Happy Takes Win From Silverton, 40-7

by Mary Ann Sarchet

It was a very cold, windy, rainy evening when the Owls hosted the Happy Cowboys for a battle between two former Class A district rivals...

The Owls kicked off to the Cowboys, who ran three plays and punted to their own 46. On the first play from scrimmage, Marvin Self ran 54 yards for a touchdown...

Late in the first quarter, the Owls made a first down on the Happy eight-yard line on a run by David McCoy. Carries by Self, Carl Gallington, Craig Culwell and Dana Martin resulted in a gain of only seven yards...

This time the Cowboys penetrated to the Silverton-15, fumbled and recovered the ball, but saw the ball go over on downs. With less than a minute remaining in the first half, Derral Martin recovered a Cowboy fumble on the Silverton-40...

The Owls opened the third period by kicking off to the Cowboys. On first down, Bill Pearson ran all the way to the Silverton-9 before being overtaken from behind by Dana Martin...

The Owls ran the kickoff out to their own 31, and Craig Culwell picked up a first down on the Silverton-45. Then the Owls fumbled at midfield and the Cowboys recovered...

The Owls ran the ensuing kickoff out to their own 27, and on second down a pass from Dana Martin was intercepted by Cole at midfield and carried back to the Silverton-43...

Silverton's B-Team Owls had their game with Nazareth cancelled Saturday morning. Coach of the Nazareth Swifts telephoned Coach Eugene Jennings at 4:00 a.m. Saturday to cancel the game due to the fact that their bus had broken down...

Top 4-H Horsemen to Participate in State

Two 4-H Club members from Silverton will be among 400 of the state's premier junior horsemen who will compete in the State 4-H Horse Show to be held September 23-25 in the Will Rogers Memorial Coliseum in Fort Worth.

The two local 4-Hers who will be participating in the state-wide event as part of the District 2 team are Ken Wood and Nanette Fitzgerald, who qualified at the District 4-H Horse Show in Tulia last July. Ken will enter Western Pleasure and Reining, and Nanette will enter the Barrel Racing and Pole Bending classes. Each will also compete in their appropriate halter classes and will be trying for a showmanship award.

The special events of drill team and cutting horse competition, English pleasure and jumping will be held the first day, according to B. F. Yates, horse specialist with the Texas Agricultural Extension Service.

Eliminations in reining and in the other performance events will continue Saturday with all final competition slated for 7:30 p.m. An awards program will follow.

Judges for the annual event will be Frederick Harper from New Jersey and John Holmes from Louisiana.

A special feature of the show will be a barbecue and awards program at 5:30 p.m. Friday, according to Yates. Highlights on the program will be the presentation of the State Champion 4-H Horse Demonstration team and the state and national winner in the 4-H horse program. Vicki King and Craig Smith of Nueces County will present their winning demonstration, "Implements of Control," and Mary Ann Ball of Dallas County, top winner in the 4-H horse program, will relate her experience from the National 4-H Club Congress.

COMMITTEES SELECTED FOR ANNUAL 4-H BANQUET

Committees have been named for the annual Briscoe County 4-H Achievement Banquet to be held Saturday night, October 9.

Genie Curry is chairman of the decoration committee. Others serving on that committee are Dorothy Johnson, Wilma Gill, Rosemary Perkins, Mrs. Keith Marshall, Lois Ziegler, Peggy Rowell and Georgia Vaughn.

Lanita Cantwell and Teresa Sutton are co-chairmen of the food committee. Also on the committee are Ima Nell Francis, Thada Fowler, Sandy Perkins, and Betty Reid.

Sandy Harris is chairman of the entertainment committee. Members of the committee are Anne McMurtry, Mary Ann Rauch and Sharon Jarrett.

Mary Ann Sarchet is chairman of the program committee, and serving with her are Junis Hutsell, Mary Jane Patton and Derral Martin.

Chairman of the clean-up committee is Eva Lou Younger. Serving on this committee are Helen Strange and Patsy Fitzgerald.

Mr. and Mrs. Phil Hubbard have moved to Silverton from Bridgeport. Mr. Hubbard has been working at the Fina station since his father-in-law, Bud Perkins, received a back injury on the job and has been confined to bed.

Witnessing the signing by Mayor H. B. Simpson of the proclamation of September 19-25 as Young Homemaker-Young Farmer Week in Silverton were Mrs. G. W. Chappell, president, and Mrs. Ken Cook, chapter advisor, Silverton Young Homemakers; and Monroe Gates, advisor, and Tobe Riddell, president, Silverton Young Farmers.

Three Traffic Accidents Reported

The Texas Highway Patrol investigated three accidents on rural highways in Briscoe County during the month of August, according to Sergeant Vernon Cawthon, Highway Patrol Supervisor of this area.

These crashes resulted in one person killed and two persons injured. The rural traffic accident summary for this county during the first eight months of 1971 shows a total of 20 accidents resulting in one person killed and 18 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for August, 1971, shows a total of 581 accidents resulting in 25 persons killed and 400 persons injured. This was 17 more accidents, 13 less fatalities, and 76 more injured than during July.

