

Safe Farming

Master or Servant, Which? We Mean Cotton.

If you are just a cotton farmer and nothing else; if all the energy of yourself and your family is expended each year in the production of a large crop of cotton; if you are calling upon the energies of your soil year after year to the growing of cotton and nothing else; if you are forced to place your entire year's financial success, sweat and toil upon the fluctuation of the cotton market, then, cotton is your master and not your servant as it should be.

We believe that old Mother Nature intended for cotton to be used in the Southland as a "prop," "fall-back-on," a surplus, a remover of mortgages and a payer of debts and not be the entire production of our farms, out of which must come not only the funds to pay debts and mortgages but also the funds to buy feed for the farm stock, clothing and supplies for the family and food for the table.

RESOLUTIONS OF THE MINISTERS' ASSOCIATION.

Resolved, That in the removal of Rev. Jeff Davis, and Rev. Dr. I. J. Sparks from the town and their respective churches, to take work with other churches in other cities;

That the town of Snyder loses two very valuable, public-spirited, Christian citizens.

That the Baptist church of Snyder, and the First Christian church of Snyder, lose two very efficient and consecrated ministers whose work has been highly commendable in their respective pulpits;

That the Ministers' Association of the town loses two valued, congenial members whose counsel and work has been highly appreciated by other members of the association;

That we commend these ministers wherever their lots may be cast, and also commend them to the citizenship of the towns that shall

have the valuable services of these able and consecrated ministers in the future. Our distinct loss is to their spiritual and civic gain.

Respectfully,
RESOLUTIONS COMMITTEE.

Since many of the rural schools will close earlier than was at first expected, we have found it necessary to move the fair date up one week. It will be held on Saturday, April 24.

Themes, note books and other literary work will not be accepted unless in the hands of the committee by Saturday, April 17.

We would like for every school

So Weak Couldn't Stand

"My wife's health broke down and for years she was just a physical wreck," says Mr. Thomas Glynn, of Gibson, La. "We did everything we knew, yet she seemed to get worse and worse. She was so weak till she couldn't stand, and had to be carried like a baby. It looked like nothing would save her that had been done."

CARDUI

"I knew that Cardui was for women. I decided to try it for her as all else had failed. She couldn't eat, she couldn't sleep, and I was desperate. After taking a few doses of Cardui, we were so glad to note that she wanted something to eat, and with each bit of nourishment, and each day's doses of Cardui, she grew stronger and got up out of bed. She is now able to cook, and stronger than in a long time."

What Will They Be

WHITE BLUFF.

Yes, Editor, we will have to congratulate you on last week's paper, as it was real newsy.

The recent weather with ice, sleet and snow, have the farmers confused, as to whether planting time is here or not. Many of the farmers had planned to start planting this week, but I think from what they say it is been put off for a while. Garden vegetation was not injured by the recent cold but small chicken owners suffered a heavy loss.

Mrs. L. L. Welsh is reported much better, we are very glad to say.

Neely Williams missed several days out of school with tonsillitis last week.

Mr. and Mrs. Stewart Womack of Snyder visited Mr. and Mrs. John Watts Sunday.

Mrs. John Brown, son, Delma, and daughter, Ava Nell, visited friends in Spur Saturday and Sunday. While there they visited in Matador.

W. C. Brooks went to Lamesa Sunday.

Mr. and Mrs. Arlie Biggs and son, John Hilburn, visited Mr. and Mrs. J. T. Biggs of Union Sunday.

Mr. and Mrs. Bob Wren and children spent Sunday with Mr. and Mrs. Ray Huckabee. Misses Ruth Seabourne and Lois Huckabee, also, were visitors there.

Mrs. J. W. Gladson has returned home from Snyder where she has been with her daughter, Mrs. Will Shaw who has been very sick with flu and pneumonia, but is much better at this writing.

Mr. and Mrs. George Oldham of Snyder visited Mr. and Mrs. Tom Davis Sunday.

Mr. Griggs and daughters of Abilene visited at Mr. and Mrs. Tom Davis Sunday afternoon.

