All Around the Town

by Mary Ann Sarchet

Fans who went to the Silverton-Claude football game last Friday night saw an exciting game, didn't they? The Owls are improving every week, and you won't be sorry you go out to the game tomorrow night.

A number of people have written so much about Claude's quarterback, Greg Forbes, that I had expected a miracle-man this year. He has been written up in the "Player of the Week" columns several times and has been described as "one of the best quarterbacks in the Panhandle," which he well may be, but I didn't see him do anything Friday night that Ken Wood can't do.

"Woodie" figures in just about every play for the Owls, whether on offense or defense, and I think he is worthy of "Player of the Week" honors. It's hard to get recognition when your team isn't winning, but Ken Wood is a winner. I admire him for his courage and tenacity, and for being one of the first upperclassmen to step forward to play football behind an inexperienced line that he knew would be letting the opposition get to him all season.

Morrison Elected To Board of Directors

Murry Wayne Morrison has been elected to serve on the Board of Directors of the Cap Rock Conservation District. Morrison will represent the Quitaque Community. C. L. Sutton, Don Burson, Pascal Garrison and E. A. Birdwell also serve as Directors of the District.

HAMILTON IS PRESIDENT OF COLLEGIATE F.F.A.

Max Hamilton, senior Agricultural Education major at Texas A&M University, is presently serving as President of the A&M Collegiate FFA Chapter. He is the son of Mr. and Mrs. Wayne Hamilton of Tulla, and the grandson of Mr. and Mrs. Winston Hamilton and Mrs. Gladys Arnold of Silverton.

While attending Texas A&M University, Hamilton has served as Historian of the collegiate chapter and served on many committees. He is presently serving on the Agricultural Student Council at A&M. Hamilton has been involved in many activities which include Career Days, Area and State judging contests, and the Houston Livestock Show. He was also involved with a leadership training school for the Area III FFA Officers.

The A&M Collegiate FFA is a professional club in the College of Agriculture with about 150 members. Chapter activities provide experiences which contribute to the members development as future leaders in the field of agriculture. Activities of the club include helping with leadership contests, judging contests, leadership training schools, Career Days, and the Houston Livestock Show.

WHITES BEAT REDS

The White Team defeated the Red Team in Powder Puff Football Tuesday night, as quarterback Debra Strange passed to Becky Francis in the end zone for the only points of the game.

Mr. and Mrs. Lee Clay and Ramona visited Mrs. Clay's mother in Hollis, Oklahoma Saturday.

Dee Garvin was taken to Swisher Memorial Hospital in Tulla by ambulance Monday morning after a fall at his home.

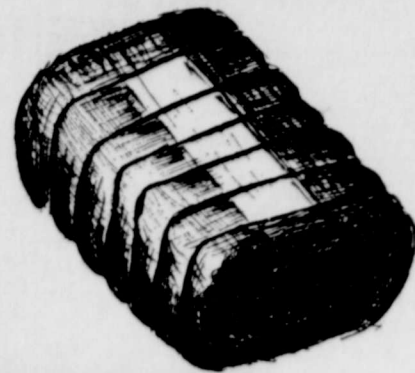

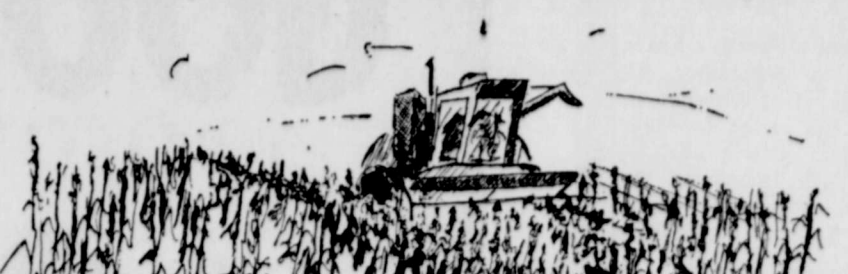

Irving McJimsey has been dismissed by the hospital and is recuperating at home.

Bryant Eddleman continues to receive treatment at Northwest Texas Hospital in Amarillo.

Mr. and Mrs. Danny Vaughan of Bryan and Mr. and Mrs. Bud Vaughan attended the A&M - Tech football game in Lubbock Saturday night.

Mrs. J. M. Hill of Tulla, Mr. and Mrs. Charles Sarchet, Ken Sarchet, Suzette Fitzgerald, Debra Strange, and Randy Clay visited in the M. T. Cruce home in Lubbock Saturday afternoon and attended the Tech - A&M football game Saturday night.

