**Changes  
 pointed at Meet**

ges in political convention  
 primary election rules and  
 res were discussed and ex-  
 res were in an all-day seminar for  
 leaders and county offi-  
 cials Saturday at West Texas State  
 University.  
 ighting the seminar was a  
 discussion of Texas Demo-  
 cratic Party rules for precinct,  
 and state conventions, ad-  
 in response to a mandate  
 the National Democratic  
 calling for proportional re-  
 lation of presidential candi-  
 dation of delegates to  
 county, state and national con-

oning session of the sem-  
 s given over to a two-hour  
 on by Mary Kate Wall of  
 Texas Legislative Council.  
 Wall, recognized authority  
 Texas Election Code, dir-  
 much of her discussion to  
 clerks and to election of  
 pointing out effects of the  
 court ruling which knocked  
 length of residence re-  
 quirement for voter  
 on. Under current court  
 decisions—and instructions  
 county voting registrars  
 Secretary of State—the  
 requirement is that the voter  
 registered 30 days prior to  
 election.

ter may cast an absentee  
 within less than 30 days of  
 election if he will have been  
 registered 30 days on election day.  
 Changes will take place in  
 at the polls and in the  
 party precinct conven-  
 tions. Bertha Pavlicek, Bris-  
 coe County and District Clerk,  
 stated that she will an-  
 nounce the date of a meet-  
 ing for all Briscoe County pre-  
 cinct workers. At that  
 meeting workers will be in-  
 structed as to how to carry out  
 duties on primary election

those attending the sem-  
 inar Saturday were Mrs. Fred Mer-  
 cator, Bertha Pavlicek, Mrs.  
 Sarchet, Mrs. Louie Kit-  
 chener and Jack Suttan.

**Critically  
 Wrecked**

VOLUME 64 NUMBER 16

**Silverton Students Qualify  
 For Regional at Lubbock**

☆☆☆ ☆☆☆ ☆☆☆ ☆☆☆

**REGIONAL QUALIFIERS** — Representing Silverton High School in regional scholastic and athletic events in Lubbock this weekend will be Stan Martin, who placed second in the district in number sense; Cindy Cross, first place, shorthand; John Minyard, first, high jump; Jana Cross, second typing;

Craig Culwell, second, long jump; Marvin Self, first place, both shot and discus events. Not pictured are Teresa Boyd Hester, who placed first in the district in typing; Jo Ann Polley, third in the district shorthand contest; and Susie Parker, third, poetry interpretation.

**Athletic Banquet  
 Will Be April 29**

The Silverton High School Athletic Banquet will be held at 8:00 p.m. Saturday, April 29 in the school cafeteria.  
 It is hoped that a large number of tickets will be bought by the public to help finance the banquet for the athletes, who number more this year than in years past.  
 Tickets are \$2.00 for adults and \$1.25 for students in the sixth grade or below, and may be purchased from Carol Martin, J. L. Self or from any other member of the Quarterback Club.

**F.F.A. TEAM PARTICIPATED  
 IN CONTEST SATURDAY**

James Edwards, John Burson and Dana Martin, members of the Silverton FFA Livestock Judging Team, participated in an area contest held on the campus of West Texas State University in Canyon Saturday.  
 They were accompanied by their sponsor, Monroe Gates.

**Wade Steele returned home Saturday after having been a patient in the Lockney Hospital for several days.**

Charles Sarchet spent from Friday afternoon until Monday afternoon in Fort Worth at the bedside of his mother, Mrs. H. F. Sarchet, who has been a patient in Harris Hospital since Thursday morning.

Melinda Arnold, two-year-old daughter of Mr. and Mrs. Walter Arnold, underwent surgery for repair of a cleft palate at High Plains Baptist Hospital in Amarillo on Wednesday of last week.

**Horse Club To  
 Hold First Trail  
 Ride Of Season**

The Briscoe County 4-H Horse Club will hold its first trail ride of the new season Saturday, April 22 on the Don Burson Ranch northeast of Silverton below the caprock. The 4-H members and their parents will meet at the gate to the ranch at 2:00 p.m. to begin the trail ride. The cookout committee will begin preparing the family meal to be served upon completion of the trail ride activities.

The Adult Leaders in charge of trail rides are Don Burson and Billy Settle. The cookout committee is headed up by Flute Hutsell and Raymond McJimsey. All Briscoe County 4-H Horse Club members, parents and leaders are invited to the trail ride and cookout. All activities of the Horse Club are family affairs.

Anyone who is interested in joining the 4-H Horse Club but was unable to attend the first meeting, is invited to join the group Saturday. Information on how to get to the trail ride area is being sent out in a letter to all members on the mailing list. Anyone who is not on the list or who does not receive a letter should contact the County Agent's office.

**RECITAL PLANNED  
 TUESDAY NIGHT**

Piano and voice students of Mrs. Bob Rauch will be presented in recital at 7:30 p.m. Tuesday, April 25, at the First Baptist Church in Silverton.  
 The public is invited to attend.

**"For Pete's Sake!"  
 To Be Shown Here**

"For Pete's Sake!" a film credited as "unique in its capacity to reach out to meet the problems of people, will be shown on Monday, April 24, at First Baptist Church in Silverton.

The full-length comedy-drama, filmed in brilliant Eastmancolor by World Wide Pictures, will be shown once beginning at 7:30 p.m. and is open to the public at no admission charge.

Filmed entirely on location in Denver and the Colorado Rockies, "For Pete's Sake!" is the story of Pete Harper, a family man and service station owner, who is knocked flat by unexpected problems, but finds the strength to stand up again, to face life anew.

"For Pete's Sake!" has been seen nationwide by over three million persons in theatre premieres, and has been cited by one film critic as "the perfect mixture—it's drama at its boldest, comedy at its lightest, and action at its liveliest. "For Pete's Sake!" is a family film, not only because it is good family entertainment, but because through its storyline, families can see and feel exactly what is needed to develop deeper understanding and build stronger ties."

"For Pete's Sake!" stars Robert Sampson, who also starred in World Wide's "The Restless Ones." Pippa Scott, as Pete's wife, Marge, is well-known for her Broadway appearances and numerous television roles. John Milford and Sam Groom are both familiar to television audiences.

Other featured players include Johnny Jensen as Pete's son; Irene Tedrow as Grandma Harper, and Nicolas Surovy as Skip, the leader of a motorcycle gang.  
 A cordial invitation is extended

**Little League  
 Parents To Meet**

A meeting of Little League parents has been called for 8:00 p.m. Thursday, April 20, in the Pioneer Room at the First State Bank.

