All Around the Town

by Mary Ann Sarchet

Recently on the cover of "This Week" magazine were these words to live by: "If you don't play to win, why keep score?"

This was a quotation from Vernon Law, who plays for the Pittsburgh Pirates. Somehow, this statement seems just as appropriate when applied to the "game of life" as it does when applied to a particular sporting event.

While thinking on the "game of life" angle for a column, I came across an article in the "Inter-scholastic Leaguer" written by Dr. Sheba H. Williams, which expresses some thoughts on athletics in local high schools which I think should be passed along.

One of the most useful purposes for athletics or any type of play is that it gives opportunities for the emotions to be expressed and to be directed in the proper channels. It is a proven psychological fact that every person has to have some opportunity to vent his emotions, and athletics and play are among the best ways.

Psychologists call any method which allows a person to express his emotions in a manner which avoids harmful mental or physical "explosions" the "safety valve" theory. Thus, athletics and play are excellent "safety valve" laboratories for the emotions.

We all know from personal experience that human beings are emotional and that they must have opportunities to express them or else they will "explode."

Emotions which are not allowed to be expressed in desirable fashions will be displayed in undesirable fashions. One of every 15 Americans today will enter a mental hospital sometime during his life, and many other neurotic people not included in the above are found in society. There must be some activities which give a person an opportunity for wholesome and desirable pouring out of emotions. If they are bottled up and not allowed to "come out" then that person will become neurotic and will display abnormal mental and social traits.

Athletics and play provide perhaps one of the better means of allowing the expression of emotions by school-age children. Through play and games boys and girls run the gamut of expressions from tension to relaxation, from sorrow to gladness, from silence to exultation and from tears to laughter. There is no greater opportunity to train the emotions, while at the same time allowing them to be expressed than in athletics and play. The emotions, if allowed complete freedom without proper guidance, will not always be directed in the right fashion. The ability to control emotions is best guided on the playing field under the proper direction of a coach or teacher.

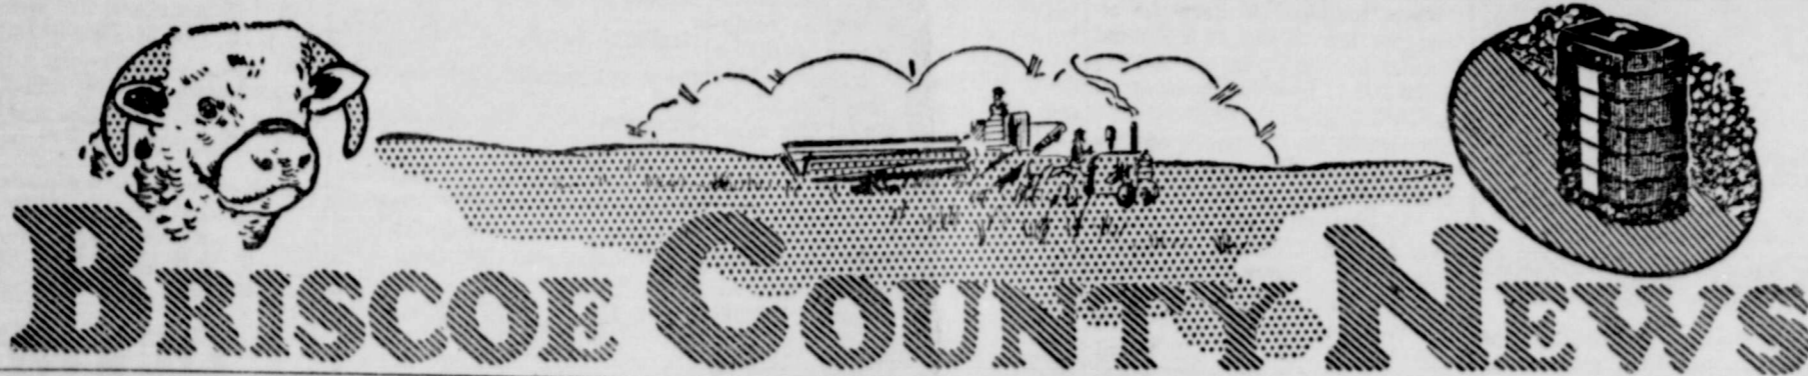

In the average classroom, such as English, Social Studies or Physical Science, there is little opportunity for a person to train his emotions as seldom is he given a chance to express them. This writer has never yet seen tears or laughter in a science experiment unless sulfuric acid escaped.

Each high school student needs an opportunity to express his emotions in some wholesome situation. Every high school child should be brought into some extra-curricular activity. The pep squad and the entire student body have an opportunity to let off pent up "steam" and tension at athletic activities. There must be proper direction for the emotions. They can be good or evil, depending upon direction.

It is the responsibility of administrators and teachers to see that emotions are guided into proper channels. If left unbridled they can do as much harm as good. All activity programs have some essence of emotional outlet in them, but those which have the greatest free outlets for emotions by far and large are athletics and play.

The adults in the community who go to athletic events also find these activities excellent outlets for emotions and tensions. The person who works in a store, a

Deep Water Test Report Given To Silvertown Officials

Charles Sherman, Amarillo geologist, was shown chatting with City Councilmen Carl D. Bomar, H. A. Cagle and Bob Stafford following a called Council meeting for the purpose of hearing the geologist's analysis of deep water well test drillings.

The Silvertown City Council met in special session on Wednesday afternoon of last week and heard the final report by Charles Sherman, Amarillo geologist, on the deep water tests drilled recently.