Silverton: Heart Of The Scenic Caprock

Briscoe County News

THURSDAY, OCTOBER 18, 1973

VOLUME 65 NUMBER 42

Owls Host Skyrockets Friday

1973 Football Queen Lori Francis was pictured on the arm of her escort, Craig Culwell, following her presentation and coronation in pregame activities last Friday night.

Silverton's Owls will play host to the Wellington Skyrockets Friday night at 7:30.

The Rockets played to a scoreless tie with Wheeler last Friday night, and now stand 0-1-1 in District 2-A play. The Owls are 0-2 following their 34-21 loss to Claude but are improving each week.

Silverton High School Choir is sponsoring an enchilada supper from 5:00 until 7:00 p.m. Friday, and will be serving a menu of enchiladas, salad, beans, coffee and tea. Tickets are \$1.50 if purchased in advance from choir members.

"Owlet" on Sale Next Week Only

Orders will be taken next week only, October 22-26, for the 1974 "Owlet." The school yearbooks will be sold for \$6.00, \$7.00 with the student's name printed on the cover.

Orders will be taken by Ruth Ann Cline, Celia Martin, Ricky Hutsell, Ann Hardin, Becky Francis and the sponsor, Mrs. O. C. Rampley.

The Booster Club will be operating the concession stands at the football game.

The other candidates were Celia Martin, daughter of Mr. and Mrs. Datis Martin, escorted by David McCoy; Becky Francis, daughter of Mr. and Mrs. Alvie Francis, escorted by Marshall Rauch; and Gayla McCord, daughter of Mr. and Mrs. Weldon McCord, escorted by Wendell Hardin.

The Claude Mustangs wasted no time taking charge of the ball game. They put six points on the board with a two-yard run by Senior Fullback Mike Marler with 9:12 remaining in the first quarter. Their pass for extra points was incomplete. After Silverton fumbled on the Owl-35, the Mustangs converted the mistake into points on a one-yard run by Junior Halfback Tony Stephenson with 8:03 still to be played in the first period. Coy Johnson, Senior Guard, kicked the extra point after Claude was penalized for being offside on his first try. The Mustangs led 13-0 at the end of the first quarter.

Claude scored again after Silverton got a bad snap and didn't get off a punt on their own 15-yard line. Quarterback Greg Forbes carried the ball the last 12 yards and Johnson kicked the extra point.

Silverton came back with 8:40 remaining on the clock on a two-yard touchdown run by David McCoy.

Forbes came back with 6:35 remaining in the game with a 12-yard pass to Eisenhour for another Mustang score, and Marler carried the conversion, to give the Mustangs their final 34-21 score.

Silverton got possession twice more in the game, once on a fumble recovery by Craig Culwell, but was unable to score again.

The Mustangs made 25 first downs, as compared with 10 for the Owls. The Owls were penalized five times for 35 yards, mostly for being offside, and Claude was penalized six times for 40 yards.

Silverton got possession twice more in the game, once on a fumble recovery by Craig Culwell, but was unable to score again.

The Mustangs made 25 first downs, as compared with 10 for the Owls. The Owls were penalized five times for 35 yards, mostly for being offside, and Claude was penalized six times for 40 yards.

Silverton got possession twice more in the game, once on a fumble recovery by Craig Culwell, but was unable to score again.

The Mustangs made 25 first downs, as compared with 10 for the Owls. The Owls were penalized five times for 35 yards, mostly for being offside, and Claude was penalized six times for 40 yards.

Silverton got possession twice more in the game, once on a fumble recovery by Craig Culwell, but was unable to score again.

Silverton got possession twice more in the game, once on a fumble recovery by Craig Culwell, but was unable to score again.

The Mustangs made 25 first downs, as compared with 10 for the Owls. The Owls were penalized five times for 35 yards, mostly for being offside, and Claude was penalized six times for 40 yards.

Coy. Brett Gill kicked the extra point, and the Mustangs held a 20-7 lead.

Dan Eisenhour took a Greg Forbes pass 46 yards for another Claude score, and Silverton blocked the kick.

Quarterback Ken Wood carried a three-yard score for the Owls with 44 seconds remaining in the half, and Wood passed to Halfback Dean Ziegler for a two-point conversion. At the half the Mustangs held a 26-15 lead.

Freshman Halfback Brent Bean intercepted a Claude pass in the third period, but the Owls were unable to capitalize on the break.