The 25 traffic deaths for the month of August 1971 occurred in the following counties: Wise, five; Gray and Potter, three each; Garza, Hale and Carson, two each; Baylor, Crosby, Montague, Briscoe, Castro, Randall and Roberts, one each.

Y-H Called Meeting Held in Perkins Home

On Tuesday, September 14, the Young Homemakers met in the home of Mrs. Tommy Perkins for a called meeting.

Purpose of the meeting was to plan the coming year's program of work. Such programs as "Citizenship," "The Art of Liking Yourself," "Pollution," "Litter," "Landscaping and Gardening," "Consumer Education," "MDAA" and others are scheduled.

Following the program planning, members made posters for the Young Homemakers - Young Farmers of Texas Week which will be September 19-25. Members present were Mmes. G. W. Chappell, Dwain Henderson, Joe Kitchens, Fred Minyard, Donald Perkins, Tommy Perkins and Wayne Stephens.

Floyd County Fair Queen Contest Is Saturday Night

A new Miss Floyd County Fair Queen will be crowned at the conclusion of a colorful pageant Saturday evening, September 25, in Lockney. The event officially brings down the curtain on the 18th annual Floyd County Fair.

Contestants from Lockney, Floydada, Silverton, Quitaque, Matador and Plainview took part in the pageant last year. This year's contestants from Silverton are Amy Birdwell, daughter of Mr. and Mrs. E. A. Birdwell; Kaedeann Bomar, daughter of Mr. and Mrs. Joe L. Bomar; Debbie Cantwell, daughter of Mr. and Mrs. Elton Cantwell; Paula Montague, daughter of Mr. and Mrs. Roy Montague; and Rhonda Sutton, daughter of Mr. and Mrs. Jack Sutton.

Reigning Queen is Miss Patsy Morgan of Plainview. First alternate last year was Pam Brandes of Lockney, and Jeanette Day of Matador, niece of Mr. and Mrs. Ware Fogerson of Silverton, was the second runner-up. Contestants were honored at a rehearsal and get-acquainted garden party Tuesday afternoon.

Preliminaries are to begin at 2:30 p.m. Saturday in the Fair Entertainment Building. Each of the girls is to appear in formal wear and present a talent number during the program. The entire group of candidates will re-appear that evening at 7:30 p.m. in the finals, and the top ten finalists will again present their talent numbers.

Visitors with Mr. and Mrs. Bus Wellman over the weekend were Mr. and Mrs. C. B. Nobles, Childress; Mr. and Mrs. Darrell Couch and family, Chula Vista, California; and Mr. and Mrs. Stanley Couch and family, Amarillo; Mr. and Mrs. Claude Weeks and family, Lubbock; Mrs. June Dyess, Seminole; and Sal Couch, Estelline.

O. C. Maples is a patient in High Plains Baptist Hospital in Amarillo to this week.

New Mail Service Program Slated

Postmaster Fred Strange, amplifying on a new mail service program recently announced by Washington headquarters, today identified local areas which are to receive overnight delivery of first-class mail originating within the Silverton, Texas area.

Postmaster Strange said areas contiguous to Silverton will benefit from the next-day deliveries under a new mail service goal announced by Postmaster General Winton M. Blount.

These areas, Postmaster Strange said, include the following sectional centers: Amarillo, Lubbock, Abilene and Wichita Falls.

Postmaster General Blount on August 26 unveiled the Postal Service's new goal of overnight delivery of local area first-class mail deposited by 5 p.m.

"The Postmaster General has pointed out that this program will affect more than half of all first-class letter mail sent in the United States," Postmaster Rice said. "So customers of every post office in the country will be benefiting from the new service goal."

Substantially more than half of the 52 billion pieces of first-class mail handled annually are for delivery in the city where deposited or in nearby communities. The areas outlined today are those within which next day delivery will be provided for ZIP-Coded first-class mail deposited by 5:00 p.m. on weekdays.

B-Team Game Was Cancelled Saturday

Silverton's B-Team Owls had their game with Nazareth cancelled Saturday morning.

Coach of the Nazareth Swifts telephoned Coach Eugene Jennings at 4:00 a.m. Saturday to cancel the game due to the fact that their bus had broken down and they had just gotten home from their Friday night varsity game.

Hand-up to be Held For Crippled Children

Cattle sale will be held at the Farmers and Auctioneers at 1:00 p.m. September 23 to benefit the crippled children at the West Texas Rehabilitation Center in Abilene. The horse sale will be held at 1:00 p.m. on October 2, and a sheep sale will be held at 1:00 p.m. on October 11 at the Coleman Auction in Coleman. The Chamber of Commerce of Silverton is sponsoring the Cattleman's Hand-up for Crippled Children. The Chamber will furnish further information on the project. The Chamber men are being asked to donate a calf or calves—any breed will be accepted—cattle, sheep or goats. The livestock will be collected at a designated point in each community. At the sale, a receipt will be given to each donor for the value of the animal or animals. The livestock will be transported to the auction locations. Donors' brands are to be marked on permanent display in the Chamber building on the walls of the Chamber in Abilene. The Chamber is a private, non-profit organization which began operations in 1963 with 17 young patients. At that time, well over 16,000 patients have been admitted. Treatment is provided at the Center without regard for race, color or financial circumstances. There are no geographic restrictions and patients come from an area widening to benefit the Center's broad spectrum of diagnostic and therapeutic programs. Patients at the Center are afflicted with cerebral palsy, muscular dystrophy, polio, crippling arthritis, language disabilities and other disorders. If you will help, please contact the Chamber today.

