THIRTY-FOURTH YEAR.

SNYDER, SCURRY COUNTY, TEXAS, FRIDAY, JAN. 14, 1921.

NUMBER THIRTY-ONE

COMMERCIAL CLUB GIVES LUNCHEON

Wednesday evening despite the falling of snow and the severe cold weather, thirty-two of Snyder's business men gathered at the Manhattan hotel for a discussion of the needs at this time for Snyder in the way of better school facilities.

At 7:45 the dining room doors were thrown open and the guests took their places at the various tables and after prayer by Rev. Fife, proceeded to refresh themselves with a two course luncheon. Mr. and Mrs. Lykes know just how to prepare things for such an occasion.

After this part of the program had been completed, Judge W. S. Adamson as Toast Master explained the purpose of the meeting, and called Hon. A. C. Wilmeth to the floor as first speaker for the evening.

Mr. Wilmeth by way of introduction stated that he was an optimist and that he had the vision of 1921 as our greatest year. He spoke at some length on optimism and then proceeded into a discussion of our school needs. The most important things of his discussion were that we should build a school building that would fit the requirements for many years, and that we should not fail to include in this building facilities that would elevate the physical side of our children's education, such as a gymnasium, and this to include a bathing pool for both boys and girls and a covered basket ball court, etc.

The next speaker for the evening was Rev. Clyde Lee Fife of the Christian church, who said he was here to his part in the erection of a school building adequate to the needs we have as a suggestion that we build to have an auditorium that would afford opportunity for outside entertainment of the best educational character to be presented.

His thought of individual responsibility should be shouldered by all. When this is done the difficulties will be surmounted. Mr. E. B. Barnes a former teacher in the Snyder schools, who is now esteemed post master was asked to give further expression. He voiced intense interest because of the interest in having his own children's education at stake in the undertaking.

Rev. J. H. Hicks of the Methodist church was certain that the mental and physical sides of our children should be cared for and that it was our obligation to them.

Prof. Hall our present superintendent was the next speaker and gave us many first-hand needs of our schools. He said he came to Snyder because of the needs we have here, feeling he could best serve his profession here in an endeavor to elevate our system of schools and that he was in the work for the joy of it.

Rev. S. W. Kendrick, pastor of the First Baptist church, Hot Springs, Arkansas, was asked as a visitor to give some suggestions and he gave as his opinion there was a great future for Snyder, and all this great western country and the possibilities of our oil development made it essential we prepare for great things.

Miss Walker, state aid inspector for the State of Texas, being present in our city and also vitally interested in school betterment, was asked to attend the meeting, which she did, making all told 33 present at the luncheon.

She had visited our school property and after an inspection of its many defects expressed the hope that we would leave nothing undone until we had relieved the fearfulness of the condition.

The Toast Master then called for further discussion and Mr. Wilmeth suggested a committee be appointed to begin work of arranging for a bond issue. Judge Adamson was of the opinion that an executive meeting of the Chamber of Commerce should attend to that part of the work.

Mr. O. P. Thrane concurred in the opinion and was heartily in favor of the needed improvements.

The meeting adjourned with prayer by Rev. Kendrick and all went away enthusiastic over the outlook

for better things for Snyder schools in the near future.

Let us all with earnestness apply ourselves to this task and in the end Snyder schools will be the foremost in our section or any other section of the state or nation.

Tuesday morning a brisk norther came up and soon began to freeze. At night it sleeted with a little layer of snow. Wednesday the frozen snow sleet and rain had caused a slick coat over the ground and sidewalk that pedestrians found it uneasy walking. Wednesday night it came about an inch and a half snow. This will be of great benefit to wheat.

PANHANDLE WANTS SAME TIME AS REST OF TEXAS

Washington, Jan. 11.—A hearing was held by the House Interstate and Foreign Commerce Committee on a bill to place the western part of Texas in the zone for central time. The Texas Panhandle and Panhandle of Oklahoma are now in mountain time, whereas, before the new time apportionment they were in central time. Representative Jones explained that the business trend of the Texas Panhandle was with the remainder of Texas and little with New Mexico.

"Under daylight saving the Panhandle time was pushed up an hour," said Jones, "and under the new time apportionment, it has been delayed an hour, therefore when it used to be noon it is now 2 o'clock in the afternoon."

POLL TAX ASSESSED AGAINST WOMEN

Austin, Texas, Jan. 1.—The so called better schools amendment to the Constitution which was given a majority vote in the November election provides for the assessment of the poll tax upon women in the same manner as upon men, according to opinions expressed here today by lawyers who have examined the amendment, and in the event the amendment is held valid county assessors are to levy the poll tax against women. This provision in the better schools amendment probably will obviate the necessity of further legislation on the subject of poll tax assessment as to women. It was not generally known until today that there was such a provision in the amendment.

