

All Around the Town by Mary Ann Sarchet

Quite often in these days of youthful rebellion against the old and established ways we hear reminders of the commandment: "Honor thy Father and thy Mother..."

So much is said about the responsibilities of children toward their parents and homes, and so little about parents' responsibilities toward their children.

Last Saturday night at the football game at Texas Tech, there were several children to whom my heart went out.

One rather short and portly man had a boy of about eight with him. The man wasn't trying to hide the fact that he was drinking, but he and the boy kept talking about how much they wanted Tech to win and I didn't realize that he was about to disgrace himself.

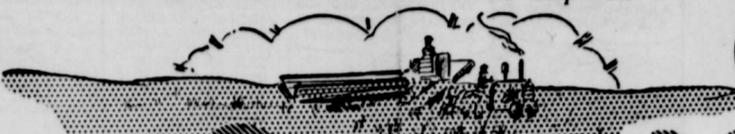

The other example of this took place in a family of four, and it was the mother who bombed herself. When the game was over, she stood up shakily with help, and then plopped right back down again, her long hair falling down into her face.

I think it is terrific for families to do things and go places together, but not like this. Can the children possibly have as much respect for their parents after they are embarrassed by them in public?

There were lots of VIPs at the ballgame Saturday night. We saw former President Lyndon Johnson, who was accompanied by one of his daughters—Luci, I thought, though I was never able to get a very good view of her.

We stopped at the air terminal on our way home (to let some of the traffic get ahead of us) and watched the University of Texas players boarding their chartered plane for home.

Owls Hand 32-6 Defeat To Groom's Tigers

☆☆☆ ☆☆☆ ☆☆☆

OWL COACHES this season, Tom Wright, Bill Stovall and Pete Hubbard, were pictured during workout as they were preparing the team for their game with Petersburg.

Silverton's Owls didn't look their best of the season while beating Groom 32-6 last Friday night, but did effectively contain the Groom offense by allowing them only six first downs.

The Owls really can't be criticized for not bearing down any harder on the Tigers because they did win with a pretty lop-sided score and there wasn't any particular reason to try to run the score any higher.

Silverton is surely the only team that would be dropped in state ranking after winning its second game of the season. It may be that a good performance against the Buffaloes tomorrow night will get the Owls more recognition than they have had in the past.

The business people have been doing their bit by decorating their store windows in support of the Owls. Some of this has been done at quite an expense to the individuals involved, and through a lot of hard work by Lou Younger, Junis Hutsell, Tina Nance, Peggy Strange, and other Quarterback Club members.

Wear red and white tomorrow; go to the Pep Rally; gather up a car load and drive to the game, and YELL for the OWLS!

A good crowd was on hand for the game at Groom even though the weather was very disagreeable due to the low temperature and high wind.

The Owls ran 84 plays (with every play written down in black and white, it is still unbelievable when counting-up time comes)—this is just about twice as many plays as the Owls ran in their games last year.

Three players shared the scoring honors, with Bill Strange getting three touchdowns, David Holt carrying a touchdown and a two-point conversion, and Dana Martin adding a score.

Other career scoring totals for the Owl backs are: Marvin Self, 42 points; David Holt, 26; Roger Younger and Thomas Self, 18 points each; Dana Martin, 12, and Alvin May, 6 points.

We have heard it said that Dana Martin is probably the most improved player on the team, and whether or not that's so, we do think that he's doing a nifty job at quarterback.

Groom's defense gave the Owls some trouble, and they weren't able to score until their second possession. In the meantime, they had allowed the Tigers only two four-down ball possessions.

The Owls lost the ball on a fumble their next time around, but continued to hold the Tigers, and Terry Culwell returned the favor by recovering a Groom fumble at midfield.

Strange carried the second score early in the second quarter on an 8-yard run. Strange's attempt to add a 2-point conversion failed, and the Owls held a 12-0 lead.

Deeper into the quarter, an Owl punt was blocked by Groom, who picked up the live ball and ran to the Silverton-18. Only Terry Culwell prevented a Groom touchdown on this play, but the Owls put up a tough defensive wall and the ball went over to them on downs at the Silverton-15.

Groom's touchdown came on the next-to-the-last play of the first half on a 5-yard run by Mike Ollinger. Their PAT kick hit the goal post and bounced back, and the teams went to the dressing rooms with the Owls leading 12-6.

Groom's onside kick which opened the second half was taken by Terry Bomar, but the Owls lost the ball on a fumble on first down. They allowed the Tigers a net gain of one yard before opening a drive on their own 20 yard line.

Strange carried the next score in from seven yards out, and Holt successfully ran for two extra points to give the Owls a 24-6 advantage.

On the first play of the fourth quarter, Strange ran 50 yards for the final score of the evening. Marvin Self's kick was no good, and the final score of 32-6 was made.

The Owls fired a short kick at Groom, which was recovered by Roger Younger, and had penetrated to the Groom-15 and to their 8-yard line before the game ended.

Baptist Revival Begins Sunday

Revival services open at the First Baptist Church in Silverton at 11:00 a.m. Sunday, with Evangelist Mickey Warlick of Plainview preaching.

Services will be held Tuesday through Friday mornings from 7:30 until 8:00 o'clock. Coffee and donuts will be served each morning beginning at 7:00 o'clock.

Evening services will begin at 8:00 o'clock each day except Friday, when they will begin at 6:30 p.m. in order to be over before ball game time.

Revival music will be directed by Murry Vise, Jr., a native of Tulsa, who is presently serving as music and youth director of the First Baptist Church in Slaton.

Evangelist Warlick attended Hardin-Simmons University, where he played football. He pastored several churches in Texas prior to entering full-time evangelism over two years ago.

"Everyone is invited to hear these outstanding men," said Rev. C. H. Murphy, Jr., pastor.