Amendment To Hall of Fame Proposed

A Constitutional amendment to the Briscoe County Hall of Fame law has been proposed by U. S. Representative Graham.

"Unless this step is taken," the Texas Democrat stated, "the Hall will see the irrevocable destruction of the world's most effective educational system—the neighborhood schoolhouse."

Mr. Purcell's amendment, if ratified, would prohibit the forced busing of children to schools outside their neighborhoods. "All that we're seeking is the best education possible for every child in the United States regardless of their race. Shuffling youngsters from one school to another only hinders the course of their fundamental education. It seems to be the only self-defeating program anyone ever dreamed up."

Congressman Purcell insisted that the emphasis should be turned instead to an improvement of the educational quality of public schools. The proposed amendment would also require the government, from federal to local levels, to concentrate available resources on substandard schools.

Earlier last month, Purcell announced his intention to prepare a Constitutional amendment providing for the "eventual" restoration of order from the chaos which has completely ignored the victims—our school children.

While contradictory and confusing statements have come from the White House," Purcell concluded, "the President has refused to take the action he alone can take by instructing his Secretary of Health, Education and Welfare to take the only action left." Congressman Purcell offered his proposal upon the reconvening of Congress following its just concluded month-long recess.

Wayne Mayfield has been a patient in the intensive care unit at St. Anthony's Hospital in Amarillo after undergoing open heart surgery. Mrs. Mayfield and the children Wayne Mayfield have been at the hospital around the clock since his surgery.

Sunday guests of Mr. and Mrs. Larry Miller and Avonna were Mr. and Mrs. A. H. Phillips and Mr. and Mrs. Leonard Womack of Amarillo.

Baptists Plan Revival September 22 - 26

Carlos McLeod and Ed Wittner will be leading revival services at 7:00 p.m. daily, September 22-27, at the First Baptist Church in Silvertown.

Rev. McLeod, a former pastor of the Silvertown church, is presently serving as pastor, and Mr. Wittner is minister of music and youth at the First Baptist Church, at the First Baptist Church in Plainview.

Rev. McLeod was born in Farmersville, Texas, on November 17, 1928 in Farmersville. Rev. McLeod's family consists of his wife, Bonnie, and three daughters: Ann, 19; Gale, 16; and Amy, 6. He was graduated from Farmersville High School in 1945, attended Howard Payne University in Brownwood and Texas Tech University in Lubbock, where he received his degree in 1953. He received his degree in 1953 from Wayland Baptist College in Waco, Texas. He was graduated from Southwestern Baptist Theological Seminary in Fort Worth in 1961. Rev. McLeod has been pastor of churches in Halfway, Dallas and Greenville, in addition to the Silvertown and Plainview churches.

Rev. McLeod is a trustee for the Amarillo Baptist Association, and is a member of the Texas Welfare Commission of the Baptist General Convention of Texas.

Mr. Wittner was born in Waco, Texas, on October 10, 1929. He is the son of a Baptist preacher and spent his boyhood days in New Braunfels, San Antonio and Alpine. He graduated from Baylor University in 1951.

Mr. Wittner served the Golinda Baptist Church near Waco and the First Baptist Church of West Plains during his college days.

He married Merle Davis of West Plains on March 3, 1951. They have three children: Eddie, 18; Robbie, 15; and Danny, 11.

Mr. Wittner served as minister of music and education since September 1951 in Baptist churches in Pease, Monahans, Lamesa, Vernon and since August 1966 has served the First Baptist Church in Plainview as minister of music and administration.

DISABLED VETERANS MAY BE ELIGIBLE FOR FREE AUTO LICENSE PLATE

Certification of Texas veterans disabled 70% or more for qualification to receive free license plate for one auto will be done by the Veterans Administration, according to Jack Coker, VA Regional Director at Waco.

VA records show 14,150 Texas veterans are 70% or more disabled.

Eligible veterans should act now to establish their claim for this state benefit approved by the last Texas legislature, Coker emphasized. Texas motor vehicle authorities must have the request by October 1, 1971, in order for the veteran to qualify to receive his free 1972 license plate.

Forms for application have been distributed by Texas officials to VA offices, Texas Veterans Affairs Commission county service officers, Tax Assessor-Collector offices and Texas Motor Vehicle District offices.

Since this is a new state benefit Texas officials do not know which Texas residents qualify, so it is the responsibility of each veteran who has a 70% service-connected disability to make application.

Coker expressed concern that so far the Waco Regional Office has received only 1,700 applications

for VA verification.

Coker noted that eligible veterans should obtain their form, complete the veteran status part and send it to 1409 North Valley Mills Drive, Waco, Texas 76710. The VA will certify the degree of disability and return the form to the veteran applicant. The veteran then tenders this certified form to the Texas Motor Vehicle Division with one dollar for handling and mailing. The dollar should not be sent with the form to the VA.

