

## Simultaneous Conventions To Be Held In Plainview

The Area I Conventions of the Young Homemakers and Young Farmers are to be held simultaneously in Plainview on Saturday, September 14. The Young Homemakers will be meeting in the new Haral Memorial Auditorium at Haral College, and the Young Farmers will meet in the Plainview High School Auditorium.

**YOUNG HOMEMAKERS**  
Theme of the Young Homemakers' Convention is "Young Homemakers Lead the Way." Registration will begin at 9:00 o'clock Saturday morning. The House of Delegates will be called to order at 10:00 a.m. Voting delegates from the Silvertown chapter are Mrs. Gordon Lowrey and Mrs. Dyrle Maples.

Officer candidates for Area I are Mrs. Freeman McBeth, Kress, president; Mrs. David Prewitt, Bails, first vice president; Mrs. Dick Shaver, Hale Center, second vice president; Mrs. Wayne Stephens, Silvertown, third vice president; Mrs. Don Foreman, Idalou, fourth vice president; Mrs. Glenn Odum, Dimmitt, fifth vice president; Mrs. John Thomas, Quail, secretary; Mrs. Jearl W. James, Springlake-Earth, treasurer; Mrs. Rosella Cannon, Tulia, parliamentarian.

Registration for the general session begins at 1:00 p.m., and the meeting will be at 1:30 p.m. Area I Young Homemakers will model fashions in the style show. Mrs. Joe Lee Bomar will represent the Silvertown chapter. The last event of the afternoon will be the installation of the new Area officers.

**YOUNG FARMERS**  
Area I Young Farmers will hold an Officer Training Workshop from 11:00 a.m. until 12:00 noon Saturday. Local chapter officers and other Young Farmer club members are invited to attend.

Registration for the convention will begin at 12:01 p.m. and the general session will begin at 1:30. The program will be "Texas Wildlife" with W. R. Long, educational officer for the Texas Parks and Wildlife Department, San Angelo, as guest speaker.

A business meeting will be last on the general session schedule. Election of new Area officers will be held at that time.

Jimmy Myers of the Silvertown chapter plans to run for the office of Area reporter. Voting delegates from Silvertown are Robert H. Hill, Joe Kitchens and Alton Biddell.

**BANQUET**  
The Area I Young Farmer-Young Homemakers Banquet will be at 8:30 p.m. Saturday in the Plainview High School Cafeteria. The main address will be given by Mr. Clark Ellzey, professor of the Department of Home and Family Life at Texas Tech.

## Whitfill Appointed Campaign Chairman

Dick Brown, candidate for United States congressman from the 18th Congressional District, has announced the appointment of Ben Whitfill of Silvertown as co-ordinator of the DICK BROWN FOR CONGRESS campaign for Briscoe County. Mr. Whitfill is past chairman in Briscoe County of the Democratic Party, and has long been active in civic and political affairs.

"I feel that the 18th has been virtually without representation during the past two years," Mr. Whitfill said, "and I welcome this opportunity to help regain a positive voice for the Panhandle. . . a job which I know Dick Brown can and will do when he is elected to Congress."

Brown, a life-long resident of the Panhandle is general manager of Farmers Supply Company of Hartley, and owns and operates a farm in the Hartley area.

"I have been advised that Dick will be visiting in our county in the next few weeks. I know that all of his many friends will be on hand to give him a warm welcome and that those who have not yet met him will want to get acquainted with this extraordinary man. You will be hearing from me, and I want to invite you at this time to contact me for information, cards, and bumper stickers," Whitfill said. "I consider Dick's candidacy an opportunity to send to Congress a man who has the background, experience and reputation

## Highway Improvement Plans Released For Briscoe County

Mrs. Gordon Lowrey, president of the Silvertown Young Homemakers, and Calvin Shelton, president of the Silvertown Young Farmers, were present when Mayor Jimmie House signed the official proclamation of Young Homemakers-Young Farmers Week in Silvertown. The special week will be observed Sunday, September 15 through Saturday, September 21. (Briscoe County News Photo)

The Texas Highway Commission on August 26 approved the expenditure of \$411,000 for highway safety and betterment in Briscoe County during 1969.

District Engineer V. J. McGee of Childress said that a total of 11.1 miles on State Highway 86 from Silvertown East to the top of the caprock, will be involved and will cover the purchase of right of way, widening, reconditioning and resurfacing. Work will be under the supervision of Carroll B. Hudson, Engineering Technician V, Clarendon.

The work is part of the Highway Commission's combined Farm to Market Road Improvement and State Highway Safety and Betterment Program for 1969 which involves the expenditure of \$60.6 million State-wide.

The program includes 1,177 projects in 224 counties of the State. In all, 7,764.1 miles of highways and farm to market roads will undergo improvements. Sixty-two percent of the work will be on US and State-numbered highways.

The bulk of the work will serve to increase safety on the highways. A large portion of the program is for the reconstruction of highways and FM roads, including such work as widening pavement and structures, improvements to shoulders and construction of improved surfacing.

Scope of the program this year has been expanded from the 1968 program passed last year. Last

## Entries Sought For Fair Talent Contest

Entries are being sought for the Talent Show division of the Floyd County Fair to be held at Lockney September 19-20-21.

Mrs. Charles Sarchet is a member of the Talent Show Committee, and entries may be registered with her.

First, second and third place trophies and plaques will be awarded in the grade school, junior high, high school and adult divisions.

The grade school talent contest will be held in the afternoon on Thursday, September 19. The junior high, high school and adult divisions will be heard beginning at 7:30 p.m.

The only entry from Silvertown was a vocal number from The Sound of Music by Cynthia Sutton accompanied at the piano by Kathy Self. The girls won third place in a very competitive contest.

Silvertown has as much talent as any town its size, and it is hoped that Silvertown will be represented in the Talent Show again this year.

Talent must be by amateurs, and each talent number must not exceed five minutes.

year, the program included 859 projects on a total of 5,182 miles. Cost of last year's program was \$40 million.

J. H. Kultgen, chairman of the Highway Commission, said: "This program emphasizes the long-standing concern of the Texas Highway Commission and the Highway Department for the safety of those who use the highways."

CHARLES WAYNE MAYFIELD

Charles Wayne Mayfield assumed his duties as manager of the ASCS office in Hereford on September 3.

Until moving to Hereford, Mayfield was the ASCS office manager at Hartley. He trained in the Tulia ASCS office under the supervision of Norvell Breedlove before going to Hartley. He spent the year with the Swisher County ASCS studying the entire program operation.

