

All Around the Town

by Mary Ann Sarchet

We are calling a meeting of the Silverton Clinic Association for 7:30 p.m. Tuesday, February 20, in the P.C.A. community room. It is important that as many attend as possible so that directors can be elected.

It has been years since the Association had a business meeting; and of course, there is never a very large representation to discuss clinic matters at the meetings. Most everyone prefers to discuss the matter out of a meeting, where such discussion leads to no constructive end. You earn your license to "gripe" by taking part in such elections; you have no license to "gripe" if you aren't interested enough to take part.

The situation is that the terms of all the directors expired a long time ago. Two of them have moved away from Silverton, leaving Gabe Garrison, Agnes Seaney and myself being asked to make the decisions necessary. This isn't right, and according to the Association's by-laws, an election should be held every two years.

Among the questions that arise are: Who pays for the insurance on the clinic? Jack Strange has just taken care of this matter for a new term, but who takes care of it next time?

Who pays the utilities? Jack Robertson is paying them now.

Who hangs new curtains, makes necessary repairs or looks after the grounds? Salem Dry Goods, Vivian Morris, the Briscoe County News and possibly others contributed materials, time and money for the new curtains when Dr. Barbour and Dr. Scarborough began practicing here. George Seaney keeps the grounds.

Should we accept the services of a full-time doctor with cloudy references and send away the two capable part-time physicians we now have?

Would it be better for the people if we had a competent full-time osteopath, or is it better to continue with medical doctors two days a week while continuing to look for a medical doctor who will move here?

The point I am trying very hard to make is that even though there is no full-time doctor, directors are needed to make decisions regarding the use, operation and maintenance of the clinic. A governing body is more necessary when there is no permanent doctor than when the clinic is leased to a doctor. When the clinic is leased, the doctor makes a lot of these decisions and looks after the upkeep.

Work is continuing in an effort to secure the services of a full-time doctor, and we did have a serious "nibble" just a few weeks ago. Another medical doctor indicated that he would consider moving here if we had hospital facilities.

You are a member of the Association. Please take an interest in your local clinic and attend the meeting to help select a slate of directors to represent you. It's always a bad thing when a few make the important decisions for all the people. Please help us have a better town by fulfilling your responsibility in this matter.

JUST A REMINDER

One day soon all of us will be included in a hospital district and will be paying taxes to support our district's hospital. Not having facilities in Briscoe County will not exempt us from this responsibility. You know as well as I that we could be annexed at any time into any one of about three hospital districts. The vote would just have to carry the entire area—and I know Tullia or Plainview and perhaps Lockney could outvote us two to one. And don't they have just cause to want us to help support their hospitals? Can you imagine how many Briscoe County personal files they can count among their records?

We are freeloading on them—using their facilities at the same price they pay when they also pay taxes to help support the institution. One day they will ask us to share the expense—and even though our people said "no," if their people said "yes" loud enough, we'd have to go along!

Don't think you are escaping the payment of hospital taxes entirely now. We are paying welfare-type hospital bills through our county taxes all the time. My prediction is that we will be annexed into Tullia's hospital

CARRON MONTAGUE

Carron Montague Installed As Worthy Advisor Of Rainbow For Girls

Carron Montague, daughter of Mr. and Mrs. Roy Montague, was installed as Worthy Advisor of the Silverton Assembly, Order of the Rainbow for Girls, in a pretty public ceremony at the Masonic Lodge Saturday afternoon.

The hall was decorated in the Worthy Advisor's colors, orchid and white, and the refreshment table decor included an arrangement of orchid roses.

Theme of the Worthy Advisor's term of office is "Vision," and her chosen scripture is Proverbs 29:18, "Where there is no vision,

the people perish."

Carol Ann Montague was installed as Worthy Associate Advisor; Barbara Davis is Charity; Jackie Tate is Hope, and Nancy Reid is Faith for the ensuing term.

Other officers are Laquita Croft, Recorder; Pam Vaughan, Treasurer; Pat Jarrett, Chaplain; Vicki Vaughan, Drill Leader; Cindy Acker, Love; Janet McWilliams, Religion; Lois Stephens, Nature; Ellen Thomas, Immortality; Linda McWilliams, Fidelity; Norleen Offield, Patriotism; Colleen Culwell, Service; Frances Crass, Musician; Janet Montague, Choir Director; Brenda Beames, Confidential Observer; Paula Montague, Outer Observer; Elaine Forbes, Mother Advisor.

Installing officers were Jan Lanham, Worthy Advisor; Jane Self, Marshal; Roy Ann Bomar, Chaplain; Nancy Kay Long, Recorder; and Kathy Self, Musician.

Following the installation of the officers, choir and advisory board, and the introduction of the Worthy Advisor's family, Cynthia Sutton sang "He."

Members of the Rainbow Advisory Board are Pat Whitfill, chairman; LaVerne Long, Annell Davis, Carolyn Self, Dorothy Bomar, E. C. Newman, Mary Ann Sarchet, Lola Mae Stephens, Career Monroe, J V Self, Lily Wolford and Elaine Forbes.

Services Today For Bill W. Watters

Funeral services for Willie Washington Watters will be conducted at 3:00 p.m. today (Thursday, February 8) in the First Baptist Church in Silverton with the pastor, Rev. C. H. Murphy, Jr., and Earl Cantwell, minister of the Rock Creek Church of Christ, officiating.

Pallbearers are to be Lynn Welch, Roy Morris, Glen Lindsey, Frank Hunt, Boyd Bingham and C. A. Tipton.

Burial will be in the Silverton Cemetery with arrangements under the direction of the Silverton Funeral Home.

Mr. Watters, 74, died at 5:30 p.m. Tuesday in the Plainview Hospital, where he had been a patient two days. He had been at a Plainview nursing home prior to that.

He was born October 24, 1893, the son of the late Mr. and Mrs. James Watters, in Haskell County. The family moved to Briscoe County from Haskell in 1900.

A retired farmer, Mr. Watters was a member of the First Baptist Church in Silverton.

Survivors include four daughters, Mrs. Lina Payne of Clar- endon, Mrs. Iva Wylly of Pierre, South Dakota, and Mrs. Sybil Martin and Mrs. Eudean Crow, both of Silverton; one son, Glenn Watters of Nucla, Colorado; one brother, Walter Watters; two sisters, Mrs. Ora Lovett of Plainview and Mrs. E. C. Newman of Silverton; 11 grandchildren and 9 great-grandchildren.

district within the next two years. And I guess those who are so violently opposed to building a hospital here will vote for our annexation; this would forever close the door on any possibility of a hospital in Silverton.