4-H Banquet To Be Held Saturday

Members of Briscoe County 4-H Clubs and their families are invited to the annual Awards Banquet to be held at 8:00 p.m. Saturday, October 3, in the Silverton School Cafeteria.

Outstanding 4-H members and leaders will be recognized for their accomplishments during the 1969-70 year. Climax of the evening will be the announcement of the winners of the coveted Gold Star Award. This is the highest award a 4-H member can receive on the county level, and is awarded to the outstanding boy and girl 4-H member each year.

Each family is asked to bring a large salad, a serving spoon and a pie.

Bake Sale To Be Held Here Saturday

A bake sale will be held at Bud's Grocery and Market in Silverton on Saturday, October 3. It will be sponsored by the WMC of the Assembly of God Church.

TB Tests To Be Given Students Here

Tuberculosis tests will be given students in the first and seventh grades, new students and others desiring it beginning at 9:00 a.m. October 16, in the Silverton School Cafeteria.

The clinic will be under the sponsorship of the Public Health Service, local school and clubs.

Dance To Be Held Saturday Night

Silverton's Young Farmers will sponsor a dance Saturday night, October 3, on the concrete slab

Win Honors In Appaloosa Show

Nanette and Suzette Fitzgerald entered Appaloosa horses in the youth show at the Tri-State Fair in Amarillo last week.

Nanette, 13, riding F's Dimino Rip, took first place in the stake race with the time of 24.36, and first place in the barrel race with a time of 17.27.

Suzette, 12, riding Cheta Barbi, placed second in the stake race with a time of 26.60, and third in the barrel race, with an 18.17 time.

The girls' grandparents, Mr. and Mrs. Guinn Fitzgerald, showed two geldings which placed third and fourth in the Amarillo show.

at Silverton Elevators. Proceeds will go to the Rodeo Arena Fund.

Music will be by Tex Rhodes and the Texas Twisters. If the weather does not permit the dance to be held out of doors, it will be held at the Fire Hall.

Mrs. Clifton Stodghill, Mrs. Olos Chitty and Mrs. C. L. McWilliams were among the local volunteers who assisted with filling ditty bags to be distributed to servicemen over-

seas at Christmas time. The bags were made and filled with useful items through the donations of time, money and merchandise by local residents.

Wayne and Betty Stephens were pictured with the publicity award Silverton Young Farmers received at the Area I Convention in Hereford recently. Mr. Stephens was elected to serve as Area I reporter for the Young Farmers, and Mrs. Stephens was elected vice president of the Area I Young Homemakers.

CONTINUED FROM PAGE ONE

plane load of fans, cheerleaders, etc. had already flown out ahead of the players. Darrell Royal passed just a few feet from us, and Ken and David Lewis, who went to the game with us and is a great sports fan, moaned and groaned because they hadn't brought their programs from the car to be autographed by the Coach of the Number One team in the nation.

After the game at Groom last Friday night, Charles was visiting with the referees, one of whom was Billy Ray Webb of Amarillo, a brother of Bess McWilliams. He asked a question of the referees that could have left our school open to criticism: "What did you think of our team's sportsman-

ship?"
 The reply: "It was very good. I warned one player during the game and that was all there was to it."

Of course, we think the students in the Silverton Schools are the best in the whole world, but we love to hear other people say it, too! We are always glad to know that our young people are representing the school and the town in a sportsmanlike manner that brings credit to those involved in their upbringing.

You've heard the song "Sisters"? Well, this might be entitled "Cousins".

All this time I've been working so hard to keep Martin, Martin and Martin, and Culwell and Culwell properly identified in these sports stories and have tried to keep everyone posted on family relationships among the players, and now here this week I find one that I had heretofore missed! Not only are Marvin Self and Thomas Self and Roger Younger cousins—Mark Hutsell is their cousin, also. If you figure this one all the way out, you'll find that Flute and Junis were almost kin (by being kin to kin, etc.) before they married.

Then there's another Self (David, Thomas' brother) and two more Hutsells (Mark's brother, Scott, and their cousin, Ricky) playing in Junior High. Two more cousins are cheerleaders—Pam Hutsell (Ricky's sister) for the high school and Jill Hutsell for the junior high.

Terry Bomar and Ty McMurtry are cousins, and they have another cousin, Mike Griffin, playing in Junior High.

Terry and Craig Culwell are brothers, as are Stan and Dana Martin—but Derrel Martin isn't even their cousin—I don't think.

The list may go on and on—so many of the boys are from families that have lived here a long time.

Terry Bomar, Mike Grady, David Kellum, Alvin May, Mike Montague, Marvin Self and Bill Strange have something in common that they probably haven't even realized. I've heard some of their parents mention it, though. They are the youngest children in their families—the last to be involved in high school athletics here—and when they graduate and go away to college, it will be the first time that their parents haven't had a child at home.

That may not mean a lot to the boys, but it means a heap to their parents!

Local News

Mr. and Mrs. Charles Sarchet and Ken, and David Lewis visited in the home of Mrs. Betty Sue Skelton in Lubbock Saturday afternoon with Mr. and Mrs. H. F. Sarchet of Tulia, Mr. and Mrs. O. P. Simmons of Amarillo, Mrs. M. T. Cruce, Jerry and John Sarchet of Lubbock.

Mrs. Leo Fleming has taken her daughter, Scotti, to Amarillo for medical treatment three mornings this week.

They accompanied Mrs. Donnie Martin and Karen, who also had a doctor appointment, Tuesday.

From The County Agent's Desk

"We Care." That's what more than three million boys and girls across the nation will be saying during National 4-H Club Week, October 4-10.

Who are they? About 150 live right here in Briscoe County and approximately 90,000 are Texans, reports County Agent Jackie Johnson.

son. The 9 to 19 year-old youth do more than talk about caring. They show their interest and concern by working on community and county projects of many kinds. They take advantage of the opportunities which membership in a 4-H Club provides for them and then do their best in carrying out assigned responsibilities.

