Commission lowers speed limit on selected county roads

By **SAMUEL VILLARREAL**
Journal Staff Writer

The Bailey County Commissioners Court Monday lowered the speed limit on two county roads.

The speed limit was reduced in response complaints from residents in the area about cars that were driving at what they deemed as excessive speeds near their homes.

"I was nearly run over (Sunday)," said area resident Felicia Green. "Someone just came barreling down the road and almost hit me."

Other residents who spoke at the public hearing were J.C. Pearson, Douglas Tennell, Tommy Green, and June Green.

Commissioners decided to reduce the speed limits on two stretches of dirt roads north of town from 60 to 45 miles per hour. The current speed limit for all unmarked county roads is 60 miles per hour.

Roads affected by the new speed limits are county roads 163 and 1038. The speed limit on county road 163 will be reduced from its intersection with U.S. highway 84 north for 1.5 miles.

The speed limit for county road 1038 will be reduced be-

ginning at its intersection with Texas highway 2079 east for 1.5 miles.

Commissioners felt that a speed limit of 45 miles per hour was reasonable considering the large number of families living in the area.

In other business, the Court hired

Gladden holds an associate's degree in pre-home economics from South Plains College and a bachelor's degree in home economics from Texas Tech.

The county commissioners also decided to continue the county's participation in the TexPool savings group.

TexPool is a program that allows governmental entities to invest money and receive higher interest rates that they could at a bank.

MISD developing programs tailored toward special needs

By **SAMUEL VILLARREAL**

The Muleshoe Independent School District continues to show overall improvement in math and reading test scores, but scores for Hispanic and economically disadvantaged students lag dramatically behind, according to a state agency report.

The MISD Board of Trustees Monday received the

SCHOOL BOARD

results of the 1995-96 Academic Excellence Indicator Report during its regular bi-monthly meeting.

No citizens showed for the public hearing schedule for comment on the report.

The report showed an overall improvement at all

four MISD campuses of a little less than two percent in reading and 7 1/2 percent in math on the Texas Learning Index, the scale used to progress in Texas public schools.

However, Hispanic and economically disadvantaged students received scores significantly lower

Lady Mules finish 9th at 3A state meet

ROUND ROCK — Muleshoe tumbled into ninth place Saturday at the UIL Class 3A state cross country when one of its top runners fell early in the race and could not finish.

Muleshoe senior Priscilla Aguirre was hovering around the top 20 in the first mile of the race when she fell on a rock and twisted her ankle. She could not continue.

So instead of pressing for a top five finish, the Lady Mules sank to the end of the 12-team field.

"I think that burst the bubble," Muleshoe coach Kim Zollinger said. "The team concept went out the window after that."

Yvette Barrios of Clint won the individual title while helping her squad to the team title.

Clint, which won the Region I title in Lubbock last week handily, edged Ingram by three points. Clint finished with 77 points and Ingram with 80.

Pittsburg finished third with 120 points and Devine fourth with 128 points.

Region I rival Brownfield was eighth with 169 points while Muleshoe finished with 189.

"We were astonished at how strong the other regions were," Zollinger said. "According to the press, we were the strongest region. We were humbled."

