Pauline Turner tells me she's been getting get-well cards since the item came out in the paper about Mrs. Orville Turner breaking her leg. Really it was her daughter-in-law, Jackie Turner, who broke her leg, but Pauline appreciates the good wishes of her friends.

G. H. (Highway) Wilkinson came by last week to explain about those 60 mph curves (there are four of them, he says) between here and Memphis. He says the Highway Department knows there are lots of speeders on the roads today, and that the curves in question aren't safe at more than 60 miles per hour. He says the warning signs are to let motorists, speeders and emergency vehicle drivers know that this is the fastest speed the curves can be taken safely.

(I still think it's funny!)

DR. FRED D. HOWARD

**Dr. Howard To Teach Book Of Colossians**

Dr. Fred D. Howard, professor and head of the department of religion at Wayland Baptist College in Plainview, will teach the Book of Colossians Sunday, March 3, at 10:00 and 11:00 a.m. and 5:00 and 6:00 p.m. at the First Baptist Church in Silvertown.

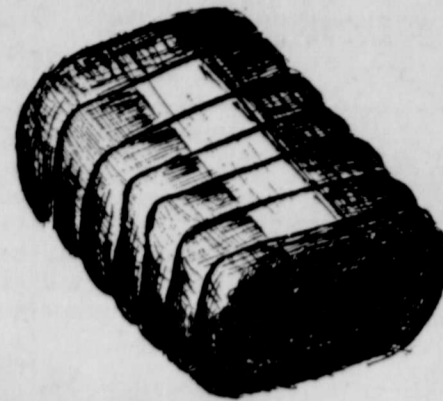

Dr. Howard will be filling the pulpit in the absence of the pastor, Rev. Larry Wilson, who is taking part in the Northwest Crusade and preaching this week at the First Baptist Church in Hamilton, Washington.

Before going to Wayland in the fall of 1958, Dr. Howard served as pastor of churches in Mississippi and Louisiana. He is a graduate of Wood Junior College and received his B. A. degree from Mississippi College. Later he was awarded the M. D. and the Th. D. degrees from the New Orleans Baptist Theological Seminary where he served for two years as graduate fellow to Dr. V. Wayne Barton in the Department of New Testament.

A prolific writer, Dr. Howard is the author of seven books and numerous articles in such periodicals as *Home Life* and the *Southern Baptist Educator*. In addition, he has written six major assignments for the Baptist Sunday School Board, including background expositions for the *Adult Teacher* and the *Young People's Teacher* and Sunday School lessons for the *Adults*, *Young Adults*, and the *Senior Adults* quarterlies. His latest assignment consists of thirteen lessons for the 1973-74 winter issue of the *Senior Adults* quarterly.

Besides his regular teaching activities, Dr. Howard preaches as interim or supply pastor almost every Sunday. Each year he teaches the annual January Bible Study in four to fifteen different churches. Speaking engagements outside Texas include the adult Bible study at the Sunday School Leadership Conference, Glorieta, New Mexico, in the summer of 1970; the Bible study at the pastors conference of the Idaho - Utah State Convention in the fall of 1970; the Bible study at the annual meeting of the Baptist General Convention of Colorado in the fall of 1971; and the Bible study at the State Baptist Assembly, Hungry Horse, Montana, in 1972. During a semester leave of absence, he served as visiting professor of New Testament at the Southern Baptist Theological Seminary, Louisville, Kentucky, in the spring of 1966.

**Seniors To Present Annual Class Play Friday Night**

The Class of 1974 of Silvertown High School will present "Suitable For Hanging," a comedy in three acts, at 7:30 p.m. Friday, March 1, in the school auditorium.

In addition, the class will have a bake sale following the play.

Members of the cast are Barry Francis, Willie Bomar, Lori Francis, Connie Younger, Rhonda Sweek, Ty McMurry, Donna Stodghill, Gloria Fabela, Tim Marshall, Wendell Hardin, Marshall Rauch, Virginia McCoy and Susie Parker. Sharon Storie is announcer for the play. Stage manager is David McCoy. Make-up will be by Ann Offield and Denise Culwell. The ushers and usherettes are Ann Offield, Denise Culwell, Craig Culwell and David McCoy.

The play is directed by the class sponsor, Mr. John Shaller.

The Seniors issued this statement regarding their play: "We are hoping everyone will show their Silvertown Spirit by coming to see us in one of the best plays yet to be seen. The Seniors of 1974 have put a lot into this play and we want your support in our project. It is more than a play; it contains good acting, a lot of patience from Mr. John Shaller, and it will hold many fond memories for many of the Silvertown students.

"Last year we faced a very big disappointment. There were not very many people who showed up to see our production of the play, 'Rest Assured.' One of the reasons that many people used was the weather. We had put a lot into that play, working hour after hour, trying to make it one of the best. And what did we get for it? Just a handful of people.

"Well, this year we want the Silvertown people, not just one or two, but as many as the Silvertown Auditorium will hold. The Seniors of 1974 want support, and we want to see that good of Silvertown Spirit brought back into our town and

school. Since this is our last year of high school, we hope you will all come to see our play. The play is the main thing for the Seniors to make money, which we need very badly, but that is not the only

reason we give it. It is one thing that we enjoy doing during our senior year. It adds spice to our lives and we hope to many others. We enjoy very much producing the plays—we just want someone to

come to see them. Please don't disappoint us this time. Come to see 'Suitable For Hanging' and get back into the habit of supporting our school. Thank you, Seniors '74."

