

## All Around the Town

by Mary Ann Sarchet

It is a much-publicized fact that the declining economy in the rural areas is an important contributing factor to the overcrowded conditions in the cities today. Problems just naturally go where the people go. Why, then, are so many of our elected representatives so anxious to contribute further to this situation by making life impossible in the rural areas?

In the redistricting which took place, people in sparsely populated areas lost representation; and now, it seems, every time we turn around, the city people—who gained representation when we lost it—are trying to do a little more to insure the complete death of small towns. (The death of small-town businesses really isn't always too hard to bring about due to their small margin of success, anyway.)

The city people have been flexing their muscles with the recommendations of the Governor's Committee on Public School Education. This, of course, has brought a tremendous amount of opposition from small-town people, and why shouldn't they protest? They are fighting for their very lives and the right to continue living and raising their children in the less densely populated surroundings!

School consolidation is the means through which the rural students will have opportunities in education similar to those enjoyed by their city counterparts; but I have decided that compulsory consolidation is not the way it should be accomplished.

Another bill went into subcommittee in Austin recently, presented by a representative from Fort Worth, which would put legal notices on radio and television rather than having them published in newspapers of general circulation. I think the radio people are thinking with their pocketbooks on this matter rather than with any compassion toward the common man—you and me. Most of us have trouble with legal terminology, and in order to understand legal notices, it is often necessary to re-read certain parts of them. Some are almost impossible even with study.

State Senator Jack Hightower was quoted in regard to this as commenting that it would be best, if this bill passes, to also provide printed copies of legal notices which had been read on the radio. Isn't this an admission of the ineffectiveness of that news media if the printed word is necessary? And what about the extra expense of having copies duplicated and sent out to the people? Anyone who mails today knows about the rising postal costs, and knows how expensive that is.

Most small towns have their own newspapers, but lots of counties don't have radio or television stations. Do we all listen to the same radio and television stations? How many are like me and listen to the radio for music when traveling, but usually don't tune in a radio station any other time than to listen for emergency announcements?

People who have lived their entire lives in big cities cannot comprehend life in a rural area. They are oriented to an entirely different way of life, and they probably wouldn't be any happier living here than we would be living there. They don't understand our point of view because they don't understand our way of life. And they are doing their best to make us live like they do, when that is in no way practical or possible!

## Mrs. Fleda Haun Buried At Plainview

Funeral services for Mrs. Fleda B. Haun, 80, were conducted at 2:30 p.m. Friday in the First Methodist Church in Plainview. The Rev. W. A. Appling, district superintendent of the Methodist Church, officiated. Burial was in the Plainview Cemetery.

Mrs. Haun, a long-time Plainview resident, died Thursday morning in the Plainview Hospital.

A native of Mendenhall, Mississippi, Mrs. Haun came to Plainview in 1910, and was married to J. N. Haun on April 10, 1921, at Hale Center. She was a retired school teacher, a member of the First Methodist Church and a lifetime member of the Woman's So-

VOLUME 61 NUMBER 11

## Daniel Geron Shelton Buried Here Tuesday

Funeral services for D. G. Shelton, 64, were conducted at 2:30 p.m. Tuesday in the United Methodist Church here, with the pastor, Rev. Bob Sewell, and Earl Cantwell, minister of the Rock Creek Church of Christ, officiating.

Pallbearers were Bryant Eddie-man, Winston Hamilton, Jack Strange, H. B. Simpson, Loyd May and A. Deisher. Burial was in the Silvertown Cemetery, with arrangements directed by the Silvertown Funeral Home.

Mr. Shelton died at 7:05 a.m. Sunday in St. Anthony's Hospital in Amarillo, where he had been a patient for ten days.

Born November 1, 1904 in Lamar County, he was the son of the late Mr. and Mrs. William T. Shelton. He moved with his parents at the age of one year to Quail in Collingsworth County, and it was there that he grew to young manhood. In 1924 he moved to Quitaque, where he met and married Miss Eula Frances Turner on June 28, 1928.

To this union were born nine children, six sons and three daughters. The family came to make their home in the Rock Creek community west of Silvertown on January 1, 1933. They reared their family there, and Mr. Shelton farmed in that locality the remainder of his life. He was forced into semi-retirement by ill health, but continued to be active until a few weeks ago when he became severely ill.

Survivors include his wife, Eula of the home; six sons, Calvin of the home, Haskell, Dan and Paul of Amarillo, Edd of Tulla and Joe of Seagraves; three daughters, Mrs. Inette Johnson and Mrs. Virginia Thornton, both of Tulla, and Mrs. Martha McJinsey of El Paso; two brothers, Reid Shelton of Santa Cruz, California and Temple Shelton of Claude; a sister, Mrs. E. W. Leuty of Lubbock; and 14 grandchildren.

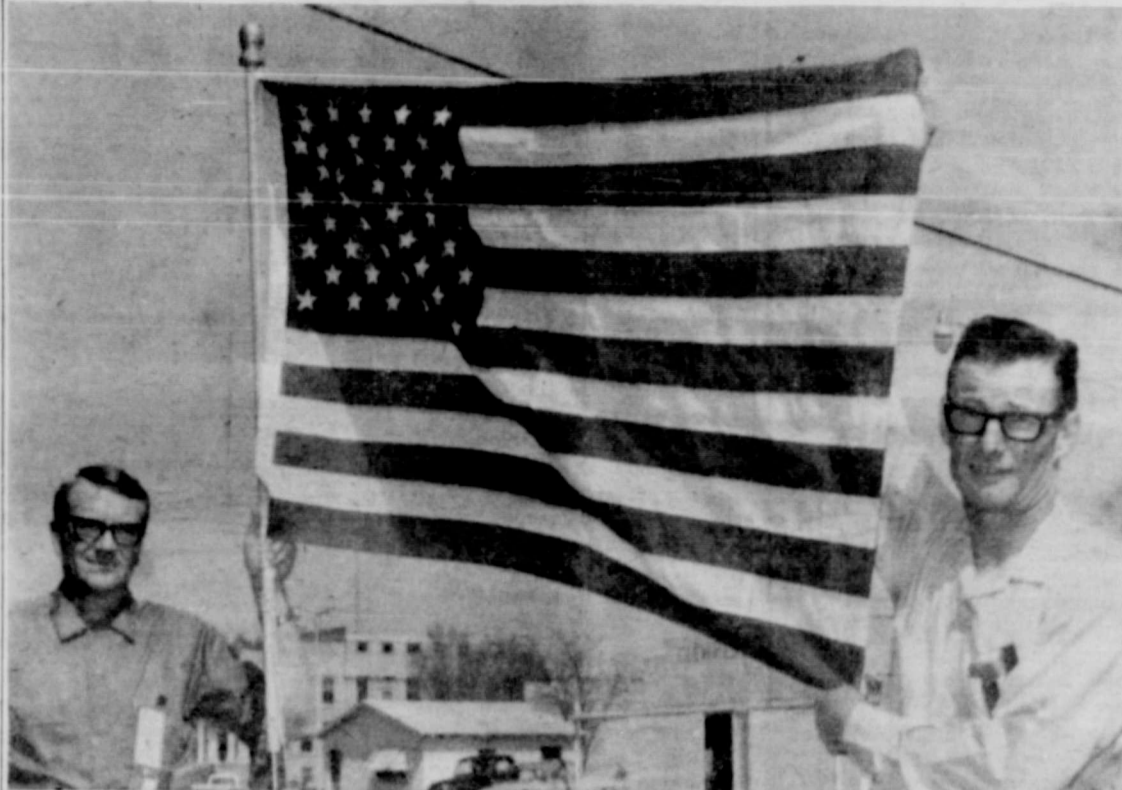

Mr. and Mrs. R. D. Wheelock of Canyon visited Mr. and Mrs. J. E. Wheelock Sunday afternoon.

ciety of Christian Service.

Survivors include a daughter, Mrs. Aloha Fisch of Silvertown; two sisters, Mrs. Frank Stultz of Plainview and Mrs. Seth Campbell of Kermit; two brothers, John and George, both of Kerrville; and two granddaughters, Linda Fisch and Mrs. Barbara Banister.