Mr. Sherman told the Council that of the seven tests drilled to 700 feet, only two showed any sign of water. The two hopeful tests are located west of the City Hall and south of Nance's Food Store.

The geologist stated that the City should be able to develop a strong four-inch well which would pump 250 gallons a minute at the City Hall test location.

In further discussion, it was noted that at the present time, the City is pumping 350 gallons of water a minute. The new well would help ease the water situation some, but would not produce enough to relieve shortage problems. The City would still need another source of water.

Mr. Sherman ran electric logs and analyzed the findings in each of the tests, and this material will be kept on file for future reference.

City Councilmen postponed action on whether or not to develop the deep well.

Elimination Contest Being Held Saturday

Eight 4-H'ers from Briscoe County will attend the District 4-H Elimination Contest held in Lubbock on Saturday, May 4, 1968.

Those entering contests this year include Kathy Self and Johnnie Roy Weaver. Civil Defense; Marvin Self and Micki Jasper, Natural Resources; Roy Dale Garrison, Clothing Education; and Larry Comer, Max Weaver and Roy Dale Wood, Livestock Judging.

Pool Stockholders Meeting Tonight

The annual meeting of the stockholders of Silvertown Pool, Inc., will be held Thursday evening, May 2 (tonight) at 8:00 p.m. in the county courtroom of the courthouse in Silvertown.

There will be an election of directors, and consideration of continuation of annual membership program, payment of annual dues and method of improved operations.

Town & Country Club To Meet Tuesday

The Town & Country Home Demonstration Club will meet on Tuesday, May 7, at 9:30 a.m. in the home of Mrs. Bobbye Bean.

The program will be on Civil Defense, presented by County Agricultural Agent Ken Cook.

Brucellosis Testing Not Progressing

Briscoe County is due for recertification in the Brucellosis (Bangs) program this year. However, if this testing is not completed by June 1, 1968, the county will lose its status.

According to County Agent Ken Cook, the Brucellosis testing is not coming along at all, and with less than a month remaining, it is time the cattlemen of Briscoe County take action in order for Briscoe County to hold its Modified Certified Brucellosis - Free status. There must be 45 herds of cattle (averaging 50 head to the herd) tested for Bangs Disease.

Any size herd may be tested and totals will be averaged to arrive at a county quota.

Each producer in the county is urged to contact County Agent Cook if he will voluntarily participate in this program.

Red Cross Drive To Open Here Soon

An emergency drive for funds will be opened here by the local chapter of the American Red Cross next week. It is vital that funds be provided for this work, or the chapter faces losing its charter.

Should the chapter lose its charter, families who need to contact servicemen will have to go through the Plainview chapter and the assistance to needy families, for which the Silvertown chapter has done much, will not continue.

Democrats Announce Local Conventions

Democratic Precinct Conventions will be held Saturday, May 4, at the precinct voting places at 2:00 p.m.

Delegates will be named to the county convention and the Texas "Favorite Son" Resolution will be acted upon.

The Briscoe County Democratic Convention will be held at 2:00 p.m. Saturday, May 11, in the district courtroom, with Ben Whitfill, county chairman, presiding.

Flomot Pastor Ordained Recently

A special ordination service for the Rev. Leo Cole was held Sunday afternoon, April 14, at the First Baptist Church at Flomot. The Rev. Cole has been called as pastor of the Flomot Church.

The Rev. Larry Heard of Matador served as moderator for the service. The invocation was led by L. B. Turner of Flomot.

Johnnie Burson of Silvertown presented the candidate and the Rev. Bill Curry of Quitaque interrogated the candidate. Calvin Franks of Flomot led the ordination prayer.

Homemakers Sponsoring Bake Sales Saturday

The Silvertown Young Homemakers are sponsoring bake sales at Bud's Grocery & Market and at Nance's Food Store Saturday, with the proceeds to go to the school playground grassing project.

Pies, cakes and brownies will be offered.

Attend Funeral

Manley Wood, Glenn Jones, Riely Yates, Sid Richards, Gwan Wilkinson, R. E. Sweek, Harvey McJimmey, Gale Bullock and Windell Thomas attended the funeral of Raymond Long in Childress last week. Mr. Long had been maintenance supervisor for the Texas Highway Department prior to his retirement.

Southwestern Club Has Regular Meeting

Southwestern Home Demonstration Club met Thursday, April 25 at the Methodist Church with Mrs. Robert Ledbetter as hostess.

Mrs. Raymond Teeple gave the program on "Drapery Making."

Twelve members were present with Mrs. E. H. Cole as a guest.

The club voted to make a donation to the schoolyard grassing project.

Next meeting will be Thursday, May 23, with Mrs. Elton Cantwell.

Young Homemakers Planning Projects

The Silvertown Young Homemakers had a called meeting on Thursday, April 25, with Mrs. Joe L. Bomar presiding.

Mrs. Gordon Lowrey reported that local fertilizer dealers had expressed their desire to assist the project to plant grass on the schoolgrounds. All of the dealers offered to assist the project, and Robert Ledbetter offered to supply the entire amount of fertilizer needed without cost.

Mrs. Buck Hardin offered to pay the F.B.L.A. chapter to mimeograph notes concerning the grass project to be sent home with the school children.

Donations to the schoolyard bank or other business establishment during the week and has to control his emotions finds the weekend athletic events a fine opportunity to "yell" and "whoop" and rid himself of tensions. Many psychologists say that "booming" and other methods of "riding" officials usually come from a person who has to submit to authority all week and resents this submission so much that he expresses his resentment at someone else in authority when he has the opportunity. He feels much better after getting it off his "chest."