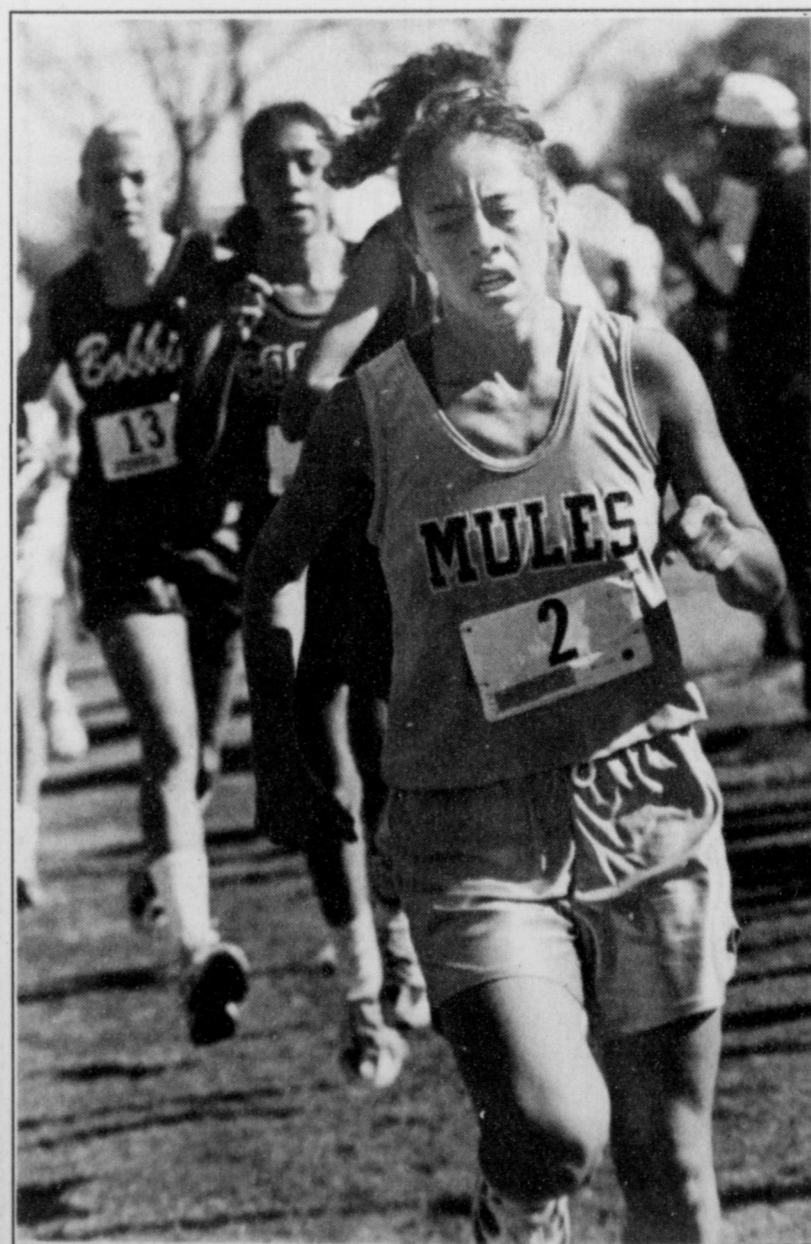

Barrios finished the two-mile completed with tight turns and rough terrain in 11 minutes and 52.2 seconds, almost 40 seconds slower than her winning time at the Region I meet.

The layout, which included one uphill stretch that forced runners into single file, was foreign to Muleshoe, which is used to wide-open, level terrain.

"That probably had some effect," Zollinger said. "But I can't say that was the reason why some of us didn't do so well."

Freshman Stacy Locker finished 31st for Muleshoe with a time of 13:12.

PLAYOFF PREVIEW

'Horns open with Rochester

By **RICK WHITE**
Managing Editor

LAZBUDDIE — A postseason regular since 1988, Lazbuddie returns to the six-man playoffs Friday after a one-year hiatus.

The District 3-1A runnerup Longhorns (9-1) play District 1-4A champion Rochester (8-2) at 7:30 p.m. in a bi-district game at New Home.

Lazbuddie stayed home from playoffs last year with a 5-5 record.

"It feels a lot better than last year," said senior Justin St. Clair Monday after practice. "Last year, we lost our first two district games and we'd come out to practice and it would be dead because we had nothing to play for. This year, it's exciting."

Lazbuddie playoff history includes four trips to the

Dear Friends and Neighbors,
 We extend our sincere thanks to each of you at this time for your prayers, concern, calls, visits, flowers, memorials and food.
 We thank God that He saw it was time to take Olene Watts, my wife, my mother, and our grandmother home with Him.
 The special help of Dr. Allgood and his staff, the nurses of our hospital, Home Health, and Hospice of the Plains of Plainview made it possible for us to stay at home for the many months, until the last week. The special ministering of Rev. John Wagoner and his wife Terry, in the short time we have known them, helped in so many ways. The special music of Marshall Cook and Joan Lewis made the memorial beautiful for us.
 God Bless You -

TexPool fund receives 1.5 points in interest above banks, according to County Judge Marilyn Cox.

