

BRISCOE COUNTY NEWS

VOLUME 61 NUMBER 46 SILVERTON, (Briscoe County) TEXAS THURSDAY, NOVEMBER 13, 1969

4-H Banquet Slated Here November 15

The Briscoe County 4-H Achievement Banquet will be held Saturday, November 15, 1969, at 8:00 p.m. in the Silverton High School Cafeteria.

All 4-H members, leaders and their families are invited to attend.

Highlights of the program will be the presentation of awards and medals to 4-H members and leaders and the presentation of the Gold Star Awards to the outstanding 4-H girl and boy.

Theme for this year's banquet will be "Gold Rush."

Lighthouse Electric Cooperative at Floydada and Swisher Electric Cooperative at Tulia are furnishing the meat for the banquet, and all 4-H families are to bring salads to complete the meal.

Due to conflicts, the time has been changed to 8:00 p.m. rather than the time stated in the letter to the committee members.

BOB CRASS

Gospel Meeting Continuing Here

Bob Crass of Fort Stockton is leading a revival at the Silverton Church of Christ this week. The meeting will continue through Sunday, November 16.

Services today are at 7:00 a.m. and 7:30 p.m. The services Friday will be at 7:00 a.m. and 5:30 p.m., so that the church members can attend the gospel meeting and the football game.

The Sunday services are at 10:30 a.m. and 6:00 p.m.

The visiting evangelist is the son of Mr. and Mrs. Edwin Crass and is a graduate of Silverton High School. He is married to the former Joy Kite, whose father, Haun Kite, is a former minister of the Silverton Church of Christ.

ANYONE HAVE A PICTURE OF THE OLD HAYNES HOTEL?

A search is being made for a photograph of the old Haynes Hotel.

The picture is wanted so that an enlargement can be made from it to be hung in the new Pioneer Room at First State Bank.

If you have a picture of the Haynes Hotel, please contact Mrs. Jack Strange.

Rev. Bates Buried At Whitesboro

Funeral services were conducted Monday, November 3, at Whitesboro for Rev. A. H. Bates, 89.

The father of Mrs. Orville Turner, Rev. Bates is also survived by his wife, Beulah; two other daughters, Mrs. A. N. Stevens of Tulsa, Oklahoma and Mrs. R. V. Thomas of Muskogee, Oklahoma; a son, A. L. Bates of San Antonio; seven grandchildren and three great-grandchildren.

Dr. M. O. Wall Buried Wednesday Morning

Funeral services for Dr. Millard Odell Wall, 49-year-old former Hale Center resident, were conducted at 2:00 p.m. Tuesday in the First Baptist Church in Frederick, Oklahoma. Graveside rites were conducted in the Hale Center Cemetery at 10:00 a.m. Wednesday.

Dr. Wall died Sunday in Kent, Ohio, while attending a doctor's meeting. Born July 20, 1920, in Hollis, Oklahoma, he lived several years at Hale Center before moving to Frederick, Oklahoma, where he resided at the time of his death. Surviving are his wife, Anita; one daughter, Mrs. Karen Goodner of Noble, Oklahoma; three sons, Jerry Odell, Larry Wayne and Gary Allen Wall, all of the home; his father, L. W. Wall of Lubbock; one brother, R. J. Wall of Lubbock; three sisters, Mrs. Roy Rodgers and Mrs. Harold Harris, both of Lubbock, and Mrs. Clyde Uptergrove of Hale Center; and one granddaughter.

Dr. Wall was a son-in-law of Mrs. J. C. Hill and a brother-in-law of Mrs. Bud Long.

FOUR FROM HERE ATTENDING CLARENDON COLLEGE NOW

The Student Personnel Office of Clarendon College has released the following list of students from Silverton who are attending Clarendon College this semester: Lois Cline, Jackie Davis, Fern Parker, Carolyn Stovall.

Residents of Silverton are being asked by Commander Glen R. Lindsey of VFW Post 7839 to join in a national day of prayer November 16, asking for peace, safety of our servicemen in Vietnam, national unity and guidance for the United States in this time of crisis.

Commander Lindsey said he hopes all residents of Silverton will participate in this "call to worship" and that the clergy will set aside November 16 for special prayers in all the churches.

In announcing the day of prayer, Commander Lindsey cited a recent appeal made by the Rev. Earl Best, Indianapolis, Indiana, National VFW Chaplain, who said: "In this critical time, all Americans should reflect prayerfully on the future course this nation will follow and to ask divine guidance for President Nixon as he makes decisions and sets policies that may affect untold generations yet unborn."

"All Americans should pray for peace and for the thousands of men who daily put their lives on the line in Vietnam to ensure the right of dissent for other thousands at home who so vociferously object to the role our nation is playing in that troubled country. Let us pray for unity in our resolve to do right."

"In their prayers - Americans should remember the men and women who have given their lives in Vietnam and in all the wars their countrymen have fought to preserve freedom everywhere."

Commander Lindsey explained that November 16 was selected as the national day of prayer because it is the first Sunday after Veterans Day, November 11, and concludes the week-long VFW-sponsored "Operation Speak Out" calling for unity and public support of American policies and troops in Vietnam.

GOLD STAR MOMS PROTEST
About 20 mothers who have lost sons in Vietnam gathered outside the headquarters of an anti-war organization in Philadelphia Saturday, protesting the use of their sons' names in peace demonstrations.

The mothers asked the New Mobilization Committee to End the War in Vietnam not to read their sons' names during the demonstrations, or to list them on placards.

"Why should I have to let these creeps who don't have what it takes to go themselves torment me and dishonor my son?" one of the mothers asked.

TEENS DECIDE TO DO SOMETHING THEMSELVES

In Ardmore, Pennsylvania, a group of nine teenagers signed up with the Army, Navy and Marine Corps last Friday after they decided to do something for their country. The group, which until Friday had "hung around in a

parking lot," said they got fed up with the whole bit, especially the moratorium day, and decided to enlist.

NATIONAL UNITY WEEK

Some groups have designated this as National Unity Week, the chairman of which is Bob Hope. Other designations include Free America and Honor America Week. These special observances have been designated by Americans who have vowed to have no part of "the problem of how to crawl out of Vietnam standing up."

SMALL CROWDS WATCH VETERANS DAY PARADES

Television commentators pointed out Tuesday how small the crowds were that turned out to watch the Veterans Day Parades—not at all like the massive attendance expected at Saturday's bug-out demonstration. The explanation is simple: The Silent Majority was on the job, doing the nation's work, earning the taxes it will take to police up the Saturday march.

