

All Around the Town

by Mary Ann Sarchet

Next week—April 2 to be exact—1966's election year gets under way with selection of school trustees and city officials at stake.

City government is the smallest unit of government in our nation. Though small, it is extremely important. The policies carried out by the city councilmen affect our lives, our community and have a bearing on the progressive-ness of this area.

When selecting a candidate for the school board or for city council, it is a good idea to consider the responsibilities of the job. Will the candidate secure the facts on an issue objectively, evaluate them, and then take action? Is he a leader who can work with others to put over a program?

When you make up your mind which candidate should be elected, then actively support him. Be sure to vote in the school trustee election on April 2 and in the city election on April 5.

Maintenance Tax Election

It is doubtful that the average person realizes the tightness of the budget on which the Silverton school has operated this year. Not too long ago we heard one of the board members remark that if the school had had to buy an extra roll of toilet tissue when school opened, it would have put the budget in the red!

This sounds pretty extreme, but is a fairly accurate description of the problems our school administrators have faced. Something must be done about this, and the trustees have preferred to ask the school patrons to vote on a maintenance tax increase.

They are asking school patrons to increase the tax rate from \$1.00 to \$1.50 per \$100 valuation. They aren't telling us that they will need the entire \$1.50 per \$100 valuation, but only setting that as the limit.

The needed tax money could be secured by increasing the value of the taxable property, and in all probability this is what will be done if the maintenance tax increase fails. It is clear that in order to maintain a school which is fully accredited and adequate for the training of tomorrow's citizens, the available funds must be increased.

Take an interest in the school children of the community, and help them to a brighter tomorrow by giving a vote of confidence to our school board and administrators next Saturday. Be sure to cast your vote for, rather than against, good schools.

Deadline Nears For 1966 Feed Program

Growers were reminded today that April 1 is the last day for filing applications to take part in the 1966 feed grain program.

Louie Kitchens, chairman of the Agricultural Stabilization and Conservation Committee for Briscoe County, points out that only growers who participate in the program will be eligible for price support on their 1966 crops of corn, barley, and grain sorghums. As last year, the support is made available through loans, purchase, and price-support payments.

Besides qualifying for price-support loans, purchases and payments, the participating grower also earns a diversion payment for shifting part of his feed grain base to a conserving use; the payment does not apply to the first 20-percent diversion except on farms with small bases. The price-support payments may be earned on the projected production from an acreage up to 50 percent of the total feed grain base for the farm by planting one or more of the feed grains, corn, grain sorghums, or barley, or by planting soybeans in lieu of a feed grain.

The chairman urges farmers who are interested in taking part in this year's feed grain program to call at the Briscoe ASCS County Office as soon as possible, since April 1, 1966, is the deadline.

Through March 25, growers in Briscoe County have signed up to divert 5338.0 acres for payment under the 1966 Feed Grain program.

Department of Agriculture officials are stressing the continued need for full participation in the 1966 feed grain program. Feed grain stocks remain more than sufficient.

Feed grain program applications may be filed at the ASCS office any day Monday through Friday.

VOLUME 58 NUMBER 13

School, City Elections to Be Saturday, Tuesday

The Silverton Independent School District Trustee Election will be held Saturday, April 2. The terms of Sam Lewis and

J. E. (Doc) Minyard are expiring. Minyard is not seeking re-election.

Candidates for the two places to be filled are Sam Lewis, Floyd Williams, Beryl Long, Don Garrison, C. L. (Jack) Sutton and J. W. Reid, jr.

H. A. Cagle is seeking re-election as county Trustee-at-Large, and is not opposed.

Maintenance Tax Election

The cost of school operation has increased in proportion to the cost of living in the last few years and the Silverton School Board has now found it necessary, in order to have the proper type of school for the youth of the com-

munity, to increase the school maintenance tax.

The Board is interested in the school, and knows that it is necessary to have the proper equipment, the correct number of teachers, and quality teachers in order to have an accredited school.

The Board of Trustees—in order to accomplish this—wants the voters of the district to express their wish in a maintenance tax election on Saturday, April 2, 1966.