Pictured are the trophies to be awarded to the champion, for second place and to the winner of the consolation bracket in the Silvertown Outsiders' Volleyball Tournament to be played here March 18-20-21-22. Entries must be registered with Mrs. Pat Edwards by Friday, March 14.

Troy Jones and Kenneth Tate display one of the new American flags which have been purchased by the Silvertown Lions Club. Available for home or business, the flags will be rented for \$10.00 a year and Lions will put them out and take them in on legal holidays, and will store them between holidays. (Briscoe County News Photo)

## Mrs. Rampley Listed On Dean's Honor Roll

Southwestern State College, Weatherford, Oklahoma, has released its Dean's Honor Roll for the first semester, and includes the name of Mrs. Ricky June Rampley.

Mrs. Rampley is the daughter of A. T. Bingham of Silvertown and is the wife of Dwight Rampley, a pharmacy student at Southwestern. She is a Freshman in the School of Business.

## Rock Creek Club To Meet March 18

Rock Creek Club is to have an all-day meeting in the home of Ruth West on Tuesday, March 18.

## HELPING HAND CLUB MEETS IN CALLAWAY HOME

The Francis Helping Hand Club met March 6 in the home of M. dean Callaway.

Those present were Betty McPherson, Zoe Steele, Lois Nance, Lorene Crass, Mae Rowell and the hostess. The afternoon was spent visiting and doing handwork.

The next meeting will be March 20 in the home of Lorene Crass.

## Annual Meeting Set In Tulla Saturday

Clyde Ellis, "Mr. Rural Electrification," will be the principal speaker at the 29th annual membership meeting of Swisher Electric Cooperative, Inc., Saturday in Tulla. Mr. Ellis is a former manager of the National Rural Electric Cooperative Association.

Over 1,000 members and guests are expected from the Panhandle area.

The day's events will begin with registration and a pole auction beginning at 9:00 a.m. and a free barbecue for members and guests at 11:00 a.m. Also at 11:00 a.m., an art show, sponsored by Kenneth Wyatt, Tulla artist, will be judged. Election of directors will be held. Nominees for three year terms are: Position 1—Ben Boston and George Denny; Position 2—Emmitt Pittman and O. V. Wilson; Position 3—Leroy Francis and L. D. Young.

## H. B. Stubblefield Riles This Afternoon

Howard B. Stubblefield, 64, a retired Church of Christ minister, died at 7:15 a.m. Tuesday in a Plainview hospital where he was taken Monday morning. Ill for ten years, he had resided in a Plainview convalescent home the past four months.

Funeral services are scheduled for 2:00 p.m. Thursday at the 9th and Columbia Streets Church of Christ in Plainview. Officiating will be Jimmy Wood of Dallas, and Joe Dale Wilson, assistant minister. Interment will be in the Plainview Memorial Park.

Born March 2, 1905 at Decatur in Wise County, Mr. Stubblefield spent his boyhood at Bridgeport and Chico. He was trained in the ministry at Thorp Spring Sabinal Schools in 1922 and began preaching at Bridgeport and then at Pecos. He did some ministerial work at Jal, New Mexico and Silver City, New Mexico while living at Pecos.

Mr. Stubblefield was then minister for Churches of Christ at Seagraves, Seminole, Sundown, Lazbuddie, Springlake, Claude, Stinett, Silvertown and Calera, Oklahoma. He moved to Plainview almost 15 years ago and did special ministerial work there until he became ill. In addition to the churches he served, he assisted 15 others in meetings.

Survivors include his wife, two sons, a brother and a sister.

Mr. and Mrs. Ira Ricketts of Hereford spent Thursday night and Friday of last week with her brother-in-law and sister, Mr. and Mrs. Dee Garvin.

## Volleyball Tourney Goes Into Second Round Here Tonight

The Silvertown High School Student Council Volleyball Tournament goes into its second round of play at the local gym beginning at 6:30 p.m. today.

Leading off the action will be the Sophomore and Freshman Boys followed by the Junior Girls vs. Silvertown Metal Works at 7:00 p.m.

The Junior and Senior Boys will meet at 7:30 p.m.; Briscoe County News vs. Silvertown Elevators at 8:30 p.m.; Maples 66 vs. Durham's Welding Shop at 9:00 p.m.; Bomb Squad vs. John Deere at 9:30 p.m.; and the winner of the Bomb Squad vs. John Deere will meet Jack's Pharmacy at 10:30 p.m.

Admission is 25c each, and the public is invited to attend the games.

## Entries Needed For Volleyball Tourney

Entries are needed for the Silvertown Outsiders' Volleyball Tournament to be held March 18-20-21-22 in the Silvertown Gymnasium, sponsored by the L. O. A. Junior Study Club.

The deadline for accepting entry fees has been extended to Friday, March 14, and the \$6.00 entry fee should be given to Mrs. Pat Edwards, Box 761, Silvertown. Brackets will be distributed by Tuesday, March 18.

First, second and consolation trophies are to be awarded in the men's and women's divisions. There will be a game limit of 15 minutes or a score of 15 points, with the winning team at least two points ahead. A team must win two out of three games. No one can play on two teams.

## Miss Dickerson On Dean's Honor List

Debbie Dickerson, daughter of Mr. and Mrs. Edwin Dickerson, was listed on the Dean's Honor Roll at Texas Technological College for the first semester.

Miss Dickerson had a 3.73 average in Tech's 4.0 system.

Miss Dickerson was the valedictorian of the Silvertown High School Class of 1968.

Mr. and Mrs. Dwain Henderson and daughter have moved to Tulla.

It is the function of the House of Delegates to approve the Standing Committee Reports, elect new officers for the district, to approve the list of delegates submitted to attend the State House of De-

legates meeting, and to set the date for the next year's meeting.

Mr. Herman Moseley, Superintendent of Quitaque schools, has been elected to serve as state delegate from Briscoe County.

Wayne Stephens, president of the Silvertown Young Farmers, and Mrs. Gordon Lowrey, president of the Silvertown Young Homemakers, chatted with guest speaker, Kenneth Wyatt of Tulla, following their banquet Saturday night.

## 4-H Club Farm Sale Slated At Claude

The Armstrong County annual 4-H Club Farm Machinery Sale will be held March 15 at Claude. This sale not only provides an opportunity for farmers and ranchers to dispose of surplus equipment, but also makes available many bargains to buyers. This sale was among the first of its kind in this section of the country, and has attracted state-wide attention. Gross sales have reached \$15,000 in a single year.

A small commission is collected on all items sold or passed out. These proceeds help finance activities of the Armstrong County 4-H Clubs. Auctioneers will be Wildon Hundley of Tulla and Doug Britten of Claude, who donate their services for this event.

Anyone wishing to consign equipment for this sale should contact Bo Wheeler, County Agricultural Agent, Claude. Early consignments help to make an attractive handbill, which helps to make a better sale.

## Application Being Taken Now At Silvertown Post Office

Applications will be taken at the Silvertown Post Office for a vacancy of postal clerk. This position will pay \$2.95 per hour with approximately 15 hours per week, according to Postmaster Fred A. Strange.

The person who is selected from the applicants who pass the test will work primarily on Saturdays, Sundays and holidays, but will be subject to call to work at any time when one of the other clerks or Postmaster is on leave.

Anyone interested can pick up an application blank at the Post Office. The applications must be returned to the Postmaster by Thursday, March 13, 1969. A written test will be given at the Plainview Post Office at 8:30 a.m. on Friday, March 21, 1969.

## Ed Thompson Buried At Olton Saturday

Funeral services for Edwin Lee (Ed) Thompson, 54, were conducted at 10:00 a.m. Saturday in the Main Street Church of Christ in Olton, with Haun Kite, minister, officiating.

Burial was in the Olton Cemetery.

Mr. Thompson died Thursday morning in the Olton hospital after suffering a heart attack at his business, Thompson Implement Company.

He was the brother of the late Ray Thompson.

He was born in Fannin County and moved to Olton from Lubbock in 1950. He was named Citizen of the Year in 1964 by the Olton Chamber of Commerce. He served two terms on the Olton City Council and two terms on the Olton school board.

