All Around the Town
by Mary Ann Sarchet

Time is going to stand still early Sunday morning, and if we don't run our clocks ahead one hour before going to bed Saturday night, it's possible that there will be quite a few who miss church and some who are late for school Monday morning.

Our old friend, Daylight Saving Time, is here again! And while our state legislators are arguing its merits, we'll be having to change our clocks again so that we can return to the Land of the Midnight Sun.

D.S.T. isn't so bad during the summer months; it's a pain in the neck while school is going on, though, and we have three months of school under the new time: May, September and October.

☆☆☆

I'd like to apologize to everyone who has had their news omitted from the columns of the Briscoe County News the past two weeks. We've had a situation that we aren't particularly fond of, but we've just not had enough advertising to justify printing more than four pages.

Even though we have had lots of material on hand which might have been enjoyed by the readers, a newspaper can't survive on subscriptions alone, and it just isn't possible to publish full pages of news. Please patronize the advertisers of the Briscoe County News this week, so that maybe we can get our eight pages back next week!

To Participate In Religious Campaign

Mr. and Mrs. Tony Allison, son and daughter-in-law of Mr. and Mrs. Claude Allison of Silverton, will serve as leaders of Abilene Christian College students going to Germany for Project Germany '69 this summer, a religious campaign to that country.

Allison is a senior Bible major at ACC.

His wife, the former Connie Collier, finished high school in Germany where her parents are American missionaries. She is an August graduate of ACC, and is teaching German and French at Abilene High School this term.

Fourteen students will break into groups and work in Dusseldorf, Cologne, Wiesbaden, Munich, Karlsruhe, Frankfurt, Nuremberg, Kaiserslautern, and Ludwigburg. They also plan to attend a lecture series in Frankfurt.

The schedule calls for the campaign group to meet in Searcy on June 5 for orientation meetings. They will leave Memphis, Tennessee on June 9 and arrive back in the United States on August 18.

Mr. and Mrs. Glenn Fore of Amarillo spent last weekend with Mr. and Mrs. R. N. McDaniel.

THURSDAY, APRIL 24, 1969 SILVERTON, (Briscoe County) TEXAS VOLUME 61 NUMBER 17

Residents Urged To Join Water, Inc.

PARENTS ASKED TO HELP WRITE RULES FOR LOCAL TEEN DANCES

A meeting of parents has been called by a group of parents interested in providing a set of rules and regulations to be followed for the local teenage dances. The meeting has been scheduled for 8:00 p.m. Monday, April 28, in the school cafeteria.

Boy Scout News

Twenty-one Boy Scouts of Troop 262 met in regular session Monday, April 21, with Scoutmaster Flute Hutsell.

Plans were completed to attend the Dimmitt Camporee May 3-4. The boys will compete in various events with other Scout Troops.

Plans were also made for a Court of Honor to be held Monday, April 28, in the Fellowship Hall of the First Baptist Church at 7:30 p.m.

Activity Day Is Planned Friday

The Area I Association of Young Homemakers will attend a Special Activity Day Friday, April 25, at the Holiday Inn, 4005 Olton Road in Plainview.

Approximately 200 Young Homemakers from a 36-county area of the Panhandle and South Plains will attend this all-day program. Registration will be from 9:30 to 10:00 a.m. Mr. Alton Higginbotham, manager of Member Services for Lighthouse Electric Cooperative in Floydada, will act as Master of Ceremonies.

Miss Josephine Blanch, Staff Home Economist with the Product Information Department of Corning, Corning, New York, will get the program off to an exciting start with a very effective presentation concerning the "Counter that Cooks."

Miss Gwen Edwards and Mrs. Mary Stewart of Village Craft Corner in Lubbock will demonstrate new ideas in crafts. These will include Cold Ceramics, Mod Podge and Box Purses.

After a salad luncheon buffet, courtesy of sponsoring electric cooperatives, Wayne Martin, manager of Plains Cooperative Oil Mill, Castor Division, of Plainview, will speak on By-Products, Production and Uses of Castor Oil. Much research has been done with the castor bean and many products are available from it.

Clark Ellzey, professor of Home and Family Life at Texas Tech, will conclude the day with an inspiring message about "Parent-hood." Mr. Ellzey is much in demand as a speaker for various groups, primarily groups of young adults.

