by Mary Ann Sarchet

Texans who failed to pay their poll tax have another chance to register for a vote in the 1966 elections. This time it's for free.

Registration period extends from March 3 through March 17. Any citizen eligible to vote can sign up with his county tax assessor-collector and his name will be placed on the poll list at no charge.

So reads the "emergency" provision in the new voter registration act just passed by the Legislature and signed into law by Governor Connally.

Hereafter, free registration will take place from October through January each year.

There is one possible hitch. Attorney General Carr fears that names of those who sign up during March won't be available for local elections already slated on bond issues, local option liquor questions, etc. He asked the three federal judges who banned the poll tax to put off their order until March 26.

Estimates of the number of Texans who will take advantage of the free right to vote vary widely — from 50,000 to 1,000,000. Any figure approaching the latter could make a substantial difference in the outcome of many local and some statewide elections. Indications are that the number of new voters will be nowhere near that high, however.

All who paid poll taxes by January 31 will be entitled to vote as usual, without pre-registering.

Soon the only question remaining will be: "How will the state raise the \$1.75 tax lost when the new law was enacted?"

### Cub Scout Pack Meeting Held Here

The basement of the First Methodist Church was the scene of the meeting of Cub Scout Pack 262 on February 22, with Cubmaster Alvie Francis presiding.

Den 1 was in charge of the program and the theme was transportation. Each Cub participated with sketches of land, water and air. Mrs. Joe Lee Bomar is their Den Mother.

Application for a new den was made. Mrs. Joe Davis will be the mother of the new den.

Applications for membership in Cub Scouting were made by Tommie Jeff Davis, Brett L. Gill and David Brad Ziegler.

Den 4 will be in charge of the program for the March meeting under the direction of Den Mother Mrs. Harold Storie.

Other Den Mothers are Mrs. John Gill and Mrs. Henry Juarez.

Awards were presented to: Mikel Griffin, one gold arrow point, three silver arrow points; Gary Storie, one silver arrow point; Scott Garvin, one gold arrow point; Riley D. Ziegler, one gold arrow point.

All Cubs who were eligible were issued 1966 Wolf Badge cards.

Committee members present were Harold Storie, L. D. Griffin, and Riley Joe Ziegler.

