

All Around the Town

by Mary Ann Sarchet

CAP AND GOWN DEPICTS FUTURE

The following article and poem were taken from "The Hornet," Tulia High School publication which appears in The Tulia Herald.

Caps and gowns will soon be seen by teachers, friends, families and students, which will represent tomorrow's adults.

Some seniors will leave for college, work, the army or maybe just a new life of their own. Whatever the case may be, there may be someone we will never see again.

What we will remember most about these people are the days we spent with them in high school. We will remember their attitudes, personality, their friendship, and the things we have learned from them. We will remember them as a person who we either respected or didn't respect. We will remember what they contributed to our school as an individual. We won't look at just the good or bad things, but at the person as a whole.

Most will have lived their life at home and now are ready for responsibility. We will be more eager to see what becomes of each individual.

When each senior takes his first step forward into life, will he remember to be grateful for all his parents have given him? Will he remember the sacrifices, the love and the memories they have given him to keep forever? How much each person takes with him will be an influence in his life.

Langston Hughes expresses this feeling very well in his poem, "Mother To Son."

Well, son, I'll tell you;
Life for me ain't been no crystal stair.

It's had tacks in it,
And splinters,
And boards torn up,
And places with no carpet on the floor—

Bare.

But all the time
I've been a - climbin' on,
And reachin' landin's,
And turnin' corners

And sometimes going in the dark
Where there ain't been no light.
So, boy, don't you turn back.

Don't you set down on the steps
'Cause you find it kinder hard.
Don't you fall now—
For I'se still goin', honey,
I'se still climbin'

And life for me ain't been no crystal stair.

PHONE POLES LOOK LIKE CHURCH CROSS

And now comes Mrs. Madalyn Murray O'Hair, protesting another public show of religion. You remember Mrs. O'Hair, don't you—the lady who is against prayer in the schools and Bible reading from outer space? She the atheist lady, who doesn't believe in much of anything except Madalyn Murray O'Hair!

Well now, according to an Austin source, she is protesting that telephone poles look like crosses, so they should be taken down. Reportedly, she says: "They are giant crosses and crosses of that kind are symbolic of Christianity, and you know not everyone is a Christian."

After she registered this complaint with a company supervisor and told him that he was trying to further the cause of Christianity, he finally told her: "But Mrs. O'Hair, I'm a Jew."

What will this curious lady do next? Maybe she will try to have street intersections abolished because they look like crosses.

Garrison To Receive Degree At A&M

Max D. Garrison, son of Mr. and Mrs. Pascal Garrison of Silvertown, is one of 1,303 students applying for spring graduation at Texas A&M University, Admissions Dean H. L. Heaton has announced.

Garrison, who is married to the former Kay Strange, is seeking the Bachelor of Science degree in animal science. He has been accepted by the Texas A & M vet school, and plans to work toward a degree in veterinary medicine during the next two years.

Heaton said 917 students have filed for baccalaureate degrees and 386 for advanced degrees, including 108 Ph.D. candidates.

Commencement exercises will be held May 24.

THURSDAY, MAY 15, 1969

SILVERTON, (Briscoe County) TEXAS

VOLUME 61 NUMBER 20

Joe Bob Watson Hurl On Field Trip

Joe Bob Watson is receiving treatment in the intensive care unit at Methodist Hospital in Lubbock following a fall from a barn hayloft while on a weekend field trip to an Indian reservation in New Mexico.

Watson, 22, son of Mr. and Mrs. Obra Watson of Silvertown, was one of 44 Texas Tech students on the trip. He was found unconscious Sunday morning on the concrete floor below a barn hayloft in which he and a fellow student had slept during the night.

One of the field trip sponsors, Dr. Henry A. Wright, assistant professor of range management, said Watson apparently walked in his sleep, tripped over one of the bales of hay the two students had placed to barricade their night position and fell 12 feet to the concrete floor, landing on his head.

Dr. Donald A. Klebenow, also an assistant professor of range management, and the other sponsor, said the student was flown to Lubbock by a chartered air ambulance operating in that region.

Wright said the students were on a range-ecology field trip at the Mesquero Indian Reservation Camp located approximately 30 miles northwest of Ruidosa. The group was to view the operations involved with the Bureau of Indian Affairs, forestry development and maintenance, and visit with the manager of the Cattleman's Association to discuss cattle practices.

Wright said the group intended to spend the night at the camp. A house was provided for some of the students, and 10 tents were available for the others.

Wright believed that Watson and a friend, Ronnie White, decided to sleep in the hayloft of the nearby barn because it was warmer there.

The students placed bales of hay along the edge of the hayloft in case they rolled in their sleep. Wright believes that somehow Watson was able to stand up in his sleeping bag, walk and trip over one of the two-foot high bales in the barricade. The youth was found in his sleeping bag the next morning.

The trip was sponsored by the Range and Wildlife Management Department at Texas Tech.

Watson, a Senior at Texas Tech, is married to the former Miss Con-

City Council Has Business Meeting

Marvin Self and Sharon Jarrett won second place in the District 4-H competition held in Lubbock recently with their Farm and Ranch Management demonstration. They are now eligible to attend the state roundup to be held June 3-4 on the campus of Texas A & M University.

The Silvertown City Council met in regular session Monday at 7:00 p.m. at the City Hall.

Mrs. Carl Crow met with the Council to ask that the north end of Briscoe Street be opened. Mrs. Crow stated that she has lots there and she wants to be able to show these to prospective buyers. The Council voted to open the street.

About 15 hog raisers also met with the Council to discuss a proposed ordinance against keeping hogs within the city limits. A few years ago the hogs were moved east of the railroad, near the city airstrip.

The Council voted to leave the ordinance as it now stands concerning the hogs if the owners will make an effort to control the files.

In other business, the Council voted to drill another well in the southwest part of town. The Councilmen agreed that if the City could get another 150 gallon well, this would ease the water problem until a decision is made on the Mackenzie Municipal Water Authority.

The Council had a choice between developing the one deep well that showed promise at a cost of \$20,000, but felt that it would be better to try for a shallow well at an estimated cost of \$3,000.

Don Nelson of Tulia, representing Stout Steel Builders, also met with the Council to show plans for a new City Hall which could be built for about \$30,000. The Council took no action on the proposed new City Hall.

Councilmen attending the meeting were David Tipton, H. A. Cagle, Troy Jones, Carl Bomar, Charles Sarchet, Mayor H. B. Simpson, and City Secretary Jerry Patton.

Mr. and Mrs. Jerry Hawk and children of Amarillo, Randy Hughes and Judy Rucker of Wayland College in Plainview visited in the home of Mr. and Mrs. Berton Hughes Saturday night.

Mr. and Mrs. Charles Sarchet and Ken spent Mothers Day in Tulia visiting with Mr. and Mrs. J. M. Hill, Mr. and Mrs. Jim Hill, Brad and Brian.

Members present were Wayne Stephens, Jimmy Myers, Joe Bomar, G. W. Chappell, Dwain Henderson, Charlie Parker, Dale Tiffin, Joe Kitchens, John David Turner, Calvin Shelton and Robert H. Hill.

Young Farmers Seeking Tract of Land

The Silvertown Young Farmers are still looking for a small tract of land on which to build a new rodeo arena and stock barn.

The stock barn will include pens for livestock, and will provide a place for boys and girls living in town to keep their project animals. This will enable them to have an educational opportunity—that of learning how to raise livestock.

nie Villemez of Liberty, Texas. His wife and parents have been at his bedside all week. Reports indicate that in spite of the seriousness of his injury, his family was encouraged when he recognized them.

The barn could be used for various events by the different organizations. It would most certainly benefit the FFA Chapter and the 4-H Club boys and girls.

April 24, Don Cruce, F.H.A. director for Swisher and Briscoe counties, explained to the Silvertown Young Farmers how the Happy Rodeo Association was formed and how they went about applying for a loan to build the arena which is under construction now. Discussion followed this meeting, and the F.H.A. loan is being debated at this time.

A guest, Briscoe County Agricultural Agent Ken Cook, was present to represent the 4-H boys and girls in the county.

