by Mary Ann Sarchet

Sir or Madam (as the case may be): There has been a lull in my life, I have just figured out what I have not received a copy of your paper since the issue of 2, 1972. My prescription supposed to perspire until 18, 1972. I usually got the on Tuesday, and would Post Toasties and read just like Uncle Gordon do, and would sleep like Am sure you remember all springs. Lately, I have been whirling dervish with all food on my stomach and the of the world on my mind. let me know if I have done wrong. Will gladly you my check for another provided you will give me cancellable subscription. I read about all the kids who getting married, the boys that the football team, and all celebrations. Am still wondering what in the heck is an Old Cattle Oiler. Do you use a gun, or just a regular one? Quite a few of my have asked me if I have had a cat's and I have had them that I didn't even use on my hands, I have all had short fingernails, and it has been much of a pain, anyway, I miss your paper now than I did when I every week. Please let me from you, as I am proly one of oldest ex-employees of the date back to 1932. I will be anxiously awaiting your reply, please do hope that you decide to get back on your mailing let me know how much you pay, and I am sure you will me a check right away. If I will take care of this, I will never indebted to you. I will pay the bill, and then you will be okay to cancel my presen. Running out of paper, as you have done the same. Sincerely, 40 Miama Street, San Francisco, Ca. 94103

Receiving the bachelor of science degree in general agriculture was Roy Dale Wood, son of Mr. and Mrs. Leland Wood of Silverton.

Among those attending the exercises were Mr. and Mrs. Wood, Leland Hugh, Ken and Twila.

MRS. PATSY R. ALLEN

Sermon Series Is Announced By Local Church

A week-long family crusade, including the songs and sermons of Mrs. Patsy Ruth Allen, will begin Sunday at the First Assembly of God Church in Silverton.

The Sunday service will begin at 7:00 p.m. and weekday services will be at 7:00 p.m.

The crusade will include: Monday, an illustrated sermon entitled "Ball Game"; Tuesday, the "Angel of Light"; Wednesday, the "Funeral"; Thursday, the "Mark of the Beast"; and Friday, film of a volcano and a sermon on "Hell".

Every night there will be a free "candy scramble" for the children. The Rev. David Nuckels is pastor of the church.

RECEIVES DEGREE

Larry Elms, son of Mr. and Mrs. Gilbert Elms received his doctor of jurisprudence degree from the University of Houston in convocation ceremonies held there Saturday night. He visited his parents Monday night and was in Lubbock to look for a house Tuesday prior to beginning the practice of law there.

QB Club Elects New Officers

The Silverton Quarterback Club met in the school cafeteria Monday night and elected new officers. They are Keith Marshall, president; Raymond McJimsey, vice-president; and Junis Hutsell, secretary-treasurer.

President Keith Marshall issued the following statement today: "The Quarterback Club needs you to back our football team and coaches. These people need our support. One way you can support the club's efforts in helping the boys is to join the club. The dues are \$5.00 each and will go to help pay for the filming of the games. The club will also operate the concession stands at the games this year, and will need a lot of help in doing this. So, let's start attending the meetings on Monday nights at 7:00 p.m. and let the boys and the coaches know we appreciate them and are behind them."

Home Demonstration Clubs Seeking New Members

Interested in learning more about homemaking?

During the months of September and October, we'll be contacting Briscoe County homemakers to see if they'd like to become a member of a home demonstration club.

Membership in the clubs, sponsored by the Texas Agricultural Extension Service, is open to everyone regardless of race, color, or national origin.

Membership is open to anyone interested in learning more about homemaking or improving home life.

In a home demonstration club, everyone has a chance to get involved. Members learn how to do things they want or need to know. They meet with other homemakers for facts, fellowship and fun. They get the latest information about how to take care of their families and homes.

Clubs meet wherever it's convenient. The time of meeting depends on members' preferences.

If you would like to get the latest information about homemaking, join a home demonstration club. For more information, call Mrs. Dorothy Powell at the local Extension office (823-4271).

