All Around the Town

by Mary Ann Sarchet

I found the following in a magazine the other day, and couldn't resist copying it:
 Each morning I remind myself, That I should take the time for prayer
 And yet, it seems there is no time, No time for God and me to share.
 Breakfast dishes, beds to make, The kids to school, a cake to bake. Shirts to iron, and floors to mop. And when will I find the time to shop?
 And then —Today! A shriek of brakes,
 A sudden anguished toddler's cry, Made time stand still!
 I reached the quiet, sunny street And found my child all right — unharmed.
 He cried because his mangled trike Was ruined, twisted in the dirt.
 I knelt and held him in my arms And brushed the frightened tears away,
 And found the time, at last, for prayer—
 "Today — Dear God! Thanks for Today!"

Lesley Is Head Coach At Coronado, El Paso

Ben Lesley, a former coach and teacher in the Silverton Public Schools, has been named head basketball coach at Coronado High School in El Paso, replacing Dick McAlpine.
 Lesley was B-team coach at Coronado last year. McAlpine had been the basketball coach at Coronado since the school's opening.
 The change, announced by the El Paso Public Schools athletic director, sets up a brother vs brother situation. Ben is the brother of Bobby Lesley, who is head coach at Eastwood High School. Both teams are in District I-AAAA.

Ben Lesley holds a B.S. degree from North Texas State and a M.A. degree from West Texas State University. He has been at Coronado High School since leaving Silverton in 1964. He teaches mathematics in addition to his coaching duties. He and his wife, the former Bonnie Alexander, taught at Millford before moving to Silverton.

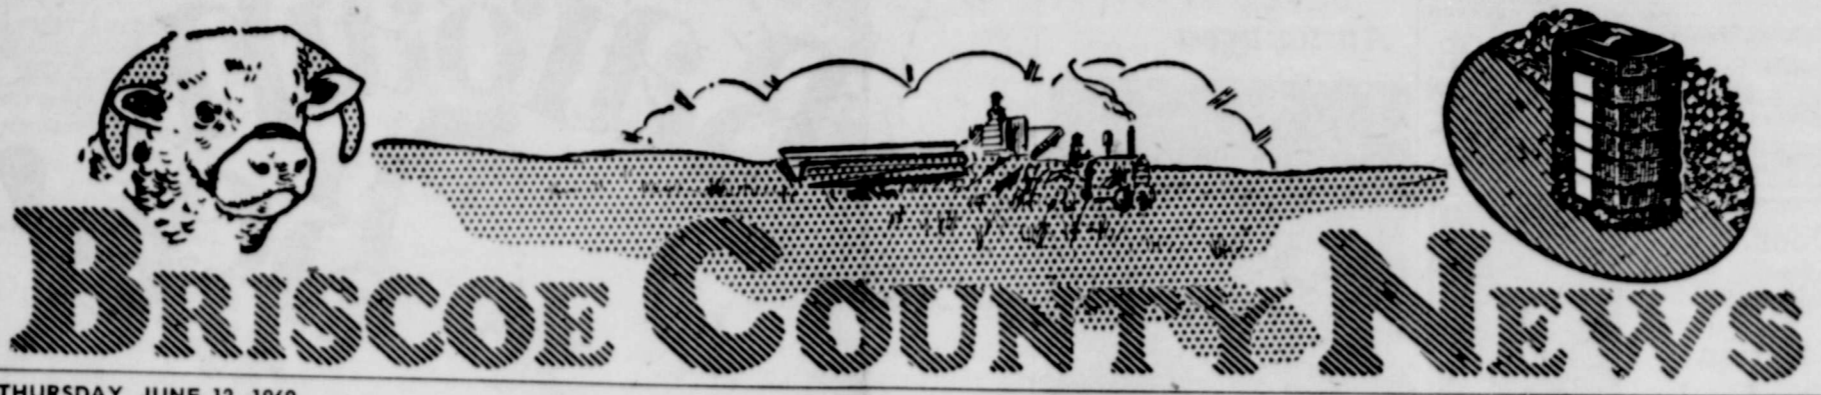

Mrs. Lesley teaches English to Juniors at Eastwood High School. Coach Lesley is employed this summer as a relief driver for the Continental Bus Company.

Bond Election Called For Building New City Hall

The first load of new wheat received in Silverton was delivered to Silverton Elevators on Wednesday, June 4, by Mrs. J. V. Self. Harvested below the caprock, the moisture was 14.70 and the test weight was 61 pounds. The field was estimated to be yielding 15 bushels per acre. Elevator manager Carl Tidwell was pictured with Elmer Allison, who brought the load in for Mrs. Self.

Bob Hill, manager of Silverton Cooperative Elevator, and Berle Fisch are pictured with the first load of new wheat harvested from the Plains portion of Briscoe County. The test weight was 62 pounds and the moisture tested 13.00. The wheat was delivered to the elevator on Friday, June 6.

At a special meeting held Monday afternoon, the Silverton City Council called for a \$25,000 bond election to build a new city hall and fire truck garage. The election will be held at the city hall on Saturday, June 28, with Mrs. C. A. Holt as Election Judge and Mrs. Floyd Williams as the assistant Election Judge.

The Council has been working on this project for months in an effort to plan the best building available at the lowest possible cost. The proposed building will cost the City approximately \$30,000.

Presently the City has \$10,000 in a special account and \$6,000 in the sinking fund. The bond election would not necessitate a tax increase due to the fact that the City has no bonded indebtedness at the present time. (Silverton is one of two cities in Texas with no bonded indebtedness.)

The new city hall would be approximately 50'x75', with a garage provided for three fire units, a water works office, council meeting room, city secretary's office, vault and bill collection facilities.

Both the present city hall and fire truck garage are considered fire hazards. The building in which the fire trucks are housed is so open that it is impossible to keep the trucks from freezing in very cold weather. Certainly, neither of the buildings is a complement to the City of Silverton.

The City Council has extended an invitation to city residents to

Dwarfs, White Sox Win Season Openers

The season opened Tuesday night for Silverton's Pee Wee and Little League games.
 Kirk Durham was the winning pitcher for the Pee Wee League Dwarfs, who took a 5-0 win from the Midgets in the first game of the double header. Kelly Comer was the pitcher for the Midgets.
 Behind the pitching of Ken Wood, the Little League White Sox ran up a 7-2 score over the Gold Sox before the game was called in the middle of the fourth inning due to the weather. The game will go into the official record book as a 5-2 win by the White Sox, due to two of their runs having been scored in the top of the fourth inning.
 Brent Brannon was the starting pitcher for the Gold Sox, and takes the loss on his record even though he was later relieved by Mike Griffin.
 Kelly Bomar also shared the pitcher's mound for the White Sox, relieving Wood in the third inning.
 The Dwarfs and Midgets will play their next game at 6:30 p.m. Friday, followed by the Blue Sox vs. the White Sox at 8:30 p.m.
 The concession stand is being operated at all of the games.

Drive Underway For Girlstown U.S.A.

A drive is underway to collect clothing and other necessities for Girlstown U. S. A. at Whiteface. Marshall Cooper, executive director of Girlstown, has emphasized that they can use ANYTHING that is used in the home. This includes personal items as well as household needs. All donations, whether large or small, are appreciated at Girlstown, U. S. A.