He was a member of the Church of Christ, a member of the Chamber of Commerce, and a sustaining member of the Boy Scouts of America.

Survivors include his wife, three sons, two daughters, five brothers and eight grandchildren.

## DEAR EDITOR:

DEAR EDITOR:  
 Following is a copy of a letter I have just mailed to the editor of LOOK Magazine.  
 Editor William B. Arthur  
 Look Magazine  
 488 Madison Ave.  
 New York, N. Y. 10022  
 Sir:

There WAS a time in the past when Look truly was "a FAMILY magazine", but such is no longer true. It has become a wide-spread purveyor of filth, vulgarity, smut, obscenity and pornography that no self-respecting human being "wants the putrid stench of" in his home.

I refer specifically to the article "TOP POP MERGER:Lennon/Ono Inc." by Betty Rollin, in your March 18, 1969 issue.

It is my sincere hope that every American who "professes to be a Christian" will join me in telling you:

"CANCEL MY SUBSCRIPTION TO LOOK—AS OF RIGHT NOW!"

Your once - wholesome publication has become so degenerate over the past two years that it would puke even a well buzzard. If that is the diet you and your psychedelic cohorts enjoy feasting on, that is your privilege; but I want no more of your filth invading MY home!

Sincerely,  
 an ex-reader of Look  
 Mrs. Cross McDaniel

I would also like to pass on to your many readers a quote of warning to America of Professor Brezinski of Columbia University's Research Institute on Communist affairs. The following quote appeared in the February issue of Herbert W. Armstrong's Plain Truth Magazine:

"America's power and wealth makes it the focus of global attention, emulation, envy, admiration and animosity.

"No other society's internal affairs are scrutinized with such attention; no other society's politics are followed with such avid interest . . . no other society disseminates on such massive scale,

### ASSORTED SPRINGS

Any Size or Shape

FOGERSON Lumber and Supply Co.

by film, by TV, multi-million foreign editions of its own national magazines, or simply through its own products, its own way of life and its values.

"As a consequence, American society has today enormous impact on the world . . . whether one likes it or not . . . it is the American society more than any other that is shaping the mores, the outlook, and even the cultural styles of the overwhelming majority of mankind."

I, for one, deeply resent the part of "America's choice reading material" that Look Magazine is presenting to the world for our entire nation to be judged by!

One more quote from The Plain Truth Magazine; and it is contained in an article written by Vern L. Farrow —"Who Will Teach?" and comes under the heading of "The Fallout is Already Reaching Our Schools." In this article Mr. Farrow quotes from a letter recently received in the editorial offices of The Plain Truth Magazine, written by a Midwest mother of six children. I now quote from that mother's letter:

"We have moved to a small college town in which the residents and, indeed the University Administration have turned their back on unmarried students living together. This condition is puzzling and often attractive to high school students. Junior high school students speculate about whom their student teachers (from the University) are living with!

"Is she or isn't she? Does she or doesn't she?" —What a shocking guessing game for youngsters to be playing! What a wretched example to hold up to our youngsters!"

The above-mentioned trend began in America—along with the "Freedom of Sex Movement," the "Freedom of Speech Movement," the "New Morality Doctrine," etc.

—at the University in Berkeley California; and it has picked up momentum just over the past two years until it now pervades even the junior high schools (and in some instances that I personally know to be true, grade schools) in many of this nation's small cities today. And the BLAME for the rapid spread of this cancerous growth in our nation can rightly be placed at the feet of parents who "did not want to become involved in helping stop its spread."

(Eph. 6:12)  
 As one who has spent more than ten years of dedicated service in

## Lower Price Support Levels Under Fire

Soybean price supports were dropped to \$2.25 per bushel for No. 1 soybeans and, as a result, cottonseed supports were cut \$11 a ton to a new level of \$37 a ton. National Farmers Union President Tony Dechant expressed "keen disappointment" in the decision. "It will reduce farm income," Dechant said. "Unfortunately, the price support cut touted as a means of reducing supplies will not have that effect.

Farmers Union recommended that the Secretary ask producers to reduce acreage, but raise the support price in order to avoid a cut in income." The law requires that the two oilseeds be supported at levels that will enable them to compete on equal terms. Dechant said, "Equal terms" means a drop in the market price of both commodities." Another farm organization had asked for \$2.05, with acreage cut, as a sufficient, fair amount on the soybean price support.

### TAX LOSS FARMING

Closing the "tax loss farming" loophole in the nation's tax laws is vital to the welfare of farmers and the nation, the Farmers Union told the House Ways and Means Committee Monday. NFU Research Director Angus McDonald provided the committee with facts and figures on large corporations engaged in agricultural enterprises. A stockfarm corporation, with connection in oil, had six years of losses ranging from \$10,514.07 to \$373,624.39—with one intervening year of a net profit of \$131.20. Another corporation, with over a hundred unrelated activities, produces and processes broilers, and was exempt from some \$75 million in taxes from 1956 to 1964.

One excuse given for "tax loss farming" is that it attracts new capital into agriculture. But this sometimes has disastrous results, McDonald says. A subsidiary of a large corporation initiated a potato enterprise at a time when Idaho farmers had eight million bags of potatoes they couldn't sell at any price. McDonald says non-farm interests drive land prices up at a time when farmers are pressed to buy land to enlarge op-

work that relates to "The New Morality Doctrine" vs "the Youth of our nation," I know whereof I speak.

I hope this letter of mine will help encourage at least a few more parents to squelch Look Magazine's mode of indoctrinating the minds of the youth of our nation with its own putrid brand of filth.

Respectfully,  
 Mrs. Cross McDaniel  
 Silverton, Texas

## TWENTIETH ANNIVERSARIES OBSERVED HERE SUNDAY

The anniversaries of the former Delma Dean and Deal Self were celebrated Sunday in the W. T. Masey home.

Delma Dean is Mrs. W. T. Masey. The couple has two sons, George and Harve.

Deal is Mrs. O. L. McGowen of Plainview, and she and Mr. McGowen are parents of a son, Steve.

In the afternoon, Deal and Delma Dean visited their grandmother, Mrs. H. L. O. Riddell.

Active farmers are buying three acres for every two acres they sell. "Activities of tax farmers and conglomerate corporations distort the whole agricultural economy, as well as transfer the burden of taxes to other taxpayers," he says.

Nationally, this is the Mondale Bill. On Tuesday, March 11, at 10:00 a.m. HB 700 was introduced into the Texas Senate by Charles Jungmichael of LaGrange, and into the House of Representatives by Texas Farmers Union President Jay Naman (co-author of the bill) known as the Watson Bill.

Texas Farmers Union District II Workshop was held in Lubbock Tuesday, March 11. Director Beryl Long of Silverton met with representatives of the 17 counties in conferences of insurance, officers activities and membership.

## The Family

"My son, keep thy father's commandment, and forsake not the law of thy mother."

— Proverbs 6:20

Many educators believe that modern parents are due much of the blame for the rebellion and the purposeless wandering of a small, highly-publicized segment of the teenage population.

It is true that children who have been led, who have been corrected, and who have been disciplined within the family circle are less likely to join the ranks of the roaming protestors. They have been provided with a set of values and do not need to go searching for something to believe in.

They are doubly strong if they have received — at home and in church — the benefits of proper religious training and guidance.

Briscoe County

## Home Demonstration Agent

The Briscoe County 4-H Food Show will be held Saturday, March 22, with judging beginning at 1:00 p.m. The public is invited to the awards program and tasting party at 3:00 p.m.

4-H girls, don't forget! Records are due in the County Home Demonstration Agent's office by 5:00 p.m. Tuesday, March 18.

Because of a conflict with other activities, girls in the Senior Division will exhibit on Thursday evening, March 20, at 7:30 p.m. in the P. C. A. community room.

## USES OF PASTA

A new U. S. Department of Agriculture publication tells how to use pasta—one of the frequent ingredients in Italian dishes—and cereals in a variety of ways.

