Lions Club Clean-Up Campaign Underway

The Silverton Lions Club is sponsoring a community clean-up. Residents are asked to pile all their trash in the alleys and it will be picked up and hauled off. Business people are asked to get the areas behind their buildings cleaned up, and their trash piled in the alleys for disposal. Help make the community beautiful by cooperating with the Lions Club.

Stubble Burning Violates Principles

The A.S.C. State Committee has determined that deliberate burning of crop residues, other than flax, violates reasonable conservation principles and will be considered a practice tending to defeat the purposes of the Agricultural Conservation Program. There have been reports of extremely rank wheat, barley and rye stubble in some areas. Farmers who burn stubble risk the loss of cost-share payments to which they might otherwise be entitled under the 1966 A.C.P.

Red Cross Is Busy In Viet Nam Today

Walter Fleming, a worker with the local Red Cross chapter, has recently written to Chaplain Weldon Wright in Viet Nam in regard to the work being done by the Red Cross there. Following are excerpts from a letter he received in reply:

"As the U. S. Military involvement in Viet Nam increases, so does the demand for Red Cross personnel and funds. At present there are approximately 150 Red Cross workers in the country. Specifically, here in the 1st Cavalry Division, we have six men who handle the division's welfare and communications problems as they relate to all personnel in An Khe. There are also four Red Cross girls who handle the recreation center and clubmobile activities—plans are to increase to ten girls in the near future.

"The Red Cross Staff, since September of '65, has handled over 7,000 cases which is almost 1/2 of the division personnel in a little over eight months. Following services were rendered here:

Emergency Leaves	1140
Family Health, Welfare	3660
Personal Problems	800
Family Problems	850
Others	485

"Wires from Red Cross headquarters in Washington, D. C. have totaled over 4200 since October, with the monthly average of incoming and outgoing wires of approximately 800.

The financial assistance to men of the 1st Cavalry Division has totaled more than \$41,000.00 for emergency leaves alone with approximately \$5,000.00 to service men and their families. This is a considerable figure when this area comprises less than 10% of the total U. S. troop strength in Vietnam.

"Although the Red Cross staff here is quite busy, it could not function were it not for the outstanding work of the American Red Cross chapters back home who are providing 24-hour service for our servicemen and their families. The chapters back home are doing a tremendous job in keeping up the morale of the families of our fighting men here with timely and accurate reporting of conditions at home. Their service to the military families is just one facet of their service as they have instruction in First Aid, water safety, home nursing and child care, disaster service and other community projects. Without the full support of each community, whether civil or military, some Red Cross services may have to be curtailed, which would be most regrettable. Mr. William W. Petersen, Field Director, An Khe, Vietnam, and his staff are doing a tremendous job, which is commendable in every way."

Mike Shoemaker recently spent a week with his sister and family, Mr. and Mrs. Darrell McWilliams, Mark, Darla and Ricky. Mr. and Mrs. Gregory Shoemaker and family of Lubbock spent Sunday with their daughter and family, and returned Mike home leaving Sharon for a longer visit.

H-SU Group To Travel Around The World

Sandi Rhode, daughter of Mr. and Mrs. Carman Rhode of Silverton, is one of the approximately 30 college and high school youths and adults who will accompany the president of Hardin-Simmons University and his wife on a 45-day trip around the world. Dr. Edwin L. Skiles began making preparations for a trip to more than a dozen countries while he was still pastor of First Baptist Church in Abilene. He and his wife, along with Gay Travel Service, Inc., of Abilene have arranged a tour for 11 college students, 11 high school youths and nine adults.

"We planned the trip for young people because we are interested in developing their cognizance of the world's need and their opportunities for Christian service to this world," said Dr. Skiles. In describing the tour, Dr. Skiles said, "The tour is educational for all age groups. Certainly these high school and college youths will recognize great benefits from the tour as they pursue their education.

"Regardless of age, we can all be good ambassadors for our country. As we learn more about the people and the cultures of various lands we have a deep appreciation of the privileges which we often take for granted in our own land. We hope this tour will lead all of our group to a more mature understanding of the responsibilities we have to be world citizens as professing Christians."

Countries to be visited include Japan, Hong Kong, Thailand, India, Egypt, Lebanon, Jordan, Israel, Greece, Italy, Switzerland, France and England. Dr. Skiles and the group from Abilene left for Dallas Sunday and boarded a plane at Love Field Monday at 9:00 a.m. enroute to Honolulu, Hawaii. Mrs. Skiles and a daughter, Sarah, 14, will join the group in Jerusalem in mid-July. Mrs. Skiles will be tour conductor through Western Europe as Dr. Skiles will return to Abilene and the campus July 24. The tour will end August 3. Dr. Skiles will conduct the first month of the tour through the Middle East and the Orient, where Sandi is looking forward to being reunited with Masako Nakabe,

Why I Would Like To Attend Leadership Camp

by Pat Jarrett
It will be a privilege to attend 4-H Leadership Camp. They will meet new people and learn to get along with them while comparing ideas and experiences which make good leaders.