* 4-H DOINGS

The second-year 4-H clothing group met in the John T. Francis home Tuesday, June 10, at 1:30 p.m. They showed their experiments and told what they had learned, gave their demonstrations on good grooming, made posters for the HDC style show, learned how to make drawer dividers and sewed on their garments.
 Those present were Becky Francis, Mary Chris Cantwell and Lesa Francis.
 The other two assistant coaches have taught in the Silverton Schools this year. Bill Wood, a West Texas State University graduate, is a native of Claude, where he played four years of basketball and football for Claude High School.
 Tom Pearson, who taught in the local school last semester in the

Telephone Service Disrupted Here

Telephone service was disrupted here Saturday afternoon when two 25-pair cables were torn down by a high load going through town. Approximately 60 telephones were involved, according to Sherron T. Lee, Division Manager for General Telephone Company.
 Telephone company crews were dispatched from Memphis and Falls to make the repairs which were completed Sunday morning.
 Mr. and Mrs. Jerry Miller visited Saturday night with Mr. and Mrs. Doyle Ozment and son at Tulsa.

Lions Club To Have Ladies Night Tuesday

Silverton Lions Club will host a Ladies night Tuesday, June 17, at 8:00 p.m. at the City Cafe.

Rainfall Heavy Last Weekend

The City of Silverton received heavy rainfall over the weekend, accumulating an official measurement of 1.65 inches.
 The official figure was made up of 1.07 inches Saturday night, .50 of an inch Sunday night, and .15 of an inch Monday night.
 These measurements were taken on the north side of town, and unofficial measurements on the south side of town were as high as 2.50 inches.
 In the rural area, amounts have varied from a trace up to three inches.
 Hall has been very insignificant in town, but has inflicted serious damage on crops in some isolated places. Riley Harris received a damaging hail over the weekend, and there was a brief hail shower from a fast-moving storm cloud that passed west and north of Silverton Monday night.

Ordinance Adopted By City Council

BILL STOVALL

School Coaching Staff Is Selected

According to an announcement by Superintendent J. S. Hinds, Bill Stovall has been employed as head coach for the Silverton Schools, with Tom Wright, Tom Pearson and Bill Wood as his assistants.
 Coach Stovall is married, and he and his wife Carolyn have an eight-year-old daughter, Leesa, and two sons, Greg, 6 and Lance, 3. They are members of the Church of Christ.

Both Coach and Mrs. Stovall are Lubbock natives and graduates of Lubbock High School, where he participated in all sports four years and was named to the All-District football team two years for his play as center and line-backer, and she was a cheerleader.
 He played football two years at Abilene Christian College and is a graduate of Texas Technological College. He is doing graduate work at East Texas State College, and has been listed on the Dean's Honor Roll two college semesters. He attended the National Science Institute at Stephen F. Austin College on a grant and received six hours of credit in modern algebra.
 He has coached five years and has taught math, science, geometry, algebra and history. He has been employed by the Miami and Coleman school systems, and will come to the Silverton Schools from Sulphur Springs.

Coach Tom Wright is a native of Sulphur Springs, where he lettered four years in football and basketball, and was selected as a member of the All-State team in both sports. He played college football four years at Tulane, and will be teaching and coaching for the first time in the Silverton Schools.

An English major, he is married but has no children.
 The other two assistant coaches have taught in the Silverton Schools this year. Bill Wood, a West Texas State University graduate, is a native of Claude, where he played four years of basketball and football for Claude High School.
 Tom Pearson, who taught in the local school last semester in the

A new ordinance, entitled "Junked Motor Vehicles," was adopted recently by the Silverton City Council.

The ordinance defines a junked motor vehicle as "any motor vehicle which does not have lawfully affixed thereto both an unexpired license plate or plates and a valid motor vehicle inspection certificate, and the condition of which is one or more of the following: wrecked, dismantled, partially dismantled, inoperative, abandoned, discarded."

The ordinance goes on to state that the presence of a junked motor vehicle on any private lot, tract, or parcel of land, or portion thereof, occupied or unoccupied, improved or unimproved, within the City of Silverton shall be deemed a public nuisance. Whenever such public nuisance exists, the owner or the occupant of the premises on which the public nuisance exists, will be required to abate or remove same.

The ordinance provides that an order shall be issued in writing, informing the owner or occupant of the premises that a public nuisance exists, specifying the location of such public nuisance and the corrective measures required by the City. Ten days from service of the written notice will be provided for compliance with the request.

Any person violating any of the provisions of the new ordinance will be considered guilty of a misdemeanor, and upon conviction shall be judged to a fine of not more than \$200.00. Each transgression in violation of any of the provisions of the ordinance shall be deemed a separate offense.
 If any resident of the City has old junked cars they would like the City to remove, they should contact City Secretary Jerry Patton at the City Hall.

ACTION ON WATER WELL
 In other business transacted by the Council, bids on the purchase of a pump for the new well which is being developed by the City were read. Davis Drilling & Pump Service submitted the low bid, \$1,530.00, which was accepted by the Council. A bid of \$1,650.00 was

place of James Ross Alexander who resigned at mid-term, is a graduate of Borger High School where he played basketball four years. He also played basketball at Frank Phillips College and received his degree from West Texas State University.

ELEMENTARY PRINCIPAL
 Superintendent Hinds also announced the election of Charles Payne as the Elementary School Principal. He holds a masters degree, and is certified both as a school principal and school superintendent. He has seven years of teaching experience, having most recently been with the Logan, New Mexico school system, where he was also an athletic coach. He has farmed near Silverton for the past three years.

submitted by Riley Joe Ziegler, and Frank Hunt submitted a bid of \$1,777.00.

Councilmen voted to give Rhode Pipe Company the pipeline contract.

BRYAN T. CLEMENS

Wayland Dean To Fill Baptist Pulpit

Bryan T. Clemens, dean of students at Wayland College since 1967, will fill the pulpit Sunday at the First Baptist Church while the pastor, Rev. C. H. Murphy, jr. is on vacation.
 Dean Clemens was born in Deckum County, Oklahoma, but has lived in the Texas Panhandle most of his life.

He graduated from Pampa High School in 1952, received his B.S. degree from Wayland College in 1959 and received his M.S. degree from Purdue University in June of 1963. He holds the Ph.D. degree from Purdue in the field of counseling, psychology and student personnel administration in higher education.

Clemens was assistant dean of men at Purdue before he returned to Wayland. He taught in Texas public schools from 1959 until 1962 when he went to Purdue for study. He was director of guidance and counseling at Southwestern School Corporation, Walton, Indiana, 1963-1964 and assistant to the dean and school counselor of humanities at Purdue June 1964 through July 1966.

He was student minister at Plainview area churches and interim pastor of churches on the Plains from 1957 until 1962, and was pastor of the Miami Baptist Church in Logansport, Indiana, from 1964 until October 1967 while pursuing his degree at Purdue and working on the staff there. The church in Logansport was given the Town and Country Church of the Year Award in 1966, while he was pastor.
 Dean Clemens and his wife Louise are parents of four children.

**Blessed Is The Nation
 Whose God Is The Lord**

by C. H. Murphy, Jr.
 Pastor, First Baptist Church

What has happened to America? I find myself deeply disturbed about the happenings in our country—disturbed about the situation on our college campuses; troubled about the raging fire of race hatred; distressed about the ever-increasing crime rate, suicides, mental sickness, social drinking and alcoholism, gambling, illicit sex relationships, and divorce. It seems that our nation is plagued with more problems than ever before, and not only our nation, but individuals and families about us.