Wood passed to Craig Culwell for a 45-yard touchdown with 9:50 remaining in the fourth period. Culwell's kick was blocked, and the Owls had narrowed the Mustang lead to 26-21.

Silverton got possession twice more in the game, once on a fumble recovery by Craig Culwell, but was unable to score again.

The Mustangs made 25 first downs, as compared with 10 for the Owls. The Owls were penalized five times for 35 yards, mostly for being offside, and Claude was penalized six times for 40 yards.

Silverton got possession twice more in the game, once on a fumble recovery by Craig Culwell, but was unable to score again.

The Mustangs made 25 first downs, as compared with 10 for the Owls. The Owls were penalized five times for 35 yards, mostly for being offside, and Claude was penalized six times for 40 yards.

Silverton got possession twice more in the game, once on a fumble recovery by Craig Culwell, but was unable to score again.

Enchilada Supper Planned Friday

The High School Choir is having an enchilada supper Friday, October 19, in the school cafeteria serving enchiladas, Mexican salad, beans and coffee or tea. Tickets in advance are \$1.50 and can be purchased from choir members. Tickets at the door are \$1.75.

There will also be homemade pies to buy for 30c a slice.

Rainfall Exceeds Annual Normal

The rainfall measured in Silverton so far in 1973 has already exceeded the annual normal, with two and a half months remaining in the year.

According to the official record kept by Fred Strange, Silverton has received 25.98 inches of rain this year.

January	.77
February	.87
March	5.32
April	3.90
May	1.65
June	.72
July	2.65
August	4.70
September	5.60
TOTAL	25.98

Another inch of rain was received in Silverton last week.

JUNIOR HIGH GOES TO WELLINGTON TODAY

The Junior High Owls travel to Wellington today to meet the Junior High Skyrockets at 6:00 p.m.

The Junior High played at Claude last Thursday, and dropped the match to the Colts, 28-0.

Rainbow Officers To Be Installed

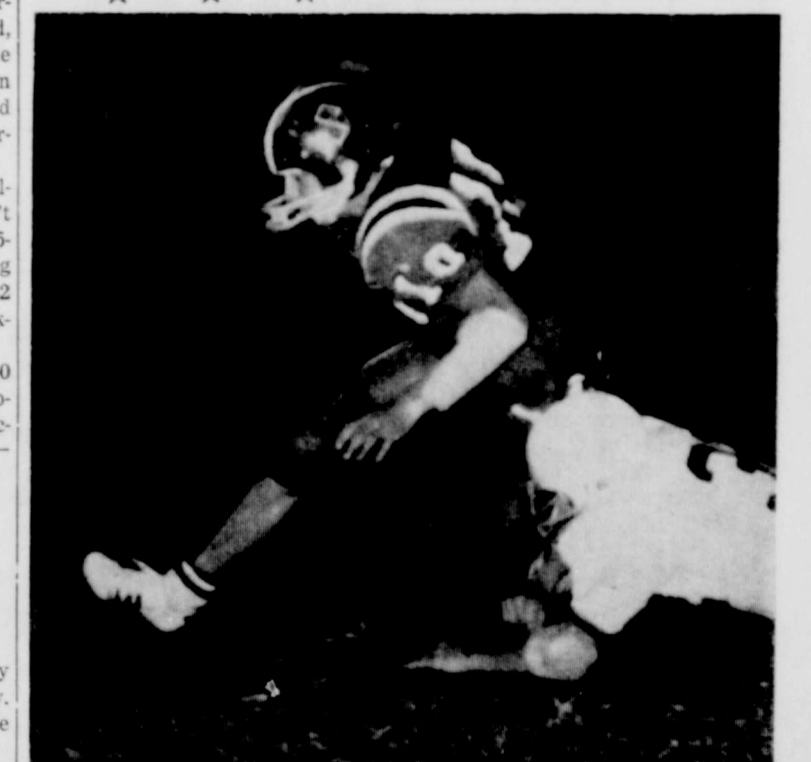

The public is invited to the open installation of officers of Silverton Assembly No. 304, Order of the Rainbow for Girls, at 2:00 p.m. Saturday at the Silverton Masonic Lodge.

Miss Susan Northcutt is to be installed as Worthy Advisor.

New Pastor Here For Assembly Of God Church

The new pastor of the Assembly of God Church in Silverton is Rev. Freddie Stice, who comes here from Post.

Rev. and Mrs. Stice have two sons, Fred, who is nine, and Alvin, who is seven.

