Briscoe 4-H Clubs To Sponsor Second Rodeo

Robert Haley Hill was recipient of a seven-pound roast given away by the Terra Cotta CowBelles this week. Mrs. Gladys Arnold, a member of the Publicity Committee, made the presentation as part of the CowBelles "Beef For Father's Day" promotion.

"Beef For Father's Day" Is Innovation For Observance

The "Beef For Father's Day" project of the Terra Cotta CowBelles was in the spotlight this week as the names of the presidents of several Silverton organizations were placed in a hat and drawn to determine the winner of a seven-pound roast which the CowBelles were giving away.

one of our American traditions. Honoring Dad in this way is wholesome fun, and, as many Dads have commented—we love it!

When Mrs. Dodd originated the idea of Father's Day it was a natural expression of love, devotion and gratitude of a daughter toward the father who had raised her and five motherless brothers. As such, Father's Day has touched the life of America. According to Mrs. Dodd, Father's Day would be the way to fulfill the need of calling attention to the father's place in the home, training the children, the safeguarding of the marriage tie, the protection of womanhood and children.

Last year's winner was Silverton Mayor Fred Mercer. Names placed in the hat this year were Jack Strange, Clinic Board President; Charles Sarchet, Volunteer Ambulance Service President; Fred Mercer, Industrial Committee President; Jack Robertson, Salvation Army Unit President; Fred Strange, VFW Commander; Calvin Shelton, Silverton Young Farmers President; Flute Hutsell, Silverton Fire Chief, and Lee Clay, Silverton Lions Club President.

The "Beef For Father's Day" tradition was started by Mrs. Tom Currier of Colorado in 1963. She wished to honor those men of the soil she knew at first hand had fought so valiantly to produce food not only for their families but for the nation. At that time Father's Day was hardly mentioned by the news media.

"Why not make Father's Day an outstanding occasion," she reasoned. "Why not do this by serving Dad his favorite food—Beef!" The idea caught on, based on the thoughtfulness of Mrs. Currier and Mrs. John Bruce Dodd of Spokane, Washington, who is credited for originating the idea of Father's Day in 1909, and the fact that Dad does like beef best, it has become

SWIM PARTY, PICNIC HELD HERE TUESDAY NIGHT

Silverton Young Homemakers gave a swimming party for their families Tuesday night at the Silverton Pool and afterward had a picnic supper at the park.

Those who attended were Mrs. Donald Perkins, Tonia, Roy Don and Fay Lynn, Mr. and Mrs. Steve Miller, Toni and Terry, Mr. and Mrs. Dan Herrington, Mr. and Mrs. Harold Gidden, Jo Ed Arnold, David and Jacob Williams, Calvin Shelton, Jimmy Myers and Wayne Stephens.

RODEO RULES

Contestants must be ready when their turn comes or stock will be released and no score will be given. Entry will be forfeited if in arena unless called.

Judges decisions are final. Books open June 17 and close June 27 and must be postmarked no later than midnight. Official entry blank must be used with notarized release. Cash or money order must accompany entry. No checks will be accepted. Money orders are to be made payable to Silverton Junior Rodeo.

Pot Luck Luncheon Planned For Senior Citizens June 20

All senior citizens are asked to meet for food, fun and fellowship at The CETA Hut on Thursday, June 20, at 11:30 a.m. Everyone who can is asked to bring a dish of food, but if you can't bring food, come anyway. Newcomers or people not well-acquainted in the neighborhood have a special invitation to attend.

If you need a ride to The CETA Hut (next door to Jones Dept. Store) call 4521 or 2621. Call by Wednesday night, if possible. Please bring a card table and dominoes.

Arrangements committee for the affair is made up of Mrs. A. L. Redin, Mrs. Ray C. Bomar, Mrs. L. A. McJimsey and P. L. Arnold.

\* NEW ARRIVAL

Mr. and Mrs. Micki Jasper are parents of a son, Steven Gordon, born at 9:06 p.m. Tuesday, June 4, at Central Plains Hospital in Plainview. He weighed seven pounds, seven and a half ounces. Grandparents are Mr. and Mrs. Alva C. Jasper of Silverton, Mrs. John H. Boyd of Eden and Bob Boyd of Kingsville. Great-grandparents are Mr. and Mrs. Cliff McMurtry of Amarillo, Mr. J. C. Ferguson of Cleburne, Mrs. Rita Ferguson of Bronson and Mrs. Grace Boyd of El Campo.

Mr. and Mrs. Brubs Bomar visited in Amarillo and at Lake Meredith Monday.