It seems impossible that a nation that has made such progress in the fields of science, medicine, education, and economics would be plagued with such happenings. The American has greater material wealth than anyone on earth, yet he is miserable. The American citizen has more education than another person, yet he is unable to solve his dilemma. We have at our advantage miracle drugs and great medical doctors, yet we Americans are the sickest people around. We have more things to do, more places to go, and more leisure time than any people, yet we are restless and unhappy and unsatisfied. What is happening?

It is my opinion that we are on the threshold of a great spiritual awakening, if we who are Christian will do our part. I say this because many of our national leaders and educators are saying that the sickness of America will not be healed by economics alone, or by science alone, or by education alone. Each of these are and can be helpful, but they are not the remedy for what plagues us.

It is not at all uncommon to hear politicians, writers, newsmen, and others assert their conviction that the only thing which can save our sagging culture is a revival of religious faith. The situation on our college campuses should indicate to us that education alone is not the answer for

man's sickness. There is no "social medication" that can lastingly heal. It will take a greater power than the "Great White Father" in Washington—it will take Almighty God Himself!

Billy Graham said, "Man's problem is not just his environment; it is a spiritual disease called sin, and the cure for the disease is the Gospel, which is the good news about God's love and His provision through Jesus Christ for salvation to all who will repent and believe."

Believing then that Jesus Christ is the answer to America's problem and our problem here at home, what then are we to do? Our Lord has entrusted His followers, His Church, to preach the Gospel. It is every Christian's duty and obligation under God to present the Great Physician to a sick America, to a sin sick neighbor. But are we really doing this? We are not when we allow our Christian faith to be adulterated with materialism, watered down with secularism, and intermingled with spiritual coldness. If we are to help change America and our own community into something great for God, then God's people must do something more than we are doing. It will take more than what the "average church member" is doing. It is going to take more than the "sixty minute salute" that many pay to God on Sunday mornings. If America is to be a nation blessed of God, Christians must commit themselves to a New Testament Christianity—a Christianity that is bold, that is burning, and that is alive.

If Jesus Christ lives in your heart, tell your friends about Him. For as you tell others about Him, you are setting in motion that which America and Silverton desperately needs—spiritual awakening!

Mrs. Price Barrett of Shamrock was a dinner guest on Tuesday with Mr. and Mrs. Leo Comer.

**Engagement
 Announced**

LINDA GALE SISSNEY

Mr. and Mrs. H. B. Sissney announce the engagement and approaching marriage of their daughter, Linda Gale, to Mr. Richard Wayne Unger, son of Mr. and Mrs. H. B. Unger of Kermit, Texas.

The bride-elect is a 1967 graduate of Silverton High School and is also a graduate of Commercial Business College of Lubbock. She is now employed by Time D C in Lubbock.

Mr. Unger is a graduate of Kermit High School. He attended Texas Tech three years and is presently employed as Data and Programmer Control Supervisor for Time D C in Lubbock.

The couple will exchange wedding vows August 2 in the home of the bride's parents.

Laquita Bomar left Saturday on the first leg of the trip that will take her to various cities in Germany with a group who will be doing missionary work this summer. Her address will be c/o Jack Nadeau, Burgstrasse 118, 5034 Cologne - Guelen, Germany.

**WORTHY MATRON, PATRON
 HONORED HERE RECENTLY**

Silverton Chapter No. 900, Order of the Eastern Star, recently honored their Worthy Matron, Merlene Stephens, and Worthy Patron, Doyle Stephens, with a special program directed by Associate Matron Margie Moreland. Each officer took part, and gifts were presented to the honorees.

Earlier the Worthy Matron had extended her appreciation to the officers and members present with a gift for each.

On Tuesday evening of last week, Frank and Nora Lee Yeary were initiated into the chapter. His sister and brother-in-law, Besie and Bill Sauls of Quitaque, took part in the ceremony by filling the stations of Associate Matron and Associate Patron. A reception honored the new members following the ceremony.

Reliability is not just another word. It is something that is usually associated with a 2-year service award, a safety certificate, or a unanimous vote of confidence. The reputation for reliability is never given; it is something that must be earned.

We are fortunate in this community to have a number of reliable merchants. You should know some of them. They operate on a policy of

offering quality merchandise at fair prices, giving efficient and satisfactory service. They're just like old friends—always there when you need them, always ready to help in any way they can.

Whenever you have need for a product or a service, check first to see if some reliable local merchant isn't just waiting to meet your needs—quickly, efficiently, satisfactorily.

We've found it so. We think you will too.

Enzymes in concentrated form such as those present in some laundry products — may have an irritating effect on the skin. Although the enzyme concentration in the laundry products is low, some people may be hypersensitive to the enzymes and develop an allergy when exposed either to enzymatic solutions or to clothes washed in them. If such a problem develops, see your dermatologist and revert to detergent.

The key to successful picnics is planning and pre-preparation. Good planning makes picnic meals nutritious, economical and fun. What foods are best for picnics? Ones which are easy to prepare, easy to carry and easy to eat.

Choose foods for outdoor meals for other meals. The Basic Picnic is a guide. Include a leafy green, or yellow vegetable and a protein food such as meat, cheese, fish or eggs. Bread, buns, or potatoes will provide a starchy food. Fruit makes a simple dessert. Milk or a fruit drink provides the beverage.

Carefully packed foods will keep in good condition until eating time.

Salad greens and raw vegetables should be washed carefully, patted dry and put into containers to keep them crisp. Plastic bags carry vegetables well.

Meats should be cooled thoroughly before being packed. A thermos container or an insulated bag is ideal for packing carefully

wrapped meat. Meat can be wrapped in several layers of newspaper to keep it cool.

Sandwiches should be wrapped individually and packed carefully. Pack cookies and cake closely in a box—so that they don't move around and break up while being carried.

Don't take foods such as potato salad and cream sauces and fillings on a picnic. They spoil easily, especially under picnic conditions, and can cause food poisoning.

Before you leave for the picnic make a check list. Include the food cooking and eating utensils, serving dishes and spoons and condiments such as salt and pepper.

Take some paper bags for trash. It makes cleaning up easier and it helps prevent littering.

Spectacular skewer cookery delights guests. Let each person construct and grill his own kabob.

Make kabobs by alternating chunks of food on skewers. Use meat and vegetables which will cook at the same time. This may mean some vegetables such as potatoes and onions have to be partially cooked.

Or give each vegetable its own skewer so each person can cook it the right time.

Before boiling, season with salt and pepper, and brush with barbecue sauce or melted butter and lemon juice. Chunks of meat will cook faster and more evenly if they are not crowded.

To serve point skewer down and slip food onto the plate, platter or a hot roll.

Interesting kabob combinations are franks, canned pineapple or apple chunks, bacon squares . . . luncheon meat, pineapple, banana chunks . . . ground lamb shoulder, tomatoes, green pepper, onion . . . beef steak, mushrooms, sliced onions . . . luncheon meat, quartered tomatoes, small cooked onions . . . chicken livers, small bacon squares, mushrooms.

Texas Wins Top U. S. D. A. Award

John O. Barnes, Assistant Texas State Director of the Farmers Home Administration, has received the coveted Superior Service Award of the U. S. Department of Agriculture from Secretary of Agriculture Clifford M. Hardin in Washington, D. C.

In ceremonies at the Sylvan Theatre adjacent to the Washington Monument, Barnes was cited "for superlative leadership of the Farmers Home Administration during a critical period when the State Director was disabled."