Sunday Is Day of Prayer For Servicemen In Vietnam

WAYLAND QUEEN BEES will play the Silverton High School Owlettes at 6:30 p.m. Saturday in the school gymnasium, under the sponsorship of the Silverton Lions Club. Members of the Bees are (kneeling, left to right) Mary Williams, 5'6", Tulia; Susan Williams, 5'4", Devine; Anne Rapp, 5'5", Estelina; (standing) Coach Judy Gover; Jan Cryer, 5'7", Celina; Babbs Tatum, 5'9", Winters; Wendy Cromer, 5'9", and Robbie Biggerstaff, 5'6", both of Roosevelt; Sally Miller, 5'5", Panhandle; and Coach Sylvia Nadler. Admission will be \$1.00 for adults and 50c for students.

Owls, Plagued By Ills, Lose to McLean Tigers

by Mary Ann Sarchet
Staph and flu played havoc with the Owl ball club last week, but helped the McLean Tigers have fun while winning 46-18.

It was a little hard for the Owl fans to accept the showing the team made at McLean, and it really was hard on Bill Strange as he watched on crutches from the sideline. When we consider that so many of the players—probably most of all of them—were in a weakened condition due to the infection they picked up, we really have to give each one of them a lot of credit for even going into the game.

McLean opened the game by scoring three times in the first quarter, and added two more in the second period before the Owls got on the scoreboard.

Tiger Fullback Dennis Duniven, a Senior, carried touchdowns 10, 90, 10 and 70 yards and scored another on a 25-yard pass from Quarterback George Danner. Dun-

iven, like Clarendon's Louis the week before, received Class A Player of the Week honors. (Thank you, Silverton, for helping keep District 2-A players in the spotlight.)

David Brown, another Senior back, scored on 12 and 5 yard runs, and Bill Lowe kicked four extra points for McLean's score.

The Owls had good luck and bad luck with their passing game. An early first-quarter interception on the Silverton-25 set the Tigers up in scoring position for the second time.

On McLean's third TD, Duniven went all the way to score on a "third-and-one" situation.

A pass from Owl Quarterback Trent Brown to End Gary Martin picked up a first down, but the team was unable to move.

After still another Tiger score, the Owls came back for another try. Ronnie Strange carried the after-touchdown kickoff back to midfield, but a 15-yard penalty set Silverton back. Next down, Ronny Brown—the same Tiger who intercepted an Owl pass earlier in the game—stole another aerial and carried it to the Owl-

15. From there it was fairly easy for McLean to add another seven points to their score.

Max Hamilton carried the kickoff back to the Silverton-32 and this time the penalty and fumble gremlins were at work against the Owls. McLean recovered the ball on the Silverton-21 and picked up a first down on the Silverton-9. Next play, Ronnie Strange intercepted a Tiger pass and carried it out to the 16. A few minutes later, Trent Brown almost intercepted another McLean pass. Then scant seconds before the first half ended, End Roger Younger intercepted a Tiger pass and ran 75 yards for an Owl score. Marvin Self's kick was no good and the Tigers went to the dressing room with a 33-6 advantage.

Silverton kicked off to McLean to open the second half. The Tigers were penalized for clipping back to their own 16. After picking up a first down on the 29, the Tigers fumbled, and Max Hamilton recovered for the Owls on the 30 yard line. A pass from Brown to Max Hamilton added another six

Dick Bomar Buried Here Last Friday

Funeral services for Howard A. (Dick) Bomar, 75, a life-long resident of Briscoe County, were conducted at 2:30 p.m. Friday in the First Baptist Church here. Rev. C. H. Murphy, jr., pastor, officiated, assisted by Earl Cantwell, minister of the Rock Creek Church of Christ.

Pallbearers were Pete Chittry, J. C. Fowler, Wayne McMurtry, Riely Yates, Raymond Grewe and W. C. (Giggs) Mann.

Burial was in the Silverton Cemetery, with arrangements under the direction of the Silverton Funeral Home.

Mr. Bomar was dead on arrival at Swisher Memorial Hospital at 3:00 p.m. Wednesday, November 5, after suffering an apparent heart seizure an hour earlier.

Anti-Moratorium Is Declared Here

by Mary Ann Sarchet
As this week's moratorium demonstration grows near, members of the L. O. A. Junior Study Club in Silverton have chosen to leave the ranks of America's "silent majority."

In a resolution passed in a recent meeting, the junior club members emphasized that they do not prefer to see America's young men dying on the battlefields and they would like to see an early end to the fighting; however, they do not believe in an unconditional surrender of the freedoms for which so many have already given their lives.

It is hoped that all people will assume their full share of responsibility for awakening the people of the United States to the danger which threatens this country and will place their strength behind the movements and activities found necessary to defend the freedoms so dearly won and so necessary for the full development of mankind. Dangers cannot be wished away. Indifference is a luxury no one can afford.

Many have given their lives for America and many more will. Many live day by day in a quiet way which strengthens the moral and spiritual fiber in this country.

But even among those who profess patriotism it would not hurt to have a revival of heritage and love of country. Today our freedoms are being challenged. Let's help preserve freedoms.

In the Communist Rules for Revolution—the 50-year-old plan for the destruction of the United States—it was written that America's downfall could be brought about by getting people's minds off their government . . . destroying the people's faith in their leaders . . . encouraging civil disorders . . .

The members of L. O. A. Junior Study Club would like to ask you

to do your part against the segregation of our population which is working toward the destruction of the American way of life. Please join us in stepping forth from the ranks of the "silent majority" to try to combat the "vocal minority." We need to support the leaders of the United States in their efforts to bring an honorable end to the war so that our soldiers will not have died in vain. We need to show the world that there are still Americans who have love and loyalty for God and country in order to ease the torment that is being brought upon American servicemen who are presently pri-

soners of war. We need to emphasize to the enemies of our nation that even though we are peace-loving people we are capable of self-protection and that we intend to use our strength in an effort to bring about a world-wide decision for lasting peace.

Please join the anti-moratorium demonstration by displaying your flag this week. It has been said that evil shrinks from the light; turn on your lights for freedom! Let's make an earnest endeavor to light our land from coast to coast.

All Around the Town
by Mary Ann Sarchet

One of Gordon Alexander's favorite little jokes for a long time has been: "Say Gordon, what do you think about your wife and her club?"

