Sophomores To Have Hamburger Supper

The Sophomore Class will serve a Hamburger Supper November 15 from 5:30 until 7:30 p.m., before the Silverton vs. Wheeler football game.

The supper will be in the school cafeteria.

The menu will consist of all beef hamburgers, fries, pie and tea, for \$1.75. Tickets are on sale from all class members and can be bought at the door.

Public Invited To Open House And Reception

The public is invited to open house in the new Briscoe County Clinic and a reception for Dr. and Mrs. Stephen Zions from 2:00 until 4:00 in the afternoon on Sunday, November 17.

Hosts for the open house and reception will be the officers and directors of the Briscoe County Clinic Association: Jack Robertson, Jay Towe, Mrs. Fred Edwards, Mrs. Bernice May and Wayne Nance.

The new clinic and ambulance were provided by a \$120,000.00 donation from the Martha Ann Cogdell Memorial Trust Fund, which was created by the late Mr. and Mrs. D. M. Cogdell, sr., Snyder ranchers who were also in the oil business.

The same amount, \$120,000.00, was given to the Caprock Hospital at Floydada at the same time the Silverton gift was made.

A the time of the gifts, the Cogdell family expressed the hope that the donations would help provide the people of the Caprock country with good medical care, and a doctor available in case of emergencies to make the community a better place in which to live.

Special guests at the open house will be Mr. and Mrs. D. M. Cogdell, jr., Mr. and Mrs. Billy Cogdell and Mrs. E. A. Birdwell, who make up the Advisory Board for the Martha Ann Cogdell Memorial Trust and who made the clinic and ambulance grants possible.

Also being honored on this occasion are the officers and directors of the Briscoe County Clinic Association who planned and supervised the building of the clinic: Troy Jones, Jack Strange, H. B. Simpson, Jack Robertson and Mrs. Carl D. Bomar.

Included in the clinic are a waiting room and business office, two consultation rooms, four examining rooms, lab, emergency room, X-ray and darkroom. The directors' goal in constructing the clinic was to make it as functional and attractive as possible.

E. E. McDonough of Plainview was the building contractor.

E. Hoyle McMurtry of Lubbock was the architect for the clinic.

Rick Hutsell ... coming home today

Owls Defeat Irish, 13-7

Friday night, rain and all, was something of an occasion for the Silverton Owls as they defeated the Shamrock Irish 13-7 and welcomed home their teammate Rick Hutsell, who suffered a serious injury four weeks earlier in the game at Claude.

Hutsell is showing improvement each day now, has walked without his crutches and is expected to be discharged by the hospital today (Thursday).

The Owls made 18 first downs in the game, as compared with eight for the Irish. Shamrock was penalized 78 yards.

Silverton now owns a 4-5 season record, 3-3 in District 2-A. The Irish have won one game, and received a forfeit from Clarendon.

The Owls kicked off to the Irish to open the game, and allowed only one first down before the visitors got a motion penalty and Carl Gallington recovered a Shamrock fumble.

After only one first down on a quarterback sneak, the Owls saw the ball go over on downs on Silverton's 25, 17 and 5 yard lines on their touchdown drive. The Irish scored on a quarterback keeper by Ray Vinyard with 57 seconds remaining in the first quarter, and Larry Dyer booted the extra point.

The Owls came back with a second quarter touchdown drive of their own, making first downs on runs by Scott Hutsell to the Silverton-49, Dean Ziegler to the Shamrock-35, by Carl Gallington. See OWLS DEFEAT—CONTINUED ON PAGE TWO

Two Weekends Of Revival Planned

"In times of global chaos and economic ruin, when the wealthy are sorrowing to find their earthly treasures cankering in their coffers, there yet remains an unlimited source of wealth which so greatly surpasses that of the world and comparison cannot be made," said Freddie Stice, pastor of the First Assembly of God Church in Silverton.

"The congregation of First Assembly of God Church in Silverton invites everyone to be with us and enrich ourselves with the 'blessings of the Lord' during two weekends of revival services," he added.

Rev. and Mrs. H. C. Lonis are the evangelists. "She is a very talented musician and he is a tremendous preacher," Rev. Stice said.

Time of these special services is 6:30 p.m. The dates are Friday, Saturday and Sunday, November 15-16-17 and November 22-23-24.

ettes will travel to Happy for another four games.