School districts, for further maintenance of public free schools, may levy an annual ad valorem tax not to exceed, in districts having a bonded indebtedness of 7 percent or less of its total assessed value of taxable property, \$1.50 on the \$100.00 assessed value of taxable property in the district. This would increase the rate from \$1.00 to \$1.50 for maintenance.

The needed tax could be raised by (1) increasing the value of the taxable property or (2) by voting for the maintenance tax rate increase called for in the April 2 election. This would increase the rate from the present \$1.00 maintenance rate to \$1.50 per \$100.00 valuation.

The school board would prefer this be done in the latter manner. The full 50c increase may not be needed. The Board sets the rate annually, as needed to meet the budget.

City Election Is Tuesday, April 5

A mayor and three city councilmen are to be elected in the City of Silverton election slated for Tuesday, April 5.

Jimmie House is unopposed in his bid for re-election as Mayor of Silverton.

The terms of Councilmen Ray Thompson, Jack Stafford and Charles Sarchet are also expiring. Stafford is not seeking re-election.

Nominated to fill the three places on the City Council are Ray Thompson, Charles Sarchet, Manley Wood, H. A. Cagle, Troy Jones and Bill Wristen.

Rainbow Church Services Planned

Rainbow Girls attend church in a group each year on the Sunday nearest to April 6, Founder's Day. This year the Worthy Advisor, Kay Strange, has chosen to have the girls attend the First Baptist Church in a group.

All Rainbow Girls and members of the Rainbow Advisory Board are to meet in the church vestibule at 10:45 a.m. Sunday, April 3.

Mrs. Eric Malone Buried Sunday

Jaycees Elect New Officers

In a recent meeting of the Silverton Jaycees, Bob Stafford was elected to serve as president during the coming year.

H. B. Simpson was elected vice president and Dyrle Maples was selected to act as secretary and treasurer.

Bill Wristen and David Tipton were elected as new directors.

Notice To Children With Bicycles!

Bicycle owners are asked to come by O. C. Maples '66' Station on Saturday, April 2, from 10:00 a.m. until 12:00 noon so a V.F.W. member can give you some reflector tape for the fenders of your bicycle. You don't have to bring your bicycle with you.

Three Accidents Reported Last Month

The Texas Highway Patrol investigated three accidents on rural highways in Briscoe County during the month of February, according to Sergeant W. E. Wells, Highway Patrol Supervisor of this area.

These crashes resulted in one death, three persons injured and an estimated property damage of \$6,200.00.

The rural traffic accident summary for this county for the first two months of 1966 shows a total of 5 accidents resulting in one person killed, three persons injured, and an estimated property damage of \$7,230.00.

Only a few weeks remain for some of 2,340,000 vehicles registered in Texas to secure the 1966 safety inspection sticker. The period set by law for securing the 1966 sticker ends at midnight, April 15, and there can be no extension of that deadline. The Sergeant added, "Any motorist whose vehicle bearing Texas license plates that does not display the 1966 sticker after April 15 is subject to arrest by any Sheriff, Deputy Sheriff, City Policeman or any Officer of the Department of Public Safety and upon conviction will be subject to a fine not to exceed \$200.00."

Office hours are from 8:00 a.m. to 5:00 p.m. Signup deadline is April 1, 1966.

April 1 Is Deadline For Wheat Signup

Friday is the last day growers may file applications to take part in the 1966 voluntary wheat program, according to Louie Kitchens, chairman of the County Agricultural Stabilization and Conservation Committee. Signing up is the first step in qualifying for any of the program benefits, including price support.

Farmers who sign up and then carry out provisions of the 1966 voluntary wheat program will be able to get domestic marketing certificates in addition to price-support loans and purchases for their wheat crop.

On the "domestic" part of the projected production, the support available through loans and certificates will be at 100 percent of parity as of the beginning of the marketing year—July 1, 1966. (The February 4, 1966, wheat parity was \$2.53 per bushel.)

In view of the famine conditions which have developed in various parts of the world, the 1966 wheat program has been amended and it no longer offers spring wheat growers payment on additional voluntary diversion below allotments.