Mayfield received his bachelor's degree from West Texas State in 1959 and in 1961, he received his master's in nutrition from Colorado State University. He also has some hours toward his doctorate.

The son of Mr. and Mrs. Roy Mayfield, he is married to the former Joni Douglas, and they have two sons, Zane and Roy Dayne, and two daughters, Traci and Staci.

The family lives at 531 Westhaven Drive in Hereford.

## Fans Asked To Join In Singing School Alma Mater

The Pep Squad and cheerleaders have requested that the Silvertown fans at the football games join them in singing the school alma mater at ball games this year.

The cheerleaders will lead the singing.

## Hart Men Purchase The Earth Bank

Sale of the controlling interest in the Citizens State Bank in Earth took place Tuesday, September 3, and was announced last week following a meeting of the board of directors of the bank.

New owners of the stock in the bank are Norlan Dudley, Willis A. Hawkins, sr., and Willis A. Hawkins, jr. The three men are bankers at Hart, and Dudley is son of Mr. and Mrs. Milton Dudley.

Dudley is currently president and director of the Hart bank and Mr. Hawkins, sr. serves as vice-president and director. Mr. Hawkins, jr. is also director and vice president of the Hart bank.

Dudley, 40, was named president of the Earth bank. He assumed his executive position with the bank on September 4. Willis A. Hawkins, sr. and Willis Hawkins, jr. were each named vice presidents and directors.

A native of Silvertown, Dudley has had 22 years of banking experience. He graduated from high school here in 1944 and entered West Texas State that fall. In the spring of 1945 he joined the Navy and served a year in the South Pacific. Following the end of World War II, he was discharged in August of 1946.

Fresh from the service of his country, he was employed by the First State Bank here. Starting at the bottom, he worked his way up to cashier of the bank. He served there for seven years prior to moving to Petersburg where he served as cashier and director of the bank there for five years.

From Petersburg, Dudley moved to Hart, where he and Hawkins founded the bank. Dudley has served as president and director of the Hart bank since its establishment.

Dudley and his wife, Doris, have purchased the Joe Temple residence in Earth and are moving

that will enable him to take with him a first-hand knowledge of the problems of the Panhandle. He has the energy to tackle those problems and the ability to handle them, along with a record of proven effectiveness in his profession, his community and his party," he concluded.

## Rainbow Girls To Have Pop Bottle Raid

Members of the Silvertown Rainbow Assembly will have a Pop Bottle Raid to raise money for their treasury on Saturday morning, September 14, 1968.

They will appreciate it if you will let them haul your empty pop bottles back to the store for the deposit.

## Pep Squad Beau To Be Crowned Here

The Pep Squad Beau will be crowned during the Pep Rally to be held at 10:30 a.m. Friday, September 20.

Candidates are Marvin Self, freshman; Alvin May, sophomore; Max Hamilton, junior, and Cletus Grady, jr., senior.

there. They have three daughters. Joan, 15; Laura, 13, and Donna, 9.

## Caprock TOPS Celebrates First Anniversary

Caprock TOPS celebrated its first birthday Tuesday, September 3, with a low calorie salad supper.

Those present were Sybil Martin, Lois Cline, Helen Strange, Marie Garrison, Elsie Cornett, Mildred McDaniel and Nina Martin.

Plans were made for attending the Area Rally Day at Happy on September 28.

Mr. and Mrs. Hubert Hall and Linda of Memphis spent Saturday night in the home of Mr. and Mrs. Berton Hughes.

Mrs. Sid Marshall and children of Kermit and Mrs. Jerry Baird and children of Jal, New Mexico spent the weekend with their parents, Mr. and Mrs. Bryant Eddleman.

## Owls Open Season At White Deer Friday

The Silvertown Owls will open the season with the White Deer Bucks at 8:30 p.m. Friday at White Deer.

The Bucks had an 8-1-1 record last year, and have 10 returning lettermen to start the 1968 season. Of the 10, four will be starting on offense and five on defense.

The Bucks have two potential All-Staters in Quarterback Stan Buck, weighing 175, and Tackle Ricky Thurman, weighing 225.

White Deer is picked to finish in first place in District 1-A. They were co-champs with Gruver last year.

The Owls hope to better their 4-6 record of last year. They have 14 returning lettermen on the squad, with five of these being returning from the 1967 varsity squad.

On offense, the starting lineup will probably be Ends Paul Ray McWilliams and Donald Weast;

Tackles Jackie Davis and Thurman May; Guards Max Weaver and Larry Comer; Center Danny Vaughan; Quarterback Lannie Arnold; Halfbacks Cletus Grady, jr. and Mike Tate; and Fullback Bill Strange.

Defensive starters will probably be Alvin May, Jackie Davis, Terry Bomar, Larry Comer, Marvin Self, Danny Vaughan, Lannie Arnold, Johnny Weaver, Mike Tate, Bill Strange and Cletus Grady, jr.

THE OWLS—(from left, back row) Coach Bill Lorange, Coach Billy Wiggins, Mike Tate, Jay Long, Roy Dale Wood, Terry Bomar, Marvin Self; (first row) Max Weaver, Paul Ray McWilliams, Johnnie Roy Weaver, Lannie Arnold, Donald Weast, Bill Hutsell and Larry Comer.

**Do You Remember?**

Editor Roy Hahn must have been having some equipment problems at the Briscoe County News early in 1943, in addition to his problem of maintaining his public image of being A-1 without having Uncle Sam mistake this for a 1-A rating. He wrote: "According to a calendar I just received, the first printing press

was used in the United States in January 1639. I think that that little note is especially significant because from all indications, that press is being used every week in the office of the Briscoe County News."

Those of us who haven't studied the new math think it's pretty dense, but back in 1939 they had their problems with the math also. Editor Hahn wrote: "L. B. Garvin is working at the shop now and about half the time Jerry Simpson is helping him. Seems as though the boys have been having some trouble with their mathematics and the other day they saw an ad about 'simplified' mathematics—

arithmetic at a glance you might say. They ordered the book and it came today—616 pages of 'simplified' arithmetic that a fellow wouldn't have to have more than advanced calculus to understand. They got it on ten days trial—pay for it if you like it. Up to now they have not liked it."