Proof of age may be required. All prizes will be awarded after the final performance. There will be a 60% entry fee payback in each event.

Team roping will not count toward being named All-Around Cowboy, and team roping can be entered as many times as the contestant desires. The \$15.00 entry fee and names of both members of the team must be turned in together. Header and heeler must be indicated.

Quarter horse poles rules will be used. All slack will be run Saturday morning at 10:00.

All-Around designation will be determined by most points in three events, one or more timed event and/or riding event.

Entries may be sent to Ray Thompson Implement Company, Box G, Silverton, Texas 79257.

Junior Study Club To Sponsor Miss Mackenzie Contest

L. O. A. Junior Study Club has announced plans to sponsor a Miss Mackenzie Contest when the dam is finished, and tentatively the date has been set for August 24. Entry forms and complete rules will be released soon. Girls from Silverton, Floydada, Lockney and Tulia will be eligible to compete.

Tennis Clinic Slated At Turkey June 17-18

Two former Turkey High School tennis players, Alton and Rod Setliff, will conduct a Tennis Clinic in Turkey June 17-18. If interested in taking this clinic, please contact Mr. or Mrs. Arville Setliff, Box 372, or phone 3191, Turkey. All the equipment needed will be tennis shoes and tennis racket. The clinic will be divided into two areas, elementary and high school. Elementary ages will start at 9:00 a.m. and high school at 1:30 p.m.

Alton Setliff is currently the tennis coach at Monterey High School in Lubbock after spending two years at Pampa. He was a three time State Champion and went on to play for the powerful WTSU Buffaloes in the MV Conference rule in tennis. His coach was David Kent.

Rod Setliff was a two time State Champion at Turkey. He was a No. 1 player at Eastern New Mexico University. He has an undefeated 15-0 mark his Freshman year and then went on to a 29-4 record. Carl Richardson was his college coach at Eastern New Mexico University. He had a record of 102 wins and 28 losses at ENMU. He was a member of Eastern's team when they were District NAIA champions. This included New Mexico, Arizona, Utah and Colorado, then went on to finish 16th in the National Poll.

Major Central Office Project Is Underway

J. H. Davis, District Manager for General Telephone Company, has announced that General has a major central office equipment project underway at this time in the Memphis office. Additional toll line terminations are being added as well as additional local telephone numbers and associated trunking equipment.

Davis indicated that temporary problems and service outages might be expected during projects of this magnitude. Every reasonable precaution is being taken, however should a service interruption occur, immediate action will be taken to correct the problem. This work is part of an overall service improvement program for the area which includes the bringing of DDD to Memphis, Clarendon, Hedley, Wellington, Dodson, Quitaque, Turkey, Esteline, Lakeview, Silverton and Flo-mot, Davis added.

Couple To Celebrate Anniversary Here

A dinner will honor Mr. and Mrs. C. R. (Neal) Vaughan of Santa Barbara, California, Sunday in the Doyle Stephens home.

Relatives and friends of the couple are invited to join in celebrating Mr. and Mrs. Vaughan's 51st wedding anniversary by bringing a covered dish for lunch or calling in the afternoon.