Barnes is one of five selected for the award from among the

6,500 employees of his agency.

Barnes, 48, took full responsibility for direction of the Farmers Home Administration program in Texas, which includes a staff of 430 people, when former State Director Lester J. Cappelman was severely injured in an automobile accident last June and was away from his duties several months.

Because the Texas program accounts for nearly one-tenth of the national loan volume of the USDA credit agency, high quality leadership in Texas is essential to success of the agency's programs, the Barnes award nomination noted.

More than \$125 million in loans and grants was handled by the Texas Farmers Home Administration office in the last fiscal year, by far the largest state program in the nation. More than 35,000 loans are outstanding for family and community projects.

When confronted with the major challenges facing him as Acting State Director, Barnes could call on more than 16 years of experience with PHA, having joined the agency in 1952 in Jacksonville, Texas. He carried out increasingly responsible posts in Beeville, Carrizo Springs, Corsicana and Greenville prior to his promotion to Assistant State Director at the Temple headquarters in 1967.

Mr. Barnes holds both B.S. and M.A. degrees in vocational agriculture from Sam Houston State College in Huntsville. He served in the U. S. Marines during World War II and again during the Korean conflict.

Mr. and Mrs. Wayne Rampley and son and Mr. and Mrs. Dwight Rampley, all of Weatherford, Oklahoma, have been here visiting with Mr. and Mrs. O. C. Rampley, Shorty Bingham, other relatives and friends.

VA Appraisal Price Proves To Be Fair

In the past year, only one out of every 14 home-buying veterans paid more for his GI home than the Veterans Administration's appraisal price, VA said today.

This indicates that its reasonable value appraisal is fair for the builder or seller as well as for the veteran.

The VA explained that Public Law 90-301, which went into effect May 7, 1968, gives veterans the right to pay more for a home than the VA's reasonable value appraisal.

However, the VA requires that

this difference be paid in cash.

In the first 10 months following enactment of PL 90-301, the VA guaranteed or insured a total of 198,814 home loans. Of this total, only 14,325—or 7.2 percent—had a purchase price in excess of the VA's reasonable value appraisal.

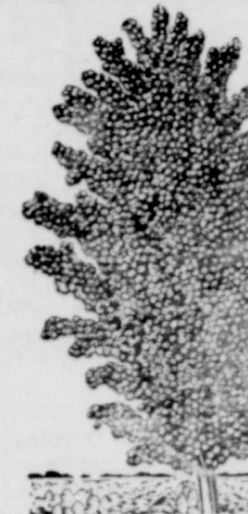

The VA noted that in more than half of the higher than appraisal value sales (7,785) the difference

amounted to \$500 or less.

Veterans paid a \$501 to \$1,000 difference in approximately 3,600 of the 14,325 above appraisal value sales.

The VA added that 1,210 sales involved an above appraisal value cash outlay of \$1,001 to \$1,500, while 1,737 sales required cash payments of \$1,501 or more to meet the appraisal-sales price difference.

"Worthy art thou, Our Lord and God, to receive glory and honor and power, for thou didst create all things, and by thy will they existed and were created." — Revelation 4:11

The wonders of God's world are endless. Rare is the man who can walk the road of life without pause to admire a golden sunset, without breathing deeply to capture the fragrance of a dew-filled rose.

In the orderly repetition of the seasons, in the miracle of birth, in the green shade of a blade of grass, and the knowledge-growing of the far-out galaxies, every man who looks and sees learns a little more about his God.

NEWS FROM THE COUNTY AGENT'S DESK

GUIDELINES AIED ON GREENBUG CONTROL

Greenbugs, tiny green members of the aphid family, invaded grain sorghum on the Texas High Plains for the first time last year, causing considerable concern. More than two million acres were infested.

This year entomologists, farmers and concerned individuals will be keeping a sharp lookout for the tiny pest, as sorghum stands become established. A considerable amount of research was conducted last year to develop guidelines for controlling the insect.

Greenbug damage in grain is dependent on greenbug numbers, plant size, vigor and stage of growth, moisture conditions and presence or absence of parasites and predators. All these factors must be considered before initiating a control program.

Damage from the seedling stage up to early pre-boot may result in stand loss and plant death. Plants from emergence up to about six inches in height, showing visible damage with colonies of greenbugs on the leaf surface, should be treated. Treatment of plants six inches high to pre-boot is also recommended before any entire plant leaves are killed by greenbugs.

Pre-boot and older plants can tolerate larger numbers of the insect, but heavy populations can also cause extensive damage. Control is recommended if bug infestations kill more than two lower, normal-size plant leaves.

A number of insecticides are recommended for effective control, should greenbugs reach damaging levels. These are carbophenothion (Trithion), demeton (Systox), and parathion (Ethyl). Demeton should only be applied once during a season. Methyl parathion should not be substituted for parathion.

Growers should carefully read the manufacturer's recommendations on the label of the particular product they buy. Each product is different and has a different waiting period from application to harvest or grazing.

We remind growers to check their fields regularly for signs of greenbugs. The insects usually feed on the underside of sorghum leaves and this results in reddish spots on the topside of the leaves. As numbers increase, this reddened area enlarges and finally the leaf begins to die, turning brown from the outer edges toward the center.

Farmers should also be on the lookout for beneficial insects

which are important in keeping down greenbug populations. These include lady beetles, damsel bugs, green lacewing larvae, syrphid fly larvae and several tiny wasp species.

These general guides assume that not enough beneficial insects are present to effectively control greenbugs. Plants under stress cannot support many greenbugs without suffering yield reductions.

THE WEEK'S LETTER:
"I am a 20 year old boy with a problem and I wonder if you can give me advice. How can I date without a car? This is my problem. I have been dating a certain girl for a year now, and have never missed a weekend in over eight months. You see, I am paying for my whole college education by working part-time evenings. Because all the money I earn goes toward school, I do not have any to put down on a car of my own. When I go to school, and when I date, I use my father's car."

About three weeks ago, I had an argument with my father over some personal family problem. The argument caused me to lose my use of the car for pleasure. My father told me I am only able to use the car for school. This is now affecting the relationship between my girlfriend and I. She is trying to be as sweet as could be about the whole thing, but I can see she is starting to become a bit bothered about the situation. How can I get the use of the car back, even though I know my side of the argument is correct? I'd hate

to lose my girlfriend over a family problem."
OUR REPLY: Is it necessary for you to concede that your father's position was correct in order to regain use of the car for pleasure? The argument should be a thing of the past, unless the conditions or situation which caused the argument still exist. Was use of the car involved in the difference of opinion in any way? If so, you must remember that it is your father's car and he has the right to set some ground rules. You should be willing to abide by them — and we would advise that you do, even if your pride may suffer, because you cannot win your father over to a certain point or philosophy. Any father should be proud of a son who is working his way through college. We feel that you and your father will manage to settle things soon. As for the girl, if she really likes you, she won't leave you just because you're temporarily without wheels.

If you have a teenage problem you want to discuss or an observation to make, address your letter to FOR AND ABOUT TEENAGERS, COMMUNITY AND SUBURBAN PRESS SERVICE, FRANKFORT, KY.

O.E.S. Chapter Mothers Honored Saturday Night

Officers of the Eastern Star for 1969-70 were installed at a public installation ceremony held Saturday evening at the Masonic Lodge. Both are members of the Silverton Chapter.