Since several days of mail transmission to and from the VA and records checking by the VA will be necessary, veterans are cautioned not to wait until the last few days in September before acting.

Those attending a fish fry in the Joe McWaters home Monday evening were Mr. and Mrs. J. E. Patton and children, Mr. and Mrs. Jerry Patton and children, Mr. and Mrs. James Patton, Mr. and Mrs. Robert McPherson and Bobby, Mr. and Mrs. Bob London, Mr. and Mrs. J. L. West, Mr. and Mrs. Riley Joe Ziegler and family, Charles Grantham, Charles and Ken Sarchet.

Ladies Day Planned At Floyd County Fair

Ladies Day at the Floyd County Fair in Lockney will be September 24, from 9:30 until 11:00 a.m. and from 2:00 until 3:30 p.m. at the fairgrounds. Program chairman is Mrs. Chester Mitchell.

The morning program will include fondue ideas presented by Mary Holubec, Home Service Advisor for Southwestern Public Service Company, and a craft demonstration conducted by a representative of The Little Shop in Plainview.

On the afternoon program, Judy Park, Home Economist for Texas Agriculture Products, will present a food demonstration featuring Texas produce. Next on the program will be Mrs. Neil (Charline) Langley, assisted by Mrs. Nancy Morkel. Mrs. Langley will demonstrate flower arranging with the use of candies.

During the day piano music will be provided by Mrs. C. T. Record. Throughout the day, approximately 80 door prizes will be drawn. The drawings for prompt prizes will begin at 9:20 a.m. before the morning program and at 1:50 p.m. before the afternoon

Fair Housing Certificate Must Be Certified Before Transaction is Approved

In another step to insure fair housing, Donald E. Johnson, Administrator of Veterans Affairs, has announced in Washington, D. C., that all persons submitting offers to purchase VA-owned prop-

erties after September 1, 1971 must sign a certificate subscribing to fair housing before their transactions can be approved.

The applicant must agree that he will not discriminate for any reasons of race, color, religion or national origin, in any future sale or rental of the property being acquired, Johnson explained.

Information on this program may be obtained from any VA office, veterans county service officer, or local veterans service organization representative.

Caprice Coupe illustrated at Mt. Rushmore in South Dakota.

We want your new Chevrolet to be the best car you ever owned.

The best. No qualifications. No reservations. We want it to be the most beautiful, most trouble-free, most comfortable car you ever owned.

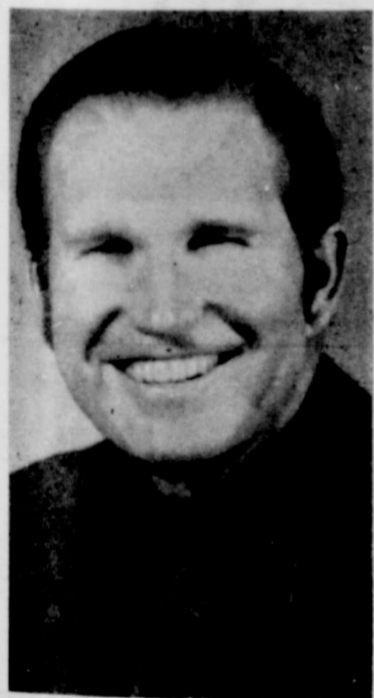

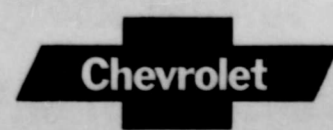

So we've given the 1972 Caprice (above) power steering, power front disc brakes, refined power ventilation and an improved front bumper to provide added front-end protection.

Plus a 400-cubic-inch V8 engine and Turbo Hydra-matic automatic transmission.

All standard, as you expect with a luxury car. And Caprice is but one of the new Chevrolets. There are 45 in all: pictured below (left to right) are the 1972 Monte Carlo, Chevelle, Nova, Camaro and Vega.

Altogether, a lot of diversity. So there's bound to be a Chevrolet just right for you, your family, your budget and your kind of driving.

Whatever your choice, we want your new Chevrolet to be the best car you ever owned. No less.

weather and the score, began vacating the stands.

The Owls took Cole's kickoff to their own 25 and ran three plays, being set for losses on two of them, and punted into the wind. The Cowboys took possession on the Owl-28, picked up a first down on the 11, then Cole went in from less than a yard out with 4:51 still remaining to be played. Cole's PAT kick was no good, and the score remained at 33-7 with lots of action yet to be seen.

Cole sent the kickoff sailing out of the end zone, and the Owls had a touchback at the 20. On second down, the Owls fumbled and the Cowboys took over on the Silverton-15. This time it took only five plays to score on a one-yard run by Hargraves. Cole kicked the PAT, and the final 40-7 score jelled.

Cole boomed the kickoff into the end zone, where it was downed by Craig Culwell, and the Owls had another touchback. Runs by Craig Culwell and Dana Martin gave the Owls a first down on their own 37, and Martin picked up another first down on his own 48. Craig Culwell picked up six yards and Marvin Self carried to

the Happy-45 as the final seconds of the game expired.