"TexPool was started by Ann Richards when she was state treasurer," Cox said. "The office of state treasurer doesn't exist anymore, so the program was absorbed by the state comptrollers office."

The county keeps less than \$3,000 in the TexPool fund, according to Cox. Funds are drawn out of TexPool when the county needs them.

The commissioner also voted to raise the salary of election judges to \$6 per hour. Wages for all other election workers was set at \$4.75 per hour.

"She ran excellent," Zollinger said. "She ran hard and without fear."

Senior Cari Faver finished 43rd with a time of 13:28 with freshman Lysie Black one second behind in 44th place. Black again toughed out a painful hip injury for the third-straight week.

"She tried to say she was okay, but she was hurting," Zollinger said. "Those two freshman responded well."

Seniors Jo Beth Gilleland, 73rd, 14:10, and Brandi Harrison, 75th, 14:21, rounded out the scoring.

"This gets girl sports at Muleshoe off to a good start," Zollinger said. "We didn't reap any rewards, but at least we got a chance to run. There were a lot of teams that stayed home."

than other demographic groups. Less than 60% of the students in both groups passed all levels of the exit level TAAS, compared to 92.7% of white students.

MHS Principal pointed out that while scores by Hispanic and economically disadvantaged students are lower than other demographic groups, they have risen compared to previous years. The percentage of Hispanic passing all sections of the exit level TAAS rose from 28.2% in 1995 to 58.3% in 1996. Economically disadvantaged students improved to 54.8% in 1996, up from only 20% in 1995.

"While some of the scores may be lower, we are working hard to raise scores in all areas and to eventually have all demographic groups scoring on the same level," Bishop said.

MISD has already begun programs to improve reading skills beginning at the elementary level, according to MISD assistant superintendent Adrian Meador.

"We are starting a reading program geared toward economically disadvantaged students, who we classify as those who sign on for free or reduced lunches," Meador said. "A large group of Hispanic students are also migrants and have a language barrier. It's hard for students who move from year to year to get good grades."

The report grouped each campus with 39 other campuses from around the state who showed similar demographic compositions, including the percentage of Hispanic, African American, Caucasian, and economically disadvantaged students attending each campus.

The report also compared the percentage of students who are participating in Advanced Placement (AP) classes, which are high school classes taught with a college curriculum. The percentage of student at MHS enrolled in AP classes for the 1995-96 school year was 21%, 13.4% above the state average.

"We've been encouraging

students to take AP courses for their advanced curriculum," Meador said.

In other business, the board received a report from the MHS Teen Leadership Class.

Teen Leadership instructor Carolyn Johnson informed the board that the MHS Teen Leadership Class has been invited to attend a retreat in Dumas sponsored by the Texas A&M University Leadership Education Foundation.

"It is a real honor to be chosen," Johnson said. "There are other Teen Leadership Programs in the area that have been in place for a year or two, but Muleshoe was chosen to attend."

Johnson also reported that two MHS students, Amanda Valdez and Adrian King, had articles chosen to run in the state Teen Leadership newsletter.

Fran Hamilton was also recognized by the board as the November MISD Support Staff Member of the Month.

Hamilton serves as the ac-

companist for the new choir program as well as a computer lab supervisor at Watson Junior High.

Board members also recognized the MHS girls cross county team for advancing to the state competition this past weekend.

quarterfinals and a semifinal appearance in 1992.

"They know what it felt like not to make it," Lazbuddie coach Mark Scisson said. "It wasn't a lot of fun. In fact, it was miserable."

Lazbuddie success can be traced to an offense that is more versatile than a Swiss army knife and more balanced than a Special K breakfast.

The Longhorns, whose only loss was to No. 1-ranked Whitharral two weeks ago, are averaging an area-best 422 yards per game, 222 yards rushing and 200 yards passing. The Longhorns are averaging 43 points a game.

Offense isn't a problem, it's defense that concerns Scisson.

The Longhorns have been vulnerable to the big play, especially passing, and are giving up 24 points a game.

"It's busted coverages and missed tackles," said senior Brice Foster. "We've got to remember that every play is the one that can determine the outcome of the game."

Rochester won the District 1-4A title by beating Guthrie, 26-25, last week.

