All Around the Town

by Mary Ann Sarchet

Amid the usual pomp and ceremony, Richard M. Nixon was sworn in as President of the United States Monday, and Nixons and Eisenhowers are back in the White House again, the families having been permanently joined with the marriage of Julie and David.

Chosen as the theme of the new administration was "Forward Together." And the demonstrators, which had proven such a nuisance to the Johnson administration, were on hand for the inauguration, wearing Nixon masks and costumes resembling American flags. They shouted "Resign, Nixon!" and argued patriotism with the crowds of people who were braving freezing weather to get a glimpse of the President, Vice President, former President and former Vice President of the nation.

The purpose of the demonstrators was supposed to have been to show that all are not happy and satisfied with conditions in America, but it is my feeling that the demonstrators probably created a greater hostility toward themselves and inspired renewed feelings of patriotism in the good citizens of the land.

Wonder if the demonstrators would be happier in Castro's Cuba?

You know, when people try to force an unwanted opinion on others, they often get a result which is just the opposite of their aim. In the case of the professed atheist, Madalyn Murray O'Hair, she has caused some to realize how much religion means to them. The people at Tulsa have turned out in very large numbers to sign a thank-you letter which is to be sent to Mrs. O'Hair. The document contains more than 7,000 signatures. I understand. The people are thanking Mrs. O'Hair because she has made them realize how much religion means to Americans.

Glenn Shelton wrote a "POME" TO MADALYN which appeared in his Wichita Falls Record-News column Tuesday morning. Her body pampered, clothed and fed, "I have no need for God," she said. "That children have no need for prayer!" Having spake thus, she raised a hand. And uttered yet a new command: "It's my decree that men in space by law cannot their God embrace." And what else will this creature do, And can she walk on water, too? No God, says she? Well, it may be She thinks the Diety is she!

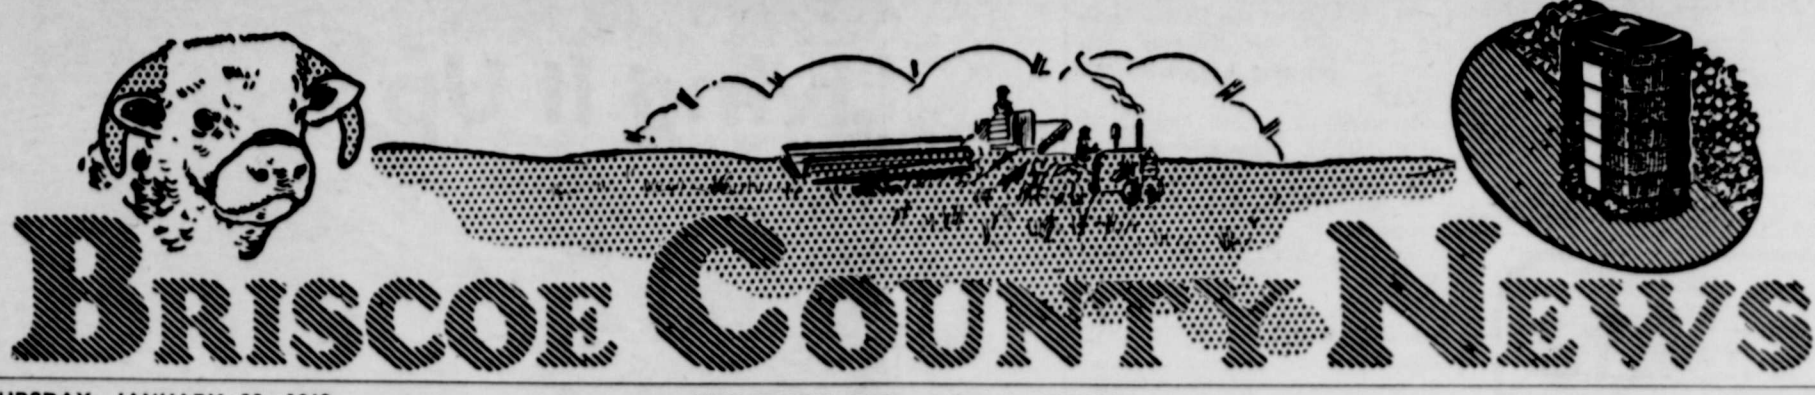

Bus Wellman has been a patient in the Memphis hospital. He returned home Monday.

Mrs. Mart Self has been a patient in the Lockney Hospital.

Watson Addresses Briscoe County NFO

Bill Watson, president of the Swisher County NFO, was guest speaker Monday night at the regular monthly meeting of the Briscoe County NFO. Seventeen local members and three guests were present at the meeting which was held in the P.C.A. community room.

Watson explained how the NFO is expanded and told about the 1968 National Convention. He presented an educational film, "Super County Bargaining Structure." G. W. Lee was elected to serve as president of the local organization for 1969. Other officers are Jack Sutton, vice president; Robert Hill, secretary; John Schott, treasurer; Joe Mercer, trustee; and Fred Mercer, district director. Selected to serve on the Meat Board were W. E. Schott, chairman; John Francis, E. A. Birdwell, J. E. Patton and Ronald Kitchens. The regular meeting night for the NFO organization is the second Monday of each month at the P. C. A. Every member is urged to attend, and every farmer who is not a member but who has questions and is interested in the NFO is cordially invited to attend.

BRISCOE COUNTY NEWS
THURSDAY, JANUARY 23, 1969 SILVERTON, (Briscoe County) TEXAS VOLUME 61 NUMBER 4

Owlettes 1-1 In District 2-A Play

The Owlettes own a 1-1 conference record after dropping the first game 40-46 to Claude and taking a 45-38 win from Happy. Evelyn Wood led the scoring for the Owlettes against Claude, sinking 18 points. Diana Strange dropped in 15 points, and Paula Birdwell added 7.

Lowrance scored 25 points for Claude, followed by Janis Irby and Deb Campbell, who scored 8 points each. The Owlettes led 8-5 at the end of the first quarter, but were outscored in the second period and at halftime the score was tied, 19-19.

Silvertown scored only 8 points in the third period while Claude controlled the ball much of the quarter and added 13 points to their score. Scoring was almost even in the fourth quarter, but the Owlettes were unable to overcome the deficit.

The Owlettes made 70% of their attempted free throws, while the Claude girls made only 42% of their free tosses. Guards playing in the game were Kathy Self, Lexie Younger, Jerdene Weathered and Charlie Weathered.

The Owlettes opened their game at Happy with a slow first quarter, which allowed the Cowgirls to move into a 13-6 lead. In the second quarter, Evelyn Wood and Paula Birdwell poured it on, and at halftime the Owlettes trailed by only one point, 20-21. Silvertown outscored Happy in both the third and fourth quarters to win the game.

Paula Birdwell led the scoring with 20 points, followed by Evelyn Wood with 15 and Diana Strange with 10. The Owlettes made 69% of their free shots, as compared with the 78% made by the Cowgirls. Mayes and Bates tied for individual scoring honors for Happy, with 16 points each.

Club Calves Exhibited In Amarillo Show

Eight Silvertown club calves were exhibited in the Amarillo Stock Show, two by members of the Future Farmers of America and six by 4-H Club members.

A lightweight Hereford steer exhibited by Derrill Martin placed eleventh in its class. The steer shown by Diana Strange placed twenty-eighth in this class and the one exhibited by Bill Strange placed thirty-eighth. A total of 83 steers were exhibited in the lightweight Hereford class.

Jim Davis was exhibitor of the twenty-fifth place steer in the middleweight Angus class, and he also showed the eighteenth-place steer in the middleweight Hereford class.

Van Martin's F.F.A. project steer placed thirty-third in the heavyweight Hereford class. Wade Brannon, also representing the Silvertown F.F.A., was exhibitor of the thirty-fifth place lightweight Angus steer.