Plains Trail To Bring Tourists Through Briscoe County

Grand Jury Hands Down Four Decisions

Grand Jury met in a lengthy session here Monday to consider several matters which have been under investigation by the Briscoe County Sheriff's department. One no-bill and three indictments were handed down.

Lincoln Cyrus of Vernon was no-billed in the shooting death of Leroy Allen, also of Vernon, which took place at the Silverton Hotel January 25. Both men were workers in the oil exploration operations which are being conducted northeast of Silverton, and both were staying at the Hotel here.

The shooting erupted as the climax of a long-time quarrel, and evidence received by the Grand Jury indicated that Allen for some time, and that Cyrus was afraid of Allen.

Two teenage boys from Amarillo, old enough to be considered as adults by the Court, were indicted for breaking into a Quitaque drive-in recently. The boys were caught in the act of breaking into a cafe in Turkey following their activities in Quitaque, and had been held in the Hall County jail awaiting hearing.

A man from the Lubbock area of the South Plains was indicted on charges of theft which took place about a year ago. His indictment was for selling a stolen tractor at Quitaque.

When the Spanish explorer Coronado led his expedition across the high plains of West Texas in 1540, legend says, the soldiers were forced to drive stakes as they went to mark their progress through the waist-high grasslands.

Some believe, however, the "Staked Plains," or Llano Estacado, got its name from the fact that the land seemed to be perched on stakes or giant palisades when viewed from a distance. Regardless of which is fact and which is fiction the Texas Panhandle is rich in both scenery and wealth.

With this in mind, Governor John Connally included the Texas Plains Trail as one of Ten Travel Trails announced January 17 at the third annual Governor's

Tourist Development Conference.

The estimated 584-mile trip travels through the counties of Armstrong, Bailey, Borden, Briscoe, Carson, Castro, Cochran, Crosby, Floyd, Deaf Smith, Garza, Hartley, Hockley, Hutchinson, Lamb, Lubbock, Lynn, Moore, Motley, Potter, Oldham and Randall.

Amarillo and Lubbock are the largest cities on the high plains, so-called because of the sharp Cap Rock Escarpment which divides it from the remainder of the state. Northern-most towns on the trail are Dumas and Stinnett, north of Lake Meredith—a national recreation area. Dumas is in the center of one of the nation's largest grain sorghum producing areas, center of one of the world's great natural gas fields and producer of two-thirds of the nation's helium.

Farm Road 687 guides travelers along Lake Meredith, with State Route 15 and U.S. 60 bringing them to Amarillo. Palo Duro Can-

Clinic Association To Meet February 20

There will be a meeting of the Silverton Clinic Association at 7:30 p.m. Tuesday, February 20, in the P. C. A. community room. It is important that directors be elected to make decisions concerning the clinic facilities.

Mrs. T. C. Bomar entertained with a dinner for Mrs. Andrew Payne Thursday.

TO THE PEOPLE OF BRISCOE COUNTY:

I am announcing my candidacy for the office of Briscoe County Sheriff, Tax Assessor and Collector. I realize the importance of the office, and I think I am qualified to carry out those duties and responsibilities.

I will make an effort to contact each of you before election time, and until then I will appreciate your support and influence in my behalf.

J. C. Fowler

TO THE VOTERS OF BRISCOE COUNTY PRECINCT 3:

I am applying to the voters of Briscoe County Precinct Three for the job as your County Commissioner.

Joe Oneal

Farmers Invited To Special Meeting

"Farming Frontiers '68," a new management-oriented film about subjects which could affect the crops grown in this area before 1970, will be shown at a meeting sponsored by Ray Thompson Implement Company at 7:00 p.m. on Thursday, February 15, 1968, at the City Cafe.

There will be prizes and refreshments will be served. The public is invited to attend.

