Twins Celebrated Their 80th Birthday In Plainview Sunday Afternoon

Longtime Plains residents and twin sisters, Mrs. Lizzie Smithee and Mrs. Lucy Bain, celebrated their 80th birthday Sunday afternoon from 2:00 until 4:00 p.m. at an open house in the dining room of the Heritage Home in Plainview.

Hosting the event were Mrs. Smithee's daughters, Mrs. Gordon (Einell) Montague of Plainview and Mrs. R. C. (Kathleen) Green of Turkey, her grandson, Jene Montague and great-grandson, William Hancock, both of Plainview; and Mrs. Bain's children, Kenneth Bain, jr. of Floydada and Jean Rushing of Breckenridge, and a granddaughter, Mary Lee Rushing of Lubbock.

One hundred and fifteen guests were registered during the reception. Mrs. Smithee resided in Silver-

ton for 75 years before moving to the Heritage Home in 1967. A resident of Floydada since 1916, Mrs. Bain continues to make her home there.

Born on their father's birthday, August 31, 1889, in Seymour, Lizzie and Lucy were the youngest of the 10 children of Mr. and Mrs. R. F. Stevenson. The family moved to Silverton in 1892 and their father operated a drug store in addition to "doctoring horses and people."

Their first and only home here was where the Production Credit office is now located.

Stevenson was a surgical doctor in the Civil War and the daughters readily recall narratives of his oftentimes war-time experiences. According to Lucy and Lizzie, their father told of oftentimes sewing up a wounded man, placing him on his horse and accompanying him safely behind the lines.

Although lacking formal medical training, his practical background nevertheless proved its value as he tended to residents in and around Silverton as well as

80th BIRTHDAY HONOREES—Twin sisters, Mrs. Lucy Bain of Floydada (left) and Mrs. Lizzie Smithee, a former Silverton resident, were honored Sunday afternoon at The Heritage Home in Plainview on their 80th birthday. Above Mrs. Smithee is a photograph taken when they were six years old, about the time they entertained cowboys on the JA Ranch, between Silverton and Claude.

the ranchers' horses for many years.

Three of his sons owned several sections of land around Silverton that were later sold to the JA Ranch. As youngsters, the girls spent all their spare time during the summer helping their father and brothers round up cattle on the JA. All of their brothers, at one time or another, worked on the sprawling JA outfit.

The girls didn't have much use for a side-saddle, much preferring their "cowboy" saddles when astride a fast mount. They also recall climbing onto the dining room table at JA headquarters after the evening meal to dance and sing for the cowboys, who thought the five-year-olds were just about the "cutest."

Both attended Silverton Schools and graduated in 1906. They well remember that they only missed one day of school during all those years, that being due to "sore eyes" and the fact that their mama kept them home on account of that ailment.

Lizzie married Willie Smithee at the family home in 1907 and the couple rode eight miles west of Silverton to spend their honeymoon with her brother and sister-in-law, Mr. and Mrs. Eph Stevenson, who lived just west of the Mayfield ranch, near Rock Creek.

They had four children, three of whom are still living. They are Kathleen Green of Turkey; Gladys Strickland of Denton; and Einell Montague of Plainview. Mrs. Smithee has been a member of the Methodist Church in Silverton since 1913.

Following her graduation from Silverton High School, Lucy attended college and taught school in Silverton before marrying Kenneth Bain in 1911. They moved to Floydada in 1916 and she continues to make her home there. She has been a member of the Cumberland Presbyterian Church in Floydada for over forty years. A son, Kenneth, jr., lives in Floydada and a daughter, Jean Rushing, lives at Breckenridge.

Lucy and Lizzie both lost their husbands the same year. Mr. Smithee passed away in April 1964 and Mr. Bain died in July.

Two brothers still living are Walter Stevenson of California and Turner Stevenson of Canyon.

NEWS FROM THE COUNTY AGENT'S DESK

Fourteen Briscoe County 4-H members are now receiving lambs for 4-H Club projects this for year.

During the past weekend I purchased 20 head of lambs from Coleman, Texas, and some 10 head from sheep breeders in our area. With the help of 4-H Adult Leaders these lambs were shorn and are now being kept in the county show barn until the weather clears up and 4-H members can pick them up.