Eleven area cooperatives sponsor the Activity Day. Hostesses for the event are Home Service Advisors, Mrs. Betty Condra of South Plains Electric Cooperative, Lubbock; Mrs. Jeanette Malone, Swisher Electric Cooperative, Tulia; and Mrs. Mary Phillips, Lighthouse Electric Cooperative in Floydada.

Home Notes
by MRS. NAOMI HUNT
Briscoe County
Home Demonstration Agent

Several local farmers and businessmen are conducting a membership campaign for Water, Inc. A public meeting is being planned, at which the aims of Water, Inc. will be discussed.

One local farmer stated the following opinion on Silverton's water situation:

"Silverton will become a Ghost Town when the water runs out. Land that is worth \$400.00 an acre will not be worth as much as dry land because of its past use. We live in one of the finest climates in the world; we have fine land, good neighbors, and a town we love. Will it be an OASIS or A GHOST TOWN? We have a chance and an opportunity to try to import water into our area. We have only a short time to work on this because it will come to a statewide vote this Fall.

"We, the people of the High Plains, must be 100% for it and sell the rest of the state on such a plan. The legislature is for us. They have provided the tools to get this project started. It is up to the people now.

"If you own anything of any value, you should be interested enough in seeing its value remain high and not become worthless. If you owe money, you should be interested in seeing that the land you farm will produce a return."

Another farmer has issued a conservative estimate that without water, the annual income in Briscoe County would be reduced by four-fifths.

Make plans now to attend the big Meat Show to be held Wednesday, May 21, 1969, at 2:00 p.m. in the Silverton School Cafeteria.

On the program is Dr. Frank A. Ors, Meat Specialist from Texas A&M University. He will show us how meat is cut into the various pieces we see in the market. Mrs. Mary Phillips, Home Service Advisor from Lighthouse Electric Cooperative in Floydada, will demonstrate correct cooking methods for different cuts.

Special thanks to Bud Couch of Bud's Grocery & Market in Silverton for agreeing to furnish the meat.

The Meat Show will be sponsored by the Briscoe County Home Demonstration Council. The public is cordially invited to attend. Come and bring a friend.

Mr. and Mrs. A. F. Copeland of Santa Maria, California, Mrs. Belle Olive and Betty visited relatives in Mangum, Oklahoma, from Thursday of last week until Monday.

Mrs. Belle Olive and Betty visited Mr. and Mrs. Gerald Trout in Mangum, Oklahoma, Saturday afternoon.

Mr. and Mrs. W. S. Yates of Solvang, California, spent from Wednesday of last week until Monday with his mother, Mrs. L. C. Yates. They also visited Mr. and Mrs. Riely Yates and Mr. and Mrs. Doyle Stephens.

Mrs. Peter Hoytand her son-in-law and daughter, Mr. and Mrs. Dean Rose, of St. Louis, Missouri, spent the weekend with Mrs. Hoyt's mother, Mrs. Ruby Ellison, other relatives and friends.

LSD Film to be Shown Here This Morning

Two color films, "LSD" and "Trip to Where?", will be shown at 10:30 a.m. Thursday, April 24, at the Silverton High School. The public is invited, and no admission will be charged.

The films deal with the hallucinogenic drug LSD and are being shown as a public service by the U. S. Navy Recruiting Service and the Navy Reserve Training Center in Amarillo.

The films will explain the facts and expose the fictions concerning the use and abuse of LSD and other hallucinogenic drugs.

Water, Inc. is looking east for the most practical source of water. The Lower Mississippi River has a water surplus that may meet the need.

Import routes through Texas, Oklahoma, Louisiana and Arkansas are being studied by the Bureau of Reclamation, in coordination with the U. S. Army Corps of Engineers. Choice of routes will be based on cost/benefit factors involving construction, operation, maintenance and financing.

Water quality, pumping lifts, navigation, recreation, pollution, fish and wildlife are important considerations. Competition for routing is expected to be keen.

Water, Inc. is looking east for water and is looking to you for support. Your membership and active participation is vital to the success of the program. Every citizen has a stake in Water, Inc.'s success in bringing new water to the High Plains.