Headline writing often isn't the simple job that you might think. It's often pretty hard to say what you prefer in the space available. There was a headline on the front page of the Briscoe County News in 1943 that really 'took the cake.' It was simply: "Hotterhell." There was also one which I enjoyed: "Busy Bee Bites Bullish Bomar's Brain—May Be Spring Fever Beetle Bug." The story continued: "There's a bee buzzing in the Mayor's bonnet and if its buzzing is authentic, then Silvertown may be able to have a Community Garden with water furnished. In a talk with T. C. Bomar, it was found that the City is willing to furnish the major part of the expense for installing a large windmill and well on the Garden Club's City Park site in the west end of town. He has not discussed it with any of the Garden Club members, but said that he felt sure they would be willing to join in with any suitable plan." The Community Garden will be under the supervision of one person, with each family having its own plot and doing their own work just as though the garden were on their own place.

J. W. Lyon, Jr., in explaining his draft call, told the editor: "Got a letter from the President. It said, 'Greetings: I have run this son-of-a-gun by myself as long as I can. I need you.'"

At the time for school's opening in 1943, there had been so many cases of infantile paralysis (better known as polio now) that the board announced if the hot, dry weather continued, school would not open. The faculty was complete, and school did open the following week. "Well the young Hahn started to school Monday. I surely feel sorry for Mrs. Steele with that bunch of concentrated dynamite that she is getting this year—Tom Neal, Valetta Ann, Joni, Collin and about thirty more little sticks of explosives just like them. Joni summed up things at school in the opening exercises when she stage whispered to her mother: 'Mother, it's just too noisy in here.'"

Billy Potter, 10, was credited with saving the life of a friend, Ray Tinner, 11, whose clothes

caught fire accidentally while the boys were playing. The Potter boy remembered his Cub Scout training, chased Tinner when he began running, and put out the flames with his hands and dirt from the ground. The Tinner boy was badly burned and recovered slowly.

"And now I am going to look out the window awhile," wrote Editor Hahn late in 1943. "Nope, there's no news out there. Guess I'll go to work on Bill McCracken's scale books. The way I do Bill is to print a few extras. Then when he reorders I can just ignore him for a week or two. He bounces in and out after those books like a hummingbird in front of a honeysuckle. The first two calls I tell him that I have the type set. The next two times I tell him that they are printed but not booked. And then finally I go back and pull a book off the pile and give it to him. But no foolin', I've given him the last one and now I am going to have to print some."

**Miss Bishop Honored at Coffee**

Miss Janet Bishop of Friona, bride-elect of Tommy Edwards, was honoree at a coffee and miscellaneous shower in the home of Mrs. Leland Wood on Wednesday, August 28, from 9:30 until 11:00 a.m.

Receiving the guests were Mrs. Wood, the honoree and her mother, Mrs. Stanley Bishop of Friona, and Mrs. R. A. Edwards, mother of the prospective bridegroom.

Mrs. Fred Edwards registered the guests, and Evelyn Wood showed the gifts.

Melon balls, coffee and Cokes were served by Roy Dale Garrison and Connie Dudley using white ironstone and silver appointments. The centerpiece was an arrangement of yellow daisies with yellow satin streamers.

Assisting Mrs. Wood as hostesses were Mrs. Johnnie Burson, Mrs. Fred Brannon, Mrs. W. H. Martin, Mrs. Beryl Long, Mrs. W. E. Schott, jr., Mrs. Johnnie Lanham, Mrs. C. A. Stevenson, Mrs. Doyle Stephens, Mrs. Ronald Dale Kitchens, Mrs. Joe Brannon, Mrs. Bryant Eddleman, Mrs. Bruce Eddleman and Mrs. Don Garrison.

Attending from out of town were Mrs. J. S. Love, Mrs. Odell Gregg and Mrs. Ford Bishop, all of Tulia.

Mr. and Mrs. Truman Loyd and Anita attended the funeral of W. G. Forbes in Borger recently.

Will your water heater's next birthday be a happy one?

It's not uncommon for a water heater to reach the age of retirement on its 10th birthday. Some may just dribble water... others rupture with resulting damage and yet others fail to put out as much hot water as they did in their youthful years. If your water heater is approaching its 10th birthday then it's time you talked to your Public Service manager about the value of a modern electric replacement. And, incidentally, should an electric water heater ever need servicing, your Public Service manager will take care of it for you.

### Bishop - Edwards Vows Exchanged In Friona Church Ceremony

The Calvary Baptist Church in Friona was the setting for the double ring ceremony which united in marriage Miss Janet Bishop and Tommy Edwards at 8:00 p.m. Saturday, August 31.

Parents of the couple are Mr. and Mrs. Stanley Bishop of Friona and Mr. and Mrs. R. A. Edwards.

The Rev. Dale Westbrook read the wedding ceremony in front of a white wrought-iron archway of camedor interspersed with yellow daisies, white and yellow satin bows and centered with large twin wedding bells and white doves. Complimenting the setting was a background cathedral

candle tree decorated with camedor accented with yellow satin bows and white tapers. Baskets of white gladioli and yellow daisies and tiered candelabra flanked the archway. The couple knelt on a white wrought-iron prieu-dieu covered with white satin pillows.

Her bouffant veil of illusion fell from lace leaves re-embroidered with sequins and seed pearls. She carried an arrangement of sweetheart roses surrounding orchids from which fell a shower of satin streamers tied in lovers' knots.

Escorted and given in marriage by her father, the bride wore a formal gown of Alencon lace over peau de soie designed with empire waistline, long fitted sleeves which extended to petal points over her hands and round neckline. Her A-line skirt was re-embroidered with seed pearls and her detachable train of matching lace was highlighted with a satin bow.

She wore a diamond necklace, which was a gift from the bridegroom; an heirloom wedding ring which was worn by her paternal grandmother, the late Mrs. L. T. Bishop; a blue garter made by Mrs. Emert Rose, and carried a Bible borrowed from Mrs. Lee Roy Nuttall.

The couple's memory candle was placed on a white wrought-iron stand flanked by two white wedding tapers. At the conclusion of the wedding ceremony, each extinguished one of the single candles, which represented their separate lives, and together they

lighted the memory candle to signify that their lives had become one.

Linda Oliver of Guthrie was the maid of honor. Bridesmaids were Mrs. Cecil Baker of Levelland and Mrs. Junior Adams of Lubbock, cousins of the bride, and Mrs. Travis Graves of Lubbock.

Candles were lighted by Rhonda Kennedy of Littlefield, cousin of the bride, and Beth Oliver of Guthrie. Shonda Nuttall was the flower girl and Troy Wayne Moss of Littlefield was the ringbearer. Bridal attendants wore identically designed formal gowns of yellow Serano with empire waistlines outlined with white daisies, bell sleeves and floor-length trains. They wore brief veils attached to fresh daisies and carried white parasols filled with yellow daisies tied with yellow streamers.

