## Owls To Open District Campaign This Week

OWL TRI-CAPTAINS model their new white playing uniforms which have red numerals and lettering outlined with black. The tri-captains are Seniors Mark Hutsell, Terry Culwell and John Burson. (Briscoe County News Photo)

The Junior High and Varsity Owls open their district football campaigns with Wheeler this week, the Junior Owls traveling to Mustang Field this afternoon and the varsity hosting the Mustangs here Friday night.

Last week the Harris Rating System listed the Wheeler Mustangs as the 103rd best Class A team in the state, and the Owls 151st. Of course, the Harris System also rated the Petersburg Buffaloes No. 51 in the state and predicted they would beat the Owls by 20.

Another indication that the Harris System is due some re-vamping is that Springlake-Earth, a team that the Owls beat in a pre-season scrimmage, was still ranked 38th in the state last week.

Wheeler is in a team re-building phase this year, having been hit hard by graduation. The Mustangs will be more the size of the Owls, and a good game should ensue. The Junior Owls will play at 6:00 p.m. today at Wheeler. The Wheeler varsity will play here at 7:30 p.m. Friday.

### FOOTBALL QUEEN

The Owls will crown their Football Queen at 7:15 Friday night. Candidates nominated by the football players are Becky Francis, freshman; Nanette Fitzgerald, sophomore; Sharon Storie, junior; and Rhonda Sutton, senior.

### SPAGHETTI SUPPER

Another special event Friday night will be a Spaghetti Supper served by the Junior class from 5:00 until 7:30 in the school cafeteria. Admission will be \$1.50 for adults and \$1.00 for children under 12. The menu will consist of spaghetti and homemade meat sauce, tossed salad, French bread, coffee, tea and homemade pie. Tickets are available from members of the Junior class and will also be sold at the door.

es Brunson and David of Quitaque; Monty Teeple, a student at San Angelo State College; Mr. and Mrs. Raymond Teeple, Misses Anne and Nelle Bryant and Mr. and Mrs. Perry Brunson.

Ray Teeple and John McGavock were among the 50,000+ fans who attended the Texas Tech vs. Texas University football game in Lubbock Saturday night.

Robert Hughes, who has recently moved from Anchorage, Alaska to Houston, Texas has been here visiting his parents, Mr. and Mrs. Berton Hughes. They and Mr. and

## Cowbells Organize In Tulia Recently

A local unit of the National Cowbells was organized in Tulia September 21 at a noon luncheon. Sixty-eight ladies attended from Tulia, Happy, Hart, Silverton, Lockney, Hereford, Kress, Abernathy and San Jon, New Mexico.

Mrs. Jewel Avent of Tulia, state second vice-president, opened the meeting and introduced Mrs. Jack Carrothers, state president, from Hereford, who explained how the Cowbells can join forces to help promote beef. The group wants the public and consumer to understand they are an important and major segment of the national economy. Cattlemen produce a nutritious, useful and frequently-purchased item, and in turn they spend many dollars in numerous fields to do so.

Mrs. Carrothers gave pointers on how to organize a local unit and the importance of joining the state and national chapters. Pro-tem officers were elected to serve three months to get the local unit organized.

The officers are Mrs. Doug Forbes, Silverton, president; Mrs. Joe King, Plainview, first vice-president; Mrs. Robert Allen, Tulia, second vice-president; Mrs. Hank Winter, Lockney, secretary-treasurer; Mrs. John Culwell, Vigo Park, Mrs. Gordon Montague, Plainview, Mrs. Pascal Garrison, Silverton, publicity chairmen.

The next meeting will be October 26, 1972 at a Dutch Luncheon at K-Bobs Steak House on the Oltown Highway in Plainview. All women interested in the promotion of beef are invited to attend this meeting. The newlyelected officers met Thursday, September 28, 1972 at the home of Mrs. Joe King in Plainview.

Those attending the luncheon from Silverton were Mrs. True Burson, Mrs. W. E. Schott, jr., Mrs. D. T. Northcutt, Mrs. Bernice May, Mrs. Doug Forbes, Mrs. Pat Northcutt and Mrs. Pascal Garrison.

## Pep Squad

### Beau Candidates Nominated

Nominees for Pep Squad Beau were recently revealed. They are Randy Clay, freshman; Ken Wood, sophomore; David McCoy, junior; Terry Culwell, senior. The Beau is to be announced at the Pep Rally before the homecoming game.

