

SILVERTON WORTH SAVING? OR MUST SILVERTON DRY UP AND BLOW AWAY?

It appears that many people of Silvertown either don't care or don't realize what could happen to Silvertown if the next ten years are a repeat of the past ten years. In the past ten years the Silvertown area has lost something over 1000 people. If the Silvertown area should lose another 1000 people in the next ten years, Silvertown would no longer exist as we know it today!

We could all be proud of our town if we would just clean and fix it up. There are several groups in Silvertown who are working to improve our town. We are calling for a meeting of representatives from the county, city and schools, plus all youth organizations and adult clubs to meet at the Pioneer Room March 6 at 7:00 p.m. In fact ALL interested citizens are invited.

Teachers Die In Light Plane Crash

F. Wayne LaGrone and his wife, Maxine, former teachers in Silvertown High School who were teaching in the Muleshoe School System for the second year, were killed about 10:30 p.m. Tuesday when the single engine plane in which they were passengers crashed about 3 1/2 miles northwest of Friona.

The couple and another teacher-passenger in the plane, Mike Polard, were dead on arrival at the hospital in Friona.

Berl Block, pilot of the plane, was listed in critical condition in Lubbock hospital. A resident of the crash area said that about 10:30 - 11:00 p.m. he heard the engine of a plane putting overhead and could see the flashing lights of the plane. The engine stalled, the plane hit a vacant field, bounced and hit again, ripping the plane apart. Parts of the plane were scattered over a large area.

The crash was not investigated until Wednesday morning. The teachers were returning to Muleshoe after attending night classes at West Texas State University.

Ambulance Moved To New Location

The Silvertown emergency ambulance has been moved to the former Conoco station location, and the driveway area in front of the garage has been officially designated as a "no parking" zone.

Tickets will be issued to those who ignore the warning and park in this designated area. Please cooperate with the volunteer ambulance attendants by observing this "no parking" zone.

VOLUME 65

NUMBER 9

THURSDAY, MARCH 1, 1973

Public Schools Week To Begin Monday

A warm welcome will be extended to you by Robbie Martin, Lee Ann McMurtry, Ruby Jo Jarrett and the other students of the Silvertown Schools when you visit with them during Public Schools Week, March 5-9. The public schools are your concern; you pay tax dollars to support them. See that you're getting your money's worth and help to keep the lamp of learning burning. (Briscoe County News Photo)

Third Grade To Present Program

As a special feature of Public Schools Week, Mrs. Nance and Mrs. Mullin's third grade classes will present a play called "Our Tribute to Texas" on March 8 at 1:30 in the school auditorium. The play will feature two skits on things which actually happened in schools right here in Briscoe County. The public is invited.

This year, Texas Public Schools Week will be March 5-9. Parents and all other citizens interested in the progress of Texas Public education for the last 119 years are invited to visit the public schools during that week.

School officials and staff are expecting many visitors and are displaying student classroom work as well as special projects accomplished by students.

Parents especially are invited to visit with teachers to ask any questions they might have concerning public education.

All grades - from elementary through high school - will be open to visitors.

As a reminder of the dates, March 5-9, some classes are sending special invitations home with students for Texas Public Schools Week observance.

DR. JERRY DAWSON

Revival Planned Here March 4-11

Services will be held at 7:30 a.m. and 7:30 p.m. during a revival at the First Baptist Church in Silvertown March 4-11.

Preacher for the revival services will be Jerry Dawson. Steve Garms will lead the revival music.

An ordained minister who has served many of the churches in the Panhandle and South Plains as an evangelist, interim pastor and pulpit supply, Dr. Dawson is author of two books: "Friedrich Schleiermacher: the Evolution of a Nationalist" and "Folktales and Footprints: Stories from the Old World."

A graduate of Borger High School, he attended Wayland Baptist College, Mississippi College, where he earned his B.A. degree, and the University of Texas at Austin, where he earned his M.A. and Ph.D. He has taught at Wayland Baptist College, Mississippi College, University of Northern Colorado, Texas A&M University and has been professor of history and dean of the graduate school at Southwest Texas State University from 1971 to the present.

Dr. Dawson and his wife, Margie Jo, are parents of Kim Alden, 17; Carey Austin, 16, and Jamie Lynn, 15.

Mrs. Noel Deavenport was transferred from an Amarillo hospital to Swisher Memorial Hospital in Tulsa last week. Her mother has been dismissed from the hospital, but her father, D. J. Northcutt, continues to receive treatment there.