4-H Club members have long been engaged in problems aimed at making their homes and communities better places in which to live. The county agent and their projects help them learn-by-doing, including combatting poverty, malnutrition and the pollution of our environment.

The county agent noted that 4-Hers are enrolled in educational programs, the youth phase of the Texas Agricultural Extension Service, the aim of which is to give members basic training not only in their projects but in leadership

Helps Shrink Swelling Of Hemorrhoidal Tissues

caused by inflammation
Doctors have found a medication that in many cases gives prompt, temporary relief from pain and burning itch in hemorrhoidal tissues. Then it actually helps shrink swelling of these tissues caused by inflammation. The answer is Preparation H. No prescription is needed for Preparation H. Ointment or suppositories.

Teamwork Essential In 4-H Club Program

4-H Club work is a team program, and among its most important members, according to County Agent Jackie Johnson, are the local volunteer leaders who render yeoman service in the local clubs.

In Briscoe County approximately 30 men and women are now active in the 4-H program. They serve in many capacities, some are subject-matter leaders, others assist or coach judging and demonstration teams, but regardless of their assignments they have one thing in common: they have an abiding faith in today's young people.

Many of the adult leaders, Johnson said, are former 4-H members and are parents of present members. They share a common interest, seeing boys and girls advance through the opportunities available in 4-H, and move on into their places in the topsy-turvy world.

While there is a relatively good number of volunteer leaders, more are needed to adequately serve the young people. Any adult interested in joining the 4-H team can get full details on what is involved in volunteer leadership work at the county Extension office, which is located in the basement of the Briscoe County Court House. "We would be happy to see you," Johnson said.

and citizenship responsibilities as well.

Membership in 4-H is not limited to rural boys and girls. In fact, noted Johnson, a sizeable percentage of the Nation's total enrollment is made up of boys and girls who live in urban areas, many from the heart of our major cities. New project programs are being constantly added in order to interest youth who do not have the space nor the facilities to carry out farm related projects. Electronics, automotive, wood working, science, dog care and training, bicycling, money management, clothing, health and nutrition are among the many projects open to urban boys and girls.

Full details on what 4-H is all about and its training programs are available from the county Extension office, Johnson said. In fact, he added, any of the local agents would be happy to discuss 4-H programs with interested youth and their parents.

WHY DON'T THEY...?

Our priceless heritage embodied in the flag of the United States, is as alive today as it was when written for the ages in the Declaration of Independence and the Constitution. It stands for all the world to see and for all Americans to cherish. And in the tradition of Washington, Jefferson, and Hamilton, we, too, have a privilege, a right, and a duty. While we may disagree as to the methods, we should not disagree as to the goal - that of preserving the greatest democratic society the world has ever known.

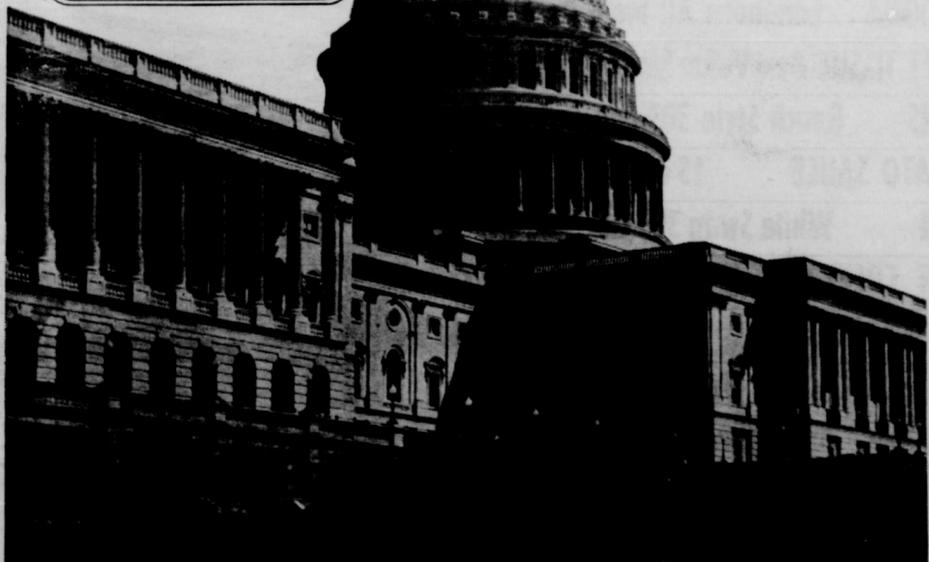

Our flag is a symbol, not of sentiment, but of history, the history of men and women willing to live and die for it. Surely this willingness is with us still, because daily we experience more of the blessings that are ours - ours because we are Americans.

Have you ever begun a question with the familiar phrase, "Why don't they?" - Especially in reference to the "powers that be" in our Nation's Capitol?

Within the next few weeks many candidates for a place in that select group will be working hard to convince the voters in their area that they are the best qualified to do the job that you, the voter, wants done. During this time, we, the people, will have the opportunity to listen to the candidates' opinions on the problems that confront us. By the time Election Day arrives, we will then be better educated for casting our ballots.

When our elected representatives begin their job in Washington we will all have a better knowledge, then, of why they vote the way they do. Take time from now till Election Day to study the candidates and then vote according to your convictions.

Warm Fresh Air

... direct from the manufacturer

Natural gas is the healthiest, most economical way to heat your house this winter. Gas is economical because it's the direct way to produce heat - you don't pay to convert heat to another energy source and then back to heat. And with gas you can afford to bring clean outside air into your home this winter instead of having to re-heat the same old stale air time after time.