Mrs. Tina Schott, who has been a member of the Eastern Star for 27 years, was presented with a 25-year pin by her daughter-in-law, Rena Schott, who is also a member of the Silverton Chapter. Mrs. Fisher who had previously served another Chapter as Worthy Matron was installed as Worthy Matron of the Silverton Chapter when it was organized in 1946. She has been a member of the Eastern Star for 41 years, and was presented a 40-year pin by the Worthy Matron, Mary Ann Sarchet, on behalf of the Chapter.

Merlene Stephens, Junior Past Matron, and Doyle Stephens, Junior Past Patron, were also honored. Judy Stephens, daughter of the Past Matron and Past Worthy Advisor of the Rainbow Assembly, presented her mother's Past Matron Jewel and the Past Patron received a pin from the Chapter presented by the Associate Conductress, Carolyn Montague.

The presentations followed the installation ceremony which was conducted by Lillian Lindsey, Installing Officer; LaVerne Long, Installing Marshal; Frances Crass, Installing Organist; Glen Lindsey, Installing Chaplain; Weta Hill, Secretary Pro-Tem; and Mae Bomar, Assistant Installing Officer.

Officers of the chapter for the year are Margie Moreland, Worthy Matron; M. G. Moreland, Worthy Patron; Elaine Forbes, Associate Matron; Homer Stephens, Associate Patron; Leavie Criswell, Secretary; Anna Lee Anderson, Treasurer; Mary Ann Sarchet, Conductress; Carolyn Montague, Associate Conductress; Lula Belling, Chaplain; Lola Mae Stephens, Marshal; Frances Crass, Organist; Grace Vaughan, Adah; Jimmie Sissney, Ruth; Lois McKenney, Martha; Pat Whitfill, Electa; Lillian Lindsey, Warder; and Eugene Vaughan, Sentinel.

The family of the Worthy Matron and Worthy Patron took part on the program, with their grandsons, Bill Cox and Flynt Moreland, lighting the candles; their granddaughters, Leslie Cox and Brenda Moreland, placing flowers on the altar; and Mrs. Bill Cox and Mrs. Morris Moreland placing the Bible and square and compass on the altar.

Bill Cox led the opening prayer which was concluded with The Lord's Prayer repeated in unison. Morris Moreland read one of his mother's favorites, "A Smile Costs Nothing."

Mrs. Joy Stodghill sang a favorite song of the Worthy Matron, "I Will Not Pass This Way Again," accompanied by Carolyn Montague.

Rev. Bob Sewell, pastor of the United Methodist Church, closed the meeting with a benediction.

The new Worthy Matron chose Faith as her theme of office, and selected Revelations 2:10, "Be

Games of Bridge and "42" were played by approximately 24 guests.

Winners in Bridge were Mrs. Nannie Bomar and Mrs. Dick Mayfield, high score; Donnie Martin, low; Mrs. Chick Northcutt, traveling prize. The winners in "42" were Bud Couch, high; Mrs. Fred Minyard, low; Dyrle Maples, traveling prize.

Cokes, cookies and coffee were served to Mmes. Gladys Arnold, Nannie Bomar, Mary John Harris, Lillian Mayfield, Bertha Pavlicek, Mildred Reid, Linda Minyard, Carolyn Lowrey and Mr. and Mrs. Bud Couch, Mr. and Mrs. Dyrle Maples, Mr. and Mrs. Chick Northcutt, Mr. and Mrs. George Seasey, Mr. and Mrs. Loyd Stephens, Mr. and Mrs. Wayne Stephens, Mr. and Mrs. Floyd Williams.

The Young Homemakers wish to express their appreciation to each one who supported the club's project.

Next regular meeting will be held Thursday, June 12 in the school home economics department. Each member is urged to attend because officers will be elected and gifts exchanged.

Miss Cynthia Sutton models a dress and jacket in navy and white positive-negative print from the collection of all cotton garments to be shown in the Cavalcade of Cottons at 2:30 p.m. Wednesday, June 18, in the Silverton School Cafeteria. The fashion show will be presented by the Briscoe County Home Demonstration Council in cooperation with the National Cotton Council and McCall's Patterns.

Mrs. Masey Honored At Bridal Shower

Mrs. George Masey, the former Miss Linda Yancey, was honored at a miscellaneous shower in the home of Mrs. G. H. Wilkinston Tuesday afternoon.

Special guests in addition to the honoree were Mrs. W. T. Masey, mother of the bridegroom; Mrs. E. W. Yancey, mother of the bride; Dorothy, Marsha and Brenda Yancey, sisters of the bride; Mrs. Homer Ragland, sr., of Lockney, grandmother of the bride; and Mrs. M. B. Self, the bridegroom's grandmother.

Guests were registered by Miss Dorothy Yancey.

Assisting with the serving were Miss Jackie Carol Tate and Mrs. Steve Miller. The refreshment table was covered with an ecru crocketed cloth over green and decorated with an arrangement of white carnations in a milk glass bowl. Refreshments and decorations carried out the honoree's colors, green and white.

Other hostesses were Mrs. C. F. Tate, Mrs. Joe McWaters, Mrs. Vinson Smith, Mrs. Truman Loyd, Mrs. Mart Norris, Mrs. Doyle Stephens, Mrs. Louis Grabbe, Mrs. Ted Hester, Mrs. Ruby Gilkeyson, Mrs. Jack Davis, Mrs. Charlie Parker, Mrs. John Schott, Mrs. Odella Gilmore, Mrs. Bud McMinn, Mrs. Irving McJinney and Mrs. Vance Childress.

Out-of-town guests were Mrs. Kenneth Hutson and Mrs. Lynn Dale McWaters of Perryton; Mrs. Rampey of Clarendon; Mrs. J. C. Austin of Plainview and Mrs. Albert Rowland of Tulia.

Bride-Elect Honored At Shower Saturday

Miss Kathy Self, bride-elect of Lynn Frizzell, was honored at a miscellaneous shower Saturday, June 7, in the home of Mrs. Edwin Dickerson.

Receiving the guests were Mrs. Dickerson; the honoree and her mother, Mrs. J. L. Self; and Mrs. Milton Frizzell, mother of the prospective bridegroom.

Guests were registered by Miss Vici Jasper.

Misses Carol Ann Montague, Karen Holt and Rhonda Dickerson served punch and white cake squares from a table covered with a yellow linen cloth. The centerpiece was an arrangement of tall yellow and white daisies. White candles in holders that matched the centerpiece flanked the arrangement.

The gifts were shown by Mrs. Marvin Montague, Mrs. James Davis and Mrs. Alya Jasper.

Other hostesses were Mrs. Fred Arnold, Mrs. Rex Holt, Mrs. Oscar Weeks of Tulia, Mrs. Roy Montague, Mrs. Leo Comer, Mrs. Claude Allison, Mrs. Ware Fogerson, Mrs. W. D. Peugh, Mrs. Wayland Fitzgerald, Mrs. Carroll Garrison, Mrs. Joe McWaters, Mrs. Ashel McDaniel, Mrs. Hugh Nance, Mrs. Lynn Welch and Mrs. O. C. Rampley.