### Community Club Has Regular Meeting

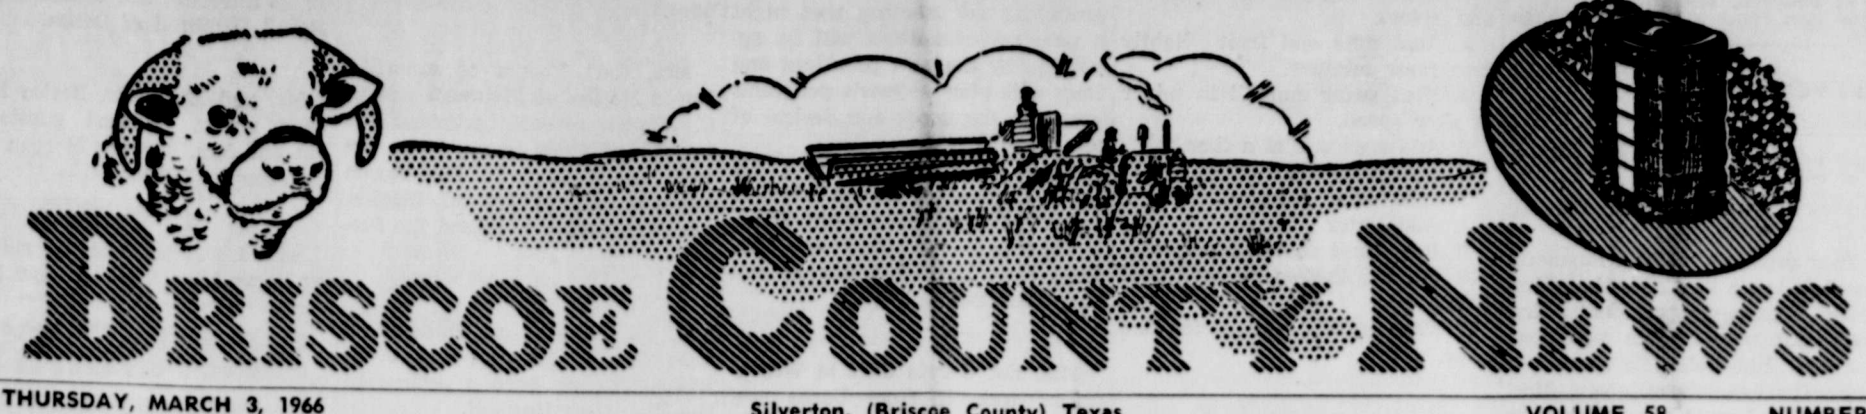

The Claude Crossing Club met February 24, in the home of Mrs. Pascal Garrison with 12 members and three visitors. The club welcomed Mrs. Gladys Arnold and Mrs. Marvin Stephens as new members.

Mrs. Becky Hall was guest speaker and gave the requirements for organizing a Home Demonstration Club.

Next meeting will be with Mrs. on Garrison.

Members present were Mrs. Eddleman, Mrs. Don Garrison, Mrs. Obra Watson, Mrs. G. Arnold, Mrs. Stephens, Mrs. G. Mayfield, Mrs. Albert Mallow, Mrs.eryl Long, Mrs. Gordon Alexander, Mrs. Dona Gauntt, Mrs. Arld Turner. Visitors present were Mrs. Hall, Mrs. George Seaman and Mrs. Gordon Lowrey.

Sunday dinner guests of Mrs. P. Rampley were Mr. and Mrs. George W. Rampley and children Rosewell, New Mexico, Mr. and Mrs. O. C. Rampley and Wayne and Mrs. D. H. Davis.

# Public Schools Week Proclaimed

Mrs. Marcella Brown is shown using the new weekend depository at First State Bank while H. B. (Doc) Simpson looks on. The night depository was installed at the bank over the weekend to facilitate the safe keeping of money for business firms when the Saturday closing goes into effect here March 5.

### Red Cross Breakfast Will Be Held Monday

A breakfast Monday, March 7, at the Phillips 66 Restaurant here will kick off the annual Red Cross fund drive. Volunteers are needed to assist with the drive, and those who will help are invited to meet at the restaurant for breakfast at 7:00 a.m. Monday.

It is hoped that a guest speaker can be secured for the breakfast meeting.

### Area I Officers Have Planning Session

The officers of Area I Young Farmers met in the Chamber of Commerce Building in Plainview February 17 at 1:00 p.m.

Plans were made for the 6th annual Young Farmer - Young Homemaker convention. An invitation from Tullia was heard, and accepted as host for the event. Convention date was set for September 10, 1966, and most of the details for the awards banquet were made by Denton Stone, Idalou, Ben Holcomb, Dimmitt; James Hale, Floydada; Kenneth Means, Ropesville; G. W. Chappell, Silverton; Truman Dunavant, Floydada state officer, and Doris Weil, Hale Center Area I Young Homemaker president and Walter Labay, Area I Young Farmer supervisor.

Other business discussed included the annual volleyball tournament, an invitation from Abernathy to host the tournament, and a financial report.

The next meeting is scheduled for March 17, 1966, at 1:00 p.m. in Plainview.

### Pre-Easter Program Heard By W.S.C.S.

W.S.C.S. met in Fellowship Hall March 1, with Mrs. Carl Nunn as leader of the first pre-Easter program. With the help of several members, Mrs. Nunn gave the program, "His Last Week."

Mrs. Albert Mallow was hostess to Mrs. Jimmy Wofford, Mrs. Gordon Alexander, Mrs. J. S. Hinds, Mrs. Arnold Turner, Mrs. Gene Morris, Mrs. George Seaney, Mrs. Hugh Nance, Mrs. G. Mayfield and Mrs. Carl Nunn.

### HAYLAKE CLUB HAS ALL-DAY QUILTING PARTY

Haylake Club met at the Fire Hall February 24 for an all-day quilting and luncheon. Maud McJimsey was hostess.