**Attention All  
 Flag Wavers!**

The Century of Progress Study Club is sponsoring a full page in the local newspaper for Americans who wish to be flag wavers. If you are proud to be an American and proud of America and wish to announce it to others, see any member of the Century of Progress Study Club about having your name placed on the Flag Wavers' Page in the Fourth of July edition of the Briscoe County News.

**Mothers' March Set  
 Monday, April 24**

Members of the L. O. A. Junior Study Club will conduct the Mothers' March for the March of Dimes on Monday, April 24.

Members are asked to meet at the City Hall at 5:45 p.m. and will begin the march at 6:00 p.m.

It is hoped that everyone will give generously in this effort to prevent birth defects.

to all families of the community by Larry Wilson, who has made arrangements for this special showing of "For Pete's Sake!"

**BUSINESS DEPARTMENT  
 MAKES GOOD SHOWING  
 IN U.L.L. DISTRICT CONTESTS**

The business department of Silverton High School made a good showing in the literary events of the District 2-A 1972 Interscholastic League Contest held at Clarendon College last Friday afternoon.

Cindy Cross brought home first-place honors and Jo Ann Polley won third in shorthand. Teresa Boyd Hester won first place and Jana Cross took second in shorthand. Teresa's typing score of 150.4 was unusually high for this event and was earned by typing a perfect paper at the rate of 50.4 net words a minute for five minutes.

Also winning points for their school were Stan Martin, who won a second place in number sense, and Susie Parker, who won third in prose reading.

Other high school students who competed were Scott Hutsell and Brit Parker, number sense; Brit Parker and Lois Arnold, science; Derrel Martin, poetry interpretation; Marshall Rauch, Lori Francis and Joan Cross, spelling; Cindy Cross and Ty McMurtry, prose reading; Laura Arnold and Freeda Henderson, slide rule; Quinn Montague and Donna Stodghill, ready writing.

Contestants who are qualified for regional competition in Lubbock on Saturday, April 22, are Teresa Hester, Cindy Cross, Jana Cross, Jo Ann Polley and Stan Martin.

**OWLS PLACE THIRD  
 IN DISTRICT TRACK**

The Silverton Owl track team placed third, with 61 points, at the District 2-A Track Meet held at Panhandle Thursday of last week. The Owls also qualified three boys in four events for the regional meet in Lubbock Friday and Saturday at Coronado High School.

Marvin Self was a double winner, with first-place wins in both the shot put and discus. Self put the shot 58'3 3/4", his best distance of the season, leaving his nearest competitor way behind at the 46'6" mark.  
 Self threw the discus 167'8", again soundly beating the contest's second best distance which was 133'11".

John Minyard won first place in the high jump by clearing 5'10". Second place was earned in this event with a jump of 5'8".

Craig Culwell qualified for regional competition by placing second in the long jump, with a distance of 20'8 3/4". First place was won with a leap of 21'2 1/2". John Minyard placed sixth in this event with a 19'7" effort.

Silverton's 440-relay team placed fifth.  
 Gene Culwell placed third in the 880-yard dash.

Craig Culwell finished fourth in the 100-yard dash and also ran fourth in the 220-yard dash. Craig's time in the 100 was 10.7, behind the first-place time of 10.4, and ran the 220 in 23.3, with first-place going to the runner clocked at 22.6.

Silverton's mile relay team finished fifth.

Memphis won the meet with 199 1/2 points; Clarendon, 103; Silverton, 61; McLean, 51; Claude, 46 1/2; Wheeler, 41.  
 In the freshman division, the

**Silverton Voting  
 Places Changed**

Announcement has been made by County Judge M. G. Moreland that the voting places of the Silverton precincts which have always voted in the courthouse have been changed.

Purpose of the change was to give voters more room in which to mark their ballots and also to provide a voting place on the ground level for the elderly, ill, and others who have trouble climbing the steps at the courthouse.

These changes are effective immediately, and the new voting places listed below are the ones that will be used for the Democratic Party Primary May 6.

**PRECINCT 1**  
 In the past the voters in this precinct have voted in the County Judge's office. For all elections until further notice the voting place for this precinct will be the Silverton City Hall.

**PRECINCT 3**  
 This precinct has voted in the Sheriff's Office in the past, but will now go to the Pioneer Room at the First State-Bank to vote.

**PRECINCT 4**  
 The voters in this precinct have gone to the county courtroom to cast their ballots in the past, but in the future will vote at the PCA community room.

Please make note of this change and pass the word to your friends so that no one will be inconvenienced on election day. If you have moved into a new precinct since you registered to vote, please contact the County Clerk immediately so that your name can be placed on the proper registration list.

**Elementary School  
 District Winners  
 Announced Here**

Silverton Elementary School had two first-place winners in the District Interscholastic League contests last Friday.

The picture memory team composed of Ronda Grabbe, Twila Wood, Linda Hardin, Jennifer Martin, YoVonna Marshall and Connie Rowell, alternate, won first place. Susan Grabbe won first place in seventh and eighth grade spelling.

Other participants in the contests were Kelly McMurtry and Gary Asebedo, story telling; Mignine Rauch, Cheryl Tiffin and Brenda Cantwell, fifth and sixth grade spelling; Diane Little and Ann Hardin, seventh and eighth grade spelling; Rondell Rogers, Darlene Roberts and David Strange, oral reading; Darrell Reynolds, Janette Reeves and Brett Gill, number sense; Jeanette Arnold and Becky Francis, ready writing.

**ATTEND CAPROCK DISTRICT  
 CONVENTION RECENTLY**

Seven members of Century of Progress Study Club attended the two day Caprock District Convention in Lubbock March 17-18. Mrs. O. C. Rampley was elected to serve as Caprock District President for the next two years.

The club's yearbook won first place in Caprock District. Mrs. Carl Bomar won first on her report as Poet Laureate of Caprock District. The Home Environment Division of the Home Life Department won first in the district.

Members attending were Mrs. Rampley, Mrs. James Davis, Mrs. Edwin Dickerson, Mrs. Marvin Montague, Mrs. F. E. Hutsell, Mrs. Hugh Nance, and Mrs. John Gill.

Owls placed second. Team totals in this division were Clarendon, 159; Silverton, 138; Memphis, 137; Claude, 25; McLean, 13; Wheeler, 10. No placings by the freshman individuals were available.

The seventh grade boys placed third in their track meet at Memphis Monday, but no individual winners in the junior high division were available.

