Owls Lose First District Game To Memphis Cyclones, 35-7

☆ ☆ ☆ ☆ ☆ ☆

by Mary Ann Sarchet
The Owls lost their first District 2-A game to the Memphis Cyclones, 35-7, in a game marred by turnovers here Friday night. The ball changed hands 21 times during the game, eight times on punts, six times on fumbles, five times on downs and twice on interceptions.

But the weather behaved itself much better than it did for the Silverton - Memphis game last year.

To open the first quarter, Silverton ran three plays and punted to midfield. Memphis made a first down on the Silverton-27 in two plays, and on the fourth down in the second series of plays, QB Mike Browning passed to End Terry Wynn for a 23-yard touchdown. Browning kicked the extra point, and with 8:25 remaining in the first period, Memphis moved to a 7-0 lead.

Silverton made a first down on their own 34 after the touchback gave the Owls possession on their own 20, but the Cyclones interrupted this drive by intercepting a pass on the Silverton-39. Silverton's defense held and the ball changed hands on punts three times before the second quarter began.

Silverton made a first down, then punted; Memphis fumbled, and the Owls recovered on the Silverton-30. A pass from Dana Martin to Craig Culwell was good and would have put the Owls in good shape deep in Cyclone territory in spite of a personal foul against Craig Culwell out-of-bounds had the Owls not been in motion on the play. Silverton made a first down, then fumbled and the Cyclone recovered on the Owl-42. Memphis ran three plays and punted. Craig Culwell carried the punt from about the Owl-45 to the Memphis-26. Silverton ran three plays, fumbled and recovered their own fumble, and the ball went over on downs. Memphis made a first down on the Silverton-39, then sent Louis Davis on a touchdown run with 3:50 remaining in the first half. Browning kicked the extra point, and the Owls trailed 0-14.

Terry Culwell carried the short kickoff back to the Silverton-44. After a four-yard run by Craig Culwell, Silverton fumbled and Memphis recovered at midfield. Memphis mixed running and passing plays to move to the Silverton-4. Then Charlie Slaughter ran for the TD, and Browning kicked the extra point, and Memphis had a 21-0 lead with 59 seconds remaining to be played in the half.

Silverton ran the kickoff back to the Owl-40. Three downs netted the Owls only about a three-yard gain, and when a bad pass from center sailed past the punter, Memphis recovered the ball on the Silverton-9 with 13 seconds remaining in the second quarter. Browning passed to Larry Don Johnson for the TD and then kicked the extra point, giving the Cyclones a 28-0 lead with five seconds remaining on the clock.

Memphis received the kickoff which opened the second half, and made three first downs before punting to their own 49 after a long penalty. Silverton made two first downs, gaining to the Memphis-20 before the ball went over on downs. Memphis ran three plays, fumbling on the third, and the ball was recovered for the Owls by David Kellum on the Silverton-40. On first down, Jim Dixon intercepted a Silverton pass and ran for a TD with 4:44 showing on the clock. Browning kicked the extra point, and the Cyclones were ahead 35-0.

Memphis kicked off to Silverton, and got a 15-yard penalty back to the Silverton-43. On first down, Craig Culwell ran for an Owl TD and Marvin Self kicked the extra point with 4:28 remaining in the third quarter.

Memphis drove to the Silverton-8, in spite of 25 yards worth of penalties on the drive, before the ball went over on downs to the Owls.

The fourth quarter was packed with turnovers, with neither team a serious threat to the other even though Silverton ran 21 plays as compared with 13 for the Cyclone during the period.

The Owls ran 65 plays during the game, as compared with 74 for the Cyclones. Silverton gained 207 yards rushing (Dana Martin), 107 passing (Craig Culwell).

QB Club to Sponsor Chili-Bean Supper

The Silverton Quarterback Club will sponsor a chili and bean supper in the school cafeteria before the Silverton vs. Clarendon football game on October 29.

The club will also have sandwiches at the concession stand at the football game.