Mr. and Mrs. I. F. Day and daughter, Elsie Mae, visited relatives in Inadale and Roscoe Saturday and Sunday.

Misses Fannie Day, Thelma Parker and Guy Day went to Inadale Sunday on a pleasure trip, carrying their lunch making it an enjoyable affair.

Mr. and Mrs. Earl Corbell of Dunn visited Mr. and Mrs. J. T. Lyons Wednesday.

Robert Hoyle spent Saturday night with J. T. Lyons, Jr.

The high wind Monday afternoon put J. T. Lyons' thinking cap on, for he began to dig a storm cellar.

Mrs. Rachel Parker, Mrs. A. L. Stoker and Mrs. J. T. Lyons visited Mrs. L. L. Welsh Wednesday night.

Mr. and Mrs. Arlie Biggs gave a musical Saturday night. All present reported a nice time.

John and Bob Brown were visiting in Snyder Sunday.

Miss Thelma Parker visited Miss Fannie Day Saturday.

Earl Gladson's children have started back to school after several weeks' absence on account of flu, pneumonia and tonsillitis.

Only a Buick Could Stand this Test!

Buick has the only chassis built today that can take a "shower bath" while the engine is running and driving the wheels.

Only Buick provides the design which can undergo such punishment. Of all cars built today, Buick alone has the complete protection of the "Sealed Chassis" and "Triple-Sealed Engine."

Every Buick operating part is "sealed" inside a dirt-tight, oil-tight, water-tight iron or steel housing. The "Triple Seal" (air cleaner, gasoline filter, oil-filter) keeps dirt, grit and moisture out of the engine.

Road slush and grit cannot reach Buick vital parts. Rain and moisture cannot cause short circuits in the Buick electrical system. Even the spark plugs are protected!

Come in and see, with your own eyes, why Buick motor cars are more dependable. Only a Buick could stand the "shower bath" test!

We missed Harold Brown from school Monday. The commercial arithmetic class is "nearly" back to normal again, having had much difficulty with decimals and short methods.

THE BETTER SPEECH CLUB.

The Better Speech Club was called to order by our president, May Jo Glenn, March 26. Words cannot express how glad we were to have May Jo back in school once more, especially in our club work.

Our last meeting was interesting and enjoyed by the club members present.

The program was as follows: Alva Curtis—Report on Modern Inventions. Kenneth Alexander—Read a Poem.

Original Class Rhyme—Carroll Baker. Original Story by the Class—Started by Lowell Stokes.

The club adjourned to meet April 2, 1926. —Reporter.

THE STORY TELLING CLUB.

The Story Telling Club met last Friday morning the house was called to order by our president, Lanada Baze. The minutes were read and approved. The roll was called. Then the program was given as follows:

Mary Orr—The Golden Fish. Joyce Thompson—A Little Girl's Sunday Surprise. Mattie Martin—An Easter Surprise.

Warren Pierce—The Maiden Who Was Wiser Than the King. —Reporter.

BASEBALL.

Tuesday afternoon, March 23, was the only day the Tigers have been able to practice the past week. A practice game was played with Joyce and Cotten as batter for one team and Fesmire and Roberts for the other. Roberts hit a homerun. Curry hit a homer with one on and also poled out a double and marked once. Cotten got a new bat and got one hit and poled out several long flies besides.

TRACK AND FIELD.

The cold rainy weather is hard on the track men because they have only about a week and a half to practice.

Cotten is coming out for the one hundred yards (dash), pole vault, and broad jump. Fesmire is coming out for the half-mile pole

vault and high jump. He won the half at the county meet last year and took third place at the district at Lubbock. He tied Cotten for the vaulting honors at the county meet last year and has been making up around 5 five feet five inches and should, with practice, be able to make close to six feet. Cooper is also coming out for high jump and jumps about as high as Fesmire. Carrell practiced with the javelin Tuesday evening and considering the fact that he has never thrown one before did especially good work in making around 100 feet. He also puts the shot for good distances. Harvey twirled the discus consistently 75 to 100 feet. Other men coming out are: B. Martin, weights and 330 yards. Turner, weights. Others were unable to practice Tuesday afternoon.