Sixty-three guests were registered including these from out of town: Mrs. Tom Scott and Melanie of Levelland; Mrs. J. D. Boedeker and Nanda of Plainview; Mrs. G. F. Weast of South Plains; Mrs. Jack Frizzell, Mamba and Joye, Mrs. Kenneth Holt and Mrs. H. E. Frizzell, all of Lockney;

Mrs. Obra Watson returned home Monday after spending eleven days in Lubbock with Mr. and Mrs. Joe Bob Watson and baby. She reported that Joe Bob's doctors say he is doing as well as can be expected, that he had been at his home at 2419B 28th Street for a week, and is completely rational all the time now.

He is still receiving treatment, and was hoping to get his arm out of the sling soon.

Mrs. Pascal Garrison, Mrs. Don Garrison and Mrs. Gerald Smith left Wednesday morning to take the District II 4-H girls to College Station to begin their trip to the citizenship seminar to be held in Washington, D. C. Roy Garrison is one of those who will participate in the Washington tour, and will return home on June 24. The group also planned to visit Mr. and Mrs. Max Garrison while in Bryan.

Miss Roy Dale Garrison is enroute to the National 4-H Citizenship Shortcourse in Washington, D. C.

She was selected as one of the 60 Texas 4-H'ers to attend the session.

The delegation was to convene in College Station for orientation before traveling by chartered bus to the Nation's Capitol. Plans have been made for the 4-H'ers to visit the Grand Ole Opry in Nashville, Tennessee, enroute to Washington.

While in Washington, the delegates will host a reception in honor of the Congressmen and Senators.

presented by Mrs. T. C. Measles of Tulia, who introduced Clark Hall, coordinator - counselor of Tulia's special education program in the public school and the Satellite program which is extended through the Presbyterian Church. The benefits of the Head Start Program were emphasized.

The floral centerpiece for the luncheon was later presented to Mrs. Mary Daniel at the Tulia Nursing Home. Mrs. T. T. Crass made the place favors for each person attending the luncheon.

Mrs. Roy Mayfield gave gifts to each of those who served on the executive board during her term of office.

Cotton Style Show Being Planned Here

Cottons for all occasions will be featured in a fashion show to be presented by the Briscoe County Home Demonstration Council on Wednesday, June 18, 1969, at 2:30 p.m. in the Silverton School Cafeteria.

The traveling collection of fashions, "Cavalcade of Cottons," is a loan service made available by the National Cotton Council and McCall's Patterns. It is offered as a demonstration of the versatility in home sewing, and as information on the latest trends in fabric and pattern styling.

The wardrobe, made by seamstresses in Memphis, Tennessee, includes casual clothes, tailored suits and coats, late-day dresses and children's wear.

Plans for the program are to include 4-H and FHA members as models.

This is a trunk showing of 100 per cent cotton garments made from McCall's Patterns. We live in an area where cotton provides at least part of our income—all the more reason to wear this cool, comfortable fiber.

A 50c admission will be charged to help defray the cost of shipping.

Come, and bring a friend. Refreshments will be served.

VAUGHAN DESCENDANTS GATHERED MEMORIAL DAY

The descendants of the late Ed. John, Will and Sim Vaughan, Mrs. W. A. Stephens and Mrs. Jim Baker—children of the late William M. and Ellinora J. Vaughan—gathered here Memorial Day to place flowers on graves at the Silverton Cemetery, and for a day of visiting. All of those named and their companions are buried in the local cemetery.

Each family brought a basket lunch, and Mr. and Mrs. Bud McMinn opened their rent house and invited all to spread their lunches there.

Those who attended the family gathering were Mrs. Bill Long and Diane, Mr. and Mrs. Price Bradley, all of Tulia; Mr. and Mrs. Bailey Henderson of Lockney; Mr. and Mrs. Luther Vardell and their grandson, John Absin, of Clovis, New Mexico; Mr. and Mrs. Willie Vaughan of Happy; Mrs. Rex Vaughan, Pam, Vicki, Rodney and Randy, Mrs. Mable Welch, Ronald Welch, Mr. and Mrs. Bud McMinn, Dwain Henderson, Eural Vaughan, Mr. and Mrs. Homer Stephens, Mr. and Mrs. R. FATHER'S DAY IS JUNE 15th

Salem's of Silverton

DEAR EDITOR:

I received —anonymously— a piece of mail that was postmarked in Lubbock, Texas on May 13th which I would like to call to the attention of your reading public if I may be permitted to do so. This piece of mail is a copy of the May 10th issue of "Conservative Viewpoint" which is published by Richard Cotten, and is one among many such-like publications that come to my box "unsolicited".

Quoting from that publication: "The reaction of our government to this incident, (referring to the U. S. plane that was shot down by North Korea) and passed on to the American public by the news media is to 'Keep calm, be patient, don't get excited, do nothing, just take this murder of our men lying down.' Our government's official policy is that a great power must EXPECT to have these things done to them by small nations and that it is our duty to stand quietly and take it. This is a cowardly and ridiculous position."

Still quoting: "To make matters worse, our fumbling State Department calls on the Russians to help pick up the wreckage and the bodies of men shot down by a Russian MIG in the hands of North Korea, a country completely controlled and dominated by the Russians. Can anything be more inconsistent? No American citizen would invite a gangster who had just murdered his son to be an HONORARY PALLBEARER at the boy's funeral. Yet the shooting down of this plane involves the same principle. It is incredible." (The emphases are those of the writer of the article that appeared in Richard Cotten's Conservative Viewpoint on May 10th, 1969)

My personal admonition to your reading public follows:

1. I myself was once duped into letting just such-type statements made by the John Birch Society incite hatred in my heart toward this nation's highest civil government officials. That is the intended purpose of such publications.

Time To Spare

By GERALD ANDREWS - Retirement Adviser

Amateur into Professional

We often advise working men and women to cultivate a hobby of some sort, to get their minds off their daily occupations. And, of course, no one denies the personal benefits that those non-vocational interests provide. As they say, it's better than therapy.

Yet, there's another good reason for a hobby, one strictly vocational. You may be able to keep it going as a family budget booster when you retire.

So many Americans have made this transition that I could mention countless examples. There's the man who stops making furniture simply for fun, and adds the profit motive. There's the lady who, after years of baking pies for the church social, begins to bake them for a local store. And so on.

You've probably met these individuals in my previous columns.

But, you may be thinking, these sound like professionals rather than amateurs. So they are.

However, the point I want to make is that they weren't good when they retired. Some

needed to polish their skills before they felt qualified to enter the market in search of a little extra cash.

In other words, if you'd like to be a professional in your field, but doubt you can make it on your own, you still don't have to drop your ambition. You might have a try at what you can do under expert guidance.

Instruction shouldn't be hard to find no matter where you live. All the states and most cities provide facilities for vocational training. In many a small town, the YMCA or some other group performs the same function.

Falling personal attention, you may find a correspondence course fills the bill.

The best thing is to consider your particular situation before retirement. That way, you simply move what you're doing on the side into the center of the picture.

If you never had the time while on the daily nose-to-the-grindstone routine, you'll find the door still open in the form of training for retirees.

It's rarely too late to think of moving from amateur to professional.

2. The men in our United States Government have to practice very stiff restraint when they are constantly being taunted by the above type of incitement against them; by the type of accusations that our ordinary citizens are in no position to understand the complete background. So, thank God we have men in our Nation's highest government offices who can still practice restraint in the face of such taunts by their own fellow citizens!

3. With every major nation in the world now in possession of the H Bomb, the A Bomb and other weapons of nuclear warfare, for the United States to rush blindly into throwing our military weight around would mean almost total cosmicide; and the men in this Nation's highest government offices are wise enough to know that fact whether Richard Cotten realizes it or not.

