

**All Around the Town**

by Mary Ann Sarchet

The following items were published recently in the "Hired Hand" column in the Wichita Falls Record News. These are supposed to be authentic sentences from patrons of Tennessee welfare.

"I am forwarding my marriage certificate," one patron wrote, "and six children. I have 7, but one died which was baptized on a half sheet of paper."

And another wrote, "I am writing the welfare department to say that my baby was born two years old. When do I get my money?"

"Mrs. Jones has not had any clothes for a year and has been visited regularly by the clergy." "I cannot get sick pay. I have six children. Can you tell me why?"

"I am glad to report that my husband who is missing is dead." "This is my eighth child. What are you going to do about it?"

And still another wrote, "Please find for certain if my husband is dead. The man I am now living with can't eat or do anything until he knows."

"I am very much annoyed to find you have branded my son illiterate. This is a dirty lie as I was married a week before he was born."

"In answer to your letter, I have given birth to a boy weighing 10 pounds. I hope this is satisfactory."

"I am forwarding my marriage certificate and three children, one of which is a mistake as you can see."

"My husband got his project cut off two weeks ago and I haven't had any relief since."

"Unless I get my husband's money pretty soon, I will be forced to live an immortal life."

"You have changed my little boy to a girl. Will this make any difference?"

"I have no children yet as my husband is a truck driver and works day and night."

"In accordance with your instructions I have given birth to twins in the enclosed envelope."

"I want my money quick as I can get it. I've been in bed with the doctor for two weeks and he doesn't do me any good. If things don't improve, I'll have to send for another doctor."

All of which just goes to show you how much fun they must have at the Tennessee Welfare Office after the postman brings the mail every day.

## Boys Ranch Rodeo Sunday and Monday

Clowning-around is serious business at a Boys Ranch rodeo, if you happen to be one of the four boys who will play the biggest part in making the 22nd annual Labor Day rodeo safe for the young participants.

Nearly 100 boys will be riding professional rodeo livestock, Brahma bulls and broncs, and the clowns will be in the arena to protect them from injury.

Several boys try out for the clown positions each year, just as with the other competitive events. The Ranchers who are chosen have thoroughly demonstrated their skill, agility and speed in practice sessions which are now being held.

One of the most difficult things for a Boys Ranch clown to learn is not to run instinctively to the fallen rider and help him to his feet. Their job is to run between an angry bull or bronc and the boy; divert the animal and hold his attention until the rider is safely clear.

Besides their important functions for safety, the clowns will be riding at different times themselves.

Between acts and during the special "stick-horse" race for the four to six-year-old Ranchers, the clowns will unveil their dual personalities and perform light-hearted antics to add to the entertainment.

The rodeo will begin at 2:30 p.m., Sunday, September 4, and Monday, September 5. Tickets can be bought in advance from the Boys Ranch office, Box 1890, Amarillo, or at the arena. Reserved box seats are \$2.50, general admission is \$1.50 and children's and servicemen's tickets are 75c.

The woman who feels she is missing out on life's opportunities for fulfillment because she is "nothing but a homemaker," might do well to ponder the words of Cora Wilson Stewart who, a generation ago advised mothers that "There is joy in ANY task if we prepare well for it and then do it the best it can be done." This applies to doing the family wash as much as it does to the supposedly more glamorous vocations outside the home.

Attitude and preparation, point of view and system—these bring deep satisfactions, no matter what the nature of the task. Surely clean clothes, clean dishes, and a clean house help create a happy family—the greatest joy any woman can have. And a happy family is an incentive great enough to challenge all the talents that go into being "just a Homemaker."