The flower girl and candlelighters added wristlets made of yellow glamelia buds.

Jim Burson was the best man. Groomsman were Charles Bishop, brother of the bride, Fred Edwards, brother of the bridegroom, and Leland Wood. Dwight Cox of Lockney, Melvin Young of Tulia, and Gary Edwards, brother of the bridegroom, were ushers.

Mrs. Bill Edwards, organist, played wedding selections and accompanied Mrs. Jim Snead of Lubbock, soloist, as she sang "The Twelfth of Never," "Whither Thou Goest," and "The Wedding Prayer."

Both the organist and soloist wore corsages of yellow glamelias.

Special guests at the wedding were Mrs. Flora Baker of Littlefield and Mrs. Lois Posey, grandmothers of the couple.

#### RECEPTION

A reception was held immediately following the ceremony. The serving table was covered with a lace cloth over white and centered with an arrangement of yellow cysanthemums. The tiered wedding cake was decorated with wedding rings entwined on a Bible and was served with nuts, mints, and punch with crystal and silver appointments by Mrs. Quincy Adams of Lubbock, cousin of the bride, Helen Stowers of Lubbock, Mrs. Fred Edwards, sister-in-law of the bridegroom, and Regina Duke of Friona.

Out-of-town guests registering at the reception included John Montague, Nancy Long, Bud Comer, Connie Dudley, Agnes Birmingham, Jim Brooks, Mr. and Mrs. Doyle Stephens, Silverton; Paixel

Pelkington, Kathie Turner and Ralph Chilton, Hale Center; Mr. and Mrs. Gary Edwards and children, Vernon; Mrs. David Walden, Fort Worth; Mrs. Garland Rose, Clay and Kim, Olton; Mr. and Mrs. Steve Scott, Becky and Dickie Wayne, St. Vrain, New Mexico;

Also, Mr. and Mrs. Don Robertson and sons, Brownfield; Mr. and Mrs. Cecil Corley and Karen, Lubbock; Mr. and Mrs. Babe Oliver and Otha Smith, Guthrie; Mr. and Mrs. Ford Bishop, Mr. and Mrs. Odell Gregg, Mrs. J. S. Love and Mr. and Mrs. Clois Osburn, Tulia; Mr. and Mrs. Bill Angel, Hereford; Mr. and Mrs. Tommy Moss, Cindy and Troy Wayne, Karol and Kim Terry, Jewel Baker, Billy Austin, Shelly and Rhonda Kennedy, Littlefield; Pow Carter and Guy Horney, Fort Sumner, New Mexico.

For traveling, Mrs. Edwards wore a white and yellow dressmaker suit of Serano, white accessories and the corsage lifted from her bridal bouquet.

Mr. and Mrs. Edwards are former students of South Plains Junior

College at Levelland. They are at home in Friona, where he is employed by High Plains Feed Yards, Inc.

#### BRIDAL COURTESIES

Courtesies extended the couple included a rehearsal dinner in the Fellowship Hall of the church on Friday evening, which was hosted by the parents of the bridegroom. A centerpiece of yellow daisies with a bride and groom decorated the dinner table.

A brunch was hosted in the home of Mr. and Mrs. James Hamilton Saturday morning.

Mrs. Travis Graves of Lubbock was hostess at the brunch, and guests were Linda Oliver, Linda Baker, Judy Adams, Rhonda Kennedy, Beth Oliver, Helen Stowers, Amelia Sims, Mrs. Hamilton, the honoree and her mother.

The bride was also honored at miscellaneous showers in Friona and in Silverton.

Truman Loyd had surgery in Neblett Hospital in Canyon last week. His parents brought him home Monday.

### Junior Club Opens New Year with Tea

L. O. A. Junior Study Club opened the new club year with a tea at 3:45 p.m. Tuesday in the P. C. A. community room. The devotional, "New Beginnings," was given by Mrs. Champ McGavock, and Mrs. Art Sommerfeld read "The Junior Clubwoman's Pledge."

Mrs. Robert Haley Hill gave the president's address, "Welcoming Our Builders," in which she likened the "Building of a Better World" to the building of a house.

Mrs. Charles Sarchet presented the new yearbooks and gave the federation news, "One Thing to Remember."

"Let's Start With Beauty" was the program directed by Mrs. C. L. McWilliams, Fashion Two Twenty Manager. Using Mrs. J. E. Patton, jr. as her model, Mrs. McWilliams gave a demonstration of make-up technique and answered questions the clubwomen had concerning make-up.

Hostesses for the meeting were members of the program committee, Mrs. McGavock, Mrs. Sommerfeld and Mrs. Sarchet. Pink punch, cake, mints and nuts were served from a table covered with a white lace cloth over pink, and an arrangement of a dozen pink roses in a crystal footed vase was used as the centerpiece.

During the business meeting, members voted to support and assist with the tuberculosis educational promotion and community clinic to be held soon.

Mrs. Fred Edwards, civic and projects committee chairman, discussed the Betty Crocker coupon project and handed out folders in which to save the coupons.

Attending the meeting were two guests, Mrs. McWilliams and Miss Donna Sue Gidden, and ten members, Mrs. Edwards, Mrs. Hill, Mrs. Joe Kitchens, Mrs. McGavock, Mrs. Jerry Miller, Mrs. Patton, Mrs. Dean Rowell, Mrs. Sarchet, Mrs. Sommerfeld and Mrs. Wayne Stephens.

The club's next meeting will be Tuesday, September 24, at 3:45 p.m. in the P. C. A. community room for a group participation program to be directed by Mrs. Doyle Stephens. Each member is asked to wear comfortable clothes and shoes, and to be prepared to take part in a flower arranging clinic. Members are to bring vases and flowers from their yards, and Mrs. Stephens has agreed to furnish some flowers for the demonstration.

Mrs. Fred Edwards will be the hostess and will give the devotional, "The Making of The Beautiful." Roll call will be "My Favorite Flower."

Names will be drawn for secret pals.

Mrs. Randall Eddleman is to give the federation news, "Departments in Federation."

Mr. and Mrs. J. E. Wheelock visited their son and daughter-in-law, Mr. and Mrs. R. D. Wheelock, in Canyon Sunday.