4-H is a fun way of learning something useful and beneficial. It has meant a lot to me in the past five years. I hope it will for many more years to come. I am taking clothing, foods, bedroom improvement and home improvement as projects. This has enabled me to learn to plan and sew a wardrobe, plan and prepare nutritive meals, and decorate and design a room. However, most important it has enabled me to get along with others.

I am a newly-appointed Junior Leader. I would like to attend 4-H Leadership Camp to meet new people, compare ideas, and learn and have fun at the same time. Then, it would give one great pleasure to return home and share with others who were not fortunate enough to attend, what we did and learned and the experiences we had while at Leadership Camp.

Why I Would Like To Attend Leadership Camp

by Cynthia Sutton
I have been in 4-H five years. In these five years I feel that I have accomplished many things. Of all the things I have been privileged to do I have not been privileged to attend Leadership Camp.

I think Leadership Camp would be very good training for me and would help me with my projects. Besides helping me with my projects I hope to be able to help others with their projects when I get back. If possible I would like to be a Junior Leader for a group of smaller 4-H'ers. I have carried a clothing project for three years and a foods and nutrition project for four years. With training, I think I would and could be a Junior Leader for either of these projects.

who lived with the Rhode family while she was an exchange student to Silverton High School.

Mr. and Mrs. Whitfill Honored Here

Mr. and Mrs. Ed Whitfill of Lockney celebrated their 50th wedding anniversary in the home of Mr. and Mrs. Charles Whitfill on Sunday, June 12.

Ed Whitfill and Eva Weathers were married June 4 1916, in Plainview by Dr. J. E. Gates, who was President of Wayland Baptist College. Hosts for the occasion were their children, Mr. and Mrs. Charles Whitfill and Mr. and Mrs. Ben Whitfill, Silverton; Mr. and Mrs. Bill Whitfill, Lockney; and Mr. and Mrs. Bob Campbell, Panhandle.

The granddaughters and granddaughters-in-law registered the guests and served refreshments. Music was provided by Mary Whitfill, who played "I Believe," and by Gale Whitfill, who sang "More," accompanied at the piano by her cousin, Judy Whitfill, of Lockney.

Cake, punch and coffee were served from a beautifully decorated table laid with an imported embroidered organdy cloth. The three-tiered golden anniversary cake was decorated with roses and a miniature bride and groom. The centerpiece was an arrangement of white gladiolas and carnations with gold leaves and lighted candles scattered among the flowers.

Guests were all of the children and all the grandchildren except Mr. and Mrs. Jimmy Scott Whitfill and children of Rockport and Mr. and Mrs. Jay Ray Howe and

By the name of the camp I would think that it is known for the outstanding leadership ability it gives every 4-H'er. I would like to go so I could learn a better and more effective way of leadership. I think this is to encourage me and other members to develop leadership qualities that are essential to progress and wholesome community life. It will help me to hold the interest of older club members and to provide leadership assistance to agents. Also it will help me to develop opportunities for service and helpfulness to others.

Another reason that I am looking forward to attending Leadership Camp is that I will be able to meet many young people who share the same interests as I do. Also I can see some of the people I met at the district events I have attended.

Another Two Inches Of Rain Received

Another two inches of rain was received here on Thursday night of last week, bringing the June total to near five inches.

Brilliant electrical displays and hail have accompanied each rainstorm. Several local residents have lost electrical appliances and television sets as the lightning struck power boxes and television antennas.

The wheat harvest, which had been progressing well, was completely bogged down in areas of heaviest rainfall.

Lakes in some parts of the county are full for the first time in many months.

Attend Graduation Exercises In Austin

Mr. and Mrs. Berton Hughes and Randy were in Austin June 4, to attend the graduation of Robert Hughes, who received the bachelor of science degree magna laude in radio-television-film from the University of Texas.

There were 44 receiving degrees from the School of communications, and Robert was one of two student-speakers at the convocation. Among others attending were Mr. and Mrs. Jerry Williamson of Plainview; Mr. and Mrs. Sam Brown of Tulia; Radney Fisher of Sudan; and Mrs. Alfred Carlson of Austin.

After the commencement on Saturday night, Mr. and Mrs. Hughes, Robert and Randy went to San Marcos, and on Sunday they went on to San Antonio and visited the Alamo, zoo, sunken gardens and other points of interest. They visited the Aquarena in San Marcos and enjoyed attending the Submarine Theatre and watching the underwater show. They returned home Monday night.