Lambs are excellent projects for these 4-H Club members, and enable these 4-H members to make money with their projects.

Home Notes

by MRS. NAOMI HUNT
Briscoe County
Home Demonstration Agent

School is already in full swing. With it comes the necessity of after-school snacks. Peanuts can be the answer to this problem and many others. Aside from being good in cookies, cakes and candies, peanuts are delicious in a variety of main dishes. They also add nutrition.

Try this time-saving dessert for snacktime.
CEREAL TOFFEE SQUARES
Cookie Mixture:
1/2 cup butter or margarine
1/2 cup creamy-style peanut butter
1 pound marshmallows
1 tablespoon milk
4 cups crisp corn puffs, puffed wheat, rice or presweetened puffed cereal
Topping:
2 6-ounce packages semi-sweet chocolate bits
1/2 cup salted peanuts, chopped
3/4 cup of any of the above cereal
Combine butter, peanut butter, marshmallows and milk in a heavy Dutch oven. Place over low

heat and stir constantly until all ingredients are melted and smooth. Add cereal and stir until all cereal is coated with the peanut butter mixture. Remove from heat and turn mixture into two greased pans. Press into even layer. Melt chocolate bits in top of double boiler. Spread 1/2 of chocolate over each pan of cookies and sprinkle with the chopped peanuts and cereal. Cool. Cut into bars or squares. Yield: about 96 squares. (Note: The cereal used for the topping should be selected for the cookie mixture.)

THE LOOK FOR FALL

Buttons — the definite fashion signature on today's silhouette—show brass, natural wood or bone for Fall. Dr. Graham Hard, Extension specialist, says bone buttons have a polished surface. Wood buttons will be shown in smooth finishes to accent the texture of Fall fabrics. Odd-shaped buttons will be important for tailored clothes.

BUYER BEWARE

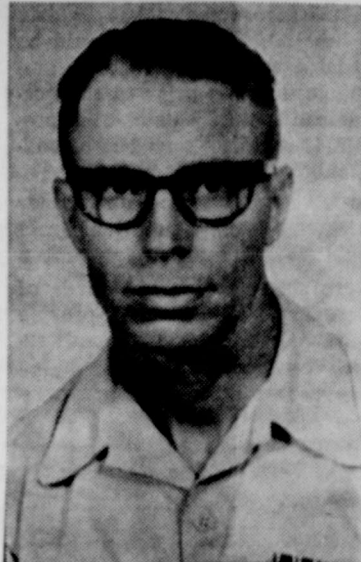

The leather and suede look will be popular again this Fall. Colors range from a deep purple and dark green to the palest yellow. Look to the label for care and instructions. Leather imports present problems to buyers. Imported leather trim usually is not colorfast to dry cleaning and will fade onto garment.

BETTER BREAKFAST MONTH

September is Better Breakfast Month. Orange Nut Biscuits are made quickly with ready-to-bake biscuits, frozen orange juice concentrate and brown sugar. Place biscuits, from 8-ounce package in ungreased round pan and bake according to package directions. Combine 1/4 cup undiluted orange juice concentrate with 3 tablespoons brown sugar. Spoon over the biscuits, bake 4 to 5 minutes longer.

Shavonne Lowrey, daughter of Mr. and Mrs. Gordon Lowrey, cut her hand on a broken pop bottle Saturday afternoon. She was taken to Swisher Memorial Hospital, where several stitches were required to close the wound.

Labor Day weekend guests of their parents, Mr. and Mrs. John Turner, were Mr. and Mrs. Donald Ray Turner and children of Odessa, Mr. and Mrs. Sammy Lee Turner and son and Guinn Turner of Lubbock, and Mr. and Mrs. John David Turner of Lockney.

Master Sergeant John D. Shelton

Shelton Receives Commendation

Master Sergeant John D. Shelton, son of Mrs. D. G. Shelton, has received the U. S. Air Force Commendation Medal at Lackland

John Turner was a patient in the Lockney General Hospital from Sunday until Friday of last week.

Mrs. Mavis Minter Shannon of Nevada, a former Silverton resident, recently underwent lung surgery in a Fort Worth hospital.