Charlie Parker was recipient of the Outstanding Young Agri-Business Award and Wayne Stephens was named Outstanding Young Farmer during the annual awards banquet of the Silvertown Young Farmers - Young Homemakers here last Saturday night.

Silvertown Volunteer Fire Department Receives \$75.00

The Silvertown Volunteer Fire Department received a check for \$75.00 recently from Texas Farm Bureau Insurance Companies as an expression of thanks for the Department's work on the property of Silvertown Gin.

The money will be used for the purchase of equipment. The Texas Farm Bureau Insurance Companies pay volunteer fire departments this amount when the department works at a fire in rural areas, involving property insured by them.

The insurance company believes volunteer fire departments have contributed to reduce the amount of loss involved by fire and more important, to prevent fires. It is their hope this money will help the Silvertown Volunteer Fire Department in their program.

Mr. and Mrs. Perry Thomas and their granddaughter, Juannah Sue Woods, visited in Champaign, Illinois from February 5 to 21 with Mr. and Mrs. Don Thomas and Jeff. While there they celebrated Jeff's second birthday.

They camped at Lake Texhoma and Lake Arrowhead in Oklahoma, at Little Rock, Arkansas and at the Mississippi River at Saxton, Missouri on the trip to and from Illinois.

Wayne McMurtry is a patient at High Plains Baptist Hospital in Amarillo.

March 7 Is Deadline For Filing For Places On Ballots

March 7 is the deadline for filing for places on the ballots for the City of Silvertown and Silvertown School Trustee elections to be held Saturday, April 7.

A mayor and two councilmen are to be elected by the voters in the City of Silvertown, and as of Wednesday morning no one had signed up for a place on the ballot.

The terms of Mayor Troy Jones and Councilmen David Tipton and Carl Bomar are expiring. Jones has indicated that he will not seek re-election.

The terms of Pat Northcutt and L. B. Garvin, jr., are expiring on the School Board. Garvin has offered himself as a candidate for re-election, but as of Wednesday morning, there were no other candidates for the local School Board.

Those seeking to be listed on the ballot as candidates for mayor or councilman may sign up at the City Hall. Petitions for candidates for school trustee may be had at the office of Supt. O. C. Rampley, Tax Assessor - Collector Verlin Towe or the office of Judge M. G. Moreland.

Mrs. Ila Hicks passed away February 22. Funeral services were held at Mangum, Oklahoma February 24. Mrs. Hicks was a cousin of Mrs. Belle Olive.

Riding Club Elects New Officers Here

Silvertown Riding Club met February 20 in the P. C. A. community room and the following officers were elected: Harvey McJimsey, president; Fred Strange, vice-president; Mrs. Wayland Fitzgerald, secretary-treasurer; Agnes Bingham, reporter, and Louie Kitchens, parade marshal.

The club's next meeting will be in March. A queen will be nominated at that time.

The first trail ride will be April 14 if weather permits.

The club's first parade appearance will be at Turkey on April 28 during the Bob Wills Day celebration.

New members are invited to attend the March meeting.

Mr. and Mrs. Donnie Martin and Derrel, Mr. and Mrs. Ted Strange, Don Cornett and Riley Harris flew to Austin Saturday to attend the Class A State Championship basketball game between

Mr. and Mrs. Bern May have been in Houston this week to attend the funeral of her sister-in-law, Mrs. H. E. Bothe.

Mr. and Mrs. Leo Fleming, Wes, Annette, Scotti and Cary spent the weekend with Mr. and Mrs. Donald Fleming and family, Mrs. Josie Fleming and Mr. and Mrs. Nat Fleming and family in Byers.

American Agriculture Is Sensitive Business

"American agriculture is a sensitive business. The prices of food often reflect the risks producers have had to take to get it to your table," according to Dean H. O. Kunkel, College of Agriculture at Texas A&M University.

"In 1973 we can control a few more of these risks than say 100 years ago, but economic ruin is still the reward of many," Kunkel said. "Whether crop or livestock the producer for a period of many months must continue to invest heavily without knowing whether he'll even get his money back, let alone make a profit. Disease, insects or bad weather can wipe him out."

"A good example is this year's unusually severe winter. Prices of beef and some other agricultural products will likely increase due

to the prolonged bad weather." Kunkel says that this severe weather caused a sharp rise in the cost of feed and resulted in poor livestock gains. This will likely cause higher retail beef prices in the spring and summer.

However, a good crop year in 1973 is forecast due to excellent moisture conditions. This may lead to a bumper harvest next summer and an easing of pressure on feed supplies.