The cheerleaders have emphasized that your attendance at the High School Pep Rally Thursday at 7:30 p.m. at the highway barn would be appreciated.

Mrs. Randy Hughes all attended the Texas University vs. Texas Tech football game in Lubbock Saturday night.

## County - Wide 4-H Club To Meet Monday

The County-Wide 4-H Club will have a special meeting Monday, October 9, at 8:00 p.m. in the First State Bank Pioneer Room. Eighty-three senior 4-H Club members (14 years or older) from Floyd County have been invited to be guests of the Briscoe County group.

Guest speaker for the event will be Mr. Ed Garnett, Area 4-H Specialist for the Texas Agricultural Extension Service. Mr. Garnett will explain what 4-H has to offer for teenagers of today.

All teenagers 14 or older who are invited to attend this special meeting. Activities sponsored by the Texas Agricultural Extension Service are open to anyone regardless of race, color or socioeconomic level.

## Booster Club To Meet Friday Night

The Silverton Booster Club will serve coffee and cookies at the P.C.A. community room after the ball game Friday night.

Everyone is invited to stop by for coffee and a visit after the game.

## Mrs. Purcell Presents Books To Briscoe Library

Nancy Attebury Purcell, wife of Congressman Graham Purcell, visited in Silverton on Monday and presented two books to the Briscoe County Library.

Mrs. Purcell pointed out that the books chosen, "We the People" and "Mount Vernon," are particularly useful for every citizen to read and see vividly portrayed some of our richest heritage and how our nation's capitol serves all of us.

She described "We the People" as portraying the capitol where "Graham has spent most of his time during the past eleven years."

"Mount Vernon" is an illustrated handbook on the beautiful estate of our nation's first president, George Washington. When Congress is in session, the Purcells live in an area which was once a part of President Washington's farm. When friends visit from Texas, they enjoy taking them throughout the area. The buildings and monuments in Washington are beautiful and lovely gardens and flowers abound. They travel daily on the George Washington Parkway, a scenic drive along the Potomac River.

"These books were chosen because the topics are very near and dear to the Purcell family," Mrs. Purcell stated. "Graham and I want all of you to come to see us and let us give you the Purcell tour of these historic places," she concluded.

## Selling Pecans

The Silverton Young Homemakers are selling pecans by the one-pound packages for \$1.87 a pound. Contact any Young Homemaker or call Fay Perkins, 823-5851, or Linda Minyard, 823-4141.

Mrs. Ware Fogerson suffered a broken arm in a fall Monday evening.

## COMMITTEES APPOINTED AT INDUSTRIAL BOARD MEETING

The Briscoe County Industrial Board met Monday, October 2, at the City Cafe in Silverton with Ray Teeple presiding.

Argus Burnett and Bill Cheshire of the Texas Panhandle Community Action Corporation met with the group, and Mr. Cheshire gave a report on Briscoe County population, age groups, etc.

President Teeple appointed Glen Lindsey, O. R. Stark, jr., Jake Merrill and Charles Sarchet to work up a form for a labor survey.

Jack Robertson M. G. Moreland and Fred Mercer were appointed to get a charter drawn up.

Helen Strange and Syble Martin were appointed to be in charge of the labor survey.

Anyone wishing to volunteer to help with the labor survey in Silverton or Quitaque is asked to contact Helen or Syble at their office in the basement of the Briscoe County Courthouse.

The group will meet at 8:00 p.m. Tuesday, October 10, at the City Hall.

## "Little Sister" Tea Hosted Here

In observance of Young Homemakers of Texas Week, the Silverton Young Homemakers sponsored a "Little Sister" Tea for the FHA members on Thursday, September 21 in the home economics department.

Punch and a variety of cookies were served to Louise Kitchens, Pam Hutsell, Doris Cantwell, Kerri Arnold, Debra Strange, Becky Francis, Jeanette Arnold, Sherri McJimsey, Danna Garvin, Denise Culwell, Amy Birdwell, Rhonda Sutton, Debra Roehr, Debbie Boyd, Tammy Stephens, Marilyn Asebedo, Ann Hardin, Debbie Cantwell, Diane Little, Laura Arnold, Nancy Clark, Christi Northcutt, Brenda Payne, Kaedean Bomar, Cindy Walker, LaNell Stephens, Jean Reeves, Rhonda Sweek, Donna Stodghill, Jana Futch, Reba Chapell, Retha Minyard, Joan Cross, Celia Martin, Roma Clayton, Jill Hutsell, Darla Strange, Jana Cross, and their advisor, Miss Elaine Reeves.