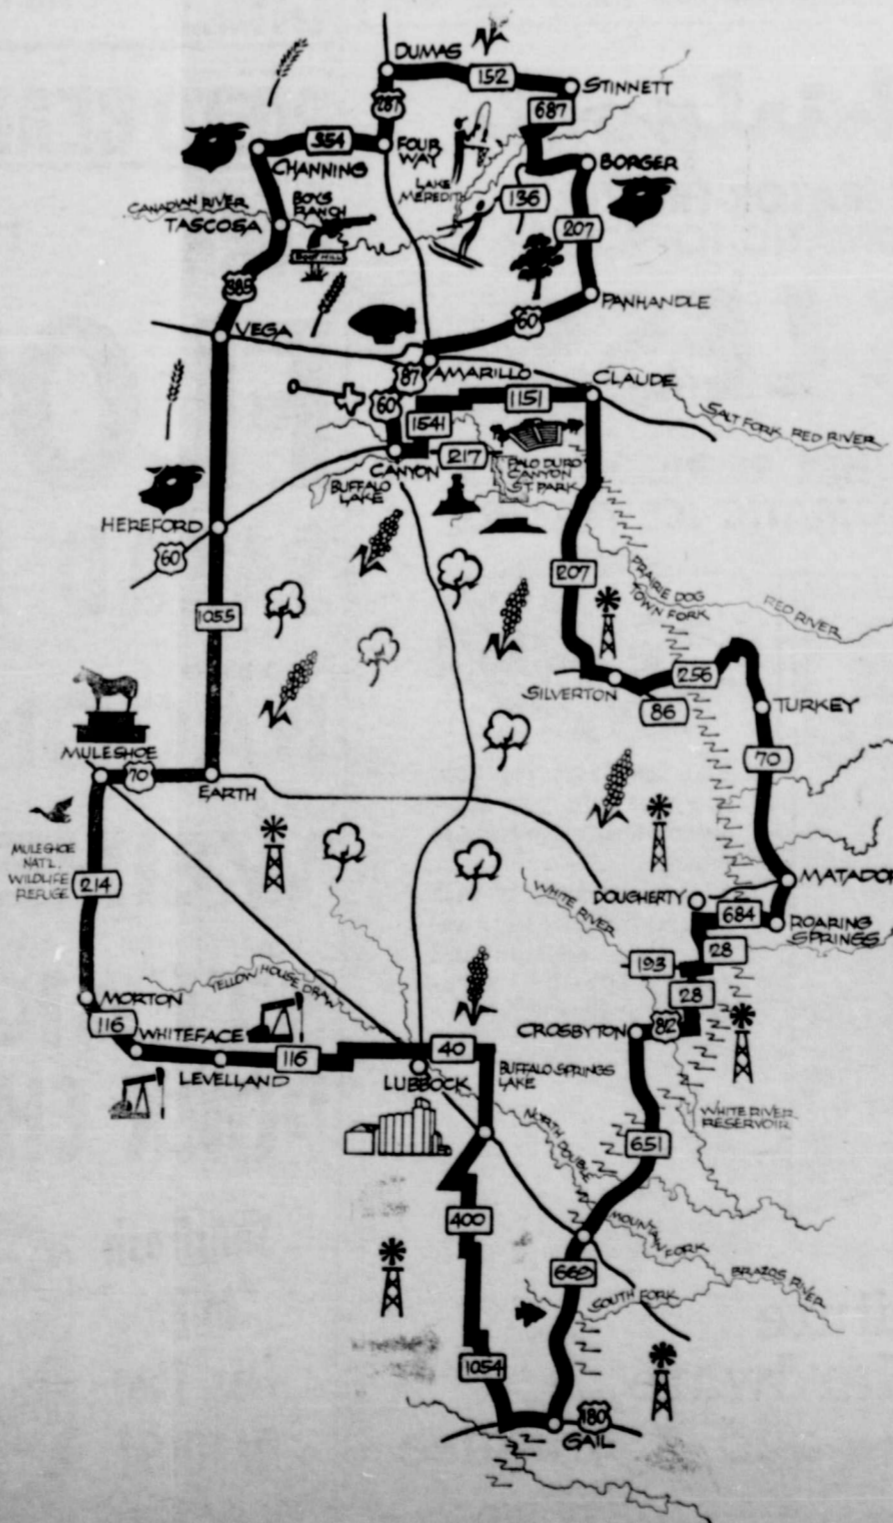

yon State Park, 120 miles long and covering 15,000 acres, is southeast of Amarillo near the town of Canyon. A paved road follows the canyon rim and winds down 1,200 feet to the canyon floor, site of Pioneer Amphitheatre. The outdoor drama "Texas" is performed here during summer months.

The musical tells the story of the fight to settle the plains. This outdoor arena under the stars was built as a memorial to the people of the Panhandle. Dramatic lighting with a 600-foot canyon wall as a backdrop creates an unforgettable setting. A small train takes visitors on a tour of the canyon floor and a sky life carries riders on a round trip from the floor to the rim.

Canyon is also noted for the Panhandle Plains Historical Museum. Located on the West Texas University campus, it is noted for its massive entrance doors which are ornamented with historic brands. The museum also contains an extensive gun collection, authentic chuck wagon and prehistoric fossils.

The Plains Trail follows Farm Road 1151 to Claude and turns south using canyon-bisecting Highway 284 to Silverton, State Highway 256 through the "Schott Cap" to Turkey and State Highway 70 to Matador, a true western town named for a ranch. Farm Roads 684, 28 and U. S. 82 continue southward past White River Reservoir through Calgary and on to Post, a community founded by C. W. Post, the cereal king. Post

Ross Chandler Taken By Death

Ross Chandler, 74, who had been operating the pool hall here while Mr. and Mrs. Dan Thornberry were out of the city, was stricken with an apparent heart attack here Sunday night and died at 11:45 a.m. Monday in Swisher Memorial Hospital.

R. N. McDaniel, City Night-watchman, reported that Mr. Chandler called him about 10:30 p.m. Sunday and said he was sick. McDaniel went to Chandler's apartment, and said that the man, not having other medication, took some aspirin. They arranged that if Chandler needed help during the night and turned his light on that McDaniel would return to check on him. About 5:00 a.m. McDaniel discovered the light was on, found Chandler begging for a doctor, and took him to Swisher Memorial Hospital.

Mr. Chandler's wife lives in Bonham, and the body was returned there for burial.

MEMBER OF
 TEXAS PRESS, PANHANDLE PRESS and WEST TEXAS PRESS ASSN.

Around and around goes the Texas Liquor Control Board inquiry—and where it stops nobody knows.

Threatened with disclosures that would "blow the top off" irregularities in operations of some of its field personnel, the board heard just enough to rattle its windows at a one-day public hearing in Austin.

Widely-heralded fact - finding proceeding before the three-member board developed little evidence.

But the probe, according to LCB Chairman W. D. Noel of Odessa and First Assistant Atty. Gen. Nola White, coordinator, will continue behind the scenes.

Gov. John Connally said the fact that only five witnesses showed up for the hearing (when 500 had been invited) was "very disappointing".

Ex-inspector William B. Groce and Raymond L. Valenta, among seven Dallas LCB employees fired on December 13, provided most of the testimony. They denied any wrongdoing and demanded exoneration of any part in alleged rigged sale of a confiscated \$78 truck and the reported trading of 11 bottles of confiscated liquor to an auto painter.

Dallas Assistant District Attorney William F. Alexander repeatedly questioned Groce and Valenta about their association with a 417-pound private investigator named Smokey Joe Smith. Smith is under indictment on charges growing out of alleged efforts to "fix" liquor license suspensions.

That some partiality was shown in enforcing liquor laws in the Dallas area, was hinted by the ousted inspectors. But they denied pressure to put anybody out of

INSULATION and WEATHER STRIPPING
 Ferguson Lumber & Supply
 Silverton

business or any knowledge of license suspension reductions by the board's state headquarters.

White after the hearing that no real evidence of wrong-doing developed. Further hearings in Jasper, Dallas, Odessa and Tyler have been suggested.

Meanwhile, new fuel was thrown on the fire by the resignation of the board's supervisor of investigation, John W. Crank. Crank said he quit because he was "fed up". The board said he was relieved of his duties.

BUDGET

State agencies now are in the process of presenting their 1968-69 budget requests to the Legislative Budget Board and the Governor's Budget Office.

Staffers in these offices have indicated they can be ready for a special legislative session by the end of February if that time should strike the fancy of Governor Connally.

Budget office personnel are confining their attention to agencies offering major changes in their proposals over funds allocated for fiscal 1968.