People must have opportunities to let tensions go, whether by playing the piano, working in a hobby shop or participating in/or viewing an athletic event. For both youth and adults, one of the greatest opportunities for the wholesome outlet of emotions and tension is to be found in high school athletic and play programs. The important thing is to see that administrators and teachers use these activities properly so that the emotions are directed into the proper channels.

Miss Lela Honea Buried Sunday

Funeral services for Miss Lela Estell Honea, 78, were conducted at 3:00 p.m. Sunday in the Silvertown Church of Christ. Charles Cranford, minister, officiated.

Pallbearers were Leroy Hamilton, Lester Monk, Duke Wood, Murry Morrison, Wayne Whittington and Ralph Carter. Burial was in the Quitaque Cemetery, with arrangements under the direction of the Silvertown Funeral Home.

Miss Honea died Friday in the Floydada hospital following a short illness.

Born in Cleburne, Miss Honea moved to Floyd County in 1900 and to Quitaque in 1913.

Survivors include a sister, Mrs. Minnie Norris of Childress; and two brothers, Lois of Quitaque and Otis of Silvertown.

Survey Committee Hears Reports

The Briscoe County Historical Survey Committee met Thursday evening, April 25, in the P. C. A. community room for their regular monthly meeting with Mrs. C. O. Allard, chairman, conducting the business. Mrs. Allard reminded members to visit the museum, which is open every Tuesday afternoon from 2:00 until 5:00 p.m., and asked members to invite others to visit the museum to see the things displayed there.

Carroll Garrison, Tourism Committee chairman, reported they had met in Quitaque Thursday morning to discuss a possible tour of the Texas Travel Trails. Judge M. G. Moreland is to secure information on places of interest from the Travel Trails. It is hoped that a tour can be planned with the neighboring towns and communities in the near future through information and advertising.

Mrs. Allard stressed that talks be made to groups to earn the required points for this year's program. "Travel Trail Tours," "What Should be Marked with a Historical Marker," and "The Importance of Historical Markers" are the subjects to be used for the talks.

The next meeting will be on Thursday, May 16, with Mr. and Mrs. M. G. Moreland as hosts. The meeting time was changed to 8:00 p.m.

Mrs. Allard closed the meeting with a quotation from Babcock: "Pay as little attention to discouragement as possible. Plough ahead as a steamer does, rough or smooth, rain or shine to carry your cargo and to make your port is the point!"

Coffee, hot tea and cookies were served to Judge and Mrs. Moreland, Mr. and Mrs. Allard, Mr. and Mrs. Alvin Redin, Mr. and Mrs. Chick Northcutt, Bill Griffin, O. R. Stark, Jr., Mrs. Bertton Hughes and Mr. and Mrs. Carroll Garrison.

Swisher Electric Lowering Rates

President Clarence Todd of the Board of Directors of Swisher Electric Cooperative has announced that irrigation rates are being reduced to all irrigation consumers by approximately 4%. This does not include a previous lowering or irrigation rates approximately five years ago for a similar amount. In other words, Swisher Electric Cooperative has lowered its irrigation rates about 8% in the past five years. Rates to gins served by the Swisher Electric Co-op are also being reduced by about 8%. The area lights which cast a brilliance that can be seen for miles at night have enjoyed two rate reductions in the past eight years.

Annual Meeting Held Saturday

Fair weather and a backlog of field work on the part of most farmers combined to keep the attendance low at the 34th Annual Stockholders meeting of Rolling Plains P.C.A. held in Stamford on April 27. Re-elected to the Board of Directors were C. G. Burson, sr., Haskell, three year term; L. M. Bartlett, Wellington, three year term; Dean Decker, Childress, one year term. W. A. Baxter, Anson, won the color TV set which was given as attendance prize. At the reorganizational Board meeting held following the stockholders meeting, C. G. Burson, sr. was elected chairman of the Board, Lasater Hensley, Guthrie, vice chairman; J. L. Hill, jr., president; J. R. Gleaton, vice president; R. C. Cobb, secretary and treasurer, and Joe A. Hanson, assistant secretary and treasurer.

Gary Boyce of Aspen, Colorado, visited a few days last week with his aunt and family, Mr. and Mrs. Don Garrison and Roy. Rates have been lowered from \$4.00 per month to \$3.00 per month and the lights are now being installed and maintained for \$6.00 per year plus the cost of electricity paid for by the consumer. This amounts to about a 50% reduction for the consumer. Swisher Electric Cooperative is pleased that rates have never been raised since the beginning of the cooperative in 1939. Swisher Electric had a rate increase on their wholesale power cost in 1959 that amounted to about 21% increase, but has succeeded in holding the rates firm and even lowering them. According to Todd, these rate reductions will total about \$60,000 per year. When you consider that the average dollar is supposed to circulate about seven times in the market place, this leaves with the individual consumer the equivalent of over \$400,000 that will be utilized in the trade area as a result.

ARMSTRONG COUNTY 4-H CLUB FARM SALE IS MAY 11

The Armstrong County annual 4-H Club Farm Machinery Sale will be held May 11 at Claude. The sale not only provides an opportunity for farmers and ranchers to dispose of surplus equipment, but also makes available many bargains to buyers. This sale was among the first of its kind in this section of the country, and has attracted state-wide attention. Gross sales have reached \$15,000 in a single year. A small commission is collected on all items sold or passed out. These proceeds help finance activities of the Armstrong County 4-H Clubs.