Young Homemakers present were Miss Linda Baird, Mrs. Fred Minyard, Mrs. Donald Perkins, Mrs. Tommy Perkins and Mrs. Wayne Stephens.

## Albert H. Turner Buried at Lockney

Funeral services for Albert Hardin Turner, 77, a retired Lockney farmer and carpenter, were conducted at 10:00 a.m. Friday at the First Baptist Church in Lockney with Dr. Neil Record, pastor, officiating. Burial was in the Lockney Cemetery with arrangements directed by Carter Funeral Home. Mr. Turner died about 10:00 a.m. Wednesday in a Plainview hospital after a brief illness.

A native of Collin County, Mr. Turner had resided in West Texas since 1941.

Surviving are five sons, W. A. Turner of Borger, Carl W. Turner of Floydada, William Ray Turner of Irving, Billy Gene Turner of Silverton and C. L. Turner of Lubbock; two daughters, Mrs. Maxine Griffith of Lockney and Mrs. Ravnell Cummings of Glen Rose; 28 grandchildren, one of whom is Gary Turner of Silverton, and five great-grandchildren.

Sunday dinner guests in the Ray Teeple home were Mr. and Mrs. Johnny McGavock and Trevor of Oklahoma City; Mr. and Mrs. Jam-

# County 4-H Achievement Banquet Is Saturday Here

The annual Briscoe County 4-H Achievement Banquet will highlight the special 4-H Week observance in Silverton Saturday night, October 7, at 8:00 p.m. in the Silverton School Cafeteria. This annual event is held to honor county 4-H members, parents and adult leaders who have worked during the past year to make the 4-H program a success.

The banquet's main purpose is to honor the award recipients for

1972, but is planned for all 4-H members and their families and special guests. Last year over 200 4-H family members and guests attended the event, and plans are being made for an even bigger event this year.

Highlighting the banquet again this year will be the presentation of the 1972 4-H Gold Star Awards to the outstanding 4-H boy and girl in the county. The Gold Star Awards are the highest 4-H a-

wards presented on the county level and go to only one boy and one girl each year. Other awards that will be presented again this year include the High Plains Key Award for outstanding Junior Leaders, the outstanding Adult Leader Awards, and county medals to individual 4-H members who have done the best job in their 4-H project work and record books during the year.

"The past year has been a very

successful one for 4-H in Briscoe County," said County Agent Jackie Johnson. "The banquet will climax the year's activities and provide a challenge to make the coming year's activities even better."

The event will also close out the 1972 National 4-H Week which is being observed by 4-H'ers all over the United States October 1-7. There are over 80,000 4-H members in Texas alone observing the week set aside for honoring 4-H work.

stock shows. Sixteen  
members had swine projects  
exhibited over 40 barrows at  
Briscoe County, Amarillo, Fort  
Lubbock livestock  
Four 4-H members had  
projects and exhibited them  
Briscoe County, Am-  
Lubbock shows.  
4-H Horse Club boasted a  
membership of 51 members and  
the year they took part in  
a fund night, two par-  
which they won trophies,  
pivots for the Silverton Ro-  
and entry one night, held  
largest County 4-H Horse  
Ten members of the club  
at the District 4-H Horse  
at Post and two members  
in the State 4-H Horse  
in San Antonio.  
In addition to the 4-H events  
of the members participated  
for local and area shows in  
humble.  
4-H foods and nutrition pro-  
a favorite during the year  
forty-four 4-H members, in-  
eight boys, completed food  
in eight food groups. Of  
members, approximately 38  
in the County 4H Food  
in March. Six of these mem-  
participated in the District  
and Show in Lubbock in Ap-  
er of the most popular  
in the county during the  
as the 4H clothing project.  
imately 35 4-H members  
ded clothing projects and  
of the girls competed in the  
4-H Dress Revue in June.  
two girls participated in  
District 4-H Dress Revue in  
July.  
The leadership is a popular  
for the older 4-H members.  
get an opportunity to help  
4-H members with their  
and plan and conduct  
side activities. Also this  
Briscoe County was se-  
to attend the 4-H Electric  
for junior leaders, and seven  
4-H members from this coun-  
participated in the training at  
4-H Camp near Cloud-  
New Mexico.  
4-H contests held in the  
gave 4-H members an op-  
ty to "learn by doing" and  
their abilities in speaking  
an audience, exercising  
judgment, making decisions,  
and preparation and com-  
with other members. Thirty-  
4-H members from Briscoe  
competed in the District  
contests in Lubbock in May.  
members took part in horse  
livestock judging, dairy  
share-the-fun, vegetable  
tion and use demonstration  
natural resources demonstra-  
been a busy but a fruit-  
for 4-H members here in  
County. Activity is what  
a strong program like 4-H  
and it takes the support of  
the community to do so.  
something Briscoe County  
can be proud of.  
The old project year is closed  
with the annual Awards Ban-  
and increased numbers  
projects have begun or are be-  
for the coming year.  
two 4-H members have  
on feed, 11 4-H members  
steers on feed and 21 4-H  
have or will have over  
pows on feed for the winter  
shows. In addition to the  
ek projects on feed for the  
four 4-H members are car-  
breeding sheep as a project,  
members have breeding  
projects, at least one mem-  
carrying stocker calves as a  
and another member has  
a rabbit project.