The Owlettes have already started working out, but the Owls will have to get ready in a hurry, with some of the boys playing football Friday night and their first basketball game next Tuesday.

The junior high Owls packed away their football gear last week. Basketball schedule cards for your wallet are available at the Briscoe County News.

Mr. and Mrs. Frank Yeary moved to their home in Silverton last week. They purchased the home from the Gary Hunts.

Community Thanksgiving Services Planned

"Behold how good and how pleasant it is for brethren to dwell together in unity" (Psalms 133:1)

Silverton's Annual Community Thanksgiving Service is scheduled for Wednesday, November 27, at 7:00 p.m. at the First Baptist Church.

"Everyone, regardless of denomination, is encouraged to attend. This has been a blessed occasion in the past and we are looking forward to another time of refreshing and giving of thanks to Him from Whom comes 'every good and perfect gift,' (Jas. 1:17)" said Rev. Freddie Stice, pastor of the Assembly of God Church in issuing the invitation.

There will be special songs and testimonies. Rev. Ray Elmore, pastor of the First United Methodist Church, will bring the message.

Refreshments will be served in the Baptist fellowship hall immediately following the service.

Gallington Rites Held In Arkansas

Funeral services for Allen Gallington, 97, who died November 1 in Howard County Memorial Hospital in Nashville, Arkansas, were conducted November 7 at the New Light C. M. E. Church in Nashville, Arkansas.

Rev. J. W. Dawson officiated. Services were under the direction of Hicks Funeral Directors.

Interment was in Sunset Gardens at Nashville, Arkansas.

Mr. Gallington was born in Sevier County, at Lockburgs, Arkansas. He married the late Rhonda Thompson and to this union nine children were born. He united with the Methodist Church at Lockburgs at an early age.

Some years after his wife's death, he moved to Nashville, Arkansas, and was married to Mrs. Allie Turney in 1941.

He was a devoted father and husband.

He is survived by his wife, Mrs. Allie Gallington of Nashville, Arkansas; four daughters, Mrs. Eddie Bell Turrentine of Tyler, Mrs. Addie Mae Clardy of Center Point, Arkansas, Mrs. Geneva Huff of Nashville, Arkansas and Mrs. Dorothy Baker of Silverton; three sons, Willie Gallington of Texarkana, Arkansas, Joe Gallington of Silverton, Archie Gallington of Plainview.

Mrs. Bob Watson left Central Plains Hospital in Plainview last week after having been there for several days following an appendectomy. She has been recuperating at the home of her parents, Mr. and Mrs. Buster Chadwick, in Quitaque. Her husband, who had been associated with the Mobil Station here, is now employed in Amarillo, and they will be moving from Silverton to Amarillo as soon as Mrs. Watson is able.

Eddie B. Jasper of Houston

This has been a blessed occasion in the past and we are looking forward to another time of refreshing and giving of thanks to Him from Whom comes 'every good and perfect gift,' (Jas. 1:17)" said Rev. Freddie Stice, pastor of the Assembly of God Church in issuing the invitation.

There will be special songs and testimonies. Rev. Ray Elmore, pastor of the First United Methodist Church, will bring the message.

Refreshments will be served in the Baptist fellowship hall immediately following the service.

Luncheon Planned For Senior Citizens

A Thanksgiving Luncheon for Senior Citizens will be given Wednesday, November 20, at the Rock Creek Church of Christ, Turkey, dressing and all of the trimmings will be furnished. Please bring generous servings of salads and deserts.

Hosts for the event will be Mr. and Mrs. Jord Hollingsworth, Mrs. Wade Steele, Mrs. J. D. Nance and Mrs. Earl Cantwell. A good program has been planned. Please call Mr. and Mrs. Jord Hollingsworth or Mr. and Mrs. Alvin Redin if you need a ride to the 12:00 o'clock noon luncheon.

Aoudad Season Opens Saturday

Hunters from all over the United States will converge on Briscoe County and several other counties this weekend when the season opens on the elusive Aoudad, labeled "king of the canyon" by a recent article in the Texas Parks and Wildlife magazine.

Adverse conditions such as sub-freezing temperatures, 30 to 50 per-hour winds and rugged canyon terrain sometime combine to make the aoudad hunt one of the finest challenges for hunters.