Members attending were Opal Hyatt, Ikie Bingham, Maude McJimsey, Ella Leah Riddell, Susie Bean, Mary Rampley, Charlie Baker, Blanche Newman, Winnie Smith and Vaughnell Brannon.

Visitors were Ann McJimsey, Stella Davis, Verna Allison, Anna Belle Tipton, Jennie Fisher, Belle Olive, Betty Olive, LaJuana McJimsey and children, and Ruby Hester.

Next meeting will be a quilting at the Fire Hall. Blanche Newman will be hostess. Everyone who cares to participate is invited to attend.

### Agricultural Meeting Is Planned Here

The Texas Agricultural Extension Service has initiated a new electronic computer service which tells the land-use combinations and row-patterns likely to produce the highest net return under the current cotton program, reports Briscoe County Agent Leon Grosdidier.

The decision making tool will be explained in an educational meeting to be held March 10, at 2:00 p.m. in the county courtroom, he said.

At the session, which is open to all interested people, an Extension farm management specialist will be on hand to discuss the new system.

Grosdidier said farmers using the service fill out forms to submit information on such things as land, cotton allotment, other allotments, yields and production costs. A set of forms, available at the county agent's office, is prepared for each plot of land designated as an "ASCS farm."

The computer service costs \$30 for each ASCS farm, but trial runs made at Texas A&M's Data Processing Center indicate the fee can be gotten back many times in better returns.

Growers using the tool should receive the computer analysis about one week after the information is received at Texas A&M.

For the analysis to be meaningful, information on such items as production expenses needs to be highly accurate.

Mr. and Mrs. Jack Strange have been recent visitors with her sister, Mr. and Mrs. Richard Babb and children at Tule, and with P. B. Force in Osburne.

### Crowd Attends Annual Banquet

The annual Young Farmer-Young Homemaker Awards banquet was held Saturday night, February 19, 1966, in the school cafeteria. Seventynine members and special guests were present.

The very festive dinner served consisted of turkey and dressing, green beans, potato salad, cranberry sauce, jello salad, hot rolls, choice of apricot or apple cobbler, iced tea or coffee.

Entertainment was presented by the Caprock Ramblers, including Joy Stodghill, a Young Homemaker. Charles Mayfield was master of ceremonies.

Mrs. Joe Brannon, president of the Young Homemakers, presented awards to Mr. and Mrs. Pascal Garrison for being outstanding 4-H adult leaders in 1965 and to Elaine Boyles for being an outstanding F.H.A. member.

Mrs. Brannon recognized special guests and the Young Homemaker officers. Guests included State Vice President Mrs. Eddie Fortenberry and Mr. Fortenberry of Lockney; Area Corresponding Secretary Mrs. Truman Dunavant and Mr. Dunavant of Floydada; Area Third Vice President Mrs. Ben Holcomb and Mr. Holcomb of Dimmitt; Area Recording Secretary Mrs. Delton Stone and Mr. Stone of Abernathy; Mr. and Mrs. Bill Phillips of Floydada; Mr. and Mrs. Garland Francis, Kay Strange, Roy Ann Bomar, Mr. and Mrs. Carl Bomar and Mr. and Mrs. O. C. Rampley.

Officers recognized were Mrs. Joe Lee Bomar, first vice president; Mrs. John Francis, second vice president; Mrs. Buck Hardin, secretary; Mrs. Roy Francis, treasurer, and Mrs. Jon LaBaume, reporter/historian.

Mrs. Buck Hardin and Mrs. Joe Brannon were presented certificates for Young Homemaker charms for outstanding work toward the progress of the Young Homemaker chapter.

The guest speaker was V. Ray Little, assistant promotion manager for the Progressive Farmer magazine, of Birmingham, Alabama. "Farmer-Consumer Public Relations" was the topic of his address.

Public Schools Week will be observed in Silverton beginning Monday.

Mayor Jimmie House signed the proclamation today which made it official.

During Public Schools Week, parents of school children and all other interested persons are invited to visit the schools and learn more about their operation.

Launched for the purpose of stimulating and advancing interest in public education in Texas, observance of Public Schools Week was begun in 1950.