Called "Cereals and Pasta in Family Meals," this bulletin is a guide to buying, storing and cooking cereals and pasta. You'll welcome the menu suggestions and the recipe selection that features pasta and cereals in appetizers, main dishes, meat accompaniments, salads, soups, breads and desserts—lasagne, too.

Both cereals and pasta are grain products that provide food energy at relatively low cost.

Whole-grain or enriched cereals

Ben Holcomb of Dimmitt, State President of the Young Farmers of Texas (left) was installing officer for the Silvertown Young Farmers Saturday night. Installed were Robert H. Hill, reporter and scrapbook chairman; Gunn Fitzgerald, secretary-treasurer; Jimmy Myers, vice president, and Wayne Stephens, president.

## The Legislative Loft

by Representative Tom Christian

By the end of the first week in March, nearly 700 bills had been introduced in the Texas House of Representatives.

After a careful review of these bills it was discovered that a substantial proportion are aimed at special problems in local legislative districts. These bills are important. It's the only way local districts can receive proper attention.

There are three bills, however, that are important to all Texans. The following is a brief discussion of these bills.

The first bill, which was written by Rep. Harold Davis of Travis County and co-sponsored by myself, makes it unlawful for any

person 21 years of age and over to provide any person under 21 years of age with any narcotic drugs.

The primary feature of the bill is a penalty calling for a five-year minimum sentence without probation. It is this feature that strengthens the existing laws.

Under present laws an adult can be convicted of selling narcotic drugs to Texas youths and then receive a probated sentence. This allows the person to be free the next day and selling narcotics again.

A bill written by Rep. Joe Shannon of Fort Worth prohibits disruptive activities on the campus of any public school or tax-supported institution of higher education. Unauthorized activity which obstructs passage in entrances or hallways, aims at taking control of buildings, prevents lawful assembly or disrupts lawful assembly by violence or threat of violence would be banned.

Rep. Shannon's bill protects the right of students to attend college while at the same time preserves the right of peaceful protests. It includes stiff fines and jail sentences. In addition, the student can lose the right to attend state colleges and forfeit scholarship funds.

While major threats to campuses in Texas are not now imminent, the law is needed to meet the danger if it should arise and more important it is needed to express a stand by the people of Texas. The bill has passed the House and Senate and is back in the House for review of Senate changes.

Within the last week the House approved a bill calling for a constitutional amendment to authorize \$3.5 billion in bonds to carry out the Texas Water Plan. This has to be viewed as a major piece of legislation not only for the High Plains area, but also for any Texas area that has a water short-

age.

The bill is designed to aid the comprehensive water plan based on Texas importing water from in state and out of state water sources. The amendment raises the amount of water development bonds the state can issue from the present \$200 million limit to \$3.5 billion, strip away the four percent interest ceiling on the bonds and broaden the Water Development Board's power to contract for water resources and facilities.

Texas' anticipated share of the \$10 billion—cost of the entire project—program, will be covered by the \$3.5 billion bond limit. The federal government will be asked to pay for the remaining \$6.5 billion.

If approved by two-thirds vote in the House and Senate, the amendment will go to the voters for approval in November, 1970.

flavor of pasta teams well with a variety of foods, from a mild cheese to a highly seasoned tomato sauce. Pasta helps stretch the food dollar by making meat and other protein foods go farther.

Enriched pasta provides useful amounts of thiamine, niacin, riboflavin and iron. Pasta also supplies some protein. This protein is supplemented by the protein in meat, poultry, fish, cheese, eggs and milk—foods that are often combined with pasta.

Each recipe gives the number of calories per serving. This is helpful to those of us who are counting.

**EXTERIOR PAINTING**

We also have a new bulletin on Exterior Painting for those who are working on clean-up, fix-up projects.

The bulletin covers selection of paint, surface preparation, application, paint failures and how to prevent them, natural finishes and stains, and safety precautions.

Come by the office for either or both of these publications.

## SUNDAY'S SERMON

### BEING WRONG

If you would learn how to live, learn how to be wrong. Make a final judgement only when you have all the facts at hand.

We are often wrong about so many things. We misjudge someone's intentions; we accept a false characterization; we accept the word of someone we consider reliable without considering they may be misinformed. Then, when truth is brought to light, we would shrug it aside with the simple statement that "such things happen."

Try sometime, just once, when you have been wrong, to stand up and admit it. You will feel no pain. You will not be giving your pride away.

Instead, you will feel an inner sense of satisfaction. Being wrong about something or someone is not an achievement; being able to admit that you were wrong is a sign of moral courage and determination.

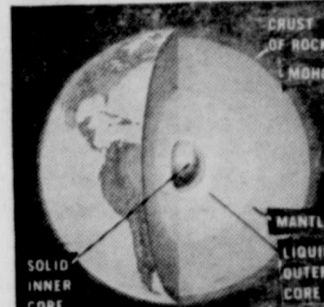

Admit that you were wrong and you stand on the side of truth. You stand straight. And you grow.

## Well, What Do You Know? fun, games and knowledge

by MARTHA GLAUBER SHAPP, Editor, The New Book of Knowledge

### What is inside the earth?

If the earth were cut open, it would look as it does here in this illustration. As you can see, the earth is made up of three main layers—the

CUTAWAY VIEW OF THE EARTH

crust, the mantle, and the core. The topmost layer is the crust. It is made of solid rock. The lower boundary of the crust is the Mohorovicic discontinuity, or Moho for short. It was named for Andrija Mohorovicic, the Yugoslav geologist who discovered it in 1909. The Moho separates the crust from the layer beneath it, the mantle. The mantle goes down to a depth of about 1,800 miles. It is also made of solid rock. The innermost part of the earth is the core, which

is about 2,100 miles in radius. Because of the great heat, the material of the core is liquid. Some scientists have suggested that there is an inner core of solid metal about 1,600 miles in diameter.

### What are the equinoxes?

On March 21 and September 23 the night is 12 hours long everywhere on earth. Daytime, too, is 12 hours long, so the night and day are equal in length. Therefore these two dates are given the Latin name equinox, which means equal night.

Suppose a tree crashes to the ground in a forest where there is no one to hear. Does the sound exist?

There would be no sensation of sound, because a sensation can exist only if there is a brain to receive the sensation "signal." But there would be a sound, because a sound is a disturbance in the air. The crashing tree sends out sound waves even if they are not received by an ear and changed into the sensation of sound.

(For a free booklet, "The Magic Carpet", illustrated in color from The New Book of Knowledge, send name and address to Martha Glauber Shapp, Box 47, Putnam Valley, New York 10579.) 3-1

Mr. and Mrs. Dwain Henderson and Sonia of Tulsa; Mr. and Mrs. Gaston Owens and Eddie of Quitaque, and Eural Vaughan had a fish fry Sunday in the home of Mr. and Mrs. Bud McMinn. Visitors in the McMinn home Sunday afternoon included Mr. and Mrs. Henry McMinn of Levelland; Mrs. Frank Messimer of Lockney and Mr. and Mrs. George Seaney.

Weekend visitors in the home of Mr. and Mrs. Lark Miller were their daughter, Mrs. Joan Crawford and daughter, of Garland.

Mr. and Mrs. Charles Meason and family have moved to Idalou.

### Myers Receives Outstanding Young Farmer Award

Jimmy Myers was recipient of the coveted Outstanding Young Farmer Award during the annual Silvertown Young Farmers and Young Homemakers Awards Banquet held in the school cafeteria Saturday, March 8.

Myers farms seven miles south of Silvertown, and will compete for the Area I Outstanding Young Farmer Award in September at a meeting to be held in Plainview.

The award was presented to Myers by Art Sommerfeld, local Young Farmer advisor.

The incoming Young Farmer officers were installed by Ben Holcomb, State President. They are Wayne Stephens, president; Jimmy Myers, vice president; Guinn Fitzgerald, secretary and treasurer, and Robert H. Hill, reporter and scrapbook chairman.

G. W. Chappell, master of ceremonies, presented these awards on behalf of the Silvertown Young Farmers: Roy Dale Garrison, Outstanding 4-H Girl; Roy Dale Wood, Outstanding 4-H Boy; Max Hamilton, Outstanding FFA Boy; Agnes Bingham, Outstanding Service Award; Roy Montague, Outstanding Service Award.