Ken Wood (10) carried a touchdown for the Owls against the Claude Mustangs.

HD Club To Hear Ideas For Holidays

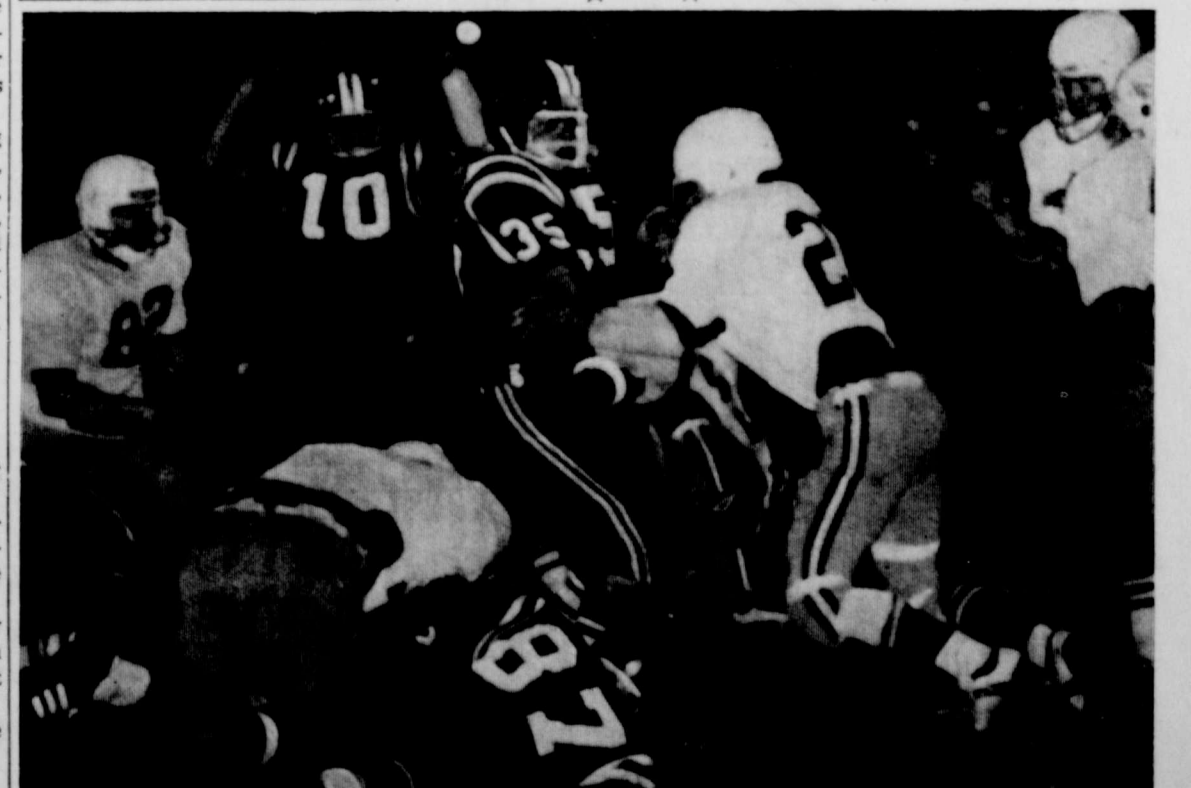

Southwestern Home Demonstration Club will meet Thursday, October 25, at 2:00 p.m. in the home of Mrs. Elton Cantwell.

County Extension Agent Dorothy Powell will give the program on Christmas Decorations and Gift Ideas.

Visitors are invited to join the club for this meeting.

Don and Mike Cornett and David Strange attended a pig sale Saturday and attended the A&M - Tech football game in Lubbock.

Barry Bullock (87) is shown blocking for the score.

Barry Bullock (87) is shown blocking for the score.

4-H Club Program Active in County

by Ellen Edwards

We are facing the biggest and the most active 4-H year Briscoe County has known.

Last year 11 steers were shown in the County Show with five steers in the show ring the year before. This year we have 40 steers to enter the show ring in the County Show. Twenty lambs are on feed at the present time and barrows will be purchased soon. Because of the increasing number of livestock projects, our show barn will have to be enlarged. This project is underway and is to be completed by January 1974. The FFA and 4-H will appreciate the community's support for the financing of this addition to our present barn facility.

