All Around the Town
 by Mary Ann Sarchet

"The Country Editor," H. M. Baggaly, made some comments regarding travel on Highway 86 in last week's Tulia Herald that should be of interest to those of us who live and work along this route.

He had been visiting friends in Clovis, New Mexico, and wrote about his trip home:

"... Just out of Clovis on US 86 was a big sign urging traffic to take US 84 to Lubbock. A short distance down the highway was another sign asking traffic to stay on US 86 to Amarillo. Then there was a smaller sign erected by Muleshoe Chamber of Commerce inviting traffic to stay on US 84 and see Muleshoe's mule!

"We expected to take SH 86 to Tulia... but first thing we knew we were past Bovina... we had missed the cutoff. We backtracked, not only to get on SH 86 but to see why we hadn't seen the cutoff.

"All we found was a highway marker which said 'Dimmitt 35 Miles', a SH 86 emblem, and a cutoff exit which seemed to be about... the width of a foreign made car.

"It was probably normal width, but dirt or gravel had hidden about half the strip.

"California traffic on US 60 headed for Childress, Wichita Falls or the Dallas area would find SH 86 not only the most direct route but the most scenic. The road, with the exception of the little exit at Bovina, is excellent and one on which good time can be made.

"Many travelers are interested in saving miles when they can do so without sacrifice.

"Yet, who would ever be enticed to leave US 60, turning off on what looks like half of a one way strip at a sign which says only 'Dimmitt 35 Miles'?"

"Are the towns along SH 86 asleep? Why isn't there a Highway 86 association? Why don't towns along the route go together and erect a big sign, like those of Amarillo and Lubbock, at the cutoff, pointing out not only the scenic route between Silvertown and Turkey but the miles to be saved between Clovis and Wichita Falls or Dallas?"

"Someday Mackenzie Lake could be billed as a major attraction!"

"Another sign should be erected (at pardon the expression) Estelline where SH 86 joins US 287.

"Sometimes we wonder if such obvious neglect is due to mere lack of progressiveness... or by design.

"We doubt that there is a filling station, motel or restaurant between Bovina and Estelline that isn't crying for business... yet not the slightest effort apparently has been made to market a real asset to travelers between Clovis and the Dallas area.

"We are told that there isn't a filling station open at night between Childress and Bovina.

"No wonder."

Well, Silvertown merchants, here is our problem dumped in our laps by a challenge from the editor of the Tulia newspaper. Just why is it that we are sitting here waiting for "George to do it"? No new business will come raining down from the heavens without a little effort on our part. Do we agree that this might help us a little and forget about it, or do we try to take a little initiative in looking into this?

Quitaque is working hard to try to improve its situation. The people there have been participating during the past year in a state community improvement project. During April, the judges for the contest visited Quitaque, and seemed to be very impressed with improvements that have been made during the past year.

The judges stated that Quitaque is one of the top four communities in this region in the contest, and the people there are now eagerly awaiting the announcement of the first place winner, which will represent the region in statewide judging.

The contest judges suggested that Quitaque should make a concerted effort to publicize its colorful history, and suggested publication of a brochure.

Further down the highway, do

BRISCOE COUNTY NEWS

THURSDAY, MAY 1, 1967 SILVERTON, (Briscoe County) TEXAS VOLUME 61 NUMBER 18

First Silvertown Serviceman Wounded In Vietnam Action

Word was received here Saturday that Pfc. Clifford Rowell, son of Mrs. Charlie Rowell and the late Mr. Rowell, has been injured

in action in South Vietnam. Pfc. Rowell telephoned home from San Francisco, California.

with the assistance of a Red Cross nurse, who was apparently accompanying him by plane to San Antonio for further treatment. Dean Rowell talked to his brother by telephone again on Tuesday of this week.

The Rowell family had not heard from Clifford since February, but had not been notified of his injury until Saturday. A 1968 graduate of Silvertown High School, Pfc. Rowell had been in Vietnam only a few weeks when the injury occurred. He was employed at Nance's Food Store before entering the service.

4-H Contests Slated In Lubbock Saturday

Four-H boys and girls from 20 South Plains counties will compete for top honors in District 2 of the Texas Agricultural Extension Service during elimination contests in Lubbock Saturday, May 3, on the campus of Texas Technological College.

First and second place senior winners will be eligible to participate in the state contests scheduled during 4-H Roundup at Texas A&M University June 3-4, 1969.

The district contests will begin at 9:30 a.m., according to Extension District Agents Billy C. Gunter and Mrs. Aubrey W. Russell. Winners will be recognized at an awards program in the Student Union Ballroom at 2:00 p.m.

Presiding at the awards program will be Woody Anderson of Mitchell County. Brenda Jackson of Howard County will lead the pledge to the flag, and Steve Hill of Mitchell County will direct the recitation of the 4-H motto and creed. Lou Alice Mathis of Scurry County will give the response following a welcome by a representative of Texas Tech. Kelly Gaskins of Howard County will introduce guests.

Walker Nichols of Pioneer Natural Gas Company in Amarillo will present ribbons to the winners.

About 700 4-H'ers will participate in 28 individual and team demonstrations and contests. Junior and senior contests will be held in most instances although only senior winners will compete at the state level. To compete in the senior division, a member must be 14 years of age or older.

Demonstrations that will be a part of the day's competitive activities include civil defense, community improvement, cooperative dairy, electric, farm and ranch management, field crops, horse, natural resources, poultry, poultry marketing, safety, vegetable preparation and use, and vegetable production and marketing.

Other contests include beef cattle, business symposium, clothing educational activity, dairy judging, foods and nutrition educational activity, home improvement educational activity, livestock judging, money management educational activity, quarter horse judging, public speaking, range and pasture grass identification, rifle, share-the-fun, soil evaluation and tractor operation.

Counties in the district are Bailey, Lamb, Hale, Swisher, Briscoe, Floyd, Crosby, Cochran, Hockley, Lubbock, Yoakum, Terry, Lynn, Garza, Gaines, Dawson, Borden, Scurry, Howard and Mitchell.

you have any idea what all is going on in Turkey?

Well not only do they have a full-time doctor—while we have one on one afternoon a week—but a new dentist is presently moving there.

A boat trailer manufacturing firm has recently moved to Turkey and a school supply factory is moving there in the near future. In last week's Valley Tribune, they were advertising for women and men employees of all ages.

But, mind you, NOTHING drops into the laps of those who sit and wait. There are progressive people back of every worthwhile project, and SOME of the smaller towns are getting results.

New Feature Coming Up Soon In Briscoe County News

by Mary Ann Sarchet

Believe it or not! A new feature is coming up soon in your Briscoe County News, and I want everyone to be watching for it.

Four ministers of the community—Charles Cranford, Bob Sewell, Earl Cantwell and C. H. Murphy, Jr.—have consented to write a series of guest editorials beginning in June.

I've drawn names for the original "batting order," and have scheduled Bro. Cantwell to initiate the feature on June 5 (provided he doesn't start off using the publishers of the Briscoe County News as his subject, like he threatened he would; in that case, the first article might be cancelled at the last minute). He will be followed by Bro. Murphy on June 12; Bro. Sewell on June 19, and Bro. Cranford on June 26. These men have consented to write guest editorials for the local newspaper, with each contributing one column each month.

We're leaving their subject matter entirely up to them with only the restriction that they not get into a fight over doctrine; the editorials may comment on the world, national, state, local or even the interplanetary situation; marriage and family life; problems of young people; ways in which communication life could be improved; rearing children; responsibilities of citizenship; alcoholism and narcotics; those who slept through their Sunday morning sermon; events of importance in their churches; their pet peeves; responsibilities of parents to their children and children to their parents; and maybe even what Mrs. Jones wore to the P-TA meeting. I'm hoping that we will be able to persuade each of the ministers to write at least one column on the distinguishing beliefs of his faith.

When we discussed topics for the columns, Bro. Sewell commented: "Well, you know if you give a preacher an opportunity to write or talk, about the first thing he's going to do is jump up on his soapbox and start talking about religion." So I reminded him that I realized that when I dreamed up the idea, and I think most of us could benefit by it.

I am very pleased that these men—who are among the busiest people in town already—have consented to contribute to the local newspaper. Their columns should provide good food for thought for all of us.

New Rodeo Arena Being Discussed

Silvertown Young Farmers met Thursday, April 24, in the school vocational agriculture department with Wayne Stephens presiding, and discussed the building of a new rodeo arena. The club is seeking available land outside the city limits on which they could assist the Silvertown chapter of Future Farmers of America by providing a place for the boys who live in town to keep their livestock.

Don Cruce, FFA Supervisor, will be here Thursday, May 1, to meet with the Young Farmers to discuss the possibility of obtaining a loan from Farmers Home Administration for the purpose of building a new rodeo arena and facilities for the FFA project animals.

The meeting will begin at 8:30 p.m. in the vocational agriculture department.

Members present were G. W. Chappell, Joe Lee Bomar, Guinn Fitzgerald, Robert H. Hill, Joe Kitchens, Jimmy Myers, Tommy Perkins, Calvin Shelton and Wayne Stephens.

Recital Planned Here Sunday Evening

Piano and guitar students of Mrs. J. E. Jowell will be presented in recital at 7:30 p.m. Sunday, May 4, in the Silvertown School Auditorium.

The public is invited.

Plains Division Earns Merit Safety Award

Employees of the Plains Division of Southwestern Public Service Company, of which Silvertown is part, have been honored by the Texas Safety Association for working the entire year of 1966 without a lost-time injury.

The division's 255 employees worked 549,022 man-hours last year without a disabling injury. In addition to accumulating the perfect safety record for last year, the group recorded an exceptional improvement over their 1967 effort which showed a frequency rate of 5.13 disabling injuries for every million man-hours worked.