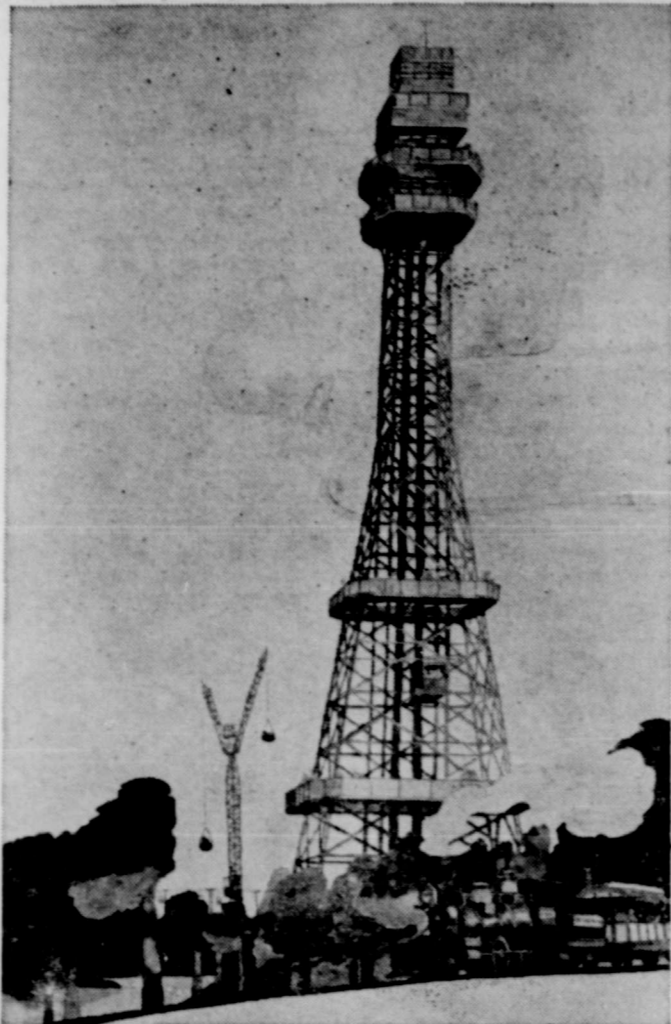

Tom Christian of Claude was a visitor in Silverton Monday.

### SIX FLAGS TO BEGIN FALL SCHEDULE NEW \$20,000,000 CALIFORNIA PARK DUE

The world's largest land-based oil derrick, which will be Six Flags Over Texas' newest attraction, is seen in this artist's rendering. Construction is already under way on this 300-foot "rig," which will be the tallest single structure at the popular 140-acre, \$18,000,000 theme entertainment center located in Arlington, midway between Dallas and Fort Worth.

Arlington, Texas: Six Flags Over Texas will begin its Fall operating schedule on September 7 and will operate on Saturdays and Sundays only until the 1968 season ends on December 1. Operating hours will be from 10 a.m. to 8 p.m.

The popular historical-theme entertainment center, located midway between Dallas and Fort Worth, has set Monday, September 2, as the final day of the Summer season, during which Six Flags has been open seven days a week.

Angus G. Wynne, Jr., President of Great Southwest Corporation which owns and operates the Six Flags Over Texas and Six Flags Over Georgia (Atlanta) entertainment centers, announced last week that the company will build a new 147-acre, \$20,000,000 theme entertainment center in the Oakland/San Francisco Bay Area on the West Coast. The new park, tentatively named Six Flags Over California, is located east of Oakland in the city of Pleasanton.

The California Park is scheduled to open in the Spring of 1971.

Construction of new attractions at Six Flags Over Texas for the 1969 season is already under way with the building of the world's largest land-based oil derrick. This 300-foot oil rig will tower 300 feet in the air and will be supported by 800,000 pounds of steel. Costing in excess of half a million dollars, the oil derrick is located on a new 1.5-acre site near the Boomtown area of the Park. Giant elevators will take visitors to the two top observation platforms at the 267- and 255-foot levels.

The Oil Derrick will become the most prominent single structure at Six Flags, looming far above the 190-foot Sky Hook and 55-foot Astrolift rides.

### Garvin Reunion Held Recently

The Garvin reunion met with Mr. and Mrs. Ben O. King on the Labor Day weekend with all the family's brothers and sisters present.

Attending were Mrs. Omega Basham of Lufkin; Mr. and Mrs. Ralph Garvin of Robert Lee; Mr. Eaf Garvin of Weatherford; Mrs. Maggie Garvin of Dallas; Mr. and Mrs. Dee Garvin and Mr. and Mrs. Dick Garvin, and a host of nieces, nephews and friends.

Mr. and Mrs. Berton Hughes and Mr. and Mrs. C. O. ### West Texas State To Open Season Saturday Night at 8

West Texas State, with what should be one of college football's most exciting offenses this fall, opens its 58th season Saturday night against Lamar Tech. Game time is 8:00 p.m.

The Buffaloes have more outstanding backfield depth than at any time in their history, but a consistent defense might make offense work much harder if West Texas is to go undefeated.

Headlining an offense which ranked second nationally in rushing a year ago is halfback Eugene Morris, described by observers as one of the best in the country.

Three other seniors will be in the backfield with the 190-pound Morris. They are quarterback Roy Morris, flanker Gary Clark and back Albie (Double O) Owens. Morris, winding up what could be an All-American career, was No. 2 ground gainer in the country.

Eddie Golecki, 240-pound senior guard from Killeen, was lost for the season when an old arm injury was found not to have healed properly.

Dick Flynn, 180-pound split end from Houston, received a shoulder injury but is tentatively counted

country last year with 1,274 yards on 191 carries. Only one other player, All-American O. J. Simpson of Southern California, also gained more than 1,200 yards.

Mercury, who averaged 6.6 yards per carry—superior to any other back in the nation, scored 11 touchdowns rushing and one on a pass as the Buffaloes won seven of ten regular season games and defeated San Fernando Valley State in the Junior Rose Bowl at Pasadena, California.

Winters, a 180-pounder from Rankin, finished 12th in total offense nationally with 1,666 yards on 300 plays. Of that total, 1,552 yards came on 94 pass completions to rank him 28th in that department.

Owens, who can move his 215 pounds with sprinter's speed, was slowed by injuries last year but gained 465 yards on 83 carries. He is being pushed for the starting berth by Duane Thomas, 220-pound junior from Dallas, who acquired 596 yards in 1967 before breaking an ankle in the sixth game of the season.

West Texas' offensive line, which averages about 225 pounds per man and includes four seniors and three juniors, suffered a couple of bad blows in preseason drills.

Eddie Golecki, 240-pound senior guard from Killeen, was lost for the season when an old arm injury was found not to have healed properly.