ARRESTED ON CHARGE OF CHICKEN THEIVING.

B. W. Nash, a tenant on the Arnett farm, about three miles east of Big Spring, was arrested last Sunday on a charge of stealing 12 chickens from the S. J. Canada farm. He sold the chickens at Snyder. As there was a case pending against him in Snyder he was turned over to the officers of Scurry County for immediate trial. It is reported he was sentenced to serve 60 days in jail and pay a fine of \$100 and costs. He will be returned here for trial when he is released by Scurry County.—Big Spring Herald.

THE JUNIOR CHRISTIAN ENDEAVOR.

The Junior Christian Endeavor met at the First Presbyterian church Sunday afternoon at four o'clock with Mrs. Elza, the superintendent, and Miss Mitchell, the assistant. Mrs. Abercrombie and Miss McLeod were also with us.

The program was as follows: Topic—Choosing Sides. Scripture, Matthew 24; Acts 5: 24.—Jeanette Lollar.

Story and report of C. E. convention at Abilene—Miss Mitchell. A Man Who Chose wrong Side—Bryant Weaver.

When We Come to Two Roads—Sam Werner Wilborn. Sometimes We Choose Without Knowing It—Marivade Harless. Choices are made in the Begin-

ning of Life—Miss McLeod. In the business session Jeanette Lollar was elected vice-president to succeed Ora Dorsett. It was unanimously voted to have an Easter egg hunt next Sunday afternoon.

FRANCES CHENAULT, Pres. JOHNNIE MATHISON, Sec.

ATTENDED DISTRICT MEETING.

Mrs. A. J. Cody, Miss Alma Dorsett, Miss Clara Mitchell, James and Boynton Martin attended the C. E. district convention in Abilene March 25-28. They report an enjoyable time and a splendid convention. Others from Snyder who had registered for the convention were A. J. Cody, Miss Mattie Lee Clark, Elizabeth Brown, Doris Buchanan, Maurine Martin, Mrs. Shell, Burgess Brown, Mrs. Elza, Miss Inez Baze, Chas. Shell, Earl Brown, Jr.

The reports of the convention by Misses Dorsett and Mitchell will be given at the Presbyterian church at 10:45 Sunday morning immediately following the children's Easter program. Come and hear these reports.

MEETING ONE WEEK LATER.

Owing to a conflict in dates Evangelist L. D. Hukel of Crockett, Texas, will begin our meeting at the Scarborough St. Church of Christ on April 11, instead of as announced. Everyone cordially invited to attend these services. The meeting will continue till April 18. Come and enjoy the meetings. S. A. RIBBLE, Minister.

School Notes

SCHOOL NOTES.

The high school try-outs for declamation were held in the high school building last Tuesday night, March 23. The winners were as follows:

Junior Girls—First, Ethelene Ribble. Second, Ruth Yoder. Third, Margie Smithers.

Junior Boys—We regret to say there were no junior boy contestants.

Senior Girls—First, Lily Mae Baze. Second, Lester Pritchett. (Myrtle Barton eliminated on account of interscholastic rule.)

Senior Boys—First, Ernest Hayley. Second, E. W. Lewis.

Those winning first place in the three divisions last Tuesday night will represent Snyder high at the County Friday afternoon at 1 o'clock.

THE SENIORS.

We have just received the news that J. G. Morrow of the senior class of '26 has been appointed as cadet to the Naval Academy of Annapolis, by Representative Marvin Jones. Proud? I should say

we are. We're proud that this honor, that only two boys in each State can enjoy, should be given to one of our own seniors. The honor includes that this office is extended to only "A-1" boys. J. G. was president of the junior class of last year and was unanimously elected president of the senior class this year. In every activity or enterprise the class undertakes, he is the one that carries it out—a leader, organizer, executor. J. G. has played important parts in the junior and senior plays; he has played on the football team two years being lettered this year.

