

## Citizens concerned about speed limit on county roads

By SAMUEL VILLARREAL  
Journal staff writer

Fast cars and county roads don't mix, according to local residents.

Residents living on County Road 73, a stretch of caliche road north of Wilson Drilling Company, are working to lower the speed limit for safety reasons. They believe that the current speed limit of 65 miles per hour is excessive in light of the large number of families in the area.

Tommy Green, a homeowner on CR 73, brought the matter to the attention of the Bailey County Commissioners Court during a special session Friday. The Commissioners Court agreed to hold a public hearing Nov. 11 to look into the possibility of lowering the speed limit to 45 miles per hour on a heavily-populated two and a half mile stretch of the road.

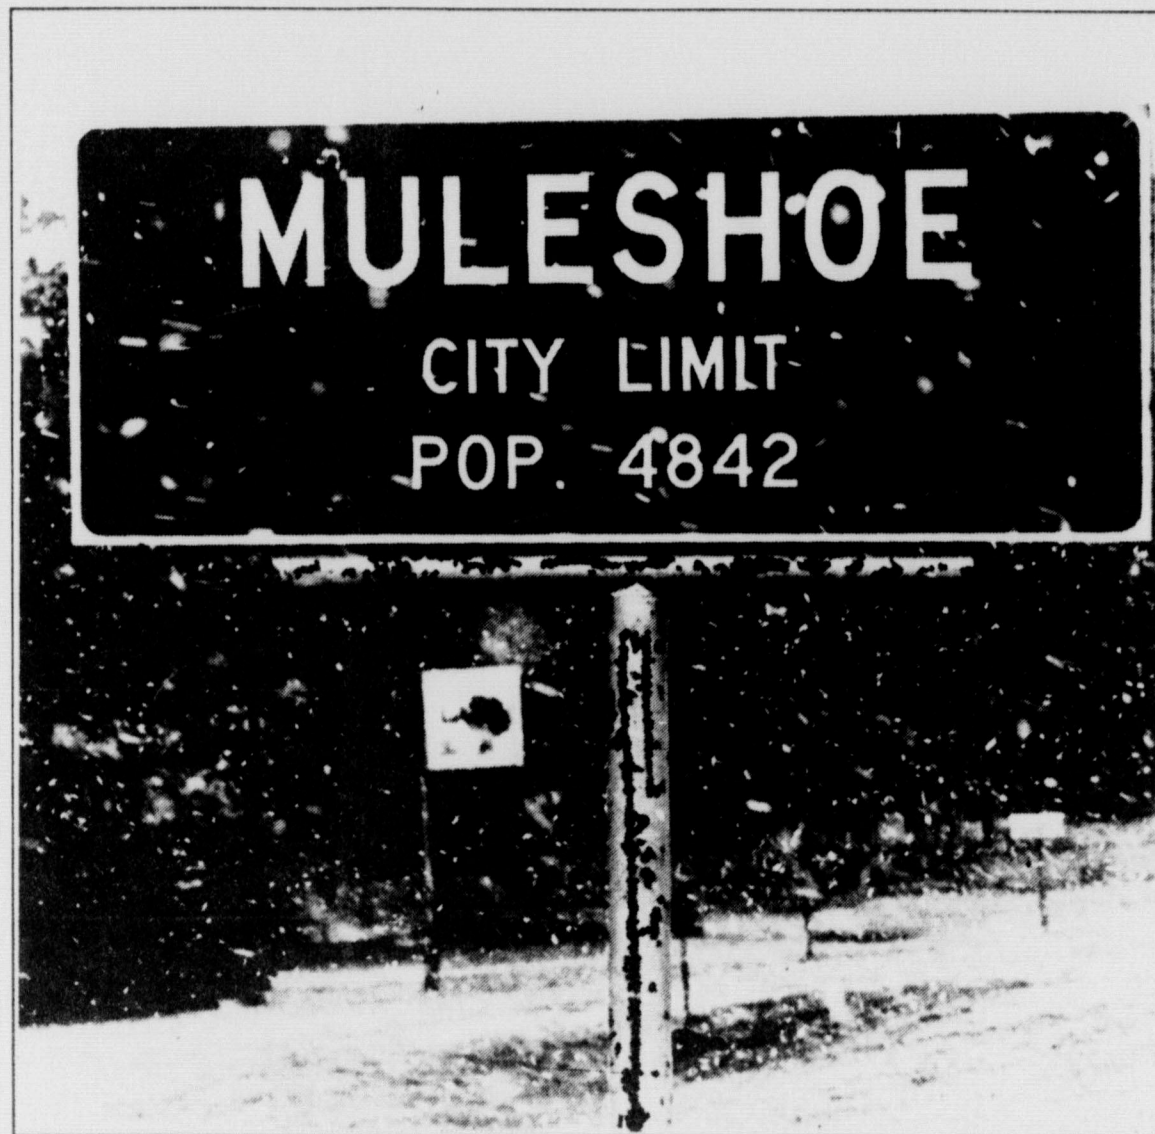

Bailey County Sheriff Jerry Hicks thinks 65 miles per hour is excessive for any of the remainder of unpaved county roads.

"We've been fortunate that we have not had as many wrecks as we could have on county roads," Hicks said. "There are a lot of blind intersections on county roads, including this one. I don't think that a 45 mile per hour speed limit is unreasonable for any unpaved road."

### Winter comes early

A freak winter storm dumped up to four inches of snow across parts of the Panhandle Monday. It snowed in Muleshoe for three to four hours and temperatures plunged into the 30s. The ground was too warm for the snow to accumulate.

## Mules look to rebound at Fritch

By RICK WHITE  
Managing Editor

Muleshoe and Sanford-Fritch were outscored by a combined 107-0 last week.

They'll meet at 7:30 p.m. Friday in the "Rebound Bowl" at Eagle Stadium.

The Eagles were held to 44 yards in a 52-0 loss to River Road while Muleshoe was embarrassed by Perryton, 55-0.

"We were talking about how the games were so similar after watching Muleshoe's game Saturday," said Sanford-Fritch head coach Rex Cumpton. "We both had a couple bad things happen early and it just mushroomed from there."

Friday's District 1-3A game could be decided early.

"Both teams will be trying to rebound from tough losses, so it's going to be important to get off to a good start," said Cumpton, up in Bovina. "If it turns out to be a situation where either team makes some mistakes early or gives up a quick touchdown, it could have a significant impact on the game."