The Silvertown Merchants Association, which annually buys a number of the 4-H and F.F.A. animals for the purpose of guaranteeing the local boys and girls a good price for their project livestock, bought seven of the steers for 38 cents per pound. The floor price, established by packing companies, was 26.5 cents per pound on the lightweight cattle and 28.1 cents on the heavyweights. None of the cattle sold to the packing companies at the auction sale.

Mr. and Mrs. J. B. Smith of Silvertown spent the weekend with Mr. and Mrs. Vinson Smith.

Fine Wool Lamb Brings Record Price

Brent Bean, nine-year-old son of Mr. and Mrs. Walter Bean, exhibited the top fine wool lamb at the Amarillo Stock Show. The 91-pound animal, purchased by Sears, Roebuck & Company of Amarillo, sold for \$260 per pound, the highest price ever paid for a lamb in the Amarillo sale. A Silvertown 4-H Club member, Brent was the exhibitor of the first-place fine wool lamb in the

lightweight class and also showed the first-place lamb in the heavyweight class. Placing second in the lightweight fine wool class was a lamb shown by Jeff Jones, of the Silvertown 4-H. Brenda Payne, another Silvertown 4-H Club member, was exhibitor of the third-place lightweight fine wool lamb. Brenda's lamb was stolen from the show barn the night before the

sale and had not been found on Wednesday. The Silvertown Merchants Association purchased her stolen lamb, and if the animal is recovered, it will be sold on the open market and the Merchants will be reimbursed. Another lamb which was exhibited by a 12-year-old Amarillo 4-H girl was also stolen, and was purchased by Furr's, even though it had not been recovered.

Jeff Jones also exhibited the tenth-place lamb in the heavyweight class, and Brenda Payne showed the second-place lamb in the lightweight crossbred class. None of the 100 lambs auctioned Tuesday sold for less than 45 cents per pound. Market price is about 25 cents per pound. Most of the Silvertown lambs sold for 50 to 55 cents per pound, with one of Jeff Jones' lambs selling for 65 cents per pound.

Annual Meeting Slated Saturday

The 35th annual Stockholders' meeting of Plainview Production Credit Association has been scheduled for Saturday, January 25, in the Plainview High School Auditorium.

Lunch will be served in the high school cafeteria from 11:00 a.m. until 1:00 p.m. Special music will be featured in the auditorium from 12:00 noon until 1:00 p.m., and the business session will begin at 1:00 p.m.

Owlettes Defeat Wayland Queen Bees

Silvertown's Owlettes recently took a 52-35 win from the Wayland College Queen Bees in a game played in Plainview. Evelyn Wood led the scoring with 22 points, followed closely by Paula Birdwell, with 20 points to her credit. Diana Strange added 10 points.

Annual reports will be heard, report of the nominating committee, and two directors are to be elected. Nominated for Place One are Deon Atwey and Billy Carthel, both of Friona. Nominated for Place Two are Grady Shepard and Joe Stokes, both of Hale Center. Additional nominations may be made from the floor.

Evon Almquist led the scoring for the Bees with 27 points. The Owlettes held a 19-6 lead at the end of the first quarter, and were ahead 26-21 at halftime. Silvertown outscored the Bees in both the third and fourth periods, with all the reserves seeing action.

Guest speaker will be W. N. Stokes, Jr., president of the Federal Intermediate Credit Bank, Houston. Those attending are asked to use the parking lot at the southwest corner of the high school building, and enter the cafeteria from that side of the building.

Other forwards taking part in the win were Juannah Nance, Cecilia Garcia and Barbara Davis. Guards in the game were Kathy Self, Jerdene Weathered, Charlie Weathered, Rhonda Dickerson, Cathy Jones and Gayla Tate. The Owlettes made 70% of their free throws, as compared to 50% success at the line for the Queen Bees.

Wood Exhibits Reserve Champion

Roy Dale Wood, representing the Silvertown Future Farmers of America, was exhibitor of the Reserve Champion Berkshire barrow at the Amarillo Stock Show. Wood's barrow placed second in the lightweight class to the barrow that was named champion Berkshire of the show.

Drive Underway For Girlstown

A drive is underway to collect clothing, money and other necessities for Girlstown U. S. A. at Borger.

Danny Vaughan, fifth, and Ronny Vaughan, thirteenth, in the lightweight Poland China class. Both represented the F.F.A. A lightweight Duroc exhibited by Todd McJimsey placed twentieth in a class of about 100 barrows. Todd is a 4-H member.

Donations for Girlstown may be given to any club member or left at Bud's Grocery and Market or at the Briscoe County News.

Danny Vaughan also showed the thirteenth-place medium-weight Duroc.

Scholastic Census Being Taken Now

According to an announcement by Superintendent J. S. Hinds, the scholastic census is being taken during the month of January. All children born after September 1, 1951 and before September 1, 1963, must be enumerated. Parents who have children that will be six years of age on or before September 1, 1969, and will be attending the Silvertown Schools next year, are asked to call at Mr. Hinds office at the high school to have their child's name placed on the census roll.

Bill Reid, 4-H, was exhibitor of the thirteenth-place heavyweight Duroc barrow. Roy Dale Wood, F.F.A., was the exhibitor of the fifth-place lightweight Hampshire barrow. A 4-H Club member, Johnny Roy Weaver, showed the third-place heavyweight Hampshire barrow.

It is important that this be done before the end of January.

Ken Wood, another Silvertown 4-H'er, showed the nineteenth-place lightweight crossbred barrow. Also exhibiting 4-H Club barrows were Mike Montague and Mickey Gaunt.

Ernie Jones of Pampa; Mr. and Mrs. C. E. Terry of Skellytown, and Mr. and Mrs. Gordon Alexander have been recent dinner guests of Mr. and Mrs. Wood Hardcastle. Mr. Jones and Mr. Alexander were boyhood friends.

Owls Drop First Two District Games

The Owl cagers dropped their first two conference games of the season to Claude and Happy. Claude took a 67-36 win in a match played here Friday night, and Happy defeated the Owls 61-45 in a game played at Happy Tuesday night of this week.

Paul McWilliams led the scoring against Claude by caging 8 points. Lannie Arnold and Bob Hutsell each scored 6, Alvin May netted 5, Jimmy Walker scored 4, Thurman May got 3, and Max Hamilton and Gary Martin each scored 2 points.

Others seeing action for the Owls were Bill Brooks and Marvin Self. Grumke led the Mustangs with 30 points, followed by Knox with 10; Morrison and Stephenson with 8 points each. Silvertown trailed by only one point at the end of the first period, but dropped behind 19-35 at halftime, and were never able to close the gap.

The Owls made 64% of their attempted field goals, as compared with 63% made by Claude. Jimmy Walker was the highest scoring individual for the Owls in the game at Happy, dumping in 15 points. Finas Ivory scored 8 points; Paul McWilliams netted 7; Lannie Arnold caged 6; Max Hamilton got 4; Bob Hutsell put in 3 points, and Thurman May made 2 points. Others in the game were Alvin May, Marvin Self and Bill Brooks.

For the Cowboys, Dempsey scored 22 points, followed by Taylor with 14. The Owls trailed the Cowboys 9-21 at the end of the first quarter, and were behind 22-32 at halftime. The Owls made 11 of 21 attempted free throws, while the Cowboys made 7 of 22 attempted free shots.

Mothers' March Conducted Monday

The Mothers' March netted \$240.00 for the March of Dimes Monday evening. A drive through the business district was to be conducted at a later date. Assisting the L. O. A. Junior Study Club with the drive were members of the Silvertown Young Homemakers, F. H. A. Chapter and the Baptist G.A.'s as well as others.

Mrs. Bill Durham is chairman of the Briscoe County March of Dimes Unit, which now diverts most of its funds into birth defects research. The workers met in the school homemaking department, where sandwiches, Cokes, and cookies were served following the drive.