In 1973, the Texas Parks and Wildlife Department issued landowners 195 permits for aoudads, but only 80 sheep were harvested.

An average of 15.1 man-hours of hunting was required to bag an aoudad during the seven-day season last November. Over the last 10 years, during which time 1,179 permits were issued, only 338 of the sheep have been killed.

When hunters pay between \$250 and \$500 for hunting rights, depending on the ranch and facilities available, it's obvious that aoudad hunting is serious business. Yet, only a few sheep, both rams and ewes since both have horns and

are legal, are harvested each year. Although the Parks and Wildlife Department issues the aoudad permits to the landowners for distribution to the hunters, the department does not manage the actual hunts or method of distribution.

Aoudads are not native to the Panhandle. They were transplanted to this area by the Texas Parks and Wildlife Department in 1957. Considered by many as being among the most successful of transplants, 44 aoudads were released in the canyons, and from this brood herd, population estimates now reveal that there are about 600 sheep in the canyon.

The adaptability and characteristics of these sheep seem to work in their favor in this country. Originially from the rugged mountains of North Africa, aoudads are immensely strong animals and can survive in the roughest of habitat. They can go up and down almost sheer canyon walls, easily disappearing if you glance away for only a second. Their strength, color and mobility, combined with superb eyesight, make them extremely difficult to bag.

**It's a new Land Bank
 serving a new agriculture
 in new ways**

Over the next ten years, agriculture will require a minimum of \$80 billion in new financing to meet unprecedented changes and challenges. Because there is a Federal Land Bank—created to insure an abundance of capital at reasonable rates—you can have more confidence this need for credit will be met.

The Land Bank will continue to obtain loan funds in the nation's money markets on the very best terms it can. It will continue to make financing available to farmers and ranchers at reasonable cost. And with increased flexibility now permitted by the Farm Credit Act, it will help more people in more ways.

Today, more than ever, you should understand the operation of your Federal Land Bank. If you are not an Association member, let's get acquainted. If you are a member, let's get better acquainted. Let's work together... to build a secure place for you and your family in a viable, prosperous agriculture.

to the Shamrock-21. After making a first down on the Shamrock-11, Wood carried to the one yard line. Dean Ziegler carried the score on a left end sweep, going into the end zone untouched with 7:46 remaining on the clock. The pass for two extra points was incomplete, and the Irish held a 7-6 lead.

Shamrock got a 15-yard clipping penalty on the first play after the kickoff back to their own 24, and finally punted to the Owl-25. Silvertown made first downs on their own 38, at the 50, to the Shamrock-32 on a personal foul call, and to the Shamrock-10 on a run by Ken Wood. With 18 seconds remaining in the first half, Brett Gill's field goal try failed. Randy Clay intercepted a Shamrock pass before the half.

Silvertown's first possession in the second half failed to net the necessary yardage, and had to give up the ball. Shamrock made a first down and passed for what looked like another, but the Irish were penalized for being offside. The ball went back to the Owls on the Silvertown-41. The Owls made a first down on the Shamrock-48 and 37 on runs by Dean Ziegler and Wood carried to the 27. Silvertown fumbled and the Irish recovered on the Shamrock-20 with 2:26 remaining in the third period.

Shamrock punted to the Silvertown-45, and Wood ran for a first down on the Shamrock-44. In the top of the fourth quarter, the Owls saw two passes fall incomplete and the ball went back to Shamrock on their own 46. The Irish made a first down on the Silvertown-43 and were penalized for illegal procedure after a long run. Mikel Griffin intercepted a Shamrock pass and ran to the Shamrock-30, but the Owls saw the ball go back to the Irish on the Shamrock-30. Shamrock was penalized for delay of the game, and punted to their own 47 with 7:10 remaining in the game. The Owls punted to the Shamrock-5 yard line. Shamrock made a first down on their own 16 with 2:42 remaining on the clock and then punted to their own 47. A pass

interference call against the Irish moved the ball to the Shamrock-24, and Wood completed a pass to Griffin for another first down on the Shamrock-11. Dean Ziegler ran for five yards with 49 seconds remaining to be played. Shamrock was penalized five yards for being offside. Ken Wood carried the touchdown from the two yard line, with time expiring on the play. Only by second and third effort was the touchdown scored, and as one player put it, "It looked like Wood was down three times." A fracas erupted and the referees ejected a Shamrock player. Silvertown lined up for Brett Gill's extra point try, and a free-for-all followed a Shamrock player's charging across and kicking one of the Owl linemen. The referees were so busy separating the players that no one really knew whether the point was good, but since Shamrock was guilty of kicking an Owl, it is presumed that if the point had not been good Gill would have been allowed another try because of the infraction, and if this is true, the final score was 13-7.

