Owls Have Open Date

Quarterback Ken Wood (10) was pictured on his 45-yard touchdown run in last Friday night's ballgame. Wood also set up the Owls' first touchdown with a 30-yard run.

The Owls have an open date Friday night, and are spending two weeks preparing for their first conference game against McLean here the following Friday.

A cold rain peppered down on the players and fans during last Friday night's loss to the Motley County High School Matadors, but a surprisingly large number of spectators remained throughout the contest. The Owls started tough, scoring two quick touchdowns against the team which went to the State Class B quarter-finals last season. Not to be denied, however, the Matadors came back to defeat the Owls 26-13. Silverton scored first with 9:32 remaining on the first quarter clock on a four-yard run by Fullback Zane Mayfield. Brett Gill kicked the extra point.

With 3:43 still to be played in the first period, Quarterback Ken Wood ran 45 yards for a second Silverton score. Gill's kick was no good, and the Owls held a big 13-point lead.

Halfback Brent Bean prevented a Matador touchdown in the second quarter when Motley Halfback Castulo Gonzales ran to the Silverton-5. Bean had also saved a touchdown when a Matador pass moved the ball downfield. Fullback Joe Campbell carried the last five yards for the score with 9:55 remaining to be played in the second stanza. Steve Stevens kicked the extra point, and the Owl lead was cut to 13-7.

The Owls fumbled and lost the ball on the first play after the kickoff, and with 8:18 remaining in the first half, Stevens scored from one yard out on a quarterback sneak. This time, Stevens' kick was blocked by Brent Bean.

The Motley Matadors pulled an inside kick out of their bag of tricks and successfully recovered it. This drive was cut short when Silverton Halfback Scott Hutsell intercepted a Matador pass on the Owl-35. Silverton's ensuing punt was fumbled by the Matadors, recovered by Todd McJimsey on the Motley-40, and with 29 seconds remaining to be played, Wood completed a pass to End Mikel Griffin.

The Matadors came back after halftime with a 50-yard touchdown run by Castulo Gonzales. Stevens didn't get off his PAT kick, and for the first time in the game the Owls were behind, 13-19. The clock showed 6:26 remaining in the third period.

In the fourth quarter, the Matadors moved downfield on a complete halfback option pass. Silverton held the Matadors on the two-yard line with 11:04 remaining to be played in the game. Unable to drive for yardage, the Owls punted short, and the Matadors carried it back to the Silverton-20. Joe Campbell scored on a 14-yard run with 8:28 remaining to be played. Stevens kicked, and the final 26-13 score was made. McJimsey recovered another fumble and Scott Hutsell grabbed up another. With 44 seconds remaining in the game, Scott Hutsell intercepted another Matador pass.

Club To Sell Blind-Made Goods

The Silverton Lions Club will conduct an all-out drive on Friday, September 27, to sell quality blind-made products to residents and local businesses, according to an announcement made today by Lion Lee Clay. The articles are all manufactured by blind workers in the Lighthouses for the Blind which are located throughout the state of Texas. The Lions Club's earnings from this sale will be used for eye glasses for the needy.

The entire membership of the Lions Club has been organized to supply friends and neighbors with this quality merchandize delivered right to their homes. Every household can use some type of household cleaning aid and every item sold helps some blind person to help himself.

Sales of blind-made products by the Silverton Lions Club in previous years have been most successful and Lion Clay expressed his confidence in another successful sale this year.

Lions Club To Have Broom Sale Friday

Charles Sarchet today praised the Silverton Lions Club for its efforts to help the blind citizens of Texas to help themselves and at the same time to raise funds for local projects through a community-wide sale of blind-made products.

"There is a definite need for funds to further this very worthwhile project," he stated, "and it is most heartening to see the Lions devote so much time and effort to raise these funds.

"We are cooperating to the fullest to help the Lions make this year's Broom Sale their biggest and best yet."

Lion Ray Elmore, Chairman of the drive, announced that plans have been made and the Broom Sale will be held on Friday, September 27, across from the Post Office, starting at 8:00 a.m.

Owl Junior Varsity Beats Valley Patriots

The Owl Junior Varsity scored twice and played tough defense the rest of the game to shut out the Valley Junior Varsity Patriots 14-0 here last Thursday.

End Carl Wilson scored first with 7:54 remaining in the first half on a 30-yard pass and run play from Quarterback Brent Brannon. Halfback Brad Ziegler carried the two-point conversion.

With 3:11 remaining in the third period, Fullback Tommy Lacy ran four yards for a second score. Jace Francis' PAT kick failed, and the Owls held their 14-0 lead.

The Owls penetrated to the Valley-10 on a razzle-dazzle quarterback-to-quarterback pass with several seconds remaining in the game, but the touchdown pass was incomplete in the end zone and the ball went over to the Patriots with one second remaining to be played.

Jeff Jones and Danny Perkins recovered Valley fumbles in the game.