At the Attorney General's Department it was said that the subject had not been presented and that until it had come before the department officially no opinion would be rendered.

Tax Assessor G. H. Leath has received from the Comptroller's Dept. the following instruction. "In compliance with a law passed by the Fourth called several of the Legislature granting to women the right of suffrage, and imposing a poll tax on all women between the ages of 21 and 60 years, and making the same requirements for the assessments and collection of poll taxes from women as are now required of men, you are instructed that all women over 21 years of age and under 60 who have no legal exemptions, are liable for a poll tax and should be assessed."

To facilitate this work, and in order to avoid burdening the tax rolls with a duplicity of unnecessary names, you are instructed that in assessing married men and women that you assess the husband and wife with all community property owned by them and assess each with a poll tax on the same inventory."

SPILLER TO ASPIRE FOR CONGRESS

Hon. James Spiller, prominent attorney of Sweetwater, was in Colorado Tuesday and spent a short time in the city on legal business. When seen by a representative of the Record and asked for a statement from him as to whether the reports of his contemplated candidacy for congress in 1922 were to be confirmed, Judge Spiller replied that they certainly could.

"It is my plan to enter the campaign for congressman in the democratic primaries of 1922," stated the Judge, "provided that the Western section of the state shall be redistricted, and I have every reason to believe that the legislature soon to be convened will appreciate the merits of this demand from their constituency throughout this section of the state. I have received numerous solicitations from various sections of Texas to consent for my name to be mentioned as candidate, but have heretofore refrained from doing so."

James Spiller was one of the most active men of the state during the war in offering his services to the government in putting over the Liberty Bond drives and otherwise campaigning. Out of recognition of his worth to the country, he was tendered an important post in the intelligence department at Washington, with the rank of major, but because of physical disqualifications, could not be finally accepted for the place. He was very active during the late gubernatorial campaign, making a number of speeches in support of the candidacy of Pat Neff, and during the late summer and fall months he campaigned in Northwest Texas and New Mexico for the democratic nominee for president.

Spiller is one of the most conspicuous men of West Texas today and no doubt his candidacy will be received with interest throughout the congressional district. Before entering the practice of law, Spiller was private secretary to Senator Culberson at Washington, which position he held for five years.—Colorado Record.

Mother Wright Dead.

On last Thursday, p. m. many relatives and friends followed the mortal remains of Mother Wright (mother of Mrs. C. R. Buchanan) to the quiet cemetery where the body was tenderly laid to rest in the bosom of mother earth.

Mrs. Lavina (nee Tittle) Wright was born in Dade Co., Georgia March 4, 1840. She was married to Thos. A. Wright, January 9, 1869. He lived only a few years and is buried at LaPiata, Mason county, Mo. Two brothers and one sister survive the deceased; the latter Mrs. Elizabeth Hale, of Haskell, Texas, is 91 years old and in good health. Mr. B. H. Tittle lives at Walnut Springs and J. C. Tittle resides at Medford.

Mr. T. A. Wright was afflicted for a long time before his death; this resulted in leaving the widow poor without a home and with one small son to provide for and educate. Hard as this situation may have seemed, Mrs. Wright was undaunted. She went to work to meet the situation by hard and persistent labor; thus she provided for herself and the little daughter. In a few years (having moved to Walnut Springs, Texas) she purchased and paid for a home. She kept Alma in school until she had acquired a good education. After this, Miss Alma taught school and supplied much of the needed income, until, finally, she was married to Mr. C. R. Buchanan. Since this marriage, Mrs. Wright has had a comfortable home with the married daughter, until January 5, p. m., 1921, when the immortal spirit took its leave of the frail tenement of clay for Paradise.

The funeral service was held in the Presbyterian church Thursday at 3 p. m. by Mother Wright's pastor, Rev. Hester of the Primitive Baptist church, assisted by Bro. Wright, Bro. Hicks and the writer. Mother Wright came to be called by this name because she preferred it to that of grandma.

The subject of this article was a

very industrious, economical and faithful Christian woman. For a few short years she was a faithful wife. That she was a wise and devoted mother is made manifest by the excellent qualities of the only daughter—Mrs. C. R. Buchanan. Verily "the tree is known by its fruit." Mother Wright was an agreeable, loving and lovable neighbor. She was converted in early life and, after a few years, united with the Primitive Baptist church of which she was a faithful and consistent member to the end. She was a very practical woman. She would not spend her time in idleness, though the stronger members of the family had for years insisted that she leave off work. She was free from worldly vanity, ever keeping her mind directed toward the things that make for the higher life.