Speaker for the evening was Kenneth Wyatt of Tulia, who spoke on "Keys To Better Living."

Guests of the Young Farmers included Area I Advisor and Mrs. Walter Labay, Plainview; State President and Mrs. Ben Holcomb, Dimmitt; Area President and Mrs.

### Town & Country Club Has Burlap Flower Demonstration Here

The Town & Country Home Demonstration Club met March 6 in the home of Mrs. Walter Bean, and Mrs. R. M. Walker, president, called the meeting to order.

Devotional was given by Mrs. Don Garrison and Mrs. Johnnie Burson led the prayer.

Mrs. Susie Bean, Mrs. Mae Bomar, Mrs. Gladys Arnold and Mrs. Kathryn Stephens were welcomed as new members.

Mrs. Jack Sutton gave an interesting demonstration on making burlap flowers.

The club will meet April 1 in the home of Mrs. Don Garrison.

Cinnamon rolls, coffee and tea were served to Mrs. Naomi Hunt, Susie Bean, Mae Bomar, Dean Burson, Lottie Garrison, Kathryn Stephens, Gladys Arnold, Lois Walker, Teresa Sutton and Bobby Bean.

### NEW BABY

Mr. and Mrs. Roy A. Hyatt of Levelland are parents of a son, Heath Arnold, born there at 1:09 p.m. Wednesday, March 5. He weighed seven pounds and twelve ounces.

The couple are also parents of another son and two daughters.

Grandparents are Mrs. Essie Kitchens of Gainesville and Mr. and Mrs. W. J. Hyatt.

Glen Odom, Dimmitt; Area Vice President and Mrs. Jim White, Muleshoe and Area Reporter, Jim Myers of Silvertown.

Other special guests included Mr. and Mrs. Louie Kitchens, Jim Brooks and Mrs. Agnes Bingham, representing the Silvertown Riding Club; Juannah Nance, Y-F Rodeo Queen; Superintendent and Mrs. J. S. Hinds; Mr. and Mrs. Don Garrison and Roy Dale, Mr. and Mrs. Leland Wood and Roy Dale, Mr. and Mrs. Wayne Hamilton and Max.

### 'Law and Order' Was Topic At Meeting

"Lawlessness and disorder have gone far beyond man's ability to correct as evidenced by the fact that people of all levels of society now live in fear behind locked doors of their homes," were the introductory remarks of Mr. L. M. Dugan who spoke before 620 delegates in Snyder who were attending the main Bible lecture of their convention.

Entitled "Law and Order—When and How?", the subject presented to the area members of Jehovah's Witnesses, was the highlight of their three-day convention with Dugan pointing to the lack of law and order today. "It is not detached from us but it affects each one of us personally; it touches our family, our relatives; our friends," he said. "We are living in fear; we live in a world of watchdogs and locks, high walls, fences and barred windows and the future looks even worse."

"In an age of increasing violence and crime, peace and security seem impossible to find. Within this generation, Jehovah God will do the impossible. He will bring an end to violence, and bring peace to deserving mankind," Dugan asserted.

Pointing to the fact that law and order is possible, Dugan assured the audience that the Bible promises an eternity of peace, freedom from fear and real security for those who now demonstrate to God their desire for such conditions.

"Jehovah's Witnesses invite those who desire law and order to study the Bible and learn the principles God requires of those who will be permitted to live in an eternity of law and order. It is with this assurance that each one of the Witnesses in attendance here at this assembly will return to their home communities to share such a promise with their neighbors," Dugan concluded.

Twenty-three from Silvertown will resume their regular schedule of activities at the Kingdom Hall.

### N. F. O. REGISTERS

#### OPPOSITION TO REDUCTION

The National Farmers Organization this week registered opposition to the reduction of 25¢ per bushel on the 1969 government price support for soybeans.

NFO President Oren Lee Staley said, "The NFO regrets that Secretary of Agriculture Clifford Hardin saw fit to drop the price support on this product."

Staley pointed out that this probably will mean a loss of 250 to 300 million dollars in net income for farmers at a time when farm prices already are too low.

"Methods should have been found through the use of PL 480 and through other arrangements to have moved soybean oil into foreign markets," the NFO president commented.

He noted that Hardin probably had made a decision of compromise between the efforts of many farm groups to maintain the present support level of \$2.50 per bushel and the apparent efforts of the Farm Bureau and soybean producers to reduce the support price by 45¢ per bushel to approximately the \$2.05 level.

Staley concluded that this is another example where "there is need for all farm groups to be working together for higher prices instead of pulling in opposite directions."

### MIKE AND KIT LONG EXHIBIT CHAMPIONSHIP HEREFORDS

Mike Long of McLean was exhibitor of the reserve champion of the Hereford division of the Top of Texas Livestock Show at Pampa, and received the champion Hereford Trophy at the Hereford Breeders Association Banquet in Pampa.

Kit Long was exhibitor of the grand champion Hereford steer at the McLean show.

Mike and Kit are sons of Mr. and Mrs. Rex Long of McLean and grandsons of Mr. and Mrs. Dick Bomar.

### Briscoe County 4-H Has Dog Show

Twenty 4-H members attended the Briscoe County 4-H Dog Show Saturday, March 8, at 1:30 p.m. in the Silvertown Livestock Show Barn to exhibit their dogs in competition with other 4-H members.

Judge for the show was Joe Wilson, Floyd County Agricultural Agent from Floydada.

### Western Family Night Held Here Recently

More than 80 members of the Eastern Star, Masonic Lodge, their families and friends attended "A Night Under the Western Stars" at the Lodge Hall here on Friday, February 28.

Barbecue, beans, cornbread, sourdough biscuits, salads, relishes, pie, coffee and tea were served. Tables were covered with red and white checkered cloths, and on each table was a lighted kerosene lamp. Tin cups served as sugar bowls and bread was served from iron skillets lined with banana.

Following the supper a program was held. The invocation was given by Bro. Charles Cranford, minister of the Silvertown Church of Christ. The welcome and introductions were by the Worthy Matron, Merlene Stephens.

Entertainment was provided by Mr. and Mrs. Carroll Stark, Terry, Richy and Twila of Claytonville and their singing dog.

Serving on the committee for decorations were Lillian Lindsey and Elaine Forbes. A campfire was built with a cowboy's saddle nearby. A clothes tree had chaps, spurs, bridle and western hats hanging on it.

Members of the invitation committee were Frances Crass and Grace Vaughan, and serving on the food committee were Georgia Thornton, Annell Davis and Mary Ann Sarchet.

**HOW BEAUTY BY MARY KAY CAME TO BE**

Some years ago there was a man whose business was tanning hides. One day he decided that if one could take an old, stiff, ugly, big-pored hide and turn it into a beautiful, small-pored soft piece of leather like a glove—then, somehow the same miracle could be wrought with human skin—particularly since there were living cells with which to work.

He experimented with his own skin, using in a modified form the things used in tanning hides. At 73 he had smooth, unblemished skin like that of a much younger man.

From this original discovery evolved MARY KAY COSMETICS. You, too, can enjoy this beauty secret. Let me show you that "No Woman Need Ever Look 40!"

Call to arrange a fascinating and complimentary facial with instructions in correct beauty procedures.

Recently, while Jeff Jones was in Amarillo showing his lamb in the junior fat stock show he had the privilege of becoming acquainted with Ken Curtis (Festus of TV fame), who was staying at the same motel. 'Festus' invited Jeff to bring his lamb and have his picture made with him, and autographed it "for my pal, Jeff—with a whole mess of good luck and best regards. Keep up the good work! 'Festus' Ken Curtis."

### Study Club Observes Public School Week

The Century of Progress Study Club observed Public Schools Week by holding its regular meeting in the film room of Silverton High School on March 4, 1969, at 11:00 a.m.

Guest speaker for this meeting was High School Principal O. C. Rampley, who gave an address entitled, "How Our Graduates Step In College." He reported that at least 65% and sometimes as high as 80% of our graduates enroll in college the following school year. The national average is 45%. Almost one-half of those entering college get their degrees.