The division received an award of merit from the Texas Safety Association for Group C, organizations working 200,000 to 1,000,000 man-hours a year.

Jerry Hays of Plainview is the division safety and personnel supervisor, with the safety program carried on through local safety units. Chairman of the Floydada District safety unit is Kenneth Tate of Silvertown.

Town To Be Invaded By Hippies Tuesday

A warning has been issued to the residents of Silvertown that the town will be over-run with Hippies on Tuesday evening of next week.

They are expected to go from door to door with some wierd requests when the Student Council sponsors a Hippie Scavenger Hunt. Faculty and student body are asked to dress like Hippies, and meet at 7:30 p.m. at the school gym.

Cokes and cookies will be served at the gym following the scavenger hunt.

Four Are Candidates For Degrees At WTSU

Four students from Silvertown are among the 687 candidates for degrees at West Texas State University. Convocation will be in the Amarillo Civic Center May 18 at 4:30 p.m.

Dennis Tomlin and Orville Baker Turner, jr. are candidates for bachelor of science degrees. Seeking bachelor of business administration degrees are Diane Davis and Martha Mills.

Miss Davis is also a member of Alpha Chi, national honorary society. Members of the society are Juniors and Seniors who rank in the upper ten per cent of their class.

H. M. Baggaly of Tulia visited in the Charles Sarchet home Tuesday evening.

Athletic Banquet Tickets On Sale Now

Tickets to the Silvertown High School Athletic Banquet can be purchased from any member of the Quarterback Club.

The banquet will be held at 8:00 p.m. May 10 in the school cafeteria.

Derrell Martin is confined with mumps this week. His sister, Karen Lee, has recently had mumps also.

Money Needed For New School Project

Silvertown Young Farmers held a regular meeting Thursday, April 24, in the school ag department, and noted that slightly more than half the amount needed to build restrooms at the school football field has been received.

There is now \$550.00 in the special fund. The cost of building the restrooms will be approximately \$1,000.00.

Anyone wishing to donate to this project is asked to deposit any amount in the special account at First State Bank in Silvertown, or if you will call one of the Young Farmers, he will pick up your donation.

The building of a rodeo arena and FFA barn was discussed. The Young Farmers are interested in acquiring a parcel of land in or near Silvertown for this purpose. Anyone who has property that might be suitable for this purpose and who would like to sell it, is asked to contact one of the Young Farmers.

Those attending the meeting were Wayne Stephens, Calvin Shelton, Joe Kitchens, Jimmy Myers, Joe Bomar, Robert Hill and Dwain Henderson.

Water Meeting Slated Tonight At School

A Water, Inc. meeting is scheduled for 8:00 p.m. today (Thursday) in the Silvertown School Cafeteria.

All farmers, ranchers and agribusiness people who are interested in the future of this area are invited to attend.

Vel To Worm Horses Here Friday Morning

Dr. D. Benson, veterinarian from Claude, will be in Silvertown from 9:00 a.m. until 12:00 noon Friday to worm horses. The fee will be \$6.50.

According to County Agent Ken Cook, it is very important that all the horses should be off feed and water for 24 hours before worming, or it won't do any good. Horse owners are being urged by the County Agent to have their horses on the East side of the courthouse by 9:00 a.m.

ABOUT MUMPS—

Doctors advise that everyone who has not had mumps before reaching the age of twelve should take the mumps vaccine. There is a new, even more effective vaccine available, and adults are advised not to delay taking it if they haven't had mumps.

There are several cases of mumps being reported in Silvertown now. If you have been exposed to mumps and are in the process of taking it, the vaccine will not prevent your coming down with the disease. However, doctors advise that you do take the vaccine even if you suspect that you may have been exposed unless you already have a fever.

Water, Inc., is looking east for the most practical source of water. The Lower Mississippi River has a water surplus that may meet the need.

Import routes through Texas, Oklahoma, Louisiana and Arkansas are being studied by the Bureau of Reclamation, in coordination with the U. S. Army Corps of Engineers. Choice of routes will be based on cost/benefit factors involving construction, operation, maintenance and financing.

Water quality, pumping lifts, navigation, recreation, pollution, fish and wildlife are important considerations. Competition for routing is expected to be keen.

Water, Inc., is looking east for water and is looking to you for support. Your membership and active participation is vital to the success of the program. Every citizen has a stake in Water, Inc.'s success in bringing new water to the High Plains.

With new supplies of water the economic life of the High Plains will continue to grow. Agriculture is second only to the oil industry in providing jobs and livelihood for all of us. Your very future is at stake! Protect your economic well-being by joining Water, Inc. now! Help Water, Inc. bring about the import of new irrigation water.

The minimum is \$25.00 for individual memberships. Ten cents an acre is the membership fee for irrigated land in cultivation; five cents per acre for dryland in cultivation; and two cents per acre for rangeland. Businesses, industries and agencies are invited to become members also, and for these the minimum membership fee is also \$25.00.

Mrs. Wayne McMurry and Mrs. Pat Northcutt president and first vice president of Century of Progress Study Club, are shown presenting honor pins to the Silvertown High School valedictorian and salutatorian, Crockett Grabbe and Johnny Roy Weaver. All the SHS honor students received pins and were entertained at a breakfast earlier Wednesday morning. (Briscoe County News Photo)

The Legislative Loft

by Representative Tom Christian

With the 61st Legislature moving into the final month-and-a-half of the session, representatives from all corners of the State are charting a course of action of pet legislation.

This is a normal occurrence, but especially in this session with the introduction of more than 2,000 bills in the House and over 700 in the Senate. We're looking at more legislation than any previous Legislature.

As the lawmakers maneuver for a stronger position on their respective bills, the passage of legislation will be somewhat slowed. The result will be that a large number of bills won't receive proper consideration, if any, before the session closes. In many cases, however, this is the only way to get action taken.

When the House recently approved a constitutional amendment to allow the voters to decide on liquor by the drink on a local option basis, several of the representatives used their votes as a bargaining tool.

The measure passed by only a single vote more than the 100 needed, 101-44. It was the third reading for the bill. On the previous day it failed, 95-48.

House sponsors Rep. Dick McKissack of Dallas and Rep. Cletus Davis of Houston did say that no compromises, no trade-outs and no promises were made during their overnight work to pick up the five additional votes. It'll be interesting, however, to see which legislation receives prompt attention in the next three weeks.

In regard to the liquor by the drink bill, I voted against the measure on all three readings.

In other legislative business last week, the House passed a \$5.7 billion appropriations bill. The committee considered existing state funds and wrote the bill accordingly.

A teacher pay raise was not included in the bill and funds for the establishment of a vocational school at Amarillo Air Force Base were not included.

The bill will go to a ten-member conference committee composed of the chairman of the Appropriations Committee and four members of the Appropriations Committee of the House, and the chairman and four members of the Finance Committee of the Senate.

It is hoped that funds for the vocational school will be made available by the joint committee.

I was pleased to see State Senator Murray Watson of Mart introduce a bill which would again make it a violation of state law to sell or possess LSD or other hallucinogens. A similar bill by Senator Grady Hazelwood was recently ruled unconstitutional.

NEWS FROM THE

COUNTY AGENT'S DESK

HOME INSECT CONTROL

Most home gardens in Briscoe County are off to a good start. But insect control may be required some time during the growing season to keep them healthy and producing at maximum.

I will remind gardeners that not all insecticides are recommended for home garden use. Therefore, gardeners should learn to identify insects and the chemical which best controls them. Poor insect control may result in the use of the wrong insecticides and perhaps a bigger problem could come from insecticide residues on the treated vegetables.

The Food and Drug Administration has set restrictions on the use of insecticides applied to edible crops. Observance of these restrictions protects the consumer from the harmful residues.

Information on controlling insects in the home garden and a list of the insecticides which are widely used and generally available are included in "Control of Insects in the Home Garden". Copies are available at the County Extension Office.

I suggest that gardens be checked frequently for insect infestations, and if they are found, that control measures be applied before the situation gets out of hand.

W.M.S. Has Bible Study Here

The Bible Study for the W.M.S. of the First Baptist Church for the month of April was held in the home of Mrs. Shelby Haynes. The lesson on "The Cosmic Christ and The Core of Christian Faith," was taught by Mrs. Berton Hughes. The study question was: "What is the meaning of the term the 'Lordship of Christ?'"

The scripture was found in Colossians. All the members present took part in reading and discussing the lesson.

Mrs. Haynes served coffee and cake to Mrs. Billy Porter, Mrs. C. O. Allard, Mrs. W. H. Brooks, Mrs. Raymond McJimsey, Mrs. C. H. Murphy, Jr., Mrs. Rex Holt, Mrs. Walter Bean, Mrs. Allen Kellum, and Mrs. Berton Hughes.

Mrs. Billy Porter read the "Call to Prayer" and Mrs. Raymond McJimsey closed the meeting with prayer.

Mr. and Mrs. Max Garrison of Bryan spent the weekend with their parents, Mr. and Mrs. Norman Strange, Mr. and Mrs. Pascal Garrison, other relatives and friends.

HEADACHE PAIN

STANBACK gives you FAST relief from pains of headache, neuralgia, neuritis, and minor pains of arthritis, rheumatism. Because STANBACK contains several medically-approved and prescribed ingredients for fast relief, you can take STANBACK with confidence. Satisfaction guaranteed!

Fund Appeal Is Continuing Here

The first reports from volunteer workers in the 1969 fund appeal for the Salvation Army indicate the generosity of Briscoe County residents and their belief in the charitable works of the Salvation Army.

These contributions go to support the local charities administered by the local service unit committee as well as the statewide services of the Salvation Army.