4. The article I quoted from was captioned "A Message To The American People" and had been submitted by The Florida Coalition of Patriotic Societies and signed by Sumter L. Lowry. I do not know whether this "Coalition of Patrio-

tic Societies" also includes the John Birch Society, the SDS, the W. E. B. DuBois Clubs of America, The Minutemen, The Valley Forge Freedom Fighters, The Christian Crusaders —and scores of other so-called Patriotic Societies and Organizations, but I presume that it does because everyone of those organizations put out that same type of reading material "for the public's benefit," which is also published and distributed by Liberty Lobby; I believe the public should be made aware of those facts.

5. That specific type of material is published for only one purpose: to incite hatred against our United States Government Officials in the hearts and minds of American citizens. And the young men in this nation's Armed Forces—specifically those now fighting in Vietnam—are daily being bombarded with tons of just such type of publications! —Which is explanation enough for the attitude of mind expressed in the copy of a letter written by Sp5 John S. Wesley that was also published in Richard Cotten's Conservative Viewpoint.

Quotes taken from that young soldier's letter: "It is easy to sit at home and say, 'We are working for a political peace —have patience.' Patience, hell—right now I just want to kill someone." . . . "Twenty-five years ago my dad was fighting in this area, and he at least had his country behind him" . . . "What is happening to my country? I am a disillusioned American."

6. It was a full front-page of President Kennedy that appeared in The Dallas Morning News in November of 1963 under the caption "This Man Wanted For Treason" that incited the very same thought—"Right now I just want to kill someone," into the heart and mind of Lee Harvey Oswald, and he assassinated the President of The United States. I wonder who Sp5 John S. Wesley had in mind?

8. I do know this to be a fact: any society, club or organization that puts out the type of publications I quoted from bodes no good for America, and the entire public should become acutely aware of that fact. Like the SDS, every one of those aforementioned organizations have their own unique methods of stirring up hatred and inciting demonstrations and riots among the people of America that are detrimental to this Nation's government, to its economic security, and to the very cause of peace and good will.

9. At the close of the article I quoted from was this notation: "This ad cost \$851.40. If you believe in and agree with this mes-

Roentgenology is one of the most specialized fields, and its study is difficult to complete. Dr. Walls was one of only three in the

state, please help us pay for it. Send contributions to: Florida Coalition of Patriotic Societies, 3620 Henderson Blvd., Tampa, Florida 33609."

Let me ask you this: If YOU had a son fighting in Vietnam—or one who had been killed or wounded in battle, what would YOUR emotions be after reading Richard Cotten's Conservative Viewpoint? Would you perhaps send a donation to the Florida Coalition of Patriotic Societies? Anytime you do that, you yourself stand guilty of helping destroy the country your son was fighting to protect.

I submit this information in the sincere hope that it will cause all American citizens to stop and think before they permit this type of inflammatory material to stir up hatred in their hearts toward this Nation's government officials.

Respectfully, Mrs. Cross McDaniel, Route T, Box 10, Silverton, Texas

United States to reach the goal this year, and ten years of study were required.

He took the final examination in Chicago this month, along with 28 other applicants.

To qualify for the degree, a doctor must have a minimum of 300 hours at seminars on roentgenology. Walls has over 600. Before taking the final examination, he had to pass 14 written tests, five oral tests, two days of constant interpretation of X-rays, and must have had an article published in a state or national journal. This last was no hurdle, since Walls, past president of the Oklahoma Chiropractor Physicians Association, had an article published each month during his term.

Walls has been interested in X-ray work for many years. He helped organize the Oklahoma Chiropractic X-Ray Council 15 years ago and launched a series of educational seminars to help bring state doctors up to date. It was then he first began to consider working for the Diplomate degree.

"The study was a full-time job in itself," he said, "but I managed to complete it without giving up my practice. I love the work too well to ever do that."

As a specialist, he will now teach classes whenever colleges call upon him. He will also conduct seminars. Many doctors already send X-rays to him for interpretation, and some send patients.

He will probably be associated with the Logan Chiropractic Col-

lege of Saint Louis.

Walls became interested in X-rays before he became interested in chiropractic. He was an instructor of B-29 engineers during World War II, and began the study of X-rays after the war's end. He served as a graduate X-ray technician at St. Anthony Hospital in Oklahoma City, then set out to get his chiropractic degree.

"Many people do not realize that it takes seven years for a chiropractor to get his degree," he said. "Both chiropractors and medical doctors take the same basic science test."

Walls was the only member of his graduating class to receive a certificate of merit in X-ray work. He was also voted most ambitious student and most likely to succeed.

Walls first settled in Wewoka, but moved to Frederick, Oklahoma.

"Today a large percentage of diseases is located with X-rays," he said. "It is through X-ray study that one can determine tumors and growths. After X-ray study comes laboratory work to correlate findings."

Dr. Walls is the son-in-law of Mrs. J. C. Hill of Silverton. He is the brother-in-law of Mrs. Bud Long.

Your Home Business Firms are
THE HIGHEST BIDDERS
for Your Shopping Dollar

**Here
 are the facts
 to prove
 it.**

Actually . . . no matter where you live . . . nobody . . . and that means **NOBODY** . . . can give you more for your dollar than your own home business firms. Let's look at the reason for this advantageous . . . to you . . . situation:

ANY MERCHANT . . . anywhere . . . is ordinarily going to sell goods for some more than he pays for them.

ON AN AVERAGE . . . when you spend a dollar in any retail store . . . here or anywhere else . . . about 70 cents of it pays for **GOODS**, and about 30 cents goes for rent, taxes, donations, hired help, etc., and a few cents (the national average is about 5 cents) pays the proprietor for his work, and for his investment in goods and equipment, credit losses, etc.

NOW . . . when you spend your dollar at home, you get the same 70 cents worth of merchandise that you would get for it anywhere else.

AND THE OTHER 30 CENTS stays here too, to help you pay for schools, churches, roads and streets; to vitalize the community so your property . . . or your job . . . is worth more; to keep more people here to share civic work and expense, and to serve **YOU** when you sometimes direly need their knowledge and their skills.

ONLY when you buy in **YOUR OWN HOME** community do you get back most of this 30-cent retail handling charge . . . and often a great deal more, as your job or your business prospers and your social life broadens with the growth of the entire community.

NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS THE STATE OF TEXAS COUNTY OF BRISCOE CITY OF SILVERTON

TO ALL RESIDENT QUALIFIED ELECTORS OF THE CITY OF SILVERTON, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID CITY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held in the City of Silverton, Texas, on the 28th day of June, 1969, in obedience to a resolution and order duly entered by the City Council on the 9th day of June, 1969, on the proposition set forth in the attached copy of RESOLUTION AND ORDER FOR CITY BOND ELECTION, said resolution and order being made a part of this notice for all intents and purposes.

THIS NOTICE OF ELECTION is issued and given by the undersigned, pursuant to authority conferred by virtue of the attached resolution and order of the City Council of the City of Silverton, Texas, and under authority of law.

WITNESS OUR HANDS AND THE SEAL OF THE CITY OF SILVERTON, TEXAS, this the 9th day of June, 1969.
H. B. Simpson Mayor, City of Silverton, Texas
ATTEST:
Jerry Patton City Secretary, City of Silverton, Texas (City Seal)

A RESOLUTION AND ORDER BY THE CITY COUNCIL OF THE CITY OF SILVERTON CALLING A BOND ELECTION WITHIN SAID CITY; MAKING PROVISION FOR THE ELECTION AND THE MANNER IN WHICH THE SAME SHALL BE HELD AND NOTICE THEREOF GIVEN.