The Steers have a punishing ground game featuring Charlie Parks (6-3, 170) and Claude

Lazbuddie hopes to stuff the ground game and force Rochester to throw.

"We'd like to force them to throw because they start a freshman quarterback," Scisson said. "But then again I'm not so sure because of the way we've played defense."

St. Clair has nearly 2,000 yards from scrimmage in nine games. The 6-2, 200-pounder has rushed for 1,018 yards and 12 touchdowns and completed 59 of 113 passes for 968 yards and 14 touchdowns.

Throw in sophomore quarterback Josh Morris, who has completed 67 of 88 passes (76 percent) for 888 yards and 16 touchdowns since joining the starting lineup in week three,

and the Longhorns are hard to stop.

"We're extremely dangerous having both of them back there," Scisson said. "I've never had a quarterback who could run and throw like Justin. That's

what makes him so dangerous."

Foster (685 yards) adds balance to the rushing game. Chris Smith leads the Longhorns 37 catches for 622 yards and 13 touchdowns.

DISTRICT 1-3A ROUND UP

Friona finished the district season unbeaten by routing Sanford-Fritch, 56-6.

The Chieftains (9-1 overall and 7-0 in district) have won nine straight since a season-opening loss to Littlefield and plays District 2-3A runnerup Denver City (9-1) Friday in the bi-district playoffs.

Kyle Grimsley rushed for 97 yards and three touchdowns on 10 carries as Friona gained all 384 yards on the ground. The Chieftains exploded for 41 points in the second while building a 56-0 halftime lead. **Daniel Cuevas** scored twice in the second quarter.

Travis Holland rushed for 77 yards and a touchdown for the eagles (2-8, 1-6).

Dalhart (4-5-1, 4-3) finished in sole possession of third place with a 24-0 win at Tulia coupled with Perryton's 17-7 upset of Dimmitt.

Josh Reynolds completed 7 of 14 passes for 119 yards

and a touchdown and **Tyler Kruse** broke a scoreless with a 3-yard run in the third quarter. **Danny White** added a 37-yard touchdown run later in the third quarter and Reynolds sealed the win with a 24-yard touchdown pass to Jason Schriber in the fourth quarter.

Tulia finished the season at 4-6 and 3-4.

At Perryton, **Allan Adkinson** rushed for 128 yards and two touchdowns as the Rangers (4-6, 3-4) finished the season with three wins in their last four games.

Oscar Rueda scored on a 6-yard touchdown for Dimmitt (5-5, 3-4).

SILVERTON — Jesus Perez scored on a 1-yard touchdown run with 18 seconds left Friday, rallying Three Way to a 30-24 win over Silverton and earning the Eagles third place in District 3-1A.

Three Way (7-3 overall, 3-2 in district) finished the season with a three-game winning streak.

Three Way drove 55 yards for their winning score after forcing a Silverton (4-6, 2-3) punt with four minutes left in the game.

Perez completed a 22-yard pass to Kyle Kindie and the Eagles converted three fourth downs in the drive. Perez touchdown came on fourth down.

"It was a heck of a football game," Three Way coach Danny James said. "It was everything we expected. We played as well as we could have. "Sometimes people think in

a game like this we don't have anything to play for. But this game meant everything to us."

After a scoreless third quarter, Jeremy Holt scored on an 18-yard run to give the Owls a 24-14 lead.

A 2-yard run by Perez pulled the Eagles within 24-22 with a little less than five minutes left in the game.

Silverton then went three-and-out and punted.

Perez connected with Kindie for touchdown passes of 12 and 2 yards in the first quarter, which ended with the teams tied at 14.

Silverton (4-6, 2-3) took an 18-14 at halftime lead on Cory Chandler's 20-yard field goal.

Wiley pilots Ropes to playoffs

ROPEVILLE — Former Muleshoe assistant coach Donny Wiley sounded like an eternal optimist when he said before the season started he wanted to be playing for the district title in the last game of the season.

Lofty goals for a Ropes team coming off an 0-10 season and had not won a district title since 1974.

Ropes (7-3) did play for the District 1-5A six-man title last week. Although the Eagles lost to Southland last week, 52-24, they still qualified for the state playoffs.

The Eagles play District 1-6A champion Highland (9-1) Friday.