Silverton Voters Approve Sales Tax

Voters in Silverton Saturday approved a one percent city sales tax to be used for city expenses, primarily street maintenance and repair.

Turnout totaled 145, with 123 voting for the tax levy and 22 against.

Silverton merchants will begin collecting the additional tax January 1, 1973.

RECEIVES DEGREE

Mrs. Tom Scott received her bachelor's degree in the summer convocation of West Texas State University at the Civic Center in Amarillo last Thursday night. The former Joni Self, she and her husband and daughter have moved to Amarillo, where Mr. Scott will teach in the public school system. Mr. and Mrs. J. L. Self were among those from Silverton who attended their daughter's graduation.

Family Night Swim Party Held Here

Silverton Pool was the scene of the Young Farmers' Family Night on Thursday, August 17.

Members and their families enjoyed swimming and waterball. Following the swim, the group went to the City Park for a sack supper.

Those attending were Mr. and Mrs. G. W. Chappell, Ronnie, Donna, Cynthia and Stacy, Mr. and Mrs. Fred Minyard and Katrice, Jeannita.

Notices of 1973 wheat allotments and an official explanation of the 1973 wheat set-aside program have been mailed to producers in Briscoe County.

All participants will set aside on acreage equal to 86% of their farm domestic allotment, will earn wheat certificate payments based on their domestic allotment, and will be eligible for Commodity Credit Corporation loans on wheat grown on participating farms.

An additional set-aside option also is offered for 1973. Contingent upon their 1972 wheat acreage, producers may set aside an additional acreage up to 150% of their domestic wheat allotment in return for a payment of 88 cents a bushel times established yield times acres of additional set-aside.

A producer who accepts the additional set-aside option also agrees to limit his production of 1973 wheat. The limitation is determined by the formula: 1972 spring and winter wheat planted acreage on the farm plus any 1972 additional set-aside, minus the 1973 additional set-aside.

The big point to make at this time is that a wheat grower in the 1973 wheat program can go one of two ways: One—maintain required set-aside and conserving base acreages with no limit on his wheat acreage. Two—maintain required set-aside, additional set-aside, and conserving base acreages and limit his wheat acreage. He should check with the County ASCS Office for full details.

A number of other important items are covered in the official explanation, including a reminder that 1973 is the year when a farmer who did not plant a program crop during the past two seasons can lose his allotment if he fails to plant for a third successive year.

Substitution provisions are spelled out. Soybeans, corn, grain sorghum and barley may be substituted for wheat to preserve allotment history.

Producers are reminded that set-aside acreage—both the required and additional set-aside—must be of the same average quality as the other cropland on the farm.

Producers may ask for set-aside inspection and measurement service from the County ASCS Office in order to assure themselves well ahead of time that set-aside land is acceptable. This service is offered at cost.

Allotment notices to wheat producers are sent several months before sign-up, at which time farmers give official notice of their intent to participate in the set-aside programs and designate their set-aside acreage. The official sign-up period has not yet been announced.

Perry Cates of Amarillo, husband of the former Shirley Elms, is in the intensive care unit at St. Anthony's Hospital in Amarillo after apparently suffering a heart attack.

Mr. and Mrs. Jerry Pruitt, Jerry Don and Ronnie, Mr. and Mrs. Donald Perkins, Faye Lynn, Roy Don and Tonya, Mr. and Mrs. Dwain Henderson and Wayne, Mr. and Mrs. Monroe Gates and Jim, Mr. and Mrs. Harold Gidden, Calvin Shelton, Mr. and Mrs. Wayne Stephens, Larry B., Stephen and Jeannita.

Third 1972 Traffic Fatality Recorded In Briscoe County

A 41-year-old Silverton man became Briscoe County's third traffic fatality of the year about 6:30 p.m. last Thursday. Floyd Frank (Blue) Stidham was dead on arrival at Swisher Memorial Hospital in Tullia after he was thrown from his car in a one-vehicle accident one-half mile east of Silverton on Texas Highway 86.