The Owl players gathered around their teammate in the ambulance for The Lord's Prayer, which is a custom with the team immediately following the game, and then visited a few minutes before taking their win to the dressing room. The game was dedicated to Rick Hutsell, and he was presented the game ball.

Almost A Smile

In Memory of L. E. Paige, sr.
 By Mrs. L. E. Paige

As he had taken his last breath
 I knew he had taken his place in death

With almost a smile upon his face
 I knew he had gone to his chosen place.

Though he had been ill for many years
 He kept his faith, he had no fears.
 To me, he was like a fading flower
 For which I seemed to have no power.

There was no better husband to me, his wife,
 Or father to our children, during his life.

So many things he wanted to do,
 But the best thing, God, he believed in You.

I know, Dear God, he is in your hand,
 And I try so hard to understand.
 My heart is broken, but show me the way
 Lest my grief should lead me astray.

I cannot hold back my sorrowful tears
 But I thank Thee, God, for those wonderful years.
 When my time comes to go to our chosen place
 I hope I shall go with almost a smile upon my face.

Mr. and Mrs. Daryl Wynn and Kimberly of Booker spent last weekend with her grandparents, Mr. and Mrs. George Seaney, and to report on their trip to Hawaii to the Bankers' Convention.

THANK YOU

Colleen and I are deeply grateful for the vote of confidence expressed at the polls on November 5. I congratulate Congressman Price on the fact that the campaign was run on issues and not personalities. I am anxious to assume the responsibilities and look forward to the tremendous challenges ahead. I pledge each of you my best efforts and look forward to serving all of the residents of the 13th District as your new Congressman in Washington.

are in second place in the District. Nine Silvertown players will be playing for the last time. They are Ken Wood, Zane Mayfield, Scott Hutsell, who received a hip pointer in last week's game and is a doubtful starter this week, Carl Gallington, who is in his last season of eligibility, Dean Ziegler, Tommy Bullock, Todd McJimsey, Kelly Bomar and Mikel Griffin. Rick Hutsell is also a graduating senior and Gary Storie was forced by a back defect to quit before the season ended.

The Sophomores are serving a Hamburger Supper in the School Cafeteria before the game, and will appreciate your having supper with them before going to the game.

Vietnam Era Veterans Eligible For Insurance

More than two million Vietnam Era veterans are eligible to participate in a new low-cost Veterans Group Life Insurance program, according to Billy Kesler, Service Officer for Briscoe and Swisher counties. This program offers as much as \$20,000 life insurance coverage for \$3.40 per month to veterans who are 34 years of age or younger, and \$6.80 for those 35 or older.

The nonrenewable, five-year term insurance is available to veterans who have been discharged

or released from military service since April 2, 1970. The new program was authorized by Public Law 93-289, the Veterans Insurance Act of 1974, approved May 24, 1974, and is supervised by the Veterans Administration. The Act also offers insurance coverage in amounts of \$15,000, \$10,000 and \$5,000 for those who do not wish to have the full \$20,000 coverage.

Application forms for veterans discharged prior to August 1, 1974 may be obtained from the office of Servicemen's Group Life Insurance, 212 Washington Street, Newark, New Jersey 07102. Applicants must furnish evidence of good health, but VA-rated service-connected disabilities will be waived.

Servicemen discharged on or after August 1, 1974, will receive

application forms automatically. Personnel leaving active military duty are covered 120 days at no cost, and during this time they may convert their Servicemen's Group Life Insurance to Veterans Group Life Insurance without any medical examination.

Veterans who are eligible, and are interested in obtaining low-cost life insurance coverage, should write to the New Jersey address shown above, or they may contact their local Veterans Service Officer for assistance.