Dick Flynn, 180-pound split end from Houston, received a shoulder injury but is tentatively counted

### Boxer Archie Moore Blasts Anarchy

Archie Moore, retired light-weight boxing champion of the world, has told friends that he believes "everybody must take a stand in this time of internal crisis."

"A man who stands neutral stands for nothing," Moore said in his statement.

"The devil is at work in America, and it is up to us to drive him out. Snipers and looters, white or black, deserve no mercy."

"I was born in a ghetto, but I refused to stay there. I am a Negro, and proud to be one. I am also an American, and I'm proud of that."

Moore said that "Granted, the Negro still has a long way to go to gain a fair shake with the white man in this country. But believe this: if we resort to lawlessness, the only thing we can hope for is civil war, untold bloodshed, and the end of our dreams."

Moore became light-heavyweight champion in 1952 when he defeated Joe Maxim. During his long pugilistic career he knocked out 128 opponents. He also has been successful in acting, a career he began in 1959 in the MGM production, "The Adventures of Huckleberry Finn."

Moore developed a program called "Any Boy Can"—a character building program for underprivileged boys aged 8 to 15. On the basis of this work, he has been named a consultant to the Office of Economic Opportunity. In his statement, he expressed the hope his ABC work would be expanded.

In the statement, Moore went on to say: "I'll fight the man who calls me an 'Uncle Tom.' I have

broken bread with heads of state, chatted with presidents and traveled all over the world.

"The young people of today think they have a hard lot. They should have been around in the 30's when I was coming up in St. Louis. We had no way to go, but a lot of us made it. I became light heavyweight champion of the world. A neighbor kid down the block, Clark Terry, became one of the most famous jazz musicians in the world. There were doctors, lawyers, and chiefs who came out of that ghetto. One of the top policemen in St. Louis came from our neighborhood.

"We had it made because we had a goal, and we were willing to work for it. Don't talk to me of your guaranteed national income. Any fool knows that this is insanity. Do we bring those who worked to get ahead down to the level of those who never gave a damn? The world owes nobody—black or white—a living. God helps the man who helps himself!

"Now then, don't get the idea that I didn't grow up hating the injustices of this world. I am a staunch advocate of the Negro revolution for the good of mankind. I've seen almost unbelievable progress made in the last handful of years. Do we want to become wild beasts bent only on revenge, looting and killing and laying America bare? Hate is bait, bait for the simple-minded.

"Sure, I despised the whites who cheated me, but I used that feeling to make me push on. If you listen to the professional rabble-rousers, adhere to this idea of giving up everything you've gained in order to revenge yourself for the wrongs that were done to you in the past—then you'd better watch your neighbor, because he'll be looting your house next. Law and order is the only edge we have. No man is an island.

"We have to have a meeting of qualified men of both races. Mind you I said qualified men, not some punk kid, ranting the catch phrases put in his mouth by some paid hate-monger. There are forces in the world today, forces bent upon the destruction of America, your

America and mine. And while we're on the subject, do you doubt for a minute that communism, world communism, isn't waiting with baited breath for the black and white Americans to turn on each other full force? Do you want a chance for life, liberty and the pursuit of happiness in the land of your birth, or do you want no chance at all under the Red heel?

"There are members of the black community who call for a separate nation within America. Well, I do not intend to give up one square inch of America. I'm not going to be told I must live in a restricted area. Isn't that what we've all been fighting to overcome? And then there is the element that calls for a return to Africa.

"For my part, Africa is a great place to visit, but I wouldn't want to live there. If the Irishmen want to go back to the Emerald Isle, let them. If the Slavs want to return to the Iron Curtain area, okay by me. But I'm not going to go to any part of Africa to live. I'm proud of my ancestry, and of the country that spawned my forefathers, but I'm not giving up my country. I fought all my life to give my children what I'm able to give them today! A chance for development as citizens in the greatest country in the world.

"I do not for a moment think that any truly responsible Negro wants anarchy. I don't think you'll find intelligent, no, let me rephrase that—mature Negroes running wild in the streets or sniping at total strangers. God made the white men as well as the black. True, we haven't acted as brothers in the past, but we are brothers. If we're to be so many Cains and Abels, that's our choice. We can't blame God for it.

"Something must be done to reach the Negroes and the whites in the ghettos of this country, and I propose to do something. "As a matter of plain fact, I have been doing something for the past several years. I have been running a program which I call ABC—Any Boy Can. By teaching our youth, black, white, yellow

and red, what dignity is, what self respect is, what honor is, I have been able to obliterate juvenile delinquency in several areas.

"I would now expand my program, change its scope. If Any Boy Can, surely Any Man Can. I want to take teams of equalized people, top men in their fields to the troubled areas of our cities. I know that the people who participated in riots, who are participating and who will participate are misguided rather than mad.

"If some bigot can misguide, then I can guide. I've spent too much of my life building what I've got to put it to torch just to satisfy some ancient hatred of a man who beat my grandfather. Those men are long dead. Do we have to choke what could be a beautiful garden with weeds of hate? I say NO! and I stand ready to start 'Operation Gardener.' I invite the respected Negro leaders of our country to join me."

### New rugged styling featured in 1969 Chevrolet Light Truck Line

Boldly restyled for a more massive front-end look, the 1969 Chevrolet light conventional truck line has numerous improvements. They include brighter interiors, tighter door sealing, new cab mounts for quieter ride, automatic choke, and foot-operated parking brake. New options include a 350-cu.-in. 255-hp V8 and low-mounted side mirrors which afford better side vision and lower wind noise.

### New Rangematic Distance Finder

Would you like to sight your rifle on game up to 500 yards away and know instantly how high to hold to bring it down? Or perhaps you'd like to locate the exact spot in your favorite lake where you caught all those fish last summer.

You can do these things and much more with a new, portable ranging instrument, called the Rangematic Distance Finder, which accurately measures and automatically translates distances up to 500 yards into almost any kind of useful information.

The Rangematic gives direct reference to bullet trajectories, telling hunters how high to aim at targets or game. The hunter in this photo was instructed by his Rangematic to hold high by 6 inches and he brought down the ram from 315 yards. His cartridge was a 300 Weatherby Magnum. Rangemac, Inc. of Rochester, New York has translated trajectories for every type of commercially available bullet into direct

reading. DisTran scales showing inches of drop within killing distances up to 500 yards.