The accident occurred on a curve just outside the city limits when Stidham's west - bound station wagon went out of control and knocked down two reflector posts on the right side of the highway before skidding into an east-bound traffic lane and through a fence into a cotton field.

Investigating officers said Stidham was thrown from the car which rolled several times.

A custom crop sprayer, Stidham had lived in Silverton for a number of years.

He was born June 18, 1931 in Cherokee County. A 32nd degree Mason, he was a member of the Silverton Lodge No. 754 A.F.&A.M. and of the Silverton Assembly of God Church.

He and the former Mrs. Odella Gilmore were married May 2, 1970 at Dalhart.

He is survived by his wife, Odella; four sons, Roy H. Stidham, Steve Stidham and Lance Stidham of Silverton and Frank Lee Stidham of Silverthorne, Colorado; a daughter, Mrs. Garry (Margaret) Stidham of Tullia; his mother, Mrs. Lois Stidham of Tullia; seven brothers, James Stidham of Hobbs, New Mexico, Blacky Stidham and Johnnie Stidham of Tullia, Chuck Stidham of Hollywood, California, Adrian Stidham and Henry Stidham of Tyler and Roy Stidham of Silverthorne; two sisters, Mrs. Bonnie Purdy of Lubbock and Mrs. Sam Choate of Rockwall, and three grandchildren.

Funeral services were conducted at 4:00 p.m. Saturday at the First Baptist Church in Quitaque. Rev. Tommy Noble, pastor of the Tyler Assembly of God Church, and E. G. Johnson, minister of the Esteline Assembly of God Church, officiated. Masonic graveside rites were conducted in Rest Haven Cemetery at Quitaque.

Pallbearers were M. B. Mitchell, Ed Simpson and B. Raymond Evans, Tullia; Bill Clary, Quitaque; Ed Edwards and Bill Williamson, Silverton.

Music Department Needs Guitars

The Silverton School Music Department is in need of guitars. A request is being made for used guitars to be given to the department. Anyone having an instrument may contact Ted Lanham or the school's office as soon as possible.

These guitars will be used by the students of the seventh and eighth grade classes who do not own one. Any type or size is acceptable except electric models. Should any or all strings be missing, the student assigned the instrument will be required to secure the necessary strings.

If you have such an instrument and would donate it to the music department, it would be appreciated.

Mr. and Mrs. W. H. Fitzgerald hosted a breakfast last Thursday morning for the Rock Creek Church congregation after services. Visitors were there from Tullia and Turkey.

On Sunday, the last day of the gospel meeting at the Rock Creek Church, members and friends enjoyed a covered dish luncheon in the new fellowship hall.

# Narrow-Row Cotton To Be Featured At Field Day September 12

Narrow-row cotton production and Extension Center at Lubbock on September 12. Tours of field plots will begin at 1:00 p.m., according to Jackie Johnson, Briscoe County Agricultural Agent.

According to Dr. Jack Gipson, field day chairman, visitors will have an opportunity to see, firsthand, the extensive research program that is underway to find cotton varieties more suitable for the narrow-row method of production. Various cultural aspects will also be discussed, with special emphasis on weed control and harvesting.

"One of the things we are looking at this year in our field plots is dryland production of narrow-row cotton," points out Dr. Levon Ray, with the Texas Agricultural Experiment Station, who heads up the cotton breeding research program at the Center.

Elmer Hudspeth, agricultural engineer with USDA's Agricultural Research Service, notes that dryland narrow-row cotton at the Center is being cultivated to control weeds. Weed control has been one of the problems of this type of production system.