The 16th annual observance has been endorsed by a proclamation by Governor John Connally and a resolution has been made regarding Public Schools Week by the Texas Senate and House of Representatives.

All schools in the state are observing the week with open house and special programs.

In connection with the observance, public schools in Silverton will have open house Monday through Thursday of next week. Highlights of the week will be an appearance of the Windjammers from McMurry College for the assembly on Wednesday at 10:40 a.m. and the Senior Play, "Just Ducky" Thursday at 7:30 p.m. A chili supper will be sponsored by the F.B.L.A. club in the school lunchroom from 5:30 until 7:00 p.m. Thursday.

Two federated clubs, Century of Progress Study Club and L. O. A. Junior Study Club are planning tours of the school and plan to have lunch in the school cafeteria.

Though school patrons are invited to visit the schools anytime during the year, the public is especially encouraged to visit during the open house, when many of the classes will have special displays to be seen.

### Public Invited To Hear State Cancer Crusade Chairman

L. E. (Lefty) Ross of Quanah, the Texas Cancer Crusade Chairman for 1966, will be guest speaker at a public meeting of the Briscoe County unit of the American Cancer Society at 7:30 p.m. today in the school auditorium.

Coffee and cookies will be served by members of L. O. A. Junior Study Club.

The public is invited to attend this educational meeting. There will be no admission charge and no collection will be taken.

For more hours than he can count, Mr. Ross has guided fellow laryngectomies along the hard road back to speech. He taught himself to talk within three weeks after losing his voice to cancer and now spends valuable hours and days away from his Texaco dealership to help restore hope and voice to others. So far, he has worked with 55 laryngectomies.

He has spoken to more than 150 county units of the American Cancer Society and has traveled many miles to deliver his humorous, penetrating and extraordinarily inspiring talk to his fellow volunteers and others. He appears as living proof of the value of early diagnosis and prompt treatment in the fight against cancer.

Voted the Outstanding Man of the Year in Quanah, Ross is also active in Chamber of Commerce, Lions Club, Masonic Lodge and his church.

Mr. and Mrs. D. G. Shelton returned to their home Wednesday of last week. He is much improved.

### City Councilmen Nominated Saturday

A nominations meeting was held Saturday morning by the City of Silverton beginning at 10:00 a.m. in the county courtroom.

The terms of Mayor Jimmie House and Councilmen Ray Thompson, Jack Stafford and Charles Sarchet are expiring.

Stafford expressed his wish not to run for re-election.

House was nominated for re-election as Mayor, and those nominated to fill the three places on the City Council are Ray Thompson, Charles Sarchet, Manley Wood, H. A. Cagle, Troy Jones and Bill Wristen.

J. W. Grosdidier and daughter, Mrs. Donald Rainwater, of Ruidosa, New Mexico, have been recent visitors here with his sons and their families, Mr. and Mrs. Leon Grosdidier and children and Mr. and Mrs. Glen L. Grosdidier and children.

### Community Project Is Proposed Here

A land purchase has been proposed for a rodeo arena 1 1/2 miles west of Silverton on Highway 86.

Additional land in the eight-acre tract will be offered for the Briscoe County Fat Stock Show. Facilities would also be made available for livestock feeding projects for F.F.A. and 4-H members.

The effort made to locate the rodeo and fat stock show facilities at this more-desirable location will depend upon the interest of the people of Silverton and surrounding communities in civic progress.

It is also proposed to organize a junior riding club in the community to offer the youngsters an opportunity to learn and enjoy their interest in riding.

This project will be an asset to our area if improvements and development of this type of facility is sponsored by the people of the community. You are invited to financially support this community development project.

Young Homemaker officers elected recently were Vaughnell Brannon, president; Wayma Bomar, first vice president; Gayle Fortenberry of Lockney, state first vice president; Virginia Hardin, secretary; and Elaine LaBaume, reporter. Not pictured were Mae-belle Francis, second vice president, and Lois Francis, treasurer.