While the payments will still be available for winter wheat growers who had already planted crops with the provision in mind, these growers are encouraged wherever possible not to reduce their acreage below the farm allotment during the present signup period. Instead, such wheat farmers who are also eligible as feed grain growers are encouraged to participate fully in the feed grain program. Feed grain stocks continue to be more than sufficient.

We would like to express our appreciation to everyone who helped with and donated to the Red Cross drive. There were not enough workers to contact everyone and if you were missed, please mail your check to us or in care of First State Bank.

Americanism To Be Topic Of Program On March 31

C. L. Kay, vice president of Lubbock Christian College, Lubbock, will speak here Thursday night, March 31, at 8:00 o'clock in the Silverton School cafeteria. The public is invited to hear this talk on Americanism and citizenship.

Mr. Kay holds a Masters degree from Eastern New Mexico University and has done additional graduate work at the University of Colorado and Texas Tech. He has been head of the Department of Religion at West Texas State University, Professor of History and Government and Dean of Students.

Mr. Kay is an active member of the West Texas Chamber of Commerce and presently serves on two committees, the Government Affairs Committee and National Affairs Committee. He has received several national awards, including the George Washington Medal of Honor presented by the Freedoms Foundation at Valley Forge. He received a special citation from President Dwight Eisenhower "for outstanding service to the Nation in propagation of the American Creed."

This address will be of interest to all who are willing to accept the challenge of the present in preserving a free society and the responsibility of citizenship.

NORMAN GIPSON

Gospel Meeting To Open Here April 11

Norman Gipson of Grand Prairie will be the visiting minister for a series of gospel meetings which are scheduled to begin at the Silverton Church of Christ on Monday, April 11. Services will be at 7:00 a.m. and 8:00 p.m. through the week, and at 10:45 a.m. and 6:00 p.m. on Sunday.

Lunch will be served in the Church Annex on Sunday, April 17.

In the morning services, which begin Tuesday of that week, there will be a series of "Adventures In Romans." It is suggested that those who will attend re-read the Roman letter carefully between now and the meeting date.

Sermons for the night services will be "The Living God;" "The Living Christ;" "The Living Spirit;" "The Living Word;" "The Living Hope;" "Living Waters;" "Living Letters;" and "The Living Dead."

Bro. Gipson has served congregations as evangelist in Texas, Maine and Massachusetts. In gospel meetings and special efforts, he has preached in 27 states and Canada. He has been preaching for more than 30 years.

The public is cordially invited to attend any or all of these services.

Cancer Film To Be Shown Soon

"Celebration for Julie!" is a TV show you'll not want to miss. Its cast includes such famous people as Gregory Peck, Phyllis Diller, Jack Jones, William Gargan and the Smothers Brothers. This entire group would like to invite you to see "Celebration for Julie!" honoring the American Cancer Society's 9-year-old poster girl, who is cured of cancer.

KFDD-TV in Amarillo will carry the show April 2; KGNC-TV will carry it April 9, and KVII-TV will carry it on April 13.

Cotton Growers Reminded of 1966 Signup Period

Cotton farm operators were reminded of the fast-approaching deadline for signing up to take part in the 1966 upland cotton program. The last day for filing a program application is Friday, April 1, 1966.

Louie Kitchens, chairman of the Briscoe County A.S.C.S. committee, emphasizes the importance of signing up before the deadline. Program benefits include diversion payments and price-support payments in addition to the regular cotton price-support loan. But all program benefits, including the cotton loan, will be available only to farmers who sign up and then carry out the intentions indicated in the application.

Cotton farmers on the larger farms take part in the program by reducing their cotton plantings by at least 12.5 percent below the farm's effective allotment and meeting other program provisions. As much as 35 percent of the allotment may be diverted for payment.

Growers on small farms (with allotments not over 10 acres or with a projected production of 3,600 pounds or less) will receive payment without having to reduce plantings. If the operator chooses to reduce the acreage on such a farm, an additional diversion payment will be made on the acres actually diverted at the level signed up.