So, if you're building or remodeling, be sure to specify gas heating. Gas is the "natural" fuel. It's like buying direct from the manufacturer. Call your heating contractor, plumber, or Pioneer Natural Gas.

PIONEER NATURAL GAS COMPANY

Junior Owls Take 8-0 Win From Turkey

The Junior High Owls traveled to Turkey last Thursday night, and earned an 8-0 win from the Junior Turks.

Silverton's scoring came on a 3-yard run by Scott Hutsell in the second quarter. His cousin, David Self, carried the two-point conversion.

Defense by Self, at nose guard, and Dean Ziegler, at end, was outstanding.

This week the Junior Owls travel to Wheeler to meet the Junior Mustangs in their first conference game at 6:00 p.m. tonight.

2-A GRADE SCHOOL FOOTBALL SCHEDULE

Oct. 1—Wheeler, there, 6:00 p.m.
Oct. 8—Memphis, here, 6:00 p.m.
Oct. 15—McLean, here, 6:00 p.m.
Oct. 22—Clarendon, here, 6:00 p.m.
Oct. 29—Claude, there, 6:00 p.m.
Nov. 5—Matador, here, 6:00 p.m.
Junior High coaches are Tom Wright and Pete Hubbard.

BIRTHDAY DINNER HONORS DICKIE SMITH HERE

Mr. and Mrs. Vinson Smith hosted a birthday dinner for their grandson, Dickie Smith, 2, in their home here Sunday.

Dickie is the son of Mr. and Mrs. James Smith of Guyton, Oklahoma, and has been visiting his grandparents here for a week.

Other guests at the birthday dinner were Dickie's maternal grandparents, Mr. and Mrs. John Kiser of Lubbock, and Mrs. Josephine Anderson.

Club Votes To Have Fund-Raising Projects

Century of Progress Study Club met Wednesday in the home of Mrs. George Long, with Mrs. Garland Francis as co-hostess, and voted to hold two fund-raising events this Fall.

Eighteen members answered the roll call with "A Favorite Youth Expression."

Mrs. Carl Bomar gave the devotional on a quotation from Mark Twain, "The public is merely a multiplied me."

Members voted to have a Pancake Supper on election night, November 3, and a Bean and Cornbread Supper in connection with a Bazaar December 5 in the school cafeteria. Favorite baked goods will be sold during the Bean Supper. Proceeds from both affairs will be used to help support club projects.

Mrs. O. C. Rampley, who attended the dedication ceremony at Girlstown U.S.A., reported that the autographed sidewalk section with the name of Century of Progress Study Club on it would be placed on the front walk leading to the street.

The club's meeting of November 25 was changed to November 17, due to the school Thanksgiving holidays.

Junior 4-H Club demonstrations were given for the afternoon's program. These included "Fire Prevention in the Home," by Susan Northcutt and Lesa Francis; "Civil Defense: Are You Ready For Tornado Season?" by Jeff Jones and Brent Bean; "To Breakfast or Not To Breakfast," by Lee Ann McMurtry.

Mrs. E. A. Birdwell and Mrs. John Gill will be hostesses for the October 14 meeting when the program will be presented by The Crescendos, of Quitaque.

Mason-Mercer Vows Exchanged in Dallas

Miss Debbie Mason became the bride of Mr. Joe Douglas Mercer in a single ring ceremony at seven o'clock Saturday, September 26, 1970. Vows were exchanged in Slaughter Chapel of the First Baptist Church in Dallas, with Rev. Melvin C. Carter officiating.

Given in marriage by her father, the bride wore a traditional floor length gown with floor length veil of illusion. Penny Appison of Tullia attended her sister as matron of honor and wore a floor length gown of turquoise green. David Brewster of Dallas served as best man. Ushers were David Denson of Anton and Bill Hartman of Adrian.

Daughter of Mr. and Mrs. Jesse Mason of Tullia, the bride is a graduate of Tullia High School.

The bridegroom is the son of Mr. and Mrs. Clyde Mercer of Silverton, and is a graduate of Silverton High School and of Computer Careers, Inc. of Dallas. He is presently employed as a computer operator for Great American Insurance Company in Dallas.

Immediately following the ceremony a reception was held in the church parlor.

Out-of-town guests included Mr. Clyde Mercer, Mrs. W. H. Tennis and Mrs. I. R. Douglas, Silverton; Mr. and Mrs. Jesse Mason and Mr. and Mrs. Appison of Tullia; Mrs. Gene Klein, jr., of Amarillo; Mrs. Elbert DuBose and Sabrina of Brownfield, and Mr. and Mrs. Norman Stevens of Fort Worth.

The couple is at home at 5118 Live Oak, Apt. 206, in Dallas.

MRS. DONNELL HONORED AT BIRTHDAY DINNER

A birthday dinner was held for Mrs. Cora Donnell, who was 89 on September 26, on Sunday, September 27, in the home of her daughter, Mrs. Agnes Bingham, in Silverton.

Food was prepared by a granddaughter, Mrs. Thelma Gidden of Amarillo, two great-granddaughters, Mrs. Joe Kitchens of Silverton and Mrs. Rusty Whitfill of Albuquerque, New Mexico, and Mrs. Bingham.

Present to extend best wishes to Mrs. Donnell were Mr. and Mrs. Arlon Donnell, Mr. and Mrs. Terry Donnell and two children, Shon and Ricky, Mrs. Glenna Kay High and son, Skipper, all of Dallas; Mr. and Mrs. Deane Donnell, Scott Gregory, Allan Dale and Jodie of Canyon; Gery Donnell and son, Wade, Mr. and Mrs. George Gidden, Rocky, James Kevin and De-niece, Mr. and Mrs. Dwayne Gidden and daughter, Tana, all of Amarillo; Mr. and Mrs. Rusty Whitfill, Dani Faye and Nicole, Albuquerque; Mr. and Mrs. Joe Kitchens and Jim Brooks.