She was never pessimistic. In spite of her ripe age and failing strength she was ever cheerful. She had a touch of humor in her genial nature which displayed itself occasionally even during her last illness.

The day of her departure was an ideal one, typical of the life—the soul which was about to exchange worlds. As the day wore away the shadows began calmly to gather. She lay with face to the light and peacefully and serenely fell asleep. As she had lived, so she departed for that state and that home of purity, peace and perfection, to which we are all invited.

May our departure be as beautiful and calm as was hers.

BACK TO FARM SLOGAN ADOPTED BY UNEMPLOYED

Plans for the relief of the unemployment situation in Fort Worth were worked out Saturday at a conference between S. B. Mayfield of the Union Gospel mission, and Porter A. Whaley, manager of the West Texas Chamber of Commerce, Mr. Mayfield said.

"Mr. Whaley promised the fullest co-operation on the part of the West Texas Chamber of Commerce," said Mr. Mayfield. "He will at once take up the matter with representatives of the Chamber of Commerce in 280 towns and expects to have satisfactory replies in twenty-four hours.

"Our slogan will be 'back to the farm,' which we will place on a sign over the mission door. Our efforts in co-operation with the West Texas Chamber of Commerce will be directed toward the placing of Ft. Worth's unemployed on the farms of West Texas. In the case of men unable to pay their own railroad fare to the place of their work, we will pay their fare to the points where the jobs are located. We are prepared to furnish any kind of farm labor."

Snyder Lady on Honor Roll.

Among the students of the University of Texas listed on the honor roll just issued from the office of Dr. H. Y. Benedict, dean of the College of Arts is named Constance Buchanan of Snyder, ranked in the best four per cent in scholastic standing.

Approximately three hundred students in the College of Arts are mentioned on this honor list, in the compilation of which account is taken of both the grades made and the number of courses taken. Also, freshmen are entitled to mention with a slightly smaller score than required of other students, since the average freshman grade is lower than the average for upper-classesmen.

Joyce-McBurnett.

Mr. Hardin Joyce and Miss Jewell McCBurnett were married Dec. 28th, at Brownfield, Texas. Mr. Joyce is a son of Steve Joyce at one time a resident of Hermleigh. Mrs. Joyce is a daughter of Mr. and Mrs. A. M. McCBurnett of Brownfield and is well known at Snyder. She is a granddaughter of Mr. S. R. Fickas of this city. The Signal wishes for these young people a happy and prosperous married life.

TO ALL EX-TEXAS RANGERS--GREETING

I come today with New Year's greeting, wishing you all a happy and prosperous new year.

The New Year has brought new duties and new responsibilities upon us all, so let us all strive to be equal to every emergency, and to be able to discharge our every duty to our fellowman, and in this connection I wish to call attention to the Ex-Texas Rangers Association of Texas, organized at Weatherford, Texas, August tenth, 1920, one of the objects of which was to do what we could to secure pensions for survivors, or widows of deceased Rangers.

For this reason, I am asking all men who saw service on the frontier of Texas, prior to Dec. 31, 1830, to join the Ex-Texas Rangers Association at Weatherford, where we will have a meeting and meet with us next August a royal time. And you may be the one man wanted to make proof for some Ex-Ranger, or his widow.

A widow failed to make proof, on account of not being able to find the second man, but at the Weatherford meeting she found a former comrade of her deceased husband, who was able to make proof positive of his services.

So you may be needed by some one, and by becoming a member of the Ex-Texas Rangers Association, it will put us in touch with you at all times and enable us to be of greater benefit to each other. And the social features are worth more than the time and money spent in attending these meetings.

It is no little thing to meet these gray headed men, and find them just as true to Texas as they were forty and fifty years ago, and to know that we are mingling with the best blood of the state. Men who took part in brushing back the obstacles in the way of the peaceful settlement of Western Texas.

To all those wishing to become members of the association, I would advise that you do not wait till the Weatherford meeting, but send your name, and present address, also your age at enlistment, letter of your company, where you joined, and when, with fifty cents, as membership fee, to Sergeant Henry Sacket, Coleman, Texas.

By this means we will be able to make a closer estimate as to the number that will attend the reunion next August and the people of Weatherford will know better how to prepare for our entertainment.

Trusting all will do their very best for our organization, and pledging the best there is in me, I am,

Yours for the old Rangers,
W. M. GREEN,
Major Commanding, Ex-Texas Rangers Association of Texas, Colorado, Texas.