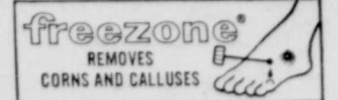

"We are continuing to look closely at narrow-row cotton as a means of increasing production on the Plains," say the two researchers. Narrow-rows have increased yields as much as 25% with available commercial varieties, but new varieties being developed specifically for narrow-rows will give a big boost to this system of production. In narrow-row tests last year, the experiments yielded about 50% more than better adapt-

ed standard varieties. The new varieties in the narrow-row production system can reduce the growing season by three to four weeks, according to Ray and Hudspeth. And with the shorter growing season, some of the adversities of weather can be avoided. It is anticipated that several narrow-row varieties will be available to growers within the next three years.

How is this year's narrow-row crop doing?

"Actually, this year should be a good test for much of the narrow-row acreage in the area," points out Ray. "With the cool weather, blowing sand, disease problems, hail and other adverse conditions that we've had this year, most of the narrow-row cotton is still progressing well."

The researchers estimate that from 25,000 to 30,000 acres were planted to narrow-row cotton on the South Plains this year.

Looking at the harvesting situation for this fall, Hudspeth believes that narrow-row harvesters will be plentiful. "There should be about 100 of these harvesters in operation. In 1969 when narrow-row cotton first got started, there

were only three. "We hope to have several of the new harvesters on display here during the field day," adds Hudspeth.

Other attractions of the field day will include drip irrigation, oilseed crops, cotton diseases and varieties, soil fertilizer, vegetable crops, and grain sorghum breeding and insect control.

Field day visitors will be able to spend as much time as they desire at the various field locations to obtain detailed information on items of their particular interest. Special discussions on weed control and the weather will be conducted at the Center headquarters.

**Plenty of ROOM!**

Have you ever, when on a vacation, in the peak of the tourist season, looked and looked along the highway for a roadside park with an empty table so that your family could have a picnic lunch and rest? Then, of course, all might travel refreshed. How nice it is to come upon a park like this one, with the breeze blowing across the water.

Isn't it wonderful that there is always plenty of room at the House of God? There is always a church where you can receive spiritual food, and sweet rest of the soul. The church holds out its arms in welcome to all, inviting everyone to come and learn of God. Won't you attend this week?

"Come unto me, all ye that labour and are heavy laden, and I will give you rest." Matthew 11:28.

**EVERYONE IN THE CHURCH THE CHURCH IN EVERYONE**

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## August Is Sandwich Month

by Dorothy Powell

Briscoe County

Home Demonstration Agent

Anytime and anywhere food is served, it's sandwich time, especially during August—Sandwich Month.

Whether it's daytime or after dark, sandwiches are in demand. The versatility, convenience and adaptability of sandwiches make them servable anytime—from breakfast to a bedtime snack. Sandwiches boast the wholesome goodness of wheat in a host of

shapes and styles—hard and soft rolls, seeded buns, crusty French and Italian loaves, brown bread, English muffins, long buns or round ones. Also nut, raisin, cheese or rye bread, whole wheat, cracked wheat and enriched white bread in round or square slices are among the choices. Select a bread, and use your imagination and start building sandwiches.

For filling choose from the many "sandwich-able" dairy products, meats, fish, poultry, eggs, fruits, vegetables and condiments available. Some tips to help the busy homemaker celebrate Sandwich Month and build nutritious sandwiches are as follows: A soft sesame seed-topped roll spread with whole berry cranberry sauce and filled with thin-sliced breast of turkey. A soft bun covered with

with sliced tomato. Other sandwich hints include the following: A toasted bun boasting piping hot baked beans and cut-up franks between the halves. Raisin toast with peanut butter and jelly. Or two slices of rye bread filled with corned beef and cabbage slaw, enhanced with chopped peanuts and mustard pickle relish. Your choice of salad dressing goes on cracked wheat bread slices with lettuce, sliced tomatoes and cucumbers. Hot thin-sliced roast beef au jus and horseradish-flavored sour cream can top a hard, crusty roll. Or you might spread nut bread with a blend of softened cream cheese and chopped prunes or apricots.

Take a vacation from cooking—and serve hearty, wholesome sandwiches often.