Contrary to public opinion, re-

ports show that SHS graduates have less difficulty in college than those coming from larger school systems. Mr. Rampley stated his belief that this is probably true because of the higher local requirements for graduation. Silverton High School requires a minimum of 20 credits for graduation—including four years of English, three years of math and three years of social science. The state minimum, which is also the minimum for many school systems, requires only 16 credits, including three years of English, two years of math and 2½ years of social science.

Mr. Rampley pointed out that although the Silverton School is deficient in public school music and foreign language (because of the unavailability of qualified teachers to fill these positions) it has a solid basic foundation program in mathematics, science, social science, English, business, vocational agriculture, and homemaking.

Mr. Rampley commended the parents of this community for encouraging good attendance and stated that his high school pupil

### Shelton - Thornton Vows Exchanged

The home of Mr. and Mrs. John Turner was the scene of the marriage of their niece, Miss Virginia Sue Shelton and J. Newton Thornton.

The bride is the daughter of Mrs. D. G. Shelton and the late Mr. Shelton. Mr. and Mrs. Joe Thornton of Gunnison, Colorado, are parents of the bridegroom.

Officiating the double ring ceremony was Earl Cantwell, minister of the Rock Creek Church of Christ. Given in marriage by her brother, the bride wore a white bridal satin dress with a lace overlay that fell from the empire waist. Her shoulder length veil of illusion fell from a white pillbox. She wore a corsage of yellow roses.

For something old she had a penny dated the year of her birth in her right shoe, for something new she had a 1969 penny in her waist. She wore a pair of pearl earrings from Miss Gail Ferrell. For something blue she wore the traditional blue garter.

Miss Shirley Myers was maid

### Clubwomen Visit Girlstown USA

Four Silverton clubwomen were among more than 100 visitors at Girlstown USA at Whiteface Saturday, and assisted with planting 80 honey locust trees along the "Avenue of Opportunity" at Girlstown. This is a project of Caprock District of the Texas Federation of Women's Clubs.

Mrs. Lane Decker of Floydada, Caprock District president, conducted the dedication ceremony. The invocation was given by Mrs. P. N. Figley of Lubbock, chairman of the district project, and Marshall Cooper, director of Girlstown, welcomed the guests.

The clubwomen enjoyed lunch with the girls and their house parents.

Mrs. Cooper explained that the capacity of the Whiteface facility is 68, but they presently have 69

of honor. She wore a blue street length dress. Best man was David Fineh of Tulia.

A reception followed the ceremony. The tiered wedding cake and punch were served by Mrs. Edd Shelton and Mrs. Archie Johnson.

Following a short trip, the bride and bridegroom are at home in Tulia. The bride is a graduate of Silverton High School and attended Draughton's Business College. She is employed by N. H. Baldwin, certified public accountant. The bridegroom graduated from Tulia High School and attended Texas Tech. He is employed by Louis Mahagen.

### March Of Time Members Visit Public Schools

March of Time Study Club observed Public Schools Week by meeting at the school cafeteria Thursday, March 5, for lunch and to visit classrooms.

At a meeting following in the P. C. A. community room, Miss Barbara Davis, daughter of Mr. and Mrs. James Davis and a Senior in Silverton High School, entertained the members with slides and narration of her trip to Washington, D. C. last June. The trip, sponsored in our area by Swisher Electric Cooperative, was won on Barbara's merits as a speaker.

Mrs. Rex Dickerson gave the devotional and Mrs. Ben Whitfill was hostess. At the short business meeting with Mrs. Roy Mayfield presiding, plans for the next meeting were discussed.

Members attending were Mmes. R. A. Hutsell, Bob Hill, True Burson, J. W. Lyon, Jr., Rex Dickerson, Tony Burson, Floyd Williams, J. V. Self, Alvin Redin, Ben Whitfill and Roy Mayfield.

Mrs. W. J. Hyatt has been visiting in Levelland in the home of a son, Mr. and Mrs. Roy Hyatt and family. She returned home on Thursday of last week, but expected to return to Levelland soon.

girls there—with their baby sleeping in the room with her house parents. They also have six girls at the Berger Annex and six girls in college.

Approximately 15 to 20 girls are turned away each week at Girlstown due to the lack of facilities to accommodate them. There will be room for eight more girls at the Berger Annex when remodeling is finished in April. Mrs. Cooper explained that there is never an empty bed at Girlstown. "For example," she said, "one of our girls was married Monday (March 3), and Tuesday morning there was a girl here to take her place."

Representing Silverton at the Arbor Day activity were Mrs. Lula Bellinger and Miss Anna Lee Anderson, members of March of Time Study Club; Mrs. O. C. Rampley, a member of Century of Progress Study Club who is serving as the Caprock District second vice president; and Mrs. Charles Sarchet, a member of L. O. A. Junior Study Club who is the Caprock District publicity chairman.

### Recital Scheduled Friday Evening

Sam and Mary Catherine Brown will present students in a piano and voice recital on Friday, March 14, at 7:30 p.m. in the sanctuary of the First Baptist Church in Tulia.

The works of a variety of composers from the baroque period through the romantic classical and contemporary periods will be represented. Piano solos, duets, two piano-four hands and two piano-eight hands will be performed.

The public is cordially invited to the recital and to the reception which will follow the program at 73 Travis Road.

Mrs. William Malone was listed as a patient in Swisher Memorial Hospital early this week.

Mrs. Ethyl Seaney, aunt of George Seaney, died March 5 in Richmond, Indiana.

Mrs. Farris Martin has been a patient in the Plainview Hospital.

Mr. and Mrs. Horace Vines have moved to Canadian.

Mr. and Mrs. Bud McMinn met Debbie and Dudley McMinn at Plainview Friday afternoon and visited with them after their dentist appointment.

### SIX FLAGS TO OPEN '69 SEASON APRIL 12

SIX FLAGS Over Texas hostess Jill Tipps caused a slight work stoppage by some members of the construction crew building the Park's newest attraction, the 300-foot Oil Derrick.

Scheduled to be in operation when SIX FLAGS opens the 1969 season on April 12, the Oil Derrick will afford visitors a spectacular view of the 145-acre park from observation platforms near the top of the rig. At the 50-foot level (where workmen are waving), a giant 180-foot-long, 12-lane slide angled down 35 degrees will be built for visitors wishing to make a rapid and rather daring high-speed trip to ground level.

The 19-million-dollar historical-theme park is located between Dallas and Fort Worth.

Arlington, Texas: One of the first signs of Spring came about today as SIX FLAGS Over Texas, the big, historical-theme entertainment park between Dallas and Fort Worth, set the opening of its 1969 season for the weekend of April 12 and 13.

The announcement came from Angus G. Wynne, Jr., founder of SIX FLAGS and Chairman of Great Southwest Corporation, which owns and operates the \$19,000,000 park.

SIX FLAGS will be entering its 9th operating season this year and is the State's most popular single tourist attraction, according to the Texas Tourist Development Agency, having drawn over 13,000,000 visitors since opening in 1961.

A large corps of workmen are busily engaged on a \$1.4 million expansion program which will add a fresh and exciting array of new rides, attractions and shows for the estimated 2,000,000 people who will visit SIX FLAGS during the 1969 season.

The expansion program is primarily centered on the area between the Texas and U. S. A. sections of the 145-acre park. Here construction on the world's largest land-based oil derrick, which towers 300 feet above SIX FLAGS, is nearly completed.

Designers of the Derrick have ideas other than drilling for oil. Instead, the Oil Derrick will serve as both an observation tower, with a spectacular panoramic view of the entire park stretched out below, and as an unusual ride.

Two elevators capable of carrying 2,000 passengers per hour will carry visitors up to observation platforms near the top. On the return trip down, passengers will have the option of getting off at the 50-foot level, where a giant 180-foot-long, 12-lane slide angled down 35 degrees has been built for a rapid

and rather daring high-speed access to the ground.

A new ride especially for the younger set is the Mini-Mine Train. This ride is a smaller version of the Run-A-Way Mine Train, one of the most popular of all the 85 rides, shows and attractions featured at SIX FLAGS.