Former Resident Buried Wednesday

Funeral services for Martin Wesley Boling, 80, a former Silverton resident of Fort Worth, were conducted at 2:00 p.m. Wednesday in Resthaven-Singleton-Wilson Funeral Home Chapel in Lubbock with the Rev. Clayton Pennington officiating.

Burial was in Peaceful Gardens Memorial Park.

Mr. Boling was dead on arrival Sunday afternoon at John Peter Smith Hospital in Fort Worth following a lengthy illness.

Mr. Boling was born in Paragould, Arkansas. He lived at Spur 14 years, in Amarillo six years and in Silverton two years before moving to Lubbock in 1924. In 1972, he moved to Fort Worth.

Survivors include his daughter, Mrs. Rosa Akin of Lubbock; four sons, John of Fort Worth, Martin Leroy of Lubbock, Jesse R. of Downey, California and Jesse Wayne of Whitewood, South Dakota; his sister, Mrs. C. M. Mitchell of Lubbock; his brother, B. A. Boling of Wichita Falls; 16 grandchildren, 20 great-grandchildren and two great-great-grandchildren. He was the brother-in-law of Mrs. Marie Boling of Silverton.

SOIL CONSERVATION DISTRICT NEWS

As you can see signs of erosion on cultivated land, you are probably losing soil at the rate of more than 14 tons per acre per year.

A loss this high shows that the land is inadequately protected. Generally, losses much higher than this occur when rain or wind can strike bare cropland. Very steep unprotected land can lose more than 300 tons of soil per acre per year.

It is not particularly important that the farmer is able to tell how many tons of soil is lost. The important thing is that if the farmer can see erosion, something needs to be done—fast.

A common misconception is to blame all visible water erosion on running water, which we call runoff. Runoff does cut ditches and rills, but is generally a sign of advanced problems, which actually start with raindrops striking base soil. Beating raindrops will actually erode the surface of the soil by splash action with no runoff at all. What this tells us is that a cover on the cultivated land—either vegetation or a mulch—is the best soil protection.

There are several things that farmers do about erosion. First, practices can be used that keep a cover on the land. Believe it or

Dear Charlotte,

Lately I have felt as needad as obsolete as a Burma Shave sign or a pair of pointed toe shoes—

Any Mama needs to be needed—

Yesterday tho', dressed in my girdle best for a luncheon, an afternoon of bridge, and preparations made for six people for dinner, I, all of sudden, became a physician, a pharmacist, a nurse, a cook, and a chauffeur, and a Mama. I accepted another collect call from Joe College Son and heard—

—Mama, I'm sick.

—I'm sorry, honey how long have you been sick?—

—Four days, and I haven't eaten a thing. Maybe I could eat a little of your potato soup; I might keep it down.

—Do you have any fever?—

—I don't know; I broke the thermometer in my mouth. Is mercury dangerous?—

—Have you called a doctor?—

—No, I lost the name and phone number of the one Daddy gave me, and I couldn't pay him anyway, 'cause I can't find my checkbook. Did I leave it at home?—

—Have you taken any medicine?—

—No, I gave it to my roommate. He had appendicitis.

—Where do you hurt?—

—All over, remember when I had red measles and how sick I was—I thought I was going to die.

—Tell me what you want me to do, Son—

—Can I come home, Mama, and can you come and get me?—

—Can I come and get you? LIKE YESTERDAY—I'm on my way—

Cotton Crop Reviewed

COLLEGE STATION—Many of the speculations about the 1974 Texas cotton crop are beginning to take shape. According to an agricultural economist at Texas

A&M University, the gross value of this year's crop should be around \$933 million, down considerably from the \$1.23 billion crop last year.

"An even more striking figure is that net income from the crop will total only about \$280 million. That's \$350 million less than in 1973," points out Charles Baker, who is with the Texas Agricultural

Extension Service.

Total production should be just over three million bales compared to 4.7 million last year.

"Although this year's crop is disappointing from a statewide standpoint, there are a few bright areas," notes Baker. "An excellent crop was produced in the Rio Grande Valley and along the Coastal Bend, where harvest operations are almost complete. Production is expected to be up 47 per cent over last year."

On the other hand, production in the Plains will be down 44 per cent while the Blacklands of Central Texas are expected to show a drop of 24 per cent.