CONSTITUTIONAL REVISION

A blue-ribbon constitutional revision commission has set itself a late-May deadline for the processing of study-group proposals for changing the state constitution by sections.

Commission granted its study sub-committees broad leeway as to whether to recommend sweeping "philosophical" rewriting or simple updating of basic laws and elimination of deadwood. Most members appeared to lean toward the latter, and some warned that the legislature is going to do as it pleases anyway with the final handiwork.

POLLUTION SUITS

Two Dallas corporations are suing the Texas Water Quality Board which ordered them to stop releasing untreated sewage into the Sabine River near Orange.

Meanwhile, the board has taken legal action against Harris County Water Control and Improvement No. 60 to stop the discharge from

SWISS SKYRIDE—Sidewalk superintendents are viewing progress on HemisFair '68 from the air with the help of the Swiss Skyride over the World's Fair grounds. These early bird visitors are part of more than 20,000 persons who have taken the skyride since it was opened to the public on Christmas weekend. The 622-foot Tower of the Americas with its six-story tophouse in place draws the attention of many sightseers.

its plant into Middle Bayou and Clear Lake. Board also called for Spring Branch Utilities, Inc., to show cause why it should not be ordered to stop pollution of Spring Branch Creek in Houston and Spring Valley with sewage plant effluent.

Inwood Development Company and Westgate Corporation, owners of Riverside Homes Addition near Orange U. S. Naval Station, filed suit after the board told them to tie into the Orange sewage system. Petition claimed the board has no authority over Sabine River since it is the subject of a Texas-Louisiana boundary dispute. Also involved are questions of proof that the plant release is detrimental to health.

Board also learned that Shell Chemical Company is building a \$4,000,000 secondary waste-water treatment plant at Houston.

SCHOOL HEARINGS SET

House standing committee on education will hold 10 statewide public hearings during February.

First will be in Kilgore on February 20 and the second in Gainesville on February 22.

Chairman George Hinson of Mineola says the principal purpose is to determine the needs in the

area of vocational and technical education, and to explore inadequacies and lack of coordination. Most of the hearings will be held in rural areas and smaller towns, although metropolitan problems also will be explored.

Representatives of the Texas Education Agency, the higher education coordinating board, the regional education centers and the governor's public school study committee will report at hearings. Educators, business and industrial leaders and private citizens are invited to testify.

COLLEGE SALARIES

A new report from the Coordinating Board, Texas Colleges and University System, has pegged Dallas County Junior College as the highest paying junior college in the state.

Salaries there average \$8,962 annually. But the highest individual income for a junior college teacher, \$13,600, is reported from Tarrant County Junior College in Fort Worth.

One with the lowest average salary rate is Hill Junior College at Hillsboro. Average salary there is \$6,525 per year.

of Amarillo and Dudley McMinn of Kress spent the weekend with Mr. and Mrs. Bud McMinn and Travis McMinn. On Sunday, the birthdays of Travis, Dudley and Bud McMinn, all of which occur in the same week, were celebrated.

Bill Bryant, Anne Bryant, Mrs. Belle Olive and Betty Olive visited patients in the Lockney Hospital Saturday morning and also visited Mrs. Jennie Fisher and Mr. Vardell at the nursing home.

Mr. and Mrs. Bud McMinn visited Mrs. Jennie Fisher and Mrs. W. L. McMinn at the Lockney Nursing Home on Wednesday of last week.

Mr. and Mrs. Durward Schmidt of Lamesa spent Wednesday of last week in the home of her parents, Mr. and Mrs. J. M. Thompson.

Mrs. Glenna Wilson of Canyon visited in the home of Mrs. Belle Olive and Betty Saturday afternoon. Mrs. Wilson was also a visitor with Mrs. J. W. Brannon while here.

Mrs. Bud McMinn visited her

aunt, Mrs. Lula Vaughn, while in Tulsa to see a doctor on Monday of last week.

Overnight guests of Mr. and Mrs. Lark Miller Thursday were Mr. and Mrs. Mickel Jones of Amarillo.

It has been learned by Mr. Mrs. Edwin Davis that their son, Dwin Davis, who is stationed at a Naval Base in California, was injured when the car he was driving left the highway on a slick curve and hit some trees near the base early this week. Davis, who had just returned to California after having been home on leave, called his father and reported that he had a tooth knocked out and lacerations which required stitches. Other details were not learned.

Debbie McMinn of Kress spent from Friday until Sunday with Mr. and Mrs. Bud McMinn in Amarillo.

Vehicle Inspection Sticker Time Again

The Texas Department of Public Safety reported today that more than 4,250,000 vehicles still remain to be inspected for the 1968 sticker before the April 15 deadline.

Col. Homer Garrison Jr., DPS director, said that only 1,574,397 vehicles had been inspected so far this year. The total number of vehicles inspected during 1967 was 2,862.

Garrison urged motorists to have their cars inspected as soon as possible in order to avoid the long lines which will undoubtedly develop as the inspection period draws to a close.

Garrison reminded car owners that under new provisions of the law the inspection will include front seat belts in cars where the anchorages are part of the manufacturer's original equipment, steering, and wheels and rims.

"Those motorists who wait until the last weeks of the inspection period to have their cars inspected may find that they will need to install seat belts," Garrison said. "And with the last minute rush, there may not be enough seat belt kits in supply to take care of the demand. Dealers will have no way of knowing how many sets to have on hand, so to be on the safe side we urge all owners to have the work done as soon as possible."

Garrison said the inspection could be completed in any of the 5,336 inspection stations in Texas. Each authorized station displays a standard sign identifying the est-

NAMED TEXAN OF THE YEAR—Each January the Texas Press Association designates a native born Texan, now residing outside the State and bringing honor to the state, as its **TEXAN OF THE YEAR**. This year the selection was from the field of sports. Chosen was Raymond E. Berry, outstanding end for the Baltimore Colts. Berry, born in Corpus Christi and reared in Paris, has been with the same National Football League club for the past 13 years. TPA President Harold Hudson (left) of Perryton is pictured here helping the sterling athlete hold his award-winning copper engraved plaque. Presentation was made by President Hudson on behalf of the newspapers of Texas for Berry's outstanding accomplishments, gracious charm, Christian leadership and conduct both on and off the field of play.