With new supplies of water the economic life of the High Plains will continue to grow. Agriculture is second only to the oil industry in providing jobs and livelihood for all of us. Your very future is at stake! Protect your economic well-being by joining Water, Inc. now! Help Water, Inc. bring about the import of new irrigation water.

The minimum is \$25.00 for individual memberships. Ten cents an acre is the membership fee for irrigated land in cultivation; five cents per acre for dryland in cultivation; and two cents per acre for rangeland. Businesses, industries and agencies are invited to become members also, and for these the minimum membership fee is also \$25.00.

Mr. and Mrs. Marlin Jarnagin and Steve hosted a family dinner Sunday. Attending were Mr. and Mrs. Jim Reid and Warren of El Paso; Mrs. Dusty McLeland and Kevin, Mr. and Mrs. Don Hall and Mr. and Mrs. Paul Stanford, Dwin Davis and his fiancée, Miss Rita Levine, all of Amarillo; Miss Martha Mills of Canyon; Mr. and Mrs. Richard Jarnagin, DeVona, DeLes and DeLana of Tulia; Mrs. D. H. Davis, Mr. and Mrs. O. C. Rampley, Mr. and Mrs. James Davis, Jim and Barbara, Mr. and Mrs. Leo Fleming, Wes, Annette, Scotti and Cary and Mr. and Mrs. L. E. Davis and Lanis.

Mr. and Mrs. Jerry Miller were in Amarillo Tuesday for his check-up following surgery.

Grabbe to Compete In Two State Events

Crockett Grabbe set a new regional record in the Interscholastic League Number Sense competition in Lubbock last week. Son of Mr. and Mrs. Warner B. Grabbe, the Silverton High School Senior scored 330 points, as compared to 325 earned by a Wink student for second place; 210 scored for third place by another Wink student; and the 100 points earned by a student for fourth place in the contest.

Valedictorian of the Class of 1969, Grabbe has attended the

State Number Sense event all four years of his high school career, and has won first place in the state the past two years. He has also participated in the state Slide Rule competition in past years.

He also placed second in the regional Science contest, and will enter the state Interscholastic League Science competition for the second consecutive year.

Austin will be the scene of both the state events May 1-3. Grabbe will be accompanied by his instructor, Dan Evans.

Grabbe Scores Third In Math Contest

Crockett Grabbe, a Senior in Silverton High School who is the son of Mr. and Mrs. Warner B. Grabbe, tied for third place in a math contest sponsored by the math department at West Texas State University last Thursday.

Tom Johnson of Borger High School took first-place honors. Second place went to John Plaster of Pampa.

Grabbe tied with Kenny Harris and Jack Thompson, both of Tascosa High School in Amarillo, for third place.

About 200 students from 24 area high schools participated in the contest, the first math contest held on the WTSU campus. Upon completion of the contest, the students toured the computer center and received information about mathematical careers.

Summer Program To Include Play School

The Summer Homemaking program will include a play school for boys and girls who are five or six years old who are still preschool children.

This type play school is good experience for the homemaking girls and will be fun for the children.

All parents who would like to have their child attend play school are asked to get the registration blank in to Mrs. Rubie Williams, teacher of home economics in Silverton High School, by May 23.

Brown is Vocalist in 'Seven Last Words' Federated Club Has Meeting

Sam Brown of Tulia, son of Mr. and Mrs. Roy S. Brown of Silverton, will be featured in two solo numbers when the First Baptist Church choir of Plainview presents "The Seven Last Words" on April 25-26-27.

Hour of the sacred cantata is 8:00 p.m. CST Friday and Saturday, and 9:00 CDT Sunday. Necessity for darkness is the reason for Sunday's later hour.

Brown is to sing "Verily Thou Shalt Be With Me Today in Paradise" and "Father, Into Thy Hands I Commend My Spirit." He was soloist in last year's presentation also.

Ninety-two members of the church choir and cast will appear in the presentation which turned away many people from the 1800-seat auditorium last year.

The cantata is presented with many special sound and lighting effects seldom seen in this area.

March of Time Study Club met in regular session April 17, with thirteen members present. The chairman, Mrs. Roy Mayfield, conducted the business session during which Mrs. True Burson was elected to serve as president for the coming year.

