

All Around the Town

by Mary Ann Sarchet

Silverton lost one of its most respected leaders Sunday when Hugh Nance was taken by death. The United Methodist Church lost one of its most faithful members, and the Briscoe County News lost a dear friend.

Hugh Nance, with his support and encouragement, has been one of the reasons why there is still a newspaper in Silverton. Without him, we might have given up years ago.

The fact that many others shared our respect and admiration for the Nance family was plainly attested by the huge crowd of friends who attended his funeral. Among those there to pay last respects were the elderly and the very young. It is obvious that his circle of friends included those of all ages, and this, I think, a beautiful tribute to a person—a thing that money can't buy and an honor accorded only to the most deserving.

None of us would ask that he should have been spared to live even one more day with the pain and torment that was his; but I think there is not one among us who has not prayed, silently and aloud, many times in the past months that this thing had never gotten its hold on him.

Today's world needs people like the Nances. We certainly will miss Hugh.

## Flying Queens To Meet Mexico National Team Here Friday Night

The Hutcherson Flying Queens of Wayland Baptist College in Plainview open their 1969-70 season Friday night against the Mexico National team in Silverton, then travel to Spearman Saturday for a rematch before returning to Plainview for a December 1 game against the Mexico girls. The local game will begin at 7:30

p.m. in the Silverton School Gym under the sponsorship of the Silverton Lions Club. Admission is \$1.00 for adults and 50c for students.

Harley Redin, who is beginning his fifteenth year as coach of the Queens, has only five lettermen back from last year's 26-4 squad, including two full-time starters.

The team's other five players are freshmen. For the first time in the history of the Queens, there is not a senior on the team.

Not only will the Queens be inexperienced as a whole, but also must adjust to the international rule, which goes into effect this year in the college ranks. Under the new rule, only five players will take the floor in contrast to the six-player rule of the past.

Returning lettermen are 6-0 center Wanda Roe, 5-8 guard Susan Britton, 5-11 forward Cheri Rapp, 5-7 forward Carolyn Dornak and 5-6 guard Debra Martin.

Roe, a junior voted the Most Valuable Player in the National Girl's Basketball League last year, received honorable mention for All-American at the National Tournament in Gallup, New Mexico.

Britton, a sharp-shooting former All-Stater from Springlake, was third in scoring last year with 304 points and is expected to spearhead the offensive attack.

Rapp, a sophomore from Estelina, came on strong as a freshman last season and on the strength of her aggressive defense and rebounding, was honorable mention for Rookie of the Year in the National Tourney.

Back for her third year on the Queens, the team's only other junior, Dornak, is a solid performer and the opportunity to play regularly may be the thing she has needed to develop into a top college player.

Martin missed most of last season with a broken leg, but figures as a starter. She is quick and a team leader.

Among the freshmen is one of the top all-time scorers in Oklahoma school girl history, Mayme Patterson. The 5-7 forward averaged more than 30 points per game for tiny Burns Flat last year and was the leading scorer in the East-West game with 27 points.

Marcia Shieldknight, a 5-6 guard, led Spearman in scoring and directed her team to a state playoff berth last winter. Sherry Stark, also a 5-6 guard, was top scorer for Quitaque and played in the Coaches' All-Star Game.

Former Crosbyton standout, Bobbie Winn, who made the All-District team and holds two school records, and Susan Baldwin of Pearland, give the Queens added strength under the boards.

Both are 6-0 freshman centers. Judy Gover of Springlake is manager and freshman coach.

The Queens have 30 games on their schedule and will defend their Iowa Invitational and Amarillo National Invitational titles in addition to playing in the National AAU Tournament in Gallup, New Mexico.

"We plan to put a good, young team on the floor," said Redin. "The deciding factor in our season will be how well our opponents adapt to the new style of play. We feel our girls will be able to adjust adequately to the new rules."