### CLOSE TIES MAKE

#### SPANISH LANGUAGE A MUST

The close ties of friendship, business and tourism between Texas and Mexico are making a speaking knowledge of the Spanish language a "must" for Texans.

Business executives and travelers are becoming aware of this need and are preparing to take advantage of these business and cultural opportunities.

Frank Phillips College is ready to meet this need by offering modern conversational Spanish courses taught by a native of Mexico.

In a modern language laboratory, students listen to master voices and repeat the patterns of speech, attempting to mimic as nearly as possible the native pronunciation.

Conversational Spanish 133 is a beginning in communication skill (speaking-understanding). Stress will be on pronunciation, basic grammar, patterns of ideas adapted to class needs and study of Spanish culture. The class meets from 6:30 to 9:45 in room 31 of the James W. Dillard Library on Tuesday evenings.

Evening students register at FPC August 31 and September 1 from 6:30 to 7:30 p.m. in the reading room of the James W. Dillard Library.

## WOMEN PAST 21 WITH BLADDER IRRITATION Suffer Many Troubles

After 21, common Kidney or Bladder Irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondly, you may lose sleep and suffer from Headaches, Backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by curbing irritating germs in strong, acid urine and by analgesic pain relief. Get CYSTEX at drug-gists. See how fast it can help you.

# tomorrow?

Things may be going pretty good now. But you never know what tomorrow will bring.

Suppose it's unemployment. How will you live?

What will you use to tide the family over while you look? Excuses?

Let's hope you never have to find out. But just in case, why not start saving now, while you have a "job." Join the Payroll Savings Plan where you work and buy U.S. Savings Bonds.

It's an easy way to build a nest egg. And now there's a bonus interest rate on all U.S. Savings Bonds—for E Bonds, 5½% when held to maturity of 5 years, 10 months (4% the first year). That extra ½%, payable as a bonus at maturity, applies to all Bonds issued since June 1, 1970... with a comparable improvement for all older Bonds.

With any luck at all your emergency fund may become a vacation, a college education, or a happy retirement.

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember, Bonds are a proud way to save.

**SERVICES PROVIDED BY  
EASTER SEAL SOCIETY FOR  
CRIPPLED CHILDREN, ADULTS**

The Texas Easter Seal Society can provide the following services for handicapped persons who cannot afford to pay all or part of the costs involved\* and who are not eligible for help from any other resource—public or private.

1. Assistance in paying for physical, occupational, and speech therapy when it is prescribed by a medical doctor.
2. Pay for special diagnostic evaluation (such as orthopedic, audiological, language and psychological).
3. Purchase orthopedic equipment such as wheelchairs, walkers, crutches, braces, etc., when prescribed by a medical doctor. (There is a \$200 limit placed on artificial limbs. This \$200 is to be used as "seed money" and hopefully will be matched by local resources such as individuals, service clubs, sororities, foundations, etc.).
4. Help to defray transportation costs\* for treatment or evaluation when the family is unable to meet these costs. This is determined by paying 30¢ per gallon—based on 10 miles per gallon, figured on a round trip basis—or by purchasing round trip bus tickets.
5. Assist families and individuals to reach the right person or agency to obtain help. The Easter Seal Society of Texas cannot provide. People are often eligible for services from public or private agencies but do not know the person, eligibility requirements, or place to obtain the services needed. Perhaps the Texas Easter Seal Society does.

\*A limit of \$150 per client per year for therapy and \$150 for transportation has been set except in unusual cases requiring special attention. This limit can be exceeded only with the permission of the Treatment and Service Committee of the State Board.

All services must be authorized before being rendered by the Treatment and Service Department of the Texas Easter Seal Society. Should you have any specific questions please write The Easter Seal Society of Texas, 4429 North Central Expressway, Dallas, Texas 75205 or call the Treatment and Service Department, AC 214, 526-3811.

In case of emergencies after hours or on weekends, call AC 214, 343-8495 or 326-4849.