Auditions For TEXAS To Be Held Soon

Dance auditions for the third season of "TEXAS" the musical drama by Paul Green which plays in the summer in the Palo Duro Canyon in the beautiful amphitheatre will take place on Sunday, February 11, 1968 at 3:00 p.m. in the Branding Iron Theatre on the campus of West Texas University. Mr. Neil Hess will be in charge. Mr. Hess is the choreographer and has been since the first season of

the show. Dancers should report in rehearsal clothes. Although formal training in dance is not required it is helpful.

Since some dancers have speaking parts, and everyone sings in the chorus, applicants should prepare short examples of their ability to speak from the stage and to sing, and should bring music for an accompanist. Mr. and Mrs. William A. Moore, the directors, and Mr. Royal Brantley, musical director, will be available to hear these auditions and also to listen to any others who wish to try out and who were not able to come in January.

At 3:30, the musical director, Mr. Royal Brantley, will interview instrumentalists. There are parts for guitar, violin, accordion and

WALL STREET Notebook

BY ROBERT B. JOHNSON, Research Director
PAINE, WEBBER, JACKSON & CURTIS

Outlook For 1968

With the risk of accelerating inflation the key concern for 1968, investors should focus on those industries that are less vulnerable to rising wage costs.

Another key guideline should be selectivity. While this word has become rather trite, I think 1968 is not the year in which investors should disregard selectivity as just another Wall Street cliché.

Looking at the general economic picture for 1968, I see a good year for business and the investor, but I would want to caution that politics will play the most important role in determining the course of the economy. Unless there are meaningful cutbacks in non-essential Federal spending and a tax increase to curb inflation, the Federal Reserve Board may again have to assume the responsibility for restraining our economic exuberance.

My bullishness on the economic outlook is based on anticipated increases in government spending on all levels, as well as higher capital spending, and consumer outlays. I estimate an increase of \$55 billion in Gross National Product, up 7% from 1967, with half the gain in real growth, the remainder reflecting price increases.

I believe the consumer sector will provide the greatest increase in demand, with consumer spending rising more than \$35 billion, compared with an increase of only \$26 billion in 1967.

sample for soil tests. But, these rains have replenished subsoil moisture needed for small grains, spring pastures and other crops.

With favorable moisture prospects are better for high yields; therefore, it is important that fertilization supply those plant nutrients lacking in the soil in amounts sufficient to meet the higher production requirements.

Even though 1967 was relatively dry in most areas of Briscoe County, numerous demonstrations show that fertilization according to soil and crop requirements was a highly profitable investment. Since the plant food content of soils varies, as does the crop requirements, a soil test will provide information about the capacity of the soil to supply plant food and provide suggested amounts of plant nutrients to supply.

For information about soil tests, come by the office. I have boxes and instructions for collecting samples and suggestions on the sampling procedure. This generally involves dividing farms and

fields into sampling units, collecting a composite sample from each unit, completing the history sheet and mailing to the laboratory along with the \$2.00 fee per sample. From 10 days to 2 weeks is required to get a report back from the lab.

Mrs. Dee McWilliams has been in Snyder visiting her son, Mr. and Mrs. Jerry McWilliams and sons. Mr. McWilliams took her to Snyder on Saturday and returned her home on Wednesday of last week.

Why settle for a plain-jane job when you can get Olds room, ride and luxury—plus responsive V-8 performance from a new generation of Rockets.

And special savings on vinyl roof, whitewalls, deluxe wheel discs, deluxe steering wheel and chrome fender trim during "Olds 88 Days". You can also order power seats or power windows or stereo.

Or our great new, award-winning Tilt-and-Telescope Steering Wheel—with Oldsmobile's exclusive "Instant Horn" that hanks when you squeeze the wheel! In short, it's easy to own a full-size Oldsmobile—specially now during "Olds 88 Days". At your Olds dealer's right now.

Give Olds young wheels a whirl. Drive a youngmobile from Oldsmobile.

CRASS MOTOR CO.
Silverton, Texas

HEAD WAYLAND DRIVE—Preston Johnston, left, and David Casey, both of Lubbock, are chairman and vice chairman respectively for the \$1.5 million Wayland College developmental fund drive now underway. The campaign has broken into three divisions—Amarillo, Lubbock and Plainview — with Silverton included in the Plainview Division.

PLAINS TRAIL —

CONTINUED FROM PAGE ONE

grew quickly although all supplies in the beginning had to be brought in by mule train from Big Spring, approximately 70 miles away. A cotton mill started by the community's founder was among Texas' earlier mills and remains in operation.

Next stop, via Farm Road 689, is Gail, noted for its Borden County jail on the courthouse square. The trail turns down U. S. 180 for only a short distance before reverting northward via Farm Road 1054 to Wilson and Farm Road 400 on into Lubbock.

Texas Tech is located in Lubbock. And Mackenzie State Park with its prairie dog town is a tourist favorite. Lubbock, founded in 1891, is center for a vast region of oil, agriculture, ware-

Club Project Animals Sold At Amarillo

Ronnie Vaughan, who exhibited a reserve champion 196-pound barrow in the Amarillo Stock Show recently, received 41c a pound from Paymaster Seed Farms when the junior swine sale was held.

Silverton Merchants were the high bidders on the following barrows: fourth - place barrow shown by Roy Dale Wood; ninth-place barrow shown by Max Wea-

housing and education. Buffalo Springs Lake, nine miles southeast of Lubbock via Farm Roads 40 and 400, offers fishing, boating and picnicking.

The Plains Trail departs Lubbock westward on Farm Road 2255 and State Route 116 as far as Whiteface, then northerly on State Highway 214 through Morton to Muleshoe. A life-size statue of a mule stands at the intersection of U. S. Highways 70 and 84 in Muleshoe. The creation, made of fiber glass, was unveiled in 1965. The Muleshoe National Wildlife Refuge, established in 1935, is the oldest national wildlife sanctuary in Texas, primarily as a home for waterfowl.

U. S. 70 and Farm Road 1055 through Earth lead to Hereford in Deaf Smith county, referred to as "the town without a toothache." There is a noted absence of dental decay due to natural flourides in the water supply. Tascosa and Boys Ranch is farther north on the trail. Old Tascosa, on U. S. 385 south of Channing, was settled in 1870 by Mexican colonists. Boot Hill Cemetery just off the highway is the final resting place for many cowboys who died in 1880 gunbattles. In June, 1939, the late Cal Farley established Boys Ranch for homeless boys on the old townsite. The Plains Trail returns to Dumas via State Highway 354 and U.S. 287.