Dr. Boyd Will Be Here June 14-15

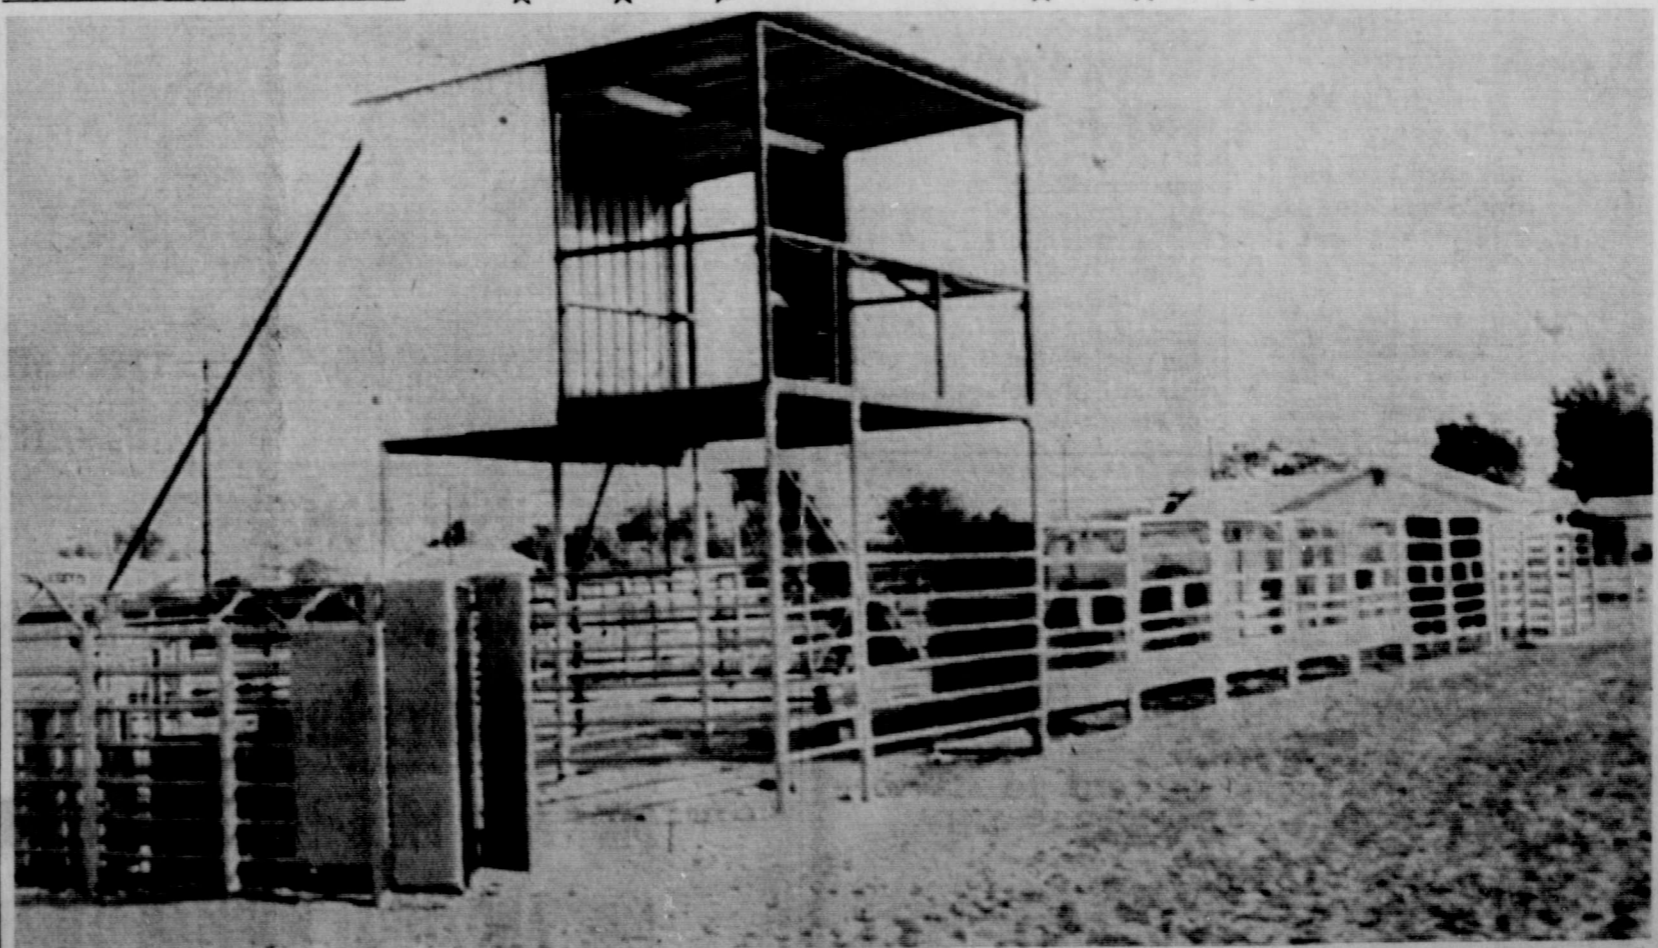

Dr. John H. Boyd will be at the Silverton Clinic June 14-15 to see patients.

Marlon Greenhaw, son of Mr. and Mrs. Mabry Greenhaw, broke his right wrist recently when he fell out of a tree while visiting his grandparents in Arkansas.

Mr. and Mrs. Perry Brunson visited his father, James Brunson of Quitaque, at the Veterans Hospital in Amarillo Sunday. James Brunson has had surgery and skin graft on his lip, and was expected to return home this week.

Archie Ray Martin underwent eye surgery for the removal of a cataract Monday morning at St. Anthony's Hospital in Amarillo. He is in Room 534.

Mr. and Mrs. George Seaney recently attended the high school graduation of their grandson, Jim Seaney, at McLean. Others attending were Mr. and Mrs. Pascal Garrison, Mrs. Gordon Lowrey, Angela, Shavonne and Frank.