Another new attraction for the 1969 season will be a porpoise show featuring the aquatic antics of four trained porpoises. To house the porpoises, a 115,000-gallon tank is now being built, as well as permanent bleachers around the tank with a seating capacity of 1,500.

The Krofft Puppet Circus, which debuted last season with such critical acclaim, has an entirely different and lavish production planned for this year. The show promises more of the rollicking humor and imaginative surprises which delight audiences of all age groups.

Like all rides, shows and attractions at SIX FLAGS, the Krofft show is included in the one-price ticket that entitles the visitor to ride all the rides and see all the shows as many times as he likes during each operating day at no additional charge.

Tickets are \$4.50 for adults and \$3.50 for children under 12 years of age.

After the opening weekend and starting April 18, SIX FLAGS will be open during the Spring on Fridays from 5 to 11 p.m. and on Saturdays and Sundays from 10 a.m. to 10 p.m. From May 26 throughout the Summer, the Park will be open seven days a week from 10 to 10. After Labor Day, through September 28, SIX FLAGS will be open on Saturdays and Sundays only from 10 a.m. to 8 p.m. Then from October 4 until closing November 30, the Park will operate on Saturdays and Sundays from 10 a.m. to 6 p.m.

**POLE AUCTION, 9:00 A.M., Saturday, March 15, 1969 for members of S.E.C. Approximately 150 storm damaged poles will be sold immediately south of the office.**

**PLUS**

**ART SHOW, for Artist-Consumers and their families and employees of S.E.C. CASH PRIZES (\$5, \$10, \$15) for three divisions (under 12, 12-18, open.) Sponsored by local Artist, Mr. Kenneth Wyatt. Write for rules to exhibit your art work.**

**PROSPERITY**

Prosperity is more than a word. It's more like a phrase. People doing business with people is one way of putting it.

Where our community is concerned, prosperity is reflected in the buying and selling of goods and services under an umbrella that includes the business owner, the self-employed, and the salaried worker. The level of prosperity is dictated by the manner in which local needs and services are provided and utilized within the community.

Trade at home is a slogan as old as the elm on the hill, yet ever fitting. As we said, prosperity is geared to the principle of people doing business with people.

Whatever your needs, look first to the local business community. You'll always be glad you did.

**Trade at Home** for your own sake! and community progress

**First State Bank**

# Seniors of the Week

RONNIE SHARP

Ronnie Sharp is the 6'2" Senior Boy of the Week. He was born January 2, 1951, and has brown hair and hazel eyes. Different kinds of seafoods are his favorites, and he plans to go to college following his high school graduation.

He was a member of FFA during his Freshman year. He participated in track in his first two years in high school, and played football his Freshman, Junior and Senior years. He has been a member of the S Club the past two years.

Ronnie has had a perfect attendance record since his Freshman year.

Ronnie's favorite book is "The Story of D-Day" and his favorite movie is "Bonnie and Clyde." The song he likes best is "Cocaine Blues." Speech is the subject he enjoys most and his favorite pastime is playing snooker. Ronnie's pet peeve is "unfair teachers."

ANITA LOYD

Anita Loyd is a blue-eyed Senior girl. She has black hair and stands five feet tall. She was born February 15, 1951. Her pet peeve is "people who make lots of plans, but never take any action."

Her favorite food is swiss steak. She enjoys reading, and the book she likes best is "The King's General."

Anita has been a member of the Pep Squad all four of her high school years. This year, she is a member of FBLA and she is also a member of the National Honor Society.

She was a manager of the girls' track team her Junior year. This year, Anita was a member of the Senior Play cast.

The song that is Anita's favorite is "The Impossible Dream." The movie she enjoyed most was "Days of Wine and Roses." Book-keeping is her favorite subject.

Anita plans to attend college this fall.

## For And About Teenagers

**WHEN WE GO TO THE MOVIES, HE WON'T PUT HIS ARM AROUND ME...**

**THE WEEK'S LETTER:** "I have a problem that I would like very much for you to help me with. I am 18 years of age and married to a 28-year old guy. I love him so very much. But, when we go to the movies, he won't put his arm around me. He says he is bashful. Also, he won't kiss me in public, only in front of my family. We go to an indoor movie and I see so many guys with their arms around their girls and it hurts so. I just sit and cry and am unable to enjoy the movie. Please try to help me if you can. I love him and I want him to let people know he loves me. Seems as though I can't tell him enough that I love him. I tell him every minute. He tells me the same. How can I get him to put his arms around in public?"

**OUR REPLY:** If your husband tells you that he loves

you, and proves it to you in your private life, the only problem you have is with yourself, not with him. As a rule, married people do not make a general practice of kissing in public. Your husband is probably a mature individual who sees no necessity for "letting people know that he loves you". He married you, and there is no better proof available. You might try to make him happy. Don't tell him you love him every minute of the day. Tell him often, but not every minute. Don't waste your tender moments in public. Save them. Watch the movie. You may enjoy it.

If you have a teenage problem you want to discuss or an observation to make, address your letter to FOR AND ABOUT TEENAGERS, COMMUNITY AND SUBURBAN PRESS SERVICE, FRANKFORT, KY.

## LAFF OF THE WEEK

"Sorry, No More Pie . . ."

# THE OWL'S HOOT

Official publication of the students of Silvertown High School, compiled and edited by the members of the Future Business Leaders of America.

THURSDAY, MARCH 13, 1959

## Games Of The Year To Be Played Saturday

Two basketball games will be played at the local gym starting at 7:00 p.m. on Saturday, March 15, sponsored by the Junior Class of Silvertown High School.

Admission will be 50¢ for students and 75¢ for adults. Proceeds will be used to help finance the Junior - Senior Banquet.

The first game will see The Country Boys, coached by the able brains of Bob Hutsell, go against The Animals, coached by Steve Brown.

Playing for The Country Boys will be Kelly Bomar, Dee Arnold, Clarence Ivory, Gary Storie, Dean Ziegler, Pete Juarez, Scott Hutsell, Tommy Bullock and Ken Wood, six graders; and Ken Sarchet, fifth grader.

The Animals will be composed of Harland Vaughn, Roy Benacourt, David Self and David Lewis, fifth graders; Ricky Hutsell, Todd McJinsey, John Sharp, Carl Dean Gallington, Mikel Griffin and Jessie Maciel, sixth graders.

### DOUBLE HEADER

The second game of the double header will begin at 8:00 p.m., and will be between the KFDDA TV 10 Tigers and the famous Silvertown Harlem Trotters.

Playing for the Silvertown Trotters against the stars of Amarillo television will be Moose the Goose Jarnagin, Migitt Man Dan, Cowboy Tom, Hot Shot Willie and the playing coach, Sticks. Needless to say, these are just the starters for the big game and many more will be waiting for their chance at GLORY.

These may prove to be the biggest games of the century. Don't forget: The Country Boys vs. The Animals at 7:00 o'clock followed by the Harlem Silvertown Trotters vs. the TV 10 Tigers at 8:00.

"We hope that all our great basketball fans will come out and back the Owls of yesterday and the Owls of tomorrow," stated Junior Class President Steve Brown.

CYNTHIA SUTTON

## Miss Sutton Selected For State F.H.A. Choir

Cynthia Sutton, daughter of Mr. and Mrs. C. L. Sutton, has recently been selected to sing in the Area and State F.H.A. choirs. Cynthia has taken voice for five years. The past two years she has entered the Floyd County Fair Talent Show and placed third both years. Last year she participated in a high school recital.

Cynthia has sung the National Anthem at football games and has sung in the Halloween Coronation the past two years in addition to singing for many other events.

She has been in the Pep Squad for three years and was the Pep Squad parliamentarian this year. She has been in F.H.A. three years and has served as song leader two years. She holds a Supervisor's Degree in FBLA and serves as secretary of that organization. Cynthia also serves as secretary of her class and of her 4-H Club.

In 4-H, Cynthia has received the Home Economics award for two years, and received the Foods and Nutrition award this year. She was the alternate to the district contest in clothing this year and has received the Achievement award. Last summer, Cynthia at-

## HONOR ROLL

BARBARA McCRAVENS

## MISS F.H.A. IS SELECTED

### FOR MONTH OF FEBRUARY

Barbara McCravens, a Sophomore in Silvertown High School, was high point girl in F.H.A. for the month of February.