Mr. Harding is taking himself to the solitudes of Florida in order that he may get away from office seekers, and counselors so that he can make a decision of his own. After all ones ability to decide for himself is better than a multitude of advisors all different, especially when prompted by political ambition. The Dallas News in speaking of Mr. Harding's perplexities says in part:

"No one has deplored more eloquently than Mr. Harding the autocratic habits of Mr. Wilson's mind, and yet one could fancy that even he now perceives merits in Mr. Wilson's method that were not previously apparent to him. Unaided, he would long ago have made up his mind as to the composition of his Cabinet, because he would have concerned himself solely with the question of fit-

ness, whereas he complicated it with the question of expedience when he invited the opinion of others with respect to the suitability of men whom his own judgment favored. As it is he can not give full freedom to his own judgment without seeming to dispise that of men whom he invited to advise him, and we may be sure that every man whose advice he rejects will feel his pride hurt more than he would if his advice had not been sought."

It is said that one of the first matters of importance to come before the present legislature will be the proposal of the Board of Regents of the University of Texas to remove the University from its present site. Some think that it will require a constitutional amendment to relocate the school. Others believe that if sufficient land can be obtained adjacent to the present institution it would be better to leave the school where it is now established.

Edgar Rice Burroughs

This writer has had a life experience calculated to develop imagination and the ability to delineate adventure and romance. He has been a soldier in the regular army, a gold miner in Oregon, a cowboy and storekeeper in Idaho, a policeman in Salt Lake City, a sales manager in Chicago and in 1917 was major of infantry in the Illinois Reserve Militia. About 1912 he took up writing as an experiment and produced the first of the "Tarzan" stories. It was instantly successful as have been some six or eight novels which succeeded it. Today, he stands alone in this country as an author of thrilling, purely imaginative fiction. "A Princess of Mars," one of his most fascinating creations, has been selected for serial reproduction in this publication. Do not miss the opening installment.

A "New" Printer.

On the morning of January 6th at 2:30, the Leader force was increased by the arrival of a 7 1/2 pound girl to Mr. and Mrs. Editors. The Young lady has been very little assistance as yet—in fact we have almost despaired of ever making a pinter of her as she seems to have such a good strong voice she will doubtless make a great singer and be too high toned to "stick type."

The mother and baby are both doing well and we hope to be able to give more attention to business next week and get the paper out on time. Last week we did not print a paper and owing to a rush of work and sickness are a day and a half late this week.—Lorraine Leader.

That's all right Will, don't bother about getting out the paper but be sure to take good care of the new printer. Mr. and Mrs. White were both at one time on the Signal force and were married while here.

The Signal offers congratulations. Notice is hereby given that there will be held a meeting of the stockholders of the First State Bank, Fluvanna, Texas, in their Banking House, at one p. m., January 27, 1921, for the purpose of electing officers and directors of said bank for year 1921. 31c C. "The Brute Master."

This theatre will show for your entertainment Saturday matinee and night, "The Brute Master," an unusual and vitally interesting sea story in which that popular and virile actor, Hobart Bosworth, is starred.

"The Brute Master" was written by Charmion K. London, widow of the late Jack London, especially for Mr. Bosworth. And when you see the picture, you will agree that it fits him as all screen stories should fit the stars who play in them—but alas, so seldom do!

Beautiful scenic effects are afforded by this absorbing photodrama, the entire action of which is laid on a battered old schooner and a picturesque little island in the South Seas.

A large cast headed by Anna Q. Nilsson, William Conklin and Margaret Hobart Bosworth in what is considered by critics, the very finest picture of his career.

We feel confident that you will enjoy "The Brute Master."

Yours very truly, COZY THEATRE.

THE UNIVERSAL CAR

The Ford One Ton Truck is serving business just as faithfully and economically as does the Ford Touring Car serve all the people faithfully and economically. The Ford Truck is a necessity to the grocer both in delivering goods and in bringing goods from the stations, docks and from the country. It is an ideal motor car because there isn't a want of the farmer or business man that it doesn't supply in the way of quick transportation at a minimum expense. Come in, examine the Truck, and let us talk over the subject.

Love's Labor Lost.