Gordon: "Well, I believe in treating her kindly, and if that doesn't work, there's always the club." I know that's how a lot of people feel about women's clubs. There's lots of opinion that they are a waste of time, but I've always enjoyed being a member of a federated women's club and whenever I get the time to read up on what the General Federation of Women's Clubs is working for, it makes me proud that I am a member. As one person I can't do very much; but by uniting with an international organization of women, I can be a part of many worthwhile accomplishments.

The Texas Federation of Women's Clubs defines citizenship as: "making yourself an assist to the world instead of just an addition."

"... love and loyalty to God and country."

"... the loyalty of a person to his country."

Last week I had an opportunity to "do my part as a citizen" when I was asked to do the "I Am The Nation" reading for March of Time Study Club. This gave me a feeling of accomplishment in these days when moratoriums are becoming so common, patriotic pride seems to be on the decline, and there is little unity among our people.

The goal of the Public Affairs Department of the Texas Federation of Women's Clubs, of which I am my club's local chairman, is to "recognize that individual involvement is necessary upon the part of every citizen to maintain the democratic way of life in all its aspects."

The following was taken from the Public Affairs General Information handbook.

"This nation was built by building up; it was not built by tearing down. Our flag was made by sewing its stripes together, not by tearing them apart; by sewing stars on, not by ripping them off its field of blue. And that flag waves to lead us on, so long as willing hands hold it up."

—Judge Joseph Buffington

In 1787, when Benjamin Franklin was leaving the Constitutional convention in Philadelphia, he was asked, "What kind of a government have you given the people?" Mr. Franklin replied, "A Republic, if you can keep it!"

"Keeping our Republic" depends upon the efforts of citizens to elect their representatives wisely and then to keep the elected officials informed as to what the citizens want in government. If the officials do not give us the kind of government we want, we can elect someone else at the next election—provided enough of those agreeing with us vote.

The price we pay for a Constitutional Republic is small. What is it we should do?

We should consider the rights of others.

We should be informed.

We should inform others.

We should vote.

We should write our elected officials informing them of our will.

In this free country, where a government of law with a free enterprise and capitalism system contrasts with a government of men in communist countries, more opportunities and advantages are offered citizens than in any other nation in the world.

With six per cent of the world's population and seven per cent of the world's land area, we produce over 30 per cent of the world's goods. We have in our country 82 per cent of the world's automobiles; we have more TV's, radios, refrigerators, gadgets and educational opportunities than any other nation; our citizens have the highest standard of living in the world.

We have millions of civilian volunteers—a larger number than any other country—working for the benefit of mankind.

But do you know that at our last national election there were over 43 million men and women in the United States who did not vote, although they were eligible to register and vote? Do you know that many of our professional people say they cannot afford to

get involved in politics? Yet we know they cannot afford not to get involved in politics.

After his visit to the United States in 1967, the eminent British historian, Arnold Toynbee, said: "Of 22 civilizations that appear in history, 19 collapsed when they reached the moral state the United States is in now. The average of the world's great civilizations has been 200 years . . ."

In addition to apathy in voting, we have experienced in America recently, disrespect for our country, our government, our institutions, our officers and our laws. People who loot, burn and destroy public and private property, cheat on their income tax, disregard the traffic laws and evade health and safety regulations are disobeying and showing disrespect for our laws.

If we are to have an orderly society and our government under law is to survive (and there is no alternative but anarchy), we must accept the rules and live under the law.

It is vital for every American citizen—in fact it is the sacred duty of every American citizen—to express his will through our precious heritage, the ballot!

Hard work, thrift, sacrifice, discipline, respect for others and a belief in our Creator helped make this nation great. Our inheritance is not self-replenishing and "keeping our Republic" depends on individual performance—individual involvement!

"God give us men! A time like this demands
 Strong minds, great hearts, true faith and ready hands;
 Men whom the lust of office does not kill;
 Men whom the spoils of office cannot buy;
 Men who possess opinions and a will;
 Men who have honor; men who will not lie;
 Men who can stand before a demagogue
 And damn his treacherous flatteries without winking!
 Tall men, sun-crowned, who live above the fog
 In public duty and in private thinking."
 —Josiah Gilbert Holland

Church Meeting Hour Is Changed

Sunday evening services at the Assembly of God Church have been changed from 7:00 to 8:00 p.m.

Sunday morning and Wednesday evening meeting times will not be changed.

O. E. S. Entertains Masonic Families

Members of the Silverton Eastern Star Chapter entertained the members of the Masonic Lodge and their families at a dinner Monday evening. A menu of fried chicken, green beans, tossed salad, baked potatoes, tea, coffee and pie were served beginning at 6:00 p.m.

Following supper, a program was held beginning with the officers' drill and the singing of "How Great Thou Art" and "It Is No Secret". Worthy Patron M. G. Moreland led those present in repeating The Pledge of Allegiance after the flag was presented by Lois Mae Stephens. This was followed by the singing of the national anthem.

Guests were welcomed by Worthy Matron Margie Moreland, who recognized Jimmie Sissney, Mae Bomar, Lois McKenney and Eva Lee McWilliams, members of the food committee; Lillian Lindsey, Glen Lindsey and M. G. Moreland, members of the decoration committee; Tina Schott and Jennie Fisher, chapter mothers.

Guest speaker was Kenneth Wyatt of Tulsa, who provided an entertaining program and also challenged those present by asking: "Are you doing something to improve the world around you, or are you a part of the problem. Are you working for a better community, school, church and home, or are you part of the problem there?"

Among those who attended from out of town were Rev. and Mrs. James Patterson of Kress, who are members of the Silverton Eastern Star Chapter.

CONTINUED FROM PAGE ONE

points for the Owls. Ronnie Strange attempted the two-point conversion, which failed.

McLean's next possession resulted in a score, but Thomas Self blocked the conversion kick, and the Owls held on the next series of plays.

Brown completed another pass to Roger Younger for another first down, but the machine stalled and on first down McLean went for a score.

Fourth quarter opened on an Owl drive which gained 40 yards, but a pass interception by Tiger Senior Back Butch Lands gave McLean possession on their own 20.

The Owl defense held and took the Tiger punt on their own 5, from where they went all the way in seven plays on runs by Thomas Self, Trent Brown and Ronnie Strange. The score was on a 6-yard run by Brown. Thomas Self attempted the two-point conversion, but failed, and the game ended with the Owls on the short end of the 46-18 score.