WTSU Student Wins Award Of Merit

Dianne Davis, who is scheduled to receive her degree this spring at West Texas State University, has won the NBEA Award of Merit for Outstanding Achievement in Business Education, according to an announcement by Dr. Roland Johnson, head of the department of business education and office administration at WTSU.

The Award consists of an attractive certificate, a year's professional membership in the National Business Education Association, current issues of "Business Education Forum" (a national professional magazine for business teachers), current issues of the "National Business Education Quarterly", and the "National Business Education Yearbook."

The National Business Education Association and its Teacher Education Division, the National Association for Business Teacher Education, sponsor this Award.

The Award is presented at the WTSU School of Business Spring Convocation.

Dianne has been listed in Who's Who Among American Colleges and Universities, received the Outstanding Pi Omega Pi Award, was recipient of the Alpha Chi scholarship, has been on the Dean's Honor Roll, received the Zeta Tau Alpha scholarship award, served as president of Pi Omega Pi, has been secretary of Alpha Chi, was scholarship chairman of Zeta Tau Alpha, SEA, NBEA and TBEA.

Dianne's plans for next year are either to teach or to work as a graduate assistant at WTSU.

She is the daughter of Mr. and Mrs. James Davis of Silvertown.

Young Farmers Need Your Help

As everyone who attends the local football games knows, there is something badly needed—restrooms near the football field.

The Silvertown Young Farmers need your help before work can begin on this worthwhile project. It will take approximately \$1,000 to complete the project. More than half this amount has been received, but more is needed. Won't you please help?

Donations in any amount can be deposited in the special "restroom account" at First State Bank, or any of the Young Farmers will gladly deposit your donation for you. Your assistance in this project will be greatly appreciated.

Mrs. Shellie Tomlin visited Mrs. Fred Tomlin and Mrs. Shelby Haynes at Swisher Memorial Hospital Wednesday morning.

Quitaque In State Finals Of Improvement Contest

Quitaque has been named in the top four in The Texas Community Improvement Contest, according to Reagan Brown, Extension Specialist, who contacted the Briscoe County Extension office early this week.

To determine the State winner, each of the top four communities will be visited and judged again. The judging panel is expected in Quitaque Monday, May 19, from 10:00 a.m. until 2:00 p.m. State judges for the Texas Community Improvement Program include Mrs. Dorothy Holland, assistant resource—publications; Jack Sloan, editor—development specialist; and Garland Marshall, district agent-at-large.

The Texas Community Improvement Program is sponsored by the Texas Electric Utilities Company. There are two divisions of the contest. Division I consists of communities that are participating for the first, second or third year, which have not been first-place winners in their districts. Division II is for communities that have participated for at least three years or which have been first-place winners in their districts. Quitaque was judged in the dis-

trict contest on April 22, and won first place and a \$100.00 prize, and moved into the State competition.

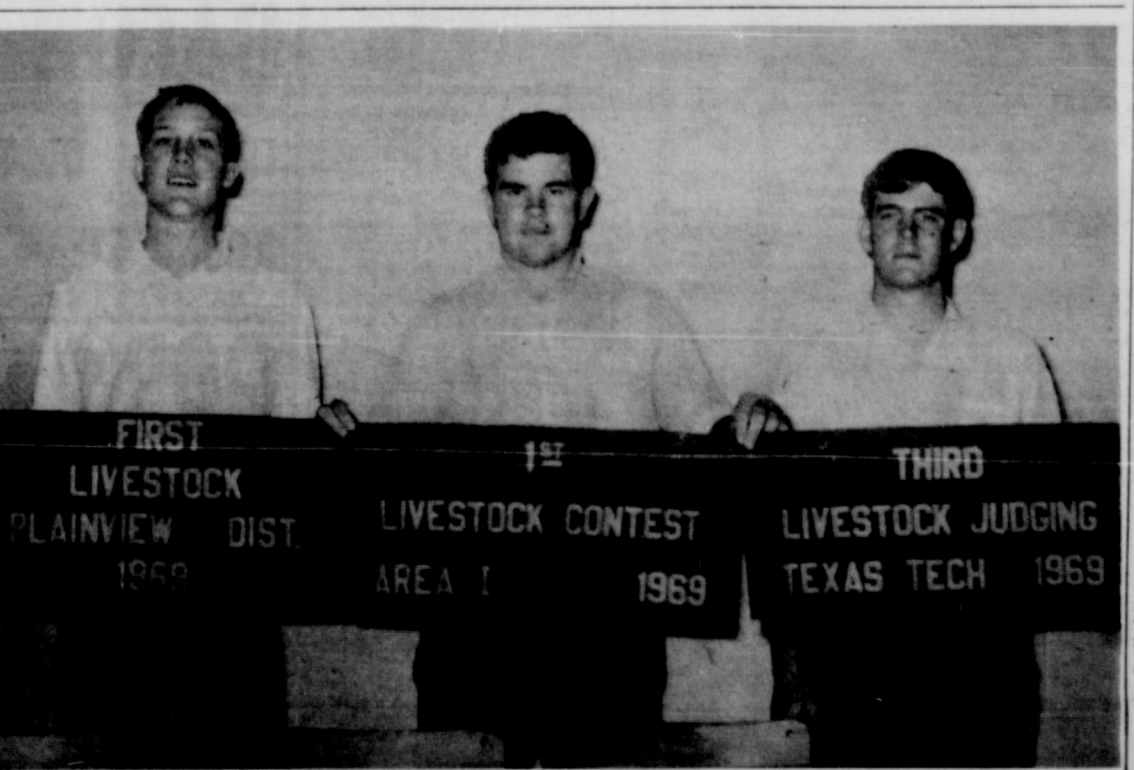

State judges will score the community on every effort that has been made to make the community better. Emphasis in the state judging will be in total effort toward improving farm and home, increasing and managing income, improving health conditions and services, and increasing social participation.

The three other communities in competition for first place in the State are Gober in Fannin County; Crawford in McLennan County, and Hasbitt in Tarrant County.

Coaches Needed For Little League Teams

Anyone interested in managing a Little League team is asked to contact Fred A. Strange.

Also needed is someone to run the concession stand. Games are scheduled to start on June 3.

The Silvertown FFA Livestock Judging team, Roy Dale Wood, Danny Vaughan and Larry Comer, display several banners they won recently. The team won first place in the Plainview District and Area I judging contests, and placed third out of 141 teams participating in a contest held on the campus of Texas Tech.

Eighth Grade Honor Graduates Named

Amy Birdwell is valedictorian and Laura Arnold is salutatorian of the Silvertown Eighth Grade Class this year.

Amy, daughter of Mr. and Mrs. E. A. Birdwell, has a two-year average of 95.399. Laura, whose

☆☆☆

parents are Mr. and Mrs. Fred Arnold, has an average of 94.346.

Four other students in the class of 43 members also had high scholastic averages: Joan Cross, 94.166; Debra Cantwell, 93.416; Ramona Martin, 92.916; and Rhonda Sutton, 92.791.

Graduation exercises will be held at 10:30 a.m. Wednesday, May 28, in the school auditorium. Chosen as ushers for the graduation are Ty McMurtry, Jana Cross, Lori Francis and Mike Montague.

The invocation and benediction will be given by Earl Cantwell, minister of the Rock Creek Church of Christ, who has two grandchildren and a niece in the graduating class. Mrs. Bob Rauch will play the processional. Awards will be given by Elementary Principal Bill Verden, and Superintendent J. S. Hinds will present the diplomas.

Members of the Eighth Grade Class this year are Leonard Ivory, John T. Burson, Freeda Henderson, Mark Hutsell, Rita Anderson, Randy Gene Culwell, Oscar R. Crosslin, Maggie Lean Tinner, Micki Alva Jasper, Elaine Johnson, Barbara Ledbetter, Ramona Kay Martin, Amy Lee Birdwell, LaNell Stephens, Norline Offield, Derrel Martin, William Stanley Martin, Carol Ivory, Dalton Smith, Tommy Aldridge, Greg Garcia, Jerry Baker.