China Press: A successful old lawyer tells the following story about the beginning of his professional life:
"I just had myself installed in my office," he said, "had put in a phone and had preened myself for the first client who might come along when, through the glass of my door I saw a shadow. Yes, it was doubtless someone to see me. Picture me, then, grabbing the nice, shiny receiver of my new phone and plunging into an imaginary conversation. It ran something like this: 'Yes, Mr. S., I was saying as the stranger entered the office, 'I'll attend to that corporation matter for you. Mr. J. had me on the phone this morning and wanted me to settle a damage suit, but I had to put him off, as I was too busy with other cases. But I'll manage to sandwich your case in between the others somehow. Yes, Yes. All right. Good by.' Being sure, then, that I had duly impressed my prospective client, I hung up the receiver and turned to him. 'Excuse me, sir,' the man said, 'but I'm from the telephone company. I've come to connect your instrument.'"

Income Tax Reports.

Let us make your Income Tax Report. We will do it correctly at a nominal charge. Boren & Erwin, Northwest Corner Court House.
Fred A. Grayum has been housed up this week suffering from an attack of rheumatism.
Mrs. M. J. Neeley of Laven, Collin county, who has been spending some time visiting in the home of Mr. J. W. Stimson, returned to her home this week. She was accompanied by J. O. Stimson, who will go by Dallas on his return home to some improvements for his Chocolate Shop.

Mr. R. L. Burdett killed a hog last week that weighed 780 lbs. We don't know how much larger they get than this one, but we do know that 780 lbs. is lots of meat, which would probably bring \$150.00 or better. There's lots of hogs raised in Scurry county this year. This is easy done when the farmers have plenty of feed to fatten them like the past year.

Income Tax Reports.

We will be prepared to make your income report for 1920 at a nominal charge. Ask us for information.

A Princess of Mars
by Edgar Rice Burroughs
Illustrations by IRWIN MYERS

A STORY of another world, curiously captivating in its romantic qualities and in the originality of its conception. The spirit of adventure carried beyond earth, into the realms of space.

No one but the author of the "Tarzan" tales has an imagination sufficiently bold to create such a narrative and make it charming. It is weird, bewildering, fascinating. So unusual are the characters and episodes that the reader falls under their spell and finds himself viewing as it were, a pageant of happenings in another sphere.

The Most Exciting Story You Ever Read—Soon to Appear as a Serial in These Columns

CALLED HER FAMILY TO HER BEDSIDE

Six Years Ago, Thinking She Might Die, Says Texas Lady, But Now She Is a Well, Strong Woman and Praises Cardui For Her Recovery.

Royse City, Tex.—Mrs. Mary Kilman, of this place, says: "After the birth of my little girl...my side commenced to hurt me. I had to go back to bed. We called the doctor. He treated me...but I got no better. I got worse and worse until the misery was unbearable...I was in bed for three months and suffered such agony that I was just drawn up in a knot... I told my husband if he would get me a bottle of Cardui I would try it... I commenced taking it, however, that evening I called my family about me... for I knew I could not last many days unless I had a change for

the better. That was six years ago and I am still here and am a well, strong woman, and I owe my life to Cardui. I had only taken half the bottle when I began to feel better. The misery in my side got less... I continued right on taking the Cardui until I had taken three bottles and I did not need any more for I was well and never felt better in my life... I have never had any trouble from that day to this."
Do you suffer from headache, backache, pains in sides, or other discomforts, each month? Or do you feel weak, nervous and fagged-out? If so, give Cardui, the woman's tonic, a trial.

HOW DOCTORS TREAT COLDS AND THE FLU

First Step in Treatment Is a Brisk Purgative With Calotabs, the Purified and Refined Calomel Tablets that are Nausealess, Safe and Sure.

Doctors have found by experience that no medicine for colds and influenza can be depended upon for full effectiveness until the liver is made thoroughly active. That is why the first step in the treatment is the new, nausealess calomel tablets called Calotabs, which are free from the sickening and weakening effects of the old style calomel. Doctors also point out the fact that an active liver may go a long way towards preventing influenza and is one of the most important factors in enabling the patient to successfully withstand an attack and ward off pneumonia.

One Calotab on the tongue at bed time with a swallow of water—that's all. No salts, no nausea nor the slightest interference with your eating, pleasure or work. Next morning your cold has vanished, your liver is active, your system is purified, and you are feeling fine, with a hearty appetite for breakfast. Drugists sell Calotabs only in original sealed packages, price thirty-five cents. Your money will be cheerfully refunded if you do not find them delightful.—(Adv.)

BACK BAD TODAY?

Backache is usually kidney-ache and makes you dull, nervous and tired. Use Doan's Kidney Pills for weak kidneys—the remedy recommended by your friends and neighbors.