**THE OPEN DOOR**

"Behold, I have set before thee an open door . . ." Rev. 3:8  
 by Rev. Clyde Cain

It's a funny thing but true, The folks you don't like, don't like you.  
 I don't know why this should be so But just the same I always know, That when I'm sour, friends are few,  
 When I'm friendly, folks are, too, I sometimes get up in the morn, Awishin' I was never born, And then I make cross remarks, a few,  
 And then my family wishes, too, That I had gone some other place, But then I change my little tune, And sing and smile,  
 And then the folks around me sing and smile,  
 I guess 'twas catching all the while  
 It's a funny thing but true, The folks you like, they sure like you!

**Witnesses To Attend Training Program**

Jehovah's Witnesses in this vicinity are cancelling all local meetings from March 4-6 to attend a training program in Plainview.

About 500 of Jehovah's Witnesses in a newly redistricted circuit, from Wichita Falls to Muleshoe and Altus, Oklahoma, to Haskell, Texas, are expected to attend the "Make Disciples of People of all the Nations" assembly.

The theme will be highlighted by talks, demonstrations, discussions and illustrations. In recent weeks, E. A. Grover, circuit supervisor of the 15-congregation circuit, has been cooperating closely with the congregations on the assembly program.

### Historical Society Hears Reports

Thursday, February 24, the Briscoe County Historical Society held its regular monthly meeting with Mrs. C. O. Allard, chairman, presiding. The members heard a series of reports from the various committees.

Mrs. Marie Garrison, Museum committee chairman, gave a report on the museum and asked that anyone having pictures of war veterans to please see the Museum committee, as a scrapbook is being compiled of these pictures.

Mrs. Fairy McWilliams asked that someone please give to the museum any old copies of Sears and Roebuck catalogs they may have. The catalogs could be used to look up names of items in question.

A report on the progress of the veterans' Historical Markers Committee was given by Bill Griffin.

He said the work of the committee is slow because he needs the serial numbers and branches of the service of each before anything can be done.

Mrs. Berton Hughes gave a report on the combined Regional Meeting to be held in Canyon on Saturday, March 5. This meeting will be in the Student Union Building on the campus of WTSU at 10:00 a.m. with a luncheon at 12:30. Five hundred points will be given for each chairman who attends a Regional Workshop, and 300 additional points for each committee member who attends and registers.

It was voted to send \$5.00 to the Memorial Fund for Alton A. Johnson, who was a member of the Historical Society prior to his death several weeks ago.

Mrs. Allard appointed a Legislative Committee composed of Verlin Towe, chairman, Jack Strange and James Brunson. She also expressed appreciation to Mr. and Mrs. Jack Stafford for the show case they gave the museum. Mrs. Allard closed the meeting.

## BRAIN TEASER

Three brothers, Tom, Dick and Harry, after finishing a meal in a restaurant, ordered a bowl of stewed prunes. While waiting for the prunes to be served, all three fell asleep. After a while, Tom woke up and found the prunes on the table. He ate his equal share of the prunes and went back to sleep. Then Dick woke up, ate what he thought was his equal share, and fell asleep again. Then Harry woke up, ate what he thought was his equal share of the remaining prunes, and went back to sleep.

A little while later, all three brothers woke up and discovered that eight prunes were left in the bowl. How many prunes were in the bowl originally?

Answer to last week's

Burning Question

The first candle burned a total of six hours and the second burned a total of four hours. In two hours (8:30-10:30) the first candle burns as much as the second burns in 1 1/2 hours (8:30-10:00), that is, the two candles burn in the ratio of 4 to 3. Therefore, in six hours, the first burns as much as the second in 4 1/2 hours, so that the second candle must have required 1/2 hour to burn one inch. Therefore, the second candle must have been 8 inches long originally, and the first candle 9 inches long.

## WHAT IF I WERE PRINCIPAL

by Rhonda Dickerson

If I were a principal it would be fun. All the kids would come to me for things. I probably could talk them all into going to Flomot. That would be a relief to have them at Flomot because there you don't worry about your grades because they're just as anxious as you to get you out of school. Principal would be fun but you would have lots of responsibility. You would worry about if they flunked or passed hoping to do a good job of flunking.