A 4-H Center is to be built at Brownwood in the next year. Each county in District II has made its pledge which will be paid in a three-year period. Briscoe County has pledged \$1,500 and has already met the first year's obligation with \$500.00. We have had one fund-night with proceeds totalling \$148. to be applied to next year's 4-H Center obligation. Another fund-night is planned. The Center will be a place everyone will want to go. It's lovely landscape will be perfect for all the 4-H activities youth and adults will participate in.

The adult leaders have met twice this year and plan to meet four times a year. We realize we are going to have to make 4-H more appealing to keep our senior members active.

The foods groups had a very good year with a great turn-out for the Foods Show. Bill Powell assisted his boys group in a great foods display.

About 40 members signed up for the clothing projects with less than half participating in the Dress Revue. Only one senior member completed and modeled a garment. Katy Vanstory led a group of boys who learned about clothing care and how to sew on buttons.

Many of our members were busy with Method Demonstrations which were presented in Lubbock last May. Two groups returned home with ribbons.

Plans are being made for a record book clinic and a Method Demonstration Clinic to be held later this fall.

Our Horse Club is growing with more interest being displayed in our Horse Show and fund nights. Ronnie Graves represented Briscoe County at State this past year. A 2-day horse clinic was held in July. Two girls from Texas A&M worked with approximately 35 youth and their horses. These youth and their parents were pleased with the opportunity to learn more about horsemanship.

Plans are in progress to start 4-H Clubs at Quitaque. Youth have shown enthusiasm about 4-H and adults have volunteered to be leaders. These clubs will be organized

Liquid Fertilizer Is Topic of Program

Silverton Young Farmers had a regular meeting September 27, 1973 in the school ag department. The meeting was called to order by the president, Calvin Shelton, and Robert H. Hill introduced the speaker, Arlin Friesen, the Area Supervisor of NaChurs Liquid Fertilizer.

Arlin talked about soil fertility and foliar feeding which is a relatively new procedure in this area. He said that through foliar feeding, 95% of the fertilizer is absorbed by the plant.

The club members decided to have a Halloween Party October 27 at the home of the Wayne Stephens. There will be a prize for the best costumes.

The motion was made and passed that each member donate 500 pounds of milo to Boys Ranch. This milo can be donated at whichever elevator the farmer wants. The chapter will deliver it after harvest.

The Rodeo Committee, Leland Wood, Robert Hill and Wayne Stephens, reported on the arena. Plans have been drawn up for the new arena and baseball park torn down soon.

Those attending the meeting were Arlin Friesen, Stan Martin, Fred Minyard, Tobe Riddell, Charlie Parker, Joe Thieboud, Leland Wood, Bill Rumpy, Jerry Clayton, Wayne Stephens, Robert Hill, Donald Perkins, Dwain Henderson, Joe Self and two other guests, Jerry Newton and Mike Hall.

HELPING HAND CLUB MEETS

The Helping Hand Club met Thursday for a regular meeting in the home of Mrs. J. D. Nance. Mrs. Frank Mercer, vice president, presided over the business meeting.

Pencil games and visiting were enjoyed by those present. Refreshments were served to Mrs. Lenton Lanham, Mrs. Aubrey Rowell, Mrs. Lowell Callaway, Mrs. Mercer and Mrs. Nance.

The next meeting will be October 18 at 2:30 with Mrs. Aubrey Rowell as hostess.

Support your team — attend the home games this week.

this fall. We are looking forward to a good 4-H year and we appreciate the support of our friends in Briscoe County. We have two hard-working agents!

New School Classifications Coming In November

An announcement concerning classification of Texas high schools into conferences and districts for the 1974-75 and 1975-76 school years will be forthcoming from the University Interscholastic League office in November. Many schools anticipate this biennial announcement of the "new" arrangement of districts in hopes that perhaps their school will be assigned to a conference or district more favorable to their level of competition or geographical location.

The 1973-74 "Constitution and Rules" of the Interscholastic League states that Texas will be divided into districts for Conferences AAA, AA, A, B, Six-man, and Eight-man football. On even-numbered years all participating schools are assigned to a conference for a period of two years. Only exceptions to the rule are newly-created schools and consolidated schools, which can be assigned to a conference on a one-year basis during the odd-numbered years.