Also Carol Louise Croft, Amy Annette Sharp, Joan Marie Cross, Mary Ann Calvio, Dan Gamble, John Earl Minary, Walter Carl Welch, Mary Louise Cavazos, Rhonda Sue Sutton, Pamela Kay Hutsell, Rodney Lee Jackson, Laura Juanice Arnold, Cris E. Gill, Art Hamilton, Ricky Hester, Dorman White, Mikel Grady, Terry M. Culwell, Robert Dale Gilmore, Kaedean Bomar and Debra Ann Cantwell.

The class is sponsored by Mrs. Erna Joy Luhman and Mr. Doyle Williams. The class colors are blue and gold, and the class flower is the yellow rose.

Mr. and Mrs. Berton Hughes, Randy Hughes and Judy Rucker were in Vernon Sunday to spend Mothers' Day with Mrs. Hughes' parents and to attend the wedding of Mrs. Hughes' nephew in the afternoon.

Mrs. James Patton visited her mother, Mrs. Shelby Haynes, at Swisher Memorial Hospital Tuesday afternoon. She also visited Mrs. Fred Tomlin.

Don't forget the Meat Show on Wednesday, May 21, 1969. It will be at the Silverton School Cafeteria, beginning at 2:00 p.m.

Program personalities are Dr. Frank Orts, meat specialist from Texas A & M University, and Mrs. Mary Phillips, home economist for Lighthouse Electric in Floydada.

Special thanks to Bud's Grocery & Market for furnishing the meat for this program.

"Men's Shirts" is a bulletin just received in my office. It discusses dress, sport and work shirts and covers such topics as correct collar style for the shapes of the face and cuff variations; size, including sleeve lengths; construction points to check when buying and labeling, and the terms used on labels.

Send a card or letter to my office requesting a copy, or come by for a visit.

Young men who are planning a college wardrobe will certainly find this information helpful. It's also good for those of us who have

Arizona Couple Found Hospitality In Silverton, Texas

City Mayor H. B. (Doc) Simpson recently received a letter from an Arizona couple who were recently befriended and made to feel at home in Silverton at 2:00 a.m.

They wrote: "Recently we had a very pleasant surprise in your town of Silverton. We were returning home from our vacation and not finding a station open on the route through your town we were getting worried as it was about 2:00 a.m. on the morning of March 28 and had decided to pull into the Texaco station and park until it opened. However your local law enforcement officer had spotted us and opened the station and gassed us up. We spent a very pleasant visit over some hot coffee that gave us a great lift.

"It was evidenced by this man that there are still some that know the meaning of hospitality and we wish to thank Mr. R. N. McDaniel

for the favor and warm friendliness, and let you know we sure appreciated his thoughtfulness. "Thank you again, Mr. McDaniel.

Graduates Honored At Breakfast

Fellowship Hall of the United Methodist Church was the scene of a breakfast honoring the graduating Seniors Tuesday morning. The breakfast was hosted by the Woman's Society of Christian Service.

The tables were decorated with "Peanuts" characters surrounded by yellow iris. There were two floral arrangements in the class colors. One arrangement was of yellow and white iris and the other was yellow and white spider mums.

Guests enjoyed fruits, ham and muffins while they listened to the familiar sounds of Simon and Garfunkel and Peter, Paul and Mary.

The welcome was given by Mrs. John Hinds, WSCS president. Paul Ray McWilliams, president of the Senior class, responded.

The Rev. Robert Sewell gave a short satire on school entitled "A Poor Scholar's Soliloquy" by Stephen Corey. It was evident from the laughter that many had shared some of the experiences and feelings of the "Poor Scholar."

Guests, other than members of the graduating class, were Superintendent and Mrs. Hinds, High School Principal and Mrs. O. C. Rampley, Class Sponsor and Mrs. Tom Pearson and Rev. and Mrs. Sewell.

Those who gave their services for the preparation of the meal and decorations were Mrs. G. Mayfield, Mrs. Bob Hill, Mrs. George Seaney, Mrs. Bill Edwards, Mrs. M. G. Moreland, Mrs. Clifton Stodghill, Mrs. John Hinds and Mrs. Robert R. Sewell.

To Attend Summer Institute In Mexico

Roy Ann Bomar, daughter of Mr. and Mrs. Carl Bomar of Silverton, will spend six weeks this summer at the Instituto Tecnológico de Monterrey, in Monterrey, Mexico, studying for six hours of credit toward her degree at Stephens College, Columbia, Missouri, where she is a Freshman. The course begins July 13, and ends August 20.

Courses at the Instituto include Spanish on all levels, art, archeology, architecture, sociology, geography, Mexican folklore, songs and dances. Students proficient in

FORMER RESIDENT ELECTED TO DELL CITY SCHOOL BOARD

Mrs. Clayton Wood, the former Joy Brown of Silverton, a housewife, was recently elected to the Dell City School Board on a write-in vote. She received more votes than any other of the four candidates listed on the ballot.

Mrs. Wood sent word to her brother-in-law, J. L. Self, that her husband now fondly regards her as "the Ma Ferguson of Duvall County."

Mr. and Mrs. Dale McWaters have moved to Perryton.

Spanish may take courses in history, literature, government and philosophy.

Mr. and Mrs. Melvin Watkins and daughters of Amarillo visited her parents, Mr. and Mrs. Bud McMinn, over the weekend. Sunday afternoon they were visitors with Melvin's mother in Plainview.

Dickie Paul Smith of Guymon, Oklahoma, is spending a few days with his grandparents, Sheriff and

Mrs. Vinson Smith.

MILLEX 22
 HYBRID PEARL MILLET
 up to 53% more forage than ordinary millets!
 In extensive pasture tests, new Millex 22 has shattered existing yield records producing as high as 55 tons of grass per acre. Compared to ordinary millets, Northrup King's new pearl millet hybrid shows more early vigor, faster growth, faster regrowth, more tillering.
 With good management, Millex 22 summer pastures will often carry two or three more cows per acre than ordinary millets. Relished by cattle, Millex 22 produces nutritious summer grazing, free of prussic acid.
 Best news of all: Millex 22 is available for pasture plantings this year! Reserve your Millex 22 seed right now!

Seniors of the Week

JIMMY WALKER

Jimmy Walker was born January 6, 1951, and stands six feet tall. He has blue eyes and brown hair. Steak is his favorite food and hunting is his favorite pastime. The song he likes best is "Summer Wine." He plans to attend college following his high school graduation.

He has been a member of FBLA since his Sophomore year. He was a member of FFA his Freshman and Junior years. He has played basketball all four years, and was captain this year. He received an All-Tournament Award for his playing during the Silverton Tournament.

Jimmy participated in track events during his first two years in high school, and played baseball his Junior year. He has participated in tennis four years, and as a Freshman, he was district champion in doubles. He has been a member of the S-Club since his Sophomore year. Jimmy received a perfect attendance award in his Sophomore and Junior years.

Jimmy's favorite book is "Life in the Saddle," and his favorite movie is "Bonnie and Clyde." The subject he enjoys most is physics, and "referees" are his pet peeve.

GINGER MARTIN MULLIN

Ginger Martin Mullin stands 5'5" tall and has blue eyes and blonde hair. She was born August 16, 1951. She is a homemaker. She made the honor roll in her Junior year, and was secretary of the Student Council her Freshman year. She was a cheerleader her first three years in high school.

Ginger was an editor of THE OWL'S HOOT and a member of the FBLA her Junior year. She was a member of the National Honor Society her Junior year. She was a member of the FHA her Freshman, Sophomore and Junior years. As a Freshman, she was a member of FTA.

Ginger was chosen as Most Beautiful by the student body in her Freshman year. She was elected Friendliest Girl in her Junior year. As a Freshman, she was elected Halloween Queen, and she was treasurer of her Sophomore class.

Ginger played Powder Puff Football in her Freshman and Sophomore years. She played basketball during her first three years in high school, and received an honorable mention in the district her Sophomore year and was named to the All-District team in her Junior year. She participated in track events in her Junior year, and played volleyball her first three years in high school.

Jeopardizing Juniors Jointly Jumble Their Jubilant Joys

Title seem a little confusing? Well, you won't think so if you know this year's Juniors. Don't get us wrong; we're NOT delinquents, just juveniles with lots of energy and fun entangled in our work.