"With a shorter crop not only in Texas but across the nation, prices should perk up in the coming months," believes Baker. "Furthermore, mills are exhausting their contracted supplies of cotton, so they will be in a buying mood before long."

World demand for cotton during the market year which began August 1 should exceed production by 1.5 million bales, notes the economist.

U. S. exports should reach 5.5 million bales while domestic consumption is expected to drop 200,000 bales to the 7.3-million-bale level due to a weak textile market. Nevertheless, U. S. carry-

Club Has Program On Women's Rights

The L. O. A. Junior Study Club held their regular meeting November 4, 1974 at the P. C. A. community room. Every member came dressed as a woman from the past. A skit about women's rights was presented by Mrs. Mike Pigg and Mrs. Terry Bomar.

Mrs. Bess McWilliams was judge for the contest for the most original costume. Mrs. Wayne Nance and Miss Jane Self were winners of the contest.

The club would like to send a special thank-you to the Silverton Young Farmers for their help in cleaning the 4-H Barn, to the 4-H for the use of the barn, and to everyone for having a booth and helping to make the Halloween Carnival a success.

Old fashioned refreshments were served to Mrs. Jay Towe, Mrs. Gary Weaks, Mrs. Mike Pigg, Mrs. Terry Bomar, Mrs. Stanley Fogerson, Mrs. Mabry Greenhaw, Mrs. Fred Edwards, Mrs. Wayne Nance, Mrs. Bud Couch, Mrs. Jimmy Burson, Mrs. Jerry Baird, Mrs. Jerry Millholland, Mrs. John Wyatt, Mrs. W. J. Copeland, jr., Mrs. Tommie Blackerby, Mrs. Mary Lane Montague, Miss Jane Self, Miss June Moosberg, Miss Kathy King and guests Debbie Purdue and Bess McWilliams.

After refreshments everyone enjoyed playing old-fashioned games.

Mr. and Mrs. Ted Kingery, Anthony and Annette had as their guests Monday and Tuesday of this week her brother and family, Mr. and Mrs. S. N. Davis, Gary and Chris and her mother, Mady Davis of Dallas.

over stocks by August 1, 1975, will be at a 23-year low of 3.3 million bales.

Women Educators Honor Charter Members Recently

"Women today hold the key to the stability of the nation," said Mr. James E. DeWese, teacher of drama and speech in Plainview High School as he addressed the annual Birthday Dinner of Gamma Iota Chapter of the Delta Kappa Gamma Society, in celebration of the 36th birthday of the chapter.

Mrs. Laverla Porter presided at the formal dinner as members and their guests met at Slaughter Memorial Dining Hall on Wayland College Campus.

Mr. DeWese was well received by the audience as he spoke of woman's position and opportunities today in the field of education, industry, politics, and in most professions. Although the opportunities are unlimited, yet she has to struggle to gain and change her image. He believes in equal opportunities for women, but feels that her role as mother and her unique opportunity in the home is one that continues to come first in her life.

Plaques were presented to the two charter members who are still active in the Chapter: Miss Anna Lee Anderson, Silverton, and Mrs. Lee Nowlin, Plainview. Presentations were made by Mrs. O. C. Rampley of Silverton and Miss Gladys Holley of Plainview, former presidents of Gamma Iota Chapter. Mrs. Rampley stated that she and two of the guests present, Mr. James Davis and Mr. Walter Bean, were former students of Miss Anna Lee. She recalled that Miss Anna Lee had provided a small box for her to rest her feet on because she was too short to reach the floor while sitting in the school desks.

Special guests of the Chapter were School Superintendents and Principals from Silverton, Tullia and Plainview. Fifty women teachers and 26 guests were present, including, from Silverton, Mr. and Mrs. Fred Mercer, Mr. and Mrs. Alvin Redin, Mr. and Mrs. Walter Bean, Mr. and Mrs. James Davis, Mr. and Mrs. Datis Martin, Mr. and Mrs. O. C. Rampley, Mr. and Mrs. Otis Mullin, Mrs. Jessie Bomar and Miss Anna Lee Anderson.

Mr. and Mrs. M. T. Cruce and Cynthia of Lubbock visited Mr. and Mrs. Charles Sarchet and Ken Sunday afternoon.