A series of events caused the severe feed shortage, says Kunkel. Unusually cold weather with rain or snow covered Texas and several other states. And it started nearly a month earlier than usual. This caused ranchers to feed heavily to protect herds from loss. Cold, cloudy weather also reduced the growth of winter pastures, so important to cattle in many parts of the state. Then the extended bitter weather caused an estimated 150,000 cattle deaths in the state. Many of these were cows and calves. This will affect supply of

stockers and feeders. The early winter also played havoc with harvest of the 1972 crop. It is estimated that about one-third of the cotton on the High Plains is still in the field. And cottonseed meal is heavily used as stock feed. The icy grip of winter also worsened the feed situation in other ways. Many oil mills and processing plants could not operate at maximum due to the fuel shortage brought on by an early winter.

Together with this sharp change due to the weather, the U. S. livestock industry was using feed in record volume through the fall and early winter, Kunkel said. It is estimated that a five percent increase in feed usage occurred because of increased cattle numbers. Cattle on feed were up substantially, none percent for the nation and 18 percent for the southwestern states. This caused greater feed disappearance than normal and depleted feed grain and protein supplement reserves. Texas used over one-half million tons more grain in fattening cattle than in the previous year.

Severe weather restricted the growth of winter wheat, and many calves have been lost on the Plains in recent storms. Calves that were normally grazed on wheat until mid-March were shipped to the feedlots before Christmas, further intensifying the critical feed shortage. Transportation of feed grains and protein supplements from elevators and oil mills became a problem, further aggravated by the weather conditions.

Even the recent grain deal with Russia had its effect. This increased the price of wheat so that it was no longer profitable to use in fattening rations. Further, it had a buoyant effect on the entire grain market as speculators entered the picture. Stocks of wheat and other feed grains were reduced by nearly 31 million metric tons during 1972 because of exports.

"The entire feed situation points up an interesting aspect of modern agriculture, not often appreciated by the public," Kunkel said. "American agriculture is greatly affected by a series of what appear to be small changes, and especially by severe alterations in

House Worked 12-Hour Days Last Week

Members of the Texas House of Representatives worked 12-hour days or longer last week, as sessions lengthened, and committees sandwiched in meetings before, after and between.

Rep. Phil Cates approved a bill

the weather. When a combination of factors bears down on modern agriculture, the normal flow of feed and livestock products is radically altered. Fortunately, our agricultural industry has tremendous ability to recoup its losses, given a decent break in the weather and some stability in prices and feed supplies.

"The American public has become accustomed to relatively low cost food. The percentage of disposable dollars we spend for food is the lowest of any country in the world. Bear in mind, too, that the average shopping cart only has 72 cents worth of food for each dollar at checkout. The remainder is hardware, paper goods, soap, insect spray and other non-food items. Today, less than one dollar out of every six earned by the average worker is all that is required to buy the safest, most wholesome, nourishing food products man has ever known, thanks to our vast multi-billion dollar food industry," the dean concluded.

which guarantees public access to governmental information, and provides that all information of all agencies of state government would be open to the public with the exception of personal files of legislators, medical and personnel records, criminal investigation records and all files declared confidential by existing law.

The Education Committee heard witnesses on a proposed resolution until 2:30 in the morning. The resolution concerned the college at Prairie View, where black representatives are opposing each other on the need of an investigation of the school.

Cates' committee on agriculture and livestock asked the Congress to reinstate the Rural Environmental Assistance program and also requested the national administra-

tion to end the freeze on funds for rural programs through local stabilization assistance programs. They also asked for the reinstatement of allotted funds for the agriculture and environmental programs to help preserve the permanent conservation and environmental practices.

Cates said that the spray-dip bill which would allow the spraying of cattle instead of the mandatory present requirement of total submersion would be re-introduced soon, and that he planned to support it. The bill passed the House during the special session but died in the Senate.

Cates' committee on agriculture and livestock asked the Congress to reinstate the Rural Environmental Assistance program and also requested the national administra-

SCIENCE SCHOLAR — University of Texas President Stephen H. Spurr (right) points out features of the campus during an informal discussion with student Crockett Grabbe, who holds a scholarship from the Texas Interscholastic League Foundation.

Layman's Book On Relativity Started Crockett Grabbe's Interest In Physics

All it took was a layman's book on relativity to interest Crockett Lane Grabbe in physics.

And he was in the sixth grade then.

As far back as he can remember, Grabbe has enjoyed reading. Now, in his first year of graduate study at The University of Texas, Austin, Grabbe is reading about such subjects as plasma physics, electro-

magnetic theory and chemical kinetics.