Sanford-Fritch (2-5 overall, 1-3 in district) has lost three straight since opening district with a 39-14 win over Perryton. Perryton was missing 10 starters who were suspended in a hazing incident. The Eagles' other win was a 24-23 decision over Class 2A Canadian.

The Eagles are almost exclusively an option team. Tailbacks Travis Holland and Bubba Winkle lead the Eagles with 423 and 318 yards respectively. Winkle's quickness poses the biggest threat for the Mules.

Defensively, Sanford-Fritch likes to show multiple fronts and will put eight and nine men on the line of scrimmage in running situations.

Muleshoe (0-7, 0-4) is still

## Mighty 'M' freshmen mature quickly

### A new day job

Stephanie Sexton, a sophomore at Muleshoe High School, performs during the Saturday afternoon game against Perryton. Sexton is one of over 30 members new to the band this year.

By SAMUEL VILLARREAL  
Journal staff writer

The 1996 season has been one of growing pains for the Muleshoe High School Mighty 'M' Marching Band.

Because of declining numbers in recent years, half of the band is now comprised of freshmen and first-year players.

"It's been to our advantage that the younger members of the band catch on quickly and are willing to learn new things," said senior drum major Melissa Mata.

Because several band members were ineligible to compete after the first grading period was over, members were shuffled around to fill holes while the rest of the band learned new drills. Many of the changes took place just days before competitions began.

After a rocky start to the 1996 competition season, earning a first division at the University Interscholastic League Region XVI competition was just what

the young band needed to get going, according to junior drum major Steven Madrid.

"With this young of a band needed to win," Madrid said. "We went to Denver City and the Tech Festival and got a second division both times. They didn't know what a first division was and they didn't know what it was like to win."

"Instead of just talking about it, we actually had something to show them how good they are," Mata said.

With only four days between the Texas Tech Festival and UIL regional competition, the band's drum majors attribute the sudden success to hard work.

"That one week before UIL we had the most intense rehearsals we had all year," Madrid said.