The Donnells of Dallas spent Saturday night with Mrs. Donnell. Those unable to attend were the Judd Donnell and W. C. Donnell families of Las Vegas, New Mexico, and the Orville Turner family of San Antonio.

HUTSELL NOW STATIONED AT FORT POLK, LOUISIANA

SSG Joedell F. Hutsell has reported for duty at Fort Polk, Louisiana, following a 30-day leave with his parents, Mr. and Mrs. Clyde Hutsell. He is in the same battalion as Capt. Carol Davis, also of Silverton.

Sgt. Hutsell returned to the States recently following comple-

GRABBE BROTHERS RECEIVE DEGREES IN CALIFORNIA

Orlin Grabbe was one of 126 senior students to receive bachelor of arts degrees in the ceremony held at 4:00 p.m. June 5, in the beautiful Lower Gardens on the campus of Ambassador College in Pasadena, California. He is now employed as an assistant in the Journalism Department at A.C.

Lester Grabbe received a master of arts degree in theology and history in the same ceremony. He is presently employed in the Adult Education Extension Department at A.C.

Their brother, Crockett Grabbe, is enrolled for the Fall term at The University of Texas in Austin. He is a junior student majoring in chemistry, and posted a 3.948 grade point average for the summer term.

They are sons of Mr. and Mrs. Warner B. Grabbe of Silverton.

totally new ride system deliver greater smoothness, improved traction and sure handling. Add a responsive Olds Rocket 455 V-8, power steering, power front disc brakes, Turbo Hydra-matic—all standard on the front drive Toronado.

Delta 88. Warmest welcome ever to the big-car world. Power steering is standard. So are power front

disc brakes. And an impressive 124-inch wheelbase. It's all topped off with Delta 88's remarkable new "G-Ride" System.

The "G-Ride" System. An Olds exclusive—a combination of advances in chassis,

suspension, steering and all-new Super-shocks. You ride smoother, corner better, are less affected by stiff crosswinds. It's featured in every 1971 Olds Delta 88.

Pollution fighters. Every Olds engine is designed to cut emissions, run efficiently on no-lead, low-lead or regular fuel.

Double comfort. New Flo-Thru Ventilation features both upper and lower outlets for greater control, better air circulation.

Solid security. Side-guard beams are welded into the doors for protection. One of many Olds safety features for 1971.

Cutlass Supreme. Oldsmobile's "little limousine" places all-out elegance within

the reach of nearly every new car buyer! And does it so beautifully—with a classic profile outside,

deep comfort and luxurious appointments inside. If you're longing for elegance—and economy—you and Cutlass Supreme are made for each other.

Rauch Is Club's Guest Speaker Here

March of Time Study Club met in the PCA community room recently for a program on conservation given by Bob Rauch, of the United States Soil Conservation Service.

"The Power of Woman Power" is the club's course of study in this, its 41st year of service to the community. The chairman, Mrs. True Burson, presided over the meeting.

Mrs. Ennis Autry was in charge of the program. Roll call was answered with each member stating a conservation fact or her choice in the wide spectrum of the field of conservation. Mrs. Autry opened the discussion with the quotation: "This is our heritage, this that our fathers bequeathed us, ours in our time, but in trust for

the ages to be."

Mr. Rauch discussed "Problems of Conservation" in his lecture, using diagrams and photographs to illustrate his topic. "Ecology," he said, "is living organisms which affects life today, and conservation is the wise use of natural resources." The conservation program began in 1933 with most concentrated efforts directed toward silt and runoff, and with classification and remedies of soils. Some of Briscoe County's soil is good only for wildlife and some of the county's soil properties are slopes and have the ability to hold water.

Twenty-five years ago, Rauch's office of the SCS began to map this country extensively with a planned study of the soil to give department personnel and the operating farmer and rancher a basis for work.

Cropland comprises the lesser portion of the total acres in Briscoe County. "The dust bowl days have not been repeated because of the farmer," Rauch said. The usage of parallel terraces versus conventional terraces was explained with the rainfall holding capacity being cited as an advantage. Bench leveling practice on slopes was explained as well as field leveling which demonstrates short rows and new crops.

Rauch said, "Native rangeland comprises over 60% of Briscoe County. The mesquite is thicker now and although it uses 10 times the amount of water that grass does, it gives little forage. The most common eradication method for cedar in this county is bull-

dozing or chaining, and diesel or kerosene will destroy small mesquite." Native grasses are blue gramma and buffalo. The blue gramma is hardy, but shows characteristics of changing. The buffalo grass can be given a usage of 6% with very little harm—this grass has vigor as it has a root return, not seed return. In a balance against overstocking of livestock and draught, the grasses equal the economy of the land of the county, he added.

In giving the inventory of needs of conservation in Briscoe County, Rauch stated that "six out of every 10 acres need continued conservation treatment every year; 58% of non-irrigated cropland needs grass plantings or other practices; older terraces need to be redone and half of the irrigated land needs improvement in irrigation system.

"In consideration of recreation and wildlife, in the clearing of land, the roughest portions should be left for native wildlife—deer and sheep. Pheasant and quail habitats these areas as well as the acres set aside for them. Less than 5% of the population actually lives on the farm or ranch, and most farmers and ranchers practice conservation without the help or urging of the service office, with local men sitting on boards, committees, etc.

"Nature provided every need before man came along and upset ecology," Rauch said.

The next meeting, October 1, will be a visit to the Canyon Art Gallery.