Take, for instance, Jay Long. What would this school be like without HIM? All the fun would be omitted from our classes. Besides misplacing the English notebooks and borrowing Coach Wood's keys, Jay was nominated "Wittiest" of the student body for two consecutive years.

Marsha Teeple adds her share of entertainment to the school also. Like the time when she locked Cynthia in the small closet in the Algebra room. Marsha has been elected "Wittiest" for the past two years. She is third vice president of the FHA.

Steve Brown and Bob Hutsell really add to the class discussion with their abrupt and interesting questions. I'll bet Mr. Sommerfeld couldn't get along without Steve sticking his fingers into the Ag machinery! Steve will represent the school next year as president of the Student Council. And Bob—well I'm sure the English teacher needs him. Bob is a great basketball player and received an All-Tournament trophy this year.

Paula Birdwell and Cathy Jones are the spastics of SHS. Every school needs at least two. They seem to have a little trouble in Chemistry—like the day when their abilities ran away with them and they spilled acid on Cathy's pantsuit. Cathy has represented our school as cheerleader for three years, and will be next year's Head Cheerleader. She will be next year's FHA president and is serving as parliamentarian of that organization now. Paula was nominated by the student body as "Best Dressed." She is reporter for FBLA, pianist for the FHA, and the Pep Squad treasurer. She will also be a cheerleader next year.

A sand buggy pro, Max Hamilton is just the person SHS needs. If anyone has any problems with his sand buggy mechanism, he can count on Max. Max serves as sentinel of the FFA. He is presently serving as vice president of the Student Council.

Janet Montague, an apple-polisher, is very essential to our school. Every teacher and student agrees that Janet does the best job we've ever seen. Janet has been nomin-

Summer Homemaking Program Announced

"Art in the School, Home and Community" has been announced as the summer homemaking program by Mrs. Rubie Williams.

The program will be held in the school homemaking department through the month of June. Students who are working for one-half credit in homemaking will do a home experience.

Mothers who plan to bring a child to the play school are asked please to note the change in dates. The art workshop, taught by a local artist, Mrs. Louise Vaughan, will start May 19, from 3:30 until 6:30 p.m. Another session will be held May 26 from 3:30 until 6:30 p.m. Starting June 2, the classes will meet at 1:30 p.m. Both boys and girls are invited, as well as adults. The artist will teach each student at his own speed.

Salute To Seniors

by Gail Mayfield

The 1968-69 school year is nearing its close. Only six more days and the Seniors will end their struggle. They have fought their way from that very first step into the first grade to the last step of their graduation exercise.

The Seniors, leaders of our school, have done much good for the student body this year. They have tried to guide the students in choosing the right road in their pathway of life. Not only have these students learned from their accomplishments, but also from their few failures.

The interest in the Senior Play, enthusiasm in the arriving of their rings and announcements, appreciation for the banquets, parties and dinners given in their honor, have aroused a glowing desire in other students of our school. They have the goal to keep fighting so that soon they may be leaders of this school and may fulfill the footsteps of this class of '69.

Yes, the class of Seniors will be missed next year, but memories of them and their experiences will never be forgotten. It is this great Class of '69 that we SALUTE!

other students with one constant smile. Katy is a member of the FHA chapter.

The jittery bridegroom-to-be, Coach Bill Wood, should be recognized for his outstanding contribution as sponsor of the Junior class. Together they have experienced many exciting thrills and spills. A medal of bravery should be given to him for "putting up with" this great class, but we are sure he has been rewarded in his own way by this outstanding Class of '70.

Now do you believe that the jeopardizing Juniors can and have JOINTLY JUMBLED THEIR JUBILANT JOYS?

Assembly News

Wednesday, May 7, a group from Frank Phillips College in Borger entertained the students and faculty of Silverton High School.

The group sang songs and showed slides of the college.

Each of the Seniors were given a pencil with "Frank Phillips College" engraved on it.

Juniors Remember!!!

Juniors do you remember
In the year of '58
Crossing the thresholds of learning
When everything was great?
And do you remember
A friend once was a foe
Or do you remember
When your best friend took your beau?
And remember in the first grade
When Paula was the boss,
And you just had to be her friend
No matter what the cost?
And can you remember
When Cynthia fell and hit her head
And think of our amazement
When we thought that she was dead?
Do you remember the parties
Where your sweetheart you would meet
Had to stay there for a little while
Before all went roaming in the street?
And do you remember
As I do so well
Who should fall from the haystack
But Earl and his love, Gail?
Do you remember Jay and Janet
Or did it you miss
When they held the record
For the longest kiss?
Can you remember Marsha
When we all met our doom
Because she threw a Weiner
During lunch in the lunchroom?
Do you remember Gayla's ring
That Wade gave her in despair?
She dropped it in Jay's haystack—
I believe that it's still there.
Then we were in high school
Just a bunch of silly fools
Afraid to even breathe
Afraid we would break the rules.
Remember the semester breaks
In the Gold Bomb we would load
To go out into the country
And spin doughnuts in the road?
Remember on the field trip
When the boys showed us a trick
That chewing tobacco was fun?
It really made us sick!
Remember Junior Play practice
And all the dirty looks
When they found out that Jay had hidden
The Juniors' English work books?
Our Junior year is almost past
Good memories we can trace
Yet, we look forward to
Taking the Seniors' place.
Yes, Juniors, remember when,
Though it may make you sad
But it is a consolation that
THE GOOD TIMES OUTWEIGH
THE BAD!

School Adopts Policy On Dangerous Drugs

Superintendent J. S. Hinds has released the following school policy on **Dangerous Drugs** that was adopted by the trustees of the Silverton Independent School District on May 8, 1969:

"Any student known to have a dangerous drug or narcotic drug in his possession, or known to be under the influence thereof, while in school or while participating in a school-sponsored activity, after due notice to the violator and after a hearing before the Board of Trustees, if found guilty shall be expelled for the balance of the semester and no credits will be given the student for the semester."

"Any student who shall have been convicted of a misdemeanor or felony for possession, use or sale of a dangerous drug or narcotic drug (while outside the school) will be expelled by the Board of Trustees for the current semester, and no credit will be given to the student for the semester."

1969-70 SCHOOL CALENDAR

The Board of Trustees also approved the following school calendar for the 1969-70 school year:
Registration: August 21-22, 1969
First Day of School: August 25
Thanksgiving Holidays: November 27 through 30
First Semester Exams: December 18-19
Christmas Holidays: December 20 through January 4
District XVI Teachers' Meeting: March 6, 1970
Easter Holidays: March 28 through April 5, 1970
Semester Exams: May 19-20
Graduation: May 22, 1970

For And About Teenagers

I'M ALMOST SIXTEEN, AND HAVEN'T EVEN HAD A REAL DATE...

THE WEEK'S LETTER: ality to work. If a girl is at- tractive (sometimes even if she with is not) she WILL become their boyfriends. But, my problem is how to get that boy. son. Our advice to you is to I'm now almost 16, and haven't even had a real date. ONE you meet, boys, girls, adults. Don't do it with the mere idea of getting yourself wrong? What do boys see in me? What can I do to get boys to notice me?"

OUR REPLY: Being almost sixteen, you are still young. There are many girls your age who have never had a date. You could probably get that boy, if you set your mind to it and began to work on the project. But, don't get in a hurry. Just put your person-

ARMED FORCES DAY- MAY 19

Study Club Plans Presidents Luncheon

March of Time Study Club will have its annual President's Luncheon at Omer's Cafe in Tullia on Thursday, May 15. Mrs. Warner Reid will install the club's newly-elected officers.

The members met in the P.C.A. community room for the final business meeting of the club year on Thursday, May 1. Mrs. Roy Mayfield presided, and Mrs. Troy Burson gave the devotional.

This year's study of "Great Ages of Man" was concluded with "The Age of Progress" presented by Mrs. Tony Burson.

Members attending were Mmes. Alvie Mayfield, Josie Anderson, True Burson, Tony Burson, Floyd Williams, Rex Dickerson, Troy Burson, Theron Crass, Bob Hill, Lula Bellinger, Fred Mercer, Ben Whitfill, Grace Hutsell, Roy Mayfield and Miss Anna Lee Anderson.