The devotional was given by Mrs. Alvie Mayfield.

Mrs. Rex Dickerson read a very interesting paper on the Age of Enlightenment taken from "A History of the World's Cultures."

Mrs. Alvie Mayfield served refreshments to Mrs. Lula Bellinger, Mrs. True Burson, Mrs. Troy Burson, Mrs. Clarence Anderson, Mrs. T. T. Crass, Mrs. Rex Dickerson, Mrs. R. L. Hill, Mrs. J. W. Lyon, jr., Mrs. Roy Mayfield, Mrs. Fred Mercer, Mrs. Marvin Montague and Mrs. Floyd Williams.

Dog Vaccinations Fewer This Year

Only 32 dogs have been vaccinated here this year. Last year, 69 dogs were vaccinated against rabies.

The City of Silverton has issued a warning to dog owners to protect against rabies by having your pets vaccinated.

Already this Spring two cases of rabies have been confirmed at Tulia.

Clinic Not To Open Here This Week

Announcement has been made that Dr. Eva deHemsi Snead will not be in her office this week.

No Meeting Planned For Survey Group

No meeting is planned this month by the Briscoe County Historical Survey Committee.

Mrs. Carl D. Bomar has been a patient in Swisher Memorial Hospital this week.

Take Stand Against Corporate Farming

The leader of a national organization which promotes agriculture and the rural community has spoken out by endorsing legislation introduced in the Texas Legislature to curb corporate farming. Msgr. John George Weber of Des Moines, Iowa, National Catholic Rural Life Conference Chairman, has issued a statement in support of HB 700 introduced by Rep. Charles Jungmichel of LaGrange. The Jungmichel bill would make

farming and ranching by conglomerate corporations illegal in Texas.

Msgr. Weber says, "Texas lost about four thousand farmers in 1968. With each seven or eight farms closed out, one business establishment on Main Street must also close. An estimate of twelve thousand people involved in this migration would be rather conservative. There are, undoubtedly, many reasons for this migration, the chief of which is the low income the farmer received for his investment, management, labor and risk. If 1968 were an exception to the trend, one might not be too alarmed, but this migration from the country to the city has been going on for years with many evil consequences.

"A new feature is developing in rural America which should alarm every citizen of our country. This new feature is the invasion

Engagement Announced

JUDY LYNN COOK

Mr. and Mrs. J. L. Cook of Nederland, Texas, announce the engagement and approaching marriage of their daughter, Judy Lynn, to Mr. William Earl Henriques, son of Mr. and Mrs. Lynn Welch of Silvertown.

Wedding vows are to be exchanged on Monday, June 2, in the Church of Christ at Nederland.

* NEW BABY

Mr. and Mrs. Dusty McLeland of Amarillo are parents of a son, Kevin Dale, born Wednesday, April 9. He weighed six pounds, four-

of agriculture by conglomerate corporations. According to a recent national seminar on corporation farming, there is evidence that these corporate interests are utilizing a number of devices, including vertical integration of food production by conglomerate corporations; purchases of huge blocks of land for hedging and speculative purposes; undermining of farm markets by price manipulation; by-passing of competitive markets; and mutually advantageous agreements with chain stores and food handlers. The manipulation of markets and the movement toward monopoly bodes ill for the consumer as well as for the farmer.

"The statement concludes: 'If large corporations and non-farm interests become predominant in agriculture, the need for many Main Street businesses, schools and churches and municipal facilities will be eliminated. . . This impact on community life makes the corporation farm invasion a human, as well as an economic problem. It is a problem which demands the concern of all Americans. Some actions recommended were: (1) the enactment of the Metcalf Bill on the national level which would limit the write-off of taxable non-farm income against farm losses; (2) the enactment of HR 676 introduced by Congressman Neal Smith, which would place weekly limits on the number of cattle slaughtered by meat packers from their own feedlots; (3) enactment of legislation to make credit available to young farmers on a long term, low interest basis; (4) the enactment of legislation to give farmers bargaining power as a counterbalancing force to the economic power of corporations; (5) the enactment by state legislatures of laws regulating corporation farming."