Miss Anna Lee Anderson, hostess, served refreshments to Mmes. Autry, Burson, Tony Burson, Troy Burson, H. A. Cagle, T. T. Crass, Rex Dickerson, Morgan Evans, Coleman Garrison, R. L. Hill, J. S. Hinds, J. W. Lyon, Jr., Alvie Mayfield, Roy Mayfield, Fred Mer-

Ditty Bags Prepared For Servicemen

The Silvertown unit of the American Red Cross, with assistance from numerous local residents, have finished making and filling 25 ditty bags for distribution to servicemen overseas at Christmas. Mrs. Clifton Stodghill, chairman of the project, said that a Christmas card and more than \$6 worth of useful items were included in each of the ditty bags.

Mrs. Bern May, Mrs. Olos Chitty and Mrs. C. L. McWilliams assisted Mrs. Stodghill with filling the bags last week.

"We would like to thank everyone who assisted this project in any way," Mrs. Stodghill said. "So many have helped us. We have had money donated to buy items for the ditty bags and we have had so many things donated by merchants from their stock of goods. We appreciate your interest and help, and the time given by those who helped make and fill the bags."

LOCKNEY CLUBS HELD JOINT MEETING RECENTLY

The three federated study clubs of Lockney held a joint meeting Thursday, September 24, at 7:30 p.m. in the First United Methodist Church there.

Theme of the meeting was "A Better Me—Is Learning Together," and the guests for a round table discussion were Mrs. Robert Tipps of Morton, TFWC third vice president; Mrs. LeRoy Johnson of Morton, president of Caprock District; Mrs. O. C. Rampley of Silvertown's Century of Progress Study Club, Caprock District first vice

cer, Ben Whitfill and Floyd Williams.

LOCAL STUDENTS ENROLLED AT L.C.C.

Marsha Teeple, daughter of Mr. and Mrs. Ray Teeple, and Cynthia Sutton, daughter of Mr. and Mrs. C. L. Sutton, are enrolled as freshmen at Lubbock Christian College.

president; Mrs. Jack Aiken of Morton, third vice president of Caprock District; and Mrs. Earl Polvado of Morton, Caprock District Junior Director.

Mrs. Minnie Haynes has been a patient in an Amarillo hospital this week. Her daughter, Mrs. James Patton, has spent most of her time there with her.

BUSH TO BE GUEST AT HAMBURGER SUPPER

Candidate George Bush will be present at a hamburger supper in the Seventh Street Park in Plainview from 6:00 to 9:00 p.m. Saturday. Tickets are \$1.00 each, and are available in Silvertown from Mrs. Earl Jackson, or may be purchased at the supper.

In case of bad weather, the supper will be held in the old Heath building on Broadway Street. A band will play, and pictures will be made of Bush and those who meet with him.

Mrs. Jackson, the Bush-for-Senate chairman in Briscoe County, has also announced that absentee voter information is available from her by calling 847-4535.

Absentee voting begins October 14 and continues through October 30. Mrs. Jackson said that all persons, regardless of party or candidate preference, should plan to vote absentee if they plan to be out of town on General Election Day, November 3.

"It's important everyone participate in the general election," Mrs. Jackson said. "If we don't exercise this right, then we have few grounds to complain about the type of leadership and representation we receive in Washington and in Austin."

YOUR NEWS IS IMPORTANT!

The news about what you and your family are doing is an important part of your local newspaper. But the publishers of the Briscoe County News don't know about your news until you tell them.

Whenever you have news for your hometown paper, please call the News Office, 3381.

Both girls are 1970 graduates of Silvertown High School. Miss Teeple is an elementary education major, and Miss Sutton is majoring in home economics education.

Lubbock Christian College is a small, private, senior college offering BA and BS degrees in 16 majors and has a 25% increase in enrollment over last year.

Terry Do-Tell

Parents, do you have trouble communicating with your children? Children, do your parents not understand you? The explanation to these questions is usually the "Generation Gap." Maybe if the parties on both sides of the opposing teams would forget they ever heard of such a thing, there wouldn't be a problem.

In the old days there wasn't any television or radio to fill their spare time. Everyone sat around the living room and discussed the events of the day, and any problems they might have. Today, everything is rush, tension, meetings and the pressing problems of the world. Parents say: "The kids of today don't face reality. We parents are faced with money problems, business deals, the Vietnam war, just to name a few, and you come to me griping about your little problems." Parents don't have time for the children, so they stick the title "Generation Gap" to the fact that they don't ever talk to or can't understand their kids. Some parents just think there is automatically some problem between their children and them, "because everyone has problems." So they don't even try to get along with their children. I think some parents are afraid to talk to their children, to hear their ideas, and to discuss the real problems of the youth. Our problems might not be nearly as important as those of adults, but they're just as real and threatening to us.

I can't put all the blame on parents. There are some teenagers who wouldn't try to get along with their parents just because "it's not the thing to do today." They consider their parents as "uncouth ole fogies." I say they've been there and I haven't, so that's a mark in their favor.

Both the children and parents have to work on their relationships with an objective attitude, patience and love before the "Generation Gap" will ever be closed.

Shorthand Class Enjoys Visit From A Secretary

Mrs. Tena Williams Mattheus, a 1965 graduate of Silverton High School, spoke to the shorthand class on Friday, September 25.

Mrs. Mattheus asked the girls to tell the group what their mental picture of a secretary was and what duties they would expect to be asked to perform. After a lively thought-provoking discussion, she told them some of her own personal experiences.

She related the events of her first day on the job and told them that she made so many mistakes in typing up her first dictation that she secretly took all of the wasted paper home with her. She was afraid that the boss might see it if she put it in the waste basket.

She told them that her first job was as a secretary at Washington National Airport for the Washington, D. C. branch of Dallas Airmotive Incorporated. The girls enjoyed hearing several unusual experiences that occurred during her stay there. Her work enabled her to come in contact with such celebrities as Bob Hope, Roy Rogers, former President Lyndon B. Johnson, and the millionairess, Mrs. Post, of Post Enterprises.