The daily papers were a little confused as to who was doing the quarterbacking for Silverton. One

HOST HAPPY TONIGHT

The Owls are scheduled to host the Happy Cowboys in the last game of the season at 7:30 p.m. Friday. The word from other towns in the district is that we should expect a rough and tough game from the Cowboys. We sincerely hope that our team will be well enough to play and that no one will be injured in the game.

Silverton will be bidding adieu to Senior football players Jay Long, Max Hamilton, Thurman May, Gary Martin, and of course, to Max Weaver, who had his football career cut short by an injury.

CLARENDON MOVING UP

Clarendon continues to climb in the Harris ratings of the 209 Class A teams in Texas. Of course, Clarendon is rated seventh in the state in the poll.

Team	Last Week	Previous Week
Clarendon	17	22
Farwell	28	24
Sudan	31	26
Kress	34	34
Springlake	36	32
Petersburg	39	41
Wheeler	71	96
Vega	79	75
Bovina	100	97
Silverton	141	139
McLean	143	113
Happy	156	141
Claude	160	178

The Harris Rating System picked Claude to be 1.1 points better than Happy, and the Mustangs held a 44-16 romp over the Cowboys.

Silverton was picked by 6 of a point over McLean. Someone in the stands Friday night remarked that Harris probably had to bring in six electronics experts from Dallas to repair the computer after the game results were fed into it!

HD Council Meets For Business Session

Home Demonstration Council met November 6 with Mrs. Syble Teeple, chairman, presiding.

Mmes. Lottie Garrison and Naomi Hunt reported on 4-H work.

A report on the Holiday Luncheon was given. A total of \$290.25 was cleared on the project. The members have asked that appreciation be expressed to Nance's Food Store for the table covering paper.

Each club was requested to write Mr. Eugene Garma, Box 3070, Amarillo, Texas, expressing interest in a Satellite School for Silverton.

New officers elected to serve the Council in 1970 are Mrs. Susie Autry, chairman; Mrs. Lanita Cantwell, vice-chairman; Mrs. Lottie Garrison, secretary; Mrs. Glenda Francis, treasurer.

Mrs. Ruby Lee Kitchens had already been elected THDA chairman.

TOWN & COUNTRY CLUB OFFICERS ELECTED

The Town & Country Home Demonstration Club has also held an election of officers recently. They are Mrs. Mae Bomar, president; Mrs. Lottie Garrison, vice-president; Mrs. Lois Walker, secretary and treasurer; Mrs. LaVerne Stephens, assistant secretary; Mrs. Bobby Bean, reporter; Mmes. Susie Autry and Dean Burson, delegates; Mrs. Fern Holt, parliamentarian; Mmes. Kathryn Stephens and Gladys Arnold, program committee.

VISITS GRANDPARENTS PRIOR TO SERVICE INDUCTION

Michael Tidwell, son of James Tidwell of Irving, has been visiting with his grandparents, Mr. and Mrs. R. Clyde Hutsell and other relatives in Silverton.

Tidwell planned to visit with relatives in Hobbs, New Mexico, prior to his induction into the U.S. Army in Dallas November 14. He has been recruited to enter the field of electronics.

Mrs. Roland DeFee and Mrs. Carl Hawkins of Lubbock spent Friday with their sister, Mrs. Ray C. Bomar, and attended the funeral of Dick Bomar.

reported that it was Art Hamilton and the other said Art Brown! I'm not ribbing Art about this either, because I think he has shown a lot of poise for a Freshman when he has been at the helm.

McLean made 24 first downs as compared with 10 for the Owls.

Unbelievably, the Owls ran 58 plays during the game, averaging almost four yards per play, while the Tigers ran 62 plays, averaging barely more than eight yards per play. This included minus yardage and penalty yardage.

Sudan, rated 1.1 points better than Kress, won 21-14. Farwell defeated Bovina 20-19 after having rated 17.3 points better.

Springlake, estimated 9.3 points stronger than Vega, won 50-6.

Clarendon defeated Wheeler 42-22, after having been rated 13 points better.

The teams head into the final showdown Friday, with some district races to be decided. Petersburg holds the District 4-A crown, having finished last week, but all the chips will be on the line when Sudan travels to Farwell tomorrow night. White Deer is the District 1-A champ, and it is only a formality for the Bronchos when Clarendon travels to McLean Friday.

In other District 2-A action, Claude goes to Wheeler and could earn a 3-way tie with McLean and Wheeler for second place. That leaves Silverton and Happy on the bottom of the heap, and since the Cowboys are winless, you can bet your bonnet they are going to pull out all the stops in going for a win. If the Owls can win this last one, they will finish with a 2-3 mark, bettering last year's 1-4 district record.

A big Class A game will be between the defending state champion, Sonora, and Junction, both undefeated in district competition so far this season.

White Oak, the most impressive offensive and defensive team in the state this year, scored its seventh shutout of the season, 56-0, against Sabine last week. White Oak has now scored over 450 points this season.

P. John Monk

**Lester O. Monk
Receives State
A.S.C.S. Award**

The Briscoe County ASCS office has received word that Lester O. Monk has received a High Quality Performance Award.

The award is given to the top 5% of ASCS personnel in the state of Texas. Only employees who have sustained a high level of work, both quality and quantity-wise, are eligible for this recognition.

Monk was recommended for the award by the District Director, Buddy Hedges. The recommendation was approved by the Texas ASCS State Committee. He has received an expression of appreciation and congratulations from the State Office Staff for his outstanding service to the U. S.

Department of Agriculture.

In addition to the recognition from his own agency which local ASCS employees feel Monk so richly deserves, this award is accompanied by an increase in salary of \$229.00 per year.

The ASCS employees and the Briscoe County committeemen have many nice things to say about Monk, who is known to his friends as "P. John." They take this opportunity to remind Briscoe County residents of the contributions Monk has made in more than 30 years of service to the ASCS, and suggest that "this would be a nice time to tell him what he means to you. Why don't you try it? We all appreciate a little well-deserved praise when we get it."

**JUNIOR HIGH BASKETBALL
GAMES HERE TONIGHT**

The Silvertown Junior High basketball teams will play the Quisque Junior High at 6:30 p.m. tonight in the Silvertown School Gym.

The girls will lead off the action at 6:30.

**USDA Announces
Cotton Program**

The U. S. Department of Agriculture on October 31, 1969, announced 1970-crop upland cotton price - support loan and payment rates.

The national average price-support loan rate for Middling 1-inch cotton at average location has been set at 20.25 cents per pound for the 1970 crop. Price - support loans available to program co-operators for different individual qualities will be based on the Middling 1-inch rate. This is the same rate as that applicable to the 1969 crop.