Assisting the door-to-door campaign were Kathy Self, Lexie Younger, Jeanetta Younger, Mrs. Durham, Mrs. Gordon Lowrey, Mrs. Jerry Patton, Mrs. Freddie Minyard, Donna Sue Gidden, Mrs. Joe Brannon, Mrs. Dyrle Maples, Mrs. G. W. Chappell, Mrs. Mary Ann Hayworth, Mrs. Jerry Miller, Mrs. Steve Miller, Mrs. Randall Eddleman, Mrs. J. E. Patton, Jr., Mrs. Champ McGavock, Mrs. Charles Sarchet, Mrs. Dean Rowell, Mrs. Robert H. Hill, Mrs. John Schott, Mrs. Bud Couch, Mrs. Fred Edwards and Mrs. Joe Kitchens.

"We certainly do want to thank each one of these who helped," Mrs. Durham emphasized. "Without the help of our volunteer workers we can never hope to overcome the heartache created by birth defects."

Public Invited To Rainbow Installation

Jackie Carol Tate, daughter of Mr. and Mrs. Freeman Tate, will be installed as Worthy Advisor of the Silvertown Rainbow Assembly at 3:00 p.m. Saturday, January 25, at the masonic hall here. The public is invited to attend.

Pre-Kindergarten Day Is Scheduled Here

January 24 will be pre-registration day for the First Baptist Church Kindergarten. All children who will be five years old on or before September 1, 1969, and are interested in attending Kindergarten next fall are invited to attend Kindergarten on that day from 8:30 a.m. until 10:30 a.m. for registration and an all-around good time. There will be a short session of the regular Kindergarten day, and the children will be dismissed at 10:30 a.m.

Round-Up Day To Be Friday, January 24

Pre-school registration will be Friday, January 24. The present first grade pupils will not attend school on Friday, January 24.

Parents are asked to bring pre-schoolers who will be six years of age before September 1, 1969, by 9:00 a.m. to Mrs. Elms' first-grade room. Pre-registration will begin at 9:00 a.m.

Please bring the child's birth certificate and be prepared to fill out an application for enrollment card. This card must be completely filled out. When this is finished, the parent may leave. The pre-school children will stay at school the remainder of the morning and will have lunch in the school lunchroom at 11:00 a.m. They will return to the classroom at 11:30, and parents are to come to Mrs. Elms' room at 11:30 a.m. for a question and answer session. This will be an opportunity to get answers to any questions you may have concerning the coming school year, according to Grade School Principal Bill Verden.

Water Tower Is Being Painted

The water storage tower for the City of Silvertown presently is being repainted—inside and out.

This is the reason for poor water pressure during the past week. The job will not be finished for another two weeks, and city residents are asked to help conserve the water supply during this period.

Extensive work is being done on the inside of the water tower.

Assistance Asked For School Project

The Silvertown Young Farmers are hoping to raise enough money to construct restrooms at the football field before the season opens next fall. Estimated cost of the project will be \$1,200.00, and only \$500.00 is on hand to apply toward the construction.

Plans call for restrooms to be built of concrete blocks. Anyone wishing to donate to the project may do so at First State Bank or may give it to Robert Haley Hill or Guinn Fitzgerald.

Mrs. Al Shurbering and Mrs. Faye Reese of Pampa; Mrs. Foye Terry of Borger; Mrs. Willis Denham, Mrs. Gene Harlan, Mrs. Tempest Adams and Mrs. Eva Stephenson, all of Skellytown, were weekend guests of Mr. and Mrs. Wood Hardcastle.

resses or cashier. "Please help in the fight against birth defects by placing your coffee money in the donation cans Saturday morning," Mrs. Bingham requested.

Coffee Proceeds To March Of Dimes

Mrs. Agnes Bingham has announced that the proceeds of coffee sales at City Cafe Saturday morning will be donated to the March of Dimes. There will be canisters on the tables in which customers will be asked to place their coffee money instead of paying it to the wait-

State NFO Unit Organized Recently

Farmers from the northern Panhandle to the coast of Texas met at the Holiday Inn in Abilene on January 15, to discuss the problems of low prices on all commodities.

meet their problems but that strength is worthless unless it is used in an organized effort. Everyone else has found success through a strong organization whether it be the teachers, the garbage haulers or businessmen.

Four local NFO officers, G. W. Lee, John Schott, Jack Sutton and Robert H. Hill, attended. Out of the meeting, a temporary state organization was formed. Officers elected were Don Kimble of Amarillo, president; Robert Hawkins of Hart, vice president; Ron Crist of Hereford, secretary-treasurer; and one director from each county was chosen. The director to represent Briscoe County on the State Board is Robert H. Hill.

Farmers can not continue to go to the market place and say "what will you give me?" It is only natural that buyers will buy any product as cheaply as they can. And this they have done and will continue to do from individual farmers.

Members of the temporary state organization are working on a program for cotton and silage. NFO IS THE FARMERS' BEST "HIRED MAN"

Corporation farming is moving in and the reasons are simple. Prices have been so low that the youth is leaving or has left agriculture and this makes land available in large tracts. Corporations would never be interested in small tracts of land.

It should be obvious to every farmer that with everyone else organized and with volume buyers purchasing farm products, that individual farmers can not compete. They must work and act together. This means collective bargaining for American agriculture is a necessity.

The challenge to farmers is to be businessmen and put a price tag on their products together. This challenge can only be met through the NFO.

Farmers have the strength to

The NFO is not asking farmers to desert their present farm organization, but join NFO for the purpose of uniting their strength and pricing their production together.

You and Your Documentary Evidence

I guess we all know that one thing we need by age sixty is some proof of earlier accomplishments in life — that's why we're so careful about things like deeds and bankbooks. Oddly, there's one document that too many of us handle carelessly — our birth certificates, the most fundamental information about any individual. When we're born, the world notices our arrival officially by way of a birth certificate. When growing up, we may take our birthdate for granted, without realizing that nobody else can take it for granted. That's why a certain number of Americans get caught every year. They're asked to produce their birth certificates for one reason or another and are embarrassed when they can't. They just haven't paid any attention to the document over the years. So, instead of presenting it without any fuss, they have to begin a troublesome search. Of course, there are special cases. Many Americans were born abroad, and can't get back to their native lands to

run down the records. Other Americans were born in Western localities in the days when birth certificates weren't always part of the process. Then again, Americans are mobile; family documents don't always survive it. Anyway, the time to think about this documentary evidence is before a crisis develops. If you don't have a birth certificate, try the authorities who might be helpful. Write to hometown officials, or to the church where you were baptized, or to the school you attended. Try the Census Bureau in Pittsburgh, Kansas. The Social Security office has the form you need. That reference is itself a warning. When the time comes for you to collect your Social Security, a missing birth certificate can be a stumbling block. True, they're willing to consider such things as marriage licenses and military discharge papers. But why not make it easy for them — and yourself? Why not step forward with your birth certificate (a certified copy will do) in your hands?

W.S.C.S. CONTINUES MISSION STUDY

The W.S.C.S. of the United Methodist Church met Tuesday, January 21, with Mrs. J. S. Hinds presiding.

Mrs. Albert Mallow had charge of the study. "New Adventures in Missions."

Nine members, Mrs. Gordon Alexander, Mrs. Bob Hill, Mrs. G. Mayfield, Mrs. George Seaney, Mrs. Mallow, Mrs. Johnnie Plunkett, Mrs. Hinds, Mrs. Bob Sewell and Mrs. Jennie Fisher, were present.

The next meeting will be Tuesday, January 28, in the church fellowship hall.

G. H. Thomas and his daughter, Mrs. Glenn Smith, have recently returned from a week's visit with his son-in-law and daughter, Mr. and Mrs. Art Hardin, at San Diego, California. They enjoyed the beautiful weather (88 degrees one day) and the places of interest they visited during the 200th birthday celebration of the City of San Diego. Mr. Thomas is 81 years "young," and this was his first vacation and his first plane trip. "This is the only way to travel," he said of the experience.

SOUTHWESTERN HDC TO MEET IN HOLT HOME

Southwestern Home Demonstration Club is to meet in the home of Mrs. Rex Holt at 2:00 p.m. today, Thursday, January 23.

Mrs. Ware Fogerson has been a patient in Swisher Memorial Hospital. She entered the hospital Sunday.