F.H.A. GIRLS MEET WITH YOUNG HOMEMAKERS

The Silverton Young Homemakers were hostesses to four members of the Silverton chapter of Future Homemakers of America at their regular meeting May 8.

Roy Dale Garrison opened the meeting with a poem, "What is a Mother?" and "A Woman's Prayer." Cathy Jones, Thresa Tate and Cynthia Sutton reported on their trip to Dallas for the State F.H.A. Convention.

The chapter decided to have a game night Saturday, June 7, from 8:30 until 11:00 p.m. in the school cafeteria. There will be games of 42 and Bridge, with fun promised for everyone attending.

Miss Martin Is Shower Honoree

The home of Mrs. W. Arnold Brown was the scene of a miscellaneous shower honoring Miss Sharon Martin, bride-elect of Larry McWilliams, on Saturday, May 10.

Mrs. Jerry Dee McWilliams of Snyder presided at the guest registry. Mrs. Jack Carlile of Lubbock and Miss Ramona Martin served refreshments from a table covered with a white cutwork cloth decorated with an arrangement of yellow majestic daisies in a gold and crystal epergne.

Misses Rita Brown and Linda Scott, both of Lubbock, Mrs. Gary Hunt and Miss Laura Arnold showed the gifts.

Among those attending from out of town were Mrs. Paul Webb of Tullia, and Mrs. Lela Smith of Tacoma, Washington.

Forty-three guests, not including the hostesses, registered.

Hostesses were Mrs. L. E. Paige, Mrs. J. V. Self, Mrs. Harold Edwards, Mrs. Hugh Nance, Mrs. R. A. Edwards, Mrs. Charles Grantham, Mrs. Johnnie Lanham, Mrs. T. C. Bomar, Mrs. Pascal Garrison, Mrs. Fred Arnold, Mrs. Coleman Garrison, Mrs. Doyle Stephens, Mrs. Arnold Brown and Mrs. Verlin Towle.

Tickets will be \$1.00 and may be purchased from any member of the Young Homemakers. Refreshments will be served.

Everyone was reminded of the Young Homemaker Colleges to be held June 19 in Lubbock and July 24 in Amarillo. All were urged to make plans to attend.

Next meeting will be June 12. There will be election of officers and a gift exchange.

FOUR ACCIDENTS REPORTED IN COUNTY DURING APRIL

The Texas Highway Patrol investigated four accidents on rural highways in Briscoe County during the month of April, according to Sergeant Vernon Cawthon, Highway Patrol Supervisor of this area.

These crashes resulted in four persons injured, and an estimated property damage of \$4,300.00.

The rural traffic accident summary for this county during the first four months of 1969 shows a total of 11 accidents resulting in four persons injured and an estimated property damage of \$7,365.00.

School will soon be out. This

You feel a little edgy, or maybe cross.

Sooner or later, that day comes, the day when a woman feels she's changing. It's not a good feeling either. And she could use a good old-fashioned medicine then.

You might even have what we call hot flashes and feel sad and slightly off-balance.

Whatever you feel, we have something for the day you need a little comforting. Lydia E. Pinkham Tablets. They're made with gentle, natural ingredients that work to help you feel better. When you start changing, you could use a good old-fashioned medicine for an old-fashioned problem. And, you don't run any chance of the kind of unpleasant side effects you can get from some of the newer drugs.

Bermuda Location
 Bermuda is often erroneously placed in the West Indies. In fact, it is more than a thousand miles to the north. The nearest point of land is Cape Hatteras, North Carolina, some 600 miles to the northwest.

Space Trackers
 Aerospace Defense Command's space arm, the Fourteenth Aerospace Force, keeps track of the number, location, and orbital changes of all objects in space.

Waxed Floors
 You can prolong the new appearance of a just-finished floor with a coat of wax. The wax protection will last as long as the wax finish is intact. The floor should have at least two coats of wax—but if you use a liquid wax, you have to apply additional coats to build up an adequate film. Paste wax is best on a floor finished with shellac.

will be the signal for summer vacations to begin with hundreds of thousands of people heading for the open highways.

To help insure a safe vacation and summer driving, the sergeant suggests that you have the following items on your car safety checked:

1. Check the tires for worn and cut spots;
 2. Check the steering and wheel alignment;
 3. Check all lights and mirrors;
 4. Check springs and shock absorbers;
- And as a final reminder, the driver should be prepared for tharfSccc.

Fight the farm price/cost squeeze with NITROMITE... NITROMITE packs a powerful punch with more usable nitrogen per dollar to help increase yields without increasing your cost appreciably. Then even low prices can't floor you — if they're good, you'll be the big winner.

Right about now is your last chance to do some good with fertilizer. Sidedress some NITROMITE to give your crop a great big shot in the yield. It'll give you a fighting chance in the marketplace.

Mrs. Comer Feted At Bridal Shower

Mrs. Leo Bryson Comer, the former Miss Connie Lynn Dudley, was honored at a miscellaneous shower from 3:00 until 5:00 p.m. on Saturday, May 3, in the home of Mrs. Norman Strange.

The bride's colors, blue and white, were carried out in decorations throughout the home.

Guests were registered by Miss Pamela Cameron, a student at Texas Tech. Presiding at the refreshment table were Mrs. Dennis Tomlin of Canyon and Mrs. Wayne Nance of Lubbock.

The serving table was covered with a white linen cloth. A tall crystal wedding chalice surrounded with an arrangement of large white carnations and miniature blue carnations and a miniature

and registered nurse. The part of Miss Hart was portrayed by Mrs. Raymond McJimsey, who answered questions and told about the work and advancement in Chile where her parents gave long and fruitful service as Southern Baptist Missionaries. She was identified with the good will center in Antofagasta. Afterward a short quiz was given to see how much everyone could remember about what had been said about Miss Hart, her work and the country.

Mrs. Murphy closed the meeting with prayer. Attending were Mmes. Holt, McJimsey, Don Garrison, Roy Mack Walker, Walter Bean, C. O. Allard, Hughes, Murphy, and a visitor, Mrs. Tom Pearson.

Miss Chappell Honored At Awards Dinner

Miss Bonnie Chappell of Silverton was one of the honored guests at the annual Staff Awards Dinner at California Baptist College, Riverside, California.

Miss Chappell, assistant to the business manager, was presented a gold pin for her five years on the staff by J. L. Harden, college business manager.

Miss Chappell, daughter of the late Mr. and Mrs. A. H. Chappell, came to California in 1960 as educational secretary for First Southern Baptist Church, Costa Mesa. From there she went to Fresno as director of youth work with the Training Union Department of the Southern Baptist General Convention of California, where she remained until joining the California Baptist College staff in 1964.

A graduate of Wayland Baptist College and Howard Payne College, Miss Chappell earned the

Master of Religious Education degree at Southwestern Baptist Theological Seminary. Articles by her have appeared in the Baptist Training Union Magazine published by the Southern Baptist Convention, Nashville.

BAPTIST W. M. S. HAS ROYAL SERVICE PROGRAM

The W. M. S. of the First Baptist Church met in the church parlor Tuesday, May 13, for the Royal Service Program and business meeting with Mrs. Rex Holt, president, conducting the meeting and reading the calendar of prayer.