FLYING QUEENS — Front row, from left: back row, from left Mr. and Mrs. Claude Judy Gover, manager; Carolyn Dornak, Marcia Shieldknight, Mayme Patterson, Debra Martin, Sherry Stark and Susan Britton; Hutcherson, sponsors; Bobbie Winn, Susan Baldwin, Wanda Roe, Cheri Rapp and Coach Harley Redin.

### Owlettes Subdue The Pantherettes

In the first outing of the season against another high school, the Silverton High School Owlettes defeated the Quitaque High Pantherettes 64-59 on Tuesday night of last week. Led by Evelyn Wood and Paula Birdwell, the Owlettes brought home the first victory in five years against their cross-county rival.

The girls played aggressive basketball and led from the outset. Twenty-nine fouls were called on Silverton and twenty-eight on Quitaque marred the game, and it became evident that the referees were in for a busy night. In the first quarter, Paula Birdwell had 14-16 from the free-throw line, and the Owlettes led by nine points. The lead was preserved in the second quarter, and Paula picked up her fourth foul.

At halftime, the girls settled down and eliminated part of the mistakes, but not their fouling. Two minutes into the third quarter, Paula fouled out and Evelyn began to score. Trading baskets into the last three minutes, Silverton maintained their lead and with less than three minutes remaining the girls began to feel the pressure. At the final buzzer, the Owlettes were ahead five points for the 64-59 win.

Evelyn Wood scored 29 points, Paula Birdwell dumped in 22, and Jackie Cheatham scored 37 for the Pantherettes.

### OWLS ALSO MAKE GOOD SHOWING

The Owls also made a very good showing against the seasoned Panther team. With only three days of practice, the Owls managed to play a close game and bow to a 47-41 defeat. Stamina and finesse lacking, the Owls were within two points with 1½ minutes remaining in the game. Bob Hutsell led the Owls with 22 points, but football season was still in evidence among some of the players.

FAMILY LOSES HOME IN FIRE

Mr. and Mrs. Kenneth Vines of Stratford had the misfortune of losing their new trailer home and everything they owned—excluding all of their clothing—Tuesday of last week. Mrs. Vines, the former Marilyn Hutcheson of Quitaque, discovered the fire when she returned home from work for lunch.

The fire probably started with the furnace, and the furnace room was completely gutted. They had just bought a color television and lost it along with a washer and dryer, a deep freeze into which they had just put 220 pounds of meat, piano, bedroom suites, living room furniture, carpeting—everything.

Mr. and Mrs. Vines were married March 1, 1968, and they had received many nice wedding gifts—all of which were lost. All of her linens were burned or scorched so badly that they will come apart on the folds. A load of underwear and socks in the dryer and a load of sheets in the washer were saved. They were able to salvage a few dishes and cooking utensils to use in the motel with kitchen privileges into which they moved.