The price-support payment rate to program co-operators has been established at 16.80 cents per pound. This payment is in addition to the price-support loan. It is the amount necessary in addition to the loan to provide producers at least 65 percent of parity on cotton produced within the acreage permitted under the program. The payment is made to co-operators on acreage planted within the domestic allotment which is 65 percent of the total farm allotment. The 1970 rate compares to a 1969 program price-support rate of 14.73 cents per pound.

This announcement, along with previous determinations, gives cotton producers basic information on next year's program prior to a mail referendum December 1-5, on 1970-crop cotton marketing quotas. In the referendum, at least two-thirds of the upland cotton growers voting must approve marketing quotas before the essential features of the program can go into effect. If more than one-third of the growers vote "no" the only cotton program will be price support at 50 percent of parity for growers who do not exceed their acreage allotment.

The carryover of upland cotton as of August 1, 1970, is expected to fall to the lowest level since 1953. In view of the small carryover, payments will not be offered in 1970 for diverting acreage from cotton. Special provisions for small farms, however, will be continued.

Small farms, that is farms with

allotments of 10 acres or less or with projected production from the allotment of 3,600 pounds or less, may plant the entire farm allotment and, in addition to the price-support payment on the domestic allotment, receive payment of 11.95 cents per pound on the projected yield of 35 percent of the farm allotment.

Payments under the program would be subject to any limitation that might be required by Congress in the Department of Agriculture appropriations.

**Childrens Pictures To
Be Made Here**

Winston Lucas, photographer from Irving, Texas, will be at the office of the Briscoe County News from 1:00 until 5:00 p.m. on Thursday, November 20, to conduct his children's photograph contest.

Free photographs will be given to the three children whose photographs are judged best.

There is no charge to the parents for having the children's pictures made. Parents do not have to be subscribers of this newspaper to take part. Those who want additional prints may obtain a limited number by arrangement with the studio representative when the proofs are shown. All of the children photographed will have their pictures printed in a future issue of the Briscoe County News.

Only the photographs made by Winston Lucas on November 20 will be eligible for the contest, and only those in the contest will have their pictures printed in the newspaper.

There is no limit on the number of children in the family who take part and there is no age limit. Appointments may be made by calling 3381.

**HAYLAKE CLUB MEETS
IN HILL HOME**

The Haylake Club met October 23 in the home of Mrs. Bill Hill with seven members and one visitor present.

The afternoon was spent visiting and exchanging ideas on sewing and cooking.

Next meeting will be November 19 in the P.C.A. community room with Mrs. Opal Hyatt as hostess.

**Home
Notes**

by MRS. NAOMI HUNT

Briscoe County
Home Demonstration Agent

If you are planning to send cookies as Christmas gifts, now is the time to do so to insure that they will arrive on time. Here are some tips on preparing cookies for mailing and two of my favorite cookie recipes.

Cookies travel best when packed well; mailable kinds include soft drop cookies, filled cookies and chewy bar cookies.

Use a strong cardboard box or metal container for mailing cookies. Line the container with aluminum foil and put a cushion of crumpled paper towels or waxed paper on the bottom.

Cookies with honey and fruit improve in flavor with age. Applesauce, molasses, oatmeal and mincemeat cookies are good packers.

Bake bar cookies in foil pie pans and mail them in the pans.

suggests Frances Reasonover, Extension foods and nutrition specialist.

Wrap cookies in pairs, back to back, with foil or plastic wrapping to seal in flavor. Pack snugly in rows with heavy cookies at the bottom. Cover each layer with a cushion of paper towels and top with a cushion of paper towels. Wrap the filled box in foil and heavy brown paper and tie securely.

These cookies travel well and stay moist and delicious.

Pineapple Nut Cookies

1/2 cup butter
1/2 cup brown sugar
1/2 cup white sugar
1 egg, well beaten
1/2 cup crushed pineapple, drained
2 cups sifted all-purpose flour
1/4 teaspoon soda
1 teaspoon baking powder
1/4 teaspoon salt
1/2 cup nuts
Cream shortening and sugar. Add egg and pineapple and beat thoroughly. Add sifted dry ingredients and stir until well blended. Stir in nuts. Drop by teaspoonfuls onto greased cookie sheet. Bake at 375° about 10 minutes or until golden. Makes about 5 dozen cookies.

Sugar-Coated Banana Drops

Sugar coating: 1/2 cup white sugar
1 1/2 cups bran flakes
1/2 teaspoon cinnamon
Cookie dough: 1 cup white sugar
1/2 cup shortening
1/4 cup butter
2 eggs
1 1/2 teaspoons vanilla
1 cup mashed bananas (takes 3 medium-sized)
2 1/2 cups sifted all-purpose flour
3 teaspoons baking powder
1 1/2 teaspoons salt
Prepare coating: Place sugar, bran and cinnamon on a sheet of waxed paper; roll until fine.

Cookies: Combine shortening, butter, eggs and vanilla; beat until smooth. Add mashed bananas and sifted dry ingredients; stir to make a soft dough. Drop by teaspoonfuls onto coating mixture; shape with fingers into balls, then roll to coat well. Place on greased baking sheet about 2 1/2 inches apart. Bake in 400° oven about 10 minutes or until centers of cookies spring back when lightly touched. Makes 6 dozen cookies.

Mr. and Mrs. Keyth Tiffin have been at market in Fort Worth this week.

Silvertown, Texas

GSPA Asks Voluntary Diversion Continuation

The Grain Sorghum Producers Association this week asked the USDA to continue the voluntary diversion program for grain sorghums for 1970. The law allows the secretary of agriculture to decide the level of diversion and payments.

There has been some speculation that the secretary might cut back the amount of diversion allowed with pay when he announces the 1970 feed grain program provisions. Under the 1969 program a farmer had to divert 20%

First Bale of Cotton Delivered Tuesday

Mrs. Vaughter Self delivered the first bale of 1969-crop cotton to Silvertown Tuesday afternoon. Bill Williamson, manager of Silvertown Gin, Inc. said that a three-bale load was received Tuesday afternoon.

The turn-out was 26.5%, and 6,500 pounds of seed and 1,748 pounds of lint was yielded by the load.

of his feed grain base and received diversion payments for all over 20% up to 50%.

In a letter to Secretary of Agriculture Hardin, Elbert Harp, GSPA's executive director, stated, "The decision to cut the voluntary diversion (with pay) out of the 1967 feed grain program was a drastic mistake which caused an over production of corn and feed grains from which we are just now recovering. We hope that the voluntary diversion provision, allowing up to 50% of base to be diverted, will remain in effect for 1970 with diversion payments at least equal to those of 1969."