# Extra Point Spells Difference Between Owls and Buffs

The Petersburg Buffaloes took a pair of wins from Silverton last week, a conversion point being the margin of the varsity win on Friday night.

The Owl defense put on a tremendous show for the fans, but the Owl machine never could get its offense in gear. "We think the Buffs had the best defense we've seen this year," head coach Eu-

Head-Hunter — Tri-Captain John Burson was recipient of the Head-Hunter Award for the Petersburg game, a defensive struggle in which he nailed his man for a loss behind the line of scrimmage.

gene Jennings told the Booster Club Monday night. "They may have a better defensive club than Littlefield. It was a defensive game all the way."

The Owl defense brought about

five turnovers from the Buffs, once on downs, once on an interception and three fumbles. The Owls lost the ball once on downs, and once on an interception which occurred on the last play of the game as Owl Quarterback Ken Wood heaved a long do-or-die pass downfield and a black-shirt came up with it.

The Owls punted eight times and forced five Buffalo punts.

The Owls had a total offense of 102 yards, while the Buffs rushed for 187 yards and passed for 61 yards more. The Owls were penalized five times for 45 yards, and the Buffs committed four infractions for 50 yards.

Petersburg made 15 first downs and the Owls made only five.

Silverton ran 55 plays and Petersburg ran 65.

Petersburg's touchdown drive came on their second possession of the game. The Buffs took a Silverton punt on their own 25, made first downs on their 36 and 46 and the Silverton 44 before a 15-yard penalty against the Owls gave them another first down on the 20. After passing for an eight-yard gain, Senior Fullback Richard Rendon received the call and carried the touchdown. Gilbert Champion, a junior guard, kicked the extra point, and the Buffs led 7-6.

In the second quarter, Petersburg penetrated to the Owl-19 before getting a holding penalty, and fumbled on the 30 yard line. Terry Culwell recovered for the Owls.

Shortly after the beginning of the second half, the Owls forced another fumble and this was recovered on the Petersburg-32 by Mark Hutsell. Silverton ran three plays and punted to the Buff-12, where the Owl defense forced the ball carrier to cough it up, and a

HEAD-HUNTER—Tri-Captain Terry Culwell received the Head-Hunter Award for the Groom game. Note the number of skull and crossbones emblems on his helmet.

gain Terry Culwell recovered for the Owls.

Silverton picked up a first down on runs by David McCoy and Craig Culwell, and McCoy carried the last two yards into the end zone. The Owls went for a two-point running conversion and failed, and trailed 7-6 the rest of the game.

In the fourth quarter, John Burson came up with his second interception of the year, and this time ran like a halfback for several yards before being brought down.

Burson, Mark Hutsell, Mike Grady and Mike Griffin were some

of the outstanding players for the Owls in this game. Burson received the Head-Hunter Award for the game.

## JUNIOR HIGH

The Junior High Owls played a very tough defensive game against Petersburg last Thursday night. The game was actually much closer than the 20-2 score indicates, because, except for a long pass, an intercepted pass and a punt return, the defense held the Buffs away from the end zone.

There was no penetration by either team in the first quarter. In the second quarter Petersburg scored on a 40-yard pass play. The quarterback keeper on the conversion was stymied, and the Buffs had a 6-0 lead.

The Owls gained to the Buff-30 in the second quarter before a pass was intercepted and run all the way back for a touchdown as time expired in the first half. The running conversion attempt failed, and the Buffs had a 12-0 halftime edge.

On the first play in the third quarter the Owls fumbled and Petersburg recovered. Later the Buffs ran a Silverton punt back 25 yards for another touchdown. They ran the conversion in, and led 20-0.