SUNDAY'S SERMON

YOUR WORLD

The world may not be yours to command, but as far as your eye can see and as far as your voice will carry you can exert influence that one way or another affects that part of the world in which you live.

You can bring about change. All it takes is attention to the here and now. You make a better world when you help with a community project, when you come to the aid of someone in need, when you make a positive approach to any wrong or sad situation. You can offer an example in living that may help someone who has doubts, or who would lean in the wrong direction. You may be able to lift a heavy heart with nothing more than a smile.

Don't stand on the side of the road and watch your world go out into the mainstream, accept and reject, help and guide, and be a leader if you can. You and your world will be much the better for it all.

MRS. NANCE ENTERTAINS HELPING HAND CLUB

Mrs. J. D. Nance entertained the Helping Hand Club on Wednesday of last week.

Mrs. Robert McPherson presided over the business session, and officers elected for the new year were Mrs. Aubrey Rowell, president; Mrs. Frank Mercer, vice president; Mrs. Lowell Callaway, secretary and treasurer; and Mrs. Edwin Crass, assistant secretary. Games were played and an afternoon of visiting was enjoyed.

MAYTAG WASHERS AND DRYERS
 Sales and Service
 Fogerson Lumber & Supply

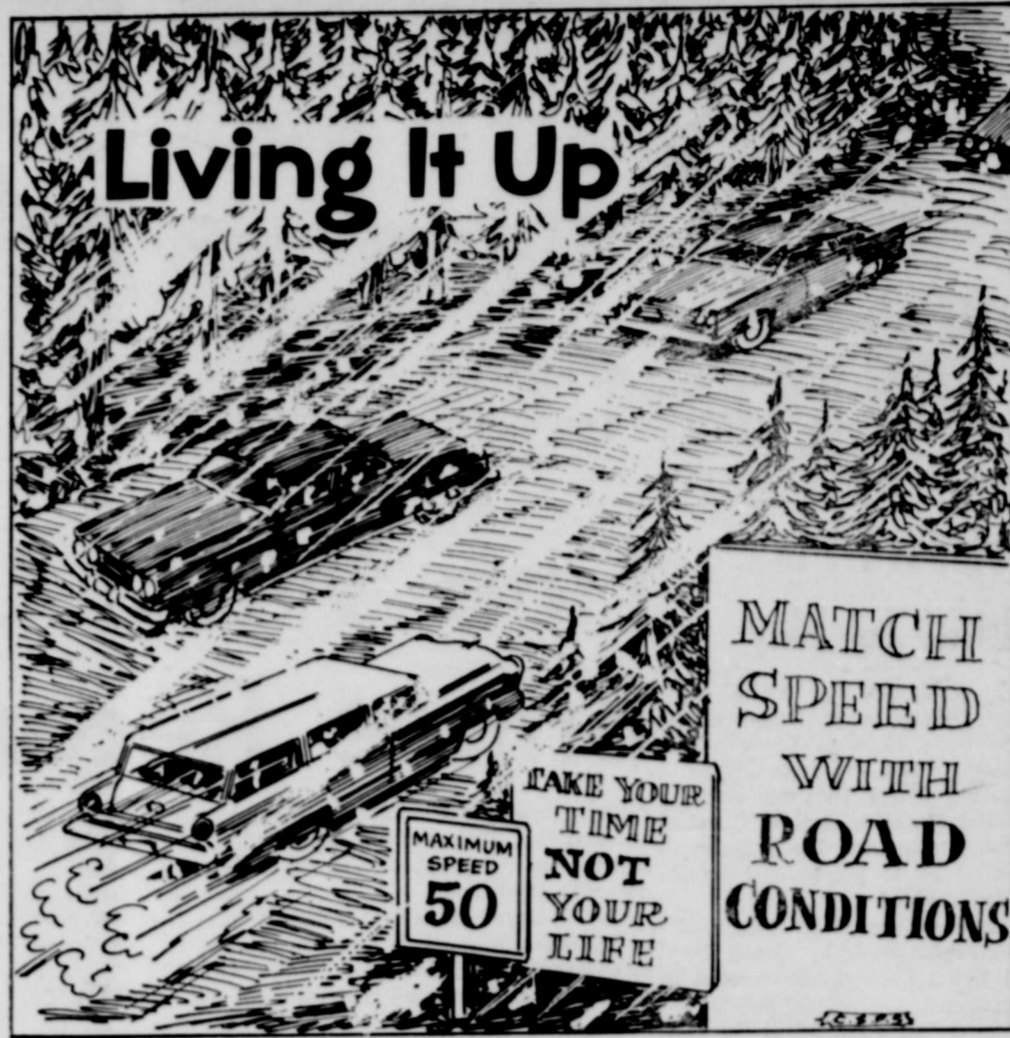

Mrs. Wade Steele and Mrs. Dan Nourse were the "lucky ladies." The next regular meeting will be February 6 at 2:30 p.m. in the home of Mrs. Aubrey Rowell.

ROCK CREEK CLUB MEETS WITH MRS. LOUDERMILK

The Rock Creek Club met on Tuesday of last week with Mrs. Nena Loudermilk.

Attending were Meses. Florene Fitzgerald, Margie Turner, Eula Shelton, Ruth West, Ruby Garvin, Ruby McWaters, Margaret Frizell, Merle Oneal, Stella Davis and Allena May. Visitors were Mrs. Willie Hill, Mrs. Annie Mae Smith and Mrs. Mildred McDaniel.

The club's next meeting will be with Mrs. Betty McPherson.

Doing Right

"I delight to do thy will, O my God; thy law is within my heart."
 — Psalms 40:8

It is not easy always to obey the Commandments of God. We can sometimes do so only when we turn aside from personal interests, from subtle prejudices, from clever temptations.

Obedience to the will of God, however, need not be complicated. In any given situation, at any given time, we need only listen to the voice of conscience.

God's will is that we do that which is right and just. . . at all times.

MRS. PAUL ALAN NEESE

Braboy - Neese Vows Exchanged In Ceremony Held In Amarillo

Mr. and Mrs. Olas Chitty announce the marriage of their grandson, Paul Alan Neese of 2122 Canyon Drive, Amarillo, to Miss Cathryn Braboy, daughter of Mr. and Mrs. Bill M. Braboy of 3304 Kingston Road, Amarillo. The bridegroom is the son of Mr. and Mrs. Paul E. Neese of Chalmette, Louisiana. Vows were exchanged at 7:30 p.m. Saturday, January 18, at St.

Andrews Episcopal Church in Amarillo, with Rev. Alan Conley officiating.

The bride was attended by her sister, Mrs. Royce Dohoney, matron of honor, Miss Janice Perkins, maid of honor, and Misses Pam Cline; Connie Neese, sister of the bridegroom; Margaret Austin; Katherine Austin; Julie Cooper, and another sister, Misty Braboy.

They wore dresses similar to the bride's wedding gown fashioned in graduated shades of blue, from royal blue for the maid and matron of honor, to medium blue for the three bridesmaids, to baby blue for the three flower girls. They carried white carnations attached to small loops of blue tulle and wore shoulder-length veils fashioned of the three shades of blue tulle caught by coronets of pearls.

Roland Posey was best man, and groomsmen were Dannie Persall, Rex Amick, Royce Dohoney and William Braboy, brother of the bride.

Seating the guests were Stephen Braboy, David Cooper, John A. Austin and Charles H. Austin.

The bride wore a floor-length gown of silver blue overlaid with white Chantilly lace. Her empire bodice was edged with seed pearls and her cathedral-length train was of matching Chantilly lace and was attached at her shoulders. Her veil of illusion was caught by a coronet of pearls. She carried a white prayer book and a bouquet of gladiolus.

A reception was held following the ceremony in the Fireplace Room of St. Andrews Church.

SHOWER

A shower honoring the couple was given in the home of Dr. and Mrs. John A. Austin.

Mrs. Allena May and Barbara were in Grapevine last week to visit Monty May, who was ill with a viral infection. Monty is attending school at Grapevine.