"We would like to thank everyone for eating at our concession stand last Friday night," a Quarterback Club spokesman said. "We are sorry that we ran out of food, and we promise to do better next time."

Junior High Owl Kent Holt suffered a broken leg during football workout Monday afternoon.

Mrs. Belle Olive and Betty visited with Mr. and Mrs. Gerald Trout in Mangum, Oklahoma on Monday night of last week.

Methodist Minister Dies In Accident

Rev. Woodrow Williams, 58, pastor of Quitaque and Flomot United Methodist churches, died about 11:15 a.m. Wednesday in an accident 13 miles northeast of Silverton on Highway 256, in the Schott Cap area.

Rev. Williams and Joe Henry Tiffin were shredding weeds along the highway right-of-way when a tree branch brushed Rev. Williams from the county mower and underneath it.

Rev. Williams assumed the pastorate of the Quitaque and Flomot churches last June. He moved to Quitaque from Cotton Center. Funeral arrangements were pending.

Blood Bank Will Be In Silverton Soon

Coffee Memorial Blood Bank in Amarillo has notified Mrs. Dee McWilliams that the Blood Plan insurance policies taken out by Silverton residents at this time last year are being extended through December 21, 1971.

On December 21, the Blood Bank personnel will be at the City Hall in Silverton to take blood donations and to renew the Blood Plan policies.

The Silverton Volunteer Ambulance Service, Inc. was organized as a non-profit corporation here Tuesday night during a meeting attended by approximately 100 citizens in the Pioneer Room at First State Bank.

Officers elected were Troy Jones, president; W. L. (Bud) Couch, vice president, and David Tipton, secretary and treasurer. Eight directors were also chosen. They are Don Cornett, Mrs. Carl Wayne Woods, Wayne Nance, Jack Robertson, Jerry Patton, Walter Bean, Larry Wilson and Charles Sarchet.

The City of Silverton and Briscoe County have agreed to contribute \$100.00 each per month to the new organization. Public donations are also needed to get the ambulance service into operation.

An ambulance is being donated by the Silverton Funeral Home and Irvin Boyd, owner, stated that he would see that the unit was gone over thoroughly to make sure it was in good condition. The insurance on the ambulance will be due November 8, 1971, the cost being approximately \$300 a year for liability insurance.

A first aid course will be held here soon in which volunteer ambulance drivers will be trained. Two trained volunteers will go on every ambulance call.

Officers and directors of the Silverton Volunteer Ambulance Service will meet again Monday, October 25, at 7:00 p.m. at the City Hall.

Children's Photo Contest Will Be October 26 Here

The annual Children's Photograph Contest conducted by Winston Lucas Studio of Irving, Texas, will be conducted here Tuesday, October 26. The photographer will be at the Briscoe County News office from 9:00 a.m. until 1:30 p.m.

There is no charge to the parents. There are absolutely no strings attached. Parents do not have to be subscribers of the newspaper to enter their children in the contest, and there is no limit on the number of children in a family who can participate.

No one is obligated to purchase pictures after they are taken. No charge is made for sittings. All of the children who have their pictures made will be featured in a later issue of the Briscoe County News.

Parents who wish to purchase additional prints may obtain a limited number by arrangement with the studio representative at the time when they select the pose of the child which is to be judged in the contest and which will appear in the local newspaper. Appointments may be had by calling 823-3381.

Mr. and Mrs. Jerry Patton, Mr. and Mrs. Don Cornett and Mr. and Mrs. Charles Sarchet attended a banquet sponsored by the Amarillo Chamber of Commerce at the Villa Inn in Amarillo Saturday night. Ken Sarchet joined the group in attending the W.T.S.U. vs. Northern Illinois football game in Buffalo Bowl after the banquet.

1971 Football Queen, Miss Jill Hutsell, daughter of Mr. and Mrs. Esdell Hutsell, was escorted by Marvin Self in the crowning ceremony held last Friday night. The Queen received the traditional autographed football helmet crown, a bouquet of red roses and a big kiss from Mark McArthur.