Shower Honors

Mrs. Whitfill

A pink and blue shower was given for Mrs. Gary Whitfill from 11:00 until 11:30 a.m. Saturday in the P. C. A. community room. Hostesses were Mrs. Dana Mar-... Mrs. Leona Yancey, Mrs. J. L. Williams, Mrs. Gary Martin, Mrs. Jerry Brunson, Mrs. Jerry Wayne Smith, Mrs. Lois Cline, Mrs. George Seaney and Mrs. Datis Martin. Spinach, coffee and hot chocolate were served by Mrs. Yancey, Mrs. Seaney and Mrs. Dana Mar-... from a table covered with a white cloth. The centerpiece was an arrangement of pink and blue flowers in a blue bootie vase.

ADM SETS ASSIGNMENT
Member schools are assigned to a conference on the basis of the number enrolled in the last four grades in high school as determined by the figures given in average daily membership of the Superintendents Annual Report. Without exception all high schools must play in the conference for which their average daily membership qualifies them.

In the spring of 1973 all member schools reported their average daily membership for the 1971-72 and 1972-73 school years. These figures will be used for assigning schools to conferences for the 1974-75 and 1975-76 school years.

TWO-YEAR AVERAGE
This information is reported to the University Interscholastic League office, where it is compiled. The same information is also figured at the Texas Education Agency from reports submitted by the superintendents and principals each year. The average for the two years is computed and punched in data cards. The computer is used to rank order the schools from the largest average daily membership to the smallest.

In Conferences AAAA, AA, and A it has been determined by committee that there will be 32 districts. This dictates that there can be no more than ten teams per district. This also means that there can be no zoned districts where a district playoff is necessary. An attempt is made to keep the districts to six or eight teams, or an average of 224 teams in each of these conferences. In some instances it is not feasible to maintain these figures.

COUNTDOWN SYSTEM
To determine the minimum enrollment figure in Conference

AAAA, a countdown is made from the top of the list—the largest school—to approximately the 225th largest school. Whatever the enrollment is at that school helps to determine the cutoff or minimum enrollment for Conference AAAA. This countdown procedure is also followed for determining the minimum and maximum enrollment figures for Conferences AAA, AA, A, and B. What the enrollment figures for each conference will be for the 1974-75 and 1975-76 school years cannot be determined until the above procedure is completed.

AAAA VARIANCE GREATEST
The top two-year average figure for Conference AAAA was 4,445. This figure was based upon that school's average daily membership for the 1969-70 and 1970-71 school years. The minimum enrollment in Conference AAAA was 1,120, which leaves a difference of 3,325 between the largest school and the minimum enrollment. This variance is considerably larger than in the other conferences.

Conference AAA average daily membership figures range from 500 to 1,120, a difference of 620. Average daily membership figures in Conference AA range from 230 to 500, a difference of 270. In Conference A the average daily membership figures range from 120 to 230, or a difference of 110, and the Conference B average daily membership cutoff is 119 and under. A high school with less than 100 may enter a team in six- or eight-man football.

Eight of the 1973 championship and runnerup teams were in the upper third in enrollment within their conference, and the other two schools were in the upper half in enrollment in their conference. No matter where you make the cutting point, there will always be

differences in school size, and those with fewer will perhaps be dissatisfied.

There is no simple solution to the problem of classifying schools and assigning them to districts. The University Interscholastic League office and Legislative Council are open for suggestions for any method that might improve the system of classifying schools. Coaches should make any such suggestions through their superintendents to the UIL office. If a solution is offered that the Committee feels is feasible and will help the situation, it will be put into operation.

Century of Progress Hears Program On Americanism

Century of Progress Study Club met Wednesday, October 10, in the Production Credit Community Room for their Americanism program.

Roll call was answered with "An American Patriot." The devotional, "Preamble To The Constitution," was given by Mrs. Marvin Montague. Mrs. Dee McWilliams led the club in the Pledge of Allegiance. Mrs. James Davis and Mrs. Joe Montague presented the program, "A Tribute To Old Glory," and "America As Seen By Her Presidents."

Finger sandwiches decorated with American flags, cookies and hot tea garnished with peppermint sticks, were served by the hostesses Mrs. Bob Whelchel and Mrs. Wayne Mayfield.

The meeting was closed with the prayer, "The Idea of Demo-

Club Studying Early Americana

The meeting of March of Time Study Club on October 4 was called to order by the vice president, Mrs. R. L. Hill, who led the members in the devotional which was The Lord's Prayer.

After committee reports and the minutes were read and approved, Mrs. Roy Mayfield gave a history of windmills and their important contribution to the development of the ranching and farming country. Before a family made any other preparation toward building and settling on a piece of land, the source of water was studied and a well provided. Otherwise it was almost impossible for the homesteaders to stay. Many of the early settlers hauled barrels of water from neighboring wells.