Auctioneers will be Wildon Hundley of Tulia and Doug Britten of Claude, who will donate their services for this event. Anyone wishing to consign equipment for this sale should contact Bo Wheeler, County Agricultural Agent, Claude, Texas. Early consignments help to make an attractive handbill, which helps make a better sale.

*** NEW BABY**

Mr. and Mrs. Weldon Tipton are parents of a son, Shane Ray, born at 8:29 a.m. on Sunday, April 21, in Swisher Memorial Hospital. He weighed eight pounds and one ounce. NEW! For clean Sorghum... spray weeds when you see them! with BANVEL

Velsicol announces Banvel herbicide for control of all hard-to-kill weeds of major importance in grain sorghum. This includes carelessweed (pigweed), sunflower, lambs-quarter, purslane, morning glory and other annual broadleaf weeds. Banvel herbicide is applied post-emergence, so there are no wasted sprays in years when rain is scarce and weeds are not a problem. With Banvel you see your weed problem and then spray—all in plenty of time to give young sorghum plants plenty of opportunity to grow. Banvel is sprayed onto weed leaves and translocates to the roots...for new, total control of weeds. Just apply Banvel between the 10th and 25th day after emergence of grain sorghum (approximately 4 to 12 inches tall).

Banvel is not dependent on soil moisture for its effectiveness, so its results are dependable. And it's a liquid that won't clog your sprayers; nor does Banvel need constant agitation. Banvel increases yields. It's excellent for use on grain sorghum, wheat, barley, oats and field corn. Order Banvel herbicide to get full potential from your valuable, high-yielding sorghum seed. See your dealer today. You'll be glad you did!

L. O. A. Junior Club Has Program On Insurance Planning

(Delayed From Last Week)

Members of L. O. A. Junior Study Club met at 7:30 p.m. Monday in the living room of the school homemaking department, and heard a program "Dollar Sense Begins at Home," led by Mrs. John Schott.

Also taking part on the program and discussing various types of insurance, were Mrs. Randall Edleman, Mrs. Robert Haley Hill, Mrs. Charles Sarchet and Mrs. Wayne Stephens.

Roll call was answered with "What Expenses My Husband Complains Most About."

Mrs. J. E. Patton was hostess, and served cookies and Cokes to those present. An arrangement of purple iris decorated the refreshment table.

During the business meeting, the Young Homemakers' project to grass the school playground was discussed, and members agreed to vote on the adoption of this project at the next meeting.

A donation to the Public Library, a project of the March of Time Study Club, was discussed, and the treasurer indicated that the amount of \$10.00 would be disbursed the following day.

It was decided to sponsor a swimming party at the Silverton Pool for local teenagers during the month of June. Members will be asked to bring cookies, and the club treasury will buy pops and pay the rent on the pool.

Mrs. Bud Couch and Mrs. Mary Beth Martin, who have been elected to membership, were guests of the club. Others attending were Mmes. Eddleman, Hill, Champ McGavock, Patton, Sarchet, Schott, Art Sommerfeld, Stephens, Jerry Miller and Fred Edwards.

Farmers Home Administration Highlights

Sixty-two years of age. What thoughts does this seemingly magic age bring to the minds of most people? That of a snow-haired, stately gentleman and his matronly wife sitting on the porch of a nice neat home? A well-kept lawn and garden with which to while away the hours between various points of travel?

This is a nice mental picture to have. But, just look around you. What type of housing do the majority have? It is not the nice, neat home with the well-kept garden and lawn. Too often it is a dilapidated old shack that should have been torn down directly after World War II.

What can be done about this situation? Plenty! Farmers Home Administration has two types of housing loans tailored to fit the needs of these people. With one of these loans we can construct a modest new home that will reflect the dignity our Senior Citizens deserve. The note can be amortized over a long period of time at 5% interest.

The other type of loan can be made to low income persons who do not necessarily have to be sixty-two or older who have a deed to their property. With these funds anything that may be hazardous to the health of the occupants can be corrected. This would perhaps entail putting on a new roof, new screens or digging a cesspool.

This loan has an interest rate of 4% and can be amortized over a period of up to fifteen years. Much can be done through these two housing programs to alleviate the inadequate housing that many of our Senior Citizens and low in-

- 2 Tbs. chopped onion
- 1/4 cup mayonnaise
- 1/4 cup dairy sour cream
- 1/2 tsp. oregano leaves
- 1/2 tsp. Worcestershire
- 1/4 tsp. pepper
- 4 English muffins, halved and toasted
- 8 eggs, poached
- 3 Tbs. butter or margarine
- 3 Tbs. flour
- 1/2 tsp. each: salt, dry mustard
- 1/4 tsp. white pepper
- 1 1/2 cups milk
- 1 cup shredded Gouda cheese

Mix together tuna, 1/2 of the chopped pimiento, onion, mayonnaise, sour cream, oregano, Worcestershire and 1/2 teaspoon pepper. Place 1/2 mixture on each muffin half. Cook under broiler until tuna mixture is lightly browned and heated through. Meanwhile, melt butter in medium saucepan; stir in flour, salt, dry mustard and 1/2 teaspoon white pepper. Gradually stir in milk; cook over medium heat, stirring constantly until sauce thickens and boils 1 minute. Stir in cheese until melted; stir in remaining pimiento. Top each muffin half with a poached egg. Serve sauce over tuna muffins.

WAFFLE BREAKFAST HELD FOR GROUP OF YOUNG PEOPLE

A group of Senior girls and their dates were honored in the Edwin Dickerson home with a waffle breakfast following the Junior-Senior Banquet and Prom Saturday night.