J. G. has been in high school four years, not having failed in a subject. His report cards are always filled with good grades.

Besides this remarkable record, J. G. is simply bubbling over with humor. He furnishes the fun, as well as the brains, for the class. I shall allude to one instance when the "Duke and Dutches" contest was in progress last year. He went into the bank with a large bag of nickels and told the clerks that the juniors were winning. Two of the clerks, thinking the bag was filled with dollars and bills gave fifty dollars each for their candidate thus \$100 were added to the class funds by the simple joke.

We are confident that a boy with such a record deserves the commission, which is a step to the higher work that carries on our Nation, and that he will keep ris-

ing. The district essay contest was held Tuesday, March 23, at the high school. Contestants were mostly seniors, and a few juniors. Five subject were given to choose from. Judges were: Misses McCleod, Mitchell and Philam. First place was given to Nona Carr, second to Raye Morgan, third to Grace Holcomb, all of whom are seniors. The contest for the winners of the county will be held Friday, April 2nd.

Next Thursday afternoon at 4 o'clock the seniors will forget being "digified" long enough to enjoy an Easter egg hunt.

Buster Stacy was absent most of last week on account of illness, but on Monday morning we saw his bright and shining face back in class again.

When You Trade Your Car—

Ford owners are continually being approached by automobile salesmen who wish to "accept" Fords as part payment on more expensive cars.

It is logical that automobile dealers should be eager to trade with Ford owners. No other used car is so easy to sell as a used Ford—because everyone has confidence in Ford quality. And it is not expensive to recondition, since Ford replacement parts are lowest in price.

Most automobiles carry greater discounts to dealers than the Ford—another reason why other dealers may offer the Ford owner a larger trade-in allowance.

A lovely spring party was enjoyed Friday afternoon, March 26, when members of the El Kelly Club and guests were entertained at forty-two by Mrs. J. C. Stinson. Yellow and green decorations were used throughout the rooms and pot plants and cut flowers added floral charm, providing a beautiful background for the dainty appointed tables which were outfitted to accord with the scheme. The color scheme was also used in the delicious three-course luncheon that was served to the members and Mesdames, Robert H. Curritte, Pat Brown, W. W. Lechner, Billy Lee, Joe Caton, Joe Strayhorn and Rob Strayhorn of Rotan.

WRAYMOND SIMS MARRIES MISS THELMA NEWSOM.

Wraymond Sims and Miss Thelma Newsom were married at the home of the bride's parents, Mr. and Mrs. G. C. Newsom, at Weinert, Monday evening, March 22, at 7:30 o'clock. Mrs. Sims is the attractive and accomplished daughter of Mr. and Mrs. G. C. Newsom of Weinert, Texas. She attended Baylor University at Waco four years and last Saturday, March 20, completed work on her B. A. degree for which she will return to Baylor University in May.

Wraymond is the only son of Mr. and Mrs. W. D. "Billy" Sims, pioneers and beloved citizens of Scurry County. He was graduated from Snyder high school with honors, and for five years attended Baylor U. where he met his wife. Wraymond was a star athlete throughout his school career, serving the last year of his school life in the capacity of one of the University football coaches. The past summer he was employed for a time in the First National Bank here and was later associated with his brother-in-law, Earl Henry, in the Palace Drug.

Mr. and Mrs. Sims arrived in Snyder Tuesday the 23rd and visited for the week with relatives. They left Snyder Sunday for Weinert where they are scheduled for a number of showers and entertainments. Mr. and Mrs. Sims will be at home in Snyder.

