your money takes on both jobs. It grows to build your financial strength.

At the same time, it helps Uncle Sam watch over our peace and security.

Why not give your savings dollars this double assignment? You'll be joining millions of American families who are investing in their country's future — and you'll probably feel pretty good about it.

It's easy to buy Savings Bonds on the Payroll Plan where you work. A \$50 Bond costs \$87.50, a \$25 Bond \$18.75, and you can buy them in installments for only a few dollars a pay day. Or buy them outright at any bank. No charge for the service.

Buy Series E Bonds for growth, Series H for current income.

Some nice things about Series E Bonds

- You get 3 1/2% more money when they mature
- You can defer the tax on accumulated interest until the Bonds are cashed
- You can get your money when you need it
- Your Bonds are replaced free if lost, destroyed, or stolen

BRISCOE COUNTY NEWS

January 31 Is Deadline For Paying The Poll Tax

State Democratic Party officials are most concerned that Texas voters are under a false impression that they no longer have to pay their poll tax in order to be able to vote in the 1966 elections, according to Will D. Davis, chairman of the State Democratic Executive Committee.

"Nothing could be further from the truth," Davis said. "A poll tax receipt or a valid certificate of exemption is still the only 'legal tender' acceptable as an admission

ticket into the voting booths of Texas."

The three federal judges who will decide the U. S. Department of Justice law suit to abolish the poll tax in Texas as a requirement for voting also have admonished Texans that they had better pay the \$1.75 poll tax levy before the January 31 deadline if they desire to vote this year according to Ben Whitfill, Democratic County Chairman for Briscoe County.

Whitfill said that the judges

have indicated that no final decision is probable for several months.

Payment of poll taxes for federal elections is no longer required, but poll tax payments for state and local elections are still necessary. All statewide officials, the Governor, Lieutenant Governor, Attorney General, Justices of the

Supreme Court, one of the three judges of the State Court of Criminal Appeals, the State Comptroller, State Treasurer, Agriculture Commissioner, Land Commissioner and one of the three members of the Railroad Commission are to be elected in 1966. In addition to these offices, due to the redistricting accomplished by the 59th

Texas Legislature, all seats in the Texas Senate and House of Representatives will be up for election during the primaries and general election of 1966. In addition to these statewide and district offices, many other district and county offices must be filled this year.

Failure to pay the poll tax before the January 31 deadline will disenfranchise any voter from participating in the election of state, district and county officials. Partial qualifications as a voter is possible through the obtaining of a "Poll Tax Not Paid" certificate, with which the holder may vote only for the offices of U. S. Senator and U. S. Representative in the elections of 1966.

Mrs. Farris Martin returned to her home Monday after spending several days in Swisher Memorial Hospital.

Johnnie Lanham returned home from Swisher Memorial Hospital Monday afternoon. He is recuperating from an emergency appendectomy.

Mrs. Ethel Hulsey, Charles Hulsey, Mr. and Mrs. Griggs Hulsey, Mr. and Mrs. Jim Jones and Janice of Lubbock; and Mrs. A. F. Badgett of Dallas were visitors with Mrs. H. S. Crow Sunday afternoon. Charles Hulsey, Mr. and Mrs. Griggs Hulsey and Mr. and Mrs. Jim Jones attended the funeral of their uncle, Jack Hulsey, in Quitaque.

Dwight Rampley, Larry McWilliams and Greg Towe, students at Southwestern State College in Weatherford, Oklahoma, are spending the between-semester vacation with parents and friends here.

Mrs. Winston Hamilton returned from Northwest Texas Hospital in Amarillo Saturday. She had been a patient there for several days.

Mrs. J. E. Vaughan was in Hollis, Oklahoma, January 17, when her parents, Mr. and Mrs. D. T. Johnston, observed their 63rd wedding anniversary. Mr. Johnston returned home with Mrs. Vaughan and spent last week here. They visited his brother, J. T. Johnston, 95, in Crosbyton, and other area relatives while he was here. J. C. Meeks and Danny Jane of Hollis, came Saturday to return Mr. Johnston to his home.