Attending were Venita Teeple and Johnnie McGavock, Nancy Kay Long and Johnnie Roy Weaver, Nancy Nance and Lannie Arnold, Roy Ann Bomar and Leland Wood, Jan Hutsell and Van May, Debbie Dickerson and Randy Cantwell, Jane Self, Mary Whitfill, Evelyn Wood and Rhonda Dickerson.

DEAR EDITOR:

Would you marry someone without knowing what they looked like or what their name is? If you would, you might vote for the liquor-by-the-drink referendum.

Since there is no bill written and no guarantee of what the bill would consist of, you should vote against this referendum regardless if you are for or against liquor by the drink. Wait until an actual bill is presented before you make your final decision.

Recent Marriage Is Announced

Announcement has been made of the marriage of Mrs. Jill Williams and Jerry Stephens in Vernon on April 16, 1968.

Parents of the bridegroom are Mr. and Mrs. E. S. Stephens of Albany, formerly of Silverton.

Mrs. Jimmy Stevenson has recently been a patient in an Amarillo hospital.

Young Homemakers Have Called Meeting

(Delayed From Last Week)

The Silverton Young Homemakers had a called meeting at the City Cafe on Thursday, April 18. Mrs. Joe Lee Bomar presided, and the main topic for discussion was the possibility of planting grass on the school playground. Planning for the project is continuing, but as yet the club members have not voted on the project.

May 4, the club will have a bake sale at both Bud's Grocery & Market and Nance's Food Store. Pies will sell for \$1.50, cakes for \$3.00 and brownies for \$1.00 a dozen. Each club member is to bring three pies or a cake and brownies. Proceeds will go into the fund for the playground improvement project.

An electric ice cream freezer will also be given away that day. Any organizations or individuals

Seniors Honored On Tahitian Holiday

Saturday night at 7:30 o'clock the Seniors were honored by the Tahitian Holiday at the school cafeteria. The boys reported their dates through the "patio" to individual tables to be seated.

Palm trees in which were brightly-colored parrots overhung some of the tables and the patio was divided from the dance floor by hedges.

An ocean mural with land in the distance was background for the setting, and in one corner was a Tiki God overlooking a mountain surrounded by lava rocks. The ceiling was draped with baby blue, pink and yellow streamers.

Lannie Arnold, president of the Senior class, welcomed guests, and Terry Grimland, Senior class president, responded on behalf of his class. The invocation was given by Superintendent J. S. Hinds.

The island luau dinner was served by members of the Sophomore class.

The Senior Class Will was read by Terry Grimland. Joe Mercer was the History of the Senior class, and Vicki Vaughan gave the class Phrophecy.

A prom followed the banquet, with music by The Chapparals of Amarillo.

WHAT IF . . .

School was just beginning? The Seniors hadn't known the quiet theme?

Miss Brister was still here? Cletus hadn't won first at Regional?

Everyone wasn't getting engagement rings?

Tootie didn't teach here?

Seniors of the Week

NANCY NANCE

☆☆☆

Nancy Durene Nance, daughter of Mr. and Mrs. Hugh Nance, was born September 22, 1950. She is 5'5 1/2" tall, has hazel eyes and reddish blonde hair.

Nancy has been a member of both the Junior and Senior play casts. She was a member of a group of Junior and Senior girls, known as "the Misfits," who entertained at several school functions last year.

She has been a member of the annual staff for two years, and

RUBY PITCHFORD

☆☆☆

Ruby Ione Norris Pitchford is the daughter of Mrs. Mart Norris. She was born August 16, 1950. She stands 5'8" tall with brown eyes and brown hair.

Ruby was a member of both the Junior and Senior play casts. She is a four-year member of both the Pep Squad and the Future Homemakers of America.

Ruby played basketball her first two years in high school, and participated in powder puff football her Freshman, Sophomore and Junior years.

Her hobby is writing letters, and her most enjoyable pastime is "being with my friends and listening to the Righteous Brothers."

Mexican food is what she likes to eat, and her favorite sport is basketball. The song, "I Believe," and the book, "Gone With the Wind," rate among her favorites also.

"When someone starts saying something and won't finish it" is what Ruby says bothers her most.

Her plans are to work and attend business college.

was a member of THE OWL'S HOOT staff last year.

Nancy has been a member of both the Pep Squad and the Future Homemakers of America for four years. An active member of the Future Business Leaders of America since her Sophomore year, she served as treasurer her Junior year and is currently the chapter's vice president.

A three-year member of the Future Teachers of America, she is reporter this year.

As a Freshman, Nancy served her class as treasurer; as a Junior, she was elected reporter.

Nancy is the Silverton Lions Club Queen this year, and was a contestant in the Miss Floyd County Fair Contest last summer. She was Rodeo Queen her Sophomore year.

As a Sophomore, Nancy received an award for perfect attendance.

Nancy enjoys going to dances and slumber parties and listening to band groups. Her pet peeve is conceited people.

Steak and chocolate cake are Nancy's favorite foods. The song, "Don't Let the Sun Catch You Crying," the book, "Gone With the Wind," football and typing rank among Nancy's favorites also.

Next year Nancy plans to attend Texas Tech in Lubbock.

VENITA TEEPLE

☆☆☆

Venita Fay Teeple is the daughter of Mr. and Mrs. Ray Teeple. She was born April 16, 1950. She stands 5'3" tall and has green eyes and dark brown hair.

This year Venita is treasurer of the National Honor Society. The students elected her treasurer of the Student Council also.

Last year Venita was a member of a singing group called "the S.H.S. Misfits," who entertained at various school functions.