Pep Squad Beau Candidates Named

Last week the high school Pep Squad nominated candidates for Pep Squad Beau. They are Marvin Self, senior; Terry Culwell, junior; Craig Culwell, sophomore, and Scott Hutsell, freshman.

Each member voted by secret ballot for the candidate of her choice, and the Pep Squad Beau will be presented near the end of football season.

Mr. and Mrs. A. F. Copeland of Santa Maria, California, Mrs. Belle Olive and Betty visited with relatives in Mangum, Oklahoma from Saturday until Thursday of last week.

Hill Appointed License Deputy

Robert Haley Hill has been commissioned as a License Deputy for the fiscal year ending August 31, 1972, by the Texas Parks and Wildlife Department.

As a License Deputy, Hill will be authorized to issue licenses provided for by the game, fish and oyster laws of the State, and to collect the fees therefor.

Members of the Rock Creek Church of Christ enjoyed ice cream and cake after Sunday night services in the Lowell Calaway home.

be kept off the pasture for a few days.

"In severe cases, cows exhibiting symptoms when the veterinarian is called may be dead before he can arrive," points out Armstrong. "He will probably be able to save only those which are still breathing."

The veterinarian also urges farmers and ranchers to be on the lookout for nitrate poisoning that may occur during the late fall on winter pastures when there is a lot of cloudy weather.

"Under these conditions, the plants, instead of growing and changing nitrates into protein, just accumulate the nitrates," explains Armstrong. "Animals must also be taken off these pastures until the plants have had a chance to grow and convert the nitrates to protein."

The veterinarian added that the blood of animals that have died from nitrate poisoning will be chocolate brown while those dying from prussic acid poisoning will be cherry red.

Football Players, Coaches Raising Money For New Weight Machine

Silverton's school athletic department has undertaken a campaign to raise money to buy a Gladiator weight machine. Members of the school's football teams and coaching staff began Saturday by hauling hay, and they have enough hay hauling lined up to keep them busy for a few Saturdays. Several friends of the athletic department have donated the use of trucks for the job.

"Our school is the only one in our district that does not have a weight machine of this type," Coach Eugene Jennings told the Briscoe County News this week. "We need this equipment not only for the junior high and high school football players, but also for the basketball teams—both boys and girls. There are a great many benefits to be gained from regular use of such a program, and with this machine it will be possible to exercise many more boys and girls than our present facilities and equipment permits."

"We will accept donations toward the purchase of this equipment—which totals almost \$2,550—but the coaches and players are also willing to work for the money. We will do any type of work that you need to have done—lawn mowing, weed cutting, garden or yard work, leaf raking, car washing, farm jobs—just about any-

thing that needs doing." To make arrangements to hire the boys and their coaches, contact Coach Jennings, 823-6711 or 823-6401. Much of the work is being done by high school boys, but the junior high boys have signified their desire to assist with this project also. Some of the work can be done after school in the afternoons, but most will have to be done on Saturdays until after football season.

The Universal Gladiator is an outstanding gym machine. It effectively conditions every muscle group in the body.

"Athletic competition is actually won in the off-season," Coach Jennings said. He added that a gym machine not only builds bodies for physical fitness but also can be used to tone up bodies and for weight reduction when needed. "The machine is also very effective in helping to repair injuries. For example, this machine is one of the greatest aids known for therapy in helping strengthen damaged knees. One part of the Gladiator is very similar to the hospital therapy equipment often used following knee surgery," the coach said.

"Please help us help ourselves," Coach Jennings added. "We are willing to work and if we can pro-

vide greater physical fitness for our boys and girls, then each of them will be winners in this endeavor." The students have a weight room in the old junior high building, and the basketball girls have been working out with some equipment the coaches put together last summer. The equipment won't accommodate very many at one time but the students are alternating in using it. If you are in that area of the school plant, follow the sound of the "anvil chorus" to the weight room and let the coach explain his program to you.