The roll call was answered by naming the various parts of a windmill. Plans for a Caprock District Federated Workshop at Tahoka Saturday, October 13, were announced. The club is also looking forward to the Federation Day Tea, when it will be a guest of L. O. A. Junior Study Club in the Pioneer Room of First State Bank on October 22.

At an earlier meeting, slides were shown of early American folk art and crafts. These slides came from the National Gallery of Art Extension Services and some art forms were depicted from as early as 1700 A.D. which are on display in museums in the United States. Illustrations included pottery, carnival glass, wooden ware, quilts, sampler pictures and metal objects. It was noted that if old crockery churns of great-grandmothers have a fancy blue marking denoting capacity in gallons, they may be truly real old. The early makers signed their wares in this manner and their figures are so flowing they almost look like flowers. The one illustrated had a four-gallon marking.

Support the Owls by wearing red and white on game days.

Nature Program Enjoyed By Club

"Together . . . We Get Back to Nature" was the theme for the L. O. A. Junior Study Club October 8 at 6:00 p.m. held at Holmes Creek. The program, "Our Natural Vegetation and Its Uses," was given by Mrs. John Schott. The members then went for a hike, observing the lake, vegetation and checking for signs of pollution.

After the meeting, members and their husbands enjoyed charcoal hamburgers, potato salad, baked beans, brownies and cakes.

After supper, Jimmy Burson and W. J. Copeland provided special entertainment by playing selections on the fiddle and guitar.

Those attending were Mr. and Mrs. Jimmy Burson, Mr. and Mrs. W. J. Copeland, Mr. and Mrs. Bud Couch, Mr. and Mrs. Fred Edwards, Mr. and Mrs. Stanley Fogerson, Mr. and Mrs. Danny Green, Mr. and Mrs. Mabry Greenhaw, Mr. and Mrs. Dan Harrington, Mr. and Mrs. Roland Montague, Mr. and Mrs. Wayne Nance, Mr. and Mrs. John Schott, Mr. and Mrs. John Wyatt, Mr. and Mrs. Jimmy Vanstory, Mr. and Mrs. Doug Yarbrough, Mr. and Mrs. Max Stephenson and Mr. and Mrs. Dwin Davis. Mrs. Davis was welcomed as a new member.

Helps Shrink Swelling Of Hemorrhoidal Tissues
caused by inflammation
Doctors have found a medication that in many cases gives prompt, temporary relief from pain and burning itch in hemorrhoidal tissues. Then it actually helps shrink swelling of these tissues caused by inflammation.
The answer is Preparation H®. No prescription is needed for Preparation H. Ointment or suppositories.

Youthful Trailblazers

Learning early to move farther from home, step by step, brings a child the independence and confidence he'll use to approach life. These qualities take as long to learn as math, reading or writing—in the short span of time from childhood to adolescence.

Parents need to start early helping their youngsters learn to tackle new things and places.

They do this by showing they're clearly confident that youngsters can get to school okay by themselves on the second or third day—or that a child can take a trip to a nearby park with lunch and bicycle in the company of another child who already knows how.

An established pattern serves as a guide: the child learns to go with someone who has gone there before. He shares the experience with one or two friends. And he has his parents' confidence that he is sensible and won't get into trouble.

The child knows he's not adrift. He knows what the limits are and has no doubt he can get all the help he might need to face anything he can't handle.

Also, while he has many of the beliefs of his parents, he can develop some of his own—with which parents might disagree—without losing their love.

In this step-by-step trailblazing, the maturing boy or girl discovers how to find the way, what to look for in a companion, and how not to over-extend himself.

He learns to be resourceful, to avoid emergencies and to meet them when they occur.

These are lessons to learn by late childhood. Then the adolescent finds that he can safely cross an assumption or a continent—that he can take a job far away from home. He becomes an adult who knows he has the competence to take his own path in thought and action.

4-H DOINGS

The Smiling 4-H met October 11 and those present were Bryan Schott, Casey Bean, Cynthia Edwards, Delinda Ziegler, Blaine Eddleman, Katy Francis, Bob Arnold, Rank Cogdell, Jesse Cruz, Barbara Edwards, Vicki McJimsey, Jesse Ortega, Shonda Osborn, Stacy Robertson, DeAnn Strange, Michael Hill, Greg Whelchel, Melinda Sutton. The new members are Missy Whisten, Judy Northcutt, Amy Perkins, Irma Davilla, Cary Fleming, Shane Reagan, Craig Patton, Eric Patton and Floyd Hightower.