Harp pointed out in his letter to Secretary Hardin that with the higher grain prices, there will most likely be some slippage in the grain program anyway and to force all the land back into production, except the minimum 20%, would again create a surplus and again break the market price. "Farmers are enjoying the higher prices this year but they are still not receiving what they really need for their grain," Harp said.

GSPA feels that a cut-back in diverted acres would result in a price depression.

Youth Choir To Present Musical

"Purpose," a contemporary musical for youth by J. Phillip Landgrave, will be presented by the Youth Choir at 6:00 p.m. Sunday, November 16, at the First Baptist Church here. The choir is accompanied by Mrs. L. B. Garvin, jr., and is under the direction of Ted Lanham.

"Purpose" was born out of the expressed need of youth in a local church situation to have music with which they could identify, through which they could express their spiritual needs, their Christian witness, and their life commitment to Christ. The music is rhytmical, a strong drive in today's youth; it has singable but challenging melodies, the kind that involve youth. The text is biblically based, with the emphasis on theological context that this implies; it is poetically structured for literary and memorable qualities; and it is intended to be both timely and timeless, designed to speak to today's youth without becoming jargon.

A prominent politician once said, "If there's one thing the youth of today are really searching for, it is a purpose in life." He observed what many who have their eyes on youth have noticed, both in and out of church. When there seems to be so much aimlessness all around, what does the Bible, the church, the Lord have to say about purpose for life? To suggest an answer to this question is the purpose of "Purpose"; to guide youth in discovering a meaningful life in Christ.

The sequence of thought begins with youth's awareness of a lack of purpose, and progresses through the realization of the beginning point for finding purpose in God's peace, the need to be confronted by God's convincing Spirit, the experiences of confession and forgiveness, an understanding of what it really means to be a Christian, the search for vocational guidance, the necessity for daily discipleship, the meaning of Christian witness, and the ultimate individual response to God's individual calling. "Purpose" is concluded with an invitation to the audience to respond as the youth have enacted their response, and thus take a step in finding or fulfilling their purpose in life.

The public is invited to attend this program.

Mr. and Mrs. Lawrence Cleveland of Canadian visited Mrs. Ray C. Bomar Thursday afternoon.

No Runs
Nylons may soon lead runless lives, thanks to a new stocking finish which invisibly coats hosiery to prevent runs and snags.

PAT JARRETT

Pat Jarrett Is New Rainbow Worthy Advisor

Miss Pat Jarrett, daughter of Mr. and Mrs. Claude Jarrett, was installed as Worthy Advisor of Silvertown Rainbow Assembly No. 304 in a public ceremony Saturday, November 8, at the Masonic Hall here. Miss Jarrett chose

"Friendship" as her theme, and yellow and green as her colors. Her chosen flower, the carnation, was used in decorating the hall.

Installing officers were Mrs. Carolyn Self, Worthy Advisor; Mrs. Peggy Miller, Marshal; Mrs. Lillian Lindsey, Chaplain; Mrs. Lois McKenney, Recorder; and Mrs. Frances Crass, Musician.

Officers to serve with Miss Jarrett during the Fall Term are Lois Stephens, Worthy Associate Advisor; Cathy Jones, Charity; La-Quita Croft, Hope; Norlene Offield, Faith; Paula Montague, Recorder; Roy Ann Bomar, Treasurer; Ellen Thomas, Chaplain; Louise Croft, Drill Leader; Nancy Reid, Choir Director; Jackie Carol Tate, Musician; Christi Northcutt, Love; Coleen Culwell, Religion; Louise Parker, Nature; Jane Self, Immortality; Julia Dickerson, Fidelity; Carol Ann Montague, Patriotism; Ruth Ann Cline, Service; Ian Lanham, Outer Observer and Paula Birdwell, Confidential Observer.

Advisory Board members are Mrs. Pat Whitfill, chairman; Mrs. Merlene Stephens, Mrs. Carolyn Self, E. C. Newman, Mrs. Lola Mae Stephens, Mrs. Lily Wofford, Mrs. Lois McKenney, Mrs. Grace Vaughan, Mrs. Annel Davis, Mrs. Sheryl Breedlove, Mother Advisor, Mrs. Margie Moreland, Worthy Matron, M. G. Moreland, Worthy Patron, and Charlie Parker, Worthy Master.

The Worthy Advisor's family was introduced following the installation of officers.

A reception was held following the meeting at which Miss Jarrett and the other officers were honored.

Golden Anniversary Celebrated Sunday

Friends and relatives from out of town who attended the Golden Wedding reception for Mr. and Mrs. J. M. Thompson Sunday afternoon included Mr. and Mrs. Esker L. Smith, Amarillo; Mr. and Mrs. Charlie Francis, Mrs. Ollie Breland, Marvone Autry, Mrs. Minnie Lou Howard, Mr. and Mrs. Les Alley and Jack Skaggs, all of Plainview;

Also, Mrs. Anna Mae Richardson and Mrs. Floyd Busby, Iowa Park; Mrs. Sue Polk, Levelland; Mr. and Mrs. H. G. Franklin, Beckie and Bruce, Tahoka; Mrs. Ella Schmidt, Mr. and Mrs. G. D. Schmidt, Lamesa; Gene Schmidt and Lynn Holder, Lubbock; Mr. and Mrs. Dick Franklin, Jerry Dee and Beth, O'Donnell.

Mr. and Mrs. Thompson received telephone calls Sunday from a niece in New York, a niece in Dallas, and from a sister-in-law in Cartwright, Oklahoma, all of whom were unable to attend but wanted to extend best wishes to the couple. In addition, Mr. and Mrs. Thompson received many cards and letters from Silvertown and other cities.

NO CANCER FOR HER!

At a San Antonio grocery, an alarmed woman recently brought back several cartons of a soft drink sweetened with cyclamates. "They cause cancer," she explained.

The grocer immediately paid her the purchase price of the drinks, and she used the money to buy cigarettes.

Quarterback Club Meets Monday Night

The Silvertown Quarterback Club will meet Monday, November 17, at 7:30 p.m. in the school cafeteria.

All members are urged to be present because this will be the last regular meeting of the year.

Mrs. James Smith, David and Rita of Uylsles, Kansas, visited Wednesday and Thursday of last week with Mr. and Mrs. Lark Miller and Jay.