The Mighty 'M' Band will have their biggest test so far when they compete Saturday at the UIL Area A marching competition. The UIL Area A competi-

## Lady Mules in hunt for district CC title

By RICK WHITE  
Managing Editor

The Muleshoe girls cross country team has found the recipe for success this fall.

Start with a heaping portion of senior leadership, toss in a handful of spry freshman legs, added in a salty coach for spice, and you have a ingredients for a district champion.

The blend of senior savvy and freshman exuberance make the Lady Mules one of the favorites in Saturday's District 1-3A cross country meet at Thompson Park in Amarillo.

The two-mile girls varsity meet starts at 10:10 a.m. The three-mile boys varsity race starts at 11 a.m.

## Enochs man grabs top honors

Harold Pollard of Enochs won the Journal's seventh weekly football contest in a weekend marked by upsets.

Pollard earned the \$15 first prize on the tie-breaker after five contestants correctly picked 14 of 18 winners.

Pollard nearly nailed the Monday's tie-breaker game, Oakland's 23-14 win over San Diego. Pollard guessed 38 total points.

Nathan Crawford of Lazbuddie earned the \$10 second prize with a tie-breaker total of 40 points and Heath Brown of Lazbuddie secured the \$5 third prize with a tie-breaker total of 47 points.

Upsets by Iowa, Houston and New England made it a touch week for most of the 36 contestants.

**LETTER TO THE EDITOR**

Dear Editor:

I would appreciate it if someone would provide me a specific list of things Representative Pet Laney has done that is above and beyond what he was elected to do.

Please tell me where good old Pete was when the TNRCC shut down all of the rural land-fills.

Please tell me where good old Pete was when Senator Teel Bivins was trying to get the TNRCC to reduce its excessive regulatory requirement for permits for dairies and feed lots. Where was he when 100 new dairies and a new cheese processing plant relocated in Eastern New Mexico and only one new dairy has been built in Texas.

Why is good old Pete against term limits? Wait, I know the answer to that one, \$696,373. *Austin American Statesman*,

Aug. 21, 1996.

Why is good old Pete against letting the voters decide on whether they want home equity lending? Why wouldn't he let that legislation get to the House floor after it was approved in committee during the last legislative session? Why does he think he knows more about what is good for the citizens of the State of Texas than the citizens themselves?

Why are our insurance rates among the highest in the nation? Pete Laney was endorsed by the insurance underwriters. *Lubbock Avalanche-Journal* April 6, 1996.

Why was the lottery income not dedicated to education of our children instead of being put into the general fund for legislators to use for pet projects. Then they have the audacity to go home and tell voters they didn't raise their

taxes.

Why does one school district have to send money to another district? Democrat politics at its best. When was the last time teachers had a decent salary increase?

The last time Pete Laney was in Bailey County, at a public event, he was accompanied by two of his democrat cronies, Ann Richards and Lena Guerrero.

National High School Activities Week is being celebrated this week.

Muleshoe High School Student Council has planned a number of activities to recognize all the students, sponsors, coaches, parents, and officials involved in University Interscholastic League activities.

National High School Activities week was kicked off with Dr. Bruce Purdy speaking to the students at the pep rally Oct. 18. Purdy spoke on how his participation in extra-curricular activities effected his life.

Muleshoe Mayor Robert Montgomery was also on hand to present a proclamation declaring Oct. 20-26 Local High School Activities Week.

National High School Activities Week was initiated in 1980 as a means to increase the public awareness of the values and needs of activity programs. In 1983, the U.S. Congress and President Reagan designated the third week of October officially as National High School Activities Week.

Along with other activities, the MHS Student Council presented shirts to senior Cari Faver, retired coach George Washington, Superintendent Bill Moore, and local teacher John Gulley for their support they have shown to high school activities.

Shawna Kenworthy, sidelined most of the season with a hernia, won the individual title. Dimmitt is hard to figure because they rarely field its full team until district meets.

Sanford-Fritch, the defending 1-3A champion and perennial northern Panhandle power, is young and untested.

Muleshoe is led by seniors Priscilla Aguirre, Cari Faver and Brandi Harrison, and fresh-

man Stacy Locker and Lysie Black.