In the fourth quarter, Silverton's defense kept throwing the Buffs for losses until finally they threw the ball carrier back into the end zone for a two-point safety.

Darrell Reynolds quarterbacked the Owls and also intercepted a Petersburg pass during the fourth quarter.

Tri-captains for the Owls were Brent Bean, Danny Perkins and Jack Robertson.

HEAD-HUNTER—Senior Lineman Rex Clayton was awarded the Head-Hunter Award by the coaches for the Littlefield game. The Award is given each week to the player who delivers the hardest blow to his opponent.

## DEAR EDITOR:

In the past several years I have had occasion to live in a number of different sized towns in a number of different areas. I feel that I can say without fear of contradiction that none of them compare with Silverton when it comes to thoughtfulness and the willingness to help in a time of need.

When I was in the process of moving my drug store about four weeks ago, I was barely able to get around on crutches. The morning that I was to move all the merchandise and fixtures, I hobbled into the drug store and found nine people with boxes in hand wanting to know where I wanted what.

Words can't describe the feelings one gets when something like

## 4 New Sound-Idea Tractors Featuring Sound-Gard body... a world apart from any old cab

It's not incomplete like a cab. It's a total body—the John Deere Sound-Gard body, a complete unit with seat, all controls, and instrument panel intact... a total body like that on your car and pickup. Sound-Gard body attaches firmly to the tractor... yet it isolates you from that tractor. It's actually free to flex slightly when you're on rough ground. Noise level is down to 85 dB(A) so you can easily hear the optional radio or 8-track stereo tape player. Equip Sound-Gard body with heater and air-conditioner and you have total temperature control winter and summer. Sound-Gard body—one of the many sound ideas in new John Deere 4030, 4230, 4430, and 4630 Tractors. Stop in soon and get the full story.

### 4-H DOINGS

#### ACTIVITIES OF 4-H WORK

are organized groups of boys and girls who are engaged in related activities under the leadership of Cooperative Extension workers and local volunteers.

4-H work is beneficial in many ways. It recognizes work well done, stimulates initiative, and promotes sportsmanship. 4-H is part of the national

system of Cooperative Extension work in agriculture and home economics in which the United States Department of Agriculture, State Colleges of Agriculture and County Extension Organizations participate.

Boys and girls between the ages of 9 and 19 who agree to "learn by doing" may enroll. The 4-H Club motto is "To Make The Best Better."

Each club plans and carries out programs based on the needs and interests of young people. It holds regular meetings and takes part in community activities. There

are 4-H Clubs in most counties of every state in the U. S., as well as Puerto Rico. There are also active 4-H Club organizations in many foreign countries.

4-H provides opportunities for voluntary participation in programs built on needs and interests, through which 4-H members develop talents for greater usefulness.

4-Hers join with friends for work, fun and fellowship, learn to live in a changing world, choose a way to earn a living, produce food and fiber for home and market and build health for a stronger

America. 4-H members learn to share responsibilities for their community and help promote world peace. There are dozens of projects for all. All needed information about 4-H work can be obtained from the local County Extension office in the basement of the Briscoe County Courthouse: how to join, how to begin your 4-H project.

4-H Clubs for the nation were started in Jack County, Texas. In 1908, County Agent Tom Marks organized a boys "Corn Club." The previous year he attempted a corn growing contest with farmers, climaxed at the harvest season by a corn show. Very few farmers showed up for the show. County Agent Marks stated that "You can't teach an old dog new tricks so next year I'll try the pups." He enrolled several of the men's sons in corn growing projects and had a very successful corn show that year.

The first girl's 4-H Club was in Milam County as a "Tomato Club" in 1912. Since that time 4-H work has grown nationwide into the vast size it now holds.

From the beginning 4-H work has become the largest rural youth organization in the world. Fifty-two foreign countries have organizations similar to our 4-H clubs.

4-H members carry on home projects in agriculture and home economics work in related subjects. They participate in the achievement event food shows, dress reviews, livestock shows, judging and demonstration teams, recreation and in general get a well rounded experience in citizenship and leadership development as a result of being a 4-H member.