Through March 25, cotton growers in Briscoe County had signed up to divert 6383.0 acres from cotton production under the 1966 cotton program.

If the grower wishes, he may request half of the estimated diversion payment to be made in advance at the time of the signup or as soon thereafter as possible. The rest of the diversion payment and the price-support payment will be made later after program performance has been determined.

Home Demonstration Club Hears Agent

The Home Demonstration Club of the Southwest part of the county met in the home of Mrs. J. L. Self Thursday, March 24.

HOME NOTES

by Becky Hall

Home Demonstration Agent

In my opinion the Briscoe County 4-H Foods Show Saturday was an effective example of the 4-H motto, "We Learn To Do By Doing." Twenty-one boys and girls set up their exhibits, and answered the judges' questions, and were evaluated on their progress and knowledge of the nutritional value of food in general, and of their dish in particular. To paraphrase 'Is there one with soul so dead...' that his heart doesn't swell with pride and his throat choke up a bit with emotion when he sees young people develop not only in ability but poise and self-confidence? And this takes place because there are some wonderful people who give unselfishly of their time, energy, ability and even their money to bring these growth changes about. I mean the 4-H adult leaders who have tutored and coached and even scolded in order to encourage boys and girls to become effective citizens as they grow to men and women in our society and of course we could never

do without the cooperation and help of parents.

In the real sense, every participant was a winner and was competing against his own record of performance in the past. But as in any contest there are some who have progressed the most and were scored the highest. The high point 4-H'er for the entire show was one of our junior girls, Cynthia Sutton. A Junior 4-H'er is one who has not reached his or her 14th birthday by January 1 of the current year. Cynthia, with a Broccoli Casserole entered in the Milk Group, will represent this county at the District 2 Foods Show in Lubbock Saturday, April 2. The seven other representatives are Laquita Bomar, senior dairy foods, with a dessert called Angel Delight; Joni Faye Self, senior vegetable and fruit, with a Baked Apple dish; Kathy Self, senior meat group, with Hawaiian Pork Chops; Patricia Jarrett, senior bread and cereal group, with a loaf of yeast bread.

The other junior top winners are Micki Jasper, Chocolate Chip Cookies entered in the bread and cereal group; Rhonda Sutton, Deviled Eggs, in the meat group; Deborah Bomar, Scalloped Potatoes, in

"Behold, I have set before thee an open door . . ." Rev. 3:8
by Rev. Clyde Cain

A father reading his paper came across a map of the world. He clipped it out, cut it into pieces, and hid his small son to put the world together. After a while the boy called, "I've done it!" His father marveled, "As quick as this? How did you do it?" The son said, "I turned it over and on the back was a picture of a man. I put the man together—and the world was right!" I marvel at how man has tried to straighten out the world and observe the "mess" we have gotten ourselves into. His Word plainly tells us to let Him put man to-

Mr. and Mrs. Gregg recall the winter being especially mild with plenty of rain providing a yard of blooming flowers in which the ceremony was performed for a sizeable crowd gathered for the occasion.

After their marriage, Mr. Gregg took his bride to a one-room house 14x16-ft. which was their home the first year.

Mr. Gregg was engaged in farming in the Quitaque area until 1920, when they moved to Canyon, where he farmed until 1927. They then moved to Silverton, where four of their five children finished high school. They lived in the Kaffir community north of Tulia in the 1940's.

Mr. Gregg worked as a cement contractor in connection with his farming for a number of years. The youngest daughter finished high school and attended WTSU

Love And Time

(My Love to Chris)

The love we know when we are very young is created not in the hearts but in the imagination. It exists because we have made it so. We fashion it out of a thousand dreams. The tide comes and washes away the dreams, blots out the world we have made, leaving only a perfect memory. We could go back again, but it would be another world.

We know, beyond knowledge, not to intrude on our perfect memories. Only when life comes to a standstill because of tragedy or foolishness or so many more unfathomable reasons, we do retreat: maybe for a moment or a day or longer; but we retreat. Knowing with an absurd certainty that the retreat is momentary and life will and does go on and we will fashion more memories and dreams.