Mr. and Mrs. Doyle Stephens have been visiting Mr. and Mrs. W. J. Copeland and Kerry in Fort Worth this week.

FAMILY POT LUCK

If you use instant flour, measure carefully. In a recipe calling for regular sifted flour, take out two level tablespoons from each cup of flour. A full measure of instant flour in a cake or cookie recipe, which is designed for regular flour, can change the shape, texture, and flavor of the baked product.

Lean-style Canadian bacon tends to become too dry if it is overcooked. Add a little butter or margarine to the pan before cooking and cook carefully.

There's no telling how far the "convenience food" concept will go. An inventor reportedly has come up with a food package that plugs into an ordinary socket to heat up the contents.

Yearning for those summer barbecue days? Treat yourself to oven-barbecued short ribs. Brown beef short ribs, cover with barbecue sauce and bake for an hour in moderate oven.

Corn Chowder

1/4 cup butter (1/2 stick)
3/4 cup finely chopped onion

1 1/2 cups finely diced potato
1 cup water
6 salted crackers, crumbled
4 cups milk
1 No. 303 can cream-style corn (2 cups)

Salt and pepper to taste
Finely crumbled bacon, minced parsley or popcorn

Melt butter in a saucepan, add onion and cook and stir until transparent, but not brown. Add potato and water, bring to a boil, cover and simmer gently until potato cubes are very tender. Add crackers, milk, corn and salt and pepper, to taste. Heat only to serving temperature. Serve in warm soup bowls with a garnish of crumbled bacon.

Mrs. J. V. Self is a surgical patient in West Texas Hospital in Lubbock, Room 609. She entered the hospital Friday.

Ken Sarchet was in Tulia for medical attention Monday and Tuesday.

Shane Tipton Is Prize Winner

Shane Tipton, son of Mr. and Mrs. Weldon Tipton, was the only prize winner declared in the children's photograph contest sponsored by the Winston Lucas Studio of Irving, due to the small number of entries.

The children photographed were (ROW ONE) Tammi Edwards, daughter of Mr. and Mrs.

Fred Edwards; Lance Lorange, son of Coe and Mrs. Bill Lorange; and Shane Tipton; (ROW TWO) Leona Denise Anderson, daughter of Rev. and Mrs. Leon Anderson.

Mrs. Alta Wiley and daughter, Myrtice, of Friona spent Tuesday afternoon of last week with Mrs. P. D. Jasper and Dawn.

Mr. and Mrs. Bob Olive of Pecosburg visited Mrs. Belle Olive and Betty Saturday night.

Suzette Fitzgerald, daughter of Mr. and Mrs. Guinn Fitzgerald, underwent an emergency appendectomy in the Plainview Hospital Monday afternoon.

Mrs. Alvin Redin has been a patient in the Plainview Hospital and following her release has been confined to bed at her home.

Mrs. Ray Thompson has been a patient in Northwest Texas Hospital in Amarillo.

Coy LaBaume of Floydada, grandson of Mr. and Mrs. Ashel McDaniel, has been a medical patient in the Plainview Hospital.

Ted Strange has been a patient in Swisher Memorial Hospital since Friday.

"I REMEMBER" BY THE OLD TIMER

From Alfaretta Courtright, Alvin, Texas: While I watched the rice combines I remembered when my father had a threshing machine for wheat and a huller for threshing alfalfa seed. He had two engines — a steamer and a gasoline engine. He called them Hannah and Betsy. I do not recall which engine drove which machine or which was Hannah or which Betsy.

I remember helping my mother fill the water jugs for the men to take to the field. They were wrapped with gunny sacks, wet to keep the water cool.

I remember at the close of the day we went to meet them. The men let my sister pull the cord on the steam engine to blow the whistle. The harder she pulled, the louder it blew and the louder it blew, the harder she pulled, because she was so scared.

PAINFUL CORNS?
AMAZING LIQUID RELIEVES PAIN AS IT DISSOLVES CORNS AWAY
Now remove corns the fast, easy way with Freezone. Liquid Freezone relieves pain instantly, works below the skin line to dissolve corns away in just days. Get Freezone...at all drug counters.

Then, there's that once a month when a girl could use a good old-fashioned medicine.

Maybe you feel just plain bad then. Or maybe a little lonely and sad, like you could use a pair of arms around you.

Well, we have just the thing for this once a month time. Lydia E. Pinkham Tablets. They're made with gentle, natural ingredients, including one that works to help relax tightened muscles that give you cramps. Plus a little iron that a girl could use at a time like this. And, you don't run any chance of the kind of unpleasant side effects you could get from some of the newer drugs.

With an old-fashioned problem like this, couldn't you take an old-fashioned medicine.

Lydia E. Pinkham

PLAN TO ATTEND!

PLEASE USE THE PARKING LOT AT THE SOUTHWEST CORNER OF HIGH SCHOOL BUILDING AND ENTER THE CAFETERIA FROM THAT SIDE OF THE BUILDING.

Your attendance will not only be appreciated but also personally rewarding.

Briscoe Spelling Bee Director Named Here

Bill Verden, Principal of the Silverton Elementary School, is the 1969 Spelling Bee Director for Briscoe County. Sometime before April 1, the Briscoe County Bee will go to Amarillo April 19, 1969, for the annual regional elimination for the National Spelling Bee.

Last year, Joan Cross, daughter of Mr. and Mrs. G. W. Lee, was the Briscoe County Champion and placed tenth in the Regional Bee. The champion was a seventh grade student in Silverton Junior High.

The 1969 Golden Spread Bee will be co-sponsored by West Texas State University and the Amarillo Globe-News. L. J. (Jack) Edmondson, West Texas State University Director of Public Services, will be Bee Director for the Golden Spread. Again there will be a unique secondary contest—the Junior Spelling Bee, open to contestants from the sixth and lower grades.

Jana Cross, also the daughter of Mr. and Mrs. G. W. Lee, was the County Junior Champion for 1968. She was a sixth grade student in the Silverton Schools.

First place winner in the Golden Spread Bee will go to Washington to participate in the National Spelling Bee, scheduled for June 2 through June 7, 1969. The Washington trip includes several sight-seeing trips and entertainment, the annual Bee banquet and presentation of awards. The Golden Spread winner will also receive a traveling plaque, carrying the names of all Regional winners since 1949, to be placed in his or her school.

Other outstanding prizes for top contestants include a Zenith portable television, a 24-volume set of Encyclopaedia Britannica, several copies of the Lincoln Library a Britannica World Atlas and cash prizes.

Each County Champion receives an engraved plaque and gold pin. Each County Junior Champion is given a trophy and a silver pin during the intermission at the Regional Bee (but there is no regional contest among the juniors; they are merely guests of the Globe-News for the annual Spelling Bee luncheon to be held at the Amarillo Country Club.)

In the school contests each winner receives a Paper-Mate pen, inscribed "School Champion."

This will be the 42nd year for the National Spelling Bee, sponsored by newspapers throughout the 50 states, and the 21st bee sponsored by the Amarillo Globe-News.