Mrs. J. L. Abbott, Church St., Snyder, says: "I was in a pretty bad way with my back. At times there were sharp pains in the small of my back, which I could hardly bear and when I stooped over to put on my shoes in the morning it was an effort for me to straighten up, as the pains were so intense. I had terrible nervous spells and throbbing headaches. My feet and ankles would swell twice their normal size and mornings I felt tired and worn out. Doan's Kidney Pills had been used in the family for a good many years with wonderful

results, so I took them and I am glad to say I certainly derived wonderful benefit from their use. I am not at all bothered in that way now, but occasionally I take a few Doan's as a preventative."

PROF. PREUITT WAS TEACHER IN FT. WORTH

The following article from the Fort Worth Record concerning F. P. Preuitt, of this city, who died a few weeks ago, will be read with interest by the many friends of the family.

Prof. F. P. Preuitt, pioneer Fort Worth citizen, (president and founder of the old Fort Worth business college died Nov. 27 at Lawton, Okla. Many of the leaders in Fort Worth and Tarrant county business circles were pupils of Professor Preuitt's school. Many of the leaders in other sections of the country were also prepared for their careers by him. He conducted the business college here for thirty years, and it is estimated that at least 20,000 students attended the school. Many of them had no money, and he would take them and let them pay, when they were able, and as a result, was not a financial success.

Some of those who attended his school are W. M. Massie, president of the Chamber of Commerce; R. W. Fender, cashier of the Fort Worth National Bank, Elmer Renfro, cashier of the Farmers & Mechanics' National bank, John A. Key hardware man; Fred Binyon, Binyon-O'Keefe Transfer & Storage company; Arthur Hodgson president Nash Hardware company; Charles R. Keith, manager of Double Seal Piston Ring Company; and John J. Putnam, stockman north of Fort Worth.

"I attended Professor Preuitt's school in the early 1890's, and was well acquainted with him," Mr. Putnam said. "I regard him as one of the most useful men of his time, as well as one of the most honorable. I recall an incident that will show the kind of a man he was.

"After my father's death, which occurred in 1893, Mr. Preuitt came to our house and stated that he wanted to talk with my mother and myself. In the interview he said that my father, J. J. Putnam, had at some previous time loaned him \$500, and that he had not paid it back. He said he wanted to tell us about the debt, which we did not know about until he told us. He afterwards paid us the money."

"He was one of my best friends," said Mr. Keith. "Thirty-two years ago, when I was 16 years old, he insisted on my going to his school, after I had told him I did not have the money to pay the tuition. I attended

his school about a year, paying him nothing until long afterward. He helped me in many other ways. I owe much of the limited success I have made to him. I will always feel grateful to him. I know he helped many other young men without money. I was a stranger to him when he asked me to attend his school without pay."

Professor Preuitt moved from Fort Worth to Lawton, Okla. ten years ago. His health failed, and he suffered a stroke of apoplexy. About the twenty-fifth of November he fell on a stove and was badly burned. He died Nov. 27.—Lawton Constitution.

Mr. Preuitt was the father of our Mr. A. C. Preuitt.

Woman's Missionary Auxiliary Met.

The Woman's Missionary Auxiliary met Monday afternoon with splendid attendance. Mrs. Gann led the devotional.

Mrs. W. A. Doak very ably conducted the Bible lesson with the assistance of Mesdames H. G. Towle and Jno. Hicks.

Great interest is manifested in these meetings.

Monday the 17th will be devoted to mission study, "The Bible and Mission."

We urge all members to be present to begin the first of our mission study course.

Visits Big Spring.

A number of Knight Templar Masons went over to Big Spring Monday to be present at a meeting of Big Spring Commandery Monday night to witness the conferring of the order of Malta by the special arrangement of that commandery, it being one of the very few in the state that do this work and the visitors from Snyder were delighted with the visit, their entertainment at the hands of the B. S. fraters. It was also the occasion of the annual inspection and, E. B. Barnes, of Snyder Commandery had been designated by the Grand Commander to do the work, of inspection. Big Spring commandery is one of the oldest as well as one of the leading commanderies in Texas, and is at present represented by one of the Grand Commandery officers in the person of C. L. Alderman known to all Texas Masons. It was Big Spring Commandery that Snyder Commandery No. 69 sprung and therefore largely the most cordial relations existing between the two bodies of fraternal co-operation. The local body

was set to work by the parent organization and taught largely the work from the same body. The nights attending from Snyder were J. W. Couch, H. J. Brice, J. A. Dunn,

G. H. Leath, W. S. Adamson, Abraham Rogers, A. J. Towle, W. W. Gross, W. M. Morrow, E. B. Barnes and Geo. T. Parkhouse, the later from Dallas Commandery.