The main aims are character development and good citizenship. Specifically, 4-H stresses mental, physical, social and spiritual growth of young people by helping them to:

1. Gain knowledge, skills and qualities for a happy home life.
2. Enjoy useful work, responsibility and satisfaction in accomplishment.
3. Value research and learn scientific methods and decision making and problem solving.
4. Know how scientific agriculture and home economics relate to our economy.
5. Explore career opportunities and continue needed education.
6. Appreciate nature, understand conservation and use resources wisely.
7. Foster healthful living, purposeful recreation and constructive leisure.
8. Strengthen personal standards

### SPRAY DIPPING BILL

#### RECOMMENDED FOR

#### INCLUSION IN SPECIAL SESSION

A House Bill to have spray dipping approved as an alternative to total submersion in the treatment of cattle for scabies control has been recommended by both the Speaker of the House of Representatives and the Lt. Governor for inclusion in the call of the Special Session. Co-sponsor of the bill is Rep. Tom Christian of Claude.

At present, the Texas law recognizes total submersion as the only acceptable method of treatment for cattle scabies. However, cattlemen are now leaning toward the spray dip method, saying that it is more satisfactory, easily adaptable and would produce the same results at less cost to the owner of the livestock.

The bill is endorsed by the Texas and Southwestern Cattle Raisers Association. The spray dip method is accepted in all states with the exception of Texas.

"Scabies control is vital to the productivity of the Panhandle and the simplification of the movement of livestock from one area to another," Christian said. "It is only fair that the Texas producer receive the same consideration as those of the other 49 states."

### KEY HOUSE APPOINTMENTS

#### RECENTLY MADE IN AUSTIN

Key House committee appointments of particular importance to the Panhandle were made recently by House Speaker Rayford Price. The appointments were made prior to new legislation expected to flood the legislative body due to

and philosophies.

9. Acquire traits, attitudes and understanding to work well with others.

10. Develop leadership talents and abilities to become better citizens.

—Jackie Johnson

Governor Smith's opening the call of the Special Session.

A key assignment was the appointment of Tom Christian of Claude to the important State Affairs Committee. This committee hears and decides all matters of major state policy.

Representative Christian also

serves on the following committees: Parks and Wildlife; Elections; Business and Marketing Affairs and Penitentiaries.

When asked to comment, Representative Christian said he was extremely pleased by the confidence placed in him by the Speaker.

### If your six year old saw something like this, would he know how to phone for help?

It's too important a question to leave to chance. That's why we're running this ad.

If there are any six- or seven-year-olds around your house, teach them how to report emergencies. Tell them to dial "0", give their name and tell our operator where they are and what's wrong.

With older children, train them to dial emergency numbers direct, since that's the fastest way to call for help. But don't stop there. Copy down the emergency

numbers listed on the inside front cover or first page of your telephone directory. Add your family doctor's number. And the number of the nearest hospital. Next, tack up the list near your phone.

Then get your kids to memorize it, in case it gets lost. By the time they're through memorizing those numbers, they're going to have every grownup in the house knowing them, too.

Which is also why we're running this ad.

**GENERAL TELEPHONE**

The people you can talk to One-to-One

## THE LETTERMEN

"There's nothing the Lettermen enjoy more than putting together a little close harmony... On the highway we make harmony by blending in with traffic. Driving Friendly to make it all work together."

# This Is 4-H Week

## My 4-H Swine Project

by Mark Jay Patton  
I have a swine project.  
One hot day as I was walking my hogs the hogs got too close to the muddy tank. They got into the mud up to their necks. My brother and I tried to get the hogs out. I went to my grandmother's to get help.  
My grandmother called my mother to help get the hogs out but my mother nearly fell in the mud. We had to go get my cousin to help get the hogs out. He had to put a chain around them to pull them out. My mother had to help walk them home.

LINDA VAUGHN

## Why I Like 4-H

by Linda Vaughn  
I like 4-H because you can learn different things. In Foods you learn how to cook and in Clothing you learn how to sew. In the other projects you learn to care for animals and other things. In 4-H you also get ribbons for doing nice things. So this is the reason I like 4-H.

PAUL FEEDING "HOT STUFF"

## Things I've Learned

by Paul Brannon  
My favorite thing about 4-H is showing my animals.  
My favorite animals are pigs. Mostly I like Hampshires.  
This is what I learned in raising pigs:

MIKE AND HIS 4-H LAMB

## What 4-H Means To Me

by Mike Cornett  
The thing 4-H means to me is to compete in shows and to take care of your stock and to have a lot of responsibility with your stock such as to feed your animals and to clip and shear the animals.