The church leader says that the Jungmichel bill will permit family corporations to engage in farming, but will eliminate conglomerate corporations from agriculture. He urges that farmers and rural people contact members of the legislature in support of the bills.

NEWS FROM THE COUNTY AGENT'S DESK

PLANT QUALITY SEED FOR TOP COTTON CROP

Cotton farmers in Briscoe County should make an extra effort to select and plant high quality seed this Spring.

Careful seed selection is important since there was a large amount of low germinating seed produced last year. Much of this seed came from hail damaged as well as late maturing cotton. On an areawide basis, the best

seed and a half ounces. Grandparents are Mr. and Mrs. John McLeland of Amarillo and Mr. and Mrs. L. E. Davis. Among the great-grandparents are Mr. and Mrs. James M. Johnson of Amarillo and Mrs. D. H. Davis.

germinating seed was produced under dryland conditions in the Southern portion of the High Plains. Fields receiving extra or late irrigations often produced seed of low germination, especially in northern areas.

Factors which contribute to immature fiber (low micronaire) also are responsible for immature seed which results in decreased germination. A heavy cleanout of light immature seed during cleaning and grading operations is often necessary to improve germination of this seed.

Both high and low germinating seed may be found in any one location in the area. But growers should make sure they know the quality of the seed they are planting.

The analysis tag on the bag tells the story regarding germination. Here the farmer will find the germination percent and date for the test.

For growers saving their own seed, you should send a sample to an official seed laboratory for purity and germination tests.

Planting seed should be sound; that is, it should have no excessive mechanical damage. And it should have a germination percent of 80 or more.

Planting high quality seed can save you money in the long run, by reducing the need for replanting. Low cost or so-called "bar-gain seed" of questionable germination can prove costly if poor stands are the result.

PRACTICE

You just can't get away from the old adage that the best way to learn "is by doing."

Experience counts, particularly if it is practiced experience. The professional athlete is experienced and talented; yet he maintains a practice schedule to keep in top form.

It is because experience and practice are closely related to success that we suggest it is wise to trade in the local business community.

The majority of our merchants and trades people have spent much time over the year tailoring their products and their services to the needs of the community. They're old hands at meeting local needs.

When you trade with the established local merchant you are doing business with someone who wants your business tomorrow as well as today. He hopes to satisfy. He has learned that it is a profitable practice.

Trade at Home for Your own sake! and community progress

THURSDAY, APRIL 24, 1969

Story Time In SHS

Once upon a time in the peaceful town of Silvertown lived Citizen X and Student Y. Student Y's family invited Citizen X to join them for a Sunday dinner one day, and this is what happened.

Citizen X related to the dinner guests how she had rushed out one bright morning to find the economy size, economy bottle of Scope lying innocently on her car seat. She felt that perhaps someone had meant to place it in another car, as her drive is adjacent to the carport of another home. Because if someone had intended to indicate to her that she had had breath, a small bottle would have served the purpose. Besides, she told them, she was a faithful user of Scope, and she always carried a bottle with her. Poor Citizen X told her family she didn't know what to do with the giant-size, economy bottle of Scope, but Student Y came to her rescue and exclaimed, "I know someone he would give it to! Citizen X was looking for him to have it, and told he would find it under the seat of her car."

Thresa's Ideal Boy

Wittiest—Monty Teepie

Time passed and Citizen X reminded Student Y to remove the bottle from her car a number of times, but it always seemed inconvenient for Student Y to pick it up.

But one day Student Y remembered and asked Citizen X if it would be all right for him to pick it up after school, but alas it was too late. Mother Nature had found someone she felt could use it, and thus caused the giant-size, economy bottle of Scope to freeze and break, and Citizen X's car hasn't had bad breath since Mother Nature's kind act.

Study Club Hosts Appreciation Tea

The Century of Progress Study Club held a book review and Teacher Appreciation Tea at the PCA building on Wednesday, April 9, 1969.

Mrs. Carman Rhode, former Silvertown teacher, reviewed the book, "Games People Play," by Eric Berne, M. D.