Can't you just hear Jackie's heart beat whenever Henry is near?

Air Force Base. Sergeant Shelton was decorated for meritorious service as an accounting and finance supervisor at Amarillo Air Force Base. He is now assigned to a unit of the Air Training Command at Lackland.

The sergeant is a graduate of Tulla High School. His wife, Jennie, is the daughter of Mr. and Mrs. Mike Puleo, 1205 North Grant, Amarillo.

G.S.P.A. Sponsoring Texas Area Sorghum Referendum

A favorable vote in the mail referendum in a 29-county Texas Plains area in early October will put into motion a grain sorghum research and promotion program with one central purpose: To increase producer's profit margin. Greater demand, a goal of market promotion, can be translated into higher prices for growers. Rapid expansion in cattle and swine feeding in West Texas, along with the less spectacular growth of the poultry industry, provide built-in opportunities to strengthen the market position of grain sorghum. A sound market development program, in which all growers can participate, will be needed to capitalize fully on those opportunities. It also is widely recognized that more emphasis on foreign market development will be necessary for grain sorghum to hold and expand export outlets. Without these important sales abroad the domestic market would be swamped with such an over-supply of grain that prices to growers would be forced to retreat to levels even lower than those of today.

Research, with adequate funds, will help to pave the way to increased profits.

It is of crucial importance. In many cases, in the last few years, grain sorghum growers have lost \$30 to \$50 per acre to insects. Greenbugs, midge, army cutworms and spider mites all have taken a big bite out of produc-

tion and profits. Disease problems are on the rise. Dwarf mosaic, smut and downy mildew are among the pestilences that are seriously threatening the grain sorghum industry. Unless stopped, these could knock grain sorghum to its knees. Stepped-up research is the logical answer. It will bring costs down.

A 12-man board will govern the research - promotion program. Growers will vote on board candidates at the same time they mark their referendum ballots. All members of the board will be producers. They will determine how all funds are spent. Any qualified producer can have his name placed on the ballot by submitting his name to the G.S.P.A., signed by 10 growers. G.S.P.A. has been certified by Texas Commissioner of Agriculture John C. White to conduct the referendum.

When the referendum carries, growers in the 29 - county area would contribute five cents per ton to finance the program. The growers who do not wish to participate can have their money refunded. Based on an area-wide average yield per acre, the program would cost the grower an average of only nine cents per grain sorghum acre. But the potential returns from that modest investment are enormous. For instance, the elimination of just one \$2 per acre spraying for insects would mean a return to the grower of 2300%. And a one-cent increase in price resulting from market development work, or a reduction in costs of one cent, would bring the grower an amazing return of 400%!

Not a penny of these funds could be used to influence legislation or farm policy.

This safeguard is clearly spelled

out in the new state commodity checkoff law. The money would be used strictly for the furtherance of grain sorghum research and promotion. G.S.P.A. will carry on its regular activities of representing the grain farmers in those matters, but from small annual membership dues.

Much good has come from the G.S.P.A.'s work in foreign sales over the last decade. G.S.P.A. introduced grain sorghum to the Japanese livestock and poultry industries. Japan today is the largest foreign customer for U. S. grain sorghum, and is only one example of increased foreign sales. Many countries are bright prospects for future sales. But the 20% of the grain farmers who are G.S.P.A. members cannot carry the full load. Nor should they be expected to. All the region's grain farmers will share in the benefits. And all should have the opportunity of direct participation. That's what the referendum would provide.

DIRECTORS ADOPT POLICY PLATFORM ON FARM PROGRAM

The G.S.P.A. board voted to support continuation of the present program with farm income improvements. Key planks in the G.S.P.A. policy platform include:

- Production restraints to limit the supply and thereby enable market prices to move to higher ground.

- A loan program to facilitate orderly marketing by permitting farmers to hold their grain each year until prices improve from normal harvesttime slumps.

- Price supports to give farmers full parity of income. The G.S.P.A. is seeking a minimum of 90% of parity in government price support protection. Parity on grain sorghum is now \$2.79 cwt.