HOME NOTES

by Becky Hall
County
Home Demonstration Agent

The oldtimers say that this bit of weather is not typical of this time of year. At least we can appreciate some variety that's the stuff that gives life to our lives. If only we could keep the exuberance of the children. A small nephew of the Kyle Jones of Littlefield, peeked out their window the other morning and said, "Daddy, come look and look! All the trees are decked like Christmas this morn-

Our little boys have spent most of their lives on the desert, so have missed the beauty and the wonder of the sparkling snow and ice.

There are problems, though, for we adults must be responsible for keeping the family well and for trying to avoid colds. One thing we can all do is to be sure that we get our vitamin C every day. The body does not store this life essential ingredient, so every day we must get our requirement anew. Our need varies with age, sex and general health. But on the average, one-half cup of tomato juice will supply about one-fourth of the daily allowance of vitamin C recommended by the National

Research Council. An even better source of this vitamin, which is also called ascorbic acid, is the citrus fruit family. We get more vitamin C when we do not strain the juice or if we eat the pulp along with the juice. Some other sources of this vitamin include: bananas, liver, green leafy vegetables and especially those of the cabbage family, peppers, strawberries and cantaloupe. One would think that with such a variety of foods to select from, that no one would be inadequate in this nutrient, but statistics show otherwise. Prolonged lack of this vitamin causes bleeding gums, loose teeth, sore joints, loss of appetite and weight and fatigue, and in extreme cases, scurvy.

Last Wednesday, after braving the low ground fog to reach Quitaque, I was amazed at the wonderful show of interest of eight other women who had also braved the weather to organize into a club. After discussing their needs and desires, I'm most pleased to report that they decided to become the first home demonstration club in Briscoe County. They elected Mrs. Alton Johnson as their president; Mrs. J. T. Rogers, jr., as vice president, and Mrs. Walter Taylor as secretary-treasurer. Mrs. O. R. Stark, jr., will serve as their projects committee chairman. One of their first activities is to plan

Miss Jarnagin Is Shower Honoree

Miss Sheila Jarnagin, bride-elect of Jim Reid, was honored with a shower in the dining room of the "66" Restaurant from 3:30 until 5:00 p.m. Saturday.

ways and means of improving the homemaking department. Mrs. Earl Wise is the homemaking teacher and is also a member of the newly-organized club.

Mrs. Obra Watson honored this agent with a lovely welcome coffee at her home last week. Mrs. Aubrey Russell, the district agent, came up through the snow and ice and other guests were 4-H leaders who slipped and slid, as we all did, to find the right place to turn to Jessie's house. A little business was combined with a lot of pleasure. The 4-H-ers are very lucky in this county to have such an outstanding team of leaders, many of whom have been faithfully teaching and working with youth for many years. If you are not one of these leaders and you think you would like to be, there is to be some training given in February with your special needs and interests in mind.

with a white linen cloth and a centerpiece of large white mums was used. Punch, coffee and cake squares decorated with orchid flowers were served.

Hostesses were Mrs. Alton Steele, Mrs. W. E. Schott, jr., Mrs. Verlin Towe, Mrs. Ware Fogerson, Mrs. J. E. Jowell, Mrs. Coleman Garrison, Mrs. Don Garrison, Mrs. Elbert Stephens, Mrs. Frank Mercer, Mrs. Johnnie Lanham, Mrs. Fred Brannon, and Mrs. Ben Whitfill.

Mrs. Hall Honored At Welcome Coffee

Mrs. Robert Ledbetter and Mrs. Obra Watson were hostesses for a coffee to welcome Mrs. Becky Hall as Briscoe County Home Demonstration Agent on January 20.

Attending were Mrs. Hall and County 4-H Adult leaders active during 1965 as organization, clothing and foods leaders. They were Mmes. Marvin Montague, Don Garrison, Gordon Lowery, Pascal Garrison, Don Burson, James Davis and Nuke May. Seven other leaders were unable to attend.

Mrs. Aubrey Russell, District Home Agent, drove here in the inclement weather to meet with the group.

Raye Garrison of Texas Tech and Danne Davis of West Texas State University, were special guests.

Plans were made for a county adult leaders' meeting, to be held Thursday, February 24, at 7:30 p.m. in the P. C. A. community room. Further notice will be given concerning this important meeting.