"We've talked all year about not letting any purple (Dimmitt) and blue and gold (Sanford-Fritch) uniforms in front of us," Muleshoe coach Kim Zollinger said.

Aguirre has overtaken Faver as the Lady Mules top runner.

Muleshoe coaches believe Faver has been overtraining, and a result has had tired legs

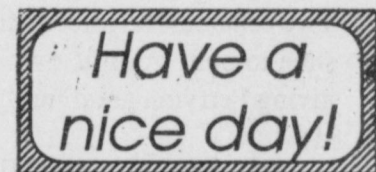

during recent meets. The coaches think she'll rebound in time for the district and regional meets. Locker and Black are solid No. 3 and No. 4 runners.

Zollinger, a feisty, straight-shooter, thinks her team has a good shot at qualifying for the state meet in Austin.

Muleshoe has improved each week out, finishing an impressive third at the prestigious Lubbock Invitational

three weeks ago behind Class 3A powers Clint and Brownfield.

The Lady Mules handily defeated six other District 1-3A teams during the meet, including Dimmitt and Sanford-Fritch.

Only 26 out of 940 miles of county roads paved.

For residents of the area, the main concern is safety, particularly the safety of children in the area.

"Sometimes when our kids are outside they don't realize how close they are to the road until a car comes by," Green said. "We've had too many people who are speeding down the road. These roads are dirt

roads that are not designed for high speeds. I feel that people should go slower."

Precinct 1 Court Commissioner Butch Vandiver has been working with Green to bring the concerns of the residents in the area to the attention of the county government.

"There are about 15 families who live of this particular stretch of road. Sometimes the children may be riding their

bicycles on the road," Vandiver said. "If a speed limit is what it takes to protect the lives of our children, then we need it."

Hicks said that he has received several complaints about the speed of traffic in the area.

"If the new speed limit is passed, we will run radar to enforce it," Hicks said.

## Perryton cruises past Mules, 55-0

By RICK WHITE  
Managing Editor

Perryton kept it under the state speed limit Saturday afternoon, posting a 55-0 District 1-3A win over Muleshoe before a crowd of 700 at Benny Douglass Stadium.

Shoddy tackling and a lackluster effort by Muleshoe after the first quarter allowed a Perryton offense that was more Chevette than Corvette to cruise up and down the field.

Perryton scored on every possession except just before halftime, and its final possession, with three minutes left in the game.

Perryton finished with 398 total yards and forced five turnovers while snapping a four-game losing streak.

Sean Eckhardt scored four touchdowns for the Rangers (2-5 overall, 1-3 in district).

The Mules (0-7) are alone at the bottom of the district standings at 0-4.

Muleshoe head coach David Wood admitted it was his most frustrating day since he took over the program last spring.

"Yeah, I'm frustrated by the fact that I couldn't get them up

during the game no matter what I tried," said Wood, trying to shoulder the blame. "I couldn't get them to compete the way I want them to compete."

Muleshoe looked like it had a chance to snap its 17-game losing streak, taking the opening kickoff and driving 68 yards to the Ranger 9-yard line.

But Matt McClanahan's apparent 12-yard touchdown run was called back on a holding penalty. Muleshoe then turned the ball over on downs.

It would have been the Mules' first first-quarter touchdown of the season.

"That definitely had an effect on the outcome of the game," Wood said. "Again, we weren't able to rebound after we shot ourselves in the foot."

The Rangers then drove 88 yards in 10 plays to take a 7-0 lead. A missed tackle in the backfield on third-and-three at the PHS 22 allowed Allen Adkinson to bounce outside and lumber 43 yards to the Muleshoe 35. Adkinson led Perryton with 106 yards on eight carries.

Perryton made it 14-0 midway through the second quarter,

driving 53 yards and 11 plays. Two penalties had forced Muleshoe to punt from its own 14, giving Perryton good field position.

PHS quarterback Mike Clevenger kept the drive alive, slipping a tackle in the backfield on fourth-and-three at the Muleshoe 47.

"Missed tackles, that's when we started getting down,"

Wood said. "We shouldn't have, but we did."

A 26-yard pass from Clevenger to Matt Paetzold on second-and-17 put the ball at the Muleshoe six. Adkinson scored two plays later from the five-yard line.