Action at the CETA Hut—Newly opened, but already popular with the young people, is the CETA Hut, a youth center started recently in a vacant building in downtown Silvertown by the First Baptist Church. (Briscoe County News Photo)

**Grand Opening Slated At New Youth Center**

Grand opening and open house at the CETA Hut will be held Sunday at the location of the new youth center across the street west of the courthouse in downtown Silvertown.

The youth center was named Sunday by First Baptist Church, founder of the project. The name CETA stands for Christian Education Teenage Association.

The first six months rent on the building that houses the new

youth center was paid by the First Baptist Church, and church members have been helping get the place open and have been acting as chaperones. They are hoping the youth center will win community approval and the support of the other churches, civic clubs and individuals. The needs of the CETA Hut are still many, including easy chairs for the TV lounge, table games, a refrigerator and money for building materials and supplies. Ping-pong balls will be a commodity that is always needed.

"I imagine that we'll use about a dozen ping-pong balls a weekend," said Doug Yarbrough, music and youth director at the First Baptist Church. If you have something to donate, call the church office.

The youth center is operating on the following schedule:

Friday afternoon, 4:00 to 6:00;

DONNA STODGHILL

**Donna Stodghill Is Award Winner**

Donna Stodghill has been named Silvertown High School's 1974 Betty Crocker Family Leader of Tomorrow. Miss Stodghill won the honor by competing with other seniors in the written knowledge and attitude examination December 4. She received a specially designed award from General Mills, sponsor of the annual Betty Crocker Search for Leadership in Family Living, and also remains eligible for state and national honors.

The award was announced Saturday, February 23, at the Sweetheart Banquet.

From the ranks of all school winners in the state, a State Family Leader of Tomorrow is selected through judging centered on test performance and receives a \$1,500 college scholarship. The second-ranking student in the state will receive a \$500 scholarship. Encyclopaedia Britannica Educational Corporation will present "The Annals of America," a 20-volume reference work, to the state winner's school.

Representing every state and the District of Columbia, the 51 Betty Crocker Family Leaders of Tomorrow, together with a faculty advisor, will gather in Washington, D. C., in April, for an expense-paid educational tour of the capital city and Minneapolis, Minnesota. During the tour, personal observations and interviews are added to state level judging which results in the selection of the All-American Family Leader of Tomorrow, who receives a \$5,000 college scholarship. Second, third and fourth place national winners receive scholarships increased to \$4,000, \$3,000 and \$2,000 respectively.

The test, personal observations and interviews are all prepared and conducted by Science Research Associates of Chicago.

This year 703,074 students from 14,463 schools were enrolled in the program. Approximately nine million students have taken part in the program since its inception in the 1954-55 school year and, with this year's grants, total scholarship awards will exceed \$2 million.

CONSERVATION PROJECT—L. O. A. Junior Study Club recently purchased 45 young cottonwood and green ash trees which have been planted on the grounds of the Silvertown Schools with the help and cooperation of the Cap Rock Soil Conservation District. The trees will be tended each year by the Third Grade students. Shown here with Mrs. Wayne Nance, a member of the junior study club, is the row of students in Mrs. Rita Mullin's Third Grade who are taking care of the trees this week: Cindy Bullock, Roland Asebedo, Jan Reynolds, Tandy McJimsey and Craig Patton.

Special guests at the banquet were members of the high school faculty; Superintendent and Mrs. O. C. Rampley, Principal and Mrs. Bob Whelchel and School Board President and Mrs. Pat L. Northcutt.

### Family Studied By March of Time Club

This was prepared by Mrs. R. L. Hill and presented in her absence by Mrs. Roy Mayfield.

A Yearbook Committee was appointed and is at work planning for the new club year.

### Program On Schools Heard By Club

March of Time Study Club met February 21, with Mrs. Tony Burson presiding, and heard "A Prayer for the Middle Aged" given by Mrs. Fred Mercer.

Superintendent O. C. Rampley of the Silverton Schools gave an informative report concerning the local schools and others. His enthusiasm for the guidance and teaching of youth is contagious, and clubmembers renewed their interest in visiting during Public Schools Week, March 4-8.

Mr. Rampley said that a teacher must be sensitive to a child's needs; articulate in presenting the instruction; able to see relationships between the past and present; have a dedicated attitude and interested resolution.

A teacher needs to recognize each child's ability and encourage, support, understand and free each child to advance on his own. A teacher should never belittle a child's ability. The most inattentive, boisterous and unsettled child may turn out to be the best when he's grown. He just takes more effort and understanding with firmness well applied.

Mr. Rampley also recognized the inspiration in the school system of a club member, Mrs. Winnie Redin, who recently retired from teaching.

The club presented a plaque to Mr. Rampley, and Mrs. Mercer served refreshments.

### NEW BABY

Mr. and Mrs. Billy Lynn Rampey are parents of a son, James Datis, born at Lockney General Hospital Saturday, February 16. He weighed seven pounds and nine ounces.

## THE HIGHEST POINT

A steeple was first built on the town church so that anyone anywhere in the village could look out and locate the house of worship. The steeple on the church was the highest point in town. This was a physical fact and the people of the Lord knew it was a spiritual fact also.

Although a church's steeple is no longer the highest physical point in the city because of all the many-storied buildings and towers, the church itself is still filled with people who have reached the highest point of Godly maturity and who are filled with the highest degree of Christian love for God and man.

EVERYONE IN THE CHURCH  
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