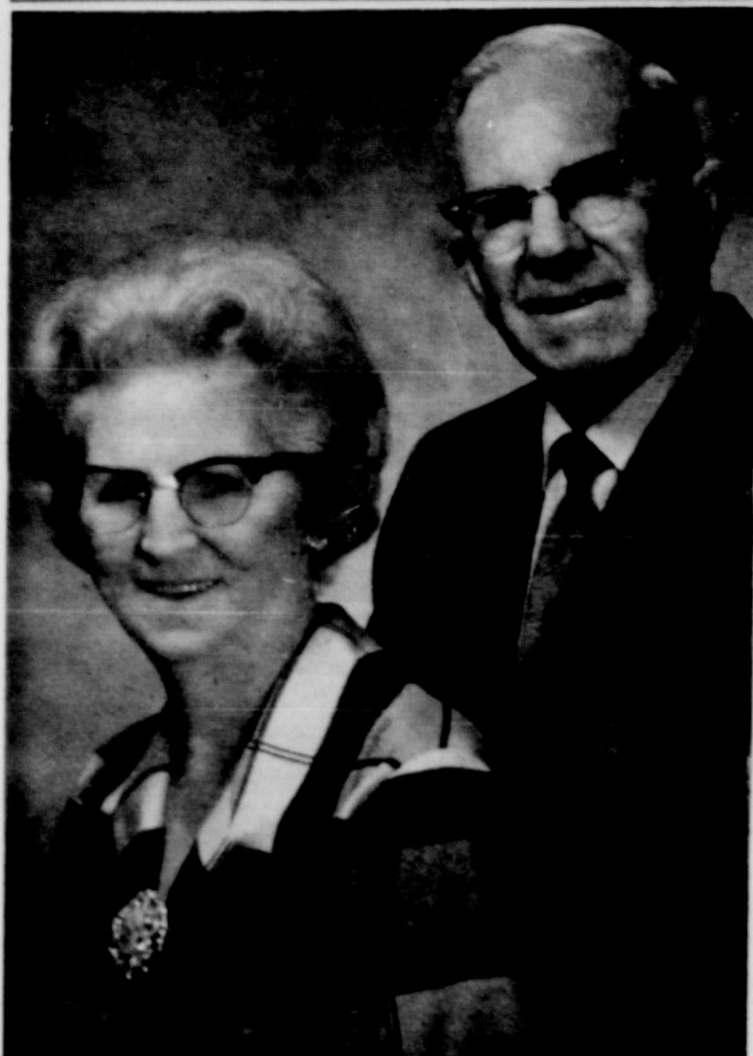

The Quitaque community is giving the couple a miscellaneous shower Saturday, November 29, starting at 7:30 p.m. in the bank community room there. This will be a love gift, and residents may take or send anything they wish to help the young couple.

Meeting of Producers Grain Corporation will be held November 30-December 2, at the Holiday Inn West in Amarillo.

Anyone wanting reservations is asked to call Bob Hill.

Responsibility? Do you mean ME: I have responsibility!

The dictionary defines this word "responsibility" as "ability to meet an obligation."

Certainly every young person is faced with responsibility, although sometimes they may not fully indulge themselves. Before you can meet your responsibilities, I believe you must accept a challenge—a challenge to be different, to break away from the crowd, to stand up for what you believe, and not to back down when others criticize you.

One of the greatest challenges in today's world is the challenge to be different. Because you do not agree with the idea to break away from the "establishment" and take up marijuana, you MAY be different. These social people who are a part of the "new generation" may say that you are really not "in" in today's world... but, on the other hand, if you stand up for what you really believe and do not rely on new attempts to be different, you are an individual.

To really be different, I think a young person MUST be an INDIVIDUAL. You must make up

your own mind and stand up for what you sincerely believe.

An invitation to stand up for your country is a challenge some people have not accepted and forgotten (or tried to forget). Some of the people in America today are quick to accept the privileges and rights of America, but will not sacrifice anything for them. As Mrs. Stathakos Condos, parliamentarian of the Texas Federation of Women's Clubs, recently stated: "These people are quick to burn their draft cards, but they keep their social security cards."

Destruction of the flag, to me, is one of the most dishonorable things a person could do.

The American flag symbolizes all the things that have made this nation great. When I look at a flag, I have a mental picture of men excelling in their determination, courage and faith for America.

When I saw a youth replace the American flag with a Vietnamese flag, my heart sank. I couldn't believe any person would turn his back on this country. Everything he has—freedom, home, position—is dependent upon our forefathers and their gifts of sacrifice.

All these sacrifices are symbolized by the American flag.

When Betsy Ross made the flag, it symbolized a country bound together to overcome difficulties and a people who stood up for what they believed.

Is this not what the flag stands for today? We are still bound in the eyes of the flag, why not be bound in the eyes of ALL men? Only with every young person, man and woman bound together will we overcome the heartless ones whose goal is destruction and work to make this nation fit for coming generations.

As young people, we must secure these privileges and rights. The responsibility of America will soon lie in our hand and it will be our challenge to make it fit for

## THANKSGIVING DAY

Did you ever stop to think what really makes up Thanksgiving Day? For some people it is just another day for getting off from work, school, etc. Actually, there is a long line of history behind Thanksgiving Day. Originating with the Thanksgiving festival held by Plymouth colony, December 1621, in gratitude for the ending of a difficult year and for a successful harvest, it became a particularly popular holiday among the New England colonies. The native fruits and vegetables, wild turkeys and pumpkin pies which constituted the fare of that first Thanksgiving feast became the traditional food for the day.