4-Her's To Show At El Paso Stock Show

Danny and Ronny Vaughan and Larry Comer will be exhibiting their livestock for Briscoe County 4-H clubs at the Southwestern International Livestock Show during the week of February 4 through 8.

All of these 4-H members will be showing barrows and gilts in the Junior Swine Show.

The El Paso Show is one of the major Swine Shows in Texas each year, and promises to be very strong again this season.

tenth-place barrow shown by Lane Garvin; fifteenth-place barrow shown by Danny Vaughan.

The Silverton Merchants paid 25c or 26c a pound for each of the club barrows.

The Silverton Merchants also were the high bidders on steers shown by Gary Martin, Barbara Ledbetter, Ken Wood and Roy Dale Wood.

The Silverton Merchants paid 34c a pound for each of the club calves.

The following Silverton Merchants were represented by Glen Lindsey at the sale: B&B Food Center, Briscoe Consumers, Briscoe County News, Brown Hardware, Fogerson Lumber & Supply, First State Bank, House Chevrolet, Jack's Pharmacy, Ledbetter-Rhode Farm & Ranch Center, Nance's Food Store;

Also, Redin Oil Company, Plainview Production Credit, Rhode Pipe Company, Service Elevator, Silverton Auto Parts, Silverton Butane, Silverton Elevators, Silverton Gin, Inc., Silverton Metal Works, Thompson Implement;

Also, Tomlin & Fleming Gin, Verlin Towe Insurance Agency, Briscoe Co-Op Gin, Salem Dry

ON DEAN'S HONOR ROLL

Rocky Curby was listed on the Dean's Honor Roll at Texas Technological College for the fifth consecutive semester recently. His grade average last semester was 3.44.

An electrical engineering major, Curby is the son of Mr. and Mrs. Bud Long.

Progressive HDC Meets Monday

Progressive Home Demonstration Club will meet Monday, February 12, at 2:30 p.m. in the P.C.A. community room.

A demonstration on decoupage will be given by Mrs. Ware Fogerson.

Anyone interested is invited to be a guest of the club.

Roger Cantwell recently received a broken arm in a fall at the school gym during a basketball game. He is the son of Mr. and Mrs. Elton Cantwell.

Bryan Schott received a broken leg in a "little-boy-type" jump while playing at home Monday. His parents, Mr. and Mrs. John Schott, took him to the Tulia hospital and from there he was transferred to an Amarillo hospital, where the bone was set and the leg placed in a cast. The large bone was broken between the knee and ankle, and doctors have advised that he not try to walk for two months.

Goods, Silverton Co-Op Elevator, Brown-McMurtry Implement, and Sun Vue Fertilizers.

Years Spent in 4-H Add Up to Top Awards, Personal Improvement

Texas teenagers who were 1967 state champions in their 4-H projects are still talking about the good time they had at the National 4-H Club Congress in Chicago. A few of the highlights were trips to Chicago's famous museums, a concert by the Chicago Symphony Orchestra and a performance

award sponsor was The S&H Foundation, Inc.

Miss Jones is a first-year student at Brackenridge School of Nursing in Austin. Her parents are Mr. and Mrs. Ray A. Jones.

Miss Klose won her honors in the community beautification program sponsored by The Sears-Roebuck Foundation.

She and her sister organized the first community beautification group in the county, with their mother as adult supervisor.

Activities which she has carried out or organized included the painting of farm mailboxes, making curtains for the community building, providing identification signs for county roads and farm homes, and painting litter barrels. She also assisted in the development of the Youth Livestock Center.

She has been a 4-H'er eight years and president of the county council.

Miss Klose is a freshman at Tarleton State College in Stephenville. She is the daughter of Mr. and Mrs. Marvin Klose.

Fleming, a nine-year veteran of 4-H, was judged best in the field crops science program sponsored by Amchem Products, Inc.

He started his project six years ago on five acres of land. Now he rents 110 acres on which he raises sorghum, wheat and cotton. Much of his sorghum is used to feed his 4-H market hogs. His crops are fertilized according to soil test

recommendations.

A freshman at Tarleton State College, he is preparing for an agricultural career. His parents are Mr. and Mrs. Orville Fleming.

Reinke, son of Mr. and Mrs. Bert W. Reinke, placed first in the tractor program sponsored by Humble Oil & Refining Company.

Reinke

Smith

He and his father, who is the tractor club leader, have overhauled four tractors. Young Reinke has learned to operate many kinds of farm machinery, and has given numerous tractor demonstrations.

An active junior leader, he is president of his club and chairman of the Travis County 4-H Council. He is a high school senior and has career interests in veterinary medicine and extension work.

Smith, son of Mr. and Mrs. J. L. Smith, has had a champion or reserve champion sheep in each of the many shows he has entered. He has fed 276 fat lambs in his eight years in the 4-H Sheep project.

A senior in high school, he is president of his club and an active junior leader.

These outstanding young people were selected for their honors by the Cooperative Extension Service, which directs 4-H Club work.

Point

What makes the difference between the man who gets promotions and the man who remains in the same office for 15 years? Or between the person who has many friends and the person who has many acquaintances?

Many things make the difference — personality, manners, "style," personal appearance. But more than any one thing, it is attitude.

Attitude "makes or breaks you" as the saying goes. It means success or failure in anything you undertake.

Do you realize that you show your attitude without ever saying one word? The way you dress, the way you carry yourself, the way in which you speak as well as what you have to say, the friends you have, are only a few of the more obvious ways in which you express your attitude.

Your attitude affects your activities — mentally, physically and socially.

Have you ever noticed that those with the worst attitudes toward life have the fewest friends? It works just the opposite, too. Those who have the best attitudes have the most friends of all.

Employers rarely hire those who are insolent and seem to feel that the world owes them a living.

The world doesn't owe ANY person ANY thing. Rather, the person owes the world a debt. The person owes it to himself and to the world to leave it a better place than he found it. To do this, he has to give a little of himself every day. This is the whole point of living—to enrich yourself as well as your world.

Which would you say was the most healthy attitude for a person?

"I don't owe anybody anything. After all, I certainly didn't ask to be born;" or

"When I die I want people to know that I have lived. I want them to be proud that they knew me. I want to HELP someone. I want to ACCOMPLISH SOMETHING!"

