Local Bank To Close Saturdays

Changing business conditions will result in a five-day week for personnel of the First State Bank in Silverton as of Saturday, March 5.

Customers are reminded that the local bank will not be open between 9:00 a.m. and 12:00 noon after March 5.

The change in banking procedure is due to the fact that area bank clearing houses have announced five-day work weeks, and with the closing of these institutions all-day Saturdays, it becomes impossible for the smaller banks to remain open.

"In the matter of time, it will make little difference," said Jack Strange of the new banking hours. "Closing all day on Saturdays will only result in a 180-minute shorter work week. It will mean that bank employees will have more time for their families and homes, and can plan in advance for weekend trips.

"Our only concern is a possible inconvenience to customers, which we hope to avoid. We hope that banking business will be done in advance of the two-day weekly holiday," Strange said.

The change to a Saturday-less bank week will wipe out some of the usual bank holidays, leaving

only six compulsory. These will include Christmas Day, New Year's Day, San Jacinto Day, Fourth of July, Labor Day and Thanksgiving Day.

Many banks in the South Plains and West Texas area have been closed all day Saturday for several years. With the large area banks making the change, directors of the local bank approved the new five-day week schedule to be effective March 5.

The seventh grade swamped the sixth grade 38-23 to begin the evening's activities. Lane Garvin led the seventh grade with 10 points followed by Bill Strange with 6, Monty Teeple with 5 and Alvin May with 4.

Marvin Self was high-point scorer for the sixth grade with 12. James Edwards made 5 and Ronnie Strange scored 4 points.

HOME NOTES

by Becky Hall
Home Demonstration Agent
Did the past few warm days give you the urge to start spring gardens and plant flower beds? One way to fulfill this desire while it is still early for planting beds, is to get your materials collected for planting seedlings in a hotbed or shallow box. Tomato seed should be sown 8 to 10 weeks before transplanting to the garden, to get an early crop. When the first pair of true leaves appears, the

plants may be transplanted about four inches apart each way. They may be transplanted into pots or paper cups and kept indoors until ready for the garden. Do not set the tomato plants in the garden until immediate danger of frost is over. Plant in rows three feet apart with the plants three feet apart in the rows.

For further information on gardening call our office or come by. You may get Extension bulletins such as "Vegetable Gardening" B-70, "Control of Insects in the Home Garden," L-642, by requesting them. Those in the Quitaque area may secure these bulletins and others from the bulletin rack in the First National Bank lobby.

We are pleased to announce that Mrs. Louie Kitchens has volunteered to work as an adult gardening projects leader with some of our 4-H'ers who are interested in learning about gardening.

As a reminder to the County Program Building Committee, place on your calendars for next week the County Program Building Committee meeting 7:30 Tuesday night, March 1, in the county courtroom.

For those who have questions about the Medicare Program, a Social Security representative will explain the Medicare insurance program Thursday, March 3, at 7:30 p.m. in the county courtroom. If you are eligible for this coverage, be sure to secure information enough to make your decision whether to enroll or not, before March 31, 1966. After that date, it will be too late to enroll in the Medicare Program.

When I was in the First State Bank the other day, Bessie Garrison said that she really enjoyed the Kentucky butter cake recipe. Pauline Jarnagin had been served

some of Bessie's cake and she surely liked it, too. If yours or one of your family's favorite cake happens to be chocolate, my mother (Mrs. Sid Pace of Littlefield) gave me a new chocolate cake recipe. My little boys think it is the best ever.

What If I Were A Coach

by Bill Strange

If I were a coach I wouldn't run the kids very much, just enough to keep them in good shape. I would rather coach football than any other sport. If I were a coach I wouldn't let one player on the team play where he wanted to just because he thinks he's good. I would like to have a winning team, but I realize that most coaches don't. I would also chew and not smoke. If I were a coach I would make them work out every day. If a player wasn't trying to do his best I would give him some good hard workouts or kick him off the team. I think coaching would be very much fun.

Before their engagement, Max took Kay to dinner, and was ordering their food, when he asked, "How would you like your rice?" She immediately answered, "Thrown!"

Guess it worked, huh Kay?

Dr. Armstrong Speaks In Assembly

Speaker for assembly last Thursday was Dr. Tilden Armstrong, who was conducting a revival at the local Methodist Church. Dr. Armstrong is the District Superintendent of the Abilene District of Methodist Churches.