One of these services is Camp Hoblitzelle near Midlothian, Texas. Local boys invited to attend this camp will attend the week's

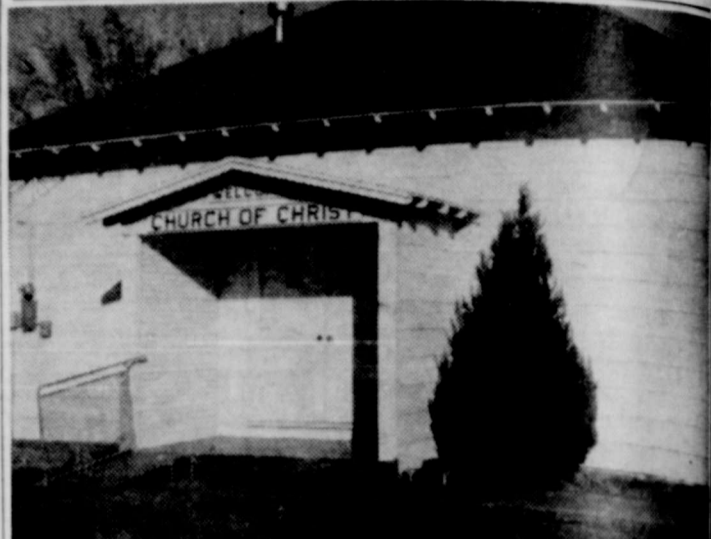

Mr. and Mrs. Glenn Smith and Lynn hosted a birthday dinner Sunday in honor of her sister, Mrs. L. V. Shockley of Memphis.

session beginning July 13, as the guests of the local service unit committee. The camp is supervised by trained Salvation Army personnel and is maintained by statewide services of the Salvation Army. Mrs. L. G. Kleman, school nurse for the Silvertown schools, serves as camp chairman for the local committee.

If you have not been contacted by one of the volunteers and wish to contribute to the Salvation Army, please mail your contribution to Jack Strange, treasurer, The Salvation Army, Silvertown, Texas.

Guests included their father, G. H. Thomas, Mr. and Mrs. Donnie Perkins and daughters and Mr. and Mrs. Terry West, all of Silvertown; Mr. and Mrs. Art Hardin of San Diego, California; Mrs. Josephine Johnston and David of Quitaque; Sammie Johnston of

Seniors of the Week

CLETUS GRADY, JR.

LEXIE YOUNGER

Cletus Grady, Jr. stands six feet tall. He was born July 30, 1951, and has brown eyes and brown hair. Mexican food is his favorite food, and playing pool is his favorite pastime. His pet peeve is "people who start rumors." His favorite subjects are history and track.

He was a member of FFA during his first three years of high school. Cletus was chosen as the Sophomore Class Favorite, and he is vice president of his Senior class this year.

Cletus has participated in football all four years and was a co-captain of the Silverton Owls this year. He has taken part in track events every year. In his Junior year, he qualified for the state track meet in the 440-yard dash.

He is a four-year member of the Club and is president of that organization this year.

Cletus plans to attend college this fall.

Lexie Younger was born June 18, 1951. She stands 5'5 1/2" tall and has blue eyes and blonde hair. Mexican food is her favorite food. Her pet peeve is "people who tell everything they know." She plans to be married this summer.

She has been a member of the Pep Squad and FFA all four years. She has participated in the annual powder puff football game every year and was a co-captain this year. She has played basketball all four years and was a co-captain this year. Lexie has played volleyball every year, and also participated in track her Junior year.

Lexie's favorite pastime is watching good movies. "Crimson and Clover" is the song she likes best. Her favorite book is "Wild Don't Hugs," and her favorite movie is "The Good, the Bad and the Ugly." Homemaking is the subject she enjoys most.

Senior Prophecy

On the 31st day of December in the year of our Lord, "Nineteen hundred and eighty-nine in the halls of Silverton High School, I, Barbara Davis Perkins, have just arrived at the twenty-year reunion of the Class of '69."

As I came in, I saw Lannie Arnold, now the first cowboy President of the United States, and his wife, the former Paula Birdwell. I complimented Mrs. Arnold on what a fine job she has done since she took over the beautification of America, and that her husband's suggestion of having hitching posts instead of parking lots was brilliant.

When I came in, I could tell the party was in full swing when Crockett Grabbe, an Einstein in his own time but unfortunate enough as to forget how to tie his own shoelaces, came staggering by, inebriated on a single sip of champagne.

Shadowing him was Anita Loyd. I found out later that she has become a psychiatrist and is studying Crockett for medical history.

As I walked along the halls of SHS, I decided to stop in at the office. O. C. and Faye Rampney, who had decided to retire so they could visit with their eleven grandchildren, were visiting the new principal and typing teacher, Bill Wood and Diana Strange Wood. I noticed that Diana is now running the school as Faye Gene and had the walls painted hot pink.

Even though Silverton has become a Metropolis, they have not built a new school, but Gary Whitfill, president of the school board, is working on it. Oh, yes. Gary and Sue Lynn are married and are working out on the old farm place.

At the end of the hall, I was surprised to see Jackie Davis, who was named Horse-Shoer of the Year, shoeing a horse. It turned out that the horse was Roy Dale Wood's, that he never travels anywhere without it. Roy Dale made it to the party by coincidence. He had traveled from his Australian ranch to take part in the famous Silverton rodeo, and arrived here just in time for our reunion.

I thought I would say hello to them. That was all I did because Danny Vaughan was visiting with them, and, no matter what, he cannot rid himself of that strong odor that he picks up at his pig farm.

I then smelled smoke. I looked around and nearly panicked when I saw Juannah tied up with a fire under her and miniature Indians running all around. Cletus Grady, Jr. appeared and quickly extinguished the fire according to the instructions in his forest ranger guide. It seemed the reason for the fire was Juannah had finally caught her cowboy and now had ten little Indians.

Jimmy Walker and Gail Ann finally were married after a five-year courtship, and the last words

Jimmy was able to say were "I do" at the wedding.

A man with one of those perfect physiques appeared and it turned out to be Mike Tate. He is now a bouncer at a nightclub and is noted for his body building courses.

It seems that both Betty Weathered and L. H. Ivory have gone in for government. Betty has become a special tutor for the President's children. L. H. is a five-star General with a sideline career as another Ray Charles. The only hardship that seems to have come to him is that he had to shave his goatee and mustache.

I see that famous Paris fashion model, Nancy Reid, has come from Europe for the reunion. Also, Jackie Carol Tate has made it in from Hollywood, where she is a famous singer on the Lawrence Welk Show.

I observed that still-handsome Donald Weast, now editor of Playboy magazine, talking with a strange red-haired man. It finally dawned on me that it was Johnny Roy Weaver without freckles. Johnny Roy finally created a freckle-removing cream and is raking in the money manufacturing it.

One of his best customers is Kathy Self Frizzell. Can you imagine? After twenty years and twelve children, she still has her figure of 1969. And, Lexie Younger Gilkeyson is still gloomy because Kathy got married before her.

As I looked around, I noticed that the girls made it up the Cap for our party. Carron Montague Hutchison has become the first lady Mayor of Quitaque and has taken on the task of remodeling all of Quitaque as a replica of the Silverton of 1969.

Quitaque has finally been put on the map! Lenda Crabb Clark has won world fame with her gym leader abilities, and is consulted by coaches the world over.

Carol Montague Turner is living on a ranch near Flomot, and it takes her ten minutes to ride her horse to the Flomot school where she teaches.

I noticed two beautiful Spanish girls at our affair. They were Mary Garcia and Maria Martinez. Mary is now the modern dance instructor at West Texas State University. After Maria lost all her weight, she has opened a Health Center that many movie stars attend.

Kathi Perkins Hubbard and her husband have moved back to Texas after California and their home fell into the Pacific.

Ginger Martin Mullin finally arrived with that same wonderful suntan, only this time she got it in Acapulco, where Ronald Lynn is doing scuba diving.

I was astounded at Larry Comer's actions. It seems that the famous Dr. Paul Ray McWilliams, M.D., Ph. D., M.S., B.S.E.P., has finally stopped going to school and performed a major brain surgery on Larry. It made him into a perfect gentleman!

GUEST EDITORIAL

I am worried about the destruction which occurred in our school building a few weeks ago. It seems that it was done by one or more of our children who are in school now.

I believe that the parents should be able to discover who did it. If we can't, I think the school should. If the parents or school cannot, then I think the law should.

Any child or young person who would throw books—hundreds of them—on the floor, break cases in the science lab, or do any of the other things that were done, must be very unhappy or under very great stress. He needs help, and I believe he really wants help.

If nothing is done, and the guilty ones do not confess, or are not found out, think what a load they are carrying on their minds and consciences. It would be enough, it seems to me, to turn them into confirmed delinquents or nervous wrecks. Of course, we all hope that our children would not do such acts of vandalism, but some of them did! In a small, closely-knit community like ours, what hurts one of us hurts all of us.

Let's not make matters worse by blaming some of the children who are not guilty. Let's talk with our children—let's find out who did it! Then let them know that as parents, we feel just as responsible as the students do, and that we will help them in every way possible. We will appear with them before the school to apologize and ask for forgiveness. Then we will trust them never to commit such acts again.

It is possible that good could result to the offenders and to others, but not if the guilty persons do not make amends.

I have had children in school, and now I have grandchildren—one a Freshman in college, one a Sophomore in high school. I feel even more concerned for them than I did for my children, because, it seems to me, that they are confronted by more opportunities for going wrong than any generation before them has been.

The boys and girls in our school are very dear to me. I want to help them more than I want anything. It is such a joy to see them working, playing, meeting the challenges that come to them and when they are successful. How sad when they fail, but we love them none the less.

We hope and pray that we can help them so that the next time they will be stronger.

