62 Aoudad Taken In Seven-Day Season

A brief seven-day aoudad hunting season in the Texas Panhandle yielded a record 62 of the big animals.

Hunting aoudad in the Palo Duro Basin region is by permit only. The Parks and Wildlife Department issued area landowners 195 permits prior to the November 10-16 season.

Most of the permits were passed on to hunters and some 32 percent bagged a sheep.

From the 154 permits issued last year, 46 aoudad were harvested.

The North African sheep were first released in the Palo Duro in 1957 and first hunted in 1963. Only nine aoudad were killed during that initial season.

Mrs. Clyde Hutsell was moved from Nichols Hospital to Central Plains Hospital in Plainview by ambulance on Wednesday afternoon of last week.

Archie Ray Martin returned home from an Amarillo hospital, where he had been a patient for several days, on Monday of this week.

The average weight of the human brain is 48 ounces.

For something old, she chose a rose necklace which had her Grandmother Stephens' first engagement ring diamond in the center. County Stock Show Date Set Here

The Briscoe County Livestock Show Board of Directors met Monday, November 19, for the purpose of setting the date and regulations for the 1974 Briscoe County Livestock Show.

The date for the show will be January 12, 1974. Livestock will be required to be in the barns and weighed in between the hours of 4:30 and 8:00 p.m. on Friday, January 11.

This year it was decided that an entry fee will be charged, with that money to be used toward improvement and insurance on the show barn. The entry fees will be: Steers, \$3.00 per head; Lambs, \$1.50 per head; Barrows, \$1.50 per head. Each 4-H or FFA youngster may show no more than three animals per division.

All steers must be gentle and showable. Any animal that cannot be led, set up and shown will be removed from the show and not permitted to enter. This rule was placed in the show to protect the other youngsters in the ring.

The following weights will be applied and adhered to: Steers, 850 to 1350 pounds; Lambs, 70 to 115 pounds; Barrows, 175 to 250 pounds.

Five pounds, top and bottom, will be given to the exhibitor on each animal weighed.

The show is not many days away and the boys and girls need to get busy in order to have these animals ready to show because this will probably be the biggest stock show Briscoe County has had in a long time.

RESOLUTION OF RESPECT

To The Worthy Matron, The Worthy Patron, Other Officers and Members of Silverton Chapter No. 900, Order of the Eastern Star:

We, the undersigned committee, appointed by the Worthy Matron to write resolutions of sorrow and respect to honor our deceased member, CAROLYN SELF, submit the following:

WHEREAS, God, our loving Father, in the light of His wisdom, and in the fulfillment of His power, has removed from our fraternal Circle our beloved Sister, CAROLYN SELF, and

WHEREAS, the hearts of the members of her family and the ties of friendship among the members of our Chapter are sadly rent and torn, and

WHEREAS, we realize that in this earthly separation we see the promise of a glorious life to come, where the severed ties shall be mended and the suffering hearts shall be made glad again, therefore be it

RESOLVED, THAT IN THE PASSING OF OUR BELOVED SISTER, CAROLYN SELF, Chapter No. 900 has sustained a great sorrow; that our membership has lost one who was kind and loving to her kindred, and faithful and loyal to the teachings of the Eastern Star; that she gave of her friendship, her time and her talents in a manner befitting her fine Christian spirit; and that her unflinching service to all who came within the influence of her life makes the ideal, for which she lived, a pattern worthy of our acceptance and example. Be it

RESOLVED, that we strive to live as unselfishly and as sincerely, day by day, as did our beloved Sister, CAROLYN SELF; and may we ever remember that our daily actions are the guide-lines whereby we can build our soul's salvation, and be it further

RESOLVED, that we send a copy of these Resolutions to the members of her sorrowing family, and that a copy be spread upon the permanent records of our Chapter.

Respectfully submitted,
Margie Moreland

The next meeting will be held on Saturday, December 8, at Grabbe-Simpson Chevrolet-Olds, where the club will be selling annual Christmas Bazaar goodies.

They had a STAR

"Now when Jesus was born in Bethlehem of Judæa in the days of Herod the King, behold, there came wise men from the east to Jerusalem, saying, Where is he that is born King of the Jews? for we have seen his star in the east and are come to worship him."

Yes, they had a star... Today we have churches to guide us to our Saviour. Come worship the Lord in his house.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Christmas Greeting Page To Benefit Jr. Livestock Show Barn

L. O. A. Junior Study Club has voted to donate the proceeds of the Christmas Greeting Page to help defray the cost of enlarging the junior livestock show barn which belongs to the Silverton Future Farmers of America. The facility is used by the Briscoe County 4-H and FFA for livestock shows.

The present building is 100'x50'. An addition, 100'x40' is presently under construction at a cost of \$6,000, which will have to be paid by public donations. In order to begin construction and have the facility ready for the 1974 live stock show in January, the money was borrowed from the bank.

Pens to hold livestock at show time will be constructed by the FFA members in the new barn. The old barn will be used for show ring. This was necessitated because in years past, ten or less steers have been shown. This year there will be 40 steers. Usually about 40 barrows are shown; this year there will be almost 80. In addition, there will be about 40 lambs.

Enrollment in FFA and 4-H has grown approximately 30% since last year.

Wash rooms and rest rooms will also be located in the new show barn.

A donation in any amount to this project will place your name on the Christmas Greeting Page which will appear in the Briscoe County News on Thursday, December 20, with the explanation that you are donating to the project in lieu of sending Christmas cards locally. Contact any member of the junior club or call 823 5391 or 823-3471, or take your name and donation to the News office.

The \$750 collected from last year's project will soon be spent to purchase new playground equipment for the City Park. Because of the lack of funds, the Texas Parks and Wildlife Department was only able to approve matching funds for the park project two weeks ago. As soon as the Department gives permission, the playground equipment will be purchased and installed in the park.