Grabbe is attending the University on a Robert A. Welch Foundation scholarship. He qualified for the scholarship by winning the University Interscholastic League state number sense contest.

After entering the University in 1969, Grabbe received 51 hours credit by advanced placement. Although he finished the requirements for a bachelor's degree in two years—with an "A" average—he continued taking courses until he graduated in December 1972.

Now he's working on his master's degree and plans to continue his studies in plasma physics.

Grabbe is a member of Phi Beta Kappa. He has received an award from the American Chemical Society and was nominated as Outstanding Physics Student.

He is the son of Mr. and Mrs. Warner B. Grabbe of Silverton.

The Texas Interscholastic League Foundation, through which Grabbe received his scholarship, has supported more than 1,400 students in Texas universities with \$1 million in scholarships.

The League is administered through UT's Division of Extension.

* NEW BABY

Mr. and Mrs. Randall Eddleman are parents of a son, Randall Blake, born at 2:15 a.m. Monday, February 26. He weighed eight pounds and three ounces.

Mr. and Mrs. Eddleman are also parents of three other sons, Blaine, Barry and Brandon.

Grandparents are Mr. and Mrs. Bruce Eddleman and Mr. and Mrs. Bud Long. Great-grandparents are Mrs. Callie Hulen of Phoenix, Arizona and Mrs. Bill Hill.

Like giant, flat bobby pins, hem clips slip over the edge of a folded hem. In this position, they hold fabric edges together while the hem is being evened.

Hem clips also serve as measuring guides since they're marked in quarter-inch segments.

A baster—or automatic tailor tacker—consists of a thread-filled bobbin attached to a clear dispensing case. To use, thread needle in the dispensing case and stitch until bobbin empties.

The tape stitching guide is exactly what it sounds like. The adhesive backed tape has measurements graduated in fractions of an inch to help homesewers topstitch or measure for buttonholes.

With help of a new automatic buttonhole cutter, buttonholes become uniform.

This device features a retractable fine steel blade with special lock-in grooves—automatically sized and set for standard buttonholes from one-half to one inch. It comes complete with a small cutting block, the agent noted.

Family Living Committee Meets

The Family Living Subcommittee of the Briscoe County Program Building Committee met February 20 in the First National Bank Community Room in Quitaque. Members present were Mrs. Grady Tyler, chairman; Mrs. Don Garrison, Mrs. Gordon Lowrey and Mrs. H. M. Vaughn. The subcommittee members discussed activities which they could sponsor to help develop the potential that exists for better individual, family and community living in Briscoe County.

The sub-committee decided upon a Telephone Reassurance Service as a project. Concerned citizens in Quitaque and Silverton will be asked to assist with this project. The committee also decided to sponsor a project to inform Senior Citizens and handicapped citizens of the Texas State Library Service. This service has recordings of novels, record players and large-print books available for Senior Citizens and handicapped citizens to check out.

The sub-committee will meet in April to complete plans for the projects.

VALLEY HIGH REPRESENTED. DISTRICT 2-A WELL IN AUSTIN

A number of Silverton basketball fans were in Austin Saturday afternoon to see the state championship game between Valley High and Grandview. The Patriots lost that final game by the score of 39-37, after having led most of the way in the game. The final bucket came for Grandview with only a couple of seconds remaining in the game.

Earlier in the state tournament, the Valley Patriots had defeated Cooper 29-22 in a hard-fought defensive game.

GETTING OUT... *the Vote*

Mrs. Jones is active in all types of community work. She is active in politics at the local level. From a list of voters at her elbow she telephones to see if any local residents need the services of the various car pools. Because of this service many who could not otherwise do so, get to the polls and vote.

But more than this, Mrs. Jones is a friend and servant of God. She supports her church and its services because she knows it is the center of all that is good and worthwhile in the Community. It is a place where the souls of men are uplifted and saved.