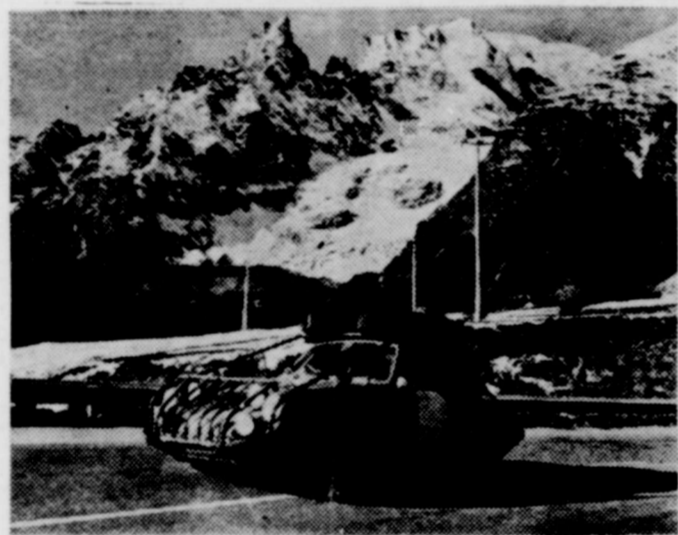

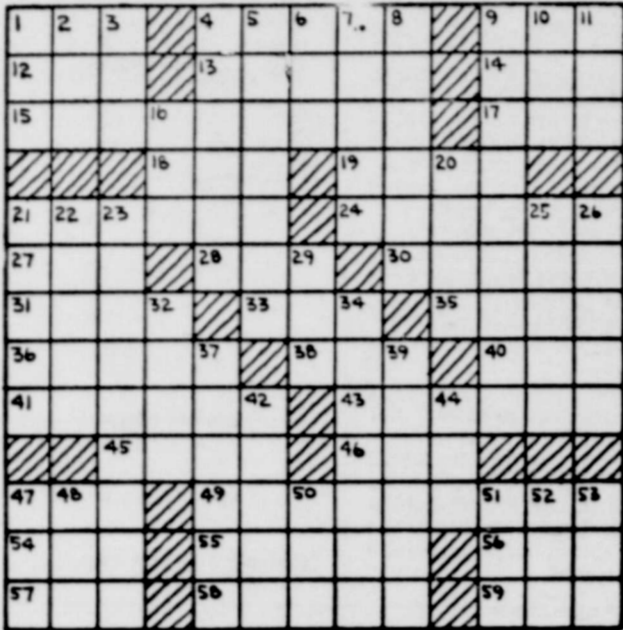

"Words of the Champions" may be ordered from Mr. Edmondson, P. O. Box 728, W. T. Station, Canyon, Texas 79015. Price 20-cents each.)

ALONG THE MARATHON ROUTE . . . North Aosta, Italy: Drivers T. Hunter and J. Davenport had a glimpse of this magnificent view as they participated in the 10,000 mile marathon race from London to Sydney, Australia. The view is of Mount Blanc and was seen near Aosta, Italy by the men driving car No. 59, a Porsche 911.

MRS. GARRISON HOSTS GOOD SAMARITAN CLASS

Mrs. Gabe Garrison was hostess to the Good Samaritan Sunday School Class of the First Baptist Church in her home Friday, January 17, at 2:30 p.m.

The meeting was called to order by the vice president, Mrs. C. O. Allard, and Mrs. Mary Rampley led the opening prayer.

Mrs. H. S. Crow, class secretary, read the minutes, which were approved by the group. The treasurer's report was read and adopted.

A program, "Daily . . . Follow Me," was given by Mmes. W. E. Scott, H. C. Mercer, Belle Olive, Jennie Fisher, J. E. Wheelock, and W. H. Tension.

Mrs. J. C. Rhoderick discussed "The Most Important Thing In Life." The Bible scripture was from Luke 9:23-26. Mrs. Rhoderick also discussed the novel, "In His Steps," by Charles M. Sheldon.

The meeting was closed with a prayer by each member.

Mrs. Garrison served angel food cake, strawberries with whipped cream, sandwiches, tea cakes, spiced tea and coffee to Mmes. Tomlin, Wheelock, Tension, Rhoderick, Rampley, Schott, Perry, Olive, Crow, Mercer, Howard, Allard, and Mrs. Fisher, who was a guest.

Mrs. H. C. Mercer will be hostess for the next meeting, which will be held on February 21, at 2:30 p.m. at her home.

Dr. and Mrs. Frank B. Duncan of Amarillo have been recent guests of Mr. and Mrs. Wood Harcastle.

Smith Named Agent In Oklahoma County

James M. Smith of Guymon, Oklahoma, son of Sheriff and Mrs. Vinson Smith of Silverton, has been named the Extension agent for 4-H programs in Texas County, Oklahoma.

Smith graduated from Texas Tech in 1964, and served 2½ years as the Moore County 4-H Agent. During the past two years, he has been associated with the Monsanto Agriculture Center at Guymon.

He will have headquarters in the new Texas County Extension Center in Guymon.

CLIFFORD DAVIS APPOINTED TO BOARD OF TRUSTEES

Clifford L. Davis of Amarillo, son-in-law of Mrs. J. H. Burson, who is personnel director for the City of Amarillo, was re-appointed Saturday to the board of trustees of the Texas Municipal Retirement System by Governor John Connally. He was first appointed to the position January 1, 1960, on the recommendation of State Senator Grady Hazlewood of Amarillo.

The board of trustees is responsible for the general administration of the state municipal retirement system.

Briscoe County News

SILVERTON, TEXAS

"FOR ALL YOUR PRINTING NEEDS"

State Capital NEWS

By Vern Sanford

STIN, Tex.—Sponsors of unsuccessful 1968 efforts to legalize by the drink in Texas will another tack this session. Joe Christie of El Paso and Cletus Davis of Houston will propose that a constitutional amendment on the question of bars be submitted to Texas voters.

But he and Representative Davis are bound to hear arguments that while a referendum on the subject won over a majority of voters in the 1968 primary election, the majority came from big-city residents, and less counties went for the proposition than against.

TAX POLICY RECOMMENDED

since Gov. Preston Smith used the constitutional-amendment approach in his campaign platform and the State Republican Party platform, he is expected to support the Christie plan.

Texas Committee on State and Local Tax Policy, headed by the House Tax and Revenue Committee Chairman Ben Atwell of Dallas, came out with some suggestions for providing the \$343 million or so the state will need in new revenue over the next two years, but said it would not make formal recommendation.

Possible sources listed include personal and corporate income taxes, increasing the 3% state

sales tax, removing the sales tax exemption on food and taxing certain services. Committee estimated that a modest personal-income tax (such as Oklahoma's) alone would reach some \$370 million a year.

JOB EDUCATION PLANS TOLD

Senate Committee on Vocational Technical Education has proposed a broad program for expanding vocational and technical education in Texas.

Nine key recommendations of the committee, which conducted a series of public hearings include: Updating and expansion of public school programs together with technical and technological education and pre-vocational instruction; placing the administration under a Deputy Commissioner for Occupational Education and Technology under Board of Education; creation of an advisory council of 21 on vocational education; continuation of James Connally Technical Institute near Waco and creation of several other similar institutions; adequate funding for school and junior college job programs; counselor training; a co-operative secondary junior college program; licensing and regulation of private trade schools and continuation of the Senate study committee.

SPECIAL ELECTION TALK

After the Legislature began recovering from the shock of the death of Rep. Dave C. Howard of Uvalde, speculation started about possible candidates for his 49th District place in the House.

Representative Howard died in Austin of a heart attack after the first day of his second session in the Legislature. Lt. Gov. Ben Barnes said, "I knew him as a dedicated public servant, fine gentleman and friend who will be missed in legislative halls." Governor Connally called him "a man of high honor and integrity."

Talk was strong in Austin that Dolph Briscoe of Uvalde, prominent rancher who ran unsuccessfully last year for governor and a former House member, will file as a candidate for Howard's vacant place in the special election on Tuesday, February 11. But Briscoe would not make an official comment.

TEXAS WATER PLAN

House Water Study Committee headed by Rep. Bill Clayton of Springlake will ask the rest of the Legislature to submit a \$3.5-billion bond issue to Texas voters, to help finance the Texas Water Development Board's \$10-billion Texas Water Plan.

Committee will make a general endorsement of the statewide water plan and has asked the private, non-profit Texas Research League to make a study of some sort of special tax which could be levied and dedicated to paying interest and principal on Water Development Board bonds while they are waiting for water uses to develop and help pay off the loans.

VENDING CURBS EYED

Amusement vending machine operators should be licensed and prohibited from lending money to tavern keepers, a House Investigating Committee maintains.

Committee urged tough curbs on vending machine firms and taverns. Applicants for beer licenses would be screened to cut out those who have been convicted of felonies and certain types of misdemeanors in the last five years. Vending machine concerns could hold no interest in taverns or lease premises to them.