Venita was a reporter for THE OWL'S HOOT last year, and has been on THE OWLET staff for two years.

A four-year member of the Pep Squad, Venita has been secretary for the past three years.

Since joining the Future Business Leaders of America as a Sophomore, Venita has served as reporter her Junior year and as president this year.

She has been a member of the Future Homemakers of America four years. Her Sophomore year she was treasurer and for the past two years she has been historian.

Venita has been a member of the Future Teachers of America for three years.

Venita has received perfect attendance awards for the past three years.

She served as secretary of her Junior class and was elected Senior class favorite.

Her Sophomore year, Venita was a candidate for Halloween Queen and also for Rodeo Queen.

The students elected Venita as "Best Dressed Girl" as a Sophomore; Sweetheart of the Future Farmers of America as a Junior, and "Most Beautiful" as a Senior.

Venita's favorite food is strawberries, and her favorite sport is football. She enjoys the song, "Yesterday's Gone," and the book, "Gone With the Wind," better than any other. Attending slumber parties is her favorite pastime and she considers cooking her hobby. Her pet peeve is "fakes."

Venita plans to attend Draughon's Business College in Amarillo after graduation.

HOW GREAT IS GOD

by Carl Gallington

Mrs. Baker's Fifth Grade

How big is the sky
And that star so bright,
How many the stars
That we see at night.

Yet God is greater,
He made them all,
He hears the cry
Of those who call.

How great is God?
Ask the one who knows,
Ask Jesus who died,
Suffered and arose.

Farmers Faced With Disaster With Present Grain Prices

In many areas, farmers have been getting \$1.30 per bushel for wheat, 90-95c per bushel for corn and are faced with \$2.30 per bushel for soybeans.

These low grain prices will result in low livestock prices!

Farmers, as individuals, can neither get nor maintain fair prices for their production. Only by bargaining together and selling together can this be done.

National Farmers Organization is the only farm organization that has (1) the experience and (2) the capability of doing this job—and doing it now.

The ultimate goal of NFO is to sell members' production, on a yearly basis, for negotiated prices which include the cost of production plus a reasonable profit. This business-like method of marketing will be done through NFO Master Contracts signed by buyers and processors of the members' commodities. Until these Master Contracts are activated, the NFO Grain Bank and NFO Grain Sales Program comprise our immediate bargaining program.

Join NFO and sign a minimum of 50 per cent of your saleable grain into the NFO Grain Bank.

Store either on the farm or in commercial storage. It is not necessary to keep this grain. Obtain either a government or private loan, if you desire. Either 1967 or pre-1967 crop grains can be signed into the NFO Grain Bank.

Hold this grain until local area prices are not less than \$2.00 per bushel for No. 2 hard winter wheat other classes will be sold according to relative value; \$3.00 per bushel for No. 1 yellow soybeans; \$2.25 per hundredweight for No. 2 grain sorghum, etc.

When prices reach or exceed these prices, grain sales will be made by the NFO Grain Commodity Department.

Export the amount of grain indicated by members from the NFO Grain Bank for the best price obtainable if such export sales will improve bargaining positions in gaining the best prices.

Collective bargaining is bargaining together and selling together.

Sell the balance of saleable grain that is not signed in the NFO Grain Bank through the NFO Grain Sales Program. This program is designed to meet all needs of NFO members for selling their grain: harvest sales, in-position grain sales, special "instant" grain sales, and reposition option.

A brief explanation of each is: Harvest Sales—Although these sales are not encouraged, some NFO members will probably have to sell part of their grain at harvest. Price for this grain is bargained for on a volume basis with local grain buyers. Depending upon the volume of grain to be sold, it is usually possible to bargain for a premium over the day-to-day price.

In-Position Grain Sales—This is the real backbone of the NFO Grain Sales Program. Grain is positioned, either on the farm or in the elevator, for sale by the NFO Grain Commodity Department in one or more of five convenient selling periods. The member indicates the number of bushels of grain and the selling period in which the grain is to be sold. Because of the large volume of grain made available by NFO

Cotton Referendum Slated May 13-17

A cotton referendum will be held from May 13-17, 1968 for the purpose of selling of leasing cotton to out-of-county residents. This referendum will again be conducted by mail for the convenience of agricultural families. All ballots must be in the county office by 5:00 p.m. May 17 or

be postmarked by midnight May 17 if returned by mail. Operators and owners of farms having a cotton allotment for 1968 are eligible to vote in the referendum. The wives of eligible voters are also eligible to vote. Wives should sign their own given names and not their husbands' given names.

If you are an eligible voter and do not receive a ballot in the mail, please go to the ASCS office to secure one. This is an important referendum, and all voters are urged to cast their ballots.

These are the issues: a "yes" vote will allow Briscoe County farmers to sell or lease their cotton to farmers residing in other counties. A "no" vote means that Briscoe farmers cannot sell or lease their cotton to out-of-county farmers. Either way, Briscoe farmers can sell or lease cotton to other farmers within this county.

The county committee will meet May 22 at 9:00 a.m. at the ASCS

Applications Being Taken For Kindergarten Classes

Applications are still being received for the First Baptist Church kindergarten for next fall.

B-B Gun Warning Issued Here

A warning to owners of B-B and other guns has been issued this week by the City Council.

