Gold Star 4-H'ers
Honored Recently

The top 4-H boy and girl from
the 20 South Plains coun-
ties in District 2 of the Texas Ag-
ricultural Extension Service were
honored at the 15th Annual Dis-
trict 4-H Gold Star Banquet at the
Clarendon High School Cafeteria in
Clarendon at 6:30 p.m. Monday, No-
vember 20.

Among these were Debbie
Francis and John Burson of Sil-
verton. Their parents are Mr. and
Mrs. Elton Cantwell and Mr. and
Mrs. Don Burson. The 4-H Gold
winners, their families and
County Extension Agents Jac-
queline Johnson and Dorothy Powell
were invited to attend the ban-

The Gold Star Award is the
highest county award given by
the Extension Service, according
to the District Extension Agents,
Catherine B. Crawford and
C. Gunter. Personal develop-
ment, leadership, outstanding a-
chievement in 4-H result demon-
strations and activities plus con-
tributions to the overall county
program are factors consider-
ed in selecting the award winners.
Guest speaker at the annual
banquet was Dr. H. O. Kunkel,
Director of Agriculture, Texas A&M
University.

El Wilkes, Farm Director of
WFO Radio, served as master
of ceremonies, and James Laney,
District Representative-elect, Dis-
trict 26, was the narrator for
the presentation of awards.

Merle Roehr injured a knee and
sprained his leg just below the knee
during football workout last week and
underwent surgery at St. Antho-
ny's Hospital in Amarillo on
Monday.

Den 11 Cub Scouts visited the Silvertown Fire
Department recently. They are Eber Gill and

The Old Masters of Swing, a group of musicians mostly from Plainview, but including one Silvertown resident and some from other area towns, will present a program of music at the Silvertown Lions Club Ladies Night Monday, November 27, at 7:00 p.m. in the Silvertown School Cafeteria.

Jack Sutton of Silvertown is pianist for the group, which has performed for civic groups, chamber banquets and other functions for several years around Plainview. Members of the group expected here for Monday's program include Sutton; Dr. Clovis Clough on cornet; Dr. Gale Seigler on guitar; Dr. Curtis Baldwin on string bass; Arch Keys on drums; Dalton Wood of Slaton on saxophone; Bob Kern of Slaton on trombone and Art Ratzlaff of Floydada on steel guitar.

Clough, Seigler, Baldwin and Keys are Plainview residents. Dr. Clough is an optometrist; Dr. Seigler, a dentist; Keys, a florist; Sutton, a farmer; Ratzlaff, a printer; Kern, an insurance agent, and Wood is publisher of a weekly newspaper.

Everyone is invited to come and

Brent Bean Jr.-High Pep Squad Beau

Brent Bean was presented as the Junior High Pep Squad Beau during the pep rally last Thursday afternoon.

Bean is an all-season sports participant, playing football and basketball, and doing well last year in the seventh grade pole vault in track.

Other candidates for Pep Squad Beau were Brad Ziegler, Jack Robertson and Dayne Mayfield.

Area Blanketed By Snowstorm

The first heavy snowstorm of the season dumped an estimated seven inches of snow on Silvertown over the weekend, following on the heels of an ice storm two weeks earlier which had resulted

Farmers Union Head Condemns Cotton Decision

Texas Farmers Union President Jay Naman of Waco condemned the Department of Agriculture's decision on next year's cotton program as being "devastating" to Texas cotton farmers. In a statement released Thursday, Naman said, "The decision by Secretary Butz to reduce cotton payments is the second of a one-two punch on the cotton farmer's chin. Mr. Butz landed the first blow with the announcement that the last year's low loan level would be extended for another year. He now adds insult to injury by depriving cotton farmers of 13% of their pay acres. This will be a knock-out blow to many Texas cotton farmers."

Naman pointed out that the Department of Agriculture encouraged more cotton production and created the low price condition that now plagues the Cotton Belt. He said that USDA seems intent on putting soybean and feed grain producers next year in the same predicament as cotton farmers this year.

"By removing the 20% set-aside, Secretary Butz is opening the door to the expansion in production of possibly two million more acres in soybeans on cotton acres that have been out of production. This will provide the incentive for sou-

EXTENSION AGENT TO CHAPERONE TEXAS DELEGATION TO 4-H CONGRESS

Kenneth Cook, Swisher County Extension Agent, will chaperone 38 4-H Club youngsters from throughout Texas to the 51st National 4-H Club Congress held in Chicago, Illinois, November 26 - December 1.