County 4-H has announced plans to stage another Junior Rodeo June 28-29 for the purpose of contributing toward the cost of the new arena which was about \$10,000.00. (Briscoe County News Photo)

## Attend Church's 50th Anniversary

Mrs. Homer Stephens, Mrs. Doug Forbes and Jim visited Mrs. Stephens' parents, Mr. and Mrs. Ed Lytle, at Morton over the weekend. While there they attended the 50th year celebration at the Methodist Church. Mr. and Mrs. Lytle are the only two living charter members of the original Methodist Church there which was organized June 8, 1924, who have held membership there continuously for the past 50 years. One other charter member still lives but has transferred her membership to another church. In addition to the Silvertown visitors were 15 more children, grandchildren and great-grandchildren of the Lytles. In all, four generations of Lytles were represented.

## AN OPEN LETTER

### TO THE PEOPLE OF SILVERTON

Silvertown is, for all practical purposes, without a doctor now. Dr. Boyd is going to come back for two or three days a month, if possible, and Dr. Pedro Ochoa from Floydada has stated that he would be happy to help out by coming to Silvertown one day a week. This is, by far, not a perfect arrangement but will be a great help in the interim while we are looking for another doctor to live and work full time here in Silvertown.

The other members of the Clinic Board and I will be doing what we can to find another doctor for Silvertown; as a matter of fact, we have already begun. An important point I feel I must make is that there are only five members on the Clinic Board, and we all have businesses to run. Looking for a doctor should not and must not be left to the Board alone. Each and every citizen of Silvertown can and should take an active part in this search.

Many contacts will have to be made and anyone can make that initial contact. Once this is done, if the doctor shows any interest at all or knows of a doctor who might be interested, by all means get the doctor's name and address,

then either contact that doctor yourself or get the information to any of the Clinic Board members and we will see that the lead is followed up.

I feel that Silvertown has many advantages to offer a doctor. We have some of the best people in the whole world. We will soon have a beautiful new clinic building. Mackenzie Dam is nearing completion and we have some of the most beautiful scenery in the whole state less than ten miles from town. There are many other things in our favor. We all have our reasons for living in Silvertown. Those very reasons that attracted a doctor as well as other families to our town. By all means do not be afraid to tell other people our reasons for living here. You never can tell when that same reason could be the clincher in attracting someone else to our community.

We, as a community, must be prepared to sell our community as a prospective home to anyone who may be interested in living here. Complacency is something that can hurt any community, and we all have a tendency to become complacent and say "let the other fellow do it." Let's get together as a community and all work on this project of finding a doctor. When this project is accomplished we can go right on to another project and make Silvertown an even

Mr. and Mrs. Charles Sarchet and Ken spent from Thursday until Sunday at a reunion of the family of the late Mr. and Mrs. H. F. Sarchet at Possum Kingdom. The group enjoyed fishing, boating, swimming, skiing, sight-seeing, visiting, taking pictures and making tapes.

Also attending were Mrs. Elizabeth S. # Mrs. Ray C. Bomar Is Guest Speaker For Lone Star HD Club

The Lone Star Home Demonstration Club met in the home of Mrs. Raymond Teeple May 28 at 11:30 a.m. for a Mexican luncheon and a program on Mexico by Mrs. Ray C. Bomar of Silverton. Answering roll call with "This I Have From Mexico," were Mrs. Melvin Brock, Mrs. Herman Huffman, Mrs. Allen Keitum, Mrs. C. L. King, Mrs. W. E. Prater, Mrs. W. A. Stewart, Mrs. J. P. Taylor, Mrs. Albert King, Mrs. Reed Lawson, and two visitors from Silverton, Mrs. Bomar and Mrs. Lula Belling, and the hostess, Mrs. Teeple.

All of the club members brought dishes they had made using recipes from Old Mexico. The table was covered with a hot pink cloth and the centerpiece was a yellow blooming cacti. A blooming yucca also added to the atmosphere and theme: "Mexico: Exciting and Romantic."

Mrs. Bomar related Her Romantic Tour of Old Mexico, telling the following story: "This tour took us to El Paso where we were processed through Mexican Customs, our tour guide assisting with the formalities.

"We boarded a special Omnibus de Mexico Tour Coach and through its windows we viewed the captivating and exciting scenery: mountains full of crags and canyons, and a stop was made at a quaint Mexican Village where we were served a box lunch.