WJHS 7th & 8th finish district season unbeaten

TULIA — The Watson Junior High School 8th-graders finished the district season unbeaten Nov. 5 with a 33-13 win at Tulia.

The once-beaten Mules (8-1) finished as District 1-3A regional champion with a 6-0 record.

Zack Barrett ran for one touchdown and threw a 65-yard scoring pass to Danny Ramirez for Mules. Darrell Lewis rushed for 101 yards and a touchdown on eight carries and Chris Vela rushed for 70 yards and two touchdowns on just four carries.

The Mules took a 14-0 first-quarter lead on Vela's 25-yard run and a 1-yard run by Barrett.

Lewis made it 20-0 with a 35-yard run, setup by Vela's 40-yard punt return.

Vela's 2-yard run made it 33-6 at halftime.

Ramirez had a 65-yard kick-off return in the fourth quarter after having a 73-yarder called back in the first half.

The Mules recovered four fumbles, two by Lupe Nunez and one each by Jason Bond and Jerrell Otwell.

Mules 7th, 33-6

TULIA — The Watson Junior High School 7th-graders completed a perfect season Nov. 5 with a 33-8 district win at Tulia.

The Muleshoe finish 8-0 overall and as District 1-3A regional champion with a 6-0 mark.

Jaime Mendoza scored three touchdowns for the Mules.

Watson took advantage of a pair of Tulia turnovers while building a 19-0 first-quarter lead.

Mendoza got the Mules on the scoreboard with a 7-yard run. Michael Johnson scored on a 63-yard run following James Hancock's interception to make it 13-0.

A fumble recovery set up a short touchdown pass from Lincoln Riley to Mendoza to up the lead to 19-0.

WJHS took a 25-8 halftime lead by recovering Stephen Shelburne's fumble that rolled into the end zone. Shelburne fumbled the ball at the 5-yard line after catching a pass from Riley.

Mendoza completed the scoring with a 47-yard run that was set up by a long punt return by Kyle Atwood.

NOVA

"Top Gun Over Moscow"

Strap into your *katapultnoye kryeslo!* That's "ejection seat" to you jet jockeys new to the MiG-29 and the Su-27, the hottest super-fighters in the Russian Air Force. *Nova* draws back the curtain on these sleek war machines and their once fearless pilots in "Top Gun Over Moscow."

Even with the Cold War over, it's a good bet that Western aviators will someday tangle with these aircraft, if not from the Russian Air Force, then from one of the many nations like China, Iraq, Peru, and Vietnam that are acquiring them.

Not so long ago, US spy satellites strained their lenses just to get a glimpse of the latest Russian mystery jets such as the Su-27. But now anyone can plop down \$15,000 and ride one, courtesy of the cash-strapped Russian Air Force, which has had to resort to innovative fundraising to stay in the air.

"Top Gun Over Moscow" on *Nova* will be broadcast Tuesday, November 12th at 8:00 p.m. The program repeats Saturday, November 16th at 10:00 p.m., and Sunday, November 17th at 1:00 a.m.

Preminger — Anatomy of a Filmmaker

Preminger — Anatomy of a Filmmaker is a revealing look at the life and work of prolific and controversial filmmaker Otto Preminger. The program features interviews with many of the actors, writers, and behind-the-scenes players who worked with the mercurial producer/director during the 50 years of his remarkable career.

Preminger was the first filmmaker to declare independence from the Hollywood studio system. His films dealt with controversial subjects previously taboo in Hollywood movies: drug addiction, racial prejudice, rape, homosexuality, and political corruption.

Otto Preminger was born in Vienna in 1906, the son of the attorney general of the Austrian Empire. While earning a law degree, he became involved in the theater. After stints as an actor, director, and producer, he came to the United States in 1935 to direct a Broadway play. He then went to Hollywood to work for 20th Century-Fox. Preminger broke from the traditional Hollywood studio system and became an independent producer in the early 1950s. His bold and provocative talent left a legacy of "freedom of expression" for modern filmmakers. Preminger died in 1986.

Preminger — Anatomy of a Filmmaker will be broadcast Sunday, November 17th at 11:00 p.m. on KENW-TV.