In the first-downs department, Happy made 20 and the Owls got only seven. Silverton was penalized four times for 25 yards, while the Cowboys had nothing stepped off against them.

The Owls fumbled four times, recovering one of them and losing the ball three times. Happy fumbled three times, losing the ball twice.

Each team passed once, with Happy's pass being complete for a touchdown and with Silverton's pass being intercepted.

Happy gained 283 yards rushing and 20 yards passing. The Owls gained 178 yards rushing (Self, 75; McCoy, 32; Gallington, 6; Craig Culwell, 45; Dana Martin, 20).

Happy now stands 2-0 for the season, having allowed only one touchdown to be scored against them and having scored 81 points. The Owls own a 1-1 record and will be hosting the Class B Groom Tigers at 8:00 o'clock Friday night.

Groom now stands 1-1 for the season after having defeated the Claude Mustangs 19-6 Saturday.

Junior High Owls Lose To Matador

by Mary Ann Sarchet

Silverton's Junior High Owls traveled to Matador Thursday night and suffered their second loss of the season, 36-0.

The Owls made a lot of mistakes and lost the ball twice on fumbles and once on an interception. The team rarely had the correct number of players on the field, the number ranging from eight to fourteen as the game progressed.

First first down of the game came on a pass from Quarterback David Strange to Brad Ziegler. Silverton was penalized 15 yards for a personal foul, and passes from Strange to Fernando Patino and Ziegler were incomplete. Strange had a pass intercepted by Matador on the Owl-43, but the play was nullified by an offside penalty against Matador. Next down, Strange's pass was intercepted at midfield. Matador made a first down on the Owl-37 and another on the Owl-15 before losing the ball via the fumble route on the Silverton 5-yard line.

Missing a first down by inches, the Owls punted to the Matador-39. Matador made a first down on the Silverton-25 and fumbled and recovered their own fumble as the first period ended.

Matador made a first down on the Silverton-8, scored a touchdown, but failed to make good the conversion run.

Later in the second quarter, Matador made a first down on the Silverton-38, fumbled, and Brett Gill recovered for the Owls on the Silverton-36.

Strange completed a pass to Gill for a first down on the Matador-36. Strange completed another pass to Ziegler before the Owls were penalized for being offside, fumbled and recovered the ball and were penalized for taking too much time. After an incomplete pass, Silverton punted to the Matador-30, from where the ball was taken all the way for a touchdown. Matador added a good conversion run and led 14-0.

In the third period, Matador and Silverton swapped offside penalties and Matador picked up first downs on the 50-yard line and on the Silverton-12. Matador was penalized for taking too much time and after good defense by Frank Cruz, the ball went over on downs on the Owl-10.

Silverton made a first down when Matador was penalized for a personal foul, and Silverton lost the ball via the fumble route on about their own 20. Matador made a first down on the Owl-12 before scoring a touchdown and adding a good conversion run. The score stood at 22-0.

Shortly before the third quarter ended, Matador recovered a Silverton fumble on the Owl-11, and early in the fourth period added another score and a good conversion run to lead 30-0.

Silverton was penalized for taking too much time, fumbled and recovered their own fumble. With only eight players on the field, Gill dropped back into the end zone to punt, it was blocked and Matador had possession on the Owl-5. From there it was easy for

the Matadors to score again, but the PAT run was no good, and the score remained 36-0.

Strange completed two passes to Ziegler before the game ended. Dayne Mayfield suffered a broken finger during the game, and a cast has been placed on his hand. Dorman McArthur received an injury to a finger in practice last week and hurt it again in the game. Both players have been starting linemen for the Junior Owls.

Matador made 13 first downs in the game, as compared with four for the Owls.

Silverton passed 12 times, completed five and had one intercepted. Matador did not throw any passes.

The Owls were penalized five times for 35 yards; Matador was penalized four times for 30 yards.

Silverton fumbled four times, recovered two and lost the ball twice. Matador fumbled three times and lost the ball twice.

Brad Ziegler and Ken Sarchet were appointed to serve as captains in the game. Last week, David Strange and Fernando Patino served as co-captains.

The Junior Owls travel to Turkey to try the Junior Turks at 6:00 p.m. today.

State Capital NEWS

by Bill Boykin

Texas Press Association
AUSTIN, Texas—A major court decision last week left up in the air the question of how Texas is to achieve a valid reapportionment act for both houses of its legislature before next year.

State Supreme Court agreed with an August 2 Austin district court finding that a House redistricting bill passed this year is unconstitutional because it unnecessarily split up 23 counties.

The decision left unanswered how the bill should be corrected or if it should be redone before 1973. Basic questions are these:

"Should House reapportionment and state Senate redistricting (left untouched by the Legislature) be the subject of an emergency special session?"

"Should the five-member constitutional Legislative Redistricting Board take on the job, since no valid reapportionment was

done by the Legislature in the first regular session after the 1970 census?

"Should the Legislature forget about reapportionment before the 1972 elections and wait until the 1970 census statistics are all complete and published?"