We, ourselves, would do well to emulate Mrs. Jones. May we urge that you, also, not only vote, but help get out the vote — that you not only attend church, but support it actively with your service.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

First State Bank

NOTICE

STATE OF TEXAS
 COUNTY OF BRISCOE
 On this the 8th day of February, 1973, the Board of Trustees of the Silverton Independent School District convened in regular session with the following members present, to-wit:

Pat Northcutt, President
 B. Garvin, Jr. John Francis
 L. D. Griffin Douglas Forbes
 Harold Storie

constituting a quorum, and among other proceedings had by said Board of Trustees was the following:

WHEREAS this school district has fewer than 500 scholastics and is subject to the terms and provisions of Article 2746a; and

WHEREAS on the first Saturday of April, 1973, being April 7th, 1973, a trustee election will be held in said School District for the purpose of electing two members to the Board of Trustees of said School District,

THEREFORE, BE IT ORDERED BY THE BOARD OF TRUSTEES OF THE SILVERTON INDEPENDENT SCHOOL DISTRICT:

That an election be held in said School District on April 7, 1973,

for the purpose of electing two members to the Board of Trustees of said District.

That all requests by candidates to have their names placed upon the ballot for the above mentioned election shall be in writing and filed with the County Judge of the county in which this district is located not later than 30 days prior to date of said election.

That said election shall be held at the following place and the following named persons are hereby appointed officers for said election.

At City Hall Building, in Silverton, Texas, in said School District with Mrs. Donaleta Garrison as Presiding Judge and Mrs. Peggy Strange and Mrs. Ruby Lee Kitchens, Clerks.

Mrs. Martina Mattheus is hereby appointed Clerk for absentee voting. The absentee voting for the above designated election shall be held at the office of Verlin Towe within the boundaries of the above named District and said place of absentee voting shall remain open for at least eight hours on each day for absentee voting which is not a Saturday, a Sunday, or an official State holiday, beginning on the 20th day and continuing through the 4th day pre-

Volleyball Tourney Slated March 20-24

The annual L. O. A. Junior Study Club Volleyball Tournament will be held at the school gymnasium in Silverton March 20-22-23-24, 1973. Entry fee for teams will be \$6.00. Admission will be 50c for adults, 25c for school age children to 12.

Trophies will be given to the mens and womens teams that win first, second, and third places and

ceding the date of said election. Said place of voting shall remain open between the hours of 8:00 A.M. and 5:00 P.M. on each day for said absentee voting.

The manner of holding said election shall be governed as near as may be by the Election Code of this state, and the County Judge shall furnish, at the expense of this School District, all necessary ballots and other election supplies requisite to said election.

Immediately after said election has been held, the officers holding the same shall make returns of the results thereof to the County Judge and return the ballot boxes and other supplies of said election to the County Judge for safekeeping, and the Commissioners' Court shall canvass the returns of said election and notify the candidates and this Board of Trustees of the results thereof.

A copy of this order shall serve as notice of said election, and be posted in three different places in said School District, which posting shall be done not less than 20 days prior to the date for said election.

The above order being read, it was moved and seconded that same do pass. Thereupon, the question being called for, the following members of the Board voted AYE: Pat Northcutt, L. B. Garvin, Jr., L. D. Griffin, Douglas Forbes, Anne McMurtry, John Francis, Harold Storie, and the following voted NO:

Pat L. Northcutt
 President,
 Board of Trustees

ATTEST:
 Anne McMurtry
 Secretary,
 Board of Trustees

to the winners of the consolation brackets.

For further information regarding the tournament or to enter your team, please send the team name, address, captain's name and entry fee to Mrs. John Schott, 823-5391, Box 505, Silverton, Texas 79257.

To Marry Soon

MARY JO THOMAS

Mrs. Geraldine Stephens of Amarillo and Mr. Windle Thomas of Silverton announce the engagement and approaching marriage of their daughter, Mary Jo, to Mr. Wade Brannon, son of Mr. and Mrs. Seymour Brannon.

A July 5 wedding is being planned.

Southwestern Club Hears Program On Spring Gardening

Southwestern Home Demonstration Club met in the P. C. A. community room at 2:00 p.m. Monday, February 19, with Mrs. Bob Whelchel as the hostess.

The president, Mrs. Don Curry, was in charge of business. Mrs. Whelchel read the devotional from Romans 8:28. It was announced the County 4-H Food Show will be held on March 17. The winners will go to the District Food Show in Lubbock on March 24.

The District Home Demonstration Club meeting will be in Colorado City this year. Delegates are Mrs. Elton Cantwell, THDA Chairman, Mrs. Georgia Vaughn and Mrs. Roy Mack Walker. Alternate delegates are Mrs. Bud McMinn, Mrs. Henry Juarez and Mrs. Allen Kellum. It is hoped that other clubmembers will also be able to attend the District meeting April 5 in Colorado City.

Mrs. Dorothy Powell, County Extension Agent, brought the program on "Spring Gardening Ideas." Trees, shrubs and plants should be sealed to the house—taking into consideration the size they will be when grown. Other good ideas were presented to the group.