- A resale to provide farmers the opportunity of extending their

VAUGHAN DESCENDANTS

HOLDS REUNION HERE

Saturday evening the descendants of the late Mr. and Mrs. William M. Vaughan met at the former Ford location for a basket supper, games of "42" and visiting.

Special guests were Mr. and Mrs. C. R. Vaughan of Santa Barbara, California, who have been visiting in this area for two weeks. C. R. Vaughan was the youngest brother of the late Mrs. W. A. Stephens, Ed, John, Will and Sim Vaughan, who were all children of Mr. and Mrs. William M. Vaughan.

Relatives attending included Mr. and Mrs. French McGavock, Peggy and Dave, Mr. and Mrs. Price Bradley, all of Happy; Mrs. Irene Vardell, Clovis, New Mexico; Mr. and Mrs. Gaston Owens, Quitaque; Mr. and Mrs. Elbert Stephens, Albany; Mr. and Mrs. C. M. Flowers, Tulia; Mrs. Ellanora Samples Rowell, Mr. and Mrs. Dan Vaughan, Amarillo; Mr. and Mrs. Willie Vaughan, Happy; Mr. and Mrs. Lyndon Stephens, Martha, Anna and Laura, Mr. and Mrs. Cecil Stephens, Portales, New Mexico; Miss Cecilia Corder, Clovis, New Mexico; Mr. and Mrs. Kenneth Stephens and Ray, Lubbock; Mrs. Homer Ragland and Jan, Lockney; Mr. and Mrs. Gilford Flowers and Roger, Roland Flowers and Miss Debbie Hill, Tulia; Brill Vaughan, Boise City, Oklahoma;

Also, Mr. and Mrs. Bud Mc-Minn, Mr. and Mrs. Virgal Minyard and daughter, Donnie Stephens, Mr. and Mrs. Wayne Stephens, Larry B., Stephen and Jeannita, Mr. and Mrs. Doug Forbes, Cam and Jimmy, Mrs. Gertha Mae Vaughan, Mrs. Mable Welch, Eural Vaughan, Dwain Henderson, Mr. and Mrs. Loyd Stephens, Lois, LaNell, Tammie and Ricky, Mr. and Mrs. Gene Vaughan, Mr. and Mrs. Rex Holt, Karen, David and Kent and Mr. and Mrs. Homer Stephens.

Thirty-three of these relatives gathered for lunch Sunday in the home of Mr. and Mrs. Gene Vaughan.

This was the first time so many of the relatives had been together except to attend family funerals.

WOMEN PAST 21 WITH BLADDER IRRITATION Suffer Many Troubles

After 21, common Kidney or Bladder Irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondly, you may lose sleep and suffer from Headaches, Backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by curbing irritating germs in strong, acid urine and by analgesic pain relief. Get CYSTEX at drug-gists. See how fast it can help you.

price support loans beyond the normal government takeover date of June 30. This option would be available when large supplies prevent good prices prior to the normal loan maturity date. This program is in effect now but extended only one year at a time.

A reserve program under which an adequate supply of grain would be set aside to prevent a severe shortage during periods of emergency. This would provide assurance that domestic and export commitments and needs

could be met in case of a crippling drought or other natural disaster. Grain in the strategic reserve would be insulated from the market, thereby avoiding a depressing effect on prices.

G.S.P.A. officials believe producers should realize stronger prices for the 1969 crop. The reasons, basically, are:

Fewer acres. The U. S. crop this year is expected to be harvested from 16,828,000 acres, down from 17,429,000 acres in

1968. Strong domestic demand. The High Plains and Panhandle may feed more than one-half the production of this region within the area itself this year.

Improved exports. With export prices of grain sorghum in better relationship to those of corn, milo export sales should be up. Every bushel exported helps the supply and price situation locally. It means that much less grain competing in the local market. Smaller corn crop. Present

USDA estimates point to a 4.3 billion bushel corn crop, compared with a consumption of about 4.6 billion bushels. Stronger corn prices should help grain sorghum prices.

March of Time Study Club hostesses for a Federation Day Tea held Thursday afternoon in the P. C. A. community room pictured with the guest speaker, Mrs. Lane Decker of Floydada, Caprock District T.F.W.C. president, were Mrs. Marvin Montague, Mrs. Fred Mercer and Mrs. Grace Hutsell.