Dr. Armstrong compared the use of isometrics in football to the use of isometrics in religion. He stated that as a football player strains against immovable objects a Christian must strain against temptation.

Letters From South Viet Nam

Earlier this month, the Silverton F.H.A. Chapter mailed 28 pounds of candy, cookies, etc. to boys in South Viet Nam. Several of the girls enclosed Valentines and pictures of themselves in the gift box. The following letter was received by the Chapter this past week:

"Dear F.H.A. Chapter: "Operation Christmas Star" will be remembered by all of the military serving here in Viet Nam as one, if not the finest gesture the people of the United States could possibly give their Military Forces.

"Now here in February, our local Red Cross Director called to have a package picked up that he received in his office. Upon opening and finding Valentine cards along with cookies, I felt the spirit shown during Christmas was still being carried on.

"A deep debt of gratitude goes out to all of you from the men of Headquarters Company, 18th Engineer Brigade for your thoughts and appreciation for us and all American Forces in Viet Nam.

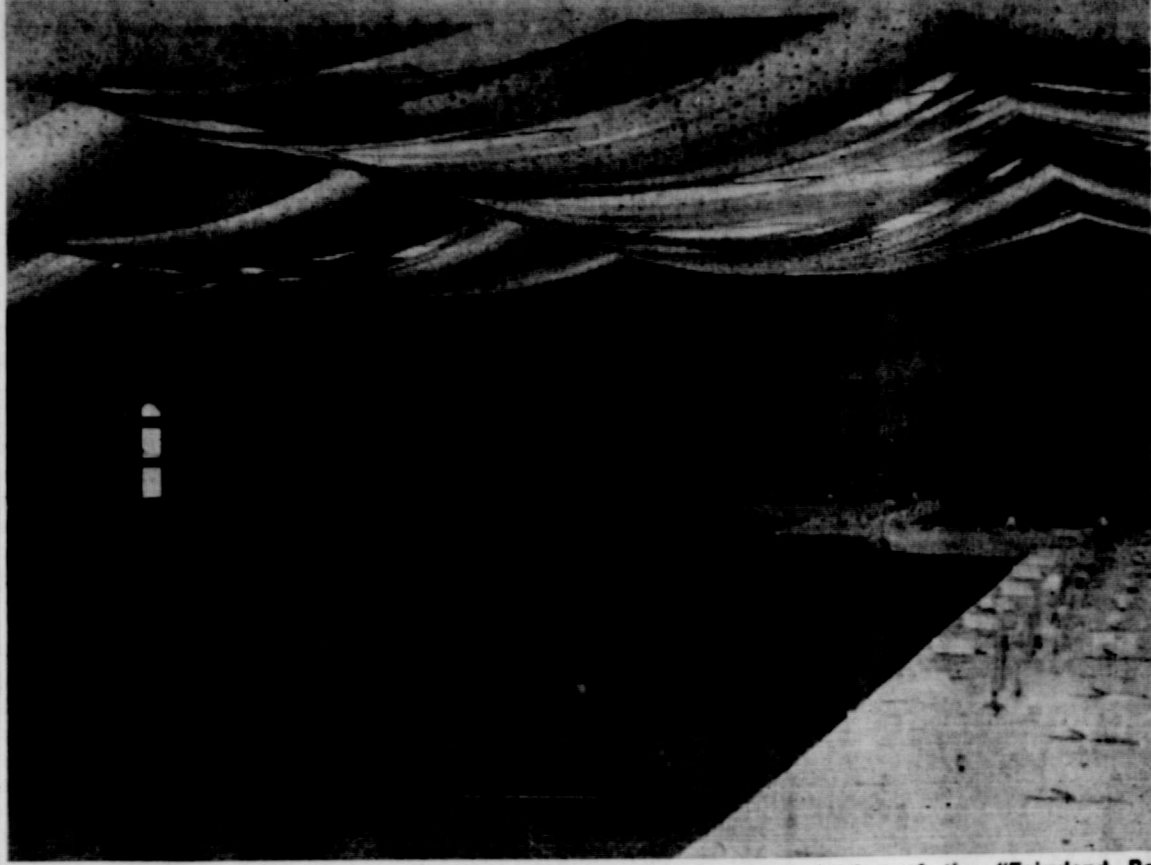

"You can be justly proud of your abilities. The cookies were Tremendous. Sincerely, Albert Wensel, Brigade Special Services NCO"

Several of the girls have received letters from individual boys who appreciated the gifts enough to write. Here are excerpts from some of them:

"Dear Debbie, "It isn't often that I've gotten Valentines, much less from such a cute girl. But today I was lucky—I got one from you and also from Linda (Sissney) and Ian. . . Thank you for taking the time to send it and THE PICTURE!"