GREENHAW PARTICIPATES IN APPRAISAL SCHOOL

Mabry Greenhaw, manager of Plainview Production Credit Association's Silverton office, was selected as one of 60 candidates throughout Texas to participate in the PCA Land Appraisal School, October 8-11, at Texas A&M University.

Purdue University and Texas A&M University professors provided three days of intensive instruction in the mechanics of appraising rural land.

Greenhaw said accelerating rural

land prices prompted the training. Emphasis was on the Market Data, "comparable price," technique of appraisal.

"Any farmer or rancher who has ever had his land appraised," Greenhaw said, "knows the importance of an accurate evaluation."

I'M ON THE WAY

The days seem to last an eternity Dragging by pathetically slow Hour after hour.

The wind threatens to destroy What little comfort can be obtained

And will probably continue To unleash its rage and fury Until the sun returns

From its nightly journey to dampen The storms destructive attacks.

But, for what its worth, This day will end Just as all others have done, And will continue to do so Until time ceases to be the Controlling factor In the mainstream of our lives.

But this day With all of its insanity and chaos Has a special significance to me In its demise, For it brings me one day closer To being able to live once again The Life I've almost forgotten How to Live . . .

CLUB HAS ELECTION

DAY PROJECT HERE

On Tuesday, November 5, 1974, the L. O. A. Junior Study Club posted election returns in the building west of the courthouse. Free pie, cake, coffee, tea and kool-aid were served to the citizens of Silverton while they awaited the election returns. As the election results came in they were posted on the blackboard.

About 50 people were served and everyone enjoyed the visitation and fellowship.

STUDY CLUB HAS AMERICANISM PROGRAM

Maintaining Strength For A Power-full Future

A power-full future means increased use of electricity at home and on the job. In November of 1971, we held open house at Jones Station where we were then capable of generating 256,000 kilowatts of electricity. This year we're doubling our capacity with our second unit at the largest electric generating station in West Texas, which brings our total system capability to 2,255,100 kilowatts. We're proud of our power plant and we want you to see it in operation.

OPEN HOUSE
 Be sure to visit us this weekend. We'll be open Saturday and Sunday between 12 noon and 6 p.m. Take Farm Road 3020 to Jones Station.

Attitude...
OF PRAYER

"Give ear to my words, O Lord, consider my meditation. Harken unto the voice of my cry, my King, and my God: for unto thee will I pray."

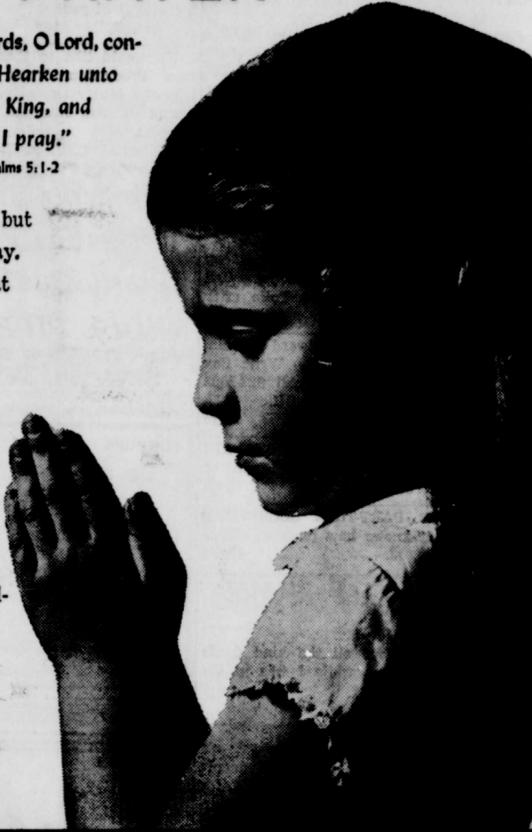

Psalms 5:1-2

God hears and answers prayers, but not everyone knows how to pray. Even the Lord's disciples asked that he teach them how to pray.

Attitude of the individual is important in prayer. Prayer is the opportunity that we have to tell God of our blessings and give thanks. It is an opportunity to petition for help, but above all, our hearts should be willing that God's will be done.

Prayer should be offered individually and in groups.

ATTEND CHURCH AND PRAY WITH OTHERS

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