WHEREAS, the City Council of the City of Silverton, Texas, deems it advisable to issue the bonds of said City for the purposes hereinafter mentioned; therefore, BE IT RESOLVED AND ORDERED BY THE CITY COUNCIL OF THE CITY OF SILVERTON, TEXAS:

SECTION 1: That an election be held on the 28th day of June, 1969, which date is not less than fifteen (15) nor more than thirty (30) days from the date of the adoption of this resolution and order, at which election the following proposition shall be submitted to the resident qualified electors of said City, who own taxable property therein, and who have duly rendered the same for taxation:

"Shall the City Council of the City of Silverton, Texas, be authorized to issue TWENTY FIVE THOUSAND DOLLARS (\$25,000) general obligation bonds of said City for the purpose of constructing and equipping a City Hall building in and for said City; said bonds to mature serially over a period of years not to exceed TWENTY (20) years from their date, and to bear interest at a rate not to exceed the maximum prescribed by law at the time of issuance, payable annually or semi-annually; and to provide for the payment of principal of and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to redeem said bonds as they become due?"

SECTION 2: That said election shall be held at the CITY HALL BUILDING, in the City of Silverton, Texas, and the entire City shall constitute one election precinct.

SECTION 3: That the following named persons are hereby appointed officers of the election:

MRS. C. A. HOLT, PRESIDING JUDGE
MRS. FLOYD WILLIAMS, ALTERNATE PRESIDING JUDGE
If the regularly appointed Presiding Judge is unable to serve at the election, the Alternate Presiding Judge therefor shall serve as Presiding Judge. The Presiding Judge shall appoint at least two (2) Clerks (one of whom shall be the Alternate Presiding Judge if the election is conducted by the regularly appointed Presiding Judge) and not more than one additional Clerk, as he deems necessary for the proper conduct of the election.

ABSENTEE VOTING shall be conducted at the City Secretary's Office in the City Hall, in accordance with the provisions of Chapter 5, V.A.T.C.S., Election Code.

SECTION 4: That said election shall be held under the provisions of and in accordance with the laws governing the issuance of municipal bonds in cities, as provided in the General laws of the State of Texas, and only resident

FAMILY POT LUCK

The fresh tomato season is welcomed by most food lovers. Few vegetables so complement a salad or a sandwich. Fresh tomatoes need proper care to retain their flavor. If you buy them fresh from the vine at a neighborhood or roadside stand, select them carefully. If a tomato is mature but pink-colored, do not chill until it is fully ripened. Chilling interrupts the ripening process and the vegetable will never achieve full flavor. If you buy tomatoes in the vegetable department of your supermarket, and they have been chilled, put them into the refrigerator without delay.

Cake frosting and pudding mixes that you buy at the grocery are already flavored with vanilla. Still, addition of a small amount of vanilla will give them an added flavor lift. Basil is usually sprinkled over lamb chops before cooking, but fine chefs also add it to green beans, peas, squash or egg plant as well.

Beef rolled rump roast comes from the section right next to the leg (round). It is boned, rolled and tied so that only boneless meat with a fat covering remains.

Roast Pork Tenderloin
2 pork tenderloins
Juice of 1 lemon
Juice of 1 orange
1 teaspoon salt
1/4 teaspoon pepper
2 large onions, quartered
1 garlic clove, finely chopped
1 teaspoon leaf oregano
Mix lemon and orange juices, salt, pepper, onions, garlic and oregano. Allow tenderloin to stand in this marinade for 2 hours, turning several times. Drain. Place meat on rack in open roasting pan. Do not add water. Do not cover. Roast in a moderate oven (350 degrees F.) 1-1/2 hrs. or until done. 6 to 8 servings.

Careless Kills

OUT OF DARKNESS INTO OBLIVION
It is night and the road is clear; you are pouring on the speed. You overdrive your headlights. Suddenly your headlights pick up the side of a train going over a crossing. You can't stop when you see the train. Consider the horror. The horrible pain of fear for the seconds it takes you to slide from the darkness into oblivion.

qualified electors, who own taxable property in the City, and who have duly rendered the same for taxation, shall be qualified to vote.

SECTION 5: That the ballots for said election shall be prepared in sufficient number and in conformity with Chapter 6, V.A.T.C.S., Election Code, and printed on such ballots shall appear the following proposition:

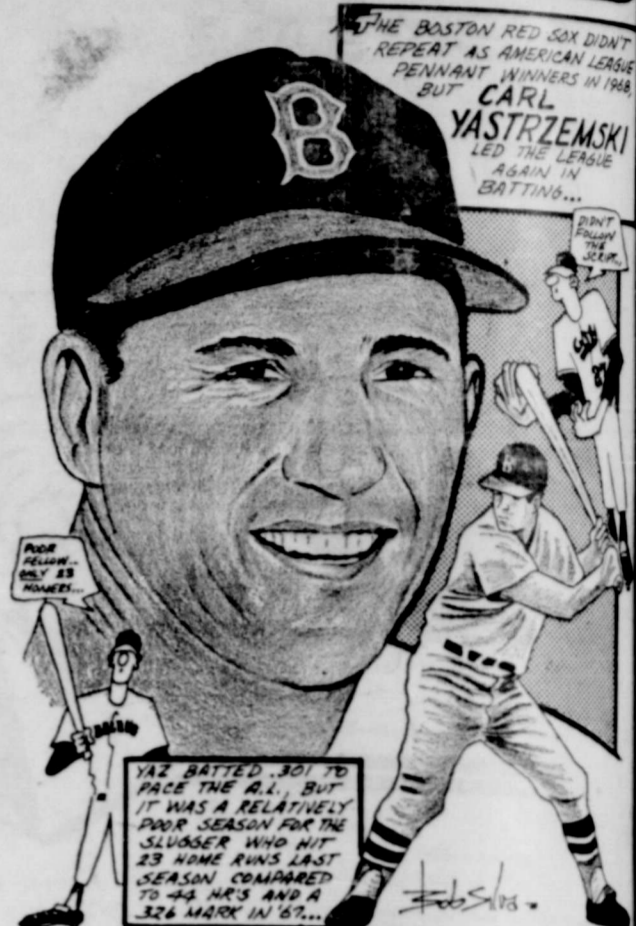

"THE ISSUANCE OF \$25,000 GENERAL OBLIGATION CITY HALL BUILDING BONDS."

The word "FOR" and beneath it the word "AGAINST" shall be made to appear to the left of the proposition. A square shall be printed on the left of the words "FOR" and "AGAINST" and each voter shall place an "X" in the square beside the statement indicating the way he wishes to vote.

SECTION 6: That a copy of this resolution and order, signed by the Mayor of the City and attested by the City Secretary, at the top of which shall appear the words "NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS", shall serve as proper notice of said election. Said notice shall be posted at three public places in said City, one of which will be at the City Hall, not less than fourteen (14) full days prior to the date on which said election is to be held, and be published on the same day in each of two successive weeks in a newspaper of general circulation in the said City, and published in the City of Silverton, Texas, the first of said publications to be made not less than fourteen (14) full days prior to the date set for said election.

PASSED AND APPROVED, this the 9th day of June, 1969.