YOVONNA AND HER RIBBONS

## My 4-H Ribbons

In my first year in sewing, I got a blue ribbon on my dress.  
In my first year in cooking, I got a blue ribbon in Briscoe County for my banana pudding in the milk group. I went to Lubbock and got a red ribbon there.  
In my second year in sewing, I got a red ribbon in Briscoe County with my pantsuit.  
In 4-H, Bob Ann Whelchel and I went to Lubbock with a soil conservation demonstration and won a white ribbon.

## 4-H Swine Project

by James Alan Patton  
When I was at the Fort Worth Stock Show, I was showing a hog in the Crossbred Class. I waited all day to show the hog. I tried to get him in the show pen and he got away from me. I looked all over and couldn't find my pig.  
My father showed me where it was. The hog got out of the show pen and we ran it up and down the allies of the building. Finally we caught him and put him in the truck.

GREG AND HIS HORSE

## Why I Enjoy 4-H

by Greg Hill  
I like 4-H because I like to show my animals. I enjoy showing sheep and horses. In 4-H I learn how to show, feed and groom my animals. The best way to tell this is that I have a responsibility.

KIM AND HER 4-H LAMB

## 4-H Is Fun To Me!

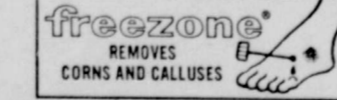

by Kim Cornett  
This is the story of me and my lambs when preparing for the show here and everywhere else. When doing this it keeps me pretty busy because I have to feed and run the lambs. What I don't like is washing and drying the lambs. But after it is done, it was all worth it, the prizes and all. If you don't win, be a good sport about it and smile.

## My 4-H Story

by Cynthia Ann Edwards  
This is my first year in 4-H. I will not like it when I have to sell my calf and pay daddy back. But maybe I will have some money to spend.  
I think 4-H is fun. I have fun working with my calf.  
Don't know what I will do when my calf is sold.  
I guess I will hurry and find another one for next year.

## Freezone is for corns that hurt.

Absolutely painless. No dangerous cutting, no ugly pads or plasters. In days, Freezone eases the hurt... safely helps ease off the corn. Drop on Freezone—take off corns.

## Stomach Upset by Gas and Acid?

Di-Gel with Simethicone quickly relieves gassy-acid upset.  
This unique discovery breaks up and removes painful gas-bubbles. Your relief is more complete because Di-Gel takes the acid and the gas out of acid indigestion. When you eat too well, demand Di-Gel, Tablets, liquid. Product of Plough, Inc.

## Home Notes

by Mrs. Dorothy Powell  
Briscoe County  
Home Demonstration Agent

Hunting seasons for dove and quail are open for most parts of Texas. Dove and quail make tasty wild game treats when properly prepared.

Age quail and dove at a temperature just above freezing for 24 to 28 hours to remove some of the gamey flavor which may detract from eating pleasure. Dry-plucking the birds, rather than skinning them, conserves flavor and moisture. After they are plucked, singe them over a flame to remove the down.

Next, make a cut along or across the back to split the bird apart and remove the entrails. Then remove the head, claws and feet. Wipe the body cavity clean with a damp cloth.

Once dressed this way, they are ready for immediate use or for freezing.

Frying is a popular way to prepare quail and dove. First dredge the birds in flour, salt and pepper then and fry in deep fat. Brown each bird on both sides. Then lower the temperature, cover the skillet and cook slowly for about 20 minutes, turning once to brown evenly.

To freeze dressed birds for later use, place in moisture-vapor proof containers. Label these containers with the name and date, and store at zero degrees F. They may be stored at this temperature from six to twelve months.

Besides serving as a taste treat, dove and quail are nutritious. They are excellent sources of protein needed for growth and repair of body tissues.

Wild game birds can offer a refreshing and nutritious change in menu when hunting seasons arrive—and afterwards, during holidays—when cooked or frozen properly.

Several copies of a booklet on Wild Game Care and Cooking have been placed in the rack in the hallway by the extension office. Please feel free to pick one up if this will be of help to you.

## Winners Announced In Heading, Heeling

Silverton Young Farmers sponsored a Heading and Heeling Contest Sunday, September 24, at the rodeo arena.

During the event, a saddle was given away. Cynthia Hale, daughter of Mr. and Mrs. G. W. Chappell, was the lucky winner. Each one paying admission had a chance on the youth saddle, which was donated by Glen Lindsey, Service Elevator and Acco Seed, Inc.

An interesting exhibition was given by Jimmy Myers, a member of the Young Farmers. He volunteered to ride a steer if the crowd would donate \$50.00 to Girlstown, USA. The crowd came across with \$56.00, and Myers rode the steer for approximately six seconds before he bit the dust.