Brent Bean placed first and Dean Ziegler won third in the seventh grade pole vault. Dayne Mayfield won first place in the seventh grade discus throw. Other boys who earned points for the team were not known.

**INSIDE THE LEGISLATURE**

AUSTIN — Rep. Tom Christian, today applauded the accomplishments of the Second Called Session of the 62nd Texas Legislature.

"In three short days the Texas Legislature elected a new Speaker, passed emergency legislation, and in my opinion, passed for the first time in history much needed rules reform."

"Under the capable leadership of Speaker Rayford Price, the House voted to limit the powers of conference committees, to put an end to additions and deletions in legisla-

tion without the knowledge of the House, to reduce the number of committees from 46 to 25, to create a limited seniority system to promote expertise within the committees, and to record the proceedings of all committees and make them public record," Christian said.

Rep. Christian further stated, "The discharge of three committees — Appropriations, House Administration and Revenue and Taxation — will take the business of appropriations and administration out of the hands of Bill Heatly and Tommy Shannon and put it back into the hands of the full committees."

Shannon was recently convicted, along with former Speaker Gus Mutscher, of bribery conspiracy. "The most meaningful reform comes in the rule which provides that the appropriations bill be presented to the full membership of the House at least seven days before a vote is taken," Christian said. "When the Heatly-Mutscher team controlled the House, the appropriations bill was drawn in secret and not made available to the members of the House until the final minutes of a session. Members never knew what it contained until it was too late."

"Another safeguard of the pub-

**Demonstration Agent**

MRS. DOROTHY POWELL

Home Demonstration Agent I hope you will make a note to yourself to attend the "Sew With Tricot" demonstration to be given by Mrs. Judy Carlisle. The demonstration will be given at the City Hall Friday, April 23. I will give you more details next week.

What's the easiest way to fry chicken? Put it in the oven and forget it for 30 minutes. Place the poultry pieces in a shallow pan containing one-eighth inch of melted fat. Turn the pieces to coat both sides. Cook at 400° for 30 minutes. Turn chicken and cook 20 to 30 minutes longer until crisp and tender.

To test broiled meat for doneness, cut a small slit in the lean and note the color and texture. Or press the meat lightly with a fork. Very rare meat is soft and pulpy. Medium rare is slightly resistant. Well-done meat is quite firm.

Looking for a cool, crisp, yet low calorie food for these warm spring days? Tomatoes offer a good source of vitamins A and C, and a cupful has only 30 calories. They're versatile and they add flavor, color and nutrients to an endless number of dishes.

Let your eyes be your guide. Choose a tomato that is mature, firm but not over-ripe, fairly well formed, of good color, plump and smooth and free from blemishes.

Are you having trouble altering your patterns? If so, call me and I'll be happy to come to your home or you can come to my office and I'll help you.

Do you have problems with cheese used in casserole sometimes being tough and stringy? High temperatures and long cooking cause fats to separate, and the result is tough cheese. Add the cheese during the last half hour of cooking for best results.

Peaches may be native to China, but they rate "All-American" in popularity! Canned peaches are right at home in the American kitchen. They're easily stored and may be used hot or cold in any part of the meal. Peaches contribute significant amounts of Vitamin A.

If you're wondering about how to heat and use peaches, there are several methods. Broiled peach halves add to any meal. Just sprinkle the peaches with brown sugar or bread crumbs for quick browning. Place on an empty broiler pan or with other foods for the last five minutes of broiler time.

lies' right to know, is a provision that requires that public hearings be held for the Appropriations Bill with notice to be posted prior to time of the hearing," he said.

Christian said, "I am pleased with the recognition of the Republican delegation as a force to be dealt with. The votes of nine members of the GOP delegation made the difference in the victory and defeat for reform in the leadership of this legislative body. By voting as a bloc we were able to swing the election of Price, the conservative, and away from the liberal-Mutscher faction led by Rep. Tewitt Hale of Corpus Christi."

"I feel that we are moving in the direction of real reform in our legislature. We must continue this positive action until we have restored the faith of the people of Texas in their government."

Christian, who has supported Speaker Price since his break with Mutscher two sessions ago, was named to serve on the Escort Committee to seat the new Speaker and to remain on the rostrum for swearing-in ceremonies.

**Helps Shrink Swelling Of Hemorrhoidal Tissues**

caused by inflammation Doctors have found a medication that in many cases gives prompt, temporary relief from pain and burning itch in hemorrhoidal tissues. Then it actually helps shrink swelling of these tissues caused by inflammation. The answer is Preparation H<sup>®</sup>. No prescription is needed for Preparation H. Ointment or suppositories.

**News From The Extension Service**

by Jackie Johnson  
 Briscoe County  
 Agricultural Agent  
**BRUSH CONTROL**

The severe spring drought of 1971 resulted in slow erratic growth of mesquite and little or no growth of forage plants. As a result very little chemical control of mesquite was done during the 1971 season.

Conditions are different this season. Heavy late summer and late fall rains have recharged deep soil moisture to the point that mesquite growth should be good this spring. With normal spring

Here is a dessert idea using canned peaches you might like to try.

**OATMEAL PEACH CRUMBLE**

- 1 No. 3 can sliced peaches
- 2 tablespoons lemon juice
- 1 teaspoon cinnamon
- 1/4 cup brown sugar
- 1 tablespoon butter
- 1/4 cup melted shortening
- 1/2 cup brown sugar
- 1/2 cup sifted flour
- 1/2 teaspoon salt
- 1/4 teaspoon soda
- 1/2 cup quick oatmeal
- 1/2 teaspoon vanilla

Pour syrup from peaches. Arrange peaches in a shallow, greased baking dish; sprinkle with lemon juice, cinnamon, 1/4 cup brown sugar and dots of butter. Combine melted shortening and 1/2 cup brown sugar. Sift flour, salt and soda together and mix with oatmeal. Blend with the sugar mixture, crumbling well. Add vanilla. Spread oatmeal mixture over peaches and bake for 30 minutes at 375°. Serve with whipped cream or ice cream. Serves six.

rains growing conditions and conditions for chemical control of mesquite should be more than adequate.

Are you planning to treat brush infested areas this year? If so, now is the time to make preparations to get the job done. Most custom applicators work over rather large geographic areas of the state and must schedule their work well in advance if they are to make efficient use of their time. Schedule your work well in advance.

Select an operator to do your work that you are confident will do you a good job and will follow accepted practices. Severely competitive bidding situations may get you a good price, but result in a poor job and ill feelings all around. A competent and experienced operator is probably well worth the modest premium in the price he is able to command.