Mrs. Ola Mills of Tulia and Mrs. W. W. McGavock were listed as patients in Swisher Memorial Hospital last week. Mr. and Mrs. McGavock were involved in a car accident several days ago. He was at the hospital overnight and Mrs. McGavock was kept for several days for treatment of a broken shoulder, multiple bruises and cuts. Mrs. Wade McGavock of Tulia returned her in-laws to their home here Thursday.

Nominations To Be Filed After July 1

Farmers were reminded today that petitions nominating farmers to serve as A.S.C. community committeemen may be filed at any time during the year after July 1.

Louie Kitchens, chairman, Agricultural Stabilization and Conservation Committee, said today that he was making the announcement to correct any possible misunderstanding about the time for filing nominating petitions.

"An announcement that nomination petitions are being received is always made in advance of the time for election of community committeemen," the chairman explained, "and some farmers may get the mistaken impression that the petitions may be filed only during the approximately 35 days between the time of the announcement and the time for voting. I hope this statement will clarify the issue.

"Any local resident who is eligible to take part in one or more of the farm programs which A.S.C. committeemen help to administer may vote in the elections, and he may hold office as a committeeman regardless of race, color, creed or national origin.

"Farmers who are eligible to vote in the committee elections also have the right to nominate as a candidate any farmer who is eligible and willing to serve as a committeeman. Such nominating petitions, each one nominating one farmer and signed by six or more eligible voters, may be filed at the A.S.C. office at any time between July 1, and the deadline for such filings—25 days before the deadline for returning ballots by mail. Eligible voters may sign as many petitions as they wish."

In Briscoe County, A.S.C. community committeemen elections are held during the month of September. Each community election chooses three community committeemen and two alternates. The regular members elected to the community committee also serve as delegates to a county convention where the A.S.C. county committee is elected.

Programs administered by the A.S.C. and community committeemen include the Agricultural Conservation Program, acreage allotments, marketing quotas, commodity loans, the feed grain program, the voluntary wheat program, the upland cotton diversion program, the Sugar Act program, the national wool program, farm storage facility loans, and others as assigned by the Secretary of Agriculture.

MR. AND MRS. DRENNON HONORED ON ANNIVERSARY

The home of Mr. and Mrs. Frank Drennon one mile north of Cross Timbers, Missouri, was recently the scene of their golden wedding celebration.

Mrs. Mary Alice Jenkins, sister-in-law of Mrs. Drennon, helped with plans for the day, and a nephew, Mr. and Mrs. Ronald Jenkins, made the trip to Missouri from California for the occasion. A gold cloth and white net covered the serving table which was graced by a three-tier anniversary cake. It was served with golden punch, nuts and mints.

Mr. and Mrs. Drennon were married May 13, 1916 at Hermitage by the late W. A. Dollarhide. All of their married life has been spent in Hickory and Benton counties in Missouri. Both are members of the Cross Timbers Methodist Church.

Mrs. Drennon is the former Ethel Jenkins of Silverton. She is the daughter of the late C. A. Jenkins and the niece of the late Bob Dickerson. She spent the first 22 years of her life in Silverton.

Her father, C. A. Jenkins was one of the pioneers of Briscoe County, having come here by wagon train in 1893. He was a carpenter and contractor, having built the first church building and the first school building in Briscoe County. He was also postmaster for eight years and a merchant. They left this area in 1916 to return to their former home in Missouri.

Mrs. J. B. Nance of Plainview visited her sisters, Mrs. P. D. Jasper and Mrs. L. B. Garvin, Sr., and sons, Hugh and J. D. Nance, last week.

MRS. RAY MATTHEUS

Williams-Mattheus Vows Read In Double Ring Service

Miss Martina Jane Williams and Ray Alfred Mattheus were united in marriage in a double-ring ceremony performed in First Baptist Church of Silverton at 4:00 o'clock Saturday, June 11.

Mr. and Mrs. Floyd B. Williams and Mr. and Mrs. L. A. Mattheus are parents of the couple.

Rev. Clyde Cain, pastor, directed the exchange of vows before a setting of twin candelabra holding lighted tapers complimented with sunburst arrangements of white bridal gladioli.

The family pews were marked with bows in the bride's chosen colors, two shades of pink.

Mrs. L. B. Garvin, Jr., organist, accompanied Mrs. Clyde Cain, who sang "Whither Thou Goest," and Miss Dianne Davis, who sang "Wedding Prayer."