Due to there having been so much vandalism and malicious mischief being done by those who fire guns at window, lights, etc., the City Council is considering passage of an ordinance prohibiting the firing of even B-B guns within the city limits. If you have guns that you fire inside the City of Silverton, you should take care not to damage the property of another person, said Mayor Jimmie House. This is just common courtesy, anyway; but if the mischief continues, we will have to forbid the firing of any guns within the city limits.

members, it is usually possible to bargain for a higher price than farmers can get by selling as individuals. Numerous In-Position Grain Sales, in amounts varying from 50,000 bushels to nearly 500,000 bushels, have been made for members by NFO at prices well above local grain prices.

Special "Instant" Grain Sales—A new feature of the NFO Grain Sales Program which enables a member to have his grain sold by NFO within about two weeks' time after sign-up, provided there is a sufficient amount of the same kind of grain signed for sale at that time to enable the NFO Grain Department to do an effective job of bargaining and selling. Minimum amounts for Special "Instant" Grain Sales are (1) 50,000 bus. per county in average and heavy grain-producing areas or (2) 50,000 bushels per two-three or four county units in lesser grain-producing areas.

Reposition Option (In-Position Grain Sales)—A member may sign his grain in the fifth selling period after harvest and, later in the marketing year, reposition part or all of his grain into an earlier selling period. This feature is next in importance to In-Position Grain Sales because the member commits his grain to the NFO Grain Sales Program and yet can postpone his choice of selling period until later in the marketing year.

Only NFO members can receive NFO marketing information and sell their production through NFO.

From the desk of . . .

ALTON B. CHAPMAN

TO THE RESIDENTS OF THE SEVENTH SUPREME JUDICIAL DISTRICT:

Thank you for privilege of serving you for eleven years and four months on the Court of Civil Appeals.

For the sake of the Court which I am retiring and for the good of the State of Texas, I earnestly solicit your votes for **Jack Hazlewood** because:

1. In my opinion, the judges on every appellate court, from the United States Supreme Court on down, should be first and foremost good lawyers. **Jack Hazlewood** is an outstanding lawyer.

2. Of six major scholastic honors possible for a student to win in the Texas University Law School, **Jack Hazlewood** won them all. Such scholastic record is possible only by one with an outstanding legal mind and the willingness to work, two attributes needed on an appellate court.

3. **Jack Hazlewood** has had more than four times as much experience in the Court of Civil Appeals as both his opponents combined.

4. The most practical and effective training for an appellate court justice is trial and appellate practice, as a lawyer, against other strong lawyers. This is exactly the training **Jack Hazlewood** has had for more than fifteen years, and in it he has many times demonstrated his competence.

5. This is the exact same training five justices of the Supreme Court of Texas had before becoming members of that Court. None had judicial experience on the trial level. They are Justices Griffin, Walker, Greenhill, Steakly and Chief Justice Calvert.

6. In the official bar poll conducted by the State Bar of Texas among the lawyers and judges of the 46 counties of this district **Jack Hazlewood** received more votes than both of his opponents combined. This poll indicates that the members of the legal profession also rank him number one.

Respectfully submitted,

Law Student Named Fulbright Scholar

Jim Tom Haynes, a third year law student at the university of Texas, has been selected to spend

a year in Brazil as a Fulbright Scholar. A June candidate for a bachelor of laws degree from the University, Haynes will study Brazilian law at the University of Brazil in Rio de Janeiro, beginning July 1, 1968. Prior to his departure for Bra-

zil, he will spend a week in Washington, D. C. at the orientation program sponsored by the U. S. State Department, which awards Fulbright grants through its Board of Foreign Scholarships.

Haynes is a member of Friars, the oldest honor society on the University campus; president of the Law School; teaching quiz-master; a member of Phi Delta Phi, honorary legal fraternity; and serves on the Moot Court Board and the Student Court.

In 1964, Haynes participated in the Texas Student Leader Seminar in Chile, and in 1967 in the Texas Guanajuato Law School Exchange. He has received fellowships to the University of Chile and the National University of Mexico. A former member of Chancellor Harry Ramson's student advisory cabinet, he was featured in the 1967 issue of "Cactus," the student yearbook, as an outstanding student.

Haynes is the son of James B. Haynes of San Mateo, California, and formerly of Eagle Pass and Silverton.

The law student's grandfather, the late John T. Haynes, came to Briscoe County in 1903, from Hale County, in the vicinity of Peters-

burg, and bought land 12 miles east of Silverton. In the later years of his life, he became interested in Boy Scouts and worked extensively for their cause, and gave 80 acres of land surrounding his "dugout" to the South Plains Area Council of Boy Scouts of America. Great improvements have been made on this land today, and it is known as Haynes Scout Camp. Boy Scouts from all of Texas and other states come here each year for encampments. Their scout activities are a living testimony to this man and his ideal of scouting. In 1950, he gave another 80 acres of his ranch to the Girl Scouts of the Plainview Council.

Mrs. Hyatt Is Hostess To Dorcas Class

The Dorcas Sunday School class of the First Baptist Church met at the church Friday, April 26 for their monthly meeting with Mrs. Opal Hyatt as hostess.

The opening prayer was by Mrs. Hyatt. "When We All Get to Heaven" was sung and the devotional, "Mysteries of God," was given by Mrs. Maud McJimsey.

Reading of the minutes and the treasurer's report were by Mrs. Ruby Garvin.

The class voted to send gifts to Girlstown USA at Borger, Texas. Closing prayer was by Mrs. Stella McJimsey. The program chairman, Mrs. Leavie Criswell, asked Bible questions and read a poem, "I Thank God."

Refreshments were served to nine members.

Next meeting will be May 24, with Mrs. Ima Harrison as hostess and Mrs. Blanche Newman to bring the devotional.

The group joined in singing "God Be With You Till We Meet Again."