Contact your local county agricultural agent for assistance in planning and executing your brush control program.

**CHEMICALS AVAILABLE FOR AERIAL APPLICATION**

Herbicidal chemicals generally suggested for brush and weed control by aerial application include picloram + 2, 4, 5-T (currently sold as Tordon 225), dicamba, 2, 4-D and MCPA.

Tordon 225 Mixture is the newest addition to the list of herbicides approved for brush control. This herbicide is a mixture of equal parts of 2, 4, 5-T and picloram and is formulated and marketed as a mixture. Tordon 225 Mixture, used at the rate of 1/2-pound per acre in West Texas has resulted in good control of mesquite (40-50% root kill) plus satisfactory control of prickly pear (around 50% plant kill). Good herbaceous weed control has been a welcome additional benefit. Results with Tordon 225 Mixture have been even better in South Texas. In addition to control of mesquite and prickly pear species such as blackbrush, granjeno, huisache, and twisted acacia have been satisfactorily controlled when 1-pound per acre was applied aerially. Tordon 225 Mixture is somewhat more expensive than 2, 4, 5-T and costs run about \$5.25 per acre for 1/2-pound applied and about \$8.50 for the application of 1-pound per acre. The 2, 4, 5-T has been the pri-

mary herbicide used for control of mesquite over the past several years and has done a creditable job. On the average, 1/2-pound of 2, 4, 5-T per acre in an oil-water emulsion has produced about 25% root kill on mesquite. Some weed control has been obtained when spraying mesquite, but other brush species in the stand have shown little effect. Treatment of rangelands with 1/2-pound per acre of 2, 4, 5-T costs from \$2.75 - \$3.25 per acre. The 2, 4, 5-T has also been used for control of sand shinnery, oak, post oak, bottom-land hardwoods and yucca.

Dicamba has been tested experimentally throughout Texas. Results to date will not justify the use of dicamba in a general brush control program. However, it does provide good control of common

persimmon where it is a problem and is useful in some pasture control programs.

Silvex is very similar to 2, 4, 5-T in its action, and is specifically suggested for control of yucca broadcast application.

The 2, 4-D, the old stand weed killer, is not particularly effective in brush control programs unless sand sagebrush is the primary species.

The variation in soils, species, the stand and geographic location all have a bearing on the selection of chemicals to be used in brush control programs. Consider terms of desired results must so be considered. Consult your local county agent for assistance in planning your brush and weed control program and select chemicals suitable for the job.

**SIX FLAGS FUN**—Young guests at SIX FLAGS Over Texas take the wheels of their own miniature sports cars for a fun-filled drive around the theme park's Happy Motoring Freeway. The ride is one of many which dot the beautifully landscaped grounds of the 145-acre entertainment center. Since its opening in 1961, the big theme park has played host to more than 18,000,000 visitors from throughout the world. It now provides adventure and fun for some two million persons each season.

### Controlling Common Broomweed

Common broomweed (*Xanthocephalum dracunculoides*) in some years can become a serious problem on Texas rangelands. Broomweed germinates with winter rains, forms a small rosette of leaves, and grows very slowly for some time. Rapid growth begins around mid-April, and by mid-May the plants are 8-12 inches tall. Growth in height is fairly well complete by about June 15. On the average, broomweed reaches a mature height of about 18 inches, but may double that in exceptionally good years.

Results of research studies on the control of broomweed provide some very useful information. The application of 1/2 pound of 2, 4-D when broomweed was from 4-6 inches tall (around May 1) resulted in 95-100% control. Even 1/4 pound of 2, 4-D at this time reduced the stand of broomweed by 75%. Spraying with 2, 4, 5-T at 1/2 pound per acre produced 60% control of broomweed when applied on May 1, and 90-95% control when applied on May 15. When spraying is delayed to June 1, 2, 4-D resulted in virtually no control whereas 2, 4, 5-T controlled about 85% of the weeds present at that time.

Dicamba applied alone at 1/2 pound per acre resulted in 85-100% control of broomweed when applied between April 1 and June 1. One quarter pound of 2, 4, 5-T combined with an equal amount of dicamba produced similar results. The combination of dicamba and 2, 4-D and 2, 4, 5-T is not approved by the Environmental Protection Agency.

Combinations of 2, 4-D or 2, 4, 5-T with equal amounts of picloram applied in totals of 1/4, 1/2 and one pound per acre has resulted in virtually 100% control of common broomweed.

Economically speaking, 2, 4-D will control common broomweed for the lowest cost, but application time is rather critical. For best results pastures should be sprayed when the broomweed is about 4-6 inches tall (a period of about 10 days). Where weed control is desired in connection with brush control, other combinations of chemicals should be used, especially in cases where broomweeds have reached mature height. One-half pound of 2, 4, 5-T or 1/4 pound of

pete with undesirable woody plants. It all boils down to the fact that when you invest money in brush control you cannot afford the luxury of poor grassland management.

are infested with undesirable woody plants that reduce forage production and make it difficult to handle livestock. Brush control can be a means of improving forage production, improving wildlife habitat and conserving natural resources if brush control is coupled with good resource management practices.

A first step is to inventory your ranch resources and define the problems that need attention. Then decide what your management goals are over a period of time. Chances are brush control will be considered on most Texas ranches.

Eradication of troublesome woody plants may be desirable in some instances, but is not possible without a tremendous expenditure of time and money.

Long term brush control coupled with increased forage production is a more realistic goal. Fire, chemical sprays, mechanical and

biological methods are all used to control brush. No one method is suitable for the control of all species and acceptable in all situations. Select a method that will accomplish the desired level of brush control at a reasonable cost.

Management of rangeland following brush control practices may be more important than initial brush control measures. Too often operators reason that they must increase stocking rates immediately in order to recover the cost of brush control. Where this practice is followed we often find that the land is soon in poorer condition than it was due to controlling the brush.

The moral of the story is to make arrangements for good forage plant management prior to controlling brush. Such an approach allows for increased forage production and an increase in the life of a brush control practice. It allows for forage plants to com-

### EIGHT SORGHUM GROWERS NAMED TO '71 NK CARLOAD CLUB

Riley Harris of Silverton and Robert Clark of Amarillo, the local territory manager for Northrup, King & Company, recently announced that eight grain sorghum growers in the area were named as members of the 1971 NK Carload Sorghum Club. Membership in the club honors the production achievements of these local growers: Joe L. Bomar produced 1.1 carloads of grain from 40 acres of NK 222A; Carroll Garrison produced 3.81 carloads of grain from 161 acres of two NK hybrids; Don Garrison produced

2.56 carloads of grain from 183 acres of NK 222A; Lenton R. Latham produced 5.15 carloads of grain from 241 acres of two NK hybrids; Pat Northcutt produced 3.14 carloads of grain from 180 acres of four NK hybrids; Norman Strange produced five carloads of grain from 170 acres of NK 222A; Jack Sutton produced 2.41 carloads of grain from 74 acres of NK 280; L. O. Weaks produced 3.83 carloads of grain from 130 acres of NK 222A.