The bride, escorted and given in marriage by her father, wore a traditionally-styled white gown of French crepe with cathedral train. The bodice of her dress was designed with round neckline and long sleeves which ended in petal points over her hands. Her satin rosette coil headpiece held her tiered veil of imported French illusion, and she carried a cascade bouquet of American Beauty pink roses surrounding an orchid atop a white lace-covered Bible.

For something old, the bride wore an heirloom breast pin which had belonged to her maternal great-grandmother. She added new pearl earrings, a gift from the groom, and she carried a silver dollar borrowed from her maid of honor, Miss Martha Mills. She also wore a blue garter given her by Mrs. W. J. Copeland and pennies in her shoe were loaned by Mrs. Fred Edwards.

Miss Mills, classmate and college roommate of the bride, was maid of honor. Miss Dianne Blakney of Runge, another college roommate, was bridesmaid. They wore identically styled sheath dresses in slipper length of American Beauty pink crepe and double rosette headpieces of matching satin which held short veils of French illusion. They carried cascade bouquets of pink carnations.

Flower girls were Vicky Mattheus of Hale Center and Patricia Boedeker of Plainview, nieces of the bridegroom. Candle lighters were Ricky Bigham of Lubbock, cousin of the bride, and the bride's sister, Miss Annette Williams. Ring bearer was Alfred Boedeker of Plainview, nephew of the groom.

The girls wore A-line sheath dresses in shades of American Beauty pink, designed with empire waistlines. They also wore matching pink bows in their hair.

Van Breedlove was best man. Tim Mattheus, brother of the groom, Wayne Nance, Robert Bonnar and Dennis Tomlin were ushers.

Mrs. Williams chose a blue imported silk sheath dress with matching accessories and added a corsage of American Beauty pink rosebuds for her daughter's wed-

ding. Mrs. Mattheus, mother of the groom, wore a two-piece pink silk suit with matching accessories and also wore a corsage of American Beauty pink rosebuds.

After the vows were spoken, an impressive and beautiful three candle ceremony was performed by Rev. Cain, during which the couple extinguished the two single tapers symbolic of their separate lives until taking their wedding vows, and together lighted their large memory candle, symbolic of their oneness from that day on. It was at the conclusion of this ceremony that Mrs. Cain sang "Whither Thou Goest."

A reception was held in the church fellowship hall immediately following the ceremony. The bride's table was decorated with her bouquet and those of her attendants. The three-tiered wedding cake topped with miniature bride and groom was served by Miss Camellia Comer, Mrs. W. J. Copeland, Mrs. Jerry Smith and Miss Jeanne Davis. Mrs. Freddie Edwards was in charge of securing names for the bride's book.

The couple will honeymoon enroute to their new home at Fort Belvoir, Virginia, where the groom is serving with the U. S. Army. For traveling, the bride chose a champagne linen two-piece dress with matching accessories and the orchid from her bouquet.

Both the bride and groom are Silverton High School graduates. She has attended Texas Tech.

Rehearsal
Immediately following the rehearsal Friday evening, the parents of the groom were hosts for a dinner honoring the couple and their attendants at Steele's 68 Restaurant.

Prenuptial Courtesies
Prenuptial courtesies for the bride included a kitchen gadget shower hosted by Miss Sandi Rhode at a Coke party in her home on May 30. American Beauty pink colors were used throughout the room. Guests were Silverton High School friends and classmates.

On June 8 the lovely home of Mrs. Albert Sammann at Providence was the scene of a miscellaneous shower which honored the bride and groom.

The serving table was laid with a linen cloth, centered with a replica of a three-tiered wedding cake at the base of which was a pair of wedding bells with the couple's names extending on ribbons of the bride's colors. Milk glass and silver appointments were used.

Approximately 25 guests called and many sent gifts who were unable to attend. The hostess gift was an iron and ironing board.

Hostesses were Mmes. Albert Sammann, Elbert Sammann, Albert Steinfath, R. L. Ammons, Bill Cypert, Kenneth Griffith, R. C. Mattheus, Robert Mattheus, Don McLaughlin and Miss Helen Numann.

SILVERTON, TEXAS

Do you bring home everything you've paid for?

It's a good question.

Which you can answer "yes" - if you always buy from the business people right here at home. Where you live.

Wherever you buy, part of your money goes to build and to keep up the community in which you spend. To support schools, churches, civic projects, to pay the people who work in that community, and to provide better business and job opportunities for those who live there.

When you buy in YOUR OWN town, you get about the same merchandise you'd get anywhere else - PLUS the enjoyment of these other things that your money pays for.

When you buy anywhere else, you get merchandise ONLY. And your home community is a little poorer because you carried off part of its resources. And the many things other than goods that your money pays for are left for somebody else to enjoy, while they wait for you to return and give them some more.