Mrs. Berton Hughes led the group in prayer, after which Mrs. C. H. Murphy, jr., had charge of the program, "Ministry in Jesus' Name in Chile." She began the program with a brief Spanish lesson, then introduced Miss Lois Hart, an MK ("Missionary Kid")

THE STATE OF TEXAS
TO: B. D. WITCHER and wife TED WITCHER; the unknown heirs of any such persons who may now be deceased, their unknown heirs and legal representatives, and the unknown heirs of any of such unknown heirs who may now be deceased, their unknown heirs and legal representatives; GREETING: You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 9th day of June, A. D., 1969, at or before 10 o'clock A. M., before the Honorable District Court of Briscoe County, at the Court House in Silverton, Texas. Said plaintiff's petition was filed on the 24 day of April, 1969. The file number of said suit being No. 1926. The names of the parties in said suit are Robert C. Clary and wife Wilma Clary as Plaintiffs, and the persons first named, described and designated in this writ and to whom this writ is directed and M. D. Witcher, Mrs. E. E. Forrester and Mrs. George Laffin as Defendants. The nature of said suit being substantially as follows, to wit: Suit in trespass to try title for title and possession of the following described real property situated in Briscoe County, Texas: All of a tract of land out of Section No. 28, in Block No. 3, Certificate 2/876, issued to T&P Railway Company, Abstract 1021, situated in Briscoe County, Texas, and described by metes and bounds as follows: Beginning at a point in the North line of the Original Townsite of Quitaque, Texas, said point being 330 feet East of the Northwest corner of Block No. 21 of the Town of Quitaque; thence North 127 1/2 feet to the Northwest corner of this tract; Thence East 50 feet to the Northeast corner of this tract; Thence South 127 1/2 feet to the Southeast corner of this tract; Thence West 50 feet to the place of beginning; Plaintiffs pleading fee simple ownership thereof and specially pleading the 3, 5 and 10 year statutes of limitation as to such real property and praying judgment for title and possession thereof. If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved. Issued this the 24th day of April, A. D., 1969. Given under my hand and seal of said Court, at office in Silverton, Texas, this 24th day of April, A. D., 1969. /s/Bertha Pavlicek Clerk, District Court, Briscoe County, Texas (Seal)

A brief statement of the nature of this suit is as follows.

A suit in statutory trespass to try title to the following described property situated in the County of Briscoe, Texas:

One-half (1/2) acre of land, more or less, out of Section No. 28, Block 3, Certificate No. 2/876, issued to T&P Ry. Co., described by metes and bounds as follows:

Beginning at a point in the West line of said Section 3042.9 ft. N. of the S.W. corner thereof; Thence South 89° 49' 10" E. 1617.7 ft. to a point in the North line of the town of Quitaque, said point being the N.W. corner of Block 21 in said town; Thence North 187 1/2 feet to a stake for the S.W. corner of this tract;

Thence East 140 feet to a stake for the S.E. corner of this tract; Thence North 127 1/2 feet to a stake for the N. E. corner of this tract;

Thence West 140 feet to N.W. corner of this tract;

Thence South 127 1/2 feet to the place of beginning.

Same being out of the North 272 2/5 acres of Section 28, sold by B. L. Jago to W. T. McBride, and situated in the town of Quitaque, Briscoe County, Texas. Plaintiffs claim title in fee simple to above described property and claim title by virtue of the three (3), five (5) and ten (10) year statutes of limitations as provided by the Revised Civil Statutes of Texas, as is more fully shown by Plaintiffs' Petition on file in

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER NINE ON THE BALLOT (HJR8)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 5, Article III, Constitution of the State of Texas, as amended, be amended to read as follows:

"Section 5. The Legislature shall meet in regular session each year at such time as may be provided by law and at other times as convened by the Governor. When convened in odd-numbered years in regular session, the Legislature shall devote the first thirty days of the introduction of bills and resolutions, acting upon emergency appropriations, passing upon the confirmation of the recess appointees of the Governor and such emergency matters as may be submitted by the Governor in special messages to the Legislature; provided that during the succeeding thirty days of such session the various committees of each House shall hold hearings to consider all bills and resolutions and other matters then pending; and such emergency matters as may be submitted by the Governor; provided further that during the following sixty days the Legislature shall act upon such bills and resolutions as

may be then pending and upon such emergency matters as may be submitted by the Governor in special messages to the Legislature; provided, however, either House may otherwise determine its order of business during this session by an affirmative vote of four-fifths of its membership. "Regular sessions in even-numbered years, commencing in 1972, shall not exceed sixty days and shall be limited to legislation on the subjects of providing funds for the support of functions and activities of the state government and emergency matters submitted by the Governor in messages to the Legislature. At each regular session, commencing in 1971, appropriations shall be made for the support of functions and activities of the state government for the next fiscal year."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on August 5, 1969, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to provide for annual legislative sessions."

NEWS FROM THE

COUNTY AGENT'S DESK

TREAT ORNAMENTALS FOR DISEASES NOW

To insure a beautiful lawn and landscape around your home this spring and summer, begin treatment now to ward off those diseases which can damage your plantings.

This timely advice comes from Dr. Robert Berry, Extension area plant pathologist headquartered at the Texas A & M University Agricultural Center north of Lubbock.

"Many pine trees on the Plains are presently infected with needle cast and twig blight," points out Berry. "These diseases can be controlled with a fungicide applied right now as the trees are making new growth. Once all the needles have dropped, it's too late to treat for this year."

Bedding plants such as petunias and other annuals are often killed by crown rot or root rot, explains the plant pathologist. He recommends treating the soil with a fungicide before such plants are

transplanted. Once infection sets in, the plants will be lost. "Roses and similar plants are often the victim of powdery mildew and black spot during this time of the year," says Berry. "Here again, a fungicide can do wonders in protecting such plants and in treating for the disease if it has already set in."

Scorch is a physiologic disease problem of shrubs and trees, adds the plant pathologist. This disease attacks mainly in the summer and causes a burning at the margins of plant leaves. Scorch can be caused by chemical injury, salt in the soil, lack of water or several other factors, including poor management.

"It is important for homeowners to become familiar with the various diseases that can infect their lawns and gardens and how

to prevent or treat for them," says Berry. "The beauty of many lawns and landscapes is at stake."

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT (HJR3)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 42, 46, and 48 of Article III, Sections 3a and 7 of Article VII, Section 12 of Article VIII, Sections 1, 3, 4, 5, 6, 7, 8, and 9 of Article X, Section 10 of Article XI, Sections 3, 4, 5, and 7 of Article XII, Sections 1, 2, 3, 4, 5, 6, and 7 of Article XIII, Sections 2, 3, 4, 5, 6, 7, and 8 of Article XIV, Sections 3, 4, 7, 13, 29, 32, 34, 35, 36, 38, 42, 45, 46, 54, 55, 57, 58, and 60 of Article XVI, Constitution of the State of Texas, be repealed, it being specifically

understood that the repeal of these sections shall not in any way make any substantive change in our present constitution.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in August, 1969, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to repeal the obsolete, superfluous and unnecessary sections of the Constitution."

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT (HJR7)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Constitution of the State of Texas, be amended by adding a new Section 64 to read as follows: "Section 64. All other provisions of the Constitution notwithstanding, bonds issued pursuant to constitutional authority shall bear such rates of interest as shall be prescribed by the issuing agency, subject to limitations as may be imposed by the legislature."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in August, 1969, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to remove the constitutional interest rate limitations, subject to limits imposed by the Legislature, for bonds issued pursuant to constitutional authority."

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT (SJR6)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 2, Article VIII, Constitution of the State of Texas, be amended to read as follows: "Section 2. All occupation taxes shall be equal and uniform upon the same class of subjects within the limits of the authority levying the tax; but the legislature may, by general laws, exempt from taxation public property used for public purposes; all real and personal property owned by a nonprofit water supply corporation which is reasonably necessary for, and is used in, operation of the corporation in the acquisition, storage, transportation and sale of water as authorized as its sole legal purpose; actual places or (of) religious worship, also any property owned by a church or by a strictly religious society for the exclusive use as a dwelling place for the ministry of such church or religious society, and which yields no revenue whatever to

such church or religious society; provided that such exemption shall not extend to more property than is reasonably necessary for a dwelling place and in no event more than one acre of land; places of burial not held for private or corporate profit; all buildings used exclusively and owned by persons or associations of persons for school purposes and the necessary furniture of all schools and property used exclusively and reasonably necessary for the operation of any association engaged in promoting the religious, educational and physical development of boys, girls, young men or young women operating under a state or national organization of like character; also the endowment funds of such institutions of learning and religion not used with a view to profit; and when the same are invested in bonds or mortgages, or in land or other property which has been and shall hereafter be bought in by such institutions under foreclosure sales made to satisfy or protect such

bonds or mortgages, that such exemption of such land and property shall continue only for two years after the purchase of the same at such sale by such institutions and no longer; and institutions of purely public charity; and all laws exempting property from taxation other than the property above mentioned shall be null and void."