In boating and yachting, the Rangematic is excellent for chart checking, course plotting, race start position plotting and accurately determining miles per hour. The instrument consists of an exceptionally accurate coincidence-type rangefinder and a 6x18 power scope, plus highly unusual distance translation. The power scope is detachable for separate pocket use for game seeking, target examination, bird watching and all spectator sports.

### NEWS

### FROM THE

### COUNTY AGENT'S DESK

Losses from handling are stealing profits from the Texas livestock industry, according to County Agent Ken Cook.

These losses include killed, crippled and bruised animals, transit shrinkage and loss of bloom.

Reduction of shipping handling losses can be achieved by avoiding the use of clubs, whips, and other bruise-causing persuaders. Use canvas slappers, and use them sparingly. Eliminate protruding nails, bolts and broken boards in trucks, pens and chutes. Remove stumps, posts and machinery that will cause bruises in feedlots and in corral areas.

Haulers should bed the truck properly. Also, have trucking equipment in good order. Loading should be done slowly and carefully as rough handling is an expensive way to speed up loading and unloading.

Protecting animals from bad weather, providing proper ventilation and frequent checking of the load are all good practices that may help reduce losses.

By keeping these suggestions in mind, shippers can reduce their handling losses and this will, in turn, insure an increase in livestock profits.

## On The Sideline

WITH CHARLES

I am glad to see the Owls starting out with some Class A and AA schools this year, instead of with all Class B schools as in years past. It seemed we could do pretty good with the Class B schools, but when we got to the Class A teams it was a different story.

The Owls will have a good test when they tackle White Deer Friday night. White Deer is picked to win District 1-A, and will probably be District 2-A's bi-district competitor.

Silverton has good size in the line with Jackie Davis at 210, Ronnie Sharp at 210, Thurman May at 205, Danny Vaughan at 200. These boys can do a real good job if they want to.

In the Matador scrimmage, I thought our boys did not perform up to par on offense or defense. I thought we would score more than we did. Since we had so many scouts there from different schools, Coach Lorance might not have wanted to show too much. (Let's hope that was the case.)

Cletus Grady, jr. looked good on the drive we scored on. The line was blocking good and Cletus was following his blockers real well.

Let's hope the boys go to White Deer with the winning attitude and that they will not give up at any time.

I believe we have some real good coaches.

Let's all go to White Deer to back our team and coaches all the way.

I wonder if Charlie Payne is happy with Don Meredith after last Saturday night's game with the Colts. Charlie says Don can do no wrong.

Fred Strange tells me that Dud Watters used to invent the tallest tales in Briscoe County until Charlie Payne moved here!

Jack Strange says that he has been going to football practice every day, and Coach Lorance has not once asked his advice. Jack says that he will give him only about 60 more days, and if he has not asked him by then, he is going to resign as assistant coach.

### 4-H-ERS ALERT TO AUTO SAFETY DRIVING HAZARDS

"Will my son or daughter become a 1968 automobile accident statistic?" Parents of teenage drivers would like to be sure the answer is a decisive NO! But they can't be sure.

Deaths from motor vehicle accidents are at a peak period right now and will increase month-by-month through December. This prediction is based on estimates made by the National Safety Council for a similar period last year.

For the first six months of 1968, motor vehicle accidents caused 25,200 deaths and 900,000 disabling injuries, according to the Safety Council. This was an increase of 6 percent over the same period last year.

How to reduce this terrible toll? One thing parents and young drivers can do is get into a 4-H Automotive Safety program. Nearly 57,000 girls and boys are enrolled. Parents help by volunteering as project leaders.

This program supplements driver education in school and other driver training efforts. Its primary purpose is to develop the right attitude toward safe driving. In so doing, youngsters learn what makes an auto "go" and how the "go" can be safely maintained.

The Cooperative Extension Service supervises 4-H Clubs and projects, promotes community auto safety campaigns and helps to prepare the pre-driver for a driver's license. Parents, traffic officers, safety and highway engineers, and auto dealers help this all-out 4-H effort.