SHORT SNORTS

Comptroller Robert S. Calvert estimates that lawmakers will have more than \$1.2-billion in general revenue to spend on operations for the next two years. Texas ranks 46th nationally in the average amount of aid to families with dependent children, 35th in aid to the blind, 32nd in

Orville B. Turner Receives Commission

Orville Baker Turner, son of Mr. and Mrs. Orville Turner of Silverton, was commissioned as a

second lieutenant in the U. S. Army in a ceremony held in the student union building on the campus of West Texas State University on January 17.

Turner has completed the requirements for a degree, which he will receive at the spring convocation.

Mr. and Mrs. Orville Turner and Mr. and Mrs. Obra Watson were among those who attended the commissioning ceremony in Canyon.

Mr. and Mrs. H. F. Sarchet of Tullia visited in the Charles Sarchet home Tuesday afternoon.

IT'S AN IDEA HOME DECORATIONS

Family room adjoining a kitchen is handsomely furnished with plumb, upholstered pieces including chair and sectional sofa featuring button-tufted backs. Ottoman offers an extra measure of comfort as well as additional seating when needed. Upholstery is easy-care vinyl, one of many fabrics available in a wide range of colors and patterns. Matching stools have been used at the breakfast bar.

New Math Teacher Starts Semester

Thomas (Tom) Pearson filled the vacancy in the high school math department created by the resignation of James Ross Alexander at mid-term.

Mr. Pearson came here from his home town, Berger, where he did electron-microscope research for the J. M. Huber Corporation.

He attended Frank Phillips Junior College two years on a basketball scholarship. He completed the rest of his work for a degree in mathematics, with minors in physical education and physics, at West Texas State University and received his B.S. degree in May 1968.

Mr. and Mrs. Pearson and their daughters, Shelly, 6, and Michell, 2½, live on the True Burson farm southeast of Silverton.

REPORT CARD WITH A "G"

Greetings to the glowing parent whose gentle guidance led his child through the grueling grind to bring home a gratifying grade card. Green onions to the glowering giant whose frightened child failed in the grueling grind to make the grade. Make sure the guiding hand is gentle as it points the way to go.

SENIOR CLASS NEWS

Members of the Senior class met Monday, January 20, with Paul McWilliams presiding.

Tom Pearson was elected to serve as class sponsor, to fill the vacancy created by the resignation of James Ross Alexander.

from HISTORY'S SCRAPBOOK

DATES AND EVENTS FROM YESTERYEARS

The California gold rush began, January 24, 1848. The United Nations atomic energy commission was created, January 24, 1946.

The first trans-U.S. telephone call, San Francisco to New York City, was made, January 25, 1915.

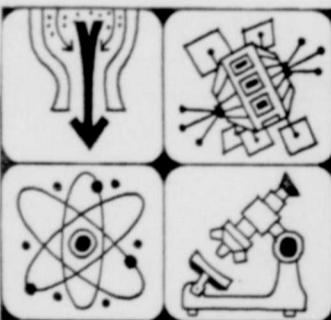

Daniel Webster championed federal authority in secession debate, January 26, 1830.

U. S. aviators bombed Germany for the first time, January 27, 1943.

Hitler became chancellor of Germany, January 28, 1933. The Inter-America conference of foreign ministers was held in Rio de Janeiro, January 28, 1942.

First woman governor of a state, Miriam A. Ferguson, was installed as governor of Texas, January 29, 1925.

Hitler repudiated the Treaty of Versailles, January 30, 1937.

WHAT'S NEW IN SCIENCE

OUR ROCKETING COMPUTERS—If rockets had improved as fast as computers we would have been to the moon years ago. The operating speed of computers has increased from "milliseconds" to "microseconds" and now to "nanoseconds." "Nanosecond" is the time it takes electricity traveling at more than 186,000 miles per second to go one foot. And, soon, computer speed will be measured in picoseconds—a millionth of a millionth of a second, or the time it takes electricity to travel the width of a fingernail.

THE HEART OF THE MATTER—For the first time, doctors are able to see a patient's heart and other organs in their natural three-dimensional state without surgery or special glasses. Instead, a "stereo fluoricon image intensifier," which uses two X-ray beams instead of one as in conventional equipment, will be the only instrument needed.

THE DOME PEOPLE—To combat overcrowded, under-serviced and air polluted conditions, scientists at Tempo, General Electric's Center for Advanced Studies have proposed that cities be built under large plastic domes. It's estimated that about 150,000 people could be housed in under the plastic cover.

LIVING ON THE OCEAN FLOOR—Early in 1969, four U.S. scientists will live and work on the ocean floor for 60 days. Their underwater habitat will be a twin chamber home-laboratory from which they'll make detailed studies of conditions under the sea.

THE CONTINENTAL DIVIDE—A new mineral-dating technique shows that North and South America are "drifting" farther away from Europe and Africa. Rocks were taken from a split in the floor of the Atlantic Ocean and it was found that samples from the center of the split were younger than samples from surrounding regions. This suggests that the ocean floor is expanding on both sides of the split, slowly pushing the continents apart.

LUNCHROOM MENU

Thursday, January 23
Pork steaks, gravy, broccoli, mashed potatoes, rolls, butter, jelly salad, milk

Friday, January 24
Hamburgers, potato chips, applesauce cake, milk

Monday, January 27

News Wanted

The editors of THE OWL'S HOOT have requested that everyone connected with the school feel free to submit news to the student newspaper.

Teachers, both high school and grade school, are asked to cooperate by submitting their news to the staff no later than Friday of each week.

Amusing incidents, articles, stories, etc. will be accepted from anyone who feels they would be interesting to the public.

Turn in your news contributions to either of the editors or to Mrs. O. C. Rampley, OWL'S HOOT sponsor.

HALF-PAST TEEN

I STARTED BY PLAYING AND SINGING "UP, UP AND AWAY," AND THE ENTIRE AUDIENCE GOT UP AND WENT AWAY.

Well, What Do You Know?

fun, games and knowledge

by MARTHA GLAUBER SHAPP, Editor, The New Book of Knowledge

Why doesn't a spider get caught in its own web?

The spider never gets caught in its own web for two reasons. The chief one is that a spider runs along its web on the dry silk threads. It avoids the sticky, insect-catching ones. Also, a spider's body is oily, and the oil helps to keep the spider from sticking.

If you had artificial wings could you fly like a bird?

Man is specialized for life on the ground. In order to fly with artificial wings a man would have to be built somewhat like a turkey! Birds' entire bodies are specialized for flight. They have extremely large and powerful breast muscles to move their wings, and a keel-like projecting breastbone to give these powerful muscles a firm attachment. Birds are also light in relation to their size; much of their bulk consists of feathers. Hollow bones further cut down total body weight.

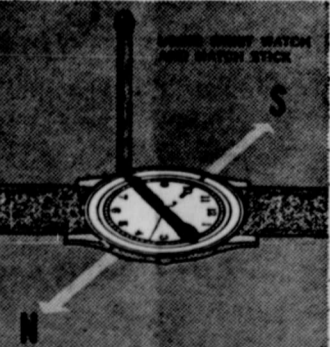

How big is an atom?

Atoms are so small that they cannot be seen even under the most powerful microscopes. An atom is smaller than anything you can imagine. Even a speck of dust is gigantic when compared to an atom. About 25,000,000 atoms placed side by side would stretch only across the head of a pin. Compared to anything in the everyday world, an atom is also

extremely light. It would take 1,000,000,000,000,000 (a billion billion) uranium atoms to weigh an ounce!

Can a watch tell you more than just the time of day?

Your watch can also be a direction guide, you can find North by using your wrist watch. Place your watch face up on the ground.

Place a short stick (a matchstick will do) upright at the edge of the watch. Turn the watch carefully until the hour hand and the shadow of the stick coincide. Halfway between the shadow and 12 o'clock will be South for people in the Northern Hemisphere. North will be opposite South. If you live in the Southern Hemisphere, halfway between the shadow and 12 o'clock will be North.