Hugh Nance returned home from the hospital Monday.

Archie Shaw Buried Yesterday at Munday

Funeral services for Willie Archie Shaw, 61, were conducted at 2:00 p.m. Wednesday at the First Baptist Church at Munday, with the pastor, Rev. H. B. Graves, officiating.

Burial will be in Johnson Memorial Cemetery under direction of McCauley-Smith Funeral Home. Shaw, a retired Silvertown farmer, died Monday in a Wichita Falls hospital.

Born May 11, 1908 at Munday, Shaw was a member of the First Baptist Church in Silvertown. Survivors include two sisters, Mrs. Myrtle Sullivan of Lodi, California, and Mrs. Pauline Chitty of Silvertown; three aunts, Mrs. Lucille Stodghill, Mrs. Bess Gunn and Mrs. Maud Reagan, all of Munday.

Well, What Do You Know? fun, games and knowledge

by MARTHA GLAUBER SHAPP, Editor, The New Book of Knowledge

What is quantum theory?

Waves on a pond are motions of the water. Sound waves are motions of the air through which they travel. A hundred years ago scientists believed that light waves, too, must be the motion of "something." They called that something ether. They believed it existed because waves, they said, must have something in which to travel. Today scientists have tried to understand the nature of radiation itself. One generally accepted theory is called quantum theory.

Scientists believe that radiation is emitted in the form of tiny quantities, or quanta, of energy. ("Quanta" is the plural of "quantum.") Quanta travel in the form of packets, or bundles, of waves. Thus, the tiny quantities of energy are believed to be wave packets. Quantum theory has been very successful in leading scientists to a fuller understanding of the nature of

radiation and of the many ways in which radiation can be used by mankind.

What is a "Lucy Stoner"?

Lucy Stone was 28 years old when she graduated from Oberlin College, Ohio, in 1847. Because her father did not approve of college education for women, Lucy had to teach school for 9 years in order to earn the money to go to college. She decided to devote her life to correcting what she considered to be the many injustices in society and the law. Soon she became an eloquent speaker against slavery and for civil rights. For years she wore bloomers instead of dresses to protest against the awkward and uncomfortable women's fashions of the period.

When Lucy Stone married, she continued to use her own name as part of her protest against the laws that made a wife legally inferior to her husband. Ever since, a married woman who keeps her maiden name has been known as a "Lucy Stoner."

What is a tsunami?

Sometimes you hear people speak of tidal waves. A much better name for them is "tsunamis" (from the Japanese words for "harbor" and "wave"), for they are not caused by tides. Tsunamis are caused by earthquakes under the oceans. The earthquakes create waves that travel across the sea at speeds up to 500 miles an hour. When they reach land, they may pile up into walls of water as high as 60 feet. They can do very great damage.

(For a free booklet, "The Magic Carpet," illustrated in color from The New Book of Knowledge, send name and address to Martha Glauber Shapp, Box 47, Putnam Valley, New York 10579.) 11-3

All Square

In the eighteenth century, Marie Antoinette complained about the many shapes of handkerchiefs. King Louis, the sixteenth, decreed that the length of the handkerchief shall equal its width throughout the kingdom.

LAZY DAISY CAKE

How long has it been since you've made one of these simple . . . but simply delicious cakes? Well, it's time you made one for your family to enjoy. Use a one-layer yellow or white cake mix or your own recipe. Bake according to directions in an 8" x 8" x 2" pan.

- BROILED ICING**
- 3 Tbsps. melted butter
 - 1/2 cup Griffin's fancy shred coconut
 - 10 Tbsps. brown sugar
 - 1/2 cup chopped pecans
 - 2 Tbsps. cream
 - dash of salt

Put all ingredients in a sauce pan and heat over low flame until sugar starts to melt. Stir until all ingredients are blended, then spread over warm cake (still in the pan) and place under the broiler with flame very low. Broil the icing until it bubbles all over the surface. Don't let it burn! Serve with a dab of whipped cream.

GUEST EDITORIAL
Where Is Your
1969 Annual!

by Mrs. O. C. Rampley
It has long been the tradition of students to autograph their pictures in annuals and to write personal messages recalling happy times together and to extend best wishes to their friends. This is well and good, because these mementos become even more precious as the years go by.

However, it has recently been brought to my attention that some of the 1969 messages of cheer and best wishes have turned into the sort of writing that was once reserved for restroom walls. Filth has been written across the pictures of classmates and others have been subjected to drawings and mutilations. The messages of remembrance of good times contain words that no self-respecting teenager would dare have read by his parents.

The Junior High P. E. girls could hardly believe what the annuals that had been left in the gym by the older girls contained. They wondered why anyone would appreciate having his annual treated in such a way.

One cannot help wondering what the purpose of such writings could be—Do they think it is smart? Are they trying to shock someone? If it is a sign of rebellion, then against whom? Church? School? Parents? Teachers? The friends in whose annuals things have been written that will make it prohibitive for them to display them in their homes for fear that grandparents or not-so-understanding relatives or friends might see them?

A very few years ago, an entire set of group pictures that had been taken for the annual had to be destroyed because girls had made signs that made the pictures unfit for printing. The girls ranged in age from Freshman to Senior, and some had been guilty since Junior High but it had gone unnoticed by the photographer. The girls are not alone in this behavior, but somehow it seems that we do not expect such base actions from them.

If you think that I should "butt out" because this is none of my business, then allow me to differ with you. As sponsor of the annual for the past eight years, I have seen first-hand the work and expense that goes into preparing and printing a yearbook. Even though \$4 may seem expensive to you, the actual cost of last year's annual was more than \$10 per book. Who makes up the difference in cost? Basically it is the advertisers who so generously con-

Pep Squad Beau To Be Presented

The Pep Squad Beau will be presented in the Pep Rally at 10:35 a.m. Friday.

Candidates are John Burson, Freshman; Marvin Self, Sophomore; Terry Bomar, Junior, and Jay Long, Senior.

This will be the last Pep Rally of the season, so please attend and help make it one to remember.

Song Dedications

Silver Threads and Golden Needles—Roy Dale Garrison
We're So Good Together—Gary to Ramona

The Letter—P.M. to R.A. Baby, I Love You—C.G. to R.H. Hot Fun—people who get sent to the office

tribute to our school. If advertising is to be of any value, it must be seen, not hidden in some closet or under the mattress. Without the help of the advertisers, how many of you would be able to purchase an annual?