The Northrup, King Carload Sorghum Club for 1971 has 715 members from 14 states. In 1971 they produced 594,000,000 pounds of grain from 150,000 acres. This is equivalent to 2,933 hopper carloads of grain.

In naming the eight growers from this area, territory manager Clark noted that the purpose of the NK Car Load Club is to recognize its members in order to emphasize the growing importance of sorghum as a feed grain. The NK Sorghum Growers Club provides a clearing house for ideas on production techniques and daily problems that confront sorghum growers. Club members have an opportunity to exchange ideas and to hear detailed reports on management practices for specific cropping conditions.

### \* NEW BABIES

Mr. and Mrs. Joe Bob Watson of Archer City are parents of a daughter, Lori Lyn, born April 6. She weighed seven pounds.

Lori Lyn has a sister, Keri Diane, who is three and a half years old.

Grandparents are Mr. and Mrs. J. T. Villemez of Liberty and Mr. and Mrs. Obra Watson.

Joe Bob Watson is employed by the Soil Conservation Service.

Mr. and Mrs. Walter Lynn Dunham of Fort Hood are parents of a son, Clay Neil, born April 18 in Clarendon. He weighed nine pounds, seven and a half ounces.

Grandparents are Mr. and Mrs. P. C. Longan of Clarendon and Mrs. Maxine Morris.

Mrs. Bud McMinn spent the Easter holiday with her son, Travis and family at McKinney. She also visited with Mrs. Naomi Seaney at Fort Worth.

### EXTENSION SERVICE NEWS

#### SCABIES QUARANTINE

by Jackie Johnson  
Briscoe County  
Agricultural Agent

The cattle scabies quarantine on 34 Texas Panhandle counties may possibly be expanded to nine counties with stricter dipping requirements, according to Dr. Bill Clymer, Extension area entomologist at Amarillo.

He has received word from the Texas Animal Health Commission that as of June 1, the quarantine may be extended to cover another tier of counties south and east of the current control areas. Those that may be added to the list include Cochran, Hockley, Lubbock, Crosby, Dickens, King, Knox, Baylor and Wilbarger counties.

Clymer reports that official dipping will be required of all cattle in movement except those animals that:

1. are moving directly to slaughter;
2. are moving to slaughter through a livestock market;
3. are moving to a livestock market for sale and dipping prior to release;
4. are released from a livestock market to a dip point with an official permit;
5. are moving to an official dip point;
6. have been dipped within the past seven days;
7. are from a non-control area moving through the control area with no stop-overs;
8. are being moved by the same owner from one place to another within the quarantined area;
9. have been dipped within seven days from scabies-infested states with permit or with a permit to be dipped upon arrival;
10. are from a non-control area being moved into the control area for grazing.

These new restrictions are being implemented in an effort to eradicate the scabies mite and prevent its spread to other areas.

### WOMEN PAST 21 WITH BLADDER IRRITATION Suffer Many Troubles

After 21, common Kidney or Bladder Irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondary, you may lose sleep and suffer from Headaches, Backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by curbing irritating germs in strong, acid urine and by analgesic pain relief. Get CYSTEX at drug-gists. See how fast it can help you.

Meet The S.H.S. Seniors

ALAN GRIMLAND

Another SHS senior of the week is Alan Grimland, son of Mrs. Doris Grimland and the late Jessie Grimland.

Travelling is his favorite pastime, and vocational agriculture is the subject Alan likes best. "The Love Machine" is his favorite book and the movie he liked best was "Easy Rider."

Alan's favorite meal is steak, red beans and potatoes. He prefers listening to "Put Your Hand" by Ocean.

A four-year member of the Future Farmers of America, he is serving his chapter as treasurer this year. He participated in both the junior and senior class plays, and has been a member of the Future Business Leaders of America two years.

His plans for the future include attending Texas State Technical Institute.

BRIT PARKER

Brit Parker, son of Mr. and Mrs. Charlie Parker, is an honor roll student and a two-year member of the National Honor Society. He was a member of the Future Farmers of America his first three

James Jerrel Taylor of Del Rio (right) received his Certified Public Accountant certificate from Angus Cockrell of the San Antonio Chapter of CPA's at a recent meeting held at Oak Hills Country Club in San Antonio. He is a graduate of Hardin-Simmons University and is married to the former Marjorie Autry, daughter of Mr. W. E. Autry of Silverton. The Taylors reside at 206 Parkway with their triplets, James, Jerral and Judith, who were five years old in January.

VAN MARTIN

Van Martin, son of Mr. and Mrs. George Martin, has been chosen as Friendliest Boy and Personality King this year. He was a member of the Future Farmers of America his first three years in high school, and served the chapter as secretary last year.

Van is a three-year member of the Future Business Leaders of America, served as treasurer of his sophomore class and as vice-president of his junior class. He was the announcer for the Junior Play, and was elected to Who's

years in high school, and is serving as president of the Future Business Leaders of America in his third year of membership in the SHS chapter.

Brit has been a member of the S-Club four years and was sports reporter for the school newspaper last year. He was elected to Who's Who his sophomore year, appeared in the junior and senior class plays, and was a member of the choir his junior year.

He has played basketball and has been student trainer for the football teams.

Brit participated in number sense his freshman and sophomore years. He won the Typing I Award and participated in the Judo Club his sophomore year. He was winner of the Chemistry Award, was selected as Most Dependable Boy and became a member of the National and Southwest Athletic Trainers Associations his junior year.

This year Brit was selected as an Outstanding Teenager of America, was elected to Merit Who's Who and continued his membership in the National and Southwest Athletic Trainers Associations.

Chemistry is Brit's favorite subject, and playing guitar is his favorite pastime. The book he liked best is "The Fountainhead," and "Summer of '42" rates as his favorite movie. Steak is Brit's favorite food and "Feeling Allright" is his favorite song.

Brit plans to attend college following his graduation from Silverton High School.

Who his freshman year.