SENSATIONAL AFTER-INVENTORY

CLEAN-UP SALE

IMPORTANT---READ: After inventory we find our stock of winter goods in all departments to be far too heavy for this date in the season.

We cannot afford to carry these goods over another season. We must clean up and move them out. In taking our inventory we have marked the cost of the stock on hand to conform with today's wholesale prices. We have cut the selling price of this merchandise down below today's selling basis. Taking our loss now is what we are doing; we will not carry any of the goods over.

Clean up now and clean up quick is our purpose. Thousands of dollars worth of new merchandise has arrived since inventory, bought on today's market basis; these goods are now in stock, marked to sell at prices far under the prices now being asked by all others in this entire section. A sensational effort for a final clean up.

In Memory of I. D. Scoggin.
All God's greatest gifts for art Bestowed on person class or clan, the grandest noblest purest part, An honest up right man."
As already related in the Signal people were called in sacred past week to witness the passing of one of our truest and most honorable men, in the demise of Mr. I. Scoggin.
D. Scoggin, son of James T. and Mary Wood Scoggin, was born in Person county, N. C. in 1852 and died at Post City, Texas, Jan. 2, 1921, aged 69 years.
Pete Scoggin's father was a minister of the Primitive Baptist church and a successful farmer in North Carolina, and was considered a well to do citizen of average means in those days. There were fifteen children of the family, twelve growing up in the faith of their parents. A family of sturdy, honorable sons and daughters and taking high rank in character and citizenship.
The father always maintained a good farmstead in the old North Carolina state and reared his family to know and appreciate the value of honest conscientious living and of due regard for the rights and comforts of others.
The subject of this sketch grew to young man hood in the home and in his nature was implanted the noble qualities of industry, frugality and well directed generosity. He loved honor and truth in men. His nature revolted against shams, deception and profligacy.
In early manhood he left the parental home and spent two years in Kentucky, then lured by the promises held out by the Golden West, he came to Texas, first to Coleman county, thence to the sparsely settled far west and established ranching interest in Kent county, where as a pioneer country builder he has wrought well. He has built up a valuable estate in cattle, lands, and banking interest. He was one of the founders of the First State bank and Trust Co. of Snyder in which he has always been a director and one of the safest and most conservative factors in the management of that institution.
He was a man of unostentatious bearing, generous on practical lines, but quiet in his bestowal of benefactions. He loved Texas and her well

fare and yet was always loyal to his native state.
He was glad when his friends and neighbors were prosperous and sympathetic in times of their adversity. He was held in high esteem by his social and business associates, as was demonstrated here Wednesday by the great number of ranchmen and cattle men who had come from all over West Texas, to be present at the funeral.
He is survived by two sisters, Mrs. Martha J. Brooks of North Carolina, Mrs. Mildred Walsh of New York, and other relatives here and elsewhere, among whom are Baxter Scoggin of El Paso, Mrs. C. R. Hairfield of Oklahoma City, Miss Sula Scoggin and Mrs. J. P. Morgan of Snyder.
A FRIEND.
Notice.
The allotment of vegetable seeds for distribution by the government this year has been materially reduced. It is my desire, therefore, to place such as are available with those who care for and will use them. If anyone wishes a package of these seeds and will drop me a post card, giving name and address, I shall be glad to comply with the request provided the supply is not exhausted.

From Post City Post.
Jim Gosnell was in Post this week attending to business matters. He informs us he and Mrs. Gosnell will take charge of the Stamford Inn at Stamford, Texas, on the 15th of this month.
Preacher Pat Horton preached two mighty good sermons to the Baptists at Snyder last Sunday, and of course they, like everybody else who hears our fine little preacher, wanted to keep him. But Pat believes in his friends and will stay with the people of Post.
Mr. and Mrs. Ira Lee Duckworth, the "hip boys" and the editor, motored down to Snyder last Saturday morning and took New Year's dinner with Dr. J. W. Warren's family. Mrs. Duckworth remained for a week's stay. It is needless to say the visit was a most pleasant one, and anyone who has ever enjoyed the hospitality of this home will know that "Aunt Fannie's" dinner for all her children and loved ones was another never-to-be-forgotten one. These big dinners come once a year and we intend to be on hand every time if we are able to get there. We sure do enjoy these fine gatherings of loved ones.
Rev. J. W. Hunt, commissioner of education for Northwest Texas conference of the Methodist Episcopal Church, South, will be a distinguished visitor in our city Sunday, and will preach both morning and evening at the Methodist church.
Tom Bouchier came up from Hermleigh last week and took charge of the Higginbotham-Bartlett Lumber company at this place. Bob Bulloch, who has managed this concern for several years, having resigned, to take charge of Dad's Place, which he and Earl Elkins recently bought. Bob's a good looking waiter.
This office has received the announcement of the arrival of Miss Martha Margarette Higginbotham at the home of Mr. and Mrs. Dewey Higginbotham, 902 N. First Street, Temple, Texas, born Jan. 5th, 1921, weighing 8 1-2 pounds.
Mr. and Mrs. Tate Lockhart went to Sweetwater Friday.
Mrs. Stalling and children have returned from Post.