Indian Relics Shown at Meeting

L. O. A. Junior Study Club met Monday, October 18, at 8:30 p.m. in the City Hall for their Texas Day program. Mrs. C. L. McWilliams was the guest speaker and showed her collection of Indian relics. A group discussion followed the very interesting program.

The devotional was given by the hostess, Mrs. Stanley Fogerson. Roll call was answered by naming a famous Texas hero. Federation news was given by Mrs. Randall Eddleman.

Members were reminded to take their cookies to the home of Mrs. Bud Couch by noon on Thursday, October 28. The cookies will be taken to the High Plains Training Center in Plainview for their Halloween Party.

Members were also reminded to bring their gifts for the State Mental Hospital to the meeting November 1 in the P. C. A. community room. Guest speaker for that meeting will be Jackie L. Newton of Tullia.

Members present were Mrs. Bud Couch, Mrs. Arnold King, Mrs. Jerry Miller, Mrs. Steve Miller, Mrs. Randall Eddleman, Mrs. Wayne Nance, Mrs. Stanley Fogerson, Mrs. Fred Edwards, Mrs. Jackie Johnson and guests, Mrs. Lynn Frizzell and Mrs. C. L. McWilliams.

RHONDA SUE THORNTON

Vows Exchanged Here Friday Night

Nuptial vows were exchanged Friday night by Lynda Greenfield and Champ McGavock in the home of the groom's parents, Mr. and Mrs. J. D. McGavock in Silverton.

Richard Williams, minister of the Church of Christ from Odessa, Texas, and father of the bride, officiated the ceremony.

Honor attendants were Mrs. Derrel Wall, sister of the bride, and J. D. McGavock, father of the groom.

Local friends of the family and relatives attended. Out-of-town guests were Mr. and Mrs. Richard Williams, Odessa; Mrs. Champ Blackwell, Amarillo; Mrs. John McGavock and son, Oklahoma City, Oklahoma; Mr. and Mrs. Derrel Wall and daughters, Andrews; Mr. and Mrs. Luther Welborne, Misses Doris, Martha and Molly Carlton, Linda and Walt Griffith, Lefors.

Sonya and Lynda Gaylor Greenfield, daughters of the bride, also attended.

Punch, coffee and cake were served to about 25 guests.

The couple will make their home on the McGavock farm southwest of Silverton.

Study Club Meets In Griffin Home

The October 13 meeting of the Century of Progress Study Club was held in the home of Mrs. L. D. Griffin with Mrs. Joe Montague as co-hostess.

Mrs. John Gill called the meeting to order and gave the devotional entitled "The Nation's Strength."

Roll call was answered with "A Taken-for-Granted and Obscure Freedom I Enjoy Because I Live in America."

The program consisted of a panel forum. "The Draft: Where Do Our Sons Stand" was conducted by Mrs. Carl D. Bomar. "All Vol-

unteer Army," was discussed by Mrs. Wayne Vaughan. The "Calico Memory" for this meeting was "The Unknown Soldier" given by Mrs. George Long and the "Computer Age Bulletin" included excerpts from Bob Hope's July 4, 1971 television special given by Mrs. Wayne McMurry.

Each member brought a gift to be sent to Wichita Falls State Hospital for Christmas. Those present were Mrs. Griffin, Mrs. Montague, Mrs. Bomar, Mrs. Vaughan, Mrs. Long, Mrs. McMurry, Mrs. Gill, Mrs. Troy Jones, Mrs. Edwin Dickerson, Mrs. Hugh Nance, Mrs. Pascal Garrison, Mrs. Leland Wood, Mrs. Flute Hutsell, Mrs. O. C. Rampley and Mrs. James Davis.

Club's Halloween Party Date Set

Silverton Young Homemakers held their regular meeting Thursday, October 14 at 7:30 p.m. in the home economics department, and set October 30 as the date for the annual Halloween party for the club members' children. The party will be at 4:00 p.m. in the home of Mrs. G. W. Chappell. Various games and surprises will be on the party agenda.