The Get-Up and Goers met Monday, the 29th, with Miss Roten at

New Way to Stop Night Coughing

Simple Method Brings Quick Relief
For almost instant relief from hacking, irritating, sleep-robbing night coughing there is a very simple treatment which, often with a single dose, stops all irritation and permits sound sleep the whole night through.
This treatment is based on the prescription known as Dr. King's New Discovery for Coughs. You simply take one teaspoonful at bed-time and hold it in the throat for 15 or 20 seconds before swallowing it. The prescription has a double action. It not only soothes and heals soreness and irritation, but it quickly removes the phlegm and congestion which are the real cause of night coughing. People who have not slept well for nights are often surprised how quickly this simple method checks coughing and banishes the entire cough condition completely.
Dr. King's New Discovery is for coughs, chest colds, sore throat, hoarseness, bronchitis, spasmodic croup, etc. Fine for children as well as grown-ups—no harmful drugs. Economical, too, as the dose is only one teaspoonful. At all good druggists. Ask for

the Dermott schoolhouse. Nine members were present.
The girls are getting along fine with their projects.
We will meet at 9 o'clock Monday, April 5, at Mrs. Haywood Gordon's and sew on our bungalow aprons. Get sew and bring your dish towels, hot pan lifters, club aprons, caps and material for your bungalow aprons.
The Woman's Progressive Home Demonstration Club met at Mrs. Bonner's Monday, March 29, with Miss Roten. Quite a few members were present. Each member answered the roll by giving one convenience in their kitchens, and one that they wanted. A very loud claud came up and everyone got excited and we adjourned to meet again the coming Monday.—Club Reporter.

SEVEN LITTLE GIRLS ENJOY BIRTHDAY CELEBRATION.

Miss Thelma Bills, lovely little daughter of Mr. and Mrs. M. G. Bills, was the honoree at a very pretty party Saturday when her friends complimented her little friends in honor of Thelma's eighth birthday. Pink and white streamers and pink carnations lent a youthful color harmony to the dining room. Games and contests were enjoyed, the first prize in the contest going to little Miss Estine Dorward, and second prize going to little Miss Ellen Louise Wilford. The little girls enjoying the party were, Misses Eula Pearl Ferguson, Misses Elizabeth Brown, Martha Jo Jenkins, Frances Northcutt, Ellen Louise Wilford, and Estine Dorward.

Smith, Tuesday evening, March 30, with Misses Myram Stewart, Lillian Chapman, Georgia Rowlin, Cecile Strayhorn, and Mrs. Smith as hostesses. Beautiful lilacs in profusion gave evidence of spring, and the glow of tapers in pastel shades effectively carried out the club colors. Games of forty-two and a kangaroo court furnished diversion throughout the evening. A delicious two-course luncheon was served to Misses Ila Martin, Mertie Akers, Gladys Boren, Cecile Strayhorn, Lou Woolsey, Georgia Bolin, Annie Mae Swan, Bill Swan, Lucile Strayhorn, Eula Richardson, Nell Patterson, Lillian Chapman, Mildred Robertson, Myram Stewart, Messrs. FLUVANNA NEWS.

Rain and Weather.
While the echoes of our rejoicing over the fine rain of the 20th and another amounting to 3-8 of an inch on the 24th, were still reverberating, we got our feet chilled with a freezing (32 degrees) temperature on the mornings of the 26th and 27th; but as we were having considerable cloudy and damp weather at the same time, we consoled ourselves with the hope that little or no real damage was done to fruits and crops. But now the weather mill has brought on a crisis, just as the weather man had said it might do. On Monday afternoon, under the strain of a low barometer, bringing heavy rain in some parts of the community (5-8 inch here in town) including the snow which was sufficient to cover the ground and terminating in a sharp norther which sent the mercury from its maximum of 64 at noon to 32 at 7 p. m.—a drop of 32 degrees in seven hours. Tuesday morning the thermometer was registering a minimum temperature of 26 degrees. This, beyond doubt, has destroyed our fruit crop. Now, it may be, that we will have a fall-back to tomatoes and pie-melons. After all it is great to be able to make substitutes. At noon Tuesday (time of this writing) the norther still blows, the clouds overpread the sky and the earth

is covered with snow—a mid-winter scene, rather than one of spring.

Church Services.