Mrs. A. L. Redin

HOME ECONOMICS STUDENTS VISIT COLONY CATHERINE

Monday, April 28, Mrs. Rubie Williams and her home economics classes went on a field trip to Colony Catherine in Amarillo. The tour consisted of visiting the Barn, where the actual designing takes place; the Printing Studio, where the designs are printed, and the printer made up something for the classes to actually see it being done. In the Craft Center, where the craftsmen and artists actually work, they saw pottery being handblown. There were also painters doing prints as well as oils. The full tour took about two hours.

The girls would like to express appreciation to Mmes. Lowrey, Jasper, Jarrett, Lee, Carolyn Montague, LaNelle Montague, Williams, Sissney, Arnold and their sponsor, Mrs. Rubie Williams, for sponsoring the trip.

CALENDAR OF EVENTS

May 3—FFA State Contest
May 6—Baseball with Bovina, here at 4:00 p.m.

Our reunion ended too quickly, but no one felt like going on with the party without Ronnie Sharp there. He had to leave to start on his night watchman's duty now that he has taken over Bob McDaniel's job.

I must get home, too, because Jerry cannot take care of the three sets of twins very long by himself.

We ended the party by singing Auld Lang Syne so that the boys would be happy, and besides, it was nearly New Year's Eve, the appropriate time.

Future Homemakers Hold State Meeting In Dallas May 2-3

The annual state meeting of Future Homemakers of America, an organization of high school home-making students, will be held in Memorial Auditorium in Dallas May 2-3.

More than 5000 members and advisors representing 75,000 members in 1550 chapters throughout the state will attend.

Representing the Silverton Chapter as voting delegate will be Cathy Jones, president-elect of the local chapter. Cynthia Sutton will sing in the state choir. Thresa Tate, high-point girl for the year, will represent the local chapter also. Mrs. Rubie Williams will accompany the girls to the state meeting, theme of which is "FHA: Gateway to Dreams."

Keynote speaker will be Miss Marilyn Van Derbur, former Miss America, who has chosen "Goals and Dreams" as the topic of her talk.

Nearly 500 Future Homemakers from all over the state will be honored as they receive the State Degree of Achievement, highest award given by the organization.

A state chorus composed of 100 girls chosen by their Areas to participate will be featured. The group will be under the direction of Joseph R. Abston, director of christian music, Tyler Street Methodist Church in Dallas.

The climax of the Saturday morning business session will be installation of the 1969-70 state officers. At this time ten officers elected through chapter participation throughout the state will be placed in office. A newly-elected president will receive the gavel from Thel Daniel, Spearman, 1968-69 State FHA President.

The Future Homemakers of America organization is sponsored by the Homemaking Division of the Texas Education Agency with Mrs. Betty Romans serving as State Advisor. Homemaking teachers serve as advisors to the local chapters.

Student Council Officers Elected

The Junior, Sophomore, Freshman and Eighth Grade classes met Tuesday, April 22, and nominated officers for the 1969-70 Student Council.

Nominated were Steve Brown and Jay Long, president; Alvin May, vice president; Thurman May, Lanis Davis, Quinn Montague and John Burson, treasurer; Cathy Jones, Trent Brown and Art Hamilton, treasurer.

Elections were held Thursday, April 24, during the noon hour. Elected on the first ballot were Steve Brown, president; Alvin May, vice president; Trent Brown, treasurer. A run-off was held between Thurman May and Lanis Davis for secretary, with Lanis winning the office on the second ballot.

These officers will attend the State Student Council Workshop in Dallas during July.

Junior Class News

Tuesday, April 22, the Class of '70 met to nominate officers for the Student Council for the 1969-70 school term.

Nominated were Steve Brown, president; Alvin May, vice president; Thurman May, secretary; Cathy Jones, treasurer.

F. B. I. A. NEWS

The FBLA Chapter met Friday morning for a regular business meeting. Rhonda Dickerson, Evelyn Wood and Lanis Davis gave speeches for their Supervisors DeGreese.

All members were urged to complete their degrees so they could qualify for an office next year.

ANNUAL PICTURES TAKEN

Friday morning, April 25, pictures were taken of various organizations in the school.

Pictures were also made of several athletic teams that were not taken earlier in the year. All of the pictures will appear in the 1968-69 annual to be received in the summer.

LAST WILL AND TESTAMENT OF THE SENIOR CLASS OF 1969

We, the Seniors of 1969, being of reasonably sound mind and body, do hereby will and bequeath to the Senior Class of 1970 the following:

I, Jackie Carol Tate will my curly hair to Teresa Martinez.

I, Barbara Lynne Davis, will my ability to catch a soldier boy to Katy Minyard and my long engagement to anyone who can stand it.

I, Donald Weast, leave my innocent expressions to Steve Brown and guarantee that they will work.

I, Crockett Grabbe, will my ability to argue with the incompetent teachers to Jerry Bean and to Gerry James I leave my football uniform.

To Jimmy McWilliams, I, Gary Whitfill will my knack for dragging my feet.

I, Anita Loyd, will my straight, black hair to Janet Montague.

I, Lenda Crabb, will my smile to Judy McCreavens so she can use it when she moves.

I, Maria Martinez, will my ability not to gossip to Marilyn Minyard in hope that she will use it sometimes.

I, Carol Ann Montague, will my short cheerleader's skirt to Cathy Jones in hope that Bill will let her wear it.

I, Nancy Reid, will my 4-H record book to Roy Garrison so maybe she can win State and I'll throw in my Aggie jokes since I've already caught me an Aggie.

I, Betty Weathered, will my basketball ability to Jerlene so that maybe she'll get a suit next year.

I, Jimmy Walker, will Gail Ann to Gayla so she can keep an eye on her while I'm away next year.

I, Larry Comer, with deepest regrets, will my English teacher to Marsha Teeple.

I, Mary Garcia, will my beauty mark to Cecilia so she'll have two.

I, Lannie Arnold, will my Senior ring to Paula Birdwell, since she already has it.

I, Danny Vaughan, leave my ability to be the Ag teacher's pet to Max Weaver.

I, Carron Montague, will the can of Metrecol that Ronnie gave me at Valentines to Margaret Stidham, in hope it will help.

I, Kathi Perkins, will my ability to be getting married and nobody knowing it to Cynthia Sutton.

To Gary Martin, I, Cletus Grady will my ability to misspell my name along with most everything else I write.

I, L. H. Ivory, will my ability to grow a beard to Ernest Garcia.

I, Johnny Roy Weaver, will my red hair to Jay Long so Terry Bomar can get on his nerves next year.

I, Diana Strange, will my bird legs to Pat Jarrett.

I, Ronnie Sharp will my ability to do anything under the sun and not get caught to Ricky McWilliams.

I, Lexie Younger, will my blonde hairpiece to Edna Gallington and ask her not to worry if Coach Higgins thinks it's a spiccer: he always has.

To Max Hamilton, I, Paul Ray McWilliams will my ability to fall down at anytime, anyplace, on any basketball court under any circumstances.

I, Mike Tate, will my ability to get my sisters dates with my best friends to Rod Vaughan.

I, Roy Dale Wood, will my missing finger to the biology lab in order to further the study of transplants.

I, Kathi Self, will my ability to keep my mouth shut and be quiet to Gail Mayfield.

I, Ginger Mullin, will my ability to get married before graduation to Janet Montague.

Mike Tate, Larry Comer, Ronnie Sharp, Johnny Weaver and Gary Whitfill will the Senior BOMB to Thurman May, Bill Brooks, and Max Weaver. We hope if they can get it to run they will have as much fun riding the rails as we have had.

The Senior girls will the black coupe that they never quite purchased from Crass Motor Co., to next year's Senior girls, in hope that they may do more than test drive it twice a week.

Finally, the Seniors leave their dear, beloved sponsor, Mr. Tom C. Pearson along with his beautiful wife, and that wonderful old Jeep to next year's Seniors, in hope that they can put up with him as long as we have been able to.

SENIOR CLASS HISTORY

On September 1, sixty-two tiny first graders made their debut in the Silverton Public Schools. We were a little frightened. We were very reluctant to take our afternoon naps, and why shouldn't we be? We were Big Kids! We soon forgot about the naps during our chocolate milk breaks, though.

In the second grade, Donald Dee Weast had a calamity. He had to have stitches in his nose because he got a little excited and ran into the monkey bars.

Many of us went on our first train ride in the third grade, all the way from Plainview to Tulia. Carol Montague was severely reprimanded when she placed a big black spider in Mrs. Wilmeth's lunch plate.

Larry Comer caused quite a commotion when he fainted in the fourth grade. Mrs. Snell thought he was asleep on the floor.

In the fifth grade, the girls were getting a little mean. Gary Whitfill just couldn't get Suzie Arnold to let him out of that neck hold. The boys developed a new insecticide and it really worked! They would beat ants with their belts.

Everyone was really grown up in the sixth grade. We were allowed to go to the Palace Theatre unchaperoned.

Romance really bloomed in the seventh grade. Mike Tate and Jackie Tate were always arguing over who was a better cook. Mike finally proved it. He cooked a fish stick and brought it to Jackie Carol all wrapped in foil. Paul Ray McWilliams and Juannah Nance were sitting in a tree house when the big moment of their first kiss came. Paul Ray blurted out, "Are you ready—there's a first time for everything!"

Mike Tate also enjoyed playing Smokey the Bear in the eighth grade, only this time he didn't get his fire put out. The whole house burned. Cletus Grady and Donald Weast really enjoyed entering contests. The most important one was when they saw who could get the most licks in Zobie's class. The prize was the board. It seems that Johnny Roy Weaver was a regular little Romeo back in the eighth grade. Carron Montague and Roy Garrison wouldn't speak for the longest time because they were fighting over Johnny Roy.