Eckhardt scored on his second touchdown three minutes later, after a bad snap resulted in Muleshoe punter Dustin

Clevenger being tackled at the Muleshoe 15. Perryton led 21-0 with 3:03 left in the half.

Muleshoe had a chance to get back in the game, driving to the Perryton 8 with 18 seconds left.

But McClanahan's pass, intended for Manuel Campolla in the end zone, was intercepted

## Lazbuddie silences Owls

SILVERTON — Justin St. Clair accounted for 277 yards and four touchdowns Friday as Lazbuddie beat Silvertown 48-26 in a District 3-1A game.

The win gives the Longhorns an excellent shot at making the state playoffs and sets up a showdown for the district title with Whitharral in two weeks.

Lazbuddie, ranked sixth in the state, is 7-0 and 2-0 in the district. No. 2 Whitharral sports an identical record after beating Three Way Friday, 52-6.

The Longhorns play at Cotton Center this week and ends the season against Amherst. Cotton Center and Amherst have won a combined two games this season.

"We have a pretty good shot at making the playoffs unless something strange happens," Lazbuddie coach Mark Scisson said. "But we still have to go out and play hard this week."

St. Clair completed 7 of 10 passes for 163 yards and three touchdowns as the Longhorns passed for a season-high 258 yards. Chris Smith caught six

"I felt good about our offense in the first half," Scisson said. "We moved the ball well and put up a lot of points in a hurry."

Lazbuddie jumped out to a 32-14 halftime lead.

St. Clair sandwiched touchdown passes of 20 yards to Seth Black and 51 yards to Adam St. Clair around a 2-yard run, giving Lazbuddie a 20-8 first-quarter lead.

Jeremy Holt's third touchdown and a 5-yard pass from Cory Chandler to John Ivory

pulled the Owls (3-4, 1-1) within 32-26 in the third quarter.

But Justin St. Clair's 55-yard touchdown pass to Smith and Adam St. Clair's 7-yard run put the game out of reach.

Josh Morris completed 11 of 15 passes for 95 yards and a touchdown for the Longhorns, who six players with receptions.

Arnold Garza led the Owls with 117 yards on 25 carries.

Lazbuddie outgained Silvertown, 397-261.

## 'Horns headed for 3-1A showdown

Lazbuddie can stretch its winning streak to eight games Friday at Cotton Center and set up a showdown with Whitharral for the District 3-1A title in two weeks.

Lazbuddie and Whitharral are both undefeated at 8-0 and ranked in the top in the state in the latest six-man poll.

Whitharral is ranked second and the Longhorns are No. 7. Both are 2-0 in district.

Lazbuddie has beaten play-

off contenders Three Way (56-42) and Silvertown (48-26) the last two weeks.

Cotton Center (1-5-1, 0-2) got beat by previously winless Amherst last week, 66-16.

"We need to play well this week to keep our momentum going into the Whitharral game," Lazbuddie coach Mark Scisson said. "I try not to look

at a team's record and I try to teach the kids that."

Three Way (4-3, 0-2) will try to snap a three-game losing streak this week at Amherst (1-6, 1-1). Three Way's 52-6 loss to Whitharral left the Eagles with faint playoff hopes.

"We're going to play as hard as we can for as long as we can," Three Way coach Danny James said. "I have not doubts that we're going to continue to play hard."

## DISTRICT 1-3A ROUNDUP

### Friona 44, Dalhart 21

Friona scored 21 points off three Dalhart turnovers in a 44-21 win that helped the Chieftains in sole possession of the district lead.

Friona (6-1, 4-0) has won six-straight games for the first time since 1987. Dalhart drops to 2-4-1, 2-2.

The game was matchup of the district's top offensive team in Dalhart and the top defensive team in Friona.

Friona won the battle, holding the Golden Wolves to 237 yards, forcing four turnovers and recording a safety.

The Chieftains capitalized on two first-half turnovers to take a 21-0 lead. Any

**Kendrick** scored on runs of 39 and 3 yards.

Dalhart pulled with 28-14 on **Danny White's** 85-yard kickoff return midway through the third quarter, but Friona quarterback **Kyle Grimsley** slammed the door on any comeback.