## N.H.S. NEWS

The National Honor Society met on Friday, February 25, and a committee was chosen to decide the date of the induction of the new members. Members were given until next Friday to get their orders in for pins or charms.

## FBLA Chili Supper Being Planned

On Thursday, March 10, the FBLA will sponsor a chili supper to be held in the school cafeteria. The menu will consist of chili and beans, crackers, green salad, fruit cobbler, coffee or tea.

Serving will begin at 5:30 and will continue until 7:00 p.m.

Prices will be \$1.00 for sixth grade up, and 75c for those under sixth grade age.

## EDUCATIONAL SURVEY NOW BEING MADE

The Silverton School is making an Educational Survey. This study is to aid the trustees in deciding what move to make in order to have the best school possible for the youth of our community.

Dr. Floyd Golden of Amarillo, an educator for some forty years in this field, is making the survey.

More information concerning the survey will be released as progress is made.

## -SCHOOL DAZE-

Some of us just couldn't get along without the Salvation Army, could we Debbie?

Who told Coach Nut about Nancy Nance and J.D.M.?

Did you know that Coach Nut, when asked about the kinds of girls he had taken out, said that he had gone with everybody from 8 to 80, blind, crippled and dead?

Diana, what's this secret you have that's so important to Kathy. Do D.S. and C.G. really want to break up, or do they just like lovers' quarrels?

The freshman girls' general science class has a new name for Mr. Evans. Is it "Barney" or "Bernie"?

Lee Ann, have you made your choice of the two boys yet?

Richard, do you always wear that much "black eye" make-up, or had you rather fight than switch?

How did the boys that were initiated Thursday night feel when they came to school Friday morning?

William, who was it that scratched you all up the other night at the basketball game?

## Newspaper Fillers

Vicky Vaughan

I'll never know where the newspapers find the information to put in their fillers. "Fillers" are the little inserted things that take up space left over in a newspaper column after the article.

Here are some examples I found in the Amarillo Daily News, Saturday morning, February 19, 1966 edition:

"Paris—France will tax all liquor imports from the U.S."

"The Aztecs smoked cigarettes, according to the Encyclopedia Britannica."

"Ethiopia wants stud horses."

"Rangoon—Burmese rats are reported to hate cheese."

"Sydney—An Australian claims he can sleep for a year."

"Rome—Clothing prices are rising all over Italy."

"Mt. Everest was named for Sir George Everest, surveyor-general of India, who determined the height of the peak in 1841."

"Albion is the ancient name for England. Albion means white and England was so-called because of the white cliffs of Dover."

"Voting Machines"

"Amsterdam, the Netherlands (AP)—The first of 7,500 voting machines have arrived in the Netherlands from the United States by air. The machines will be used in balloting for provincial councilors March 23."

This is just a sample of the little goodies in the newspaper. What good are they? None that I can find, except to take up space. I mean, who cares whether France taxes our liquor exports or not? They are buying them, aren't they, and shouldn't that be enough? And so what if Burmese rats hate cheese? How did they find out whether or not they did and what nut is going to offer Burmese rats cheese in the first place? What good is that going to do science or anyone unless there is someone somewhere trying to force cheese down an unwilling Burmese rat and he can finally find out that the rat really doesn't like it? I wonder if the Aztecs had cancer.

FLASH! Will the Australian wake before February 19, 1967? Continued story next February. I wonder if the Italians would trade horses for clothes with the Ethiopians?

## EDITORIAL

by Linda Fisch

Responsibility is a great asset to a person. There are few who are as responsible as they want to be.

The dictionary states that responsibility is the "ability to meet debts or payment; initiative or authority." But responsibility is more than that. It is the carrying out of tasks assigned to you and not being ashamed to admit it if you have done this task wrong.

There are many opportunities for developing one's responsibilities. We must prove to ourselves,

as well as to other, that we are trustworthy; that we have the ability to perform the task which has been placed before us. We need to have confidence in ourselves to know we can achieve whatever goal we are striving to reach.

If a person is reliable under all conditions, he is a responsible person that can be trusted to do the right thing in any occasion that might arise.