Cook is the son of Mr. and Mrs. D. A. Cook of Coleman, Texas and began public school work at Talpa. He was graduated from Seminole High School in 1958 and received a BS and MS in Animal Science at East Texas State University in 1963 and is currently serving as Swisher County Extension Agent.

Cook is married to the former Brenda Roberts of Throckmorton and they are the parents of two daughters and reside in Talpa. Cook was County Extension Agent in Briscoe County before being transferred to Swisher County and Mrs. Cook taught in the Silvertown Schools.

Clarendon Advances To Playoffs Friday

Clarendon's Bronchos, undefeated in District 2-A this season, advance to the playoffs Friday night, and are scheduled to play Canadian at Pampa.

Canadian and Sanford-Fritch tied for the District 1-A title, and Canadian is representing the district by virtue of its win over Sanford-Fritch.

Silvertown finished 3-4 in District 2-A, losing to Clarendon, Memphis, Claude and Wheeler, while taking wins from McLean, Wellington and Valley High.

DISTRICT 2-A STANDINGS			
	W	L	Pts. Op.
Clarendon	7	2	364 83
Memphis	6	1	259 37
Claude	5	2	152 109
Wheeler	4	3	132 111
Silvertown	3	4	121 185
McLean	2	5	58 150
Wellington	1	6	82 172
Valley High	0	7	14 289

WEEKEND RESULTS

Clarendon 27, Wheeler 6; Claude 55, Valley High 0; McLean 9, Wellington 6; Memphis 58, Silvertown 0

The Owls tried to recover from their loss to Clarendon here last Friday night, but with the injuries the team already had and a few more they kept picking up, the red and white wasn't ever able to get out of the ground.

Craig Culwell was taken to the hospital with a neck injury, Dean Ziegler had a bad leg cramp, Mikel Grady donned his uniform to play in his last game as a senior with a back injury that really should have kept him on the sideline. Derrel Martin also went into the game after being in the hospital until three o'clock that afternoon being treated for appendicitis. John Minyard got shaken up in the game, and John Burson was on the sideline with a knee that is recuperating from surgery. Merle Roehr was in the hospital with a broken leg and torn-up knee.

David McCoy also was shaken up in the game.

They're a pretty battered bunch of Owls after the 58-0 loss to the Cyclones, but are looking to the basketball season which opens Friday night at Kress. There is a scrimmage scheduled Wednesday afternoon with Floydada.

Mrs. S. P. Brown Buried Here Sunday

Funeral services for Mrs. Myrtle M. Brown, 89, a long-time Briscoe County resident, were conducted at 2:30 p.m. Sunday at the First Baptist Church here.

Rev. Larry Wilson, pastor, officiated. Burial was in the Silvertown Cemetery, with arrangements under the direction of the Silvertown Funeral Home.

Mrs. Brown died Friday at the Swisher Memorial Hospital in Tullia.

Born in Union County, Tennessee, she moved to Silvertown from Tarrant County in 1930. She was a member of the First Baptist Church.

She is survived by her husband, Sam P. Brown; four sons, Roy S. Brown of Silvertown, Norman J. Brown of Fort Worth, G. M. Brown of Tullia and R. L. Brown of Roscoe; three daughters, Mrs. A. A. Heard and Mrs. D. E. Lambert of Fort Worth and Mrs. J. W. Freeman of Dallas; a brother, Brooks Moore of Kennedale; six sisters, Mrs. Will McClendon of Hico, Mrs.

Church Meetings Resume At Quitaque

Presiding Minister Rex J. Tiffin, sr. announced that meetings for the Quitaque Congregation of Jehovah's Witnesses were resumed this week with the regular schedule of Bible study activity being conducted at the Kingdom Hall at First and Jago.