Grimsley connected with **Angel Vega** on a 47-yard touchdown pass, then scored on a 9-yard run on the first play of the fourth quarter to give Friona a 42-14 lead.

Grimsley finished with 114 yards on 13 carries and passed for 91 yards. Friona gained 389 yards rushing and 480 total yards.

### Dimmitt 16, Tulia 10

Dimmitt (5-2, 3-1) remained a game back of Friona with a 16-10 home win over Tulia. The Bobcats are at Friona this week.

Dimmitt held Tulia to 157 yards and forced four turnovers in a defensive struggle. The Bobcats finished with 220 yards and one turnover.

A 17-yard by **Beau Hill** and a 27-yard field goal by **Serge Linskyi** in the third quarter gave the Bobcats a 16-3 lead.

Tulia (3-4, 2-2) scored in the fourth quarter on **Jeremy Patton's** third-yard run.

### River Road 52, Sanford-Fritch 0

River Road held Sanford-Fritch to 44 yards and returned two interceptions for touchdowns in a 52-0 win.

**Rowdy Lundegreen** threw two touchdown passes in the first half as the Wildcats (3-4, 3-1) remained in a tie for second-place with Dimmitt. River Road led 23-0 at halftime, then put the game out reach in the third quarter on a 21-yard run by **Trent Miles** and a 75-yard interception return by **Shane Tabor**.

looking for its first win.

"I'd like to forget last week and move on," Muleshoe head coach David Wood said. "But I can't. Something led to us playing that way and I'm going to have to figure it out."

Muleshoe needs to get its offense untracked to break into

the win column.

The Mules have scored 26 points so far, and have been shutout four times.

"We had a good game plan against Perryton," Wood said. "Xs and Os are fine, but it's the way you play the game that gets you wins. We just didn't get after it."

by Paetzold.

After forcing Muleshoe to punt to start the second half, Perryton drove 94 yards in 12 plays. Clevenger found a wide-open Coby Habertur for a 31-yard play-action touchdown pass to make it 28-0.

Muleshoe was deflating faster than a cheap birthday balloon.

Perryton scored three touchdowns off Muleshoe turnovers in the second half to complete the rout.

Cody Sunday scored Perryton's final touchdown with five minutes left, returning a fumbled punt snap 11 yards.

"Xs and Os don't win games," Wood said. "You win with hitting, blocking and tackling."

Perryton head coach David Cottrell felt the interception before halftime was the key play.

"That was a big turnaround," Cottrell said. "If they scored there, they were fixin' to go into halftime with a lot of momentum. When they fell short, I felt pretty good about the first half."

It's been a difficult year for Cottrell and Perryton.

Ten starters and a total of 12 players were suspended for two games for their part in an alleged hazing incident earlier this year. Plus, the Rangers have lost twice recently after taking leads into the fourth quarter.

"When we have all our players, we're a pretty good team," Cottrell said.

## Mules JV beats Perryton, 25-6

CANYON — Gilbert Vela rushed for 132 yards and two touchdowns Friday, leading the Muleshoe junior varsity to a 25-6 win over Perryton at Canyon Randall High School.

Carlton Lewis caught a touchdown pass and Greg Penaran for another, as the Mules improved to 4-3.

Lewis finished with 59 yards receiving. Pena had 45 rushing yards and caught a pass for eight yards.

Jacob Villa had one catch for 10 yards and intercepted a pass.

The Mules were scheduled to play at Dimmitt this week, but the game was cancelled because the Bobcats aren't fielding a team. Muleshoe is looking for a game.

## Sleep key factor in good grades

HOUSTON — Students of all ages may be missing a key ingredient to good grades — adequate sleep.

"Sleep is probably the most important period of the day for processing new information," said Dr. Bruce D. Perry, a child psychiatrist at Baylor College of Medicine in Houston.

Missing sleep, Perry says, causes most of the day's experiences to be stored inefficiently in the brain. Lectures heard, chapters read, interactions with teachers and harder to remember if the brain is sleep deprived.

"Rather than cramming information for a test, students are better off studying in smaller chunks and getting enough rest to process the information properly," he said. "Otherwise, you end up storing the information in short-term memory and forgetting it in a few weeks."

Sleep is critical for young students as well.

"Children have many new concepts to learn in school," he said. "A good night's sleep not only lets them process what they learned but also helps them be alert in class."