The Valley Junior High Patriots scored touchdowns in the first, third and fourth quarters to defeat the Junior High Owls 20-8 here Thursday night.

With a funnel hanging in the clouds southwest of Silverton, fans kept one eye on the game and one eye on the clouds as the Patriots scored with 1:12 left on the clock in the first frame. Their PAT run failed, and Valley held a 6-0 lead.

Valley penetrated to the Silverton-15, and with 27 seconds remaining to be played in the first half, Halfback Doug McJimsey intercepted a Patriot pass near the goal line to stop the threat.

Valley came back to score on a 30-yard run with 2:44 to be played in the third quarter. They made good their conversion run, and

held a 14-0 lead. In the fourth quarter, with 3:59 on the clock, Valley went 60 yards for another score. The PAT run failed.

With 2:01 still to be played, Quarterback Kirk Durham passed to Halfback Doug McJimsey for a touchdown for the Owls—the first score the Valley Junior High had given up this year. The pass and run covered 25 yards. McJimsey carried the conversion, and the final 20-8 score was jelled.

Mitchell Simpson received a broken left elbow in the game. He underwent surgery for the placement of pins in a Lubbock hospital Friday.

The Junior High Owls travel to Wheeler for their game today. The Junior Varsity is idle this week.

Couple Vacationing In Jamaica

Mr. and Mrs. Joe Daniel Anderson have been vacationing in Jamaica following their marriage at 7:30 p.m. September 21, 1974, in Memorial Drive Presbyterian Church in Houston.

The bride is the former Miss Brenda Leigh Skinner, daughter of Mr. and Mrs. Herhall Alvin Arnett, 3078 Pine Gully, Houston, and the bridegroom is the son of Mrs. Clarence Edgar Anderson of Silvertown and the late Mr. Anderson.

Dr. Robert Ball, pastor of Memorial Drive Presbyterian Church, officiated the wedding ceremony.

The chancel area of the church was decorated with white wrought-iron spiral and tree candelabra decorated with southern smilax and holding white tapers. Traditional nuptial selections were played by Allen Pote of Houston, organist.

Given in marriage by her father, the bride chose elegant simplicity in ivory jersey. The empress bodice had a softly draped neckline and long sleeves that tapered to the wrists and were edged with bridal pearls. From a jeweled waistline the circular skirt fell gently to a train of court length.

In a European manner, she wore a hood of matching ivory to complete her bridal costume. Her bouquet was a light ivory cascade of phalaenopsis orchids, white roses, miniature ivy and baby's breath with an accent of sonia roses.

Serving as maid of honor was Miss Susan Glassburn of Houston. Matron of honor was Mrs. Gilda Parker of Houston. The bridesmaids were Misses Rita Kaplan, Susan Barrington, Joan Caffey and Kay Edwards, all of Houston. The bride's attendants wore gowns of coral jersey. The draped necklines and long sleeves of the fitted bodices accented the lifted waistlines and a self-tie sash gave detail to the softly flared skirts that were worn at slipper length. Hoods of matching coral jersey and match-

ing slippers were worn to complete their costumes. Each carried a round French nosegay of sonia roses, bridal pink roses and other summer flowers in shades of pale pink to peach.

Flower girls were Misses Carol Koslowski of Midland, a niece of the bridegroom, and Honor Hulo of Houston. Best man was Mike Neel of Houston, and groomsmen were Gregory Gregg, Jeffrey Baker, Taylor Hicks and Doug Wilson, all of Houston, and Tommy Anderson of San Antonio, a cousin of the bridegroom. Guests were seated by Dale French and John Sayer, both of Houston.

The Memorial Drive Country Club at Houston was the scene of the wedding reception. Tables were covered with white lace cloths and were decorated with silver candelabra entwined with southern smilax. Assisting with the reception were Wanda Bailey, Keith Ann Oakley, Carol Hulo, Sandy Smith, Beverly Bright, Kay Ling and Elaine Forman.

Following their wedding trip to Jamaica, the couple will be at home in Houston.

The bride is a graduate of Reagan High School in Houston. She is a member of the National Legal Secretaries Association and is employed by the law firm of Vinson, Elkins, Searls, Connally and Smith in Houston.

The bridegroom is a graduate of Silvertown High School, the University of Texas and the University of Houston Bates College of Law. He is employed as an assistant district attorney for Harris County, and is a member of the Houston Junior Chamber of Commerce and Houston Underwater Club.

A rehearsal dinner was held at Sonny Looks Sirloin House in Houston, and the bride's luncheon was given at Sakowitz.

Miss Benda Is Shower Honoree

Miss Betty Ann Benda, bride-elect of John Milton Montague, was guest of honor at a miscellaneous shower from 10:00 until 11:00 a.m. Saturday, in the Pioneer Room at First State Bank.

The refreshment table was decorated with an arrangement of red and white carnations in an antique iron skillet flanked by antique metal lanterns. Guests were served by Mrs. Wayne Nance, Mrs. Jimmy Burson and Mrs. Buddy Comer.