Gov. Preston Smith and Atty. Gen. Crawford Martin once more are on opposite sides of a controversy.

Smith says the Redistricting Board has the "duly constituted responsibility" under the constitution to redistrict, and a special legislative session on reapportionment would be unnecessarily costly.

Martin stated in a brief before the Supreme Court a special session "would seem the only correct possibility, but this, too, could become the subject of litigation."

A High Court ruling in another case challenging the Redistricting Board's authority may hold the key as to whether it can proceed, whether the Legislature must take over now or check the task until 1973.

A note of urgency is injected into the issue by the fact the Board is directed by the constitution to do whatever it is going to do by late October. Furthermore, legislative candidates appear to face a November 7 deadline for establishing residence in the district they choose to represent.

ANTI-POLLUTION PERMIT USED

Texas Air Control Board has put into operation a far-reaching construction permit system to help control and prevent air pollution.

Since August 30, any industry that will omit air contaminants into the atmosphere must get a Board permit before starting any construction. Similar permits are necessary to modify or change existing contaminant causing facilities.

Permits apply to specific, individual manufacturing processes,

bat field.

Many people ask Mr. Frank: "If the Zogi Revue is such a big and lavish production, why is it playing such a small city as this?"

That is a good question says Mr. Frank, and this is the way he answers it. During the past ten years, says Frank, thousands of theatres closed their doors due to the inroads of TV. The remaining theatres that have not been torn down and are still in operation have been altered, especially on the stage, to take care of the demands of a wide screen and super sound. In most cases these new installations are permanent and not mobile, and allow no room for stage shows of any size. In many cases, dressing rooms are now used for storage of supplies and equipment. There are still some theatres in large cities suit-

able for large production such as the Zogi Revue, but special permits to transport and unload equipment at their stage doors must be obtained from the city and transfer companies hired to bring the tons of equipment through the downtown city streets during the small hours of the morning, due to the ever-growing traffic problems. This has practically forced the few remaining road shows of any size to play the smaller cities and to play in civic centers and high school auditoriums, and in fact, most any place that will hold a large audience.

In spite of the fact that much special equipment must be carried to transform these auditorium stages into suitable areas for performing such an elaborate show, Mr. Frank feels that it is all worthwhile, since the show attracts large crowds at every performance, and the audiences get to see and hear a big city show. "That's show business," says Frank.

Our priceless heritage embodied in the flag of the United States, is as alive today as it was when written for the ages in the Declaration of Independence and the Constitution. It stands for all the world to see and for all Americans to cherish. And in the tradition of Washington, Jefferson, and Hamilton, we, too, have a privilege, a right, and a duty. While we may disagree as to the methods, we should not disagree as to the goal—that of preserving the greatest democratic society the world has ever known.

Our flag is a symbol, not of sentiment, but of history, the history of men and women willing to live and die for it. Surely this willingness is with us still, because daily we experience more of the blessings that are ours — ours because we are Americans.

MRS. VIOLA BLACK

Mrs. Viola Black of Dallas was one of 15 graduates from the John B. Chester School of Vocational Nursing in Dallas.

The vocational school of nursing is a one-year program. The graduation exercises were held at the Glendale Presbyterian Church at 7:30 p.m. on September 10, 1971.

Mrs. Black, mother of four children, is the daughter of Mr. and Mrs. Joe Gallington of Silverton, who were present at the graduation exercises.

Mrs. Black is presently employed by the Dallas County Hospital District, having been an employee there for nine years. She is awaiting the state board examination for her nurses license, and this will be in Austin in October.

Mrs. Black plans to take an extensive course in medicine at Parkland Hospital.

not entire industrial plants or complexes. Exceptions for minor contaminant-causing plans will be listed later. Applicants have 60 days after construction is completed to apply for operating permits.

HEALTH STUDY ON

New studies to find ways of meeting health service, staff and facility needs of Texas' rural population will be undertaken by the Research Institute for Systems Development at Texas A&M University.

The study will be conducted in the West Central Texas area, centered around Abilene which has both rural and urban characteristics typical of many regions.

Fewer than half of Texas' 492 hospitals meet federal medicare requirements for health and safety, so the project will focus on health facilities and services considered below medicare standards. Texas has more than twice as

many qualified hospitals as any other state.

APPOINTMENTS

Carl E. F. Dally of Houston and District Judge Tom G. Davis of Vernon are new commissioners on Texas Court of Criminal Appeals.

Six directors and two assistants to the executive office of Texas Parks and Wildlife Department were named this month. They are:

Roy T. Huffman, director of current operations; George H. Cook, assistant for legislative affairs; George C. Adams, assistant for land acquisition; Ron D. Jones, director of planning; John D. MacKlin, jr., director of personnel and administration; Richard A. McCune, director of information and education; Samuel W. Kendrick, jr., director of support services and Clayton T. Garrison, director of finance and data processing.

John D. Townsend has been named assistant commissioner for planning and coordination for the State Department of Public Welfare.

\$150 MILLION BOND ISSUE POSTPONED

University of Texas regents postponed until October 22 consideration of an overall plan for marketing the first block of \$150 million in bonds authorized for new college construction.