On May 20, 1965, we graduated into high school. Oh! what a glorious day for the forty-three in our graduating class.

The following August we made the scene in the high school building. It wasn't really much of a scene though; everyone hid. Roy Dale Wood moved here that year. A few girls appeared lost after Kangaroo Court, but they were only hiding.

After a trivial year, we finally moved on to be Silly Sophomores. That was the year we took Mr. Leggett to the Haunted House.

Miss Brister was our Junior Class Sponsor. What a year! Gary Whitfill must have had something going, though; one night he was spotted walking back from the graveyard with her.

We have now climbed the ladder all the way to the Senior Position. There has been much excitement this year: the arrival of our rings, our Senior pictures and our graduation announcements. Of the sixty-two that started out together, there are only 25 still here. They are Lannie Arnold, Lexie Younger, Jackie Davis, Mary Garcia, Ginger Martin Mullin, Paul Ray McWilliams, Juannah Nance, Nancy Reid, Kathy Self, Ronnie Sharp, Diana Strange, Mike Tate, Jimmy Walker, Johnny Roy Weaver, Gary Whitfill, Larry Comer, Barbara Davis, Crockett Grabbe, Anita Loyd, Carron Montague, Carol Montague, Kathi Perkins, Jackie Tate, Danny Vaughan and Donald Weast.

Twelve years ago we admired those big Seniors. It doesn't seem possible, but now we are Seniors.

Twelve years ago we admired those big Seniors. It doesn't seem possible, but now we are Seniors.

MRS. REDIN ATTENDING READING CONVENTION

Mrs. A. L. Redin, reading specialist, left Wednesday, April 30, to attend a meeting of the International Reading Association. The program is scheduled to continue through Saturday afternoon.

Distinguished leaders in the field of reading from across the United States and Canada will present various phases of the techniques of teaching reading.

Mrs. Lucille Moseley and Mrs. Betty Wise, both of Quitaque; Mrs. Hazel Douglas of Tulia, and Mrs. Redin will fly to Kansas City, Missouri, by TWA Airlines, and expect to return Sunday, May 4.

Schedule For Closing Days Of School

Thursday, May 22, and Friday, May 23, Seniors will take final exams in order that their grades may be processed before Baccalaureate Services are held on Sunday, May 25.

All other students will take final exams on Monday, May 26, and Tuesday, May 27.

Students will not be required to attend school on Wednesday, May 28, as this day is provided for teachers to average grades and prepare final reports. A special lunch will be prepared for all teachers on Wednesday, May 28.

Buses will run Thursday, May 29, for students to attend school to receive report cards, and the buses will return the students to their homes. Buses will run at the regular time schedule.

GRUESOME TWOSOME TURMOIL

by Evelyn and Rhonda
Through the week we toil in strife,
To stay out of trouble with O. C. and wife.
She thumps our heads and slaps our hand,
It's a "no-no" to talk and laugh and stand.

Then the week-end arrives at late
We can leave this prison and go on a date.
Up the Caprock they will come,
The Flomot Flunkie and the Quitaque Dum-Dum!!!

Monday pounces back much too soon,
And we're back again in our little cocoon;
To get a slap or thump or a lick
For making zeros with our poem-writing Bic.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: C. N. MARSHALL and wife, MRS. C. N. MARSHALL, if living, and if not living then the unknown heirs and legal representatives of C. N. Marshall and wife, Mrs. C. N. Marshall; D. A. RADLE and wife, MRS. D. A. RADLE, if living, and if not living then the unknown heirs and legal representatives of D. A. Radle and wife, Mrs. D. A. Radle; FLOYD COUNTY LUMBER COMPANY, if presently in existence or to the assigns or representatives of Floyd County Lumber Company; SOUTH PLAINS LUMBER COMPANY, if presently in existence or to the assigns or representatives of South Plains Lumber Company; W. B. KELLOGG COMPANY, if presently in existence or to the assigns or representatives of W. B. Kellogg Company; R. C. READ & COMPANY, if presently in existence or to the assigns or representatives of R. C. Read & Company; and McDONALD AUTO SUPPLY COMPANY, INC., if presently in existence or to the assigns or representatives of McDonald Auto Supply Company, Inc., Defendants; Greetings:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Briscoe County, Texas, at the Court-house thereof in Silverton, Texas, by filing a written answer at or before 10:00 o'clock A.M. of the Monday next after the expiration of forty-two (42) days from the date of issuance of this citation, same being the 16th day of June, 1969, to Plaintiffs' Petition filed in said Court on the 29th day of April, 1969, in this cause, Numbered 1927 on the Docket of said Court and styled PATSY JEAN RUCKER, ET AL, Plaintiffs, vs. C. N. MARSHALL, ET AL, Defendants, in which PATSY JEAN RUCKER and husband, WILLIAM A. RUCKER, and DONNA JEAN MARTIN, a minor, by her next friend and mother, PATSY JEAN RUCKER, are the Plaintiffs and the Defendants are those persons, firms and/or companies first named in this writ and to whom it is directed.

A brief statement of the nature of this suit is as follows:

A suit in statutory trespass to try title to the following described property situated in the County of Briscoe, Texas:

One-half (1/2) acre of land, more or less, out of Section No. 28, Block 3, Certificate No. 2/876, issued to T&P Ry. Co., described by metes and bounds as follows:

Beginning at a point in the West line of said Section 3042.9 ft. N. of the S.W. corner thereof;

Thence South 89° 49' 10" E. 1617.7 ft. to a point in the North line of the town of Quitaque, said point being the N.W. corner of Block 21 in said town;

Thence North 187 1/2 feet to a stake for the S.W. corner of this tract;

Thence East 140 feet to a stake for the S.E. corner of this tract;

Thence North 127 1/2 feet to a stake for the N. E. corner of this tract;

Thence West 140 feet to N.W. corner of this tract;

Thence South 127 1/2 feet to the place of beginning.

Same being out of the North 272 2/5 acres of Section 28, sold by B. L. Jago to W. T. McBride, and situated in the town of Quitaque, Briscoe County, Texas.

Plaintiffs claim title in fee simple to above described property and claim title by virtue of the three (3), five (5) and ten (10) year statutes of limitations as provided by the Revised Civil Statutes of Texas, as is more fully shown by Plaintiffs' Petition on file in this suit.

If this citation is not served within ninety (90) days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to the requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and seal of said Court at Silverton, Texas, this 29th day of April, 1969.

/s/ Bertha Pavlicek
Clerk, District Court,
Briscoe County, Texas.

Dorcas Class Meets At Baptist Church

The Dorcas Sunday School Class met at the First Baptist Church at 2:30 p.m. Friday, April 25, with Mrs. Leavie Criswell as hostess. The group enjoyed singing several

Scholars," was carried out with paper footprints that led from the door to a ladder topped with a certificate of honor awaiting all students who are able to achieve all A's in all subjects during a six-week school period, or for a semester average. Footsteps on the rungs of the ladder bore the names of the honor students who were invited to the breakfast.

The welcome was given by Mrs. Wayne McMurtry, Century of Progress Study Club president, and J. S. Hinds responded on behalf of the administration and students being honored.

Mrs. C. H. Murphy, jr., accompanied by Mrs. McMurtry at the piano, sang "Climb Every Mountain."

Guests attending were Superintendent and Mrs. J. S. Hinds, Principal and Mrs. O. C. Rampley, Rev. and Mrs. C. H. Murphy, jr., Mr. and Mrs. Wayne McMurtry, Betty Weathered, Barbara Davis, Carron Montague, Paul Ray McWilliams, Johnny Roy Weaver, Kathy Self, Danny Vaughan, Crockett Grabbe, Gary Martin, Max Hamilton, Janet Montague, Roy Dale Garrison, Paula Birdwell, Lois Arnold, Cindy Cross, Colene Culwell, Terry Jones and Lanis Davis.

Also invited, but not in attendance, were Jackie Tiffin, Mike Tate, Katy Minyard and Cathy Jones.

Special honor pins were presented by the club president at a 10:40 a.m. assembly program. The project has been an annual one for several years, and its purpose is to encourage students to achieve higher scholastic standards in the Silverton High School.

THE STATE OF TEXAS

TO: B. D. WITCHER and wife TED WITCHER; the unknown heirs of any such persons who may now be deceased, their unknown heirs and legal representatives, and the unknown heirs of any of such unknown heirs who may now be deceased, their unknown heirs and legal representatives; GREETING:

You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 9th day of June, A. D., 1969, at or before 10 o'clock A. M., before the Honorable District Court of Briscoe County, at the Court House in Silverton, Texas.

Said plaintiff's petition was filed on the 24 day of April, 1969. The file number of said suit being No. 1926.

The names of the parties in said suit are Robert C. Clary and wife Wilma Clary as Plaintiffs, and the persons first named, described and designated in this writ and to whom this writ is directed and M. D. Witcher, Mrs. E. E. Forrester and Mrs. George Lafin as Defendants.

The nature of said suit being substantially as follows, to wit:

Suit in trespass to try title for title to and possession of the following described real property situated in Briscoe County, Texas:

All of a tract of land out of Section No. 28, in Block No. 3, Certificate 2/876, issued to T&P Railway Company, Abstract 1021, situated in Briscoe County, Texas, and described by metes and bounds as follows:

Beginning at a point in the North line of the Original Town-site of Quitaque, Texas, said point being 330 feet East of the Northwest corner of Block No. 21 of the Town of Quitaque; Thence North 127 1/2 feet to the Northwest corner of this tract; Thence East 50 feet to the Northeast corner of this tract; Thence South 127 1/2 feet to the Southeast corner of this tract; Thence West 50 feet to the place of beginning; Plaintiffs pleading fee simple ownership thereof and specially pleading of limitation as to such real property and praying judgment for title and possession thereof.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 24th. day of April, A. D., 1969.