Public Notice

LAMB COUNTY ELECTRIC COOPERATIVE, INC. NOTICE OF NEW LARGE GENERAL SERVICE - PRIMARY VOLTAGE RATE

Notice is hereby given that Lamb County Electric Cooperative, Inc. (the "Cooperative") intends to offer a rate for three-phase primary (approximately 12,460 volts phase-to-phase electric service supplies at one point of delivery, and measured through one metering point, where facilities of adequate capacity and suitable voltage are available.

This rate is a new rate, and has not been previously offered by the Cooperative.

This rate could increase the total revenues of the Cooperative by approximately \$300,000. However, this amount cannot be accurately estimated, because the extent of usage of this amount cannot be accurately estimated, because the extent of usage of this rate by the customers cannot be predicted.

The proposed rate will be effective on January 17, 1997, or as soon thereafter as may be permitted by law.

There are four (4) customers in the Large Commercial class and seven (7) customers in the Oil Well class that may be affected by the proposed rate. The rate will not cause an increase in the rate of any of these customers. No other class of customers is affected by the proposed rate.

Information concerning this new rate is available at the General Office of the Cooperative, located at 2415 South Phelps Avenue, Littlefield, Texas 79339. Inquiries should be directed to Mr. Delbert Smith, General manager (Phone 806-385-5191).

On or about November 15, 1996, the Cooperative will file with the Public Utility Commission of Texas a Statement of Intent to Introduce a New Rate, setting forth the details of the rate. Requests to intervene must be filed no later than 45 days after the application filing date; thus, the Cooperative anticipates the deadline for intervening and objecting to the new rate will be January 2, 1997. Persons who wish to participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 1701 N. Congress Ave., P.O. Box 13326, Austin, Texas 78711-3326. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 936-7120, or (512) 936-7147 tele-type-writer for the deaf.

Published in the Bailey County Journal, Oct. 20, Oct. 27, Nov. 3 and Nov. 10.

Public Notice

TO: ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

On or about 9 days after the publication of this notice, the City of Muleshoe, Texas will request the Texas Department of Housing and Community Affairs (TDHCA) to release Federal funds under Title II of the National Affordable Housing Act of 1990 for the following Project:

HOME Program Contract Number: 535186

Description: An owner-occupied rehabilitation housing activity which shall assist approximately 8 low income and very low income households by undertaking the moderate rehabilitation of existing owner-occupied

single-family homes. Location: Specific units have not been identified, but shall be in the corporate limits of the City of Muleshoe, Texas. Total Estimated Cost: Project \$200,000; and, Administrative \$8,000.

An Environmental Review Record respecting the within projects has been made by the City of Muleshoe which documents the environmental review status of the projects. The Environmental Review Record is on file at the Office of the City Secretary, 215 South First, Muleshoe, Texas 79347, and is available for public examination and copying upon request between the hours of 9:00 a.m. and 4:00 p.m., Monday through Friday. Comments will be received 7 days following the publication of this notice.

The City of Muleshoe will undertake the activities described above with HOME Investment Partnership Program funds from the Texas Department of Housing and Community Affairs under Title II of the National Affordable Housing Act of 1990. The City of Muleshoe and Robert Montgomery, in his official capacity as Mayor, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to environmental assessments, decision-making and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval the City of Muleshoe may use HOME Program funds, and the Texas Department of Housing and Community Affairs will have satisfied its responsibilities under the National Environmental Policy Act of 1969 and 24 CFR Part 58.

The Texas Department of Housing and Community Affairs will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following basis: (a) that the certification was not in fact executed by the chief executive officer or other certifying officer of the Grantee approved by the Texas Department of Housing and Community Affairs; or (b) that the Grantee's environmental review record for the project indicates omission of a required decision, finding, or step applicable to the project in the environmental review procedures (24 CFR Part 58), and may be address to the Texas Department of Housing and Community Affairs, P.O. Box 13941, Capitol Station, Austin, Texas 78711-3941.

Objection to release of funds on bases other than those stated above will not be considered by the Texas Department of Housing and Community Affairs. No objection received after 25 days, from the publication of this notice, will be considered by the Texas Department of Housing and Community Affairs.

Published in the Bailey County Journal, Nov. 10, 1996.