I'd choose the latter — would you?

It's never too late to change your attitude. If you don't care whether tomorrow comes or not, try caring just one week. It surely is a lot more rewarding.

Any man can be anything he wants to be if he gives himself half a chance and if he makes up his mind to care. Dare to be different! It's your life, and you develop your own ideas of what you want to make it and you develop your own attitudes.

Would You Believe That In April 1959

News from the second grade was that Danny Vaughan was absent and cried because he had to stay in bed! Anita and Kenny Snow were the best story tellers for that week.

Third Grade

Terry Grimland got hit by a baseball bat . . . (so that's what happened!)

Fourth Grade

All but one of the tadpoles that Connie Dudley brought to school died.

Joni Faye was sick for a whole week!

Fifth Grade

Bailey Loyd had pneumonia. Orlin Grabbe had a new baby sister named Birdie Susan.

Wayne Rampley showed his club calf at Lubbock and won 17th place out of 50!

Sixth Grade

Robert Bomar had surgery!

The Match Box

THE OWL'S HOOT

Official publication of the students of Silverton High School, compiled and edited by members of the Future Business Leaders of America.

THURSDAY, FEBRUARY 8, 1968

Owlettes Win One, Lose One Game

The Owlettes took a 41-25 win over the Wheeler girls recently, with Ginger Martin leading the scoring by dumping in 22 points for Silverton. Others scoring in the game were Diana Strange, 10 points; Evelyn Wood, 5; and Jan Hutsell, 4 points.

Highest scoring individual for Wheeler was Judy Tucker, with 10 points.

Others seeing action for the red and white were Karen Holt, Kathy Self, Jereldene Weathered, Lexie Younger, Juannah Nance, Barbara Davis and Paula Birdwell.

The Owlettes had a tough match

with the Claude Mustangettes with two minutes left in the game and ended with a 46-49 defeat. The Owlettes led all three quarters, 14-10 at the end of the first period, 23-21 at halftime, 32-30 at the close of the third quarter.

After having dropped only one game in the first round of district play, the Owlettes have expressed their determination to win all the games of the second round.

Ginger Martin led the Owlettes by ripping the cords for a total of 25 points, while Diana Strange dumped in 9, Jan Hutsell caged 8, and Evelyn Wood tallied 4.

Leading Claude's scoring attack was Suzanne Brown, with 32 points.

Also assisting the Owlettes in this game were Kathy Self, Jereldene Weathered, Lexie Younger and Karen Holt.

Ginger Martin received a broken bone in her foot during the second quarter of the game, but returned to play in the fourth quarter. Ginger has her foot in a cast and will have to sit the next two games out, but hopes to return against Wheeler.

Owls Drop Pair Of District Games

The Owls met Wheeler Mustangs January 26, and dropped a close 39-42 game. Leading scorer for Silverton was Lynn Frizzell with 14 points.

Others ripping the cords for the locals were Randy Cantwell, 10 points; Jimmy Walker, 7; Joe Mercer and Lannie Arnold, with 4 points each. Leading the scoring for Wheeler were Rogers and Rieves with 16 points each.

The Owls met Claude's Mustangs on January 30, and dropped a 47-71 decision. Frizzell again led the scoring with 15 points.

Others contributing points to the Owl score were Walker, 12; Mercer, 10; Arnold, 5; Cantwell, 3; Thurman May and Roy Wood, one point each. Paul Ray McWilliams also saw action for the Owls.

Leading scorer for Claude was Bartley, with 14 points.

Let's Give Credit!

The high school students of S.H.S. are always giving one another credit for things, and since the teachers are an important part of the school, let's give them credit, too.

The students have Tommy Thornburg as history teacher. The Freshmen have Sonny Fox for Texas history and the Seniors have O. C. Rampley for government.

The high school science teacher is Dan Evans. Bobby Stephens and Sam Brown are chemistry teachers.

As for grammar, S.H.S. has Jon Leggett and Mari Rhode to help improve it.

The business subjects in the school are under the direction of Faye Rampley.

The homemaking students are learning new skills with Brenda Cook leading them. The boys in vocational agriculture are under the direction of Art Sommerfeld.

The math students couldn't do without James Alexander and Billy Willings to help them along.

The coaching staff is made up of Bobby Stephens, Billy Wiggins and Sonny Fox.

All of the teachers have done and are doing a wonderful job of leading the S.H.S. students to the skills that will make for a happier life after high school graduation. So while we are giving one another credit, let's remember to give them credit, too.

Seniors of the Week

JOE DOUGLAS MERCER

TERRY GRIMLAND

Seventeen years ago, Joe Douglas Mercer entered this world on January 3. Today he is a Senior, and ranks third in his class with a 92.97 average.

Son of Mr. and Mrs. Clyde Mercer, Joe stands 6'2", has green eyes and brown hair. His favorite foods are steak and seafoods, and he enjoys playing basketball. His favorite books are "To Sir With Love," "Up the Down Staircase," and "Of Mice and Men." The "1812 Overture" is Joe's favorite song.

Joe's interest in math and science may be the reason he received the chemistry award as a Junior. As a Sophomore, Joe placed fourth in the district in Interscholastic League Number Sense, and last year he placed second in the district and fourth in the regional contests.

Joe has been on the honor roll every year in high school, and has been a member of National Honor Society since he was a Sophomore. Recently, he was one of three Silverton High School Senior boys to make a perfect score on every phase of the Air Force Qualifying Test.

He received Perfect Attendance pins his first two years in high school.

A member of the Future Farmers of America for three years, Joe was selected the Star Chapter Farmer as a Sophomore.

This year Joe is a member of the Future Business Leaders of America. He was a member of the Junior Play cast, and is a two-year member of the "S" Club. He played basketball as a Junior and is serving the team as a co-captain this year. He also played football this year.

His pet peeve is "English literature."

Joe plans to attend Rice and major in science engineering.

Terry James Grimland, 17-year-old son of Mr. and Mrs. Windle Thomas, ranks fourth in the Senior class with a 91.74 average at the close of the first semester. Terry has been on the honor roll each year that he has been in high school and has been a member of the National Honor Society since his Sophomore year. He is serving the N.H.S. as vice-president this year.

Terry made a perfect score on the Air Force Test given to the Seniors earlier this year.

He is representing his class in the Student Council this year and is the Senior class president.