In addition to her routine secretarial duties, she was asked to perform such duties as making coffee upon entering the office in the mornings, dusting the office (including the model airplane collection that belonged to the boss), watering the potted plants, and acting as hostess to visitors to the firm.

After staying in Washington, D. C. for almost a year, Mrs. Mattheus was transferred to the Dallas Branch of the same company where she worked until recently. She and her husband, Ray, have moved to Groves, Texas, where he is employed by a company that makes frozen soft drinks.

Lunchroom Menu

THURSDAY

TUESDAY

Beef stew, green salad, crackers or bread, butter, fruit

WEDNESDAY

Pinto beans, weiners and saurkraut, cornbread, chocolate cake

SILVERTON SCHOOL LEADERS ATTEND AUSTIN CONFERENCE

Mr. O. C. Rampley, Silverton School Superintendent, Mr. Pat L. Northcutt, President of the Board of Trustees, and Mr. G. W. Lee, Board member, attended the 1970 Joint Annual Convention of the Texas Association of School Boards and the Texas Association of School Administrators held in Austin on September 27 and 28. The men flew to Austin with Mr. Lee in his private plane Sunday afternoon and returned to Silverton Monday afternoon.

The joint session was designed to provide information and inspiration to local school leadership. The Convention was dedicated to the philosophy that teamwork by local citizens and professional educators in developing and administering the public schools is a sacred trust requiring the best efforts of all participants.

The 1970 Convention featured outstanding speakers, discussion groups, a commercial exhibit of products, materials and services for schools, an exhibit of Texas school architecture, and the annual business meetings of the two sponsoring organizations.

One of the speakers for the sessions was Governor Preston Smith, who is married to a former school teacher. He has been active during his 20 years of public service in promoting improved public education on the state and local levels.

During the recent 61st Legislature, he signed 116 bills aimed at upgrading the quality of public schools in Texas.

On The Sideline

with Brit Parker

I've never seen support like we've got this year. I know we would have a lot of people on a fine day, but we had a lot in bad weather. More people from Silverton turned out to watch the game than were there from Groves. That is support-and-a-half.

The mighty Owl did it again! He led us to our third victory in a row. We won on a combination of teamwork, leadership, and team spirit.

In this victory the Owls racked up a total offense of more than 400 yards. Also there were two long plays of 45 and 50 yards that resulted in scores. You know, the linemen are responsible for a lot of these runs and yards gained. They spend their time in the trenches of battle, fighting to keep the opposition from smothering our backs. The backs break some tackles and make some fine runs, but without the linemen, they would never get across the line of scrimmage.

The backs also performed well. They followed the line's blocks well and turned on the speed when they reached open ground.

Just like the Coach, I think that we have a fine team this year.

We have a tough game coming up at Petersburg this Friday. All this week the guys will be getting ready. Like the Coach said about our dressing room—there are 34 people down here that know we can beat the Buffaloes. We have 26 players, 5 managers, and 3 coaches who want to win. With all of you other people behind us, the number really grows. So all of you keep up the good work and I'll see you at Petersburg. This is the last game on the road for a while, and the Owls will return home. Come and see the game!

SILVERTON SCHOOL HOMECOMING POSTPONED

Due to the delay in completion of the remodeling of the high school building, it was not possible to hold the 1970 Silverton School Homecoming in August at the regular time set for it.

At a recent meeting of the Homecoming Committee, it was decided that it would not be feasible to continue plans for the 1970 Reunion. After much discussion and speculation as to whether or not people would be able to attend a Homecoming if it were held next spring, it was decided to set the new date for August 14, 1971. At that time it will be decided whether to have a 1972 Homecoming, or to wait another three years to get back on the even-numbered year schedule.

At the present time, some areas of the building are still incomplete. The auditorium was left until the last and it is not yet available for use. The painters are still at work and the curtains will not arrive for at least two more months.

Many people were disappointed this year and wondered why the Homecoming was not held. Chairman Troy Burson and others on the Homecoming Committee waited as long as possible before making the decision to postpone it until next year. The delay was unavoidable, but it was felt that everyone would enjoy seeing the new school facilities next year when the new Junior High will also be completed.

The Typing Service has mailed out letters to the ex-students and teachers whose addresses are in the files. If you do not receive a letter in the next few days, please send your correct mailing address to Troy Burson, Box 722, Silverton, Texas 79257, so that you will receive further communications.

S.C.S. ADDS COW BELLS

by Sharon Jarrett

The Student Cheering Section (S.C.S.), formerly the Pep Squad, met Friday, September 25, and decided to use cow bells in addition to the red and white flags.

Local fireman E. W. Yancey said that due to the wind, the fire could have done a lot more damage had it not been brought under control so quickly.

CORRECTION

Rhonda Dickerson is the new FBLA treasurer this year. This was reported in error in last week's FBLA News. Sorry, Rhonda.

THE OWL'S HOOT

Cheerleaders Attend Pep Rally

Silverton High School's cheerleaders represented SHS Friday, September 25, at a Pep Rally at Tascosa High School in Amarillo.

Attending were Pam Hutsell, Jana Cross, Paula Montague, Lanis Davis and their adult sponsors, Mrs. LaGrone and Mrs. Herring.

Purpose of the trip was to get ideas for the SHS Pep Rallies. The Silverton group was introduced to the THS student body, and reported a very nice time.

Fire Drill Held Here Last Week

A fire drill was conducted in Silverton High School at 2:00 p.m. Wednesday, September 23. It was the first fire drill of this school year.

Mr. Souter reported that all the students of SHS were out of the building and in their designated places within one minute and seventeen seconds. The drill was an unobstructed one.