Mrs. Donald Perkins gave the devotional, "Look On the Sunnyside." Roll call was answered with "What Being An American Citizen Means to Me."

Mrs. Chappell presided over the business meeting.

The public is invited to meet with the Young Homemakers on November 11, when Mrs. Ed Wittner of Plainview will be the guest speaker on the subject of the wonderful things happening everyday to you.

The club voted to have a Roving Santa from December 15 through December 22. The annual Young Homemaker progressive dinner for members and their husbands will be held Saturday, December 11.

Members were reminded to pay their dues.

The meeting was adjourned, and Mrs. Perkins served Cokes and donuts to the Chapter Advisor, Mrs. Ken Cook and Mrs. Fred Minyard, Mrs. Wayne Stephens and Mrs. Chappell.

THE DICTATOR.....

... may speak any language, but his universal theme remains the same throughout history: to enslave the free man and take away his rights and properties.

Nikita Khrushchev said...
"We will bury you."

Adolf Hitler said...
"The one means that wins the easiest victory over reason: terror and force."

Benito Mussolini said...
"We have buried the putrid corpse of liberty."

The dictator's voice must never be allowed to ring out in our country. Let us exercise our right to speak for freedom and Constitutional government while it is still ours. **SUPPORT AMERICA!**

LIBERTY AND JUSTICE UNDER LAW

Our priceless heritage embodied in the flag of the United States, is as alive today as it was when written for the ages in the Declaration of Independence and the Constitution. It stands for all the world to see and for all Americans to cherish. And in the tradition of Washington, Jefferson, and Hamilton, we, too, have a privilege, a right, and a duty. While we may disagree as to the methods, we should not disagree as to the goal—that of preserving the greatest democratic society the world has ever known.

Our flag is a symbol, not of sentiment, but of history, the history of men and women willing to live and die for it. Surely this willingness is with us still, because daily we experience more of the blessings that are ours—ours because we are Americans.

Many, many thanks to everyone you extended to us in so many ways at the loss of our brother and uncle. The friendship you expressed through the visits, flowers, phone calls and cards means so much to us.

Opal Hyatt
We are deeply grateful to all of you who expressed your love and sympathy in so many comforting ways during the illness and death of our loved one.
The Roy Mayfield family

Thank you for the sympathy you extended to us in so many ways at the loss of our brother and uncle. The friendship you expressed through the visits, flowers, phone calls and cards means so much to us.
Curtis and Leavie Cherry
Glen and Lillian Lindsey
Our thanks to the fire department for putting out the fire in our car.
Roy and Lou Younger

We would like to take this means of thanks to the people in our sorrow. Thank you to those who brought food, sent flowers, cards, phone calls and memorial contributions.
Thank you to Bill Griffin, Earl Cantwell, J. W. Lyon, Jr., Larry Wilson. A special thanks to Dr. Boyd.
God bless each and every one.
The family of Jeff Davis

Odds are your '72 harvest won't be as good as this year's

But you can cut those odds.

By taking some of the gamble out of next spring's planting and plowing down with Oxy's high-phosphate Zipp® fertilizer. It cuts the odds by plenty.

Spring planting is no time to run out of time.

Or equipment or labor or dealer service. Or fertilizer. A few days at planting can make a lot of difference. One sure way to buy a few extra days next spring is plowing down this fall.

Fall plowdown's like insurance at no extra cost.

It gets your fertilizer down when the weather is right. When the soil is firm. And fertilizer is available on a no-wait basis.

Suppose next spring is not as dry as this one was. Wet, sloppy conditions could put a two or three week damper on your planting schedule. Fall plowdown won't improve next spring's weather delays. But it will insure that a good and proper fertilizer bed will be ready and waiting when you do start up.

Oxy can help.

See us now about your fall fertilizer—high-phosphate Zipp. And get the jump on spring.