Nine members and the agent answered roll call with "My Favorite Garden Flower." Mrs. Elbert Dickerson was welcomed as a new member.

The next meeting will be in the home of Mrs. Raymond Teeple on March 22 at 2:00 p.m. The program is "Cake Decorating" to be given by Mrs. Lettie Arnold.

Refreshments were served to Mmes. Elton Cantwell, Don Curry, Alvie Francis, John Francis, Claude Jarrett, Allen Kellum, Raymond Teeple, Elbert Dickerson, Dorothy Powell and the hostess, Mrs. Whelchel.

Mr. and Mrs. Clifton Stodghill and daughters, Donna and Carol, were weekend visitors with Mr. and Mrs. Bryan Garner in Gonzales. They attended the Valley High basketball game in Austin Saturday. They also went to San Antonio and saw the zoo, sunken gardens and the Alamo before returning home.

Farm and Ranch Progress Night Is March 12

According to Briscoe County Extension Agent Jimmy Vanstory, the Annual Farm and Ranch Progress meeting will be held Monday night, March 12, 1973, at 7:00 in the Silverton School Cafeteria.

The meeting this year features guest speakers James Supak, Area Agronomist; Marvin Sartin, Area Economist-Management, and Bob Metzger, Area Cotton Specialist. All are members of the Texas Agricultural Extension Service.

Among the topics to be discussed include Variety and Management Practices Involved in the Establishment of Some of the Improved Grasses for Permanent Pasture Production. Cost and returns from the establishment of these grasses will be discussed also.

The Area Cotton Specialist will present a program on Cotton Production, emphasizing new varieties and management practices that produce better grade and staple in our cotton, adds Vanstory.

"Corn and Soybean, Varieties and Management Practices," has been included in the program due to the increased interest being shown in this area.

Lake Theo Open For New Season

Charles Grantham has announced that Lake Theo opened for the 1973 fishing season last Friday. The lake was re-stocked with large fish on Thursday morning of last week.

This year there are three ways you can get fish at Lake Theo. If you like to fish, you can buy a permit and fish for them. If you like to cook them but don't want to fish for them, you can buy them alive or dressed. If you don't like to catch them or cook them, you can buy them fried Friday night between 5:00 and 10:00 o'clock; from 11:00 a.m. until 10:00 p.m. Saturday, and from 11:00 a.m. until 8:00 p.m. Sunday.

In spite of the wet left behind

by the most recent snow, there were quite a few people camping and fishing at Lake Theo over the weekend. The fish fry was also a popular place.

Grantham will be selling fishing and camping permits, in addition to the live, dressed or fried catfish. For further information, you may contact him at 806-823-4911 in Silverton.

DENTURES GET CLEANER ELECTRONICALLY

In just 3 minutes the SONAC Denture Cleaning System removes the stains and deposits other cleaners leave behind. 3 minute cleaning! SONAC with electro-sonic action is available at all leading drug, discount and department stores. Full one year warranty. Suggested retail only \$18.95.

A real eye-opener to electric heating costs

Electric heating operating cost estimates usually surprise our customers. They expect electric heat to cost a good bit more. A factual, easily understood, written estimate opens their eyes to the fact it can cost little more than they've been paying. Thousands of our customers are heating electrically now because they asked for the facts about electric heating costs. Phone us today for an estimate. It's free. It's accurate. And, it's a real eye-opener.

We're Your Lubrication Headquarters

We can fill your lubrication needs for all your equipment:

- IH No. 1™ engine oil—the superior oil specifically designed for heavy-duty tractor operation.
- International Hy-Tran® fluid. If you don't use Hy-Tran you don't have full protection. Simple as that.
- International gear lube—superior quality.
- Multi-purpose grease—in 35-lb. pails, 1-lb. cans, 1½-oz. cartridges.
- Lube equipment—grease guns, filler pumps, fittings, oilers... all your needs.

Trucks Taking Toll of Texas Bridges

Trucks bearing overweight loads are taking a costly toll of Texas highway bridges.

A check of the more populous Highway Department District offices indicates that high load damage has become a serious concern in recent months. Principal damage has been reported in the Houston, Fort Worth, Dallas and San Antonio Districts, although others have experienced similar bridge damage.

Cost of bridge repair may run from a few hundred to many thousands of dollars when a structure is hit.

Truckers planning to carry loads of more than 13 feet 6 inches are expected to obtain an overweight permit, which describes a route over which the vehicle may travel without damaging overhead structures. It is the truckers' responsibility to be certain that his vehicle can pass safely under all overhead structures on his route.