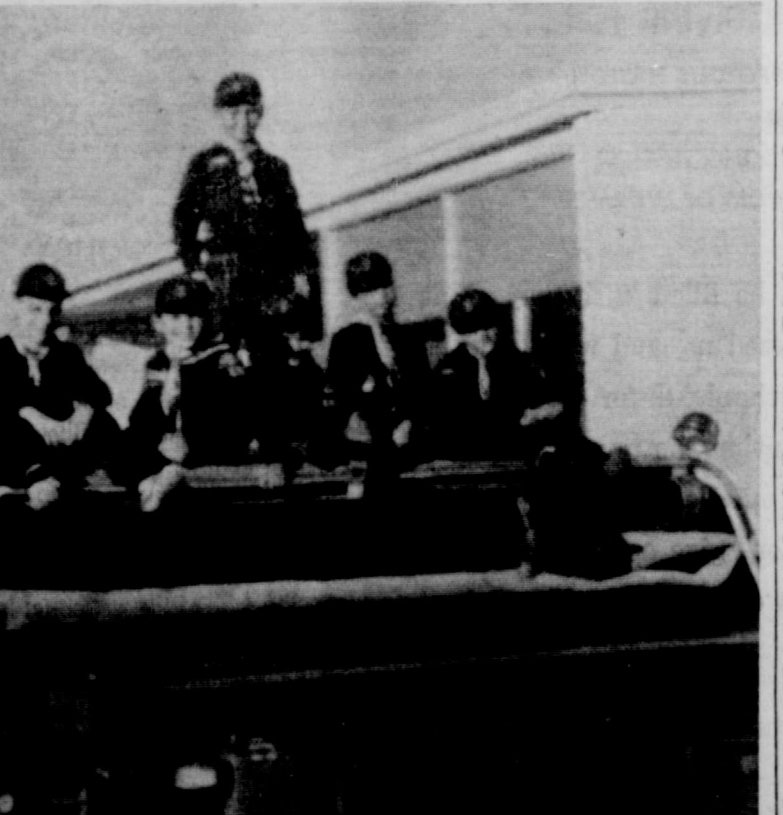

Area members returned home from having attended a two-day Bible seminar staged in the Marshall Junior High School Auditorium in Clovis, New Mexico this past weekend where by peak time Sunday, 1,567 were assembled to hear the main Bible lecture, "Is This Life All There Is?"

J. P. Sutherland, District Supervisor for Jehovah's Witnesses and featured speaker on the program, pointed out "those who profess to believe in the theory of evolution have a bleak future. Although the evolutionist argues that man evolved to his present state of development all by himself, he well knows that as he grows older his health and strength fail, and in time, death will claim him. The belief to which he holds offers no hope of future life."

Contrasting this stand with the teachings of God's Word the Bible, Sutherland said, "Those who believe in the Bible's account of creation know that God made our first parents and he assigned the human family a permanent place in His purpose." Mr. Sutherland drew attention to many scripture texts supporting the idea of a completely new administration in the hands of Jesus Christ to oversee the affairs of humankind and lead them to the fulfillment of God's purpose for man.

In commenting about the assembly Tiffin said, "It was encouraging for us to see the fruits of our labor as 38 new ministers symbolized their dedication to Jehovah by water baptism on Sunday morning. Tiffin stated, "Over 680,000 people worldwide have made a like response to the Bible educational activities of Jehovah's Witnesses and have joined in their global preaching and teaching program in the last five years. This certainly gives encouragement to us as we continue to preach from door-to-door in search of honest hearted individuals who have a love for God's Word, and who desire help in understanding the Bible."

Tiffin concluded, "If there are any individuals or families in the area who would like to take advantage of the free home Bible study course offered by Jehovah's Witnesses they can contact me by telephone at 823-5601, or drop a note addressed to me at Box 908, Silvertown 79257."

Den 11 Cub Scouts visited the Silvertown Fire Department recently. They are Eber Gill and Greg Whelchel, standing; Mark Patton, Robert Boyd, Scotty Roberts, Don Perkins, Bryan Schott and Michael Greenhaw. Den Mothers are Mrs. John Schott and Mrs. Donald Perkins. (Briscoe County News Photo)

David McCoy (35) was the ball carrier for the Owls with Mikel Grady (73) and Terry Culwell (82) doing the blocking in last Friday night's game with Memphis Cyclones. During the second half, poor visibility due to fog made identification of players almost impossible. (Briscoe County News Photo)

Young Farmers Have Business Meeting

The Silvertown Young Farmers met in the vocational agriculture department of the high school November 9 with Fred Minyard presiding.

The turkey shoot to be held Saturday, November 18 was discussed. Calvin Shelton and Jimmy Myers were in charge of purchasing the turkeys and slab bacon.

Members were to meet at the football field Saturday morning to move the concession stand to the rifle range two miles west of Silvertown.