Responsibility is deserving the trust and honor that has been placed in you.

## PUBLIC SCHOOLS WEEK TO BE OBSERVED MARCH 7 THROUGH 10

Monday, March 7, marks the beginning of Public Schools Week. This is a week when the parents are urged to take an interest in

their children and visit school. On Thursday night, the seniors will present their play, "Just Ducky," and preceding the play the FBLA Chapter will hold a chili supper in the school cafeteria.

There will be no school Friday, March 11, because of the teachers' meeting in Amarillo.

Be the first one to visit your school during Public Schools Week, March 7-10.

reminded of it? And what if their hobbies read it? Horrors! Did they ever stop to think that there are more women now than ever before who are old enough to go to the beauty shop and a lot of conscientious older women now, too?

"Copro is dried coconut meat." "Ambrosia is the scientific name of ragweed, the plant that gives people hay fever." If you had hay fever, I seriously doubt that a person with an allergy would care what the scientific name for ragweed is. And if he did, he wouldn't wait until the newspaper fillers used it, would he?

"The squid probably is the fastest of marine creatures, in short spurts." Absolutely never get in a race with a squid! He'll win! The odds aren't in your favor anyway.

"Baghdad—Iraq is selling date plants to Egypt now." Oh, heaven forbid.

"World's leading tea drinkers are the Britons, who have a per capita consumption of almost 10 pounds a year." I love tea, too, but not 10 pounds a year!

"The golden trout was named the official California state fish in 1947 by an act of the state legislature."

"It is estimated that one out of every seven gallons of whiskey consumed in the United States is illegal, untaxed, health-endangering moonshine." Bet more than one person here would be interested in this little bit of valuable information!

"New York—Women will spend more than ever in 1966 at their hairdresser, predicts Bruce S. Geib, president of Clairol, Inc."

"He says beauty salon sales should surpass \$2 billion in 1966, a 100 per cent increase over the \$1 billion spent in 1958." I don't know one single woman who wants to hear this. I mean they all know they're spending too much on themselves, but who likes to be

## WINDJAMMERS TO PRESENT ASSEMBLY PROGRAM HERE MARCH 9

The Windjammers, three singing collegians who are becoming increasingly wellknown, will present a concert during a high school assembly program here March 9, at 10:40 a.m.

These performers from McMurry College have been selected to appear on "Talent '66," a program sponsored by Southwestern Bell Telephone Company featuring the

best collegiate talent in Texas.

The Windjammers are Charles Walter of Roswell, Jack Wilcox of Irving and Jarrel Elliott of Reno. They have been performing together since 1963 and are now singing a full schedule of parties, banquets, conventions, club dates and college concerts as well as making many high school appearances.

They spent the summer of 1965 as featured performers in the "Campus Review" at Six Flags Over Texas and did 236 shows. During the past year they have performed before more than a million people.

The Windjammers are known for their showmanship, the "golden tones" of their singing, and that magic touch of establishing a communication of friendliness with their audience. They write their own arrangements and scripts.

Their program here will include "Joshua Fit the Battle" and "Let It Be Me," two numbers they have recorded for Rebel Records; and a satire of modern television commercials set to the tune of "The Land is Your Land."

Their appearance here is sponsored by McMurry College in Amarillo.

## -Lunchroom Menu-

## WHAT IF I WERE A PRINCIPAL

by Monty Teeple

If I were principal things would be a little different around old school. To start out, we would start school at 10:00 so I could stay home and watch the TV shows. We would let out at 5:30—besides who wants to see Chief Proud Eagle. There would be all the snow fighting anyone would want. If there was a fire, well let them have it out. And we would not take the kids home in a big, old, fat bus—I would prefer a Limmozine. If I was Principal I would not teach grade science. I would like to be a Principal if they would let me do it my way!

## Assembly News

Mrs. Luhman's section of the eighth grade presented the one-act play, "It's Cold in Them There Hills," in assembly recently. The play concerned the problems of a hillbilly family getting their oldest daughter married.

Shrinks Hemorrhoids Without Surgery

Stops Itch - Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain - without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all - results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®) - discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation H®. At all drug counters.