Many truckers — particularly those hauling construction equipment—do not obtain the permits because they believe their loads do not violate the overweight load limits.

However, the boom of a dragline may bounce vertically 18 inches to two feet or more when traveling at highway speeds. The bouncing boom may clear the initial beams of an overhead structure and then catch on subsequent beams at the peak of the vertical movement.

Damage may be particularly heavy to prestressed concrete beams, enough to require their replacement. Some steel beams may be badly bent but the damaged section can be cut out and a new section welded into place. In either event the repairs are costly and traffic may be inconvenienced for a long period of time.

In some instances, the trucker may know he has damaged the bridge and his load. But, unless the load is wedged under the bridge, he may proceed on his way, expecting the Highway Department to pick up the tab for repairs. However, Department "sluths"

usually track down the errant driver who may be faced with even more costly and severe penalties.

On other occasions the load may wedge under the structure, or even be knocked completely off the truck bed, in which case the Highway Department bills the cost of repairs to the trucker or his insurance carrier.

Although the Department recovers several hundred thousand dollars a year from the insurance companies, probably as much more comes out of the pockets of other highway users who pay motor vehicle taxes.

Highway Department engineers believe principal damage is caused by construction equipment being moved from one project to another. Oil field equipment and tanks loaded on conventional truck beds also are responsible for much damage.

On occasion, the load has been knocked off the truck and fallen onto or through a lower deck of multi-level interchange. Almost incomprehensibly, such accidents have not resulted in secondary crashes—so far.

However, engineers for the Highway Department are concerned that sooner or later fatalities will result when a load will be knocked from a truck or a vehicle wedges under a structure, and then is struck by a speeding passenger car.

Studies are underway to determine ways of minimizing damage from overweight loads.

A structure where State Highway 360 overpasses SH 183 in the Fort Worth District had been damaged by high loads at least eight times prior to April 1970. At that time the structure was raised nine inches at the lowest clearance point. Since completion of this project the bridge has been damaged only once in such manner as to require major repair, and at least once has been subjected to minor damage.

Also, in September 1972, an electric eye device was installed at this site to activate a flashing sign. The sign is intended to alert drivers of vehicles with high loads to bypass the structure. There has been no damage since the electric eye warning device has been installed.

Similar studies are underway at the Hogan Street overpass on Interstate Highway 45 in Houston, which has been struck many times. An electronic high load detector would direct trucks onto an IH 10 escape route.

The Dallas District reported major damage to 11 structures in 12 months at a cost of \$34 thousand. In the Houston District, insurance coverage alone provided payment for more than \$85 thousand damage to five bridges in a year's time. Fort Worth District reported

VALENTINE PARTY HOSTED FOR CHILDREN

Silverton Young Homemakers hosted a Valentine Party for their children Wednesday, February 14 in the P. C. A. community room.

Damage of \$15 thousand and San Antonio District \$21 thousand in a similar period.

Cupcakes and Kool-aid were served and Valentines were exchanged.

Those present were Mrs. Fred Minyard and Katrice, Mrs. Donald Perkins, Faye Lynn, Roy Don and Tonia, Mrs. G. W. Chappell, Cynthia and Stacie, Mrs. Tommy Perkins, Shane and Rhett, Darin Davis, Mrs. Wayne Stephens, Larry B., Stephen and Jeannita.

"If I take the wings of the morning, and dwell in the uttermost parts of the sea: even there shall thy hand lead me, and thy right hand shall hold me." Psalms 139:9, 10.

What a wonderful promise. No matter where we go or what we do, God is willing to lead us and is there to help us.

Another comforting scripture recalling God's love toward us is this: "How precious also are thy thoughts unto me, O God! How great is the sum of them! If I should count them, they are more in number than the sand." Psalm 139:17, 18.

It is comforting and pleasant to let our thoughts wing upward to verses like these.

We invite you to read your Bible and attend church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

NOTICE

THE STATE OF TEXAS CITY OF SILVERTON On this the 12 day of February, 1973, the City Council of the City of Silverton, Texas, convened in Regular session at the regular meeting place thereof with the following members present, to-wit: Troy Jones, Mayor, H. A. Cagle, Alderman, Wayne Nance, Alderman, Charles Sarchet, Alderman, David Tipton, Alderman, Jerry Patton, City Secretary and the following absent: Carl D. Bomar, constituting a quorum, and among other proceedings had were the following: Alderman Cagle introduced a resolution and order and moved its adoption. The motion was se- cunded by Alderman Sarchet, and the motion carrying with it the adoption of the resolution and order prevailed by the following vote, AYES: Cagle, Nance, Sarchet and Tipton. NOES: None

Whereas the laws of the State of Texas provide that the next en- suing first Saturday in April, there shall be elected the following offi- cials for this city: One MAYOR Two Aldermen

Whereas the laws of the State of Texas further provide that the Election Code of the State of Tex- as is applicable to said election, and in order to comply with said Code, an order should be passed establishing the procedure to be followed in said election, and des- ignating the voting place for said election.