Presiding at the guest registry was Mrs. Johnny Turner, sister of the prospective bridegroom.

Out-of-town guests included Mrs. Buck Sams, grandmother of the prospective groom, from Lockney; Mrs. Dean Burger, Mrs. Ken Burger and Jolie, Mrs. Ray Burger, Pampa; Mrs. Charles Fields and family, Groom; Mrs. Charles Wood, Lubbock; Mrs. Dwight Stubblefield, Mrs. Lyman Stubblefield

Dear Charlotte,

Read a newspaper article the other day about a 96 year old man, who attributed the longevity and success of his life to three g's—grit, guts, and a grin.

I was reminded that our lives are filled with a glomerate of many g's—some good—some not so good. Mine has been filled with gaiety, golf, glucose, gloom, gladness, goodness, gnashing, ginger, gentleness, giggles, geniality, gallons of gas, gall, guilt, guidance, guessing, gumption, growling, groping, gossiping, grumbling, graciousness, good-byes, griping, grasping, grappling, granules of gravel, a genuine gratitude,

And grit, guts, and a grin—

All glomerated with the Glory and Grace of God.

Gratefully,

The members of L. O. A. Junior Study Club met at 8:00 p.m. Monday in the FCA community room and took a safety quiz to answer the question, "How Do You Rate As An Accident Risk?" Glenda Couch gave the quiz and presented a program on safety tips for each member to keep in mind to make their home more safe.

After the program presentation, the members enjoyed a tour, conducted by Jack Robertson, of the new Briscoe County Clinic. All were very impressed with the excellent quality of the facility housed in the clinic. Interest was also shown in the progress toward finding a doctor for Silverton.

During the brief business meeting, plans for the upcoming Halloween Carnival were discussed and it was decided to have it on October 26, 1974 in the 4-H Show Barn. The L. O. A. Study Club will sponsor the concession stand, and other organizations are urged to sponsor booths at the carnival.

Rauch, who explained about the new program in the public school this year. Mrs. Rauch teaches children with learning disabilities. These disabilities can be caused by a number of things, including language difficulties, problems in seeing or hearing, etc. By forming a cooperative with Kress, Happy and Tulia, Silverton was able to qualify for this program.

The club, along with the Century of Progress Study Club and the L. O. A. Junior Study Club, is to meet with the federated clubs in Tulia October 1 for the next meeting. Mrs. Harold Green, Tahoka, Caprock District President, will be the speaker.

4-H IS "MAKING IT HAPPEN"

4-H is really "making it happen."

"Youth between the ages of 9 and 19 are becoming more involved in worthwhile learning experiences, and that is making a difference in the way they grow and develop into tomorrow's citizens and leaders," points out Jimmy Vanstory, county agent for the Texas Agricultural Extension Service.

October 6-12 has been designated as National 4-H Week, and this year's theme is "4-H — We Can Make It Happen."

"4-H'ers are continuing to become more involved in major issues affecting our country," notes Vanstory. "Health, conservation and the environment are just three areas of concern of these young people. By becoming well-informed and probing into the various pros and cons of key issues, they will be well-equipped to tackle real-life situations in the coming years."

"That's what 4-H is really all about—learning about life today so as to be better prepared for the

future. And an essential part of all this learning involves an inquisitive mind as well as a positive attitude toward life." 4-H groups in Briscoe County are making plans to call attention to their activities and achievements by several special programs and exhibits during National 4-H Week, points out Vanstory. They will also be looking for new members. Now, with the new 4-H year just starting, those youth not enrolled in the program should give careful consideration to joining an organization that is "making something happen."

Sun Breaks Through After Week of Rain

A week of rain ended Wednesday morning when the sun came up and began drying up the lakes, ditches and puddles which had accumulated from 5.85 inches of moisture received.

Travel had become very difficult off the pavement, and Flute Hutsell, who delivers the mail on route one, had continued his rounds with increasing difficulty. The mail delivery, which is usually finished about noon each day, was not letting him get back to town before 3:30 or 4:00 p.m.

Lake Mackenzie has continued to get some runoff from the rain, most of which fell slowly over much of the watershed. Crop prospects are somewhat

diminished by the wet, cool weather. Some farmers say that all of the late cotton is ruined. The corn is ready to be cut and some is reported to be falling down. Weeds are expected to be an even greater problem than usual for the col-

ton and row crop farmers, who are hoping for a late freeze. The rain has improved wheat crop prospects, and rangeland will be going into the winter in top condition. The native grasses are making a bumper seed crop.

for a Better Tomorrow

Working, learning to sew... Now, something simple is being prepared and soon her own dresses, and in the future, clothing for her own family. Training is important in the lives of our children.

Spiritual training is a must in the lives of our young ones.

"Train up a child in the way he should go; and when he is old, he will not depart from it."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