D. T. Northcutt recently attended the Fat Stock Show in Denver, Colorado. He was met there by his daughter, Mr. and Mrs. Dave Kellam of Torrington, Wyoming.

Study Club Postpones Meeting Tuesday

L. O. A. Junior Study Club's regular meeting Tuesday afternoon was postponed due to a death in the immediate family of one of the members. The meeting will be held Tuesday afternoon, January 25, in the home of Mrs. Charles Sarchet at 3:45 p.m. Members are asked to bring typewriters and be prepared to write annual reports.

A new date for the Mothers' March will be selected and the business of the regular meeting which was postponed will be conducted.

Mr. and Mrs. Philip Smitherman and sons of South Plains and Mr.

and Mrs. Walter Bean and sons were Sunday visitors with their mother, Mrs. J. K. Bean.

MRS. LEM WEAVER IS W.S.C.S. HOSTESS

W. S. C. S. met January 25 at the Methodist Church for their first program, "Realms of Our Calling," given by Mrs. Carl Nunn. In addition to the lecture, a film was shown of the Methodist home for girls in San Antonio.

Mrs. Lem Weaver was hostess to Mmes. Bob Hill, Bailey Hill, M. B. Moreland, George Seaney, J. S. Hinds, Hugh Nance and Albert Mallow.

Among those in Amarillo for the Fat Stock Show were Leon Grosdidier, Mr. and Mrs. Art Sommerfeld, Mr. and Mrs. Jack Strange, Mr. and Mrs. Bud Vaughan, Mr. and Mrs. Johnnie Burson, Mr. and Mrs. Charles Whitfill, Mr. and Mrs. R. A. Edwards, Mr. and Mrs. A. T. Bingham, Mr. and Mrs. Runt Sweeney, Mr. and Mrs. Dee McWilliams and Shafe Weaver.

Mr. and Mrs. Jimmy Rhoderick visited members of the Stroup and Johnson families in Quitaque Tuesday.

Class Favorites Elected Here

Class favorites were recently elected by S. H. S. students. Senior favorites are Darrell Long and Elaine Boyles. Junior favorites are Tommy Edwards and Sharon Martin. The Sophomores elected Tim Mattheus and Debbie Dickerson. Paul Ray McWilliams and Juannah Nance were the Freshman choices.

-SCHOOL DAZE-

Last Friday was about the best day this school year! An unexpected holiday, even if it was snowing, is always welcomed by the students. Some of the teachers were even overheard to say that they were glad they didn't have to go to school!

Too bad Mr. Grosdidier didn't know about the holiday in time to avoid getting his bus stuck-well, anyway, Mr. Rampley happened along and helped him out.

Lots of kids had fun sledding on the streets and air strip. No serious accidents so far. Just a lot of black and blue spots and sprained muscles.

Nancy Long reported "no fun-had to stay in because of illness."

Snowballing has proved quite expensive to some. Howard T. lost his senior ring; Mary Lane Whitfill lost a nice ring, and Coach Stephens lost his wedding band. Maybe we can go on a treasure hunt if the snow ever melts away.

Here is a familiar quotation directed to the coach—"Sure you have a headache, but don't take it out on the basketball girls!"

Some are wondering if Coach Nutt's wife ever gets mad about the things he says about her. Chances are—she could never guess what he will say next!

Poor Kathy H.—guess she just can't help being so uncoordinated-like landing ker-splat in the gutter in front of school in the water and slush.

When it rains or snows we have a regular river in front of school and Mrs. Martinez went out the other day and JUMPED IN! If her legs had been longer she MIGHT have made it across.

EDITORIAL

by Paula Turner

There are different kinds of sportsmanship. A person who is a good sport has a good attitude toward himself, his team and his opponents.

A player must be really interested in a sport. He must be dedicated to it and keep his training. He must be willing to give up some things in order to become a good player.

A team member must have a good, positive attitude about his team. He must play for and with the team and not as one individual. He should always strive to do his best and not let his team down. A player must always remember that his opponent probably

wants to win as much as he does. When he wins, he should not feel elated because the other team lost, but because his team was good enough to win. When he loses, a person should not be mad at the other team, or make excuses. He should strive to improve his own team. A person with good sportsmanship will not try to get by with unfair tactics when he thinks the referee is not watching closely. Instead, he will always respect the other team and strive to win by good playing only.