The small retreat we indulge ourselves serves to strengthen and renew us. For a moment we remember our first love, our last love, and our dream love, and finally we concentrate on our love of beauty of understanding of compassion and of God.

In our innermost heart of hearts we fashion our pictures with such lovely frames—of silver or gold, of tears and sorrow. Even tears become perfect with time. Happiness and joy of gold; heartache and tears of silver. Each emotion and memory of our loves makes us what we eventually are; as the tide comes in and washes the sand clean and fresh, so our memories leave our minds clean and fresh to face again our lives.

—Nadine Pierce Mercer

To My Son

Today you leave for college. My son of eighteen years, Now I must bid you fond farewell, And try to hide my tears.

I do not want to hold you back, Or stop the flow of time, For you have grown into a man, And no longer can be all mine.

Your future lies before you, And you go to meet it headstrong, Determined to prepare yourself, Even though the time be long.

So young, and strong, and handsome, With never a backward glance, Eager to conquer the world, If only given the chance.

This Mother's heart is aching now, And praying you will be true, To the God up in the Heavens, Who has guided and sheltered you.

Be ever true and loyal, To those you leave behind, Remember that they love you, And wish you peace of mind.

Of course I have not lost you, But the days will seem so long, Not having you bang into the house, Singing some crazy song.

Best wishes to you in your work, As you strive to reach your goal, May the friendships that you cultivate, Last until life's story is told.

'Tell Your Neighbor' Is Theme Of Cancer Crusade

"Tell Your Neighbor" is a major theme of the American Cancer Society's 1966 Crusade in April, Cancer Control Month.

Mrs. Joe Brannon, chairman of the Society's Crusade in Briscoe County, said: "It is my hope that all our volunteers will be communicators of hope rather than salesmen of fear. It is hope, not fear, that makes people take personal action against cancer."

She said that getting people to take personal action against cancer "is one of the most difficult things in the world. People put off having an annual health checkup or don't even have one. They avoid taking prompt action when a cancer danger signal appears. They delay until it is too late for effective treatment."

"It is even harder than getting people out to vote—and politicians and candidates know how hard this is, and how hard they have to work for it."

The Young Homemakers of Silvertown have distributed American Cancer Society place-mats to the local cafes this week, and if you have eaten out you probably noticed the red and white reminder that Crusade month is almost here. L. O. A. Junior Study Club members have been preparing and addressing letters to be sent out to business firms during the Crusade.

The purpose of the annual Crusade of the Society, the chairman

Study Club Members Tour New Museum

As part of their Texas Day program, members of the L. O. A. Junior Study Club toured the new Briscoe County Museum during their meeting on Tuesday, March 22.

Prior to the tour, Mrs. C. L. McWilliams, a member of the Briscoe County Historical Survey Committee, spoke to club members on

JOANN TURNER

Miss Joann Turner, daughter of Mr. and Mrs. Arnold Turner of Silvertown, is the bride-elect of James K. Griffin, son of Mrs. Eileen H. Griffin and the late Mr. Griffin of Franklin, Pennsylvania.

A June 4 wedding is planned in Silvertown Methodist Church.

Miss Turner will receive her B.S. degree from Arizona State College in May, and her fiancé is a senior forestry student there.

Mr. and Mrs. Glenn Yeager and Kelly of Amarillo, Mrs. J. R. Foust of Amarillo, and Mrs. Hamel Carrell of Lovington, New Mexico, spent Tuesday with Mrs. Ray C. Bomar.

said, "is not just to raise money to advance cancer control—for cancer research, education and service. It is to help save thousands of additional lives now."

"Tell Your Neighbor" volunteers going from house-to-house during the Crusade will be, in fact, people speaking to people about cancer and what they can do about it. The volunteer will leave life-saving literature that answers questions about cancer which concern everyone.

What will the literature say? What will the volunteer say? What is the hope they will spread?

Gains in diagnosis and treatment are largely responsible for the fact that there are 1,400,000 Americans alive, cured of cancer. Now one in three is being saved, but it could be one out of two if proper action were taken. Progress is also being made against cancer through research supported by the Society, the Government, and other groups.