Mr. Souter expects a better time record for the next fire drill. If you are not familiar with the bell system, these are the fire drill signals:

- 3 bells—beginning of a drill
- 1 bell—halt
- 3 bells—return to building

TSTA Unit To Meet Tuesday

The Briscoe County Local Unit of Texas State Teachers Association, District XVI, will hold its first meeting of the 1970-71 school year at the City Cafe on Tuesday, October 6, at 7:30 p.m.

Richard Souter, president, has announced that this will be a dinner meeting. Speaker for the evening will be Jackie Newton, educational director for the First Baptist Church in Tulla.

All teachers and administrators from the Silverton and Quitaque schools are expected to be present for the meeting.

'Fighting Owl' Towels Presented to Players

Each week two red towels with "Fighting Owl of the Week" written on them are presented to two football players. The coaches decide who will get the towels.

The first week, the towels were given to Dana Martin and Roger Younger. Last week, the towels went to Bill Strange and Alvin May.

The boys keep and use the towels all week, then they are given to two more players the following week.

Fire Controlled

Thursday afternoon, September 24, at about 4:15, some empty shipping cartons were being burned on the vacant lot across the street from the school. The wind was blowing from the south, and the roof of an unhabited house north of the area caught fire.

The fire department was quickly summoned, and within four or five minutes all flames were extinguished. The burning of about a 6'x6' square on the roof accounted for the only real damage.

Local fireman E. W. Yancey said that due to the wind, the fire could have done a lot more damage had it not been brought under control so quickly.

CHEERLEADERS CHOSEN
by Ellen Thomas
Cheerleaders for the Powder Puff Football Game were elected

LIBRARY IMPROVEMENT IS FOR THE STUDENTS

We began this school year amidst minor pandemonium as the finishing touches were added to our building. With only Rudi and Homer still busying themselves with the plumbing (with an occasional pit stop in the TEACHER LOUNGE), classes have been conducted smoothly.

Physical improvement of our school has created a classroom environment that is conducive to a better teaching and learning process. There has been no lack of emphasis on the library. To the contrary, the administration has gone to great lengths to accentuate the use of the library. With the added space, new tables and chairs and the selection of an interesting cross-section of reading material, the students have a wonderful opportunity to expand their knowledge through casual reading. The added interest and help of the Century of Progress Study Club is an expression of the community's interest, for the club provided us with 365 books. Because of the rapid pace of our society and world, we are hard put to maintain an awareness of the important state, national, and world events. We are fortunate in having a comprehensive collection of periodicals to help the students keep abreast of the current events.

The Coaches Corner

by Coach Stovall

I thought the support by all of you fans was real fine. The stands were filled on our side and there were even a few people walking the fence. This was real fine considering the cold and wind.

Once again we had a real fine team effort. All of the boys were playing OWL football, not individual ball. Even though we had several outstanding plays by individuals, as a whole we were a team.

We are especially proud of the defensive team. They allowed only four first downs in the first half. The team came back inspired in the second half and allowed the Tigers two first downs. The Tigers were allowed a total offense of over 100 yards. I'm not sure of the exact figure, but they did not make much over this.

Our team effort really showed up in tackling the opposing ball carriers. Several Owl players got in on the largest percent of the plays. This shows team effort at a peak. I speak a lot of the team effort, but this is the name of the game. We must have a unit in order to win.

Last Friday night we had a little trouble with our offense the first half. The boys couldn't seem to get the ball moving the first few times we had possession. We were down at the half but came back and broke the game open.

We have a tough game coming up this Friday. Both teams are undefeated, but only one can emerge the winner. With the type of team we have, we can beat Petersburg. If the boys are playing the type of game they are capable of playing, we will come out on top.

F.B.I.A. Inducts New Members

by Terry Jones

The Silverton chapter of Future Business Leaders of America met September 24 to conduct the induction ceremony for new members.

Taking the oath were Rodney Jackson, Micki Jasper, John Minyard, Eddie Baker, Darrel Rogers, Greg Garcia, Stan Martin, Derrel Martin, Mark Hutsell, John Burson, Debbie Cantwell, Freeda Henderson, Amy Birdwell, Ramona Martin, Elaine Johnston, Kaedeann Bomar, Rita Anderson, Joan Cross, Jana Futch, Rhonda Sutton, Pam Hutsell, Louise Croft, LaNell Stephens, Jo Ann Polley, Nicky Long and Alan Grimland.

Refreshments were served by the senior girls, with Mr. Rampley and Mr. Souter leading the line to be served.

Salute To The Owls

The Owls have done a great job the past three weeks. They have worked together as a team, and this is essential in order to have a good ball club. The boys have a lot of spirit and they have made up their minds to win district. This group of boys is determined to make something of their team this year, and they have certainly been doing a good job.

The team is one of the best teams we've ever had because the boys who are playing are the ones who really want to play and who really care about football. When you've got players like that, you are bound to have a good team.

Keep up the good work, Owls; go out there and BEAT PETERSBURG!

September 28, 1970.

They were: Jon David McDaniell and Jim Davis, seniors; Terry Yancey and Ronny Vaughan, juniors; John Burson, sophomore; and Butch Brannon, freshman.

Praising our library is incomplete if no mention is made of the students. Since the library serves both the high school and Junior high school, there is a great deal of traffic in this one particular room. The students have thus far been quite respectful of the quiet nature characteristic of a library. The books have been handled with care and returned in good condition.

I'm happy to see that SILVERTON HIGH SCHOOL students have made such an extensive use of our library. There is evidence of interest by some students who, in the past, have not had the desire for reading. The library is for the students' use and they are using it.

Junior Class News

by Terry Jones

With Madame President Dorothy Yancey ruling with an iron hand, the Junior class met Wednesday, September 23. Theme for the Junior - Senior Banquet and a game play were selected.

Cheerleaders for the Powder Puff Football Game were chosen. For the Red Team, Ronny Vaughan was selected, and Terry Yancey was unanimous choice as a cheerleader for the White Team.