Students who are sleep deprived tend to be more irritable and have difficulty concentrating.

Perry feels that parents often underestimate the importance of sleep

## Scientific American Frontiers "Inventing the Future"

From the futuristic Media Lab at MIT to the dusty, overcrowded game preserves of South Africa, and from the brains of humans to robots that think, viewers explore the extremes of nature and invention on **Scientific American Frontiers**, America's premier science magazine series. Science aficionado Alan Alda returns for the fifth year as host and guide for the series.

The season opens with "Inventing the Future" in the state-of-the-art Media Lab at MIT where host Alan Alda spends a fascinating week with the world's foremost "technoguru," Nicholas Negroponte, and a team of scientists that is literally "inventing the future." Viewers accompany Alda on an exploration of an environment in which desks, rooms, cars, musical instruments, and even a virtual dog interact with human beings. This program departs from the series' traditional format of exploring several aspects of a single theme and concentrates solely on Negroponte and his work on interactive technology at MIT.

"Inventing the Future" on **Scientific American Frontiers** will air Friday, October 25th at 1:00 p.m.

## Masterpiece Theatre "Bramwell II"

Dr. Eleanor Bramwell, the empathic, committed, and iconoclastic young doctor who debuted on **Masterpiece Theatre** in the spring, returns for four new episodes in "Bramwell II." Jemma Redgrave reprises her role as the scion of affluent Dr. Robert Bramwell (David Calder), an adoring father who's nonetheless mystified by his daughter's devotion to the Thrift, the infirmary where she ministers to residents of London's slums. Russell Baker hosts the broadcasts.

"Bramwell II" is based on actual case histories from the Victorian era, while Dr. Eleanor Bramwell is modeled on real doctors of that period.

"Bramwell II" on **Masterpiece Theatre** will be broadcast Sundays at 9:00 p.m. beginning October 27th. The series repeats Fridays at 11:00 p.m.

**COTTON NEWS**

LUBBOCK — Harvesting activity on the High Plains continues to expand. According to Lubbock-based Plains Cotton Growers, Inc., producers making use of harvest aid products appear to have the upper hand on preventing late-season aphid build-ups.

"Essentially fields with the highest potential for late season aphid build-ups are later maturing and have some new growth on them," says PCG Executive Vice President Donald Johnson.

According to recent estimates, only about 35 percent of the area crop has been treated with harvest aids at this time.

Johnson adds that avoiding potential aphid problems will help reduce the chances of a repeat of 1995's limited sticky cotton problem.

"For the individual producer it is important to be as proactive as possible in every aspect of crop production," notes Johnson. "In addition to other

tangible benefits, timely harvest through the use of harvest aids will significantly reduce the potential for sticky cotton."

Sticky cotton causes serious problems for manufacturers. If allowed, sticky cotton could also reduce the over-all demand for High Plains cotton that producers have worked so hard to create.

So far less than ten percent of the area has been harvested and the USDA Cotton Classing office at Lubbock has run a total of 44,624 samples from the 1996 crop.

Quality-wise, early returns exhibit a fairly typical pattern. Almost 30 percent have been called barksy so far, which indicates fields being stripped a little too quickly.

Anyone interested in learning more about the way cotton is classified or how a bale is assigned various quality values can attend one of two meetings being held Oct. 29 and 30. The Lubbock Cotton Class-

ing Office Growers Advisory Committee will meet Tuesday, Oct. 29 at 10 a.m. at the USDA Classing Office in Lubbock, 4316 Ironton.

The Lamesa Cotton Classing Office Growers Advisory Committee will meet at 9 a.m., Wednesday, Oct. 30 at the USDA Classing Office in Lamesa.

Both committees will be given reports on office operations as well as being provided a tour of the facilities. Producers who have never had the opportunity to go through either of the two offices are invited to attend.

# Bailey County 4-H Banquet

## Tooley, Lee earn Golden Star Award; Kennedys named outstanding family

The Bailey County 4-H held its annual Achievement Banquet Oct. 20 at the Bailey Counter Coliseum.

The accomplishments of the county's 4-H'ers were recognized for the past year, with 54 parents and members in attendance.