**SERVICES WHICH CANNOT BE PROVIDED BY THE TEXAS EASTER SEAL SOCIETY**

1. Tuition, room or board to special schools or sheltered work programs.
2. Surgery, drugs, medication or hospitalization.
3. Non-orthopedic or non-hearing items (such as glasses, contact lenses, dentures, cosmetic devices, etc.).
4. School material (such as books, paper, pencils, etc.).

Brit Parker underwent surgery at a Lubbock hospital for the repair of tendons cut in an accident here Sunday afternoon. He has his arm in a cast.

**PUBLIC NOTICE  
CONSTITUTIONAL AMENDMENT**

Proposed  
NUMBER 7 ON THE BALLOT (SJR 16)  
General Election November 7, 1972

**BE IT RESOLVED BY THE  
LEGISLATURE OF THE  
STATE OF TEXAS:**

Section 1. That Article I of the Texas Constitution be amended by adding a new section to be known as Section 3a, to read as follows:

"Section 3a. Equality under the law shall not be denied or abridged because of sex, race, color, creed, or national origin. This amendment is self-operative."

Sec. 2. The foregoing

amendment to the constitution shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1972, at which election the ballot shall be printed to provide for voting for or against the proposition: "The constitutional amendment to provide that equality under the law shall not be denied or abridged because of sex, race, color, creed, or national origin."

**PUBLIC NOTICE  
CONSTITUTIONAL AMENDMENT**

Proposed  
NUMBER 9 ON THE BALLOT (SJR 20)  
General Election, November 7, 1972

**BE IT RESOLVED BY THE  
LEGISLATURE OF THE  
STATE OF TEXAS:**

Section 1. That Section 33, Article XVI, Constitution of the State of Texas, be amended to read as follows:

"Section 33. The Accounting Officers of this State shall neither draw nor pay a warrant upon the Treasury in favor of any person for salary or compensation as agent, officer or appointee, who holds at the same time any other office or position of honor, trust, or profit, under this State, except as prescribed in this Constitution. Provided, that this restriction as to the drawing and paying of warrants upon the Treasury shall not apply to officers of the National Guard or Air National Guard of Texas, the National Guard Reserve, the Air National Guard Reserve, the Air Force Reserve, the Officers Reserve Corps of the United States, nor to enlisted men of the National Guard, the Air National Guard, the National Guard Reserve, the Air National Guard Reserve, the Air Force Reserve, and the Organized Reserve of the United States, nor to retired officers of the United States Army, Air Force, Navy, and Marine Corps, and retired warrant officers and retired enlisted men of the United States Army, Air Force, Navy, and Marine Corps, nor to Directors of Soil and Water Conservation Districts. A member of the Legislature shall not be eligible to serve as a Director of a Soil and Water Conservation District. It is further provided, until September 1, 1969, and thereafter only if authorized by the Legislature by general law under such restrictions and limitations as the Legislature may prescribe, that a non-elective State officer or employee may hold other non-elective offices or positions of honor, trust, or profit under this State or the United States, if the other offices or positions are of benefit to the State of Texas or are required by State or federal law, and there is no conflict with the original office or position for which he receives salary or compensation. No member of the Legislature of this State may hold any other office or position of profit under this State, or the United States."

Sec. 2. That Section 40, Article XVI, Constitution of the State of Texas, be amended to read as follows:

"Section 40. No person shall hold or exercise, at the same time, more than one Civil Office of emolument, except that of Director of a Soil and Water Conservation District, Justice of Peace, County Commissioner, Notary Public and Postmaster, Officer of the National Guard, the National Guard Reserve, and the Officers Reserve Corps of the United States and enlisted men of the National Guard, the National Guard Reserve, and the Organized Reserves of the United States, and retired officers of the United States Army, Navy, and Marine Corps, and retired warrant officers, and retired enlisted men of the United States Army, Navy, and Marine Corps, unless otherwise specially provided herein. Provided, that nothing in this Constitution shall be construed to prohibit a Director of a Soil and Water Conservation District, an officer or enlisted man of the National Guard, and the National Guard Reserve, or an officer in the Officers Reserve Corps of the United States, or an enlisted man in the Organized Reserves of the United States, or retired officers of the United States Army, Navy, and Marine Corps, and retired warrant officers, and retired enlisted men of the United States Army, Navy, and Marine Corps, from holding in conjunction with such office any other office or position of honor, trust or profit, under this State or the United States, or from voting at any Election, General, Special or Primary, in this State when otherwise qualified."