A member of F.H.A. for two years, Barbara was on the B-team in basketball her Freshman year. She also played Powder Puff football that year. This year, Barbara is a member of the Pep Squad.

## HANG-UPS ARE

Going to sleep at the show  
Getting licks for leaving before the bell rings  
Cold feet  
Merry-go-rounds  
After two years of typing not knowing how to return the carriage  
A typing teacher not knowing how to put a carbon in the typewriter  
Hiding on the wrong side of the evergreens  
Having Mr. Pearson break the Board on you  
Swearing you are innocent when the teacher knows you are lying  
Making a history report on an unacceptable book  
Getting stuck at the top of the fire escape  
Not enough snow to turn out school  
Overloaded cars  
Having your dog follow you to school and whining at the door  
Having to pull your bull out of the well (O.C.?)  
Driving a jeep to school when it is snowing  
CLOTHES HANGERS

## FFA Team Places In Judging Contest

Silvertown Chapter of Future Farmers of America entered the Texas Livestock Judging Contest held in connection with the stock show at Pampa recently.

The Silvertown team placed out of a field of about 45 teams scoring 1033 points.

Roy Dale Wood was second individual in the contest out of 135 boys. Other team members were Danny Vaughan and Larry Comer, with Max Weaver and Gary Martin as alternates.

## Lois Arnold To Sing With Area Choir

Lois Arnold, a Freshman in Silvertown High School, will represent the Silvertown F.H.A. Chapter at the Area I meeting in Lubbock, Texas, March 21, singing with the Dora Choir.

Lois is a member of the Silvertown F.H.A. Chapter and is working toward her Junior degree.

SO? MY DAD'S IN THE SHIRT BUSINESS AND HE SAYS IF THINGS DON'T GET BETTER WE'RE GOING TO LOSE OUR FURNITURE!

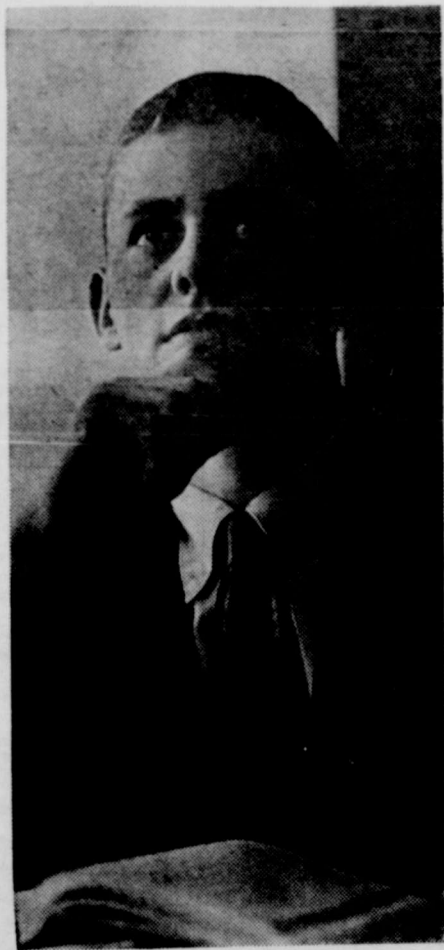

## from HISTORY'S SCRAPBOOK DATES AND EVENTS FROM YESTERYEARS

President McKinley signed act setting gold dollar as unit of value, March 14, 1900. President Taft stopped shipment of arms to Mexico, March 14, 1912.  
Joseph Pulitzer, of the New York World began a campaign to raise \$100,000 for a pedestal for the Statue of Liberty, March 15, 1885.  
Magellan landed in the Philippine Islands, March 16, 1521. The U.S. Military Academy was established, March 16, 1802.  
General Douglas MacArthur arrived in Australia to become supreme commander of the United Nations forces in the southwest Pacific, March 17, 1942.  
King George of Greece was assassinated, March 18, 1913. Czar Nicholas of Russia abdicated, March 18, 1917. Mexico nationalized its petroleum industry, March 18, 1938.  
The U.S. Senate rejected the Versailles Treaty, March 19, 1920.  
March 20 is the first day of spring.

# While you're saving money for college, make sure there's a college to save money for.

There are all kinds of ways to save money for a college education.

- A good savings account.
  - Life insurance.
  - Or U.S. Savings Bonds.
- You see, U.S. Savings Bonds will not only save you money, but they'll insure your country's future at the same time.

It's one way of making sure there's a college whenever you're ready to send somebody to college.

But back to the money part.

Let's say you buy your one-year-old son a \$25.00 Bond every month. When he's 18 and ready for college, he'll have \$5,506.00.

A \$50.00 Bond every month would give him \$11,012.00 when he's ready to enroll.

And the beauty is, you never have to

worry about this investment.

You simply sign up through a Payroll Savings Plan where you work and then sit back and let the money pile up.

Savings Bonds now pay a new higher rate—4<sup>1</sup>/<sub>4</sub>%—when held to maturity of 7 years.

And if they're lost, stolen, or destroyed, the Treasury Department will replace them free.

Also, with each Series E Bond you buy, you're entitled to buy the same or lower denomination Freedom Share.

Which pays 5% when held to maturity of 4<sup>1</sup>/<sub>2</sub> years and is redeemable after one year.

Any way you look at it, buying U.S. Savings Bonds makes sense.

They not only get the kids ready for college.

They keep the colleges ready for the kids.

You get a little over \$4 for every \$3 you invest.

**Take stock in America**

PUBLIC NOTICE OF THE REQUIREMENT FOR RECORDATION AND LIMITATION OF CERTAIN CLAIMS OF WATER RIGHTS

Notice is here given as required by Section 4 of the Water Rights Adjudication Act of 1967 (Article 7542a, Vernon's Civil Statutes) that all claims of riparian water rights, all claims under Article 7500a, Revised Civil Statutes of Texas, 1925, to impound, divert or use public waters for other than domestic and livestock purposes for which no permit has been issued, all claims of water rights under the Irrigation Acts of 1889 and 1895 which were not filed with the State Board of Water Engineers in accordance with the Irrigation Act of 1913, as amended, and all other claims of water rights other than claims under permits and certified filings, must be recorded with the Texas Water Rights Commission. Section 4 does not apply to use of water for domestic and livestock purposes as the same is defined by Commission Rules.

On or before September 1, 1969, every person claiming any water right to which Section 4 applies shall file with the Commission a sworn statement setting forth the nature of the claim of water right. Claims to which the Section applies shall be recognized only if valid under existing law and only to the extent of actual application of water to beneficial use without waste during any calendar year from 1963 to 1967, inclusive. However, in any case where any claimant of a riparian right has prior to August 28, 1967, commenced or completed the construction of works designed to apply a greater quantity of water to beneficial use, such right shall be recognized to the extent of the maximum amount of water actually applied to beneficial use without waste during any calendar year from 1963 to 1970, inclusive; provided an additional sworn statement is filed on or before July 1, 1971. Failure to file the sworn statement or statements in substantial compliance with Section 4 shall extinguish and bar any claim of water right to which the Section applies.

Instructions and forms for recording claims may be obtained without cost from the Texas Water Rights Commission, P. O. Box 12396, Capitol Station, Austin, Texas 78711. Joe D. Carter, Chairman TEXAS WATER RIGHTS COMMISSION 10-2tc

FIGHT BACK! NITROMITE... Fight the farm price/cost squeeze with NITROMITE... NITROMITE packs a powerful punch with more usable nitrogen per dollar to help increase yields without increasing your cost appreciably. Then even low prices can't floor you - if they're good, you'll be the big winner. Put down some NITROMITE before you plant to give your crop a great big shot in the yield. It'll give you a fighting chance in the marketplace. DISTRIBUTED BY TAYLOR EVANS-AMARILLO Subsidiary of Diamond Shamrock Corporation SILVERTON DEMPSEY A product of Diamond Shamrock Oil and Gas Company A Unit of Diamond Shamrock Corporation