About \$30 million in bonds apparently will be sold by December. They are backed by tuition revenues. Money will go to build new institutions of UT at San Antonio, Dallas, Houston, Odessa and El Paso.

The bonds were authorized by the 62nd Legislature this year to build newly - authorized institutions.

DAM AUTHORIZED

In spite of opposition by landowners, Texas Water Rights Commission voted to permit construction of a dam on Martin's Creek

in Rusk County by three electric power companies.

Dallas Power and Light Company, Texas Electric Service Company and Texas Power and Light Company plan to build the dam 17 miles northeast of Henderson for a major power plant.

Landowners expressed fear the lake created by the dam would flood their pastures, destroy timber and prevent Martin's Creek from continuing to provide water for livestock. The companies pledged to try and prevent or mitigate damage.

D. A. STUDY PENAL CODE

District and county attorneys have launched their own committee study of needed changes in the penal code. They fought a sweeping controversial revision of the code during the legislative session this year.

District Attorney Tom Hanna of Beaumont was selected as chairman of the committee in the first meeting last week. Prosecutors indicated they prefer a simplified, "more responsive" new code to the version introduced in the 1971 Legislature which had been five years in the making.

SHORT SNORTS

Sen. Ralph Hall of Rockwall has promised an announcement for lieutenant governor September 23.

A young Arkansas woman, Sharon Roswell, 24, has just become a full-fledged member of a line crew for General Telephone Company of the Southwest.

Woman Pioneering As Phone Lineman

STUTTGART, Ark. — Another traditional all-male field is echoing to the first light footfalls of the American woman.

This time it's the rugged outdoor job of telephone lineman.

The pioneering female pole-climber is a 24-year-old Arkansan, Sharon Roswell, who has just become a full-fledged member of a line crew for General Telephone Company of the Southwest.

She is the first woman to work as a lineman in any of the more

than 30 telephone subsidiaries of General Telephone & Electronics Corporation. She also may be the first female to fill this job category in any telephone company in the United States and probably the world.

"We're confident that Mrs. Roswell will perform the lineman's duties in a fully competent manner," said Del L. Moore, Vice President, Operations for General Telephone of the Southwest, headquartered in San Angelo, Texas. "The work is demanding, and she isn't receiving any preferential treatment. However, she is well trained, physically fit, and very anxious to learn more about our business."

After working as an operator and a clerk for General Telephone of the Southwest for three years,

Area YHT Convention Held September 11

Area I Young Homemakers of Texas held their tenth annual convention at the XIT Restaurant in Muleshoe on Saturday, September 11. "Backtracking 1971 for Better Trails 1972" was the theme.

A luncheon was held prior to the convention, with a style show presented by Muleshoe merchants. Registration began at 1:00 p.m. with the Muleshoe Young Homemakers in charge. "Mod feet" name tags in various colors were used.

Mrs. Charles Weatherford, Area I President, Hereford, began the convention with the opening ceremony. Mrs. Jim Roberts, state officer, Dimmitt, gave the invocation. Secretary-Treasurer Mrs. Pete Laney, Hale Center, read the minutes and treasurer's report. Standing rules were read by Mrs. Robert Hunt, Second Vice President, Muleshoe.

Election of officers was next on the agenda. Mrs. Wayne Stephens, First Vice President, Silverton, introduced special guests. These were Mrs. Mary Roberts, South Plains Electric Co-op, Lubbock; Mrs. Pam King, Lighthouse Electric Co-op, Floydada, and Childress' Little Sister, Toni Key.

Guest speaker, Mrs. Ed Wittner of Plainview, spoke on "The Art of Liking Yourself." Highlights of her talk were: One must like himself before he can like others; Loving one's family, neighbors, etc. becomes much easier when one discovers he likes himself; Happiness is easier to give to others when he likes himself. Mrs.

Sharon recently concluded that the pole-climbing job would be an effective route toward moving up in the business.

"I decided that eventually I'd like to specialize in repairing switchboards and installing telephone systems for businesses," she said. "The lineman's job which pays more than my clerical one, looked like it would take me a big step toward my goal."

As a member of a line crew working in the Stuttgart area, Sharon climbs poles, lifts heavy objects, and operates construction equipment in all kinds of weather. She spends a substantial portion of her time on the telephone poles—about 20 feet up—stringing lines and doing repair work.

Like others in her crew, Sharon wears the lineman's traditional badge of office—the steel-spurred "climbers" which she plunges into the wooden poles to step skyward. The climbers, also known as "hooks", are belted to her heavy work boots.

An unusual item is her "good-luck" T-shirt emblazoned with a picture of the Fish—the Zodiacal sign for persons born between February 21 and March 21. Sharon, whose birthday falls on February 26, is an astrology enthusiast.

Special Activities Planned By Y-H

Silverton Young Homemakers met in the home economics department on Thursday, September 9 for the first meeting of their new club year.

Mrs. G. W. Chappell, newly-installed president, called the business meeting to order. Main topic of discussion was the Area I Young Homemakers Convention at Muleshoe to be held Saturday, September 11. Mrs. Dwain Henderson and Mrs. Fred Minyard were elected voting delegates from the Silverton chapter. Mrs. Chappell was to present a short speech on the club's programs and projects during the past year.