The 1973 program of work was filled out.

Calvin Shelton announced that the Young Farmer Thanksgiving

Salad Supper would be held on Tuesday, November 28.

Those present were Robert H. Hill, Jimmy Myers, Harold Gidden, Tobe Riddell, Calvin Shelton and Fred Minyard.

CLUBS HOST HALLOWEEN PARTY FOR THEIR CHILDREN

October 28 the Silvertown Young Homemakers and Young Farmers were hosts for a Halloween Party for their children. The scene was the home of Mr. and Mrs. Donald Perkins where witches and goblins decorated the walls.

The children enjoyed fishing booths, balloon races, darts and a "lively" spook house with a puppet show.

Witches brew, cookies, cupcakes and all the trimmings were served to Fay and Don Perkins, Larry B. Stephen and Jeannita Stephens, Reba Chappell, Donna

Stubble-mulching can greatly reduce this waste of soil. This field should also be terraced.

STUBBLE-MULCH FARMING IS YEAR-ROUND OPERATION

Stubble-mulch farming is a year-round tillage system that utilizes crop residues to prevent soil blow-

ing and conserves soil and water. All tilling, planting, cultivating and harvesting operations are performed to maintain a sufficient amount of residue on the surface for soil protection.

Soil blowing is a serious problem in the Silvertown and Quitaque area, says Dan Herrington of the Soil Conservation Service. Good top soil is lost from cultivated fields and deposited on adjacent land, damaging crops and pastures.

Residues of small grain, grain sorghum and similar crops are suitable for stubble-mulch farming. Stubble left on the soil surface protects soil from raindrop splashes and wind and increases the amount of moisture entering the soil. The organic matter eventually decays and returns to the soil as humus.

Stubble-mulching is very useful on sloping lands to retard runoff, hold snow, increase infiltration, conserve moisture and reduce wind erosion.

Herrington says for further information you may contact the Soil Conservation Service in Silvertown.

and Cynthia Hale, Stacy Chappell, Shane and Rhett Perkins, Devin Davis, Jerry Don Pruitt, Wayne Henderson, Katrice Minyard, Shavonne, Angela and Frank Lowrey.

For the best dressed in adult costumes, Mrs. Dwain Henderson won the prize as Phyllis Diller. Harold Gidden won as Frankenstein.

The Newly-wed Game, darts and charades were played by Elaine Reves, Mr. and Mrs. Jerry Pruitt, Mr. and Mrs. Harold Gidden, Mr. and Mrs. Hand Baird, Mr. and Mrs. Dwain Henderson, Mr. and Mrs. G. W. Chappell, Mr. and Mrs. Tommy Perkins, Mr. and Mrs. Fred Minyard, Mr. and Mrs. Donald Perkins, Mr. and Mrs. Wayne Stephens, Jimmy Myers, Joe Self, Tobe Riddell and Calvin Shelton.

FARM INCOME TAX MEETING SLATED FOR DECEMBER 12 IN SWISHER COUNTY

With farm income tax preparation close at hand, a meeting is scheduled in the Chamber of Commerce and Agriculture meeting room for farmers and businessmen on income tax problems. This meeting will be conducted by Marvin Sartin, Area Economist in Management with the Texas Agricultural Extension Service stationed in Lubbock.

Date of the meeting is Tuesday, December 12 at 7:30 in the evening and is sponsored by Swisher County Extension Agent Ken Cook and the Agricultural Committee of Tulia Chamber of Commerce & Agriculture.

The most convincing presentation for electric heating is the free operating cost estimate we offer our customers. Just facts. It will prove how you can heat electrically for little more than you're paying now. Sound too good to be true, especially with the advantages you get with electric heating? Let us prove it to your satisfaction. Thousands of our customers already have. And, they've switched. Call us for a "wise-up" estimate. It's free. And it's a real eye-opener.

Thanksgiving Prayer

Dear Lord, we give Thee thanks this day,
But not alone for daily bread—
For all Thy gifts which bless our lives.

We thank Thee for love, that makes life's burdens light,
For friendships shared, for hope and joy,
But mostly for the precious right

To think and speak as conscience leads,
To worship Thee, each in his way,
To walk in freedom where we will,
Lord, as we pause to praise and pray.

RAY THOMPSON IMPLEMENT, INC.

Silvertown, Texas

LAND OF PLENTY

★ THANKSGIVING FOR . . .

