All Around the Town
by Mary Ann Sarchet

I think it would be a very good idea if our President would focus his attention on the Vietnam situation, the plight of the vets and MIA's, and the economic situation, and less on telling Shula how the Miami Dolphins can beat the Dallas Cowboys in the Super Bowl. I don't think President Nixon knows much more about coaching than he does about the farm situation, and I doubt that Shula has him any more attention than the Allen did when the President was trying to tell him how Washington Redskins could beat the Cowboys.

I like for the Briscoe County to be counted among the newspapers who are vying for Dolph Briscoe of Uvalde the Governorship of Texas. I think he might well be the one needed to restore a little intelligence in our State Government. I think Mr. Briscoe would do a good job as our Governor, and in addition, I like the man. I think he would not embarrass the people of Texas as frequently as Governor Smith has done.

AUTOPSY SHOWS DEATH WAS DUE TO HEART VIRUS

The family of Truman Earl Loyd have asked that the results of the autopsy on their son be made public. Dr. John Boyd interpreted the pathologist's report as saying that death was caused by a heart virus. He explained that a virus of this type is a swift and sudden and painless killer, that there is no treatment for it. He added that this is often the cause of sudden death of school children who may have shown no symptoms of illness prior to death.

Truman Earl had had palpitations of the heart in the past, but his parents said this had never been a health hazard for him. They added that he was rejected for military service because of a hernia.

New Long-Distance Telephone Rates Are In Effect Now

SAN ANGELO—New long distance telephone rates postponed by the wage-price freeze went into effect Wednesday, December 29, after approval by the Price Commission, according to L. L. Porter, traffic director of General Telephone Company of the Southwest.

Porter said the new rates which benefit the customer who dials his own long distance calls within Texas and takes advantage of special calling periods were originally scheduled to become effective September 1. The changes were delayed as a result of the wage-price freeze because the lower dial-it-yourself rates were coupled with higher rates for operator assisted calls such as person-to-person.

"The change in rates brings customer dialed station-to-station calls within the state in line with already established lower dial-it-yourself rates and calling periods for interstate calls," Porter explained.

He emphasized that the new lower DDD rates also apply to customers in towns where DDD is not yet available.

Charges for operator handled calls are higher under the new rates. Other changes include new rate periods for day, evening, night and weekend calls within the state which are the same as those now in effect for calls going outside Texas, and addition of Labor Day and July 4 to the reduced rate schedule during holiday periods.

Also a one-minute initial period between 11 p.m. and 8 a.m. has been established. Calls during other periods are charged for a three-minute initial period as has been usual for intrastate calls.

Dudley - McNamara Vows Exchanged On New Year's Day

Miss Laura Faye Dudley became the bride of Johnny Dale McNamara in a double-ring ceremony at 10:00 a.m. Saturday, January 1, 1972, in the home of the bride's parents, Mr. and Mrs. Norlan Dudley in Silverton.

Rev. James Futch, pastor of the First United Methodist Church in Silverton, officiated.

The bridegroom is the son of Mr. and Mrs. Bill Perkins of Gruver.

Mrs. Buddy Comer of Lubbock, aunt of the bride, played traditional wedding selections.

Given in marriage by her father, the bride wore a formal waisted gown featuring a high neckline and long fitted sleeves. Lace appliques embroidered with miniature seed pearls enhanced the bodice and skirt. A tiered veil of illusion was attached to a bandeau of lace and seed pearls and extended to shoulder length. She carried a colonial bouquet of Forever Yours roses.

Miss Jana Futch was maid of honor. She was attired in a formal gown of red designed with empire bodice and full gathered skirt. She carried a single long-stemmed red rose.

Best man was David Bradley of Springlake.

A reception was held in the home immediately following the ceremony. Mrs. Budy Comer and Miss Jimma Banks of Springlake presided at the refreshment table which was decorated with a memory candle flanked by lighted tapers.

The couple left immediately following the reception for their new home in Augusta, Georgia.

The bride has attended Silverton High School. The bridegroom is a graduate of Springlake-Earth High School, and is presently in the military service, stationed at Fort Gordon, Georgia.

WITNESSES CONCLUDE THREE-DAY CONVENTION

"Isn't it strange that man, highest form of earthly life, does not live as long as some plants and animals? Why does the human body grow old and die? Is this inevitable?" These were some of the questions that were propounded and scripturally answered by Mr. E. R. Brandt, District Supervisor and principal speaker of Jehovah's Witnesses at their three-day convention in Levelland, as

he delivered the featured public address Sunday afternoon, "Can You Live Forever?—Will You?"

Brandt stated, "Medical science has done much to aid more and more of mankind to live longer. Some humans live exceptionally long; however the Bible shows that man's original life span was unlimited. Evidence of the human brain's capacity and functions, as well as the amazing process of cell renewal for the entire body agrees, indicating it was designed to last forever."

New Snows!

You can see by the car tracks that people are going places despite the heavy snows. Others, like you and me, perhaps, are going places *because* of it—because the new-fallen snow is beautiful and we want to enjoy it and look at the pictures it makes on the landscape. Also, that frosty, crackly wind that comes with the first snows blows roses in our cheeks and new energy and expectations into our hearts. We can't wait to get out and do things and be with people.

A New Year is upon us. What wonderful things this year can bring. Does the New Year lying before you, with its promise, fill you with new life and excited expectations like the new snow mentioned above?

May your New Year be a happy and prosperous one, and may you find great peace every day through worship and spiritual blessings each week through attending church.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Iris Burson

We would like to say "thank you very much" to everyone who contributed to our Christmas

Greeting Page Project. Through your generous donations, we were able to present a check to the Ambulance Service which far surpasses the proceeds of any previous Greeting Page Project. Thank you, too, for everyone who donated toys to Toys for Tots and to the firemen for repairing and distributing the toys. The Food Barrels in the local grocery stores were distributed to families in the community. With your help and cooperation, this project would have been impossible.

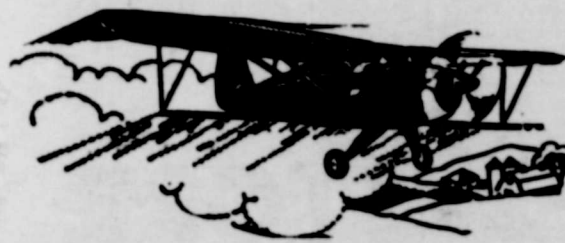

We sincerely appreciate your generosity. Through your efforts you have brought happiness to the people of Silvertown and have helped to make Silvertown a better town in which to live—a town in which the people work together toward a common goal in order to help their fellow man.