District President Addresses Federated Clubwomen Here

Mrs. Lane Decker of Floydada, president of the Caprock District of the Texas Federation of Women's Clubs, was guest speaker at a meeting of three Silverton clubs Thursday afternoon at three o'clock in the P. C. A. community room.

Her administration theme, "Enthusiasm For Life and Fellowship Creates a Woman Involved," was used as her topic for discussion. She brought news about the plans for the convention of the General Federation of Women's Clubs to be held in San Antonio June 7-12, 1970, with headquarters at the Hilton Palacio Del Rio.

Mrs. Decker continued her talk by describing ways in which federation affects its members and others, and closed with a poem about the influence of a tall pine tree on a little spruce seedling.

Mr. and Mrs. Perry Thomas and Mr. and Mrs. Carl Wayne Woods attended the 22nd Annual Convention of National Shoe Servicemen in Denver, Colorado August 30-31. They visited Mrs. Thomas' brother, Chris Mayfield, at the Springer, New Mexico hospital, enroute home.

Crockett Grabbe left Lubbock by plane Wednesday morning for Austin, where he will attend The University of Texas. Mrs. Warner B. Grabbe took her son to Lubbock.

Is Phyllis Diller really going to be in Jackie's wedding?

Area 1 Homemakers To Convene In Plainview Saturday

The Eighth Annual Convention of Area 1 Young Homemakers of Texas will convene Saturday, September 13, in Gates Hall Auditorium on the campus of Wayland Baptist College in Plainview.

The morning program will be devoted to a meeting of delegates for the election of 1969-70 officers and a business session. Mrs. Fernan McBeth, Kress, Area President, will preside throughout the day.

Entertainment at the afternoon session will be by a group of Wayland students, "The Square Root of Nine," composed of Sheryl Franks, Carol Helms and Debra Martin.

Mrs. David Prewitt, Ralls, Vice President, will be in charge of the program which will feature a special program by representatives of local chapters in "A Flight to the Moon," and "A Look at the Homes of the Year 2000," by Paul Roseland, Professor, College of Art, Texas Tech University.

Mrs. Ima Dora Haile, Area Advisor, will present special awards to people who have made outstanding contributions to the Young Homemaker organization and to the homemaking program.

Mrs. McBeth will present an honorary membership to Mrs. Emmett Pittman, former homemaking teacher at Kress. The area officers are Mrs. McBeth, president; Mrs. Prewitt, vice president; Mrs. Dick Shaver, Hale Center, vice president; Mrs. Wayne Stephens, Silverton, vice president; Mrs. Don Foreman, Idalou, vice president; Mrs. John Thomas, Quail, secretary; Mrs. Jearl James, Earth, treasurer; Mrs. Lewis Cannon, Tulia, parliamentarian; Mrs. Glen Odom, Dimmitt, historian; and Mrs. Ben Holcomb, Dimmitt, state parliamentarian.

Mrs. Holcomb will further "look to the future" when she uses the theme "Look to the Planets" for the installation ceremony. Candidates for 1969-70 Area offices are Mrs. Gary Waldie, Plainview; Mrs. Gordon Lowrey, Silverton; Mrs. Jerry Logan, Hale Center; Mrs. Charles Weatherford, Hereford; Mrs. Jim Roberts, Dimmitt; Mrs. Tommy Garrison, Childress; Mrs. Jimmy White Muleshoe, and Mrs. David Prewitt, Ralls.

Mrs. Shaver will serve as hostess to the candidates for Area Little Sister and the judges following the afternoon session at Gates Hall Auditorium. The winner and runner-up Area Little Sisters will be announced at the awards banquet for Young Home-

Century of Progress Study Club opened its new club year with a coffee in the home of Mrs. Wayne Vaughan on Wednesday morning of last week. Hostesses were members of the program committee, Mrs. James Davis, Mrs. Pascal Garrison and Mrs. Vaughan were pictured with the club president, Mrs. Wayne McMurtry.

Society News

Club's First Meeting Is Monday Night

The first meeting of the year for L. O. A. Junior Study Club will be at 8:30 p.m. Monday, September 15, in the home of Mrs. Bud Couch.