"We arrived in Chihuahua in mid-afternoon, checked into the hotel and made a tour of the Metropolitan of Chihuahua which is located in the center of a rich silver mining, timber and ranching district. We visited the State Capitol, Federal Building and LaQuinta Luz, the home of Pancho Villa. We had our pictures taken with his 83-year-old wife, a very gracious lady, who walks with a cane and enjoys visitors.

"We toured old and antique buildings that were built and fur-

# Plant Pinto Beans For Farm Profit

Grower interest in pinto beans has been spurred by record high prices in recent months. Agricultural officials are predicting a 20 percent increase in acreage this year, and the crop makes an attractive alternative to hailed out cotton. But a flooded market can send high prices tumbling to the cellar, says a Lubbock vegetable specialist. And for that reason new growers and those who are expanding their bean acreage will need to tread the swirling waters carefully.

"Dry beans can be profitable," says Dr. Roland Roberts, "but only for those who practice sound management."

Roberts is area specialist with the Texas Agricultural Extension Service, based at Lubbock.

Top prices are paid only for clean, smooth beans that are free of damage from moisture and splitting, he explains. High yields and quality require careful planning right from the start, and are more difficult to achieve when growers switch to beans at the last minute.

The vegetable specialist points to seed quality, soil fertility and soil moisture as critical factors in pinto bean production.

Infected seed often results in blight infection. They cannot be distinguished from clean seed in appearance, so Roberts recommends California grown seed which are certified to be free of seed borne diseases. Good seed always show the percent germination on the bag label.

Soil testing is an essential management tool, he adds. Soils containing between 60 and 80 pounds of available nitrogen will not need additional preplant nitrogen to produce top yields. Too much nitrogen will delay maturity, encourage excessive vining, and make clean harvesting more difficult, he cautions.

To achieve good soil moisture, growers may need to apply up to 24 inches of water for best yields if rainfall is too low. Preplant water is advisable, Roberts suggests, but watering up the beans should be avoided to prevent seed decay and damping off.

"One to two irrigations between emergence and blossoming will assure a vigorous plant capable of supporting a heavy pod set," he explains. "Producers should plan to irrigate during blossoming and pod fill, but once the pod fill is complete and beans are fully sized, no watering should be done so that the beans can mature rapidly."

As for type of beans to plant Roberts says that Idaho III and Luna both are well adapted to the South Plains area. Idaho III matures early, is bushy, producers relatively large seed, and is resistant to curly top virus and bean mosaic. Luna matures later, tends to be viny, has a medium to small seed and resists some strains of bean rust. Neither variety is blight resistant.

Pintos should be planted only where dry beans, soybeans and peas have not been grown in at least three years, he says. Growers should never plant beans where propazine or atrazine was applied at any time in the previous season.

"Idaho III yields well in a stand of about four plants per foot of row with one row on a 40-inch bed. Luna needs more room—two to three plants per foot on 40-inch beds. One plant every 10 to 12 inches is about right for dry land production."

Roberts cautions bean growers to calibrate their planters according to seed size and germination to get the right stand. They should plan to put down 50 to 80 pounds of seed if the percent of germination is low. Usually 30 to 40 pounds of high germination seed is enough to seed an acre to a good stand.

"Seed should be inoculated with the correct strain of nitrogen fixing bacteria," he also advises. "Treatment of the seed with captan fungicide and dieldrin insecticide will afford protection from seed rot and soil insects."

"Treflan is the recommended herbicide for pintos where broadleaf weeds and annual grasses occur, but in fields infested with nutsedge, Eptam should be incorporated."

Roberts adds that the optimum planting date cannot be specified exactly because weather conditions vary from year to year. Generally the yields from early planted Luna are better. Research with Idaho III in New Mexico indicates

that South Plains growers can expect the highest yields from plantings between June 10 and 20.

## DOING A... MAN SIZED JOB

Heat... sweat... fatigue... blisters... aches... Dad says its all a part of "carrying my share of the load." He also says that, "it's important that I help make provisions for the present and near future." But he says "that it is even more important because I am preparing for the days ahead when I am a full grown man." Sometimes I think that my Dad has the wisdom of Solomon, that's this king that I learned about at church... and that's another thing that Dad says is important... "that I go to church regularly, so that I can learn about God, and prepare my spiritual life for the future, too." You know... Dad must think it's important... He goes to church, too.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Helps Shrink Swelling Of Hemorrhoidal Tissues

caused by inflammation

Doctors have found a medication that in many cases gives prompt, temporary relief from pain and burning itch in hemorrhoidal tissues. Then it actually helps shrink swelling of these tissues caused by inflammation.

The answer is Preparation H®. No prescription is needed for Preparation H. Ointment or suppositories.