Have you been hesitant to sign certain annuals this year? One girl told me that she had waited several days before writing in one simply because she did not want her name associated with others who had written in its pages, and that she had been searching for something kind to say to its owner without being dishonest.

Are SHS annuals doomed to go the way of Senior Trips and Kid Days because of the actions of the minority who seem to always be allowed to spoil things for those of you who are striving to become worthwhile and productive citizens of the future?

This is something that only you, the student, can control. If you feel that an annual is a worthwhile method of preserving your memories of high school activities and highlights of your teenage life, why not oppose the few who have chosen to turn annuals into books of filth? Is your own new annual proudly displayed at home, or must it remain concealed from the eyes of your parents?

Farewell To Senior Football Players

Silverton High School wishes lots of luck to the Owls Friday night as they go against Happy. This will be the last football game the Seniors will be playing for SHS.

The Seniors are the leaders who set the pace for the other players. They deserve a lot of credit for their effort and determination through the year.

Best of luck to Max Hamilton, Thurman May, Jay Long, Gary Martin, and to Max Weaver, who is recuperating from surgery.

Homemakers Learn Sewing Techniques, Teach 4-H's

For the millions of homemakers who sew at home, the many new fabrics and finishes are a mixed blessing. The new materials are beautiful to look at but may be difficult to work with for seamstresses not up on the latest sewing techniques.

However, nearly 7,000 adults who enrolled last year in a training course "Your Sewing Machine," for 4-H volunteer leaders, the new fabrics present no problem. They learned which needle, thread and stitch length setting to use for various fabrics—just part of the training that prepared them to teach sewing skills to more than 36,000 4-H members last year.

Each of the past 15 years, The Singer Company in cooperation with the Cooperative Extension Service, has sponsored local training programs for volunteer adults. Women signing up for the course agree to pass on what they learn to girls participating in 4-H Clothing and

Home Improvement projects. The program is arranged and announced by the National 4-H Service Committee, Chicago.

During a two-day training session the volunteers learn the mechanics of operating a sewing machine and its attachments as well as modern sewing techniques. They also learn methods of teaching sewing to young people of different ages and abilities, based on three teaching manuals provided by Singer—"Know Your Sewing Machine," "Regulation and Care for Your Sewing Machine" and "Make the Most of Your Sewing Machine." Upon completing the course, each "graduate" receives a certificate of merit.

Both prospective and current 4-H project leaders may enroll in the course. Women interested in working and learning with enthusiastic 4-H'ers may obtain additional information about the training course from their County Extension office.

F. H. A. NEWS

by Lois Arnold

The Silverton F. H. A. chapter met November 5, 1969, with Earl Cantwell, Robert Sewell and C. H. Murphy, jr., ministers of local churches, as guests. A discussion was heard on how a stable home effects a stable life.

Cathy Jones presided over the meeting. Hostesses for November, Roy Dale Garrison, Marsha Teeple and Paula Birdwell, served sherbet and 7-up to the members and guests.

The members have expressed appreciation to the ministers for taking time from their busy schedules to take part in the discussion.

Owlettes To Play Queen Bees Here

The Silverton High School Owl-ette basketball team will be spotlighted in a game with the Wayland College Queen Bees on Saturday, November 15, in the Silverton School Gymnasium at 6:30 p.m. (Game time has been changed to 6:30 p.m. due to the church revival and to the 4-H Achievement Banquet.)

INTERNATIONAL BASKETBALL
Mexico's National All-Stars will meet the Hutcherson Flying Queens from Wayland College in a basketball game to be played in the Silverton School Gymnasium Friday, November 28, at 7:30 p.m.

The game to be played here will be one of a series the two girls teams will be playing while Mexico's National All-Stars are in this area.

Both of these special girls basketball games will be played under the sponsorship of the Silverton Lions Club.

Advance tickets will be on sale by members of the Lions Club, and admission will be \$1.00 for adults, 50c for students, and preschool age children will be admitted free.

COOL IS . . .

Getting to go to Amarillo to get the play costumes.
Sliding down the banister and not getting caught.

Weekends.
Getting to go out of town on a Saturday night.
Getting a letter from your boyfriend.

SICK IS . . .

Sliding down the banisters and getting caught.
Having to sit home on the weekends.

Doing something really sick.
Playing tag in the halls and getting licked for it.
Not getting a letter from your boyfriend for over two weeks.

Pep Rally Held

The weekly Pep Rally was held in the school gym at 10:45 Friday, attended by a large crowd of parents and fans. Great spirit was shown throughout the rally.

Receiving the spirit sticks were the Junior Class and Marilyn Minyard, the class and individual judged to have shown the most spirit during the past week.

Thurman May, Max Hamilton and Coach Wright gave spirit talks.

Calendar of Events

"FOR ALL YOUR PRINTING NEEDS"

Impala's hidden persuaders:

1 350-cu.-in. engine

A new more powerful standard 250-hp V8 makes the 1970 Impala move with all the more assurance. On good ol' regular gas.

2 Anti-theft column lock

A locking system is built right into the steering column. When you take your key with you, you lock not only your ignition but your steering wheel as well.

3 Aluminized exhaust system

It simply means that your original muffler, tailpipe and exhaust are going to last longer than you'd probably expect them to. Fair enough?

4 Side guard beams

They look like highway guard rails, and they're built into both sides of the car for extra protection in case of impact. Not too many cars have them.

5 Inner fenders

Up inside every fender is another fender to protect against slush and mud and help keep your Impala looking young.

6 Flush and dry

We build the car so that rain and wash water can run down through the inside of the rocker panels, then out. Air follows to do the drying.

7 Full Coil suspension

Huge coil springs at all four wheels are four big reasons why a Chevrolet Impala rides smoother and quieter than a low-priced car has any right to.

On the move.

Buyer... vs. Seller

Most of us lead a double life.

One minute we're a BUYER. The next minute we're a SELLER . . . of goods, services, time, or talents.

Of course, there's some incompatibility in a Buyer-Seller combination. About like you'd expect in a dog-and-cat mixture.

Consequently, we sometimes get to playing our part as Mr. Buyer with such enthusiasm we forget that our other self, Mr. Seller, has to

put dollars in our pocket before our Mr. Buyer self can spend them out of it.

And every time we, as Mr. Buyer, take one of those dollars out of circulation here by spending it out of town, we shrink Mr. Seller's market so it's a little harder for him to get us some more dollars.

It's too bad we don't get more teamwork out of our two personalities. When Mr. Buyer is cutting Mr. Seller's throat, we need to recall that they are both using the same throat.