"Working on cars to make them ready for a race" is listed as Van's favorite pastime. Spanish is his favorite subject and "Summer of '42" is his favorite book. The movie he liked best is "Vanishing Point." Steak is Van's favorite food, and "Iron Man" is his favorite song.

Harvard is in the future for Van following his graduation from SHS.

WOMEN PAST 21 WITH BLADDER IRRITATION Suffer Many Troubles

After 21, common Kidney or Bladder Irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondly, you may lose sleep and suffer from Headaches, Backache and feel old, tired, depressed. See how fast it can help you.

Study Club Meets In Francis Home

Century of Progress Study Club met in the home of Mrs. Garland Francis April 12, 1972 at 3:00 p.m.

The devotional was given by Mrs. John Gill and roll call was answered with a Computer Age Craft Material.

Mrs. Joe Montague gave a demonstration on antique book decoupage. Each member exhibited an art object or craft she had made.

Plans were made for the high school honor breakfast.

Mrs. Hugh Nance served as co-hostess.

Present were Mrs. Gill, Mrs. Pascal Garrison, Mrs. Montague, Mrs. Francis, Mrs. L. D. Griffin, Mrs. F. E. Hutsell, Mrs. O. C. Rampley, Mrs. Wayne Vaughan, Mrs. Leland Wood and Mrs. Marvin

Montague. Appreciation was expressed all who bought pies at the Election Day Pie Sale. The club will have another pie sale at the first primary on May 6, 1972.

SILVERTON, TEXAS

MR. AND MRS. GARY F. MARTIN

### MR. AND MRS. GARY MARTIN AT HOME IN SILVERTON

Mr. and Mrs. Gary F. Martin and Mrs. W. H. Martin of Sil-  
verton. The bridegroom is the son  
of Mr. and Mrs. George Martin,  
also of Silvertown.  
The bride wore a white knit  
street-length dress styled with a  
fitted bodice and an overskirt top-  
stitched in black. White sandals  
completed her ensemble.

### Annette Williams Is Bride Of Michael Lynn Haney

Miss Annette Williams, daughter,  
of Mr. and Mrs. Floyd B. Wil-  
liams, pledged nuptial vows Sat-  
urday afternoon with Michael  
(Mike) Haney of Amarillo, son of  
Mr. and Mrs. T. G. Haney, Olton  
Route, Plainview.

Rev. C. H. Murphy jr., pastor of  
First Baptist Church in Memphis,  
performed the ceremony. Mrs.  
Murphy was the soloist and Mrs.  
L. B. Garvin jr. organist.

The bride's sister, Mrs. Ray  
Matheus of Houston, was matron  
of honor. Best man was Edwin  
George of Boise City, Oklahoma.  
Ushers were Rick Bigham of  
Lubbock, cousin of the bride, and  
David Haney of Plainview, broth-  
er of the groom.

Presented in marriage by her  
father, the bride wore a street-  
length A-line style dress of can-  
dledlight peau de soie. The dress  
was veiled with nylon re-embroid-  
ered lace. Full re-embroidered  
sleeves terminated with wide  
French cuffs. Framing the bride's  
face was a white ribbon-woven  
picture hat softly draped with a  
band of bridal illusion extending  
waist length. She wore a small  
gold heirloom brooch that belong-  
ed to her late maternal great-  
grandmother and pearl drop ear-  
rings borrowed from her sister.  
The bride carried a semi-cascade  
of yellow daisies and gypsophila  
graced by a mint green cymbid-  
ium orchid on top of a white Bi-  
ble. For going away the bride lift-  
ed the orchid from her bridal bou-  
quet.

Mrs. Matheus wore an A-line  
dress of yellow crepe, in sleeve-  
less design, trimmed with a row  
of tiny self-covered buttons. Her  
nosegay was of yellow daisies and  
gypsophila.

The altar area was centered  
with a double wedding basket of  
yellow majestic daisies and yel-  
low snapdragons flanked by a pair  
of branched candelabra holding  
lighted tapers. The pews of the  
couple's parents were marked with  
a yellow bow and daisies.

A dinner for the wedding party  
was held immediately following  
the ceremony in the banquet room  
of the Silverton Restaurant. The  
bride's table with the wedding  
cake was flanked by a floral ar-  
rangement of daisies and snap-  
dragons. Individual brass candel-  
abra and sprigs of plumosis were  
placed along the guests' tables.

The bride is a 1971 graduate of  
Silverton High School and is  
studying Library Technical Assis-  
ting at Amarillo College. She is a  
member of Delta Tau Omega so-  
cial sorority. The bridegroom was  
graduated in 1969 from Plainview  
High School and is a 1971 gradu-  
ate of Amarillo College of Voca-  
tional Art. He majored in Air  
Conditioning and Refrigeration,  
and is employed by Frost Air  
Conditioning and Heating Com-  
pany in Amarillo.

The couple will reside in Am-  
arillo and the bride will continue  
her education.

#### ATTEND RECEPTION

Mrs. Durene Nance, Mrs. Alvin  
Redin, Mr. and Mrs. O. C. Ramp-  
ley were guests of the Special Ser-  
vices Department and the Class-  
room Teachers Association of the  
Canyon Independent School Dis-  
trict on April 17, 1972 for a re-  
ception honoring Mrs. Luci John-  
son Nugent.

The reception was followed by a  
lecture on visual and learning dis-  
abilities by Mrs. Nugent.

Quitaque First Baptist Church Chapel Choir  
—(back row, l to r.) Will Rees, Chuck Rivers,

### Quitaque Chapel Choir To Present Program

The Chapel Choir of the Quita-  
que First Baptist Church will pre-  
sent the Christian folk musical,  
"Life," Sunday night, April 23 at  
7:30 p.m. in the auditorium of the  
First Baptist Church in Quitaque.

"Life," written by Otis Skillings,  
has it all. Exciting music. Authen-  
tic issues. Bible-based truths. Con-  
temporary language. And the  
greatest promise ever—Life. In  
Christ. Here and now. Real life.  
A brand new turned-on, tuned-in  
way of living. Life that feels alive.  
It will speak to young and old a-  
like. To those who sing it and to  
those who hear it.

This program is under the di-  
rection of Mrs. O. R. Stark, jr. An-  
na Jean Taylor is the piano ac-  
companied, with Sherri Brown and  
Brit Parker playing guitars. Jim  
Pritchett will play the drums.  
Stage and lighting directors are  
Chuck Rivers and Scooter King.  
Those singing in the choir are  
Judy Cooke, Gail Tyler, Donna

Brown, Cheri Brown, Donna  
Douglas, Regina Cathey, Kim  
Ham, Jane Duncan, Francis Reed,  
Tammy Conner, Cheryl Merrell,  
Donna Cagle, Seritha Helm, Shon-  
da Smith, Connie Price, Eva Cheat-  
Terry Myers.