One should always be alert to cancer's "Seven Danger Signals":

1. Unusual bleeding or discharge.
2. A lump or thickening in the breast or elsewhere.
3. A sore that does not heal.
4. Change in bowel or bladder habits.
5. Hoarseness or cough.
6. Indigestion or difficulty in swallowing.
7. Change in a wart or a mole.

Each neighbor will be told that if any one of these signals lasts more than two weeks, a physician should be consulted immediately. The chances are that the signal will not mean cancer—but always play it safe.

They will learn that the best protection against death from cancer is an annual physical examination. As for cancer of the lung—don't smoke; as for uterine cancer, have a "Pap" test every year; against breast cancer, every woman should learn to examine her breasts once a month, and if she finds any changes, she should see her physician; as for cancer of the colon and rectum, every woman and man over 40 should have a "procto" examination annually.

The slogan of the 1966 Crusade is: "Fight Cancer with a Checkup and a Check." The value of the annual checkup is covered in the "Tell Your Neighbor" program. It is this: Early diagnosis and prompt treatment can save thousands of lives.

The chairman said, "the check is self-evident. Without finances for important future research we can not hope to save half of those who develop cancer. Also the check provides needed funds for expanded public and professional education programs, and service to patients."

Club Women Attend District TFWC Convention

The annual convention of the Caprock District of the Texas Federation of Women's Clubs was held at the Presbyterian Church in Brownfield March 22-23.

The convention opened with registration from 9:00 until 11:00 a.m. and a hospitality hour was hosted in the church parlor by the Seminole Woman's Club. The

During the Department Reports, skits were presented, and taking part in these were three members of L. O. A. Junior Study Club: Mrs. Charles Sarchet, Education

International Affairs Department; and Mrs. Richard Whitfill for Mrs. Don Cornett, Public Affairs Department Status of Women Division Chairman.

Members of the local clubs attended a committee meeting, during which centerpieces for a state convention luncheon in Lubbock were discussed. The Silverton and Tullia clubs are making 36 centerpieces for the luncheon.

At the Junior Conference, plans were made for a meeting in Lubbock on Friday, April 1, at which plans for the state convention junior breakfast will be made. Club presidents reports were heard in buzz sessions.

Before the convention adjourned, new officers were elected to lead Caprock District during the next two years. Mrs. Louis Cummings of Plainview was elected president; Mrs. Lane Decker of Floydada, first vice president; Mrs. Leroy Johnson of Morton, second vice president; and Mrs. Joe Taylor of Lockney, third vice president.

A "Fashions for Fun" style show was presented, featuring fashions sewed by clubwomen in Caprock District. Mrs. Marvin Montague represented March of Time Study Club by modeling a three-piece ensemble she had made. Her white suit of silk and wool blend fabric had a matching shell blouse, and she modeled her ensemble with both daytime and after-five accessories to show the

LUBBOCK STAMP CLUB EXHIBIT PLANNED

The Lubbock South Plains Stamp Club is having their 5th Annual Exhibit April 2-3 at the Municipal Garden and Arts Center, 4215 College Avenue, Lubbock. Show hours will be from 10:00 a.m. until 10:00 p.m. Saturday and from 1:00 until 6:00 p.m. Sunday.

Local Clubs Win Awards

L. O. A. Junior Study Club will have two entries in the state contests, having had the first-place Class A yearbook and the sweepstakes Class A pressbook. Mrs. Ronald Dale Kitchens was assisted by Mrs. Richard Whitfill in preparing the winning pressbook which was attractively bound in a leather cover made by Mrs. Katherine Stephens of Silverton. Members of the club's yearbook committee were Mrs. Larry Jarrett, chairman, Mrs. Randall Eddleman and Mrs. Bill Durham.

Other awards received by the junior club were Council of International Clubs Department report (written by Mrs. J. E. Patton), second place; Project HOPE report (written by Mrs. Kitchens), second place; and Stamps for the Wounded project report (written by Mrs. Kitchens), third place.