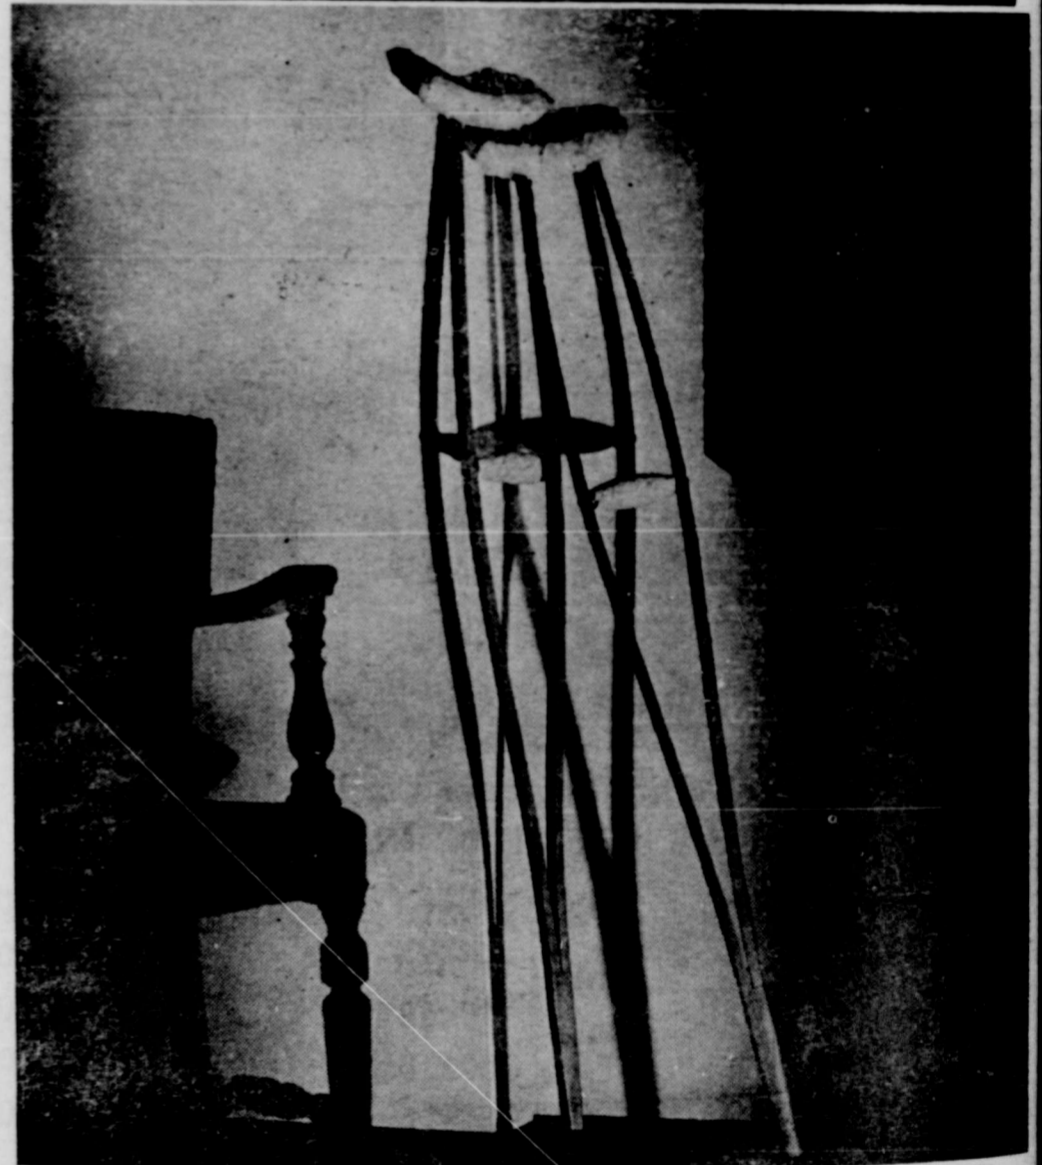

The Firestone Tire & Rubber Company is national sponsor of the 4-H Automotive Safety program. The company provides incentive awards annually in recognition of outstanding individual and community achievements.

Here are a few tips offered by Fred Bergsurd, extension agricultural engineer at Kansas State University: (1) Drive defensively. Condition your mental reflexes to expect dangerous accident situations just as you have conditioned your reflexes in steering, breaking and accel-

erating. (2) Drive courteously. It pays immediate and continuous dividends. (3) Keep the whole traffic scene in view not just the car ahead. (4) Don't drive if you are irritated or fatigued. (5) Keep your car in shape at all times.

For more information about the 4-H Automotive Safety program, contact the County Extension office or a local Firestone dealer. Inquiries also can be directed to Donald E. Osburn, National 4-H Service Committee, 59 E. Van Buren St., Chicago, Ill. 60605.

There is a special magnetic language in big city business. It can only be understood by electronic computers that process names, charges and payment due. It's done in a fraction of a second. It has no time to be concerned about you or your problems. It's not designed to understand.

But, to our local business community you are a person, not a statistic. Don't turn your back on our hometown businessman. When you need help they won't turn their back on you. Shop at home.

## Here! New '69 CHEVROLET TRUCKS!

Now there are even more reasons why Chevrolet is more truck.

### MORE STYLE

Here's the bold new look in pickups—Chevrolet's handsome new hood profile, new aluminum grille, new interior trim colors! You get a cab and Fleetside pickup box that are double wall, double strong. America's most popular pickup is more truck than ever for '69!

### MORE LENGTH

New '69 Fleetside pickups provide cargo boxes up to 8 1/2 ft. long—haul bigger payloads or king-sized camper bodies! For work or play, you get the riding smoothness of work-proven Independent Front Suspension, the economy of Chevy truck power. Plus easier handling.

### MORE COMFORT

New, more comfortable seats are designed with molded foam. Thick insulation hushes road noise. Bump leveling coil springs at all four wheels on most models smooth the way. More comfort!

### MORE POWER

New workpower! A spirited new 350-cu.-in. V8 is standard in medium-duty V8 models. Order it for pickups, too! And there's big V8 power in heavy-weights. Chevrolet gives you plenty of workpower!

### MORE VAN FOR THE MONEY

Low-cost Chevy-Van delivers loads of economy with big Sixes or work-whipping V8s. Nimble maneuverability in traffic makes light of big loads. Now available with 3-speed Turbo Hydra-Matic.

At your Chevrolet dealer's now.

More trucks are Chevrolets because Chevrolet is more truck!

CARDS OF THANKS

I want to thank each one for the gifts, flowers and food that were given to me and the people who visited me while I was in the hospital and since I came home. May God bless you all. Charlotta Baker

VA Offers Assistance To Children of Vets.

The Veterans Administration will pay up to \$130 a month to help educate each son and daughter of a deceased veteran who died in service or of a service-connected disability, or one who has been totally and permanently disabled as a result of honorable service.

These payments are usually provided for sons and daughters between the ages of 18 and 26, Jack Coker, manager of the VA Regional Office in Waco said. The program is intended for education beyond the secondary school level, he said, but there are some exceptions.

Marriage does not bar this benefit. An eligible person may receive up to 36 months of schooling—or the equivalent of 36 months if enrolled part time. Monthly payments are lower if the enrollment is for less than full time, and no payment is authorized for less than half time.

Eligible people of legal age may file their own applications for this program with a Veterans Administration office, Coker said. For minor children, the parent or guardian must file, he added.

Special restorative training may be provided to young men or women unable to pursue an education because of some physical or mental disability. It consists of training such as speech and voice correction, lipreading, Braille reading and writing and the like. In some instances, handicapped children may begin a special vocational or restorative course as early as age 14.

More than 125,000 students have been helped in the program since 1956, when it was established.

For further information, contact the Veterans County Service Officer or Office at the Swisher County Courthouse in Tulia any Tuesday or Thursday. That office takes care of all veterans' affairs in Swisher and Briscoe counties.

Mr. and Mrs. Bennie Qualls of Abilene spent the weekend with her parents, Mr. and Mrs. Carman Rhode.

Robert Rhode, who attended school in the Alps last term, has returned to this country, and will again be attending Southern Baptist Seminary at Louisville, Kentucky, this term.

Now Possible To Shrink Hemorrhoids

And Promptly Stop Itching, Relieve Pain In Most Cases.

Science has found a medication with the ability, in most cases—to relieve pain, itching and shrink hemorrhoids. In case after case doctors proved, while gently relieving pain, actual reduction took place. The secret is Preparation H. It also soothes irritated tissues and helps prevent further infection. Just ask for Preparation H Ointment or Suppositories.

Mr. and Mrs. Carman Rhode, Robert Rhode, Rev. and Mrs. Jimmie Jenkins and Douglas returned here Thursday following a visit to HemisFair in San Antonio.

The Jenkins family has spent the summer with Mr. and Mrs. Rhode at Harlingen while Rhode Pipe Company finished its pipeline job for the Texas Highway Department between Harlingen and San Benito.

The Jenkins family is living in Austin now, and he will be a student at the University of Texas this term.