### ITCHING LIKE MAD?

Get this doctor's formula!  
Zemo speedily stops torment of  
externally caused itching... of  
eczema, minor skin irritations, non-  
poisonous insect bites. Desensitizes  
nerve endings. Kills millions of sur-  
face germs. "De-itch" skin with  
Zemo—Liquid or Ointment.

How  
shalt love the Lord thy God with all  
thy heart, and with all thy soul,  
and with all thy strength,  
and with all thy mind, and  
thy neighbor as thyself.

Luke 10:27

The basis of God's first and great-  
est commandment is love. God  
gave man the freedom to choose  
... and therefore will not force  
his love on anyone. God took the  
first step and is always ready to  
receive any who would come to  
Him.

©Coleman Adv. Ser.

The Church is God's appointed agency in this world  
for spreading the knowledge of His love for man and  
of His demand for man to respond to that love by  
loving his neighbor. Without this grounding in the  
love of God, no government or society or way of life  
will long persevere and the freedoms which we hold  
so dear will inevitably perish. Therefore, even from  
a selfish point of view, one should support the Church  
for the sake of the welfare of himself and his family.  
Beyond that, however, every person should uphold  
and participate in the Church because it tells the truth  
about man's life, death and destiny; the truth which  
alone will set him free to live as a child of God.

## First State Bank

# Meet The S.H.S. Seniors

SHARON JARRETT

Sharon Jarrett, daughter of Mr. and Mrs. Claude Jarrett.

Sharon is a four-year member of the Future Homemakers of America and the Pep Squad. She served as reporter her senior year. She has participated in high school choir two years and assisted with the production of Junior Class Play.

Sharon was elected to Who's Who and was selected as Wit of the Year this year. She was the Senior Class Favorite.

Sharon lists her favorite pastime as swimming and tennis. She played basketball her senior year and was elected to co-captain for the team. She played volleyball her senior year and participated in Powder Puff Football four years. Her favorite song is the "Summer of '42," and

TERRY JONES

Terry Jones, daughter of Mr. and Mrs. Troy Jones, is a four-year member of the Future Homemakers of America. She served the FHA as parliamentarian last year and is president of the chapter this year. She is a two-year member of the National Honor Society, and is serving as its secretary-treasurer this year.

Terry is a four-year member of the Pep Squad, and was elected to serve that group as reporter this year. She was co-editor of the school newspaper and reporter for her class last year.

She was in the cast of both the junior and senior class plays, and served as reporter last year for the Future Business Leaders of America.

"Bless the Beasts and the Children" was the movie she liked best. "A Separate Peace" was listed as the book she liked best.

Her favorite subject is government and the food she prefers is Mexican food.

Following graduation from Silverton High School, Sharon plans to work and attend college.

America, of which she has been a member three years.

Terry's favorite subjects are science and Spanish. Cooking and "having a good time" are her favorite pastimes.

The book Terry liked best was "Atlas Shrugged," and her favorite movie was "The Godfather." The song she likes best is "First Time Ever I Saw Your Face."

If Terry could go anywhere and eat anything, she'd chose chopped sirloin at Furr's.

She won third place in District U.L.L. typing her freshman year, and participated in the district science contest as a sophomore. She played basketball her freshman year and has participated in Powder Puff Football four years.

She was a Greenbelt Bowl Queen candidate in 1969 and represented her class as Halloween Queen candidate last year.

She was elected to Merit Who's Who this year and earned a perfect attendance award last year.

Terry plans to attend Texas Tech University following her graduation from SHS.

DANA MARTIN

Vocational agriculture is the favorite subject of Dana Martin, son of Mr. and Mrs. Datis Martin. His favorite pastime is playing football, and the book he liked best is "All American Quarterback."

Dana's favorite movie is "Brian's Song," and his favorite song is "Just Pretend." He lists as his favorite foods steak, turkey and dressing and fish.

Dana was a freshman representative on the Student Council, and is a four-year member of the Future Farmers of America, serving the chapter as president this year.

He has been a member of the Future Business Leaders of America three years and of the National Honor Society two years. He served the NHS as treasurer last year.

He participated in the high school choir last year, has been in both the junior and senior class plays, and has served as president of his freshman and senior classes.

Dana is a four-year member of the S-Club. He played basketball his freshman and sophomore years. He has participated in track four years, winning third in the district 660-yard dash his freshman year and participating in the 440-yard relay team which placed third in the district his junior year. He has played varsity football four years and served his team as co-captain this year. This year he was selected as an all-district halfback, first team secondary.

Dana has also served as a drug program leader, was a candidate for Halloween King his sophomore year and was a candidate for Pep Squad Beau last year.

Dana's plans for the future include college and a good job.

Biography is David's favorite subject, and the pastime he enjoys most is listening to music.

His favorite book is "Life Beyond" and the movie he liked best was "Love Story." David rates as his favorite foods pizza, steak and pecan pie. His favorite song is "It Takes The Best."

David plans to attend college.

CLAUDIA HUTSELL

"Having a good time" is the favorite pastime of Claudia Hutsell, daughter of Captain and Mrs. Riddell C. Hutsell. Her favorite subject is home economics. She likes Chinese food and lists "Misty" as her favorite song.

Claudia was elected Junior Class Favorite.

She has been a member of both the Future Homemakers of America and the Pep Squad the past three years. She was a member of the high school choir her junior year and is secretary of the senior class. She was in the cast of her Junior Class Play.

Following graduation from Silverton High School, Claudia plans to attend Texas Tech University.

VICI JASPER

"Going to country and western dances" is listed as the favorite pastime of Vici Jasper, daughter of Mr. and Mrs. Alva C. Jasper. Spanish is her favorite subject, and the book she liked best is "Kim." Her favorite movie is "Love Story" and the song she likes best is "It Wasn't God Who Made Honky Tonk Angels."

Vici's favorite food is Mexican food.

A four-year member of the Future Business Leaders of America, Vici is also a member of the Future Farmers of America this year. She was a member of the Pep Squad her first three years in high school, and took a part in the Senior Class Play.

Vici played basketball her freshman and sophomore years. She expects to seek employment following her graduation from high school.