Century of Progress Study Club won second place with their yearbook. Members serving on the committee which prepared the winning yearbook were Mrs. Wayne McMurtry, Mrs. Norman Strange and Mrs. F. E. Hutsell.

Other awards included Education Department report (written by Mrs. James Davis), third place; Fine Arts department report on Cultural Heritage and Literature and Drama divisions (written by Mrs. Gene Morris), both placed second; Religion Division of the Home Life department (written by Mrs. Edwin Dickerson), first; Home and Recreation Division of Public Affairs department (written by Mrs. Pat Northcutt), second.

"Love and Time," a message which Mrs. Jim Mercer wrote to her sister on the occasion of the loss of her brother-in-law, won first place in the poet laureate contest, and "To My Son," written by Mrs. O. C. Rampley, won fourth. Mrs. Rampley's poem was written on the day her eldest son left for college, when, as a mother, she was hating to see him leave home. Both clubwomen are members of Century of Progress Study Club and both winning articles are printed elsewhere in this issue.

Mrs. Marvin Montague, a member of the March of Time Study Club, modeled the ensemble in which she is pictured above at the Caprock District T.F.W.C. Convention last week. The suit of silk and wool blend fabric and matching shell blouse were modeled with accessories for daytime and changed with accessories to make a costume appropriate for after-five wear.

F.H.A. NEWS

The F.H.A. met Thursday during activity period for a regular meeting.

The Chapter discussed the Right-daughter Benches which is to be held in April. The Chapter voted to pay for the transportation of the delegates to the State Convention.

Mrs. Purcell spoke to the Chapter about the Area meeting which was held in Amarillo recently.

Immediately following the meeting the committee in charge of F.H.A. Week met.

Attend Area 1 F. H. A. Meeting

Eight F.H.A. girls, three chapter mothers and the chapter advisor attended the Area 1 meeting in Amarillo March 16-18. The Friday night session consisted of a talent show put on by chapters in the Area.

At 8:00 o'clock Saturday morning, the meeting convened. The Saturday meeting was a combination of entertainment. F.H.A. exercises and installation of the new Area 1 officers. Highlights of the meeting were the delightful Area song, Miss Peggy Kirksey of Slaton, the Everford Stage Band and the speaker, Rev. Leon Hill of Amarillo. The group returned home Saturday afternoon.

Those who attended were inspired to try to improve the local chapter, to work on degrees of achievement and to work toward being better F.H.A. members.

F.H.A. Observing Special Week

Silverton Future Homemakers of America are even busier than usual from March 27-April 1. This is the week the half million members of this national youth organization observe National F.H.A. Week.

The F.H.A. chapter in Silverton has scheduled a number of activities for the week, according to Elaine Boyles, president. The plans include Leader Appreciation Day, Devotional, Teacher Appreciation Day, Grandparents Day and to attend one of the local churches as a group on Sunday.

Future Homemakers of America are home economic students in junior and senior high schools. The organization, founded 29 years ago, states as its creed "We face the future with warm courage and high hope. For we are the builders of homes... for America's future. Homes where living will be the expression of everything that is good and fair. Homes where truth and love and security and faith will be realities, not dreams."

A national program of work guides the activities of individual F.H.A. members and chapters. All projects Elaine stated, further F.H.A.'s overall goal, which is to help individuals improve personal, family and community living.

Future Homemakers of America is sponsored by the U. S. Office of Education and the American Home Economics Association, but receives its financial support from the dues and projects of the members.

EDITORIAL

By Hank Turner

A good character is one of the most valuable assets a person can possess. An authority in selling recently stated that it was the most important qualification of a successful salesman. This doesn't apply to selling only; it applies to everyone in every occupation.

The majority of the most successful people in every field possess this quality. Every employer wants employees that can be trusted and are loyal. Jobs which carry

a large amount of responsibility will be filled by people of good character.

The way a person thinks, feels and acts determines a person's character. Character is what a person really is, not what he may pretend to be.

A good character is not obtained in one day. It takes years to build. The habits and attitudes we form today will determine what we will be in the future.