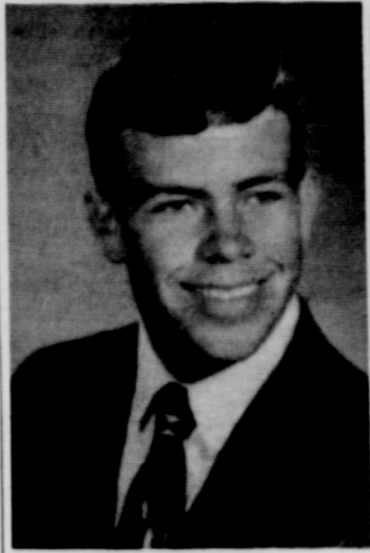

The following teachers attended and express their gratitude to the club for the courtesy extended to them: J. S. Hinds, Mr. and Mrs. O. C. Rampley, Mr. and Mrs. Bill Bailey, Bill Wood, Tom Pearson, Dan Evans, Doyle Williams, Mrs. Jessie Mae Watson, Mrs. Nina Martin, Mrs. Del Kleman, Mrs. Sherri Lorraine, Mrs. Rubie Williams, Mrs. Winnie Redin, Mrs. Myrtle Polachek, Mrs. Erma Luhman, Mrs. Pauline Turner, Mrs. Ruby Steele and Mrs. Annell Davis.

THANK YOU

The Junior class would like to publicly thank everyone who helped to make "Gone With The Wind" the success it was—the mothers who helped with the food and the many details; Kenneth Tate of Southwestern Public Service Company, who helped with the special lighting, and a special thanks to Mrs. LaNelle Montague, who spent many long hours on the beautiful mural.

Thanks also to the Sophomores who served the banquet: Evelyn Wood, Rhonda Dickerson, Lanis Davis, Barbara May, Leila Jo McPherson, Monty Teepie, Tommy Burson, Terry Bomar, Alvin May and Nicky Long.

Seniors of the Week

LANNIE ARNOLD

Lannie Arnold was born August 24, 1951. He stands 5'10" tall and has blue eyes and brown hair. His favorite food is shrimp, and rodeos are his favorite pastime.

He is a reporter for THE OWL'S HOOT this year. He has been a member of FBLA since his Junior year. He was a member of FFA in his Freshman and Sophomore years in high school, and was president of his Junior class.

Lannie has been an active participant in sports. He has played football all four years, and was an All-District player in his Junior year and was a co-captain this year. He played basketball every year and was a co-captain this year. He has taken part in track activities all four years of high school. Lannie is a four-year member of the S Club and is serving as secretary this year.

He was a member of both his Junior and Senior Play casts. He was chosen as Mr. Irresistible by the FHA chapter in his Sophomore year. This year, the student body chose Lannie as Most Handsome.

Lannie's favorite book is "1984," and his favorite movie is "Live A Little, Love A Little." The song he likes best is "Your Cheatin' Heart." His favorite subject is football. "Cheatin' referees" is his pet peeve.

Lannie plans to attend Tarleton State College following graduation.

JUANNAH NANCE

Juannah Nance is a 5'7" Senior girl who was born August 15, 1951. She has green eyes and brown hair. Her favorite pastime is being with other people and running around. Following graduation, she plans to attend college to major in art and fashion design.

Her favorite subjects are biology and speech. The songs she likes best are "Sunny" and "Stand By Your Man." Her favorite food is spaghetti and meatballs. The book she enjoyed most is "Gone With The Wind," and her favorite movie is "The Graduate."

Juannah was a member of the Pep Squad in her first three years of high school, and this year she was head cheerleader. She has been a member of FHA four years and is presently reporter of the organization. She was secretary of her Freshman class and treasurer of her Sophomore and Senior classes. As a Freshman, she was a member of FTA. She has been a Student Council representative in her Freshman and Senior years. As a Junior, she was elected as secretary of the Student Council.

She has participated in many activities. She has been a member of the girls' basketball team four years and was a co-captain of the team this year. She has played Powder Puff Football every year. She participated in track and tennis as a Junior. She played volleyball her Freshman, Junior and Senior years.

Juannah was a member of her Junior Play cast. She was chosen Best Dressed Girl by the student body in her Junior year. She was Freshman Class Favorite and was elected Wittiest Girl that same year. In her Sophomore year, she was chosen as Most Popular Girl. She was a Halloween Queen candidate her Freshman year. In 1968, she was Rodeo Queen and

Juniors Presented 'Gone With the Wind'

The Class of '69 was honored by the Class of '70 on April 19, 1969, with the traditional Junior-Senior Banquet, "Gone With The Wind."