THEREFORE, BE IT ORDERED BY THE CITY COUNCIL OF THE CITY OF SILVERTON, TEXAS: That all independent candidates at the election to be held on the first Saturday in April, 1973, for the above mentioned offices file their applications to become can- didates with the Mayor of this City at Silverton, Texas on or before 30 days before the date of said el- ection;

That all of said applications shall be substantially in the follow- ing form: To the Mayor of the City of Silverton, Texas: I hereby request that my name be placed upon the official ballot for the election to be held on the 7 day of April, 1973, as a candi- date for Mayor or Councilman of said City. I hereby certify that I am a citizen of the United States of America and that I am eligible to hold office under the Constitu- tion of this state and have resided in this state for a period of twelve months next preceding the date of said election and have resided in this City in which I offer my- self as a candidate for six months next preceding the date of said election.

DATED this the ___ day of ___, 19___. Name of Candidate Received the ___ day of ___, 19___. Mayor All candidates shall file with said application the loyalty affi- davit required by Article 6.02 of the Election Code.

That the Secretary of this City shall, in accordance with the terms and provisions of Article 13.32 of the Election Code, post in his of- fice the names of all candidates who have been certified to him by the Chairman of the Executive Committee of any party holding a primary election for said above mentioned offices, and the names of all independent candidates who have filed their applications in ac- cordance with the terms and pro- visions of this order, and said names shall be posted at a conspicu- ous place in said office for at least 10 days before said Secretary or- ders the same to be printed on the ballot for said election.

This city, having one election precinct, said election shall be held at the following place in said city: In Election Precinct No. 1 at City Hall Building. The City Secretary is hereby au- thorized and instructed to provide and furnish all necessary election supplies to conduct said election. The Mayor shall issue all neces- sary orders, writs and notices for said election and returns of said election shall be made to this Council immediately after the clos- ing of the polls.

PASSED, APPROVED AND AD- OPTED this 12th day of Febru- ary, 1973. Troy L. Jones Mayor Jerry Patton Secretary

CITY OF SILVERTON, TEXAS:

That all independent candidates at the election to be held on the first Saturday in April, 1973, for the above mentioned offices file their applications to become can- didates with the Mayor of this City at Silverton, Texas on or before 30 days before the date of said el- ection;

That all of said applications shall be substantially in the follow- ing form: To the Mayor of the City of Silverton, Texas: I hereby request that my name be placed upon the official ballot for the election to be held on the 7 day of April, 1973, as a candi- date for Mayor or Councilman of said City. I hereby certify that I am a citizen of the United States of America and that I am eligible to hold office under the Constitu- tion of this state and have resided in this state for a period of twelve months next preceding the date of said election and have resided in this City in which I offer my- self as a candidate for six months next preceding the date of said election.

DATED this the ___ day of ___, 19___. Name of Candidate Received the ___ day of ___, 19___. Mayor

All candidates shall file with said application the loyalty affi- davit required by Article 6.02 of the Election Code.

That the Secretary of this City shall, in accordance with the terms and provisions of Article 13.32 of the Election Code, post in his of- fice the names of all candidates who have been certified to him by the Chairman of the Executive Committee of any party holding a primary election for said above mentioned offices, and the names of all independent candidates who have filed their applications in ac- cordance with the terms and pro- visions of this order, and said names shall be posted at a conspicu- ous place in said office for at least 10 days before said Secretary or- ders the same to be printed on the ballot for said election.

This city, having one election precinct, said election shall be held at the following place in said city: In Election Precinct No. 1 at City Hall Building. The City Secretary is hereby au- thorized and instructed to provide and furnish all necessary election supplies to conduct said election. The Mayor shall issue all neces- sary orders, writs and notices for said election and returns of said election shall be made to this Council immediately after the clos- ing of the polls.

PASSED, APPROVED AND AD- OPTED this 12th day of Febru- ary, 1973. Troy L. Jones Mayor Jerry Patton Secretary