Wittner's husband is minister of music and administration at the First Baptist Church in Plainview.

Each of the Area officers for 1970-71 received Outstanding Leadership Awards. The Area officers presented each of their advisors with certificates.

Mrs. Jim Roberts, Dimmitt, installed the officers for 1971-72. They are: Mrs. Pete Laney, Hale Center, President; Mrs. Ronald Hill, Roosevelt, First Vice President; Mrs. Wayne Stephens, Silverton, Second Vice President; Marilyn Culpepper, Hereford, Secretary; Mrs. Kenneth Powell, Muleshoe, Treasurer, and Mrs. Charles Weatherford, Hereford, Parliamentarian. Mrs. Ima Dora Haile, Plainview, is Area advisor.

The closing ceremony was given by the newly-installed president, Mrs. Laney.

Those attending from Silverton were Mmes. G. W. Chappell, Dwain Henderson, Fred Minyard and Wayne Stephens.

Young Farmers Have Regular Meeting

Silverton Young Farmers met Thursday, September 9, in the ag building for their regular meeting.

G. W. Chappell is to check on the oxygen for the welding short course that the Young Farmers are to take. The motion was made and seconded to table discussion of the banquet until more information can be obtained.

Young Farmers volunteered to pay expenses to help set up the shooting range at the new location, if help is needed.

Young Farmers attending were Tobe Riddell, Fred Minyard, Calvin Shelton, Wayne Stephens, Doug Turner, Guinn Fitzgerald, Donald Perkins, Charlie Parker, Dwain Henderson, G. W. Chappell, Jimmy Myers, Robert Hill and Monroe Gates, advisor.

Wayne LaGrone has been a patient in Swisher Memorial Hospital.

beginning with church on Sunday. Flowers will be sent to each member's church. On Tuesday, September 21, the Y-H's are to take boxes of clothes and other items to Girlstown.

The club donated \$25 to the final payment of the X-ray machine.

The yearbook committee is to meet in the home of Mrs. Tommy Perkins on Tuesday, September 14, to complete the program of work for the coming year.

Refreshments were served to the chapter advisor, Mrs. Ken Cook, and to members, Mmes. G. W. Chappell, Dwain Henderson, Fred Minyard, Donald Perkins, Tommy Perkins and Wayne Stephens.

State Sen. Jack Hightower of Vernon was in the proverbial "right place at the right time" Monday, September 13 when the 1971 Miss America Phyllis George returned home from Atlantic City. Sen. Hightower was visiting with officials North Texas State University and dropped in on a camp "welcome home" reception for the Denton beauty.

Southwestern HDC to Have First Meeting

Southwestern Home Demonstration Club will meet September 23 at 2:00 p.m. in the home of Mrs. John Francis.

The program will be Candle-making.

Electrocardiograms have revealed that Cliff Allard did have a heart attack, and his physician has recommended that he remain in Swisher Memorial Hospital for another week.

GIFT OF KNOWLEDGE

Schooltime has rolled around again, and it is time to resume the never-ending process of learning. How lucky we are to live in a country where our children can receive the mighty gift of knowledge. Through their studies, they will learn what a great and powerful nation we are and the principles of their heritage. As they learn the problems that have been conquered in the past, they will be better equipped to solve the problems of the future.

Only a free and independent nation can maintain an educational system where our children can learn to use the full powers only knowledge can bring. Let's do a little more each day to KEEP AMERICA STRONG so that future generations may also receive the gift of knowledge.

It stands for all the world to see and for all Americans to cherish. And in the tradition of Washington, Jefferson, and Hamilton, we, too, have a privilege, a right, and a duty. While we may disagree as to the methods, we should not disagree as to the goal—that of preserving the greatest democratic society the world has ever known.

Our flag is a symbol, not of sentiment, but of history, the history of men and women willing to live and die for it. Surely this willingness is with us still, because daily we experience more of the blessings that are ours—ours because we are Americans.

CARD OF THANKS

We would like to express our appreciation for the cards, flowers and expressions of sympathy at the death of our father, John Fore.

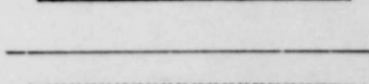

May God bless you all. Ed and Bob McDaniel and the Fore family

We would like to thank all of our friends that helped us while we were in the hospital, especially the ones who helped at the station. The phone calls, flowers, cards, the shower of birthday cards and gifts were all appreciated so much. May the Lord bless each of you in our prayer.

Again let us say "thank you" from the bottom of our hearts. Ted and Ruby Hester

Freezone is for corns that hurt.

Absolutely painless. No dangerous cutting, no ugly pads or plasters. In days, Freezone eases the hurt...safely helps ease off the corn. Drop on Freezone—take off corns.

THE LAND

THE LAND is one of man's most valuable assets - we think it is prime collateral. In the past 54 years the Federal Land Bank of Houston has made almost 200,000 loans on Texas farms and ranches.

In other words, we specialize in making farm and ranch real estate loans - long term loans with prepayment privileges.

See us today for full details, no obligation of course.