Given under my hand and seal of said Court, at office in Silverton, Texas, this the 24th. day of April, A. D., 1969.

songs. Mrs. Belle Olive led the prayer, and the devotional, "Faith," was by Mrs. Blanche Newman. The minutes and treasurer's report were given by Mrs. Ruby Garvin.

A prayer was offered by the teacher, Mrs. Ima Harrison, after which Mrs. Criswell had charge of the program. Each member represented a disciple and told of his life and the other members were asked to name the disciple.

A poem, "Heaven," was given by Mrs. Criswell.

The favorite song of the class, "God Be With You Till We Meet Again," was sung. The closing prayer was given by Mrs. Stella Cearley.

Refreshments were served to Mmes. Cearley, Opal Hyatt, Harrison, Stella McJimsey, Garvin, Maud McJimsey, Newman, Criswell, and two visitors, Mrs. Olive and Betty.

Next meeting will be Friday, May 23, at 2:30 p.m. with Mrs. Mary May as hostess. Mrs. Maud McJimsey is to give the devotional.

Former Resident Buried Here Monday

Ira Franklin (Shorty) Shaffer was buried in the Silverton Cemetery Monday afternoon, with arrangements under the direction of the Silverton Funeral Home.

Mr. Shaffer moved to Silverton in 1929 with the railroad. He farmed east of town from 1936 to 1944.

He was a member of the Methodist Church and of the IOOF Lodge. He was a resident of Truth or Consequences, New Mexico, at the time of his death.

Survivors include two sons, Frank Shaffer of Perryton and Jack Shaffer of Lakeside, Arizona; seven grandchildren and three great-grandchildren.

Pallbearers were Winston Hamilton, Bryant Eddleman, Pete Chitty, Glenn McWilliams, R. C. Kitchens and James Patton.

When Sisters Get Together

When the Sanders sisters, formerly of Hedley, get together, they can form a team to participate in just about whatever they chose. Their long suit used to be basketball, but lately they've been doing pretty well at volleyball.

There are nine of them (they also have one brother), including Jean (Mrs. Jarrell Rice of Quitaque) and Tobytha (Mrs. Billy Wiggins of Silverton) who live in Briscoe County now.

The family team recently participated in a volleyball tournament at Hedley, and won second place.

Debra Strange has been out of school this week with mumps.

Kellus Reeves Buried In Louisiana Friday

Funeral services for Kellus Reeves, 90, were conducted Friday at 10:30 a.m. in the Evergreen, Louisiana, Baptist Church. Burial followed in the Evergreen Cemetery.

Reeves, who lived near the Floyd-Briscoe county line in the early 1880's, was reared and worked as a cowboy while a young man in Briscoe County. Later he had a ranch in Floyd County and was a cattle trader.

He lived in the Lockney area until the 1930's, when he moved to New Mexico. He had been living in Louisiana about 15 years.

Survivors include his wife, Maude Reeves of Estancia, New Mexico; and two daughters, Mrs. Hal Kerr of Los Alamos, New Mexico and Mrs. Velma Shewmake of Albuquerque.

TENT CITY TO SPRING UP IN DIMMITT SATURDAY

A tent city will spring up Saturday morning in Dimmitt, site of the annual Haynes District Boy Scout Camporee. Twenty-seven troops from eleven area towns are expected to attend the Saturday and Sunday event. About 300 Scouts will be camped.

Purpose of the annual Camporee

MAC McCLISH STILL LIVING!

Amarillo Texas, April 30— An itinerant termite operator who has claimed to be from Amarillo, Plainview, and now Lubbock has called on most of the home owners in the Silverton-Tulia area, soliciting termite inspections.

will be to promote and provide training in outdoor skills, encourage year-round and long term camping, demonstrate that camping is fun; and provide an opportunity for parents and the general public to observe Scouting in action. "The patrol method of camping has proven itself for the past 59 years of Scouting and it is our desire to re-emphasize it during this event," said Camporee Chairman James Williams of Plainview.

Following an orientation, events in compass reading, alligator pit, ball throwing, and match splitting with axes will fill the afternoon hours. The evening will be spent making campsite improvements, preparing meals, standing retreat, and attending a campfire ceremony after dark.

Sunday morning, following inspection, the Scouts will attend the church services of their choice.

Camp will be broken at 3:00 p.m. as the Scouts prepare to return home. The Camporee ends with an awards ceremony and retreat at 4:00 p.m.

All reports indicate that he never finds a home free of termites even though some have been previously treated for termites. Apparently he is up to the old trick of carrying the termites under the house concealed in his clothing and bringing them out in his hand, as evidence of termite infestation of the building.

He is also known to work through the telephone directory, picking out the widows for his victims. This man has already built up a long list of complaints with the Better Business Bureau in Amarillo and has been notified to stay out of Tulia.

He has reported to various customers of Mac McClish Pest Control that Mac McClish Pest Control is no longer in business. "Not true!" says Mac McClish, who maintains over 400 buildings in the Silverton-Tulia area.

The termite specialists of Mac McClish Pest Control inspect these buildings annually and apply control measures when needed at a small annual fee. Anyone suspecting termites may have a free, honest inspection, at no obligation, by calling 355-3232 in Amarillo or Ed Harris Lumber Company in Tulia or by writing Mac McClish, Box 1251, Amarillo, Texas 79105.

An insured \$5,000 Termite Damage Warranty is issued on completion of termite control service by Mac McClish. Among his many satisfied customers in this area is the Silverton School. In business since 1946, Mac McClish has no

Engagement Announced

JUDITH ANN RUCKER

Amarillo announce the engagement and approaching marriage of their daughter, Judith Ann, to Mr. Randy Allen Hughes, son of Mr. and Mrs. Berton Hughes of Silverton.

Both are students at Wayland Baptist College in Plainview, where he is a member of Alpha Phi Omega national service fraternity and she is a member of Theta Alpha Psi social-service sorority.

Wedding vows are to be exchanged on Sunday, August 17, in the Sanborn Baptist Church in Amarillo.

Bride-Elect Honored With Gift Shower

Miss Jerry Lynn Garrison, the bride-elect of Larry Sculley of Atlanta, Georgia, was honoree at a miscellaneous shower in the home

MAY PICNIC

of Mrs. Ben Whitfill Saturday.

The refreshment table was decorated with white spider mums surrounding a miniature bride.

Out-of-town guests included Mrs. Elmer White and children of Grady, New Mexico; Mrs. Vernon Garrison and Mrs. Clarence Rogers of Tulia; Miss Vada Rogers of Port Lavaca; Mrs. Dale Smith and daughters of Quitaque.

Hostesses, in addition to Mrs. Whitfill, were Mrs. Lenton Latham, Mrs. Paul Ledbetter, Mrs. Bryant Eddleman, Mrs. J. L. West, Mrs. Milton Frizzell, Mrs. Edwin May, Mrs. Guy Breedlove, Mrs. Frank Mercer, Mrs. Allen Kellum, Mrs. Jack Harris, Mrs. Datis Martin, Mrs. Wayland Fitzgerald, Mrs. Carver Monroe, Mrs. Joe McWaters, Mrs. Glenn McWilliams, Mrs. John Turner, Mrs. Shafe Weaver, Mrs. Orville Turner, Mrs. Bob Hill, Mrs. Fred Brannon, Mrs. Eula Shelton, Mrs. Dock Wallace, Mrs. Ashel McDaniel and Mrs. Jimmie House.

Junior Club Observes Library Week

Members of L. O. A. Junior Study Club observed National Library Week with a book review at their regular meeting on Tuesday, April 22, in the PCA community room.

Mrs. Bud Couch reviewed "Yanqui, Come Back!" the story of the voyage of the SS HOPE to Peru. The club members have a special interest in the activities of the floating hospital ship because it is a special junior project of the General Federation of Women's Clubs and is one that the local club supports each year.

Mrs. Randall Eddleman, hostess, gave the devotional, "Friendship Is A Lifesaver," and also gave the federation news, "Clubwoman's Commandments."

Club projects for the next year were voted on, and it was decided to nominate a Rodeo Queen Contestant at that time also.

Members planned a party for their husbands and guests to be held at 8:30 p.m. Saturday, May 3, in the school gymnasium. Tables will be provided for card and domino games, and others plan to play volleyball. Refreshments will be served.

A toffee dessert and punch were served to Mmes. Couch, Eddleman, Fred Edwards, Robert H. Hill, Champ McGavock, Jerry Miller, Charles Sarchet, Steve Miller, and to a guest, Mrs. Ricky Stone.

The club's next meeting will be on Tuesday, May 13, at 3:45 p.m. in the PCA community room. Mrs. Robert H. Hill will be hostess, and

is scheduled to give the devotional, "The Driver's Prayer." Roll call will be answered with "My Secret Ambition."

The safety program will be given by Mrs. Fred Edwards, "If You Have An Accident;" Mrs. Jerry Miller, "What Truckers Say About Your Driving;" and Mrs. Steve Miller, "Tips To Mothers Who Drive."

Salem Talk-

First a word about our Senior Graduating Class of 1969. It appears at this writing we will have thirty-one Seniors graduating in May—15 boys and 16 girls.

Within a few days we will have a complete size list for each student, so that you may come in and shop for the particular item each student expresses an interest for.

Also, we have prepared a cash gift book for each graduate, so that if you prefer not to purchase a particular item, you could contribute any amount to the student's gift book, and the student in turn uses this accumulative total to purchase merchandise of his particular choice from our stock at any time he chooses to. (Some students prefer to wait till August to purchase FALL CLOTHING for FALL CAMPUS WEAR.)

It is our sincere desire to serve both the contributor and the graduating student to the best of our ability.