Hostesses will be members of the program committee, Mrs. John Schott, Mrs. Randall Eddleman and Mrs. Couch.

Club To Host Friendship Tea

Century of Progress Study Club will host a Friendship Tea Saturday, September 27, at 3:00 p.m. in the Silverton School Cafeteria.

Honored as guests will be past members of the club and also the past members of the 1925 Study Club. A real effort is being made to contact all of these, and it is hoped that many will be able to attend. Those who are unable to be present at the tea are being asked to write letters to the club president, Mrs. Wayne McMurtry, telling something about themselves or their families that can be read at the meeting.

Hostesses will be Mrs. Wayne Vaughan, Mrs. James Davis and Mrs. Pascal Garrison.

makers and Young Farmers in the Plainview High School Cafeteria at 6:30 p.m.

Mrs. McBeth will announce the awards winners at the banquet. New officers will be introduced by Mrs. Holcomb. Entertainment for the banquet will be provided by Mr. and Mrs. Truitt Whitehead of Plainview. Coach Burl Huffman of Texas Tech University will give the address.

Plainview Young Homemakers will be hostesses for the banquet.

Coffee Opens New Club Year Here

Century of Progress Study Club opened its 1969-70 club year with a coffee in the home of the yearbook chairman, Mrs. Wayne Vaughan, on September 3, at 8:30 a.m.

The devotional was given by Mrs. L. D. Griffin and 14 members answered roll call with "A Memory of 1949." The club is celebrating its twentieth anniversary this year, and its course of study is entitled, "Two Decades—From Paper to Platinum."

The president's message, given by Mrs. Wayne McMurtry, included a summary of the summer activities as well as plans for the current club year. Mrs. Vaughan handed out the new yearbooks and called attention to the highlights of the programs.

Mrs. O. C. Rampley was called on for a Remembrance of 1949, and she responded by recalling the problems involved when young married women attempt to organize themselves into a federated club. The charter members present agreed that even though finding a baby sitter (most of the time they were unpaid) was not an easy task, they never brought a child to a club meeting and always wore a hat.

Centerpiece on the refreshment table depicted a baby dressed in newspaper with the banner, "Miss Paper of 1949," and the pathway of paper that turned into platinum at the feet of the very beautiful "Miss Platinum of 1969."

Yearbook committee members, Mrs. James Davis and Mrs. Pascal Garrison assisted Mrs. Vaughan with the hostess duties. The other members present were Mrs. L. D. Griffin, Mrs. Wayne McMurtry, Mrs. Joe Montague, Mrs. C. H. Murphy, jr., Mrs. Hugh Nance, Mrs. Pat Northcutt, Mrs. O. C. Rampley, Mrs. Jack Robertson, Mrs. Garland Francis, Mrs. F. E. Hutsell, Mrs. George Long and Mrs. Jack Strange.

On The Move We are a nation on the go. A survey recently indicated that one out of every five Americans changes his residence each year.

Speediest One Flying at speeds in excess of Mach 2, the F-106 Delta Dart is the fastest and highest flying interceptor in the Aerospace Defense Command.

Started Winners The Cincinnati Red Stockings enjoyed a phenomenal season of 56 victories and one tie in 1869, their first year as a professional baseball team.

FASHIONS THAT FOLLOW APOLLO TO 1969 STATE FAIR IN DALLAS

ONE GIANT LEAP for fair fashions... All style systems are go for the 1969 State Fair of Texas, Oct. 4-19, in Dallas where "Fashions That Follow Apollo" will be launched free several times daily in the auditorium in the air-conditioned Women's Department. Here's one of the Texas-made fashions to be featured during the Moon Year Exposition: a silk print dress by Ann Murray in brown, nutmeg and white with a free flying ascot. The photograph was made at another top State Fair of Texas attraction, the Dallas Health and Science Museum.

FAMILY POT LUCK

Assorted kabobs are the right appetizer if you're entertaining. Slice canned luncheon meat into 3/4 inch slabs, cubes or diamond shapes. Thread each cube or piece on a wooden pick with a stuffed green olive, or a pineapple chunk rolled in flaked coconut, or a pickleslice, or a kumquat.