Josh Tooley, a senior at Three Way High School, and Justin Lee, a junior at Muleshoe High School, were awarded the Gold Star Award, the highest award given on the county level. The Gold Star Award is given annually to 4-H members who show outstanding leadership and citizenship abilities.

Amy Hooten and Keila Kennedy, both juniors at MHS, were chosen to receive the "I Dare You" Award. Hooten and Kennedy were chosen for their outstanding 4-H careers to date. The award is also a challenge to the recipients to aspire to achieve the highest potential in service and leadership.

Terri Hahn was presented with the Outstanding 4-H Leader Award. Hahn was chosen for her help in club projects and for her willingness to provide transportation for club members on long trips.

The Bailey County "Outstanding 4-H Family" Award was presented to the Steve Kennedy family. The Kennedy family participates in many 4-H projects, including animal projects, judging teams, and leadership activities.

## Mighty 'M'

Continued from page 1

tion will take place Saturday at Jones Stadium in Lubbock. Admission will be \$2 for Adults and \$1 for students. Muleshoe is scheduled to perform at 3:15 p.m.

Many of the states finest marching bands in Class 3A will be at the competition. Along with Muleshoe will be bands from Denver City, Monahans, Brownfield, and Crane.

Denver City and Brownfield have dominated the state 3A

Marching competition for more than a decade. Monahans was a finalist at last year's 4A UIL state marching competition before dropping down to 3A this year. Crane has also been to the state contest several times in the past. Band members see it to their advantage.

"There are so many good bands in this area that you have to be competitive just to keep up," said Madrid. "If we make it to state, we'll have already seen our toughest competition.

We are the underdogs for this competition, but we've seen our competition, and their ripe to be taken.

Mighty 'M' Band director Rob Lovett is hoping for a big turnout of supporters.

"I'd like to see as many parents, family members, and people from the community at Lubbock to support the band as possible," Lovett said.

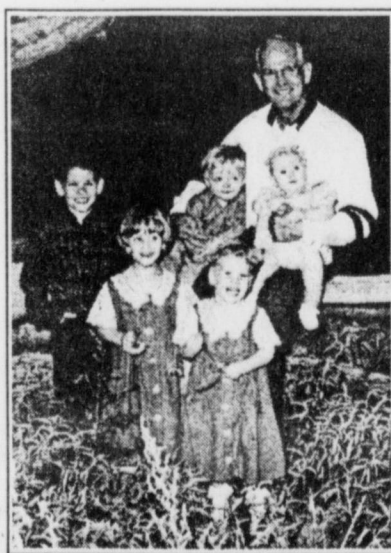

Love is the only game that is not called on account of darkness.

## Hollis Cain Receives More Support from Folks in the District than his Opponent! Here's Why:

Hollis Cain has raised more money from more supporters in the district than his opponent.

James E. "Pete" Laney received over 80% of his campaign cash from lawyers, unions and lobbyists outside the district, including \$25,000 from the liberal NEA Texas affiliate.

Laney got more money from out-of-state than from inside the district.

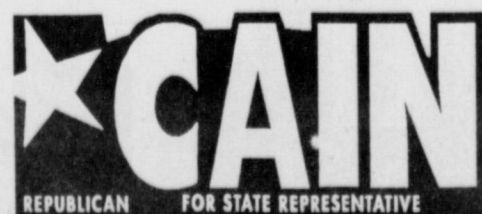

HOLLIS CAIN AND HIS GRANDCHILDREN

Hollis Cain Will Work For:

- A 2/3 majority vote by legislators before they raise your taxes.
- Local elections for voter approval before property taxes can be raised.
- Term limits of 12 years.
- Smaller government, local control, less regulation, a better Texas for families.

A Conservative You Can Trust To Do What Is Right For Rural West Texas Families!

**CARAMEL CORN RECIPE**

1 cup brown sugar 1/2 cup pecans (broken)  
1/4 cup white syrup 1/2 cup popcorn kernels  
1 stick margarine

Pop popcorn. Boil sugar, syrup and margarine about 5 minutes. Place popped corn in 9 x 13 pan. Scatter pecans over popped corn. Pour the syrup over the corn and stir. Place in oven at 250° for at least one hour. This should be stirred about 3 times while baking. If stored in a tight container, it will keep for months.