Sec. 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in August, 1969, at which election all ballots shall have printed on them the following: "FOR the Constitutional amendment to exempt nonprofit water supply corporations from taxation;" and "AGAINST the Constitutional amendment to exempt nonprofit water supply corporations from taxation."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election, and this amendment shall be published in the manner and for the length of time required by the Constitution and laws of this state.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT (HJR9)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section 49-d-1 to read as follows: "Section 49-d-1. (a) In addition to Texas Water Development Bonds heretofore authorized to be issued by Sections 49-c and 49-d of Article III of the Constitution, the Texas Water Development Board is hereby authorized to issue \$5,500,000,000 in aggregate principal amount of bonds. No part of such additional bonds shall be issued prior to approval thereof by the vote of two-thirds of the elected members of both houses of the Legislature. (b) The proceeds from the sale of such bonds shall be deposited in the Texas Water Development Fund. (c) The bonds herein authorized and all bonds authorized by such Sections 49-c and 49-d of Article III shall bear such interest and mature as the Texas Water Development Board shall prescribe subject to the limitations as may be imposed by the Legislature. (d) The Texas Water Development Fund shall be used for the purposes heretofore permitted by and subject to the limitations in said Sections 49-c and 49-d and in addition thereto for the purpose of developing water resources and facilities for the State of Texas, both within the State and without the

State of Texas. Provided, however, that financial assistance may be made pursuant to the provisions of such Sections 49-c and 49-d of Article III of the Constitution of the State of Texas without regard to the provisions in Section 49-c that such financial assistance shall terminate after December 31, 1982. (e) Under such provisions as the Legislature may prescribe, the Texas Water Development Board may receive grants and, in addition, execute contracts with the United States or any of its agencies, other states of the United States, foreign governments and others, for the acquisition and development of such water resources and facilities for the State of Texas. Such contracts when executed may be secured by the general credit of the state, and if so secured shall constitute general obligations of the State of Texas in the same manner and with the same effect as Texas Water Development Bonds. If facilities are acquired for a term of years, such contracts shall contain provisions for renewal that will protect the state's investment. The aggregate principal amount of Texas Water Development Bonds authorized herein and in said Sections 49-c and 49-d shall be reduced by the aggregate of principal payments committed under such contracts constituting general obligations of the state. The provisions hereof shall not be construed to limit the authority of the Texas

Water Development Board to execute contracts or issue revenue bonds when such contracts or bonds are not secured by the general credit of the state.

"(f) Texas Water Development Bonds and such contracts secured by the general credit of the state shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

"(g) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be void by reason of their anticipatory character."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on Tuesday, August 5, 1969, at which election all ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment broadening the powers of the Texas Water Development Board and the purposes of the Texas Water Development Fund; eliminating the interest limitations on Texas Water Development Bonds; raising the authorized amount of Texas Water Development Bonds by \$5,500,000,000; extending the maturity schedule on Texas Water Development Bonds; eliminating the procedures for curtailment and the curtailment date of financial assistance to be provided by the Texas Water Development Board."

Pride and Grace

"For God resisteth the proud, and giveth grace to the humble." - Proverbs 3:34

God does not offer special blessings for special people. God is not selective. As it has been quoted, we are all "children" of God.

The first epistle of Peter reminds us that, as children of God we have responsibilities, to God and to one another.

If we profess to be Christians, we are all members of one flock. None of us stands alone.

We should never become so self-satisfied, nor so proud of what we have or what we are, that we forget that the concepts of Christianity call for a life of grace.

Summer Institutes Are Announced

Summer institutes for preservice kindergarten teachers and teacher aides have been announced by Dr. B. E. Reeves, Amarillo, Coordinator of the Northwest Texas Council for Education Personnel Development (EPD).

The institute, part of the "intensive, pre-service training" phase of Project Kindergarten Teacher and Project Teacher Aide, represent cooperative planning efforts between area service centers, public schools and universities to train personnel to alleviate shortages in various areas of education, under the terms of the Education Professions Development Act of 1965.

The Northwest Texas Council is composed of representatives of education service centers located in

Wichita Falls, Abilene, Amarillo and Lubbock; public schools served by these centers, and universities. The area comprises ESC Regions IX, XIV, XVI and XVII.

In Project Kindergarten Teacher, the cooperating institutions will offer a six-week institute for 25 potential kindergarten teachers in the Council area at Texas Tech College in Lubbock from June 9 to July 10.

The program for the institute will include study of the basic philosophy of kindergarten education, the child, the curriculum, methods and materials and practice. The six semester hours of credit will serve as a prologue to the nine semester hours required by the state for kindergarten certification, effective September, 1970.

Applicants should hold the baccalaureate degree. The applicant either has not taught or has been out of teaching since September 1, 1966.

Each participant in Project Kindergarten Teacher will be eligible to receive \$75 per week for each of the six weeks of the institute, plus \$15 per week for each dependent.

Project Teacher Aide is designed to train 100 teacher aides for placement in area schools in the 1969-70 school year. Four institutes, each four weeks long, have been scheduled at Amarillo College in Amarillo from July 21 to August 15; at Hardin Simmons University in Abilene from June 9 to July 3; at Midwestern University in Wichita Falls from July 21 to August 15, and at Texas Tech from July 21 to August 15.

Program components will include orientation, child development, general goals and procedures of the local school, instruction in specific skills, basic communication skills and guidance in behavior suitable to the employment situation.

Applicants for Project Teacher Aides must be at least 18 years of age and must hold a high school diploma or its equivalent, or must be a mature individual who can demonstrate communication skills

March On, Fools

(Reprinted from the Valley Tribune, this poem was recently sent to Bob Ham from Vietnam by James Farley, son of Mr. and Mrs. Bill Farley of Turkey.)

Here we are,
In a land torn
From years of war.
We're helping them fight,
Knowing very well
We could lose our lives.

and who has had work experience related to this assignment.
Each participant will be eligible to receive \$50 per week for the four week institute.

Additional information and application forms may be received by contacting Dr. B. E. Reeves at 1601 South Cleveland, Amarillo.

Applications should be post-marked no later than May 15, for the kindergarten institute and the teacher aide institute at Abilene. The deadline for the teacher aide institutes at Lubbock, Amarillo and Wichita Falls is June 15.

We fight and work
For hours on end,
Giving our best—
A hand to lend.
But we don't mind
The trouble and pain
When we see poor people
Murdered and slain.
There's a war to be won
For freedom's sake;
So we fight the V. C.
The ones that we hate.

Has God given right
Or said it's okay
To go in the night
And murder and slay,
And take from people
Their homes and their land?
They're outnumbered alone;
So we've lent a hand.

I read in the papers
And see in the news
Protestors marching
And spreading bad news.

March on, you fools,
March down the streets;
March 'round the schools,
March from the Atlantic
To the Pacific coast.
Be my guest;

I'll be your host.
But remember one thing
While protesting the war.
It's a freedom you're doing,
And nothing more.

People are fighting,
And dying and more,
So you'll have your freedom
To protest the war.
Vietnam is small,
Oh, this is true,
But you silly fools,
Have you not gone to schools?
The resources are great,
And the people are real.

We can't stand by
And let them be killed.
If we didn't fight,
This wouldn't be the last;
Another small land,
An acre of grass—
And then one day,
Before your eyes,
We'll be defeated
Without a doubt.

Then a world dictatorship
Would come about.
You wouldn't march
Or protest a thing;
You wouldn't pray

* 4-H DOINGS

by Ken Sarchet

Members of the Smiling 4-H Club met at 3:45 p.m. Thursday, May 8, 1969, and went as a group to visit the Briscoe County Historical Museum.

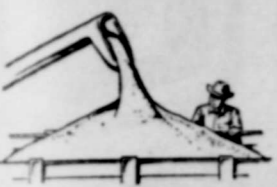

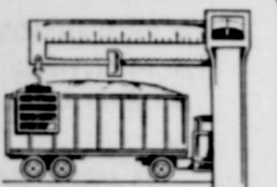

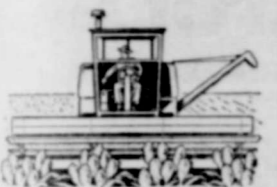

They were accompanied by Junior Leader Sharon Jarrett and Adult Leader Mrs. Elton Cantwell.