LOUIS STRONG ADDRESSES MEETING OF SWISHER ELECTRIC COOPERATIVE

Twenty-six years ago it all began with 189 rural residents accepted as members of Swisher County Electric Cooperative, Inc. On May 10, 1941, the cooperative's first annual meeting was held;

Can't find time to write? Phone home for no more than one dollar.

After 8 PM and all day Sunday, call long distance (station to station) anywhere in the Continental United States for no more than a dollar for the first 3 minutes. Alaska and Hawaii excepted. Taxes not included.

High on the list of crowd pleasers were drawings for a variety of electrical gifts at the annual Swisher Electric Co-op Meeting. Mrs.

Don Garrison and Fred Mercer exchanged lucky tickets for electric heaters.

there was no program and no entertainment. From this modest beginning, the Co-op's membership and activities have grown to keep pace with rapidly changing times to warrant one of the best and largest membership meetings held.

Summarizing the history of electric cooperatives, outlining the many changes taking place and the role of cooperatives in the future, Louis Strong, manager of Kay Rural Electric Cooperative, Inc., Blackwell, Oklahoma, addressed the largest group of members and delegates ever to register for a Swisher Electric Co-Op business meeting. Proceedings began with registration at the Co-op offices in Tulia on Saturday, March 19.

Other speakers included Mayor John Brown, Tulia; Rev. James Allison, Vigo Park; Manager of Swisher Electric Co-Op, Lyle Robinson; Bob Watson, auditor; Clarence Todd, president of the Board of Directors; and Secretary W. A. Jordan. Master of ceremonies was Cotton John Smith, Farm Director

for KGNC-TV in Amarillo. Earlier, members and guests were treated to a delicious barbecue and lively entertainment. A country fair and carnival atmosphere, complete to the big-top tent, lollipops and balloons, coffee and doughnuts, movie for children, commercial exhibits and free door prizes lent to the occasion. One of the most popular attractions of young and old alike was free rides high above the parking lot in aerial basket equipment customarily used by linemen in construction work. Outstanding talent highlighted the program throughout the day. Featured were the Sourdough Singers of Matador; Mrs. W. C. Teel and Clay Freeman, both of Tulia, at the organ; the X-cels, a music group of Tulia and cornet soloist Jimmy Hutson of Tulia. Carroll Killingsworth of Happy delighted the audience with his impersonations of Phyllis Diller and Charlie Weaver.

Important in the business session was the election of directors to three places on the official board. Re-elected for three year terms were O. V. Wilson, Kress; L. D. Young, Claytonville; and Dewitt McGehee, Wayside. Rosemary Carter of Hart and Ronnie Bertleson of Kress, winners in Swisher Electric Co-Op's 1966

Youth Tour to Washington contest presented their winning speeches. June 2-14 they will join winners of similar contests sponsored by rural electric cooperatives across the nation in visiting places of historical interest and seeing the nation's government in action.

The meeting was closed with the awarding of grand prizes to two lucky ticket holders. Refrigerated air conditioners went to the Arney Community Center west of Happy and to L. W. Francis of Silverton.

Posey, Arnold Turner, Marvin Stephens, Obra Watson and the hostess.

The group enjoyed having three 4-H girls give their clothing education activity demonstrations. Patricia Jarrett gave "What Pants Are Right For You;" Barbara Ledbetter gave "Good Posture," and Debra Bomar gave "Put Your Best Hand Forward."

Other guests present were Mrs. Gordon Lowrey and Angela, Kerry Baird, Gale Mayfield, Mickey, Shonda, Renee' and Shane Gauntt and Roy Garrison.

The April meeting will be with Mrs. Gabe Garrison. Roll call will be a flower tip.

Raye Garrison, a student at Texas Tech, spent the weekend at home with Mr. and Mrs. Don Garrison and family.

Mrs. Goldie Sutherland and Mrs. Iris Graham of Amarillo, Mr. and Mrs. Joe Allard and family of Memphis were visitors with Mr. and Mrs. Dean Allard Sunday.