Those on the cleanup committee were Craig Patton, Eric Patton, Rank Cogdell and Shane Reagan. On the food committee were Melinda Sutton, Judy Northcutt and Missy Whisten.

On the games committee were Cynthia Edwards, DeAnn Strange, and Delinda Ziegler.

Delinda Ziegler, reporter

The Congregation Of The CHURCH OF CHRIST Meeting At Rock Creek
EXTENDS A GRACIOUS WELCOME TO ALL TO ATTEND ANY AND ALL OF OUR SERVICES.
SUNDAY
Morning Worship 10:30 a.m.
EVENING WORSHIP 6:00 p.m.
WEDNESDAY
Evening 7:00 p.m.

The Protecting LIGHT

This lighted tower is a light shining in the darkness to guide sailors and ships through the night. Our Lord is our light who guides us faithfully through life, even though it be as a stormy sea—He knows the way. His word, as proclaimed in His church, will light your way and bring peace, joy and comfort. "Thy word is a lamp unto my feet, and a light unto my path." Psalm 119:105.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

CARD OF THANKS

I would like to thank everyone for the letters, cards and flowers while I was in the hospital and the visits since I have been home. Clara Fleming

I want to thank all the dear people for all that was done for us when Ronald had his wreck - the good men who lifted his pickup up so he could pull himself out, to Mr. Martin who took him to the hospital, for the visits, phone calls, food brought in to us. To each one who helped us in any way. We want to thank the good Lord for such people. We realize his life was in the Lord's hands. May God bless each one Mrs. M. L. Welch and Ronald

Words fail us as we try to express our love and appreciation for the wonderful things you have done for us during Irving's stay in the hospital and since returning home. For the quick response for blood, thanks to each one of you who were ready to give. A special "thank you" to Gary Martin, E. H. McGavock and Perry Thomas who gave their blood; also to Jay Flowers and Harvey McJimsey for sowing our wheat. For each prayer, visits, flowers, cards, telephone calls and the good food, we are grateful. There is no place in the world like Silvertown and we are proud to be a part of it. We wish that it were possible to call each name, but would miss someone. Again thank you. May our Lord bless you in a very special way. Irving and Lillius Ruth McJimsey

Six Accidents Investigated In County In Sept.

The Texas Highway Patrol investigated six accidents on rural highways in Briscoe County during the month of September, according to Sergeant J. R. Smith, Highway Patrol supervisor of this area. These crashes resulted in no one killed and five persons injured.

The rural traffic accident summary for this county during the first nine months of 1973 shows a total of 39 accidents resulting in two persons killed and 18 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for September 1973 shows a total of 601 accidents resulting in 24 persons killed and 364 persons injured as compared to September 1972 with 561 accidents resulting in 21 persons killed and 335 persons injured. This was 40 more accidents, three more fa-

talities, and 29 more injured in 1973 at the same period of time. The 24 traffic deaths for the month of September 1973 occurred in the following counties: Five each in Hardeman and Montague counties; two each in Palo Pinto and Gray counties; and one each in Cochran, Floyd, Hale, Knox, Parker, Wise, Armstrong, Hansford, Ochiltree and Potter counties.

Mrs. Lusk Branch Office Manager

Mrs. Jane Lusk has been appointed manager of Pacific Finance Loans branch office in Greenville, located at 3209 Wesley. The announcement was made recently through the Company's home office in Los Angeles.

Mrs. Lusk was formerly assistant manager of the Company's Sherman branch office and is well experienced in the personal finance business, the Company explained. "Our Greenville branch office is an investment in the growth of the area," Mrs. Lusk stated. "We are eager to assist anyone with personal finance needs and, in general, become involved locally," she said.

Mrs. Lusk is a graduate of Silvertown High School and has attended the Metropolitan Business School in Dallas. Mrs. Lusk, her husband and daughter make their home in Sherman.

Pacific Finance, a 53-year-old lending institution, operates more than 900 branch offices throughout the United States and Canada. It is a financial service of Transamerica Corporation, a diversified service organization.

Stomach Upset by Gas and Acid? Di-Gel® with Simethicone quickly relieves both acid and gas. This unique discovery breaks up and dissolves trapped gas bubbles. Your relief is more complete because Di-Gel takes the acid and the gas out of acid indigestion. When you eat too well, demand Di-Gel. Tablets, liquid. Product of Plough, Inc.