Or even sing.

So march, march on;
Carry your sign
And sing your song.
As long as others
Continue to fight,
You can march all day,
And into the night.

You can learn a lot from children if you listen. When they play "house" they play for real.

Susy talks about the family "budget." She tells her playmates it's wise to plan ahead, to buy only what you need, and to save money whenever you can.

Lucy is concerned with affairs of the kitchen. She points out that some cuts of meat are less expensive, that fresh fruits and vegetables don't cost so much when they are coming to the stores fresh from the farms and gardens where they are

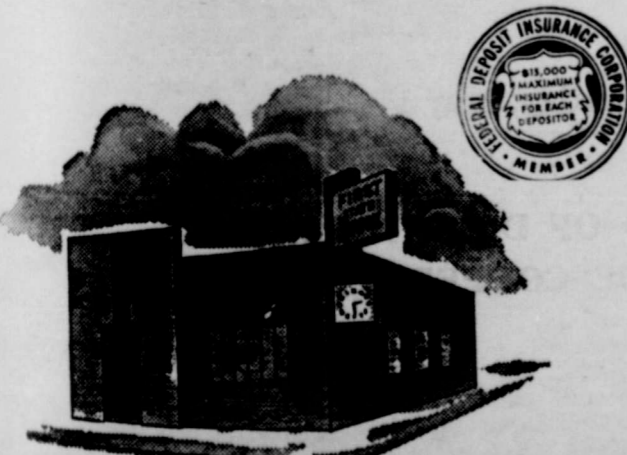

plentiful.

Johnny wants to check the family bankbook before he decides whether or not to buy a new car.

Jamie says the family has to be careful to take care of the things they have and not waste them. Good care, he says, means that you don't have to get anything new right away.

And Billy comes up with a real good idea, he operates a business, sells everything. Billy says it's wise to shop with someone you know.

"I REMEMBER" BY THE OLD TIMER

From C. William Nunsberger, Souderton, Pa.: Crossing the threshold of another Lenten Season as marked in liturgical churches such as St. Paul's Lutheran Church, Telford, Pa., my thoughts are aroused to the days of my youth.

I recall long ago days when the church of my confirmation, St. John's Lutheran, Summerville, Pa., observed the seven Wednesdays before Easter as the Lenten Season. In a mystical way the aromatic odor of fastnachts (doughnuts) baked by my mother returns to fill my nostrils. There was nothing special about them except they were homemade and a taste treat to a generation not used to so much production line baking.

I recall, too, how it seemed to me young people had little or no role at all to play in the life of the church, much less in its services. Young people were not challenged to take an active part in the life of the parish. This was the responsibility of the pastor and a few older men.

Today this role is reversed and young people are being encouraged to direct their energies, talents, enthusiasm, into channels of church life. Without the participation of youth in the Lenten services at St. Paul's Lutheran in Telford the aura could well be that of a long past time. However, as they give of their time as ushers and choir singers, especially, there is a vibrance of life, a pulsating of futurity. The church is alive because it stays young!

FAMILY POT LUCK

For a refreshing treat, try pineapple buttermilk. Combine 2 cups chilled buttermilk, 1 can (8-3/4 oz.) crushed pineapple, 1/2 medium banana, sliced, and 2 tablespoons sugar in blender container. Blend until smooth. To serve, pour over crushed ice or ice cubes. Makes 3 cups, to 4 servings.

Contrary to some opinion, pork, like other meats, is completely digestible. And today's pork averages less than 70 calories per cooked ounce.

Celery seed is excellent flavoring for sauces, salads, pickles, soups, fish or vegetables. It may also be sprinkled over cheese, crackers or rolls.

Eggs are excellent protein providers and the variety of egg dishes is almost unlimited. Eggs may be served as omelets or combined with other foods in a gourmet dish.

- Norway
Sardine - Zucchini
- 1 (3-3/4 oz.) can Norway Sardines
 - 3 medium size zucchinis, cut in half
 - 1 cup stewed tomatoes (fresh or canned)
 - 1/2 cup tomato sauce
 - 1 oz. butter
 - 12 small potatoes, parsley, finely chopped (garnish) salt, pepper to taste

Open and drain the sardines, reserving the olive oil. Sauté the sardines in butter. Sauté the zucchini in olive oil, cook and place in shallow dish. Pour over stewed tomatoes and arrange the whole sardines on top. Arrange small boiled potatoes around the dish. Garnish with finely chopped parsley. Serve very hot with tomato sauce on the side.
Yield: 2 generous servings

Tired of the tame and the ordinary? Slip into a swinging Cutlass S.

This one's got excitement, even standing still. Makes you glad it's also got an anti-theft steering column lock, too—to discourage the envious.

Turn on the key and you turn on a Rocket 350 V-8 to instant escape—with an action, a ride, and a certain class ordinary cars can't duplicate.

It's all part of the Olds extra value that goes far beyond its price.

About that price: It's lower than many "low-price" models on the road today.

Here's how you slip into something exciting, without tripping on the price tag.

CARDS OF THANKS

Thank you for the cards and gifts sent me on my 93rd birthday. These remembrances really helped to make it a happy birthday.
 H. L. McWaters

During the time of sorrow we learn how much our friends really mean to us. Your expression of sympathy will always be treasured.

Thanks so much for the many, many cards Charles and I have received. May God bless each of you.
 Mr. and Mrs. Charles Grantham and Linda

PUBLIC NOTICE

Notice is hereby given by the Parks and Wildlife Department that a public hearing will be held at 10:00 a.m. on June 2, 1969, at the County Courthouse at Silverton, Texas, for the purpose of gathering information concerning proposed hunting, fishing and trapping regulations for the above-named county.

As the result of action by the Texas Legislature, the Texas Parks and Wildlife Commission is responsible for the setting of seasons, bag limits, and means and methods of taking the wildlife resources in Briscoe County. All interested persons are urged to attend and comment upon the proposed regulations.

STAY AWAKE ITCHING?

Let doctor's formula stop it. Zemo speeds soothing relief to externally caused itching of eczema, minor rashes, skin irritations, non-poisonous insect bites. Desensitizes nerve endings. Kills millions of surface germs, aids healing. "De-itch" skin with Zemo, Liquid or Ointment. Quick relief, or your money back!

WOMEN PAST 21 WITH BLADDER IRRITATION Suffer Many Troubles

After 21, common Kidney or Bladder Irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondly, you may lose sleep and suffer from Headaches, Backache and feel old, tired, depressed. In such irritation, CYS-TEX usually brings fast, relaxing comfort by curbing irritating germs in strong, acid urine and by analgesic pain relief. Get CYS-TEX at drug-gists. See how fast it can help you.

It's Crystal
 In the 1400's the Venetians made lime glass which was colorless and transparent. It was called "cristallo", from which our word "crystal" is derived.

Widespread
 The 3,000 islands, cays and rocks that make up the Bahama Islands are scattered over an ocean area altogether larger than Great Britain.

To All Members of Briscoe Coop Gin and Silverton Coop Elevator:

This is your official notice of the annual meeting of the stockholders which will be held on Saturday, May 17, 1969, at the Silverton School Cafeteria.

This will be a **JOINT ANNUAL MEETING OF THE SILVERTON COOP ELEVATOR AND THE BRISCOE COOP GIN** to discuss the terms of a merger or consolidation into one cooperative. Be sure to be present to vote on this important matter.

Other items on the program for the stockholders' meeting include:

1. A report from a qualified auditor who has made a careful study and an analysis of our operations. You will be given a condensed statement in printed form.
2. We will elect two of the five men who will direct our business during the next year. As owner of a substantial interest in the association, you will want to take part in the election and be sure our business is in good hands.
3. You or any other stockholder will have an opportunity to ask questions or to offer suggestions for improving the service our association gives its patrons.
4. A gift will be given to each family present.

We will have dinner for you and your family, music and entertainment for all, plus a kiddie show.

Serving of the dinner at the School Cafeteria will start promptly at 7:30 p.m. The business meeting will be called to order at 8:30 p.m. in the School Cafeteria. Please be there!

We will be expecting you at 7:30, Saturday, May 17, 1969.