As a Freshman, Terry was a member of Future Farmers of America and his Junior and Senior years has been a member of the Future Business Leaders of America. As a Junior, Terry was a reporter for THE OWL'S HOOT and a member of the OWLET staff.

Terry played a leading role in the Junior Play.

Born September 7, 1950, Terry has brown eyes and brown hair and stands 5'11". His favorite food is steak and he enjoys listening to "Pop-A-Top Again" by Jim Edward Brown. His most enjoyable pastime is "running around," but his pet peeve is "SCHOOL." His favorite sport is water skiing.

Math ranks high with Terry as a school subject, and the book at the top of his Best Seller List is "The Carpetbaggers."

Terry plans to study engineering at Texas Tech next fall.

ARTHRITIS-RHEUMATISM

When it seems that nothing will give you relief from minor arthritic or rheumatic pains, get 100 STANBACK TABLETS or 50 STANBACK POWDERS and use as directed. Experience the fast, comforting, temporary relief Stanback can give you. If you fail to get relief, return the unused part and your purchase price will be refunded. Stanback has been granted the Good Housekeeping Seal. See for yourself how helpful Stanback can be. Stanback Company, Salisbury, N. C.

HEADACHE PAIN

STANBACK gives you FAST relief from pains of headache, neuralgia, neuritis, and minor pains of arthritis, rheumatism. Because STANBACK contains several medically-approved and prescribed ingredients for fast relief, you can take STANBACK with confidence. Satisfaction guaranteed!

Your Home Business Firms are
THE HIGHEST BIDDERS
for Your Shopping Dollar

**Here
 are the facts
 to prove
 it...**

Actually . . . no matter where you live . . . nobody . . . and that means **NOBODY** . . . can give you more for your dollar than your own home business firms. Let's look at the reason for this advantageous . . . to you . . . situation:

ANY MERCHANT . . . anywhere . . . is ordinarily going to sell goods for some more than he pays for them.

ON AN AVERAGE . . . when you spend a dollar in any retail store . . . here or anywhere else . . . about 70 cents of it pays for **GOODS**, and about 30 cents goes for rent, taxes, donations, hired help, etc., and a few cents (the national average is about 5 cents) pays the proprietor for his work, and for his investment in goods and equipment, credit losses, etc.

NOW . . . when you spend your dollar at home, you get the same 70 cents worth of merchandise that you would get for it anywhere else.

AND THE OTHER 30 CENTS stays here too, to help you pay for schools, churches, roads and streets; to vitalize the community so your property . . . or your job . . . is worth more; to keep more people here to share civic work and expense, and to serve **YOU** when you sometimes direly need their knowledge and their skills.

ONLY when you buy in **YOUR OWN HOME** community do you get back most of this 30-cent retail handling charge . . . and often a great deal more, as your job or your business prospers and your social life broadens with the growth of the entire community.

**Local Man Assigned
To Feed Delegates**

A local contractor will have the
assignment of feeding 450 dele-
gates to a three-day convention of
Jehovah's Witnesses in Vernon
February 23-25.

Rex Tiffin, steel building erector
for the area, who resides in
Silvertown, has been the chef for
circuit conventions before, but
he will now be assisted by a
Quannah telephone company em-
ployee. The two ministers will be
part of a staff of 100 delegates
who have volunteered their ser-

Rex Tiffin (left), Silvertown contractor and assistant min-
ister in the area for Jehovah's Witnesses will be assisted by
Jack Shugart Quannah minister and telephone company em-
ployee, during the upcoming convention of the Witnesses in
Vernon.

vices to help provide for the
comfort of the other delegates
who will attend the Bible sem-
inar.

Feeding large crowds carries a
heavy responsibility, according to
Tiffin. There are menus to ar-
range, quantities of food that will
be needed, to be determined,
schedules for the cooks and other
workers and most important, ar-
rangements made for proper food
preparation and its cleanliness.

"Good, wholesome and appetiz-
ing meals are served at all assem-
blies of Jehovah's Witnesses,"
Tiffin said, "and cleanliness is
really stressed. The result has
been no food poisoning," he ad-
ded.

Tiffin received his training at
larger gatherings of the Witness-
es, where thousands of meals
have been served. The largest was
in 1958 at the "Divine Will" In-
ternational Assembly in New
York's Yankee Stadium and Polo
Grounds. The cafeterias that op-
erated there fed over 150,000
three times a day at the rate of
67,000 an hour.

"This past summer in Canada
and the United States, Jehovah's
Witnesses held more than sixty
"Disciple-making" District Assem-
blies like the one in Amarillo,"
Tiffin indicated. "Similar cafeter-
ia arrangements were set up at
each one, and all of them met
with approval by health officials.
The method they all follow is the
same one that will be used in
Vernon," Tiffin added. "Keep it
cold! Keep it hot! Keep it clean!"

**Addresses Of
Servicemen Given**

It has been requested that the
members of L. O. A. Junior Study
Club publish the names of serv-
icemen so that it will be easier to
remember them with letters, gifts
and cards.

If you know of further correc-
tions to this list, please contact
Mrs. Charles Sarchet, Phone 3381.

YOUR NEWS IS IMPORTANT!

The news about what you and
your family are doing is an impor-
tant part of your local newspaper.
But the publishers of the Briscoe
County News don't know about
your news until you tell them.
Whenever you have news for
your hometown paper, please call
the News Office, 3381.

Mr. and Mrs. Carl Satterfield
Kelly and Kerry have moved to
Plainview, where he is an employe
of Buster Lowry Construction.

Mr. and Mrs. Luther Edwa-
Neeley of Tulsa were honored
Sunday afternoon at a reception
on the occasion of their golden
wedding anniversary. Hosts for
the occasion included Mr. and
Mrs. Jim Edd Steele. Included in
the houseparty were Mr. and Mrs.
Van Breedlove.

Mr. and Mrs. A. H. Chappel
visited Bill Watters, Allen True,
Mrs. Lovett and Mrs. Will Smith
at the Heritage Home in Plain-
view. As they returned home
they visited Mrs. R. E. Sweek,
Ronnie Hale and Mrs. Annie Ed-
wards at the Lockney Hospital.

DECOUPAGE—

We have prints, plaques, boxes,
candle holders, gold borders &
ornaments, gold leafing, hangers
and all your other needs. Fog-
erson Lumber and Supply. 48-tfc