The banquet theme was carried out in pink and white with streamers covering the walls and ceiling and a cloud-like parachute hanging over the spraying fountain. Picket fencing separated the eating area from the dance floor, which was the courtyard of a magnificent Southern mansion mural that looked as if someone was at home.

Steve Brown, Junior class president, welcomed the Seniors of '9 to the banquet, and Paul McWilliams responded on behalf of his Senior class. The invocation was given by O. C. Rampley, high school principal.

After the dinner, Carron Mon-

is the Lions Club Queen. She was a candidate for Rodeo Queen in 1966 and 1967. Juannah had perfect attendance records in her Freshman and Junior years.

Juannah's pet peeve is "poor English (especially the word ain't)."

Students Win Ribbons In District

Several Silvertown Junior High School students won ribbons in the district Interscholastic League contests held recently.

Joan Cross and Laura Arnold won first place in the spelling contest held at Claude.

Stan Martin placed second in Number Sense.

Placing second in Picture Memory were LaJoyce Polley, Lee Ann McMurtry, Susan Grabbe, Becky Francis, Ann Hardin and Debra Strange.

At the McLean track meet, Walter Carl Welch won first in the 1320-yard race.

DID YOU HEAR...

That several parents were out searching for their sons and daughters Friday night?

tague related the interesting history of the Senior class. Paul McWilliams read the Last Will and Testament of the Class of '69, and Barbara Davis predicted the future with the Class Prophecy.

Everyone was then invited to dance to the music of the UNDER-TAKERS.

Bad Words

"The poison of asps is upon their lips."
—Psalms 5:9

The spoken word can be the most damaging of all weapons. A false word can tear down a reputation. A lie can lend harm to a worthy cause. An ambiguous statement can deceive a good friend. Ridicule can be contagious.

There is a Christian way with words, which seeks the good rather than the scandalous, which relies on truth, never hearsay.

The Christian avoids the bad words and joins not in of his fellow man.

Seniors Honored

The 1969 Silvertown High School Seniors were honored by members of the First Baptist Church on Thursday night, April 17, in the church Fellowship Hall. A buffet supper was served.

A large centerpiece in the colors of the graduating class, yellow and white, decorated the head table. Tall white candles complemented the tables.

In addition to the members of the Senior class, those present included Rev. and Mrs. C. H. Murphy, Jr., Mr. and Mrs. Tom Pearson, Mr. and Mrs. James Alexander, Mr. and Mrs. J. S. Hinds, Mr. and Mrs. O. C. Rampley, Mr. and Mrs. Wayne Logan and Mr. and Mrs. Roger Edwards.

After dinner, entertainment was provided by Mrs. Nita Murphy, Sue and Wayne Logan and Roger Edwards.

The occasion was enjoyed very much by those who attended, and the class appreciates the work of those who made it possible.

Song Dedications

Rock Me Baby—Roy Dale Garrison
Honky-Tonk Season—Eighth Grade

In the Midnight Hour—Ronnie Something That She's Got—to Gail from Jimmy

Auld Lang Syne—Senior Boys

CARDS OF THANKS
 Thank you for the visits, pray-ers, cards, flowers and gifts while I was in the hospital and since I returned home.
 Stella Arnold

I wish to express my many thanks for the get-well cards, let-ters, flowers and prayers while I was in the Tulla and Amarillo hos-pitals and since I came home. I wish especially to thank Bro. Mur-phy for his prayers and visits.
 May God bless you now and al-ways.
 Mrs. Alma Brannon

WHAT MAKES NK 222 THE WORLD'S LARGEST SELLING GRAIN SORGHUM?

 You just can't beat the performance of NK 222. Plump berries of yellow endosperm grain thresh free and easy. And what a yielder! In regional trials it was the top yielder in the 5-year average. Loose heads dry evenly. Excellent smut resistance of NK 222 gives added protection against stress. Plant this high producing Northrup King grain sorghum, and make this year an even bigger year.