SUE LYNN ALLARD

Sue Lynn Allard is the senior daughter of Mr. and Mrs. A. R. Martin. She is a four-year member of the Future Homemakers of America, having served as point chairman as a freshman and as historian her senior year. She has been a member of the Future Business Leaders of America three years and is vice-president of the chapter this year.

A four-year member of the Pep Squad, Sue served as parliamentarian her junior year. She was a member of the school newspaper staff last year, of the annual staff her junior and senior years, and of the high school choir her junior year. She served as treasurer of her freshman class and was in both her junior and senior class plays.

She played basketball her freshman year and participated in Powder Puff Football all four years of her high school career. A Football Queen candidate her senior year, Sue participated in the Spanish contest and was chosen as Personality Queen this year.

Her favorite subject is Spanish, and her favorite pastime is "laughing and being with friends." Her favorite book is "Prologue to Love" and the movie she lists as her favorite is "Bless the Beasts and the Children."

Sue's favorite food is pumpkin pie and her favorite song is "Horse With No Name."

Sue is engaged, and plans to be married this summer.

and has also been a member of the S-Club for the past three years. He was a member of the high school choir his junior year.

He plans to attend Tarleton State College following his graduation from Silverton High School.

JAMES EDWARDS

James Edwards, son of Mr. and Mrs. Ed Edwards, is another of the SHS seniors.

His favorite sport is football, and he has participated in this sport each year since he was in the seventh grade, with the exception of his junior year. He went out for track in the seventh and eighth grades, and basketball in junior high and as a freshman.

He is a four-year member of the Future Farmers of America, serving as vice-president of the chapter this year.

He is vice-president of the senior class.

James' favorite subject is vocational agriculture, and his favorite pastime is "riding around and going to Mexico."

The book he liked best is "Lord of the Flies" and his favorite movie is "Mash." The song he prefers is "Mama Don't Cry" and his favorite meal is steak and French fries.

His plans for the future include attending Texas Tech University.

## STAY AWAKE ITCHING?

Let doctor's formula stop it.

Zemo speeds soothing relief to externally caused itching of eczema, minor rashes, skin irritations, non-poisonous insect bites. Desensitizes nerve endings. Kills millions of surface germs, aids healing. "De-itch" skin with Zemo, Liquid or Ointment. Quick relief, or your money back!

## Stomach Upset by Gas and Acid?

Di-Gel with Simethicone quickly relieves gassy-acid upset.

This unique discovery breaks up and removes painful gas-bubbles. Your relief is more complete because Di-Gel takes the acid and the gas out of acid indigestion. When you eat too well, demand Di-Gel, Tablets, Liquid. Product of Plough, Inc.

# Governor Preston Smith serves.

For you,  
• Preston Smith stopped the Sales Tax on food, medicine, and farm equipment.  
• Preston Smith stopped an increase in the gasoline tax.  
• Preston Smith rejected an unnecessary personal income tax.

For Texas,  
• Preston Smith helped provide more funds for industrial development than any two governors before him.  
• Preston Smith helped establish more new state colleges and universities than all previous governors combined.  
• Preston Smith initiated the first comprehensive program to fight drug abuse in Texas.  
• Preston Smith helped develop the most progressive salary schedule for teachers in the nation.

Re-elect Governor Preston Smith and help him keep your taxes down.

(Pol. Adv. By Micky Smith, Chairman)

LAQUITA KITCHENS

LaQuita Kitchens is the daughter of Mr. and Mrs. Ronald C. Kitchens. She has been a member of both the Future Homemakers of America and Pep Squad her freshman, sophomore and senior years. She has been a member of the Future Business Leaders of America her sophomore and senior years. LaQuita was also on the annual staff her sophomore year. She participated in Powder Puff Football two years and played basketball her freshman year.

LaQuita's favorite subject is home economics, and her favorite pastime is going to rodeos and western dances.

Her favorites also include the book, "The Wine and the Music," the movie, "Butch Cassidy and the Sundance Kid," and the song, "Raining in my Heart." Her favorite food is steak.

LaQuita plans to attend Clarendon College following her graduation from SHS.

FINEAS IVORY

Fineas Ivory, son of Mr. and Mrs. Henry Ivory, is a four-year member of the Future Farmers of America. He is a member of the Future Business Leaders of America this year, and was a member of the high school choir his junior year.

A three-year member of the S-Club, Fineas is a two-year All-District choice, has participated in track three years and was a regional qualifier in the broad jump last year. He played football his junior year.

Fineas has been elected as the Personality King this year.

His favorite subject is English, and his favorite pastime is "getting down and mingling with the girls and playing basketball."

He lists "The Day That I Woke Up Dead" as his favorite book and "To Sir With Love" as the movie he liked best. Mexican food rates high with Fineas, and his favorite song is "You've Got To Craw Before You Walk."

He hopes to attend junior college in Clarendon or Albuquerque.

FRED HILL

Fred Hill is the son of Mr. and Mrs. T. V. McClure.

This SHS senior lists Spanish as his favorite subject, and riding around as his favorite pastime.

The book he liked best is "Andromeda Strain" and the movie he preferred is "Water Hole No. 3." Steak is the food he prefers, and he enjoys listening to "You're The Only Star."

Fred was a member of the Future Farmers of America his freshman, sophomore and junior years. He has been a member of the Future Business Leaders of America for the past three years.

CARD OF THANKS

Thank you for the cards, gifts, visits, telephone calls and other expressions of friendship while I have been sick. Casey Bean

I would like to thank everyone for the cards, letters, visits and prayers. Charles Gowin

The extreme kindness and thoughtfulness shown us by our friends and neighbors during our recent sadness helped so much to comfort us. We are sincerely appreciative. The Dee McWilliams family

I take this means of expressing my thanks to all the wonderful people who have done so many things for us during the time I have spent at the hospital and since our return home. The cards, flowers, visits and other favors were sincerely appreciated. May God's blessings be bestowed on each of you. Wade Steele

Thank you so much for every word of concern and act of kindness while Melinda was in the hospital and since we have been at home. We appreciate everything that has been done. Gail Arnold and family

99.993% ...is a "company secret" you need to know, too! The figure 99.993% stands for the dependability - the continuity of the electric service we deliver to you. We think you'll agree with us that missing our 100% goal by only seven one-thousandths of a % is a pretty fine record. It's good, but we keep trying to do even better. Actually, we don't have any "company secrets". We're in a goldfish bowl regulated by the FCC, the SEC, the IRS, and state and local regulatory commissions but most of all by our own self-imposed good business practices. Dependable ELECTRIC Service FOR SO MANY PEOPLE