I would like to go on record, without any business emotion attached to the thought, to say that in this community we are blessed with a very fine group of young people! I believe the moral and spiritual quality level of our youth to be far above average, and credit for this to be shared mainly by RESPONSIBLE parents, teachers and certainly not least of importance, the pastors of the local churches.

We have so much to be thankful for in the nucleus of our individual families.

Stop occasionally to reflect and take stock of your own blessings, and you will carry on with new vigor, renewed faith, and hope for the future.

Salem's is currently offering the few remaining pairs of Tony Lama boots in WATER BUFFALO leather at the close-out price of \$28.50. Two colors to choose from, so hurry. They also have several new styles and patterns of TONY LAMAS: black kangaroo, chocolate calf, and others. Shop for them soon.

Ladies, Salem's is also closing out three styles of CARNIVAL BRAS. Regularly priced at \$3.50 and \$4.00 each, they are being offered on close-out at \$2.50 each.

A visit to Salem's will expose you to a surprising variety of fashion merchandise as well as staples. Please drop in soon.

The House of Gifts

We all like gifts and compliments. And, we like surprises - if they are the right kind. An unexpected gift, a sudden compliment, a visit from an old friend who just happened to be passing through town - these are the good ones.

On the other side of the ledger, we are not to be happy when something we purchase fails to be as advertised; when a new tool or gadget won't do the job we thought it would do. We don't like it when we have to pay more for something that we think it is worth.

Shop carefully. That's good advice. Be sure you have bought exactly what you need. At a fair price. The wise thing is to do business with people you think are reliable - with people you know, as much as possible.

We say it is wise to shop at home, where people care.

STRAWBERRIES

One of the nice things about Spring is strawberries. It's that time of year again. So,

picture a colorful bowl of large, plump and juicy fresh berries and cream.

Few food treats tickle the palate more favorably. But, because strawberries are so delicate and delicious, they also are subject to weather, shipping and marketing hazards.

You'll find your best strawberries near home—in your own neighbor's garden. Next best is berries from nearby commercial areas like Louisiana, South or East

Texas, Arkansas and, later in the season, Oklahoma, Kansas and Colorado. California berries have a reputation for providing a dependable supply.

Because the season is so short, you have to catch them at your market when they arrive. Most stores will feature strawberries in season. Watch for local ads. Then, enjoy them to the fullest.

Market news offices of the U. S. Department of Agriculture do not predict the volume of berries that will be available. But, it's evident they're on their way. A few Louisiana and South Texas berries already are being picked. There'll be more.

If strawberries and cream is your type of warm weather dish, you are "at home" with millions of other Americans.

USDA Consumer and Marketing Service recommends berries with a full red color, a bright luster, firm flesh, and those with the cap stem still attached. The best berries are dry and clean. The juice should be inside.

For a special treat, have you ever tried sour cream and strawberries? Try this a few times—thick, creamy and ice-cold sour cream, instead of the usual sweet or whipped cream. It will give variety to your enjoyment.

Try this combination. It is especially good with meat.

Cook four cups fresh rhubarb with one cup water until just tender. Sweeten to taste. Remove from heat and add one 3-ounce package of strawberry flavored gelatin. Stir gently to dissolve gelatin. Cool to room temperature, then add two cups sliced and slightly sweetened strawberries. Pour into mold or serving dish and allow to congeal in refrigerator. Delicious as a salad, dessert, or meat accompaniment.

WAYNE SELECTED AS "OUTSTANDING YOUNG MAN"

State Representative Ralph Wayne of Plainview has been selected as one of "America's Outstanding Young Men" for 1969.

The Outstanding Americans Foundation, a non-profit foundation, made the announcement last week. The organization each year names "Outstanding Young Men of America" as a method of honoring the young men who are shaping the future. The Board of Advisory Editors notified Representative Wayne recently that he had been selected and he will appear in the 1969 edition of "Outstanding Young Men of America."

Among the other honorees in this year's book are Bart Starr of the Green Bay Packers; Congressman William A. Steiger; Corporation President Sam Saly of Dallas; and Jim Jones, former assistant to President Johnson.

Wayne, a 1949 graduate of Tulla High School, is the son of Mr. and Mrs. L. J. Wayne of Tulla. He is a former news director for KFDD-TV in Amarillo, and formerly served Briscoe County as State Representative.

NEW SCS CONSERVATIONIST APPOINTED FOR TEXAS

Appointment of Clyde W. Graham to head the work of the United States Department of Agriculture Soil Conservation Service in Texas has been announced by Administrator Kenneth E. Grant.

Graham, a career employee currently Director of its Watershed Planning Division, succeeds H. N. Smith as State Conservationist of the Agency at Temple. Smith died March 13.

Graham is well known in Briscoe County for his work on the Kent Creek Watershed Project. From 1964 to 1966, Graham, 49, served under Smith at Temple as Deputy State Conservationist.

He will transfer from Washington, D. C. to Temple April 20. Graham, a 1943 Texas A&M graduate in Agricultural Engineering, was in the U. S. Army Air Force from January 1943 to September 1946 when he joined the SCS as a field engineer at Rotan. He holds a Masters Degree in Public Administration from Harvard University awarded in 1958. He is a native of Knox City, Texas.

He held Texas field jobs in Brady, San Saba and Brownwood before going to Washington in 1954, where he was an SCS Budget Analyst until he received a Littauer Fellowship for graduate study at Harvard. He returned to Texas after completing his work at Harvard. He was Assistant State Conservationist for Watersheds until his promotion to Deputy State Conservationist in 1964.

A BEAUTY BOOK FOR DARK-SKINNED GIRLS

"Let's Face It" covers Cleanliness, Grooming, Conduct

Colored teenagers have a beauty book which concentrates on problems of appearance and conduct peculiar to Negro lasses. "Let's Face It," written by fashion expert Elsie Archer, is a briskly-written guide packed with sensible and realistic information.

Mrs. Archer, former fashion editor of Ebony Magazine, works constantly with teenage girls in her job as fashion representative for McCall's Pattern Company. She knows the problems they face. Her book discusses positive attitudes as well as grooming aids.

The subject of cleanliness is repeated over and over. The daily bath, the weekly-or-more frequent shampoo, the use of deodorants and depilatories, tips on the laundering of intimate apparel, cleaning of combs and brushes—all elements of loveliness, begin with cleanliness, says Mrs. Archer. From there, she goes on to discuss specific problems and their

Re-Appointment To Be Made Soon Of All Notaries Public

Secretary of State Martin Dies, Jr., has announced that all qualified Notaries Public desiring re-appointment for the new term which begins June 1, 1969, and ends June 1, 1971 must pay the required fee and file a new oath and bond with the County Clerk between May 1, 1969 and May 15, 1969, inclusive.

Mr. Dies emphasized that Notaries Public should NOT send requests for re-appointment or for commissions directly to the Secretary of State inasmuch as the law specifically requires that the County Clerk approve Notary Bonds and forward copies of the Application to the Secretary of State.

Secretary of State Dies further stated that any person not now a Notary Public who desires appointment for the beginning of the new term on June 1, 1969, should apply to his County Clerk before May 16, 1969. The applicant must be at least 21 years of age, a citizen of the United States of America and Texas, and a resident of the county for which appointed. The required Application Forms may be obtained from the County Clerk.

Oil Painting Workshop To Be Held Here This Summer

A basic oil painting workshop will be taught by Mrs. Louise Vaughan in the Silverton High School homemaking department beginning Monday, May 19.

The workshop will consist of six three-hour classes at \$4.00 each or \$24.00 for the six-week course. This program is not limited to students, but is open to adults. Beginners as well as those who have had previous art training are invited to participate.

The May 19 and May 26 classes will be held from 3:30 until 6:30 p.m. The four Monday night classes in June will meet from 1:30

until 4:30 p.m.

Anyone who is interested in this art workshop is asked to contact Mrs. Rubie Williams at the Silverton High School homemaking department.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER NINE ON THE BALLOT (HJR8)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 5, Article III, Constitution of the State of Texas, as amended, be amended to read as follows:

"Section 5. The Legislature shall meet in regular session each year at such time as may be provided by law and at other times as convened by the Governor. When convened in odd-numbered years in regular session, the Legislature shall devote the first thirty days to the introduction of bills and resolutions, acting upon emergency appropriations, passing upon the confirmation of the recess appointees of the Governor and such emergency matters as may be submitted by the Governor in special messages to the Legislature; provided that during the succeeding thirty days of such session the various committees of each House shall hold hearings to consider all bills and resolutions and other matters then pending; and such emergency matters as may be submitted by the Governor; provided further that during the following sixty days the Legislature shall act upon such bills and resolutions as

may be then pending and upon such emergency matters as may be submitted by the Governor in special messages to the Legislature; provided, however, either House may otherwise determine its order of business during this session by an affirmative vote of four-fifths of its membership.

"Regular sessions in even-numbered years, commencing in 1972, shall not exceed sixty days and shall be limited to legislation on the subjects of providing funds for the support of functions and activities of the state government and emergency matters submitted by the Governor in messages to the Legislature. At each regular session, commencing in 1971, appropriations shall be made for the support of functions and activities of the state government for the next fiscal year."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on August 5, 1969, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to provide for annual legislative sessions."

understood that the repeal of these sections shall not in any way make any substantive change in our present constitution.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in August, 1969, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to repeal the obsolete, superfluous and unnecessary sections of the Constitution."