Canadian Caper is the name of well-seasoned chip dip. Ingredients are 1 large package cream cheese, 1/4 teaspoon sage, 1/8 teaspoon cinnamon, 1/8 teaspoon cloves, 1/4 teaspoon salt; 1/2 can cooked chicken meat. Put ingredients in blender and mix for two minutes. Thin chicken with broth if necessary. Serve with potato chips.

Potatoes and onions go well together. Peel 4 baking size potatoes and cut into 1-inch slices. Place potatoes back in original shape, placing thick slice of onion between each potato piece. Brush generously with 1/4 cup melted butter and sprinkle with 1 teaspoon salt. Wrap in heavy duty foil and roast over hot coals 40 minutes or until potatoes are done.

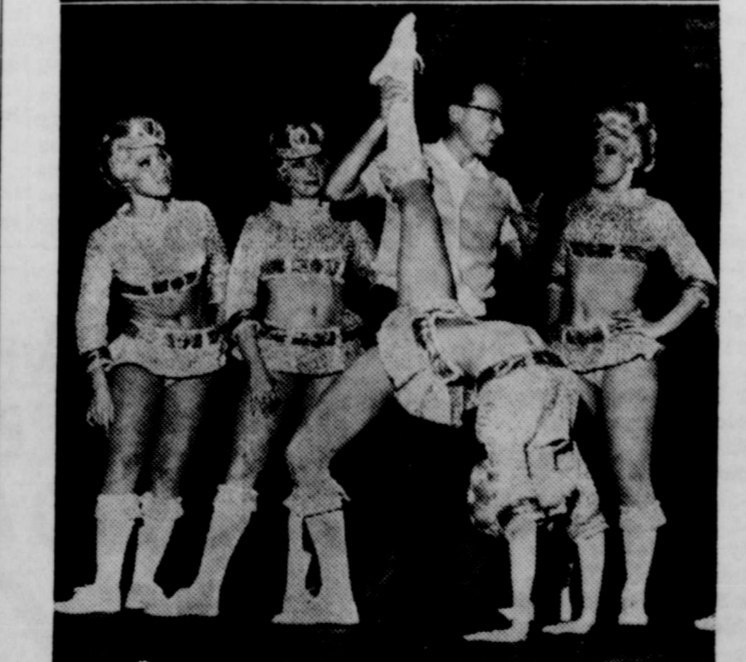

Frosty Celery-Chive Soup 1 can (10 1/2 ounces) condensed cream of celery soup 1 package (3 ounces) cream cheese with chives, softened 1 soup can water In bowl, gradually blend soup with cream cheese; stir in water. Place in refrigerator for at least 4 hours. Serve in chilled cups. Makes 2 to 3 servings.

THIS WEEK'S BY AUDREY LANE PATTERNS

Jump on the bandwagon, in this new bell-bottom jump suit, your choice of sleeves or sleeveless. No. 3317 comes in sizes 10 to 18. Size 12 (but 34) takes 3-5/8 yards of 44-inch fabric. With same pattern you can make a brief jump suit for active sports. Free pattern is waiting for you. Send 50 cents for our new Spring-Summer Pattern Book which contains coupon for pattern of your choice. Here's a soft fur-like stole, easy to knit, which will be warm for those cool nights. Ask for Pattern No. 1278. Send 40c for each dress pattern, 30c for each needlework pattern (add 5c for each pattern for third class mailing and 18c for each pattern for first class mailing) to AUDREY LANE BUREAU, Morris Plains, New Jersey, 07950.

HEY LOOK! IT'S A HAPPY EXCITEMENT AND A MAGIC SCREEN AT THE 1969 STATE FAIR

The only "black light" isn't around the moon, which provides the Moon Year Exposition theme of the 1969 State Fair of Texas Oct. 4-19 in Dallas. It's also part of HEY LOOK!, which mixes ultraviolet "black light," sound and color, live performers, spectacular film sequences shown on a triple screen and numbers in which the dancers appear in three live dimensions, become part of the movie and then reappear live again. Fair goers may choose from several shows daily through the State Fair in the HEY LOOK! Theatre across from the Southwestern Historical Wax Museum.