In the section one roping contest, the following were winners: First Go-Round—1. Cowboy Johnson and Tommy Blasingame, Happy, 8.4; 2. Tommy Blasingame and Cowboy Johnson, Happy, 12.1; 3. Mike Jones and Wayne Dendy, Plainview, 15.5

Second Go—1. Cowboy Johnson and Sparky Stevens, Happy, 8.5; 2. Tommy Blasingame and Cowboy Johnson, Happy, 10.5; 3. Sparky Stevens and Cowboy Johnson, Happy, 12.9

Third Go—1. Cowboy Johnson and Sparky Stevens, Happy, 9.5; 2. Mike Jones and Wayne Dendy, Plainview, 12.7; 3. Clois Osburn and L. H. Wood, Silverton, 13.7

Average—1. Tommy Blasingame and Cowboy Johnson, 38.9; 2. Cowboy Johnson and Sparky Stevens, 44.1; 3. Cowboy Johnson and Tommy Blasingame, 55.6

Winners in the second section of roping were: First Go—1. Doyle Baggett and Rusty Mosley, Claude, 9.0; 2. Cowboy Johnson and Tommy Blasingame, 9.8; 3. Cowboy Johnson and Sparky Stevens, 14.7

Second Go—1. Tommy Blasingame and Cowboy Johnson, 12.1; 2. Cowboy Johnson and Tommy Blasingame, 15.4; 3. Sparky Stevens and Cowboy Johnson, 15.9

Average—1. Bill Blasingame and Cowboy Johnson, 15.6; 2. Jerry Martin and Ronald Welch, Silverton, 16.7; 3. Tommy Blasingame, Happy, and Dee Arnold, Silverton, 22.5

## Open House Well Attended

Mr. and Mrs. Carroll Garrison's open house Sunday afternoon was well attended, with 165 people signing the guest book.

Many local relatives and friends were served coffee, donuts, punch and homemade cookies.

Relatives and friends attending from out of town included the builders, Mr. and Mrs. Fred Huggins and Mr. and Mrs. John Huggins, all of Lockney; Mr. and Mrs. Elmer White, Ruth and Sharon, Mr. and Mrs. Frank Watson, Hereford; Mrs. Larry (Jerry) Sculley, Atlanta, Georgia; Mrs. Mollie Simpson and granddaughter, Tanya, Northfield; Mr. and Mrs. John Irwin, Mr. and Mrs. Edgar Lee, Mrs. Ernest Fisher and Mrs. Richard Sea, Matador; Mr. and Mrs. Keltz Garrison, Mr. and Mrs. Howard Steen, Plainview; Mr. and Mrs. Chip Garrison and Kathy, Mr. and Mrs. Chuck Saul, Tracy and Tonya, Lubbock; Mrs. Leroy (Hudson) Saul, Kress; Mr. and Mrs. Minyard Field, Mr. and Mrs. Ernest West, Guy Garrison, Mr. and Mrs. Jake Watson, Floydada; Mr. and Mrs. C. V. Brown, Happy; Mr. and Mrs. Cecil Seago and Debbie Pigg, Amarillo; Mr. and Mrs. O. D. Tarpley, Lockney; Mrs. Florence Baker,

ton, 22.5  
On the third section it was winner take all, and Happy ropers captured it—Bill Blasingame and Sparky Stevens, with a time of 23.3.

# PLACIDITY

"Thou wilt keep him in perfect peace, whose mind is stayed on thee. Because he trusteth in thee." Isaiah 26:3

"The peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus." Phillipians 4:7

God has never promised life without trouble nor progress without striving. He has, however, promised that amid the tumult and strife He would give us an inner peace if we let Him live in our hearts.

Learn about this unusual peace offered to all freely.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

### A Letter From Daddy

Her father has sent a letter and a picture, too, to show his family what he's doing while they are apart. It makes them feel close and it comforts them.

Our Heavenly Father has written us a love letter and given us a picture of what He is doing for us while we're apart. Both are contained in the words of the Bible.

In Jeremiah 31:3 He says, "I have loved thee with an everlasting love; therefore with loving kindness I have drawn thee."

And Our Lord tells us in John 14:2, 3, "In my Father's house are many mansions; if it were not so, I would have told you.

I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself: that where I am, there ye may be also."

We invite you to attend church this week. You'll receive a blessing from having done so.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