- PROSPEROUS NATION
- FOOD
- A STRONG NATION
- FREEDOM OF WORSHIP

Pages could be filled with ways that God has blessed us, and we should be continually thankful for God's goodness. At this time, however, we should pause from our daily workday habits and in unison, give special thanks to God, that we still have freedom of worship.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

On the day that we have set aside to count our blessings, let us place our freedom high upon the list.

Surely we, as Americans, have more to be thankful for than any other nation in the world. We have been blessed with prosperity, strength and the wisdom which tells us we must work to keep it so.

Most of us will spend Thanksgiving Day within the warm security of our families, enjoying the comforts which can only be produced by a free nation. In many other lands, there is little to be thankful for on any day.

We can express thanks for living in a free America by making a conscious effort every day to keep it that way. SUPPORT AMERICA!

day of thanks

Our priceless heritage embodied in the flag of the United States, is as alive today as it was when written for the ages in the Declaration of Independence and the Constitution. It stands for all the world to see and for all Americans to cherish. And in the tradition of Washington, Jefferson, and Hamilton, we, too, have a privilege, a right, and a duty. While we may disagree as to the methods, we should not disagree as to the goal—that of preserving the greatest democratic society the world has ever known.

Our flag is a symbol, not of sentiment, but of history, the history of men and women willing to live and die for it. Surely this willingness is with us still, because daily we experience more of the blessings that are ours — ours because we are Americans.

Most Texas Birds Are Protected

AUSTIN—Quail season is coming up and the mourning dove is getting a breather until January. Don't be tempted to take a pot-shot at a bluejay just to stay in practice.

Of the more than 500 species of birds in Texas, each falls into one of three categories: game, non-game and unprotected.

Game birds are protected and hunted during regular seasons and cause little confusion.

Considerable controversy, however, rages over nongame and unprotected birds.

According to state and federal

regulations, only three birds may be shot at any time. English sparrows, European starlings and feral pigeons may be killed at any time and their eggs and nests destroyed.

The federal government protects hundreds of species, most of which are also guarded by state law, including all song birds, raptors, shore birds, other non-game species and all game birds.

In March, 1972, the U. S. and Mexico agreed to add 32 families of migratory non-game birds to the protected list and caused some misunderstandings.

Several birds which formerly could be hunted are now protected by the act.

The disputed species are crows, grackles, red-winged blackbirds and cowbirds.

These birds are still unprotected by state law and the federal government has amended its ruling to permit control if the birds are "found committing or about to commit depredations upon ornamental or shade trees, agricultural crops, livestock, or wildlife, or when concentrated in such numbers and manner as to constitute a health hazard or other nuisance."

Hunting protected birds can draw a fine of up to \$500.

Derrel Martin was a patient in Swisher Memorial Hospital Thursday night and Friday of last week.

Is now the time to buy land?

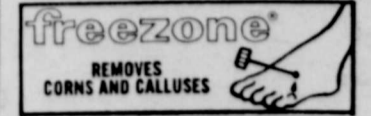

Acquiring that farm might seem more practical with financing through the Federal Land Bank. Land is easier to pay off when costs are amortized over extra years with a long-term Land Bank Loan. Your total cost of borrowing, too, can be less. Ask us for help: We know land values; we will inspect the property. We will then try to make a loan that meets your exact needs.

Take The Gamble Out Of Spring Plowing Plow Down ZIPP Right Now Why Fall Plowdown? Spreads the workload by getting most of the chores out of the way early. Places phosphorus and potash down deep in the zone to give next year's crop a full-feed program. Gives nitrogen a chance to assist in decomposing residues. Allows earlier planting to assure early maturity resulting in increased yields. GIVES YOU THE ADVANTAGE OF A TAX WRITE OFF BY BUYING NEXT SPRING'S FERTILIZER THIS FALL.

Why Oxy's ZIPP? ZIPP provides greater phosphorus efficiency through greater uptake by the plant. ZIPP contains soluble-sulfur which regulates soil aids in phosphorus and micro-nutrient availability increases protein production. ZIPP provides readily zinc and iron. ZIPP contains an ammonium type nitrogen that is more resistant to leaching. GET THE JUMP ON SPRING Contact HILL FARM SUPPLY, INC. Silvertown, Texas Your Local Dealer For OCCIDENTAL CHEMICAL CO.