YOUNG FARMERS HAVE BUSINESS MEETING HERE

Silverton Young Farmers held their regular meeting April 25 in the school vocational agriculture department with Calvin Shelton presiding.

Motion carried to donate \$50 to the Young Homemakers for grassing the school playground.

Joe Lee Bomar, Robert Hill, Shelton and Wayne Stephens were appointed to head the committee for the 1968 Silverton Rodeo to be held August 15-16-17.

Discussion was carried on regarding the football blockers, but action was tabled to await a report from Bomar and Jimmy Myers.

Members present were Joe L. Bomar, G. W. Chappell, Guinn Fitzgerald, Robert H. Hill, Joe Kitchens, Jimmy Myers, John Schott, Calvin Shelton, Art Sommerfeld, Wayne Stephens and John David Turner. Dwain Henderson was a guest.

Next meeting will be May 9.

Day W. M. S. Meets With Mrs. Allard

The Day W.M.S. of the First Baptist Church met in the home of Mrs. C. O. Allard for Bible Study and Circle Program on Tuesday, April 30.

Mrs. Porter gave the call to prayer, and Mrs. Berton Hughes gave the program, "Help Wanted." The study question was: "How have missionary associates and special project nurses strengthened the work of career missionaries?"

Mrs. Rex Holt had charge of the Bible study, taking the scripture reading from Acts 17, 18 to study "Missions in Cultural and Commercial Capitals."

Cinnamon and apple popups and miniature donuts were served with hot tea and coffee to Mrs. Don Garrison, Mrs. Rex Holt, Mrs. Berton Hughes, Mrs. Gene Vaughan, Mrs. Allen Kellum, Mrs. Bill Tension, Mrs. Shelby Haynes, Mrs. Porter and Mrs. C. O. Allard.

To The People Of Briscoe County:

Just a simple reminder that I will appreciate your vote for the office of Sheriff and Tax Assessor-Collector on Saturday, May 4th.

During the past weeks I have tried to contact each of you personally and solicit your vote, but there are some whom I failed to contact, and should you be one of those, I will appreciate it very much if you will consider this as a personal request for your vote and support.

Should it be my good fortune to be elected to serve as your Sheriff and Tax Assessor-Collector, I assure you that I will fulfill the duties of that office to the best of my ability.

Again let me assure each of you that I will appreciate your vote in the Democratic Primary on Saturday.

Respectfully,
J. C. Fowler

TO THE VOTERS OF PRECINCT ONE

All though I have made every effort to contact each one of you personally There are some that I have missed.

I would appreciate your support in the Democratic Primary, Saturday, May 4.

DEAR EDITOR:

Would you or any other parent in this county vote to kill his own child? Any person who votes for liquor in any form does just that. When booze is voted in a community auto accidents and crime soar. Don't talk about liquor taxes! because if the rate of accidents and crime rises, more money will be used to investigate each incident than the tax will amount to. These extra taxes would have to come from the people—you and me.

Some people say that just as much is drunk in dry counties than in wet counties. If so then why in the HELL does the Distiller's Association rush so much cash to help turn a place wet? Truman Earl Loyd

PAT BOONE

Pat Boone Headlines Panhandle-South Plains Fair Next Fall

Pat Boone, television, motion picture and recording personality, will headline the 51st annual Panhandle - South Plains Fair in Lubbock next fall.

Negotiations assuring his appearance in Lubbock have just been completed, according to R. E. (Bob) Gee, president of the fair board of directors. Gee also announced that efforts are underway to bring three other top-notch attractions to Fair Park Coliseum when the exposition begins its second half-century in September.

Gee said the coliseum program may well develop as the best ever staged for fair patrons.

Boone, direct descendant of frontiersman Daniel Boone, has a number of Texas ties although he was born in Florida and now makes his home in California.

Charles Eugene (Pat) Boone is the first singer since Bing Crosby's emergence as a star in the thirties who enjoys the idolatry of teenagers, the approval of their parents and the admiration of the young adults.

He began to capture these audiences with the release of his first discs for Dot Records in 1955. He was signed to a recording contract in 1954 while studying at North Texas State in Denton and working as a Fort Worth disc jockey and singer for \$44.50 a week.

His wife, Shirley, is the daughter of radio, television star and recording artist, Red Foley.

In 1958, Boone completed a

book he had written after carefully considering the thousands of letters which were sent to him by teenagers asking his advice on their respective problems.

He called the book "Twixt Twelve and Twenty," but its appeal obviously hit not the youth alone. It soon rose to number one on the non-fiction reading lists across the country and has been accepted by teachers, ministers and students alike. It has now sold over one-half million copies.

Boone also authored "Between You, Me and the Gatepost."

Boone attends church with his family three times a week, leads singing as well as discussions at gatherings in his church in various sections of the country, and preaches guest sermons to Church of Christ congregations whenever he can.

Mr. and Mrs. Melvin Watkins and children of Amarillo and Mr. and Mrs. Bud McMinn visited Mr. and Mrs. Gaston Owens and Eddie in Quitaque Saturday night.

Mr. and Mrs. Murry May of the San Jacinto community visited in the O. E. May home recently.

Mr. and Mrs. Travis McMinn and Mr. and Mrs. Bud McMinn visited Mrs. Endia McMinn and Mrs. Steve Duncan at the Lockney rest home Sunday.

Mr. and Mrs. Melvin Watkins and children of Amarillo and Mr. and Mrs. Bud McMinn were Sunday dinner guests of Mr. and Mrs. Travis McMinn and family.