In succeeding years the various New England colonies celebrated Thanksgiving days in recognition of such happy events as good harvests and victories over the Indians.

President Abraham Lincoln, by Presidential proclamation, designated the last Thursday in November as Thanksgiving Day due to the unrelenting efforts of Mrs. Sarah J. Hale, editor of "Godey's Lady's Book." Each succeeding President made a similar proclamation, which was finally approved as the fourth Thursday of November as Thanksgiving Day, a national holiday. The idea of the day set apart to celebrate the completion of harvest and to render homage to the spirits which caused the fruits and crops to grow is ancient and universal.

The Yankee-country Thanksgiving in the middle of the nineteenth century traditionally featured a raffle of fowls on Thanksgiving Eve and a shooting match in the morning. In New York City the day was celebrated by companies of costumed persons who paraded noisily through the streets. Children, dressed in the clothes of their elders, went about their neighborhoods begging for contributions of fruits and vegetables or money.

Today we have the color television to brighten the colorful parades and alkalizers to calm our upset stomachs. With the spirit of Thanksgiving in the air, "Can Christmas be far behind?"

## INTERNATIONAL BASKETBALL

Mexico's National All-Stars will meet the Hutcherson Flying Queens from Wayland College in a basketball game to be played in the Silverton School Gymnasium Friday, November 28, at 7:30 p.m.

The game to be played here will be one of a series the two girls teams will be playing while Mexico's National All-Stars are in this area.

Advance tickets will be on sale by members of the Lions Club, and admission will be \$1.00 for adults, 50¢ for students, and preschool age children will be admitted free.

## TEAMS IN TOURNAMENT AT KRESS NEXT WEEK

On the weekend of December 4-5, the Silverton Owls and Owlettes will be playing in the Kress Basketball Tournament. This will be the first tournament of the year for the home teams. Last year Silverton did not enter the Kress Tournament.

Scene from the Junior Play, "A Connecticut Yankee in King Arthur's Court", showed Alvin May, Tommy Burson, Rhonda Dickerson and Lanis Davis with the telephone system which was introduced in the court by the Connecticut Yankee.

## MOMENTS TO REMEMBER

**Better Known As The Juniors Have a Play**  
 Try-outs were rough when the Juniors couldn't pronounce the th-century words, but the actors were finally cast in their parts and they were ready to be-

There was an exciting trip to Amarillo's Little Theatre for the costumes, and the girls dresses and Jim's tights were too small. The costume attendant was left in a state of shock while the cast proceeded to Myers' to eat chick-

Selling ads in Quitaque and Turkey was no problem: several girls volunteered at once! It seems that the purchasers preferred to buy ads from girls—not boys.

Practices and dress rehearsal proved to be a blast, but there were several hang-ups. The girls kept tripping on their LONG dresses and the boys got runners in their tights.

Some of the exciting and humorous happenings included: Alvin's strip on stage (and he didn't think Debbie would REALLY throw water on him), Nicky's bloomers falling down, Evelyn couldn't find a place to put her knife, Jim's gold long-handles, (by the way, should Tommy wear a corset?), Lanis and Gene broke a spear back stage, Elsie's entrance, David's concert, Tommy nearly getting killed in a blackout, Rhonda lost her voice, Karla made Phyllis pull her bangs back, Alvin didn't seem as shy off-stage as he did on stage, Tootie's fannies, Karla's imitations, Kerry's delayed telephone rings, and the

boys wearing tights and make-up. The big night finally came, and the Juniors put on their big performance. Afterward they ate at Agnes', where Tootie gave out various awards to the cast.

In spite of all the hard work and many hours spent, the Juniors are looking forward to their Senior Play.

The Juniors extend their apologies to the Rock Creek Station, the advertisement for which failed to appear in the play program.