Sec. 3. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1972, at which the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to provide that directors of soil and water conservation districts are not disqualified from holding or being compensated for more than one office."

Is now the time to refinance loans?

Capital for expansion, more money for your equity, debt consolidation, smaller payments—these are important reasons for adjusting your loan structure. It's sound business to analyze credit obligations at least once each year to make sure borrowed money is being used to full advantage. Let's talk it over. Should you decide to rearrange your debts, we would be glad to make a Land Bank refinancing proposal.

Young Homemakers Have Salad Supper

The P.C.A. community room was the scene of a candlelight salad supper for the Silverton Young Homemakers and their guests on Tuesday, August 15, at 7:00 p.m. Following the dinner, Mrs. Wayne Stephens, Area I Young Homemaker Second Vice President, installed the newly-elected officers. Mrs. Stephens centered her installation around the planets, using the sun to represent the president.

New officers are Mrs. Fred Minyard, president; Mrs. Alan Grimland, vice president; Mrs. Donald Perkins, secretary; Mrs. Tommy Perkins, treasurer, and Mrs. Wayne Stephens, reporter-historian.

Following the installation, outgoing president, Mrs. Dwain Henderson presented each of her officers with a gift as a token of appreciation for their help to her during the year. The club presented Mrs. Henderson with a gift certificate for her service as president of the chapter.

The Young Homemakers birthday-activity calendars were received, and each member has an ample

CARD OF THANKS

Thank you so much for buying your tickets to the Silverton Young Farmers Rodeo from me. I really appreciate your support. A special thanks goes to the Young Farmers for sponsoring me, the belt buckle and the fifty dollars. A special thanks also goes to Dwain Henderson for letting me ride Rusty. Once again, thank you for your support and encouragement. Love, Susie Parker

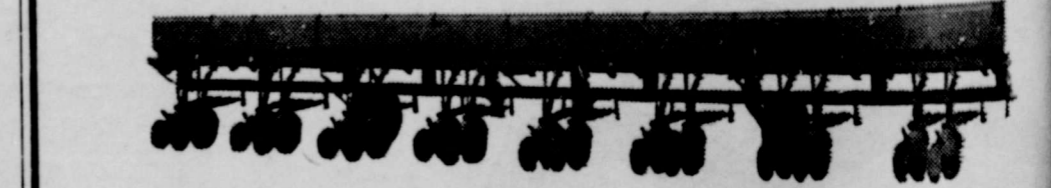

Thank you to all the people who bought rodeo tickets from me and to the Lions Club for sponsoring me in the contest. Thank you, also, to the Young Farmers for the nice gift. Rhonda Sutton

We wish to express our appreciation for the thoughtfulness, love and prayers during our stay at the hospital and since we have been home. May God bless each of you. Charlie, Norma, Brenda and Susan

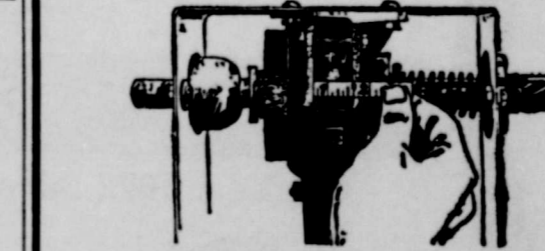

Thanks so much for all the cards, visits and phone calls while I was in the hospital and since I have come home. I will always remember your thoughtfulness. Lorene Crass