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT (HJR3)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 42, 46, and 48 of Article III, Sections 3a and 7 of Article VII, Section 12 of Article VIII, Section 3 of Article IX, Sections 1, 3, 4, 5, 6, 7, 8, and 9 of Article X, Section 10 of Article XI, Sections 3, 4, 5, and 7 of Article XII, Sections 1, 2, 3, 4, 5, 6, and 7 of Article XIII, Sections 2, 3, 4, 5, 6, 7, and 8 of Article XIV, Sections 3, 4, 7, 13, 29, 32, 34, 35, 36, 38, 42, 45, 46, 54, 55, 57, 58, and 60 of Article XV, Constitution of the State of Texas, be repealed, it being specifically

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT (HJR7)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Constitution of the State of Texas, be amended by adding a new Section 64 to read as follows:

"Section 64. All other provisions of the Constitution notwithstanding, bonds issued pursuant to constitutional authority shall bear such rate of interest as shall be prescribed by the issuing agency, subject to limitations as may be imposed by the legislature."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in August, 1969, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to remove the constitutional interest rate limitations, subject to limits imposed by the Legislature, for bonds issued pursuant to constitutional authority."

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT (SJR6)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 2, Article VIII, Constitution of the State of Texas, be amended to read as follows:

"Section 2. All occupation taxes shall be equal and uniform upon the same class of subjects within the limits of the authority levying the tax; but the legislature may, by general laws, exempt from taxation public property used for public purposes; all real and personal property owned by a nonprofit water supply corporation which is reasonably necessary for, and is used in operation of the corporation in the acquisition, storage, transportation and sale of water as authorized as its sole legal purpose; actual places or (of) religious worship, also any property owned by a religious society for the exclusive use as a dwelling place for the ministry of such church or religious society, and which yields no revenue whatever to

such church or religious society; provided that such exemption shall not extend to more property than is reasonably necessary for a dwelling place and in no event more than one acre of land; places of burial not held for private or corporate profit; all buildings used exclusively and owned by persons or associations of persons for school purposes and the necessary furniture of all schools and property used exclusively and reasonably necessary in conducting any association engaged in promoting the religious, educational and physical development of boys, girls, young men or young women operating under a state or national organization of like character; also the endowment funds of such institutions of learning and religion not used with a view to profit; and when the same are invested in bonds or mortgages, or in land or other property which has been and shall hereafter be bought in by such institutions under foreclosure sales made to satisfy or protect such

bonds or mortgages, that such exemption of such land and property shall continue only for two years after the purchase of the same at such sale by such institutions and no longer, and institutions of purely public charity; and all laws exempting property from taxation other than the property above mentioned shall be null and void."

Sec. 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in August, 1969, at which election all ballots shall have printed on them the following:

"FOR the Constitutional amendment to exempt nonprofit water supply corporations from taxation;" and

"AGAINST the Constitutional amendment to exempt nonprofit water supply corporations from taxation."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election; and the amendment shall be published in the manner and for the length of time required by the Constitution and laws of this state.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT (HJR9)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section 49-d-1 to read as follows:

"Section 49-d-1. (a) In addition to Texas Water Development Bonds heretofore authorized to be issued by Sections 49-c and 49-d of Article III of the Constitution, the Texas Water Development Board is hereby authorized to issue \$3,500,000,000 in aggregate principal amount of bonds. No part of such additional bonds shall be issued prior to approval thereof by the vote of two-thirds of the elected members of both houses of the Legislature.

"(b) The proceeds from the sale of such bonds shall be deposited in the Texas Water Development Fund.

"(c) The bonds herein authorized and all bonds authorized by such Sections 49-c and 49-d of Article III shall bear such interest and mature as the Texas Water Development Board shall prescribe subject to the limitations as may be imposed by the Legislature.

"(d) The Texas Water Development Fund shall be used for the purposes heretofore permitted by and subject to the limitations in said Sections 49-c and 49-d and in addition thereto for the purposes of developing water resources and facilities for the State of Texas, both within the State and without the

State of Texas. Provided, however, that financial assistance may be made pursuant to the provisions of such Sections 49-c and 49-d subject only to the availability of funds and without regard to the provisions in Section 49-c that such financial assistance shall terminate after December 31, 1982.

"(e) Under such provisions as the Legislature may prescribe, the Texas Water Development Board may receive grants and, in addition, execute contracts with the United States or any of its agencies, other states of the United States, foreign governments and others, for the acquisition and development of such water resources and facilities for the State of Texas. Such contracts when executed may be secured by the general credit of the state, and if so secured shall constitute general obligations of the State of Texas in the same manner and with the same effect as Texas Water Development Bonds. If facilities are acquired for a term of years, such contracts shall contain provisions for renewal that will protect the state's investment. The aggregate principal amount of Texas Water Development Bonds authorized herein and in said Sections 49-c and 49-d shall be reduced by the aggregate of principal payments committed under such contracts constituting general obligations of the State of Texas, both within the State and without the

Water Development Board to execute contracts or issue revenue bonds when such contracts or bonds are not secured by the general credit of the state.

"(f) Texas Water Development Bonds and such contracts secured by the general credit of the state shall, after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

"(g) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be void by reason of their anticipatory character."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on Tuesday, August 5, 1969, at which election all ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment broadening the powers of the Texas Water Development Board for the purposes of the Texas Water Development Fund; eliminating the interest limitations on Texas Water Development Bonds; raising the authorized amount of Texas Water Development Bonds by \$3,500,000,000; extending the maturity schedule on Texas Water Development Bonds; eliminating the procedures for curtailment and the curtailment date of financial assistance to be provided by the Texas Water Development Board."

The Signs

Ye can discern the face of the sky; but can ye not discern the signs of the times?

— Matthew 16:3

Read your BIBLE daily
and
GO TO CHURCH
SUNDAY

Jack's PHARMACY
JACK ROBERTSON
Registered Pharmacist

A change in the weather can be scientifically predicted. Oldtimers say the color of an evening sky or the direction of the wind offer clues to what the weather will be tomorrow.

The doubting Pharisees asked Jesus for a more obvious sign. They wanted a sign from Heaven to prove the truth of His leadership. Jesus referred to the custom of weather forecasting to make a point. We must look if we are to see.

Christianity spread to the far corners of the earth because mankind recognized the purpose of the life of Jesus upon earth. Christianity has survived wars and disasters which have reduced nations to crumbling ruins. And, Christianity will endure.

But there is today a need for Christian awareness; there is need for all men who profess religion to discern correctly the signs of the times, and to stand up and be counted.

WOMEN PAST 21 WITH BLADDER IRRITATION Suffer Many Troubles

After 21, common Kidney or Bladder Irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondly, you may lose sleep and suffer from Headaches, Backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by curbing irritating germs in strong, acid urine and by analgesic pain relief. Get CYSTEX at drug-gists. See how fast it can help you.

Your Home Business Firms are
THE HIGHEST BIDDERS
for Your Shopping Dollar

**Here
 are the facts
 to prove
 it.**

Actually . . . no matter where you live . . . nobody . . . and that means **NOBODY** . . . can give you more for your dollar than your own home business firms. Let's look at the reason for this advantageous . . . to you . . . situation:

ANY MERCHANT . . . anywhere . . . is ordinarily going to sell goods for some more than he pays for them.

ON AN AVERAGE . . . when you spend a dollar in any retail store . . . here or anywhere else . . . about 70 cents of it pays for **GOODS**, and about 30 cents goes for rent, taxes, donations, hired help, etc., and a few cents (the national average is about 5 cents) pays the proprietor for his work, and for his investment in goods and equipment, credit losses, etc.

NOW . . . when you spend your dollar at home, you get the same 70 cents worth of merchandise that you would get for it anywhere else.

AND THE OTHER 30 CENTS stays here too, to help you pay for schools, churches, roads and streets; to vitalize the community so your property . . . or your job . . . is worth more; to keep more people here to share civic work and expense, and to serve **YOU** when you sometimes direly need their knowledge and their skills.

ONLY when you buy in **YOUR OWN HOME** community do you get back most of this 30-cent retail handling charge . . . and often a great deal more, as your job or your business prospers and your social life broadens with the growth of the entire community.

Get more Milo Per Gallon with Northrup King irrigation hybrids

Make the most of your irrigation water. Not every hybrid is bred for irrigation management. There are certain plant characteristics you have to look for. And that's what you'll find in Northrup King's irrigation hybrids.

HIGH YIELD CAPACITY NK irrigation hybrids let you shoot for that extra yield that will turn a high rate of return.

LARGE, HEAVY HEADS. This is the only part of the plant you sell. So big heads filled with large berries assure high yield potential and heavy bushel weight.

GOOD HEAD EXERTION. Heads on NK irrigation hybrids stand well away from leaves, for a safe, clean harvest.

LEAFY PLANTS. The large number of wide leaves you see on NK irrigation hybrids help assure good water utilization, by shading out water-wasting weeds and cutting down on evaporation.

STRONG STALKS. Standability is important for a safe, easy harvest. And the tough, disease-resistant rind in NK irrigation hybrids fights lodging.

EXTENSIVE ROOT SYSTEM. The root system on NK irrigation hybrids is big and efficient. It never wastes a drop of your expensive water.

CHOOSE FROM THESE AREA-ADAPTED IRRIGATION HYBRIDS

NK 275 SUPERSTAR

★ SMUT RESISTANT ★ HIGH YIELD POTENTIAL ★ GOOD THRESHABILITY

NK 275 is a good choice for high yield potential in the medium-late maturity class. It has smut resistance and is slightly later than NK 255. NK 275 has uniform medium-height, rugged plants stand. Strong semi-compact heads are well filled with red grain that threshes easily and cleanly for safe harvest.

YIELD DATA: NK 275 was the top yielder in a Texas yield trial producing an 8% greater yield than the average of all competitors. In Kansas yield trials, NK 275 produced a two year average yield 6 to 10 bushels per acre higher than the average of other entries. In another trial, it produced 15 bushels per acre more than the average yield of all other entrants in the trial.