"Dear Miss Martin: (Johnnie) "Thought you might appreciate a thank-you and also to let you know it reached someone. I enjoyed the Valentine card very much. I guess I was just luckier than most, getting it handed to me. . . That picture of you was real cute, wish I was from Texas. But I'm from Alliance, Ohio, quite a ways from home over here. It's nice to know someone thinks about us over here. I'll say it again, thank you for the card. It was greatly appreciated. PFC T. R. Slingerland"

EDITORIAL

by Paula Turner

February 19-26 was proclaimed FFA Week in Texas by Governor John Connally.

The FFA is a very worthwhile organization and deserves credit for the outstanding work it does.

FFA members learn through active participating how to conduct and take part in a public meeting; to speak in public; to buy and sell cooperatively; to solve their own problems; finance themselves; and to assume civic responsibility.

The organization was built on a foundation of leadership and character development, sportsmanship, improved agriculture, organized recreation, citizenship and patriotism.

Silverton has a good, active chapter of which we should all be proud. We congratulate them on their fine organization during this FFA Week.

S-CLUB NEWS

The S-Club met February 15, to choose a pin for this year's seniors. A certain type pin was chosen, and it was left up to the seniors whether they wanted a basketball, football or track pin.

"I received this Valentine addressed to 'Any soldier in Viet Nam.' It had the picture of a pretty girl with the name Pam Thompson. At the top it had the name Elaine Boyles with her address. So, I don't know who the picture belongs to—I think you're trying to mess me up.

"... This is the first such mail like this that I've received. . . It's nice to know that someone is thinking of us over here, even though you don't know us. I know this might have sounded corny, but it depends on which side of the world you're on. . . PFC Dave Bowman"

"Dear Ian:

"Today was my lucky day—got a Valentine from you. . . Thank you very much, Ian, for the time and thoughts. . . Not only I, but everyone over here appreciates what you and others like you are doing and have done. Really, that's why we are here—because there are such wonderful people like you and we want to keep it that way.

"Six months have passed since I arrived in Viet Nam. Just six more to go before I return to the U. S. A. Can't wait! . . . Captain Lyle G. Surprise"

"Dear Linda, (Scott)

"Thank you for the nice Valentine. I hope to be home with my wife and son in a few weeks. I wish you luck in your homemaking future. Lt. Stan Walker"

"Dear Melody,

"Since I'm sure that you and I have never met, maybe I had best introduce myself. . . It was a real pleasure to receive this from a Texan. If you haven't already guessed, I'm a Texan also. . . I went to college in Huntsville (Sam Houston State, not the State Pen) and then at the University of Houston. Then Uncle Sam found me and here I am at a place called Tan Son Nhut. . . I'm really lucky though, since in about 40 days I will be a civilian and be able to come back to the States. I sure will be glad to get back to the good old U.S.A."

If such a small thing as a Valentine could mean so much to the servicemen in Viet Nam, think what a letter to your own friends and loved ones who are away from home would mean to them!

Students Present Skit In Assembly

The Typing II students recently presented a skit entitled "Boss vs. Secretary" in assembly. Characters in the play were portrayed by Kathy Hughes, Linda Mercer, Randy Hughes, Sharon Martin and Kay Strange. Linda Sissney was the announcer.

The scene was an outside office of a small business. Kathy, Linda and Sharon were inefficient office workers. The day came when they were caught. Kathy left before she was fired. In her place came a new secretary who was very efficient played by Kay. She was indispensable and anticipated her boss's every wish.

BRAIN TEASER

Jim had two candles, one an inch longer than the other. He lighted the longer one at 4:30 p.m., and the shorter one at 6:00 p.m. At 8:30 p.m. they were both the same length. The first candle burned out at 10:30 p.m., and the second at 10:00 p.m. How long were the candles before Jim lighted them?

The 15 congregations will meet to discuss the subject, "Make Disciples of People of All the Nations."

Eleven nations, chiefly in Russia and her atellite countries, have forced Jehovah's Witnesses' ministry underground."

The training program at this assembly is designed to accomplish the discipline work by promoting home Bible studies with interested persons. Tiffin said, "Disciple means 'one who receives instruction from another, a learner.'"