In addition to the usual S. S. and young people's services for last Sunday, Brother Manley was here to fill his last appointment as pastor of the Presbyterian church of this place. In keeping with a mutual arrangement, Bro. Manley will supply the church at Post, in connection with Snyder, for a time and this scribe will undertake to shepherd the Presbyterian flock at Fluvanna. Although there is still considerable flu in the community and the weather was inclement, the preacher was greeted with good sized audiences, who wish the preacher every needed blessing in the new section of his field as well as the old.

The B. Y. P. U. carried their program to Dermott last Sunday p. m.

We understand they had a pleasant trip and a profitable meeting.
It has been announced that Rev. J. C. Burkett of Abilene will preach at the Baptist church here next Saturday night and Sunday. The people of this community will remember the fine co-operative meeting held by Dr. Burkett here last summer; and, doubtless, all will be glad to hear him again.
Rev. Charles Leslie filled his appointments here last Sunday morning and night.
On last Tuesday night, the 23rd, the official board of the Presbyterian church, together with several of the women, met in the home of the village preacher for the purpose of making out annual reports. This is somewhat of a

tedious job, hence, we toiled with facts and figures until near the midnight hour. Just when all were fagged with the task just finished, the hostess came in with punch and cake. Soon we were feeling better and dispersed happily.

Coming and Going.

D. A. Jones and wife, accompanied by Mrs. Wallace Jones, went to Abilene Monday in quest of medical advice.
Mrs. Russell Jones spent the week-end with relatives and friends. They now reside at Post.
Mrs. Belle Sewalt and children, formerly of this place but now of Post, were visiting here Sunday.
T. A. Favor and family spent Saturday night with a sister, Mrs. Mason McPherson, near Snyder.
Miss Nealy Squires, teacher in the County Line school, spent the week-end here with her parents.

Married.

On Tuesday afternoon (the 23) Willis Drum and Miss Clara Sneed, both of this community, appeared at the writer's home, and asked for the official services of the minister. Of course the request was granted and soon the young people were going on their way as happy as could be. We certainly wish them a large measure of the good things of life.
Sickness and Death.
The one-year-old baby boy of Mr. and Mrs. Louisa Hobbs, whose illness has been previously mentioned in this column, died early Monday morning and was buried in the afternoon. Rev. B. A. Moores conducting the service. The mother of the child has been quite ill for some time but is said to be some better at this writing. The grandmother (Mrs. Freeman) is also improving. We sympathize with this family on account of these trying afflictions.
Mrs. A. W. Browning was quite sick a few days last week.
One of the small children of Mr. and Mrs. F. J. Moore has been quite sick for several days.
Paul Moores has been out of school for several days on account of flu.
As mentioned last week, the vil-

lage preacher devoted last week to a trout with a second case of flu.—Jas. H. Tate, Cor.

CANYON NEWS.

Bro. Johnson filled his regular appointment Sunday afternoon. Services were well attended. Sunday school was very interesting, although a number of our young people were absent.
Our Sunday School enrollment seems to be increasing all the time. We have two or three new members most every Sunday.
Our singing afternoons have been changed. Now we only have singing twice a month on first and third Sunday afternoons. We have our 1926 books. Come out and help us learn the new songs.
Our farmers are full of energy since the nice rains. Some are talking of planting feed soon.
Quite a few gardens are showing up nicely. The folks are looking forward to having something to eat at home.
Little Sherman Brinkly is seriously ill with typhoid pneumonia. Jewel McGaha is able to be out again since a severe spell of flu.
Evelyn Taylor and May Crowder spent Saturday night with Mr. and Mrs. J. R. Meadows.
Carl Golden, who is attending school at Lubbock, spent the week-end with homefolks, returning to his school work Monday.
Henry Newman and daughter, Pearl, also Nora Casey from Ira attended church services here Sunday afternoon.
J. H. Huckleberry had some right providers visit his garage Saturday night and succeeded in getting away with three good tires which they took off his car. Absolutely no tracks were found as they had all been dragged out.
Ray Taylor has just completed a new cellar at his place.
The hail storm which came Monday afternoon seemed to change the plans of many farmers and gardeners. As our gardens have been damaged to some extent and the weather seems too cold for feed to grow, if it were planted.—