Although it is difficult to become a truly good sport, every player should strive to be one.

From The Superintendents Office

A new course of study has been added to the curriculum of Silverton Elementary School. For many years we have needed a special teacher to help pupils with their reading problems. We now have such a teacher.

Mrs. Winnie Redin started Monday with such classes. Equipment and materials necessary for such classes are now available and should help solve some of the problems that have hampered pupils in this learning process. Some of the equipment consists of a tachistoscope, a controlled reader, and a tape recorded with individual head sets. We have hopes that the program will prove very beneficial to students who may need extra assistance.

DAFFYNITIONS

Psychiatrist: A mind sweeper
Baby Sitter: A teenager who acts like an adult while the adults are out acting like teenagers.
Wife: A woman who is willing to help her husband climb to the top of the ladder but then decides the picture would look better on another wall.
Middle Age: The time of life when your favorite night spot is a seat in front of the television.

Boys In Service

Here are more addresses of servicemen who are overseas. We again urge you to write them to show that you are thinking about them.

All that's standard to begin with on a Chevelle SS 396

PERFORMANCE THE CHEVROLET WAY

The standard engine in both the Chevelle SS convertible and hardtop is a 396-cubic-inch Turbo-Jet V8 with 325 hp. The standard transmission is a fully synchronized 3-speed with floor-mounted stick shift. (Yes, you can order a 4-speed or Powerglide. Strato-bucket front seats and console, too.) And the SS 396 chassis comes complete with

firm-riding, flat-cornering suspension and wide-base wheels with red-stripe nylon tires.

Is this the kind of no-compromise road machine you're looking for? Drop into your dealer's and point an SS black grille toward an open stretch of highway. You'll find out—quick.

Old Buildings at Fort Richardson by E. M. Schiwetz

FORT RICHARDSON

... a long time between paydays!

Across the western face of Texas, the brooding ruins of forts . . . here and there a restored barracks or hospital bring back a bloody page in history. A history that tells of marauding redskins thundering southward from Indian Territory, killing in their wake, pushing on to the Mexican border. A history that tells too of the hard and lonely life of the U.S. Army troopers who manned these strategic forts.

Fort Richardson, near Jacksboro, was one of the more important of these outposts. Here Kiowa Chieftains Satanta and Big Tree were incarcerated before their trial for a bloody massacre. But life in all frontier posts was much the same . . . best expressed by the soldiers themselves, "a long time between paydays."

BUT IT ISN'T SO FAR BETWEEN PAYDAYS NOW . . . with U. S. Savings Bonds!

Today, there can also be a long time between paydays for those who have not established the thrift habit. But through the U.S. Savings Bonds program you can take care of this situation quickly and effectively.

For example, with as little as 63¢ a day you can buy an \$18.75 Savings Bond every month. Keep this up for 40 months and you'll own a stack of Bonds worth \$1,000, at maturity, which cost you only \$750 in easy installments.

Buy U.S. Savings Bonds every payday automatically through the payroll savings plan.

Keep Freedom in Your Future with U. S. SAVINGS BONDS

Off with his head! The King, the Queen and the executioner were present. Alice and the prisoners, too, of course, but these were all. No jury, no public, no publicity. No newspaper reporters. In Alice's Wonderland even applause was "immediately suppressed by the officers of the court." Not so in America. In all criminal prosecutions the accused shall enjoy the right of a public trial, says Article the Sixth of the Bill of Rights of the Constitution of the United States. So people may know, newspapers must report these trials. This is not freedom of the press. This is responsibility of the press. Newspapers have no extraordinary rights. People do. Men have the right to a public trial and the right to know what happens in courtrooms. These are rights written into the Constitution and affirmed by the Supreme Court in 1829 when Mr. Justice Bagley wrote: "It is one of the essential qualities of a court of justice that its proceedings should be public." If people are to know the truth the newspaper must report the news. TEXAS PRESS ASSOCIATION 1716 SAN ANTONIO STREET GREENWOOD 7-8788 AUSTIN, TEXAS 78701