A Resolution.

Whereas in the processes of Divine Providence grief and loss has come to the home of our Sister and co-worker, Mrs. C. R. Buchanan, in the death of her mother, whose presence and influence has ever been to her and to her family a source of richest benediction and sweetest consolation;

Be it resolved: That we the members of the Woman's Missionary Society of the Presbyterian church do, through the gate of human sympathy enter the garden of trial with her and her family and pray that the comforting presence of our Lord and Christ, who hath won complete victory over suffering and even death and whose heart in love longs for the consolation of His people, may be with her and hers during these days

of sorrow. "Blessed are the dead which die in the Lord, from hence forth; yea, saith the Spirit that they may rest from their labors; and their works may follow them."

Also that a copy of this resolution be sent to Sister Buchanan and family, a copy to the Snyder Signal and that it be spread upon the minutes of our society.

Card of Thanks.

To the many friend of our dear departed, who so unselfishly ministered to her, and who asked for the privilege of doing so, and to all who in so many ways gave expression of sympathy for us in this our greatest bereavement, we wish to express our heartfelt appreciation. The word gratitude has taken on a new meaning to us. You have made us to understand the true meaning of human sympathy. Our hearts are greatly comforted by this, and we are drawn nearer to the great source from whom all blessings flow.

We thank each one who participated in any way in the last service and in the consignment of the body to the last resting place. We are especially grateful that the bright beautiful flowers that she so much loved now mark that spot.

As long as she had breath she smiled her appreciation of every act of kindness. You are now under her benediction.

Lovingly submitted,
Mr. and Mrs. C. R. Buchanan,
and Children.

Planting Trees.

A new bulletin, "Tree Planting in Texas Towns and Cities" has just been issued by the State Forester. Copies may be secured free of charge by writing him at College Station. This bulletin should be of great assistance to residents of towns and cities who wish to beautify their homes by planting trees. For decorative planting around farmsteads this bulletin will also prove helpful. Forest tree planting for windbreaks and utility woodlots, however, is not discussed but is taken up in a bulletin "Tree Planting by Farmers for Fuel Fence Posts, and Shelter," which is now in press. Announcement will be made when it is ready for distribution.

The city planting bulletin points out the advantages to be gained by planting shade trees. It is said that "in no other way can the comfort and attractiveness of a town be secured so cheaply, easily and satisfactorily as by the extensive planting of shade trees and shrubs."

COMEDY GALORE IN "THE HUSBAND HUNTER."

"The Husband Hunter," a Fox production with Ellen Percy in the title role, made an instantaneous hit when it opened at the Cozy Theatre last night. It is a brilliant comedy bordering at times on farce. The story is of a young girl who sets out to capture the love of a man she has never seen. The picture is a splendid adaptation from F. Scott Fitzgerald's story, "Myra Meets His Family."

Ellen Percy enacts the role of Myra Hastings, the young woman in question. When the story opens Myra's plan to win Kent Whitney is well under way. A storm forces Myra and Whitney into a deserted house in the woods and results in the couple being quarantined, they being informed that scarlet fever has existed in the shack. Rather than expose Myra to any possibility of being compromised Kent proposes, and of course, is accepted.

Then comes Bobbiness, a former suitor of Myra, who looses no time in informing his friend Whitney that his wife-to-be is a famous husband hunter. Then the two concoct a scheme to show Myra in her true colors—and from this point the fun of the play runs riot.

Miss Percy combines cleverness and beauty in a fine bit of acting. The "Husband Hunter" is one of the most enjoyable film comedies seen in some time. The star is admirably supported by Emory Johnson as leading man.

New For a Year of Good Buying

To The People of this Community:

This is just a friendly talk, in which we hope to impress upon your minds some interesting facts.

It is useless for us to speak of the high quality of goods we sell. You all know that from long experience.

But we do want to emphasize the fact that 1921 is going to be a year of good buying at this store. We know that the public is always willing to meet a merchant half way, but most people have an inherent object to traveling all of the distance themselves.