(For a free booklet, "The Magic Carpet," illustrated in color from The New Book of Knowledge, send name and address to Martha Glauber Shapp, Box 47, Putnam Valley, New York 10579.)

New Semester Resolutions

Gail Mayfield—to keep her locker clean

Paula Birdwell—not to break her finger again

Faye Rampley—to let Cathy play 'typewriter bridge' at least once

Roy Garrison—to go to Quitaque less

Theresa Martinez—to try to get a boyfriend

Ricky McWilliams—to try to get a girlfriend

Gayla Tate—to get 20 Senior rings like Pam Hutsell

Cathy Jones—to make an A in algebra for a change

Nicky Long—not to talk in five minute writings

David Holt—not to chew gum in Mrs. Hodgins' class

Kerry Reeves—to stay away from the lounge a little more

CALENDAR OF EVENTS

Jan. 24—varsity basketball at Clarendon, 6:30 p.m.

Jan. 28-Feb. 1—Fort Worth Stock Show

Jan. 28—varsity basketball with McLean, here, 6:30 p.m.

Jan. 30—Jr. High basketball here, with Wheeler, 6:00 p.m.

Jan. 31—varsity basketball at Wheeler, 6:30 p.m.

New Student Enrolled Here

The students of Silverton High are happy to welcome Cindy Hutsell to our school. She previously attended Battle Abbey School in England.

Cindy enjoys eating Mexican food and likes Mexico. Her favorite pastime is riding around, and her pet peeve is school.

CANDY

BY TOM DORR

THE WEEK'S LETTER: I read a letter in your "For and About Teenagers" where a girl was going with a boy who was 17, while she was 15. Her parents wouldn't let her date or go steady. They said they loved each other and she did not know what to do. I have some news for her. I am also 15 and was going with a boy who is 18. I thought I was in love with him and he said he loved me. We went together, broke up and went together again. My sister finally told him to stay away from me and he took her advice. We were broke up less than two weeks before he was engaged to another girl. I hurt

for a while, but I got used to it. Please tell this girl, and others in the same situation, to wait until they have their parents permission, or they are of age, before they get too serious and too involved with an older boy.

OUR REPLY: Good advice, based on experience. The boy could not have been very serious, or very heartbroken if he was engaged to someone else in so short a time.

If you have a teenage problem you want to discuss or an observation to make, address your letter to FOR AND ABOUT TEENAGERS, COMMUNITY AND SUBURBAN PRESS SERVICE, FRANKFURT, KY.

Six Young Texans Claim State 4-H Honors for Variety of Skills

Elocutionary and photography experts, a dog named Princess and her mistress, a baker of tasty oatmeal bread and a collector of insects in pecan trees . . . those are the reasons six young Texas 4-H'ers won top state awards. The awards included trips to the recent National 4-H Congress in Chicago, a transistor radio and \$50 bonds.

Miss Kunze

Miss Malmstead

A dog named Princess and a 15-year-old miss from Brazoria County named Sheri Kunze combined to win the top state award in the 4-H Dog Care and Training program.

The daughter of Mr. and Mrs. R. Kunze, 402 E. Dumble st., Alvin, Sheri was given a transistor radio for her efforts by the Ralston Purina Company.

A city girl, Miss Kunze has been raising her pet Collie for two years and has taught her a variety of tricks that have won several blue ribbons.

One of the most important things she has learned, besides how to select a dog, feed, groom and care for it, is "that if you have a problem, no matter what kind, if you work hard and long enough you can solve that problem." Her problem was getting Princess to like people.

Although she is still a high school student, she hopes someday to go on to college to become a teacher herself, not of dogs necessarily but of students.

The baker of the delicious oatmeal bread is Cheryl Laws, 16, of Austin in Travis County. She, Brenda Malmstead, 17, of New Braunfels, Comal County, entomology expert, and Phyllis Zuehlke, 19, San Angelo, photographer, won trip awards to the recent 4-H Congress.

Their adventures to the Windy City were filled with tours of museums and Chicago's Christmas-sparkled streets, concerts and panel discussions.

With her tasty bread and her long record of work in foods and nutrition, Miss Laws, daughter of Mr. and Mrs. Preston Laws, mixed up a batch of ribbons and other recognition for her project in the area of bread.

She said about her oatmeal concoction which won the prize this year, "My oatmeal bread, of course, has oatmeal, but also molasses and eggs." Her congress trip was sponsored by Standard Brands Incorporated.

Picking the area pecan trees for people in the vicinity of Miss Malmstead, daughter of Mr. and Mrs. Ralph Malmstead. She won her award in entomology, and for it she collected and mounted more than 120 insects indicating 25 different orders.

Until she entered a biology course in high school, she said, "I had a typical girl's fear of bugs. A bug! Ugh! Get it away from me!" Later, however, she

Miss Laws

Miss Zuehlke

appeared on television and contributed to a research study on the casebearer, plague of the provincial pecan tree. She was the congress guest of Hercules Incorporated, 4-H Entomology sponsor.

Phyllis Zuehlke, 19, of San Angelo in Tom Green County, was the Lone Star State award winner in photography. Her congress trip was provided by Eastman Kodak Company.

The daughter of Mr. and Mrs. William Zuehlke, she is a freshman at Angelo State College. Miss Zuehlke uses photography both as a hobby and as a scientific adventure.

She sums up her experience with photography as "a means of expression. A good picture relates not only an event, but also the accompanying mood and impressions," she said. "A photograph can depict beauty, emotions, drama and excitement."

The winners were selected for their honors by the Texas A & M University Cooperative Extension Service.

Emergency

*What do you do
when you can't wait?*

WHEN A CRISIS COMES

- ... and you need a prescription filled at midnight
- ... or your plumbing starts leaking
- ... or your car won't start
- ... or you run out of clean shirts
- ... or when the cupboard or the baby is bare

DO YOU saddle up and take a day off to get the matter taken care of in the City, or do you write to a catalog house for help?

OF COURSE NOT. Likely you hardly recognize these and similar predicaments as crises.

Because YOU'VE GOT NEIGHBORS, right here at home ... with their skill and their money invested in establishments able to take most of your troubles on their own shoulders so quickly

that you scarcely notice they are difficulties at all.

But HOW MANY skilled craftsmen, and good business men, and good neighbors, and good workers in civic and church affairs, and good taxpayers ... how many of these have cut down their stocks, laid off employees, or left the country ... because all you were buying from them was the things you couldn't wait to get somewhere else ... and how many will leave in the future to go where your money is going?

CARDS OF THANKS

I would like to thank everyone who has shown through so many acts of kindness to my family and myself during my hospital stay and since my return home. Words cannot express our deep appreciation and may God bless each of you. Sincerely, Hugh

Thank you for the flowers, cards, visits, and every expression of interest while I was in the hospital and since I've been home. Your friendship means a lot at a time like this. Agnes Bingham

I would like to thank the Silverton merchants for buying my 4-H Club barrow at the Amarillo Fat Stock Show. Todd McJimsey

It is our pleasure to express our thanks to each and everyone for the wonderful gifts at Christmas time. Thanks also to Mr. and Mrs. Mart Self for the dolls they gave our grandchildren. May God bless you and keep you. Mr. and Mrs. Joe Gallington and family

We would like to thank everyone who helped Karen when she fell off the monkey bars at school. Mrs. Riley Ziegler

I would like to say thank-you to the Silverton Merchants who purchased my calves. Derrell Martin

We want to express our appreciation for the many kindnesses shown us during our bereavement. The cards, flowers, messages of sympathy, food and every act of kindness will always be remembered. The family of Bill Bingham

We want to thank our friends for the kind things that were done for us in the loss of our sister. For the cards, flowers, telephone calls and food. May God bless you. Bailey, LaNelle and Sylvia Hill Ralph and Janice Hill

We want to say thank-you to our friends for the flowers, cards, telephone calls and every expression of interest while we were at the hospital. Your kindness and thoughtfulness are greatly appreciated. Mr. and Mrs. J. A. Wellman
